From the Chancellor

Liberty University is so unique among institutions of higher learning that it is making an impact worldwide! Liberty’s faculty, staff and student body are committed to maintaining a world class university to train “Champions for Christ” in a distinctively Christian environment.

Since its founding in 1971, Liberty has become the largest private, non-profit university in the United States and the largest Evangelical Christian university in the world. Its spiritually vibrant educational experience is characterized by the institution’s core values: Love God, Love People and Make Disciples Worldwide.

God has blessed this University with highly credentialed faculty holding degrees from more than 450 institutions of higher learning worldwide. In addition to academic excellence, Liberty also offers campus facilities that are unrivalled among Christian colleges. Liberty’s 6,000 acre campus includes 5,000,000 square feet of classroom, dormitory, and recreational space.

Recent projects include the Williams Stadium expansion, which will seat 20,000 football fans upon completion. The massive undertaking will also add a tower to house 18 permanent luxury suites, an 800-seat banquet hall, a 1,000-seat classroom and a press box. This year, the Liberty University Theatre Arts will move to their new home in the Tower Theater and begin performing shows in a 600-seat, state-of-the-art, Broadway-equipped theater. The project also includes 12,000 square feet of support area, which will house offices, dressing rooms, costume, prop, and scene shops, as well as a much-needed practice area for one of Liberty’s fastest growing academic programs.

Thousands of acres of undeveloped mountain land on campus offer many opportunities for outdoor recreation, including biking, motocross, Frisbee golf and paintball. In 2009, Liberty opened the first Snowflex® ski slope in the United States for year-round winter sports. This is all part of a campaign called “Ultimate LU,” designed to give students more recreational opportunities. The LaHaye Student Union (fitness center, indoor pool, five gyms and more) and the LaHaye Ice Center provide indoor recreation, while the Tilley Student Center offers students a place to lounge, watch movies, play video games, listen to live music, among other things.

Liberty boasts a nationally ranked debate team and a NCAA Division 1 athletic program, complemented by top-notch sports facilities made possible through financial support from many generous donors. Their fervor for Liberty Athletics is paying off, as our teams continue to have winning seasons. The Liberty Flames football team, for example, won the Big South Conference Championship for three straight years in 2007, 2008, and 2009.

Liberty’s greatest asset, though, is its student body. God has blessed Liberty with the world’s greatest group of students from all 50 states and many foreign countries. Their value system, Christian principles, positive attitude and work ethic have placed them in high demand among employers, who are discovering that graduates of faith-based schools make the best employees (Dallas Morning News; December 7, 2006).

I look forward to your becoming a part of what God is doing at Liberty University.

Jerry Falwell, Jr.
Chancellor and President
From the Provost

Liberty University exists today because of one of the most gifted and talented pastors and leaders of our generation. During his entire ministry Dr. Jerry Falwell demonstrated the heart of a pastor, the keen mind of a world class educator and the courage and vision of a great citizen statesman. His greatest passion was to establish a Christian university that would be for protestant Christians what Brigham Young is for Mormons and Notre Dame is for the Roman Catholics. Today America, the world, and Christians everywhere are the beneficiaries of his vision and incredibly tenacious faith.

Safely beyond its struggles to survive during its pioneer years, and now enjoying the visionary and yet prudent leadership of Chancellor Jerry Falwell Jr., Liberty is continuing to dramatically expand its facilities, programs and enrollments. Already it has become the largest private Christian University in the world. Resident student enrollment exceeds 12,000 and Online student enrollment stands at over 50,000 as we begin the 2010 Fall Semester.

Liberty now has over 1,825 faculty. Of these, 425 are resident faculty, with more than 70 percent of them possessing terminal degrees. The remaining 1,400 are primarily online faculty. Liberty’s instructional team is committed to teaching their students to explore the vital linkages between faith and learning. Liberty’s distinctively different teaching occurs in the classroom, but it also occurs via a wide range of carefully supervised and reality based experiences, including internships, externships and cross-cultural exposures. To be clear, the Liberty educational experience can and frequently does take place through a wide variety of traditional, online and experiential methods of instructional delivery.

Upon this solid undergraduate platform Liberty graduate programs have increased until today. Liberty currently offers four doctoral programs and over forty-two graduate programs. This range of graduate degree programs aims at providing our students with an opportunity to hone their skills for service in a wide variety of professions. The addition of a School of Law and our active plan for a School of Health Sciences are continuing proof that Liberty is fully committed to producing Champions for Christ at both the graduate and professional levels.

Without apology our mission is to educate Champions for Christ who are prepared to also utilize their education to become lifelong agents of cultural transformation and exponents of the Great Commission. To this end we are both grateful and proud that Liberty graduates are increasingly taking their place in positions of leadership in America and around the globe. May I invite you to enroll at Liberty and to become, regardless of your chosen career, a champion of your generation.

MOTTO
“Knowledge Aflame”

DISTINCTIVENESS
Liberty University was originally formed under the auspices of Thomas Road Baptist Church. Liberty is distinctive among Christian colleges because resident students use Thomas Road Baptist Church, other local church ministries, and community service groups as a laboratory for practical application of what they learn in the classroom. While this practice is not logistically or philosophically possible for students in the online programs, Liberty University Online uses its curriculum and advising to encourage spiritual, moral and ethical development in the student body.

SYMBOLS
The University Seal, a symbol of the administrative authority of the University, depicts Thomas Road Baptist Church aflame with the fire of the Gospel, against the background of an open Bible. The flame within the Seal depicts the motto, “Knowledge Aflame,” and evokes the University’s guiding philosophy—that knowledge has validity only when viewed in the light of Biblical Truth. The Seal’s octagonal border reflects the Jeffersonian architecture of the building which first housed the University.

The Mace is a symbol of administrative authority, a symbol of continuity as the institution pursues its enduring mission, and a witness of institutional heritage.

The Eagle symbol refers to the soaring spirit of achievement the University seeks to inspire in its students, and to the patriotic spirit of the University. The school colors are blue, red, and white. The school verse is II Corinthians 3:17, “... where the Spirit of the Lord is, there is liberty.”

The Eaglehead/Liberty University Logo is symbolic of the athletic teams of the University. The name for all male sports teams is “The Flames”; all female sports teams are referred to as “The Lady Flames.” The Flames Mascot is an eagle named “Sparky.”

**Doctrinal Position**

We affirm our belief in one God, infinite Spirit, Creator, and Sustainer of all things, who exists eternally in three persons, God the Father, God the Son, and God the Holy Spirit. These three are one in essence but distinct in person and function.

We affirm that the Father is the first person of the Trinity, and the source of all that God is and does. From Him the Son is eternally generated, and from Them, the Spirit eternally proceeds. He is the designer of creation, the speaker of revelation, the author of redemption, and the sovereign of history.

We affirm that the Lord Jesus Christ is the second person of the Trinity. Eternally begotten from the Father, He is God. He was conceived by the virgin Mary through a miracle of the Holy Spirit. He lives forever as perfect God and perfect man, two distinct natures inseparably united in one person.

We affirm that the Holy Spirit is the third person of the Trinity, proceeding from the Father and the Son, and equal in deity. He is the giver of all life, active in the creating and ordering of the universe; He is the agent of inspiration and the new birth; He restrains sin and Satan; and He indwells and sanctifies all believers.

We affirm that all things were created by God. Angels were created as ministering agents, though some, under the leadership of Satan, fell from their sinless state to become agents of evil. The universe was created in six historical days and is continuously sustained by God; thus it both reflects His glory and reveals His truth. Human beings were directly created, not evolved, in the very image of God. As reasoning moral agents, they are responsible under God for understanding and governing themselves and the world.

We affirm that the Bible, both Old and New Testaments, though written by men, was supernaturally inspired by God so that all its words are the written true revelation of God; it is therefore inerrant in the originals and authoritative in all matters. It is to be understood by all through the illumination of the Holy Spirit, its meaning determined by the historical, grammatical, and literary use of the author's language, comparing Scripture with Scripture.

We affirm that Adam, the first man, willfully disobeyed God, bringing sin and death into the world. As a result, all persons are sinners from conception, which is evidenced in their willful acts of sin; and they are therefore subject to eternal punishment, under the just condemnation of a holy God.

We affirm that Jesus Christ offered Himself as a sacrifice by the appointment of the Father. He fulfilled the demands of God by His obedient life, died on the cross in full substitution and payment for the sins of all, was buried, and on the third day He arose physically and bodily from the dead. He ascended into heaven where He now intercedes for all believers.

We affirm that each person can be saved only through the work of Jesus Christ, through repentance of sin and by faith alone in Him as Savior. The believer is declared righteous, born again by the Holy Spirit, turned from sin, and assured of heaven.

We affirm that the Holy Spirit indwells all who are born again, conforming them to the likeness of Jesus Christ. This is a process completed only in Heaven. Every believer is responsible to live in obedience to the Word of God in separation from sin.

We affirm that a church is a local assembly of baptized believers, under the discipline of the Word of God and the lordship of Christ, organized to carry out the commission to evangelize, to teach, and to administer the ordinances of believer’s baptism and the Lord’s table. Its offices are pastors and deacons, and it is self-governing. It functions through the ministry of gifts given by the Holy Spirit to each believer.

We affirm that the return of Christ for all believers is imminent. It will be followed by seven years of great tribulation, and then the coming of Christ to establish His earthly kingdom for a thousand years. The unsaved will then be raised and judged according to their works and separated forever from God in hell. The saved, having been raised, will live forever in Heaven in fellowship with God.

**Philosophy of Education**

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which is summarized in the following propositions.

God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.

Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.

Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

**Statement of Mission and Purpose**

Maintaining the vision of the founder, Dr. Jerry Falwell, Liberty University develops Christ-centered men and women with the values, knowledge, and skills essential to impact the world.

Through its residential and online programs, the University educates men and women who will make important contributions to their workplaces and communities, follow their chosen vocations as callings to glorify God, and fulfill the Great Commission.

Liberty University will:

1. Emphasize excellence in teaching and learning.
2. Foster university-level competencies in communication, critical thinking, information literacy, and mathematics in all undergraduate programs.
3. Ensure competency in scholarship, research, and professional communication in all graduate programs.
4. Promote the synthesis of academic knowledge and Christian worldview in order that there might be a maturing of spiritual, intellectual, social and physical value-driven behavior.
5. Enable students to engage in a major field of study in career-focused disciplines built on a solid foundation in the liberal arts.
6. Promote an understanding of the Western tradition and the diverse elements of American cultural history, especially the importance of the individual in maintaining democratic and free market processes.

7. Contribute to a knowledge and understanding of other cultures and of international events.

8. Encourage a commitment to the Christian life, one of personal integrity, sensitivity to the needs of others, social responsibility and active communication of the Christian faith, and, as it is lived out, a life that leads people to Jesus Christ as the Lord of the universe and their own personal Savior.

Approved by the Board of Trustees, November 12, 2010

Statement on Worldview

Liberty University embraces a worldview that is both historically Christian and biblical, and that underlies the very concept and origins of the university. We hold that God exists and is the source of all things, all truth, all knowledge, all value, and all wisdom. We hold that God has created an orderly universe according to His design and purpose and for His glory, and that He has created human beings in His image. God is actively at work in the world and history, governing them according to His ultimate purpose. From these foundational principles, it follows that truth exists and that there is a standard of right and wrong. We hold that all of creation is fallen as a result of human sin. Finally, we hold that God has revealed Himself and His ways in the natural created order, in history, in the Bible, and supremely in Jesus Christ. God in love and through the sacrificial work of Jesus Christ is redeeming humans and the entire created order.

At Liberty University, students receive an education that integrates this Christian and biblical worldview. Students trained with this worldview perspective will be equipped with a rational framework for understanding and interpreting reality, for comprehending the meaning of life and the value of humans and things, for making decisions and engaging in meaningful action, for studying the various academic disciplines, and for understanding the interconnectedness of all knowledge.
**Introduction to the Campus**

**A. L. WILLIAMS FOOTBALL OPERATIONS CENTER**

The A. L. Williams Football Operations Center was completed in August 2006. The three-story, 60,000 square foot facility is located in the North End Zone at Williams Stadium.

The Football Operations Center houses state-of-the-art fitness equipment; strength and conditioning areas; a large indoor turf area; meeting rooms for game film review and strategic planning; administrative offices and many other features.

**ALUMNI WELCOME CENTER**

The Alumni Welcome Center was constructed in fall 2005 and is accessed through the Jerry Falwell Museum. Proudly decorated with LU memorabilia, the Alumni Welcome Center is a warm and inviting place for LU alumni to meet, fellowship, and reflect on the past.

**A. PIERRE GUILLERMIN INTEGRATED LEARNING RESOURCE CENTER**

The A. Pierre Guillermin Integrated Learning Resource Center (ILRC) incorporates the University’s main library and academic computing facilities. During a visit to the ILRC, students can use computers to conduct online research or do homework; study alone or work on a group project; retrieve books and other library materials; and seek assistance from skilled library and computing staff.

The ILRC collects and organizes resources across a wide range of media, including books, periodicals, audio-visual resources in various formats, musical scores, curriculum, and archival materials. Its physical collections consist of approximately 260,000 volume equivalents and 650 current periodical subscriptions. Students living abroad and foreign nationals residing in the U.S. are eligible to enroll in online classes provided they have the necessary Internet access and email service. Enrollment in online courses does not enable students to obtain Student (F-1) Visa Status.

Applicants whose native language is not English must take the Test of English as a Foreign Language (TOEFL) and earn a score of 600 (250 on the computer-based exam or 100 on the Internet-based exam) for graduate program admission, or 550 (213 on the computer-based exam or 80 on the Internet-based exam) for seminary admission. A score of 100 is required for the Internet-based test for all graduate degree programs. An official TOEFL score report must be submitted to the University before an admission decision can be made. In addition, the Office of Graduate Admissions may require students whose native official language is English to submit TOEFL scores, if such documentation is deemed necessary. Enrollment in certain courses may be determined by the TOEFL score in conjunction with other diagnostic assessments administered after the student matriculates on campus. Information regarding the TOEFL may be obtained from: TOEFL Services; The Educational Testing Service; P.O. Box 6151; Princeton, NJ 08541; or online at http://www.toefl.org.
KOREAN LANGUAGE ASSISTANCE PROGRAM
The Korean Language Assistance Program (KLAP) has been developed for those Korean students for whom English is a second language, whose TOEFL score is less than 550, and who plan to return to Korea for ministry. For students who qualify for this program, the courses are taught in Korean, translated, assisted by a Korean-qualified reading assistant, or delivered by any method approved by the Graduate Senate to ensure comparable educational outcomes. Only Seminary courses are available in KLAP and students may take only courses designated as KLAP.

SPECIAL (NON-DEGREE) STUDENTS
Students who are not seeking degrees may enroll in master’s-level courses as Special Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have special-student status; however, Special Students may be eligible to take doctoral-level classes upon approval by the Associate Dean or Academic Dean.

Special Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Special Students.

ACADEMIC AMNESTY
Students Academically Dismissed from Liberty University must satisfy the subsequent guidelines for readmission:

1. The student must not have been enrolled at the University for a period of five years.
2. Eligibility for readmission must be affirmed in writing to the Graduate Registrar by the following: (1) Department of Student Accounts; (2) Department of Student Affairs; and (3) the Dean of the degree program to which the student is applying for admission/readmission. The Graduate Registrar will review for the Dean the reason for the dismissal.
3. Upon receiving a written appeal from the student, the Senate Committee on Graduate Academic and Admission Standards may approve readmission. Said request must be stated clearly and contain: (1) reason for request; (2) efforts made to improve during absence from Liberty. Such corroboration as may be deemed necessary may be requested of the student, i.e., transcripts from other institutions, etc.
4. Only the allowable number of grade repeats that were remaining at the time of Dismissal can be utilized.
5. Previously earned grades of A and B will calculate into the student’s GPA. As determined by the Graduate Senate, grades of C, D, and F are revised to Q.

6. Students in master’s-level seminary programs may retain grades of C on their records.
7. Students who have been granted Academic Amnesty are not eligible for graduation honors.

DEGREE CANDIDACY
Requirements for Degree Candidacy vary by program. See the Program-Specific Admission Requirements in the individual program sections of this Catalog.

DUAL ENROLLMENT
Undergraduate students may enroll in master’s-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor’s degrees. Students must meet the cumulative GPA requirement for admission in good standing into a graduate program to be eligible to register under dual enrollment for that program.

Students may be dually enrolled for a maximum of two semesters, and may enroll for a maximum of nine semester hours.

Non-Liberty University undergraduate students must send in their graduate application, official transcripts, and a letter from their current Registrar’s Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents are received by the Office of Graduate Admissions, the student must contact the Liberty University Registrar's Office to request approval for dual enrollment.

Currently enrolled Liberty University undergraduate students do not need to send in an application; they must contact the Registrar directly to request approval for dual enrollment.

Dual enrollment is not available to students already enrolled at the graduate level.

GRADUATE STUDENT ASSISTANTSHIPS
Graduate Student Assistantships are available for residential students in most of the graduate programs. These involve a stipend and tuition rebate. Application is separate from the admissions process. For detailed information and the application forms consult the Graduate Student Assistant Handbook at http://www.liberty.edu/gradstudentaffairs.

ADDITIONAL INFORMATION
Additional information regarding the University’s academic and administrative policies and procedures can be found on the University web site at http://www.liberty.edu/registrar.

2. Application Fee
   The fee is non-refundable. The fee is deferred until Financial Check-in.

3. Academic Records
   Applicants to master’s-level degree programs may submit an unofficial transcript indicating successful completion of a baccalaureate degree program from an accredited or approved unaccredited institution. Unofficial transcripts will allow for acceptance and registration for one (1) semester. Unofficial transcripts will not be reviewed for transfer credit. Before submitting unofficial transcripts, please make sure they include the following:
   - School’s name or logo printed on the document
   - Cumulative GPA
   - List of completed courses and earned credit
   - Degree and date conferred
   All official college transcripts must be received in order for the student to be eligible for registration in the following term. The official transcripts must adhere to the specific program’s requirements for admission. If the official transcripts do not meet the requirements, the admissions decision may be reversed and the student could be dropped from current classes and have financial aid removed. All applicants to Liberty University must be eligible for readmission at the last institution attended. Applicants to doctoral programs will be required to submit official transcripts indicating successful completion of master’s degree and may be required to submit transcripts from their baccalaureate degree. Please see program specific admission requirements for more details.
   In some cases, additional transcripts may be required in order for an acceptance decision to occur. In order to receive credit for both transfer courses and prerequisite courses, students must send in official transcripts from the school(s) at which the class(es) was/were taken. An “official transcript” is one that is received directly from the educational institution attended, or is sent to Liberty University (by any party) within the original, sealed, university envelope. Official transcripts should be sent to the LU Online Graduate Admissions Office.
   Unaccredited degrees will be reviewed and may be accepted for admission into some graduate programs based on university standards.
   Applicants holding a bachelor’s degree from an unaccredited institution who have also earned a master’s degree from an accredited institution will be assessed on the basis of the master’s-level degree. Applicants who hold a bachelor’s degree from an unaccredited institution may be admitted to some master’s-degree programs on Academic Probation status. Students admitted on Academic Probation must take and pass GRST 500 Introduction to Graduate Writing. The Office of Graduate Admissions reserves the right to use professional judgment when conducting admission reviews and may request additional documentation to evaluate a candidate’s record.
   In addition, if certain documentation is not available or does not meet admission standards, the Office of Graduate Admissions reserves the right to offer admission to students based on professional judgment.

4. Additional Requirements for Admission
   Please see the Program Specific Admissions Procedures in the individual program sections of this Catalog for information regarding minimum grade-point-average requirements and additional items needed for acceptance. Some applicants may be required to provide Graduate Record Examination (GRE) scores or Miller Analogies Test (MAT) scores.
   A. Applicants who have taken the GRE should contact the College Testing Service and request that an official score report be sent to the Office of Graduate Admissions. Applicants who have not taken the GRE should contact Educational Testing Service to make arrangements to take the exam. The website address for the GRE is http://www.gre.org and the toll-free number is 1-866-473-4373. The computer-based format may be scheduled by individual appointment. Scores will be displayed on the screen at the conclusion of the test session and should be printed as a temporary score report. Please use the Liberty University code 5385 on the GRE forms in order to have test results sent directly to the University.
   B. Applicants who have taken the Miller Analogies Exam should contact http://www.milleranalogies.com to request that an official score report be sent to the Office of Graduate Admissions.

CONDITIONAL ENROLLMENT
Applicants to master’s-level degree programs in online and blended programs may be conditionally enrolled following the receipt of a completed application. Conditionally enrolled students may enroll for up to twelve semester hours of online coursework pending the receipt of all remaining admission documentation. Students who have not submitted the required documentation by the completion of twelve semester hours will not be permitted to enroll in additional courses until the admission file is completed and program admission is granted.
Conditional enrollment is not a guarantee of full admission to a degree program. Federal and state financial aid is not available to students under conditional enrollment.

SELF-CERTIFICATION FORM
Undergraduate students must complete a Self-Certification Form that they have or will have completed a bachelor’s degree by the time that they begin their master’s-level classes. Students must have met all other admission requirements for the program for which they are applying. Students under this status will be eligible for financial aid.

Online students must submit official baccalaureate degree transcripts by the end of their first semester.

TRANSFER STUDENTS
Graduate applicants who intend to transfer to the University must be eligible for reenrollment or readmission to the graduate program at the institution they most recently attended.

TRANSFER OF CREDITS
Only courses from institutions accredited by accrediting agencies recognized by the U.S. Department of Education are eligible for transfer credit. These include regional accrediting bodies such as the Southern Association of Colleges and Schools (SACS) and other accrediting bodies such as the Association for Biblical Higher Education (ABHE), the Transnational Association of Christian Colleges and Schools (TRACS), and the Association of Theological Schools (ATS). Courses from University-approved institutions that meet regional or national accreditation equivalency will be accepted for transfer credit based on transfer credit policy.

Applicants must request official transcripts be sent directly to the Office of Graduate Admissions from the registrar(s) of previously-attended schools. Transfer credit policies vary by degree program. Additional information is available in the Program Specific Admission Procedures in the individual program sections of this Catalog.

Transfer credit will not be granted from completed degrees, including those degrees awarded by Liberty University. Information regarding exceptions to this policy for specific degree programs is noted in this Catalog in the sections pertaining to those programs. Internship credit and life-experience credit are not transferable.

Please see the Transfer Credit Matrix on page 19 for more information.

ADMISSION NOTIFICATION
When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, pertinent information about financial check-in, and orientation for residential courses are included in the letter of acceptance.

READEMISSION
LU Online students must apply for readmission if they have broken enrollment. A student breaks enrollment if he does not matriculate in a course at least once every fiscal year (July 1 – June 30).

Admission status is subject to the terms of any previous academic or disciplinary suspension or probation. Students may be required to provide official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective degree program at the time the re-application is submitted.

Students who break enrollment and apply for readmission will be required to follow the current degree completion plan in effect at the time of re-entry to the University.

NON-DEGREE SEEKING STUDENTS
Students who are not seeking degrees may enroll in master’s-level courses as Non-Degree Seeking Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have special-student status; however, Non-Degree Seeking Students may be able to take doctoral-level classes upon approval by the associate dean.

Non-Degree Seeking Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Non-Degree Seeking Students.

PLEASE NOTE:
Academic information and policies recorded in this section of the Catalog that pertain to students in the Resident Program are displayed in a gray text box. Information that is specific to Liberty University Online students is displayed in a white text box. Information not marked pertains to all students.

SEMESTER CREDIT SYSTEM
The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for 15 weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour.

SEMESTER LOAD
Master's-level graduate students are considered to be full-time when enrolled nine or more hours per semester. All doctoral graduate students are considered full-time with a semester load of six or more semester hours.

Graduate students must secure permission from the Program Director and from the Graduate Registrar to take more than 15 hours.

For financial aid purposes, online student full-time/part-time status will be determined by the number of hours for which the student initially enrolled in the semester. For example, if a student enrolls for the first time in the semester in the third sub-term, the number of hours the student takes in that sub-term will determine full-time/part-time status. A part-time student who adds courses for subsequent sub-terms of the same semester will still be considered part-time for the entire semester.

To determine the grade point average (GPA), the quality points earned are divided by the semester hours attempted (quality hours). A grade of B, for example, in a course bearing three semester hours of credit would be assigned nine quality points and a grade of C in that course, six quality points. Thus, if a student takes 16 semester hours of work and earns 40 quality points, his GPA is 2.50 (40 quality points divided by 16 semester hours).

Only courses taken at Liberty are used in computing the GPA. Only grades of A, B, C, D, F, FD, and FN are used in the calculation of the GPA.

STUDENT CLASSIFICATION
The classification of students at Liberty is based on their degree level and number of earned semester hours.

ADVISORS AND COURSE SELECTION
Each resident student will be assigned a faculty advisor upon acceptance to the University. The advisors will guide students in course selection. All questions concerning academic issues should be directed to the advisors. Students are encouraged to contact their advisors for help with any school-related problems they may encounter during the academic year.

Online students will have the LU Online Academic Advising Office to assist them during their studies at the University. The office will guide students in course selection. All questions concerning academic issues should be directed to this office. Students are encouraged to contact the LU Online Academic Office for help with any school-related problems they may encounter during the academic year.

TRANSFER OF CREDIT
Only courses and degrees from institutions accredited by agencies recognized by the Department of Education will be evaluated for transfer credit (e.g., SACS, TRACS, ABHE, etc.). Applicants must request official transcripts to be sent directly from the Registrar(s) of the previous school(s) to the Offices of Graduate Admissions. These transcripts must be received before an admission decision will be made.

See additional information about the evaluation of graduate transfer in the Graduate Admissions Section.

ACADEMIC AMNESTY
Students Academically Dismissed from Liberty University must satisfy the subsequent guidelines for readmission:
1. The student must not have been enrolled at the University for a period of five years.
2. Eligibility for readmission must be affirmed in writing to the Graduate Registrar by the following: (1) Department of Student Accounts; (2) Department of Student Affairs; and (3) the Dean of the degree program to which the student is applying for admission/readmission. The Graduate Registrar will review for the reason for Dismissal.

3. Upon receiving a written appeal from the student, the Senate Committee on Graduate Academic and Admissions Standards MAY approve readmission. Said request must be stated clearly and contain: (1) reason for request and (2) efforts made to improve during absence from Liberty. Such corroboration as may be deemed necessary may be requested of the student, i.e., transcripts from other institutions, etc.

4. Only the allowable number of grade repeats that were remaining at the time of Dismissal can be utilized.

5. Grades of A and B will remain on the student’s record and will calculate into the GPA.

6. Previously earned grades of A and B will calculate into their GPA. As determined by the Graduate Senate, grades of C, D, and F are revised to Q.

7. Students in the M.A.R., M.R.E., and M.Div. programs may retain grades of C on their records.

8. Students who have been granted Academic Amnesty are not eligible for graduation honors.

### ONLINE COURSE MATERIALS

**Online students** must purchase all course materials from MBS Direct. Materials for some practicums and intensives may be purchased from the University Bookstore. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date. Tuition does not cover the cost of course materials.

### ONLINE CLASS ATTENDANCE

Regular attendance in online courses is expected throughout the length of the term. **Online students** who do not attend within the first week of a sub-term by submitting an academic assignment (such as an examination, written paper or project, discussion board post, Course Requirements Checklist, or other academic event) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The **online student** alone assumes responsibility for course work missed from non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

**Online students** who begin attendance by submitting an academic assignment but eventually cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

### SCHOLASTIC REGULATIONS

**Warning/Probation/Suspension/Dismissal.** Students must maintain satisfactory standing in order to remain at Liberty. Successfully scholastic standing for students enrolled in the graduate programs is:

<table>
<thead>
<tr>
<th>Program</th>
<th>GPA Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Seminary 36-hour Professional M.A. degrees</td>
<td>2.00</td>
</tr>
<tr>
<td>M.A. in Global Apologetics and Religious Studies</td>
<td>3.00</td>
</tr>
<tr>
<td>M.A.R., M.R.E., and M.Div.</td>
<td>2.00</td>
</tr>
<tr>
<td>M.A. in Human Services</td>
<td>2.50</td>
</tr>
<tr>
<td>M.A.T. and M.Ed.</td>
<td>2.50</td>
</tr>
<tr>
<td>M.A.M.L.</td>
<td>2.50</td>
</tr>
<tr>
<td>All other programs</td>
<td>3.00</td>
</tr>
</tbody>
</table>

Academic standing is calculated only at the end of each semester (including the Summer).

Students failing to attain and maintain the scholastic standing required will be placed on Academic Warning.

At the end of the semester on Academic Warning, students who fail to raise their GPA to a satisfactory level will be placed on Academic Probation.

At the end of the semester on Academic Probation, students who fail to raise their GPA to the required academic level will be placed on Academic Suspension. Students who desire to return to Liberty in the future must contact the Registrar’s Office in writing. The Graduate Registrar will in turn submit the student’s appeal to the appropriate program director or Associate Dean for review.

Students who are enrolled for nine or more hours and fail all courses will be Academically Suspended.

Students who are readmitted to Liberty after serving a period of Suspension and who fail to raise their GPA to the required academic level (see above) by the end of the semester will be Academically Dismissed and will not be allowed to return to Liberty unless qualifying for Academic Amnesty.
COURSE SUBSTITUTIONS

Students desiring to use another course in place of a required course must complete a Request for a Course Substitution form. Course substitution forms must include a detailed rationale, explaining why the substitution is requested. Requests should be made with discretion. They should not be used merely to enable a student to graduate on time. If the course was taken at another college, provide a course description or course syllabus with the request. Requests must be submitted prior to the students last sub-term. Forms should be submitted to coursesub@liberty.edu. Forms will be reviewed by a Dean or Associate Dean within 2 weeks of submission.

PROGRAM CHANGES

All requests to change degree programs, majors, and specializations must be submitted in writing to the Registrar’s Office for resident students and LU Online Academic Advising for online students. The student will be placed on the Degree Completion Plan (DCP) in effect for the term for which the request is processed.

DROPPING/ADDING COURSES

Changes are discouraged after a student and advisor have arranged the student’s schedule for the semester.

Students desiring to take a LU Online course must enroll in the course during the resident drop/add period. The course must be completed by the last day of the residential semester unless an extension is granted.

A 1-2 week intensive course may be dropped without a grade or tuition charges through the first day of that class up to 4:00 p.m. A 1-2 week intensive course may be dropped with a grade of W from the second day of class through noon on the last day of that class. The student will pay the tuition and fees for the course.

A summer school course (3-8 week) may be dropped without a grade or tuition charges through the third day of class until 4:00 pm. The student is responsible for tuition and fees after this deadline. A summer school course (3-8 week) may be dropped with a grade of W by 4:00 pm on the 14th business day after the first day of class.

REMEMBER: Any change in status (i.e., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

A Fall/Spring course may be dropped without a grade, tuition, and fee charges within the first 7 days of the semester. From the 8th day until the end of the 10th week, a Fall/Spring course may be dropped with a grade of W. The student will be responsible for the tuition and fees for the course. All drops after the 7th day will be recorded as W. Grades of W will not be used in calculating a GPA. Courses dropped with grades of W are used in determining a student’s academic load for the semester, upon which tuition charges are based. No course can be added after the first week of classes.

Summer school tuition and fee adjustments for classes that are 3-8 weeks in length must be made by the third day of class.

Exceptions to these deadlines may be granted by the Registrar in unusual circumstances, such as extreme illness or other circumstances beyond the student’s control.

No course is considered officially added or dropped until the add/drop form is submitted to the Registrar’s Office and processed.

DROPPING/ADDING COURSES

Online students may drop a course for a full refund, anytime prior to the sub-term begin date. Beginning on the first day of the sub-term, students may withdraw with a grade of W and no refund will be granted.

An intensive may be dropped without a grade or a tuition charge through the end of the first day of class. There is a $10 drop fee. After the close of the first day through noon of the last day, a course may be dropped for a grade of W and the student will be liable for tuition and fees.

Students who do not attend any sessions of an intensive in which they are enrolled will be dropped from the course and will be charged an administrative fee.

COURSE REPEAT POLICY

Students who want to repeat a course taken at Liberty and have the first grade removed from the cumulative GPA must satisfy each of the following guidelines:

1. Graduate students, with the exception of M.A.R., M.R.E., and M.Div. students, must petition to the Registrar’s Office to use the repeat policy.
2. The course must be taken at Liberty in order to activate the policy.
3. The second grade of A, B, C, D or F will apply toward the cumulative GPA.
4. The repeat policy will not be applied to grades of FD.
5. A maximum of 15 semester hours may be repeated for those students completing the M.A.R., M.R.E., and M.Div. degrees.
6. The grade which has been deleted from the computation of the cumulative GPA will not count toward quality hours or hours earned, but will remain on the record as a course attempted.
7. This policy is retroactive to include any course taken at Liberty.
8. Use of the repeat policy for a prior semester will not affect the academic standing for that semester. Academic standing in a prior semester can be changed only because of a grade reporting error.
9. The repeat policy form must be completed prior to graduation for the policy to be activated.

INDEPENDENT STUDY / DIRECTED RESEARCH

Students may request to complete an Independent Study or Directed Research project in a major field or related discipline. Permission for the Independent Study or Directed Research will be granted only upon approval by the program director, the Dean of the School, Student Accounts, and the Graduate Registrar. Forms are available in the Registrar’s Office.

CLASS CANCELLATION POLICY

From time to time it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University. Every effort will be made to provide notice of the cancellation at least two weeks prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. The University does not assume responsibility for any delay in the anticipated graduation date of individual students that might result from such class cancellations.
INCOMPLETES

Students may not do additional coursework or finish assignments after the last day of classes. Students who are unable to complete coursework by the last day of class due to unavoidable circumstances may appeal to their professor for a temporary course grade of I (Incomplete). The Dean of the school or college must also approve the grade. Approval of the reason given rests with the Registrar’s Office. The professor will establish a new deadline for completing the coursework, based on the circumstances. A maximum of four months may be allowed. If the coursework is not submitted by the new deadline, the student will receive the grade designated by the instructor at the time the Incomplete was granted.

Students who are unable to complete coursework by the last day of class due to significant illness or injury may appeal to their professor for a temporary course grade of M (Medical Incomplete). Appeals must be supported by medical documentation signed by a physician, then approved by the professor and the Dean. Medical extensions may be renewed, if the condition warrants, up to a maximum of one year from the beginning of the semester. Supporting documentation must accompany all requests for renewals. If the coursework is not submitted by the new deadline, the student will receive the grade designated by the instructor at the time the Medical Incomplete was granted.

Incomplete request forms will only be accepted during the last three weeks of classes.

LU ONLINE EXTENSIONS AND INCOMPLETE GRADES

Intensives

An online student enrolled in Intensives must appeal to his/her professor for a temporary course grade of Incomplete (I). The professor will establish a new deadline for completing the coursework, based on the circumstances. A maximum of four (4) additional months may be allowed from the end date of the course. If the coursework is not submitted by the new deadline, the student will receive a grade of zero for the incomplete assignments and a final grade will be submitted.

LU Online Courses

A student enrolled in any LU Online course, who is unable to complete coursework by the last day of class due to illness or injury, may appeal to his/her professor for a temporary course grade of M (Medical Incomplete). Appeals must be supported by medical documentation signed by a physician. There is no charge for a medical incomplete. Medical incompletes may be allowed, if the condition warrants, up to a maximum of four (4) months from the course start date of the course (or 2 additional months after the end of the course). If the coursework is not submitted by the new deadline, the student will receive a grade of zero for the incomplete assignments and a final grade will be submitted.

Military Incompletes

Military service members are guaranteed a military incomplete for coursework that they are unable to complete on time due to deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances. To obtain an Incomplete, a military student must send either a current copy of official military orders (as proof of professional conflict during enrollment in the course) or a signed letter on official letterhead from the student’s commander or supervisor. The LU Online Academic Advising Office staff will gather the documentation and confer with the professor to determine the new deadline for the course. A Military Incomplete cannot extend beyond two (2) months for any given course. If the student cannot finish the coursework within the two (2) additional months, he/she may request a military withdrawal with the option of a free repeat of the course. This documentation must be submitted to the LU Online Academic Advising Office who will complete the appropriate forms and submit them to Liberty University’s Military Affairs Office for continued processing. Military students must notify their Military Education Office of a course Incomplete if they are receiving Tuition Assistance. Incomplete requests and supporting documents may be faxed to (434) 455-1287, scanned/ e-mailed to luomilitary@liberty.edu, or mailed to:

Liberty University Online
Office of Military Affairs
1971 University Boulevard,
Lynchburg, VA 24502.

Incomplete must be secured no later than 2 weeks prior to the course end date. If the faculty member is no longer active, the course manager is responsible for handling the completion of the course.

Withdrawal from Online Courses

LU Online students requesting to withdraw from courses during the semester must submit a request to the LU Online Academic Advising Office. Generally, the withdrawal date will be the date the students submitted the email to their academic advisor. A grade of W will be assigned to all courses from which the student withdraws.

Students are subject to not being refunded for withdrawn courses and/or being charged a $50 withdrawal fee based on pre-set, University criteria. Students should consult with their advisor before withdrawing from a course.

GRADUATE RESIDENTIAL GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

Criteria for Appeal:

Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (i.e. email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade).

Appeals, other than those mentioned above, will not be reviewed.

The student must provide written documentation that demonstrates the occurrence of one or more of the above listed grounds for appeal. Documentation may be in the form of e-mail correspondence, graded assignments, proof of timely submission, etc.

Appeal Process:

A student wishing to appeal a final grade must submit the appeal to his/her professor and seek to resolve the situation with them. If the student wishes to appeal further he/she must follow the process outlined below:

1. Within 30 calendar days of the end of the term, the student may submit a written appeal to the Program Director/Chair. The student must include the information required above. The Program Director/Chair will consult with the instructor and review the student's written appeal. The Program Director/Chair will then notify the instructor and the student of his/her decision.
2. If the student has additional support for his/her appeal, the student may submit a written appeal to the Dean/Academic Director after receiving the decision by the Program Director/Chair. This written appeal must be received within five (5) business days of the Program Director/Chair’s email. The Dean/Academic Director will review the student's appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean/Academic Director will notify the Program Director/Chair, the faculty member and the student. If the student has additional support for his/her appeal, after receiving the decision by the Dean/Academic Director, the student may submit a written appeal to the Dean of Academic Administration for the Graduate School and Online Education.

3. This written appeal must be received within five (5) business days of the Dean/Academic Director’s email. The Dean of Academic Administration for the Graduate School will review the student’s appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean of Academic Administration for the Graduate School will notify the Dean/Academic Director, the Program Director/Chair, the faculty member, and the student. The Decision of the Dean of Academic Administration for the Graduate School is final.

### LU ONLINE GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

**Criteria for Appeal:**

Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (i.e., email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade).

Appeals, other than those mentioned above, will not be reviewed.

The student must provide written documentation that demonstrates the occurrence of one or more of the above grounds for appeal. Documentation may be in the form of email correspondence, graded assignments, proof of timely submission, etc.

**Appeal Process:**

A student wishing to appeal a final grade must submit the appeal to his/her professor and seek to resolve the situation with them. If the student wishes to appeal further he/she must follow the process outlined below:

1. Within 30 calendar days of the end of the term, the student may submit a written appeal to the Online Chair/Chair, but should do so through LU Online Advising. The student must include the information required above. The Online Chair will consult with the instructor and review the student's written appeal. The Online Chair will then notify LU Online Advising, the instructor and the student of his/her decision.

### WITHDRAWAL FROM LIBERTY

Students withdrawing from the University during the semester must submit a signed statement of withdrawal or process the form provided for this purpose. The form may be obtained from the Registrar’s Office. Since signatures of specified University officials are required on this form, with the Registrar signing last, the effective date of withdrawal shall be the date the Registrar’s signature is affixed. Non-attendance or failure to complete a course does not constitute withdrawal from the University.

If an official withdrawal occurs within the refund period, the student will forfeit receipt of all federal and state grants; loans not disbursed will not be released in most cases.

An expulsion resulting from violation of the disciplinary system will result in an administrative withdrawal. Grades of W will be recorded in all courses for which the individual is officially registered.

Students who drop/withdraw from all classes in which they are enrolled in a given semester will be considered to be withdrawing from the University. Students will not be allowed to re-enroll within the same semester from which they withdrew. The last day to withdraw from a semester is the last day of class. A student may not withdraw after finals begin or the final exam paper has been submitted.

Any student withdrawing from the University must submit the withdrawal form to the advisor, or notify the advisor via the student’s Liberty University email account, of his/her intent to withdraw from the University. The advisor will forward the information to the Financial Aid, Student Accounts, and Registrar offices. The withdrawal will be effective on the date the notice is received by Liberty University.

Grades of W will be recorded for all courses from which the individual withdraws. A student may not withdraw after finals begin (for intensives), or after the final exam or paper has been submitted.

Students who wish to withdraw from one or all courses in a given semester will need to contact their advisor in writing, or via their Liberty University email account of their intent to withdraw. Students who withdraw from all courses in which they are enrolled in a given semester, but not wishing to fully withdraw from the
University, will not be considered to have withdrawn from the University.

**LU ONLINE WITHDRAWAL**

Online students withdrawing from the University must contact their academic advisor via the student’s Liberty University email account. The withdrawal date will generally be the date the student submitted the email to their academic advisor. If the withdrawal request is mailed or faxed to the academic advisor, the withdrawal date will generally be the date the Withdrawal Form is received by the University or the last date an academic assignment was submitted (such as an examination, written paper or project, discussion board post, or other academic event). The academic advisor will notify the Financial Aid Office, Student Accounts Office and Registrar’s Office.

Grades of W will be recorded for all courses from which the individual withdraws. A student may not withdraw after the last day of the course or after submission of the final exam or final required course work. Courses not completed will be assigned a grade of W. For intensive courses, a student may not withdraw after the final exam has begun. Students requesting to withdraw will be subject to the Title IV withdrawal calculation. The Title IV withdrawal calculation will result in the reduction and/or cancellation of all Financial Aid. See Financial Information section.

Students who wish to withdraw from one or more courses in a given semester must contact the LU Online Academic Advising Office in writing or via their Liberty University email account. Students who withdraw from all courses in which they are enrolled will be subject to the Title IV withdrawal regulations and will be reported as withdrawn from the University. However, it will not be necessary to reapply unless the student is not enrolled in any courses during an entire academic year (from Fall to Summer). Students only withdrawing from all courses in a given semester, and not the University, will be allowed to re-enroll in the next semester. However, the student will be subject to the Satisfactory Academic Progress Policy administered by the Financial Aid Office.

**ONLINE PROGRAM UNOFFICIAL WITHDRAWALS**

In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in the online courses. This procedure is used to determine if students are progressing toward the completion of their courses.

Students who cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period will be assigned grades of FN. Students receiving all FNs in a semester will be processed as an unofficial withdrawal. The withdrawal date will be the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed for the student and the student will be reported as withdrawn. Students will be notified of the results of the Title IV withdrawal calculation by the Financial Aid Office.

**ACADEMIC AND PERSONAL CODE OF HONOR**

Liberty University students, faculty, administrators, and staff together form a Christian community based upon the values and goals of the Bible. These are defined in our foundational statements, including our Doctrinal Statement, our Philosophy of Education and Mission Statement, the Statement of Professional Ethics for the Faculty, and our Student Code. Together, these statements situate Liberty University within the long tradition of university culture, which in its beginnings was distinctly Christian, designed to preserve and advance truth.

Anyone, whether Christian or non-Christian, who shares our values and goals, is both welcome and valued in our community. We want all students to feel comfortable in our community of learning, and we extend to all of our students our spiritual and academic resources, with the goal of fostering spiritual growth, character development, and academic maturity.

Communities are based upon shared values and practices. This Code of Honor, an expression of the values inherent in our Doctrinal Statement, defines the rules and principles by which our community functions. At the core of this Code are two key concepts: a belief in the dignity of all persons and an insistence on the existence of objective truth.

While we understand that everyone will not agree with the statements that follow, we do expect that our students respect and uphold these standards while registered at Liberty University. Abiding by the principles and behaviors established in this Code of Honor makes possible the success of our students and the strengthening of the Liberty community.

Please note: Graduate students who choose to live on campus are required to read and abide by the Personal Code of Honor in the “Liberty Way” in addition to the Graduate School Personal Code of Honor.

**Academic Code of Honor**

**ACADEMIC MISCONDUCT**

Academic misconduct includes, but is not limited to, plagiarism, cheating, and falsification.

1. Plagiarism

Plagiarism is the intentional failure to give sufficient attribution to the words, ideas, or data of others that the student has incorporated into his/her work for the purpose of misleading the reader. In some cases, a student may be careless and fail to give credit to the words, ideas or data of others. In such situations, plagiarism has still occurred, but the professor may choose from an array of sanctions he/she deems appropriate. In order to avoid plagiarism, students must conscientiously provide sufficient attribution. Attribution is sufficient if it adequately informs and, therefore, does not materially mislead a reasonable reader as to the true source of the words, ideas, or data. Students who have any doubt as to whether they have provided sufficient attribution have the responsibility to obtain guidance from their professor or other person to whom they are submitting their work.

Plagiarism in papers, projects or any assignment prepared for a class shall include the following:

- Omitting quotation marks or other conventional markings around material quoted from any printed source (including digital material)
- Directly quoting or paraphrasing a specific passage from a specific source without properly referencing the source
• Replicating another person’s work or parts thereof and then submitting it as an original
• Purchasing a paper (or parts of a paper) and representing it as one’s own work

2. Cheating
Cheating is a form of dishonesty in which a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained, gives unauthorized aid, or wrongly takes advantage of another’s work. Examples include, but are not limited to:
• Copying from another person’s work on an examination or an assignment
• Allowing another student to copy any portion of one’s work on an examination or an assignment
• Using unauthorized materials or giving or receiving any other unauthorized assistance on an examination or an assignment
• Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for the student
• Reusing a paper from a previous course
• Paying another student to complete a course, an individual assignment or an examination

3. Falsification
Falsification is a form of dishonesty in which a student misrepresents the truth, invents facts, or distorts the origin or content of information used as authority. Examples include, but are not limited to:
• Dishonestly answering or providing information in the application process
• Citing a source that is known not to exist
• Attributing to a source ideas and information that are not included in the source
• Falsely citing a source in support of a thought or idea when it is known not to support the thought or idea
• Citing a source in a bibliography when the source was neither cited in the body of the paper nor consulted
• Intentionally distorting the meaning or applicability of data
• Inventing data or statistical results to support conclusions

PROCEDURE FOR THE INVESTIGATION, ADJUDICATION AND ASSIGNMENT OF SANCTIONS FOR THE VIOLATIONS OF THE ACADEMIC CODE OF HONOR
1. Processing Allegations
When an alleged violation of the Academic Honor Code has been reported to the faculty or administration, the instructor will confront the student within ten business days of the discovery of the infraction. The instructor may issue an oral or written reprimand, send written notification to the Program Director and/or Dean, reduce a grade, adjust credit on an assignment and/or require additional work. The instructor may determine that a failing grade for the course is the appropriate sanction. In any event, the instructor will inform the student of his or her decision. The reporting procedure is as follows:
• The instructor will write a report outlining the violation.
• The report will be provided to the student and the Program Director along with the sanction(s) recommended.
• If blatant academic dishonesty is demonstrated in a clear and convincing manner, the student may receive a grade of F for the course in which the academic misconduct occurred.
• Students who receive a grade of F for academic dishonesty on a particular assignment will be notified by the professor of the course in an appropriate manner, including but not limited to returning the assignment with comments, email, letter, telephone call and/or a personal meeting.
• If warranted, the results of academic honesty review may be forwarded to the Office of Student Affairs for any additional disciplinary action that may be appropriate.
• If non-blatant academic misconduct (such as inadvertent plagiarism) occurs in a course, the professor will contact the student and conduct such further investigation as needed. If the professor determines that a sanction is called for, he/she may issue an oral reprimand, send a written notification to the Department Chair of the School in which the course resides, reduce a grade, adjust credit, and/or require additional work.
• When a student receives a grade of F for academic dishonesty, the professor may report the reason for the F to the Graduate Registrar and request that it be recorded as an FD grade. This FD grade will appear on the student’s transcript.
• The student, upon receipt of the results of the academic honesty review, will have five business days to appeal the decision to the professor and Program Director.

2. Sanctions
If the professor determines that a sanction is called for, the professor may issue an oral or written reprimand, adjust credit, and/or require additional work. The professor also maintains the right to assign the grade of F for the course if the investigation determines that it is the appropriate sanction. In this instance, the Graduate Registrar will record the F as FD, which will appear on the student’s transcript. The repeat policy may not be applied to this grade.

If the student is found guilty of academic dishonesty (either blatant or non-blatant) in any subsequent course where a grade of FD is posted, he or she will be dismissed from Liberty University.

In determining the sanction to be imposed, the following will be considered: the student’s intent to violate the Code of Honor, the degree of carelessness, the gravity of the offense and the student’s overall conduct while enrolled at Liberty University. The Director of Graduate Student Affairs and the Registrar’s Office may be consulted during this process.

In cases of proven academic misconduct in a particular course, the Program Director will usually defer to the course professor’s recommendation. In some cases, however where the Department Chair or Dean perceives a clear conflict of interest or faulty judgment on part of the faculty member, or where the sanctions suggested by the professor are demonstrably inconsistent with those that resulted from other similar instances of
academic misconduct, the Department Chair and Dean reserve the right to adjust the sanction(s) as appropriate.

A written copy of the decision shall be mailed or e-mailed to the student.

Please Note: All cases of alleged academic dishonesty will be resolved with the utmost concern for strict confidentiality by those individuals involved in the proceedings. Information concerning the academic misconduct will be provided only to those with a need to know in order to perform their job duties.

3. Appeal Procedure

In cases where an allegation of any Academic Code of Honor violation occurs and the student does not admit guilt, he/she may pursue the process below. The student will be given an opportunity to provide written evidence in opposition to the charge. Persons who threaten or conduct other acts of retaliation against those individuals who acted in good faith (i.e., honestly and with intentions of being fair) in reporting (even if mistakenly) alleged instances of academic dishonesty will be subject to disciplinary action, including possible suspension or expulsion from Liberty. Any report of alleged academic dishonesty not made in good faith will also be subject to disciplinary action. Examples of retaliation include, but are not limited to:

- Circumventing the appeal procedure and going directly to a university administrator such as the Dean, the Provost or the Chancellor
- Threatening a faculty member or student
- Harassment
- Verbal or physical abuse
- Verbal or written disrespect to a faculty or staff member (this includes e-mails)
- Offensive or crude language directed at individuals
- Falsely accusing someone of committing academic dishonesty

A complete overview of the appeal process follows:

- Within five business days of the notification, the student may submit a written appeal to the Program Director. The Program Director will review the instructor's report and the student's written appeal, then notify the instructor and the student of his/her decision.
- Both the student and any LU personnel involved in or affected by the Academic Honor Code violation will have the right to present their views to the Committee before any decision is rendered.
- If the student produces additional support for his/her appeal, after receiving the decision by the Program Director, he/she may submit a written appeal to the Conduct Review Committee. FINANCIAL CHECK-IN

All students are required to complete Financial Check-in through Liberty University’s online system. Official Financial Check-in (matriculation) occurs when a student has completed registration and has either paid or completed satisfactory financial arrangements with Liberty University for all tuition and fees, including prior balances.

New students are expected to complete Financial Check-in between the time they are admitted and the time they are scheduled to arrive on campus. Returning students are expected to complete Financial Check-in online after completing registration. Deadlines, specific procedures, and payment options are posted online.

Students who do not matriculate prior to or during the official, published Financial Check-in days will be subject to a Late Check-in Fee of $125.

Please visit the Student Accounts webpage for current information on procedures, payment options, and schedules at http://www.liberty.edu/studentaccounts.

INITIAL PAYMENTS FOR RETURNING STUDENTS

Once a returning student completes Financial Check-in, payments made prior to the beginning of the semester are held in deposit to secure the student’s class schedule, any institutional grants or scholarships, and campus housing, as applicable. Should the student decide not to return, the University must be notified in writing with a request for refund of the initial payments prior to the last day of drop/add. Otherwise, after drop/add, without prior written notification, the student and money on the account are subject to the conditions described in the official withdrawal policy.

HOUSING FEE

A student living in University housing is required to pay the applicable housing fee each semester depending on location and amenities. This fee covers room, and the basic resident board plan in the University dining hall.

If a student moves into the hall at Check-in, and then withdraws or is allowed to move off campus (see regulations in Student Affairs section of this publication) during the first three weeks of the semester, he will be charged as follows:

- Main Campus - $200 per week for any part of a week in which he resides in the residence hall.
- Quads Living - $215 per week for any part of a week in which he resides in the residence hall.
- Campus East - $240 per week for any part of a week in which he resides in the residence hall.

There will be no adjustment made for the room portion of the housing fee if he moves off campus after the three-week period; however, the meals portion will be rebated at a flat rate of $40 per week for the unused portion of the semester. The three-week adjustment period begins on the first official day of classes.

New and transfer students who attend orientation, live in university housing prior to the first week of classes, and who then withdraw at any time during that week, will be charged $150 for their stay.

COURSE FEES

In certain courses, fees will be charged in addition to tuition. The list of course fees is published online on the Registrar’s webpage at http://www.liberty.edu/registrar.

BOOKS AND SUPPLIES

Textbooks and supplies are available at the University Bookstore. Costs will vary according to the student’s course of study and the availability of used books. The cost of textbooks and supplies will average $700 per semester. Books may be charged to the student’s account by means of the online book voucher system, if there is a credit on the account.

ONLINE COURSE MATERIALS

Online students must purchase all course materials from MBS Direct. Materials for some practicums and intensives may be purchased from the University Bookstore. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date. Tuition does not cover the cost of course materials.

PERSONAL NEEDS

Laundry, cleaning, spending money, items related to personal grooming, towels, sheets, pillow, off-campus transportation, etc., vary with the individual and are an individual’s responsibility.

ACTIVITY FEE

All students are required to pay an Activity Fee each semester in return for access to Ultimate LU activities, admission to athletic events, access to the LaHaye Student Union recreational facilities, and to help offset the cost of other resources dedicated to student activities. Regardless of residence status, all students are subject to this fee. This fee is not pro-rated for part-time students.

LU Online students are charged a $25 Activity Fee only when attending an intensive course on campus.

SEMINARY ACTIVITY FEE

All Seminary students are required to pay the Seminary Activity Fee each semester to help offset the cost of the Seminary’s Student Government and social events sponsored on behalf of Seminary students. The University offers Tuition Payment Plan (TPP) options to current students in the form of scheduled monthly payments for tuition, fees, and on-campus housing charges. A non-refundable Payment Plan Participation Fee of $45 is charged for each semester that the student participates in the TPP. The scheduled monthly payments are payable through (1) automatic draft from a bank account; or (2) automatic debit from a charge account. No interest is charged on the outstanding balance. Those students who enter a TPP and later withdraw from the plan are still subject to the $45 Payment Plan Participation Fee. While the system will accommodate online adjustments to a student’s account as additional credits or debits change the balance due, changes to a TPP requiring University staff intervention are subject to a $25 Payment Plan Change Fee.
It is the responsibility of the student and/or person financially responsible for the student’s account to maintain current bank or credit card information and to insure that the account has sufficient funds at the time of the scheduled draft under the TPP agreement. The bank or credit card account must be from an institution that participates in automatic draft/debit programs. Liberty University cannot draft payments from money market, trust, home equity, or savings accounts.

Payment Plan options for LU Online students will vary depending upon when Financial Check-in is completed.

STUDENT ACCOUNT PAYMENT
A student’s account must be paid in full in order to enroll in any courses in the subsequent semester. The online Financial Check-in process is the means by which a student confirms their financial arrangements with Liberty University.
Monthly statements are sent by email to current and former students who have an outstanding balance on their account. Statements are sent to the student’s Liberty email address.

UNPAID ACCOUNTS
Tuition, the housing fee (applicable to on-campus students only), and all other costs for the full semester are payable prior to, or at the time of Financial Check-in. Students who do not make payment on their account within a reasonable amount of time will be denied access to the cafeteria, printing services, and library until such arrangements are made. If a student is 10 or more days delinquent on his account, the student may be removed from classes. Failure to make financial arrangements could ultimately result in removal from university housing and administrative withdrawal.
Students with unpaid accounts will not be eligible to register for subsequent semesters. They will also be ineligible to receive an official transcript or diploma until the account is paid in full. The
student will be responsible for any collection fees incurred in collecting the account.

STUDENT ACCOUNTS APPEAL POLICY
A written appeal may be submitted to the department that assessed the charge. If the disputed charge cannot be reconciled with the assessing department, a written appeal can be submitted to the Liberty University Student Accounts Office within 30 business days of the billing/notification with all supporting documentation.
1. All pertinent information will be obtained and compiled by the Student Accounts Office.
2. The disputed charge will be reviewed by the Supervisor and/or the Associate Director of Student Accounts.
3. If necessary, an appeal may be reviewed by the Director of Student Accounts as it relates to prescribed University regulations and render a decision based upon those regulations.
4. In the event the student requests an additional review, the Vice President for Finance, or his/her designee, will render the final decision.

All appeals are to be submitted online at http://www.liberty.edu/index.cfm?PID=20659. All appeals will receive a response within 30 days after the written appeal has been received.

WITHDRAWAL FEE
A fee of $50 will be charged for the processing of an official, unofficial, or administrative withdrawal from the University.

WITHDRAWAL REFUND POLICY
Withdrawals from Liberty University fall under different categories: academic, administrative, medical or personal.

Resident students are considered ‘withdrawn from the University’ if they withdraw from all courses for the semester. Withdrawing from individual courses, while maintaining enrollment in others, does not constitute a total withdrawal.

Any resident student who withdraws from the University and completes the official withdrawal procedure will receive a refund of tuition and fees as follows:
1. 100% will be credited if a student withdraws during the first week of classes
2. 50% will be credited if a student withdraws during the second, third or fourth week of classes
3. 25% will be credited if a student withdraws during the fifth through eighth week of classes
4. No tuition or fees will be credited after the eighth week of classes

The dormitory fee will be charged at the rate of $200 per week for Main Campus residence halls, $210 for Quad-living residence halls, and $250 per week for Campus East residence halls, for any part of a week in which the student resides in the dormitory.

There will be no rebate for the room portion of the dormitory fee after the first three weeks; however, the meals portion will be rebated at a flat rate of $40 per week for the unused portion of the semester, regardless of room location.

OFFICIAL WITHDRAWAL POLICY
Students requesting to withdraw from courses during the semester must submit a Withdrawal Form to the Registrar. Generally, the withdrawal date will be the date the student submitted the form to the Registrar.

MEDICAL WITHDRAWAL POLICY
This applies to Resident students only and only for medical conditions documented by the on-campus Light Medical physicians. Tuition, mandatory fees and housing fee will be pro-rated by week or any portion for a week attended. Fees are charged at 100%.

ONLINE PROGRAM OFFICIAL WITHDRAWAL POLICY
An LU Online student who is currently enrolled in courses for a given sub-term (including overlapping 16-week sub-terms) will be considered as totally withdrawn when that student is withdrawn from all courses in that sub-term. Withdrawing from individual courses in a sub-term (including overlapping 16-week sub-terms) does not constitute a total withdrawal until that student has withdrawn from all courses in that sub-term (including overlapping 16-week sub-terms).

Students requesting to withdraw must submit a request to their academic advisor. This will constitute a withdrawal. Generally, the withdrawal date will be the date the student notified their academic advisor.

Any student who completes the official withdrawal procedure will receive a refund of tuition and mandatory fees (i.e. technology and activity fees, if applicable) as follows:

Any online student who withdraws from a course during a given sub-term (including overlapping 16-week sub-terms) will receive a refund of tuition and fees as follows:
1. 100% tuition and fees will be credited if the student withdraws within the first week of the class but before submission of the first assignment.
2. 75% tuition and fees will be credited if the student withdraws after submitting their first assignment and through the end of the second week of classes.
3. 50% tuition and fees will be credited if the student withdraws after the second week of classes and before the end of the fourth week of classes.
4. 25% tuition and fees will be credited if the student withdraws after the fourth week of classes but before the seventh week of classes.
5. No tuition or fees will be credited after the sixth week of classes.

ONLINE PROGRAM UNOFFICIAL WITHDRAWALS
In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in the online courses. This procedure is used to determine if students are progressing toward the completion of their courses.

Students who cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period will be assigned grades of FN. Students receiving all FNs in a semester will be processed as an unofficial withdrawal. The withdrawal date will be the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed for the student and the student will be reported as withdrawn. Students will be notified of the results of the Title IV withdrawal calculation by the Financial Aid Office.

ONLINE CLASS ATTENDANCE
Regular attendance in online courses is expected throughout the length of the term. Online students who do not attend within the first week of a sub-term by submitting an
academic assignment (such as an examination, written paper or project, discussion board post, or other academic event) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The online student alone assumes responsibility for course work missed from non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Online students who begin attendance by submitting an academic assignment but eventually cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

TITLE IV WITHDRAWAL POLICY

When students withdraw from all classes in a given term, they will be subject to a proration of all federal, state and institutional aid. This proration takes into account the total number of days that the student was enrolled. For instance, if there are 100 days in a term, and a student withdraws on day 20, that student has earned 20% of his federal, state and institutional aid. All remaining aid is unearned, and unearned portions of federal funds are required by law to be sent back to the federal government (34 CFR 668.22).

Please note that Liberty University institutional aid will be prorated according to the same schedule as Title IV federal student aid. Because of these provisions, please be aware that having enough financial aid to cover your charges at the beginning of the semester does not ensure that your financial aid will completely cover your charges at the time of withdrawal.

To begin the withdrawal process, LU Online students must contact their Academic Advisor. Resident Students must contact their Student Advocate. For more information on the financial repercussions of withdrawing, please contact Liberty University’s Financial Aid Office at 434-582-2270.

REFUND POLICY FOR ENROLLED STUDENTS

TITLE IV AND ALL OTHER LOAN REFUNDS:
(Federal Unsubsidized Loan, Federal Subsidized Loan, Federal Parent PLUS loan, Federal Pell Grant, FSEOG, Federal Smart Grant, etc)

These types of credits will be refunded according to student’s refund preference selected on his or her Higher One Card account. Students can select either One Account Deposit or ACH Transfer to another bank.

Credits from Parent PLUS will be refunded to the loan applicant in the form of a check unless written authorization is submitted to the Financial Aid Office stating that the refund may be sent to the student. Students need to indicate at Financial Check-in that they do not want credit balances held for future terms in order to receive a refund. Otherwise, credit balances will be held only until the end of the academic year.

Title IV refunds are processed within 14 days from the first day of classes or when loans are disbursed, whichever is later.

Credit/Debit Card Refunds

Credit balances from credit or debit cards will be refunded back to the same card where payment was processed within 1-7 days.

All Other Refunds
(Cash, Check, E-Check, ACH Installments)

LU Online students will need to submit a refund request to luorefunds@liberty.edu. Credit balances will be refunded by check to the students ONLY or through the Higher One Card if requested.

Financial Aid Information and Policies

Robert Ritz, B.S., M.S., Ph.D.
Executive Director of Financial Aid

The Financial Aid Office administers the financial aid programs for the University and provides financial assistance to students who have a financial need and would otherwise be unable to attend Liberty University. Primarily the student is responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, loans, scholarships, and employment. Grants and scholarships are “gift aid” and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed.

All applicants for financial aid are required to:
1. Apply for admission to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for financial aid; and
3. Complete and file a Free Application for Federal Student Aid (FAFSA) with the United States Department of Education by the priority deadline date of March 1 each year in which financial aid is desired. Students are urged to apply early for optimum financial aid benefits. Complete the FAFSA on the web at http://www.fafsa.ed.gov. The school code for Liberty University must be entered on the FAFSA for the institution to receive a Student Aid Report. The school code for Liberty University is 010392.

For new students entering in the Spring semester, the priority deadline date to file the FAFSA is by October 1.

Once the completed FAFSA is received by the United States Department of Education, information provided by the student on the FAFSA is used to produce a Student Aid Report (SAR). The SAR calculates the Expected Family Contribution (EFC), which is used to determine the student’s financial need.

The student’s financial need is the difference between the Cost of Attendance and the Expected Family Contribution or EFC. The Cost of Attendance may include the educational expenses of:
1. Tuition;
2. Room and board (for students living on and off campus);
3. Required fees;
4. Books and supplies;
5. Transportation; and
6. Miscellaneous expenses.

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Liberty University, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students) are provided on the student’s University bill.

Financial aid recipients are selected on the basis of demonstrated financial need (as stated above) and academic achievement. Each financial aid recipient is provided an Award Notification, which is the University’s official offer of financial aid. Students do not need to respond to the Award Notification Letter unless they are:
1. Requesting a decreased loan amount;
2. Declining the loans or other aid offered; or
3. Receiving additional financial aid.

In order for a Liberty University student to continue to receive financial aid from any sources, the student must maintain satisfactory academic progress. Liberty University’s policy for determining satisfactory academic progress is stated below.

For more information on financial aid, visit the Financial Aid Office, located in the Student Services Center at Campus North or find us on the Internet web site at http://www.liberty.edu.

Financial Aid
Satisfactory Academic Progress Policy

The Financial Aid Office of Liberty University administers student financial aid programs from Federal, State, and Institutional sources. Institutional sources include scholarships, grants, discounts and Continuing Education and Dependent Grant-In-Aid Benefits. The U.S. Department of Education requires schools to develop and implement policies by which academic progress is evaluated and monitored for all students, even those who did not receive financial aid in prior terms at Liberty University. Students must meet Financial Aid Satisfactory Academic Progress (SAP) requirements to receive Federal Title IV aid that includes Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Work Study, Federal TEACH Grants, and Federal Student Loans (Student, PLUS and Graduate PLUS). Liberty University also applies the SAP requirements to monitor eligibility for all Institutional aid. The Virginia Commonwealth programs are administered under the guidelines from the State Council of Higher Education for Virginia (SCHEV).

This policy describes the Financial Aid Satisfactory Academic Progress requirements and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program and department/division.

Evaluating Satisfactory Academic Progress

The standards against which all students are measured include Qualitative, Quantitative, Maximum Time Frame, and “All Unearned Credits” standards. The academic record of all students is reviewed after the end of each term. The academic record review is cumulative and includes all courses taken at the student’s current academic level. After the evaluation, letters will be sent to all students who have insufficient academic progress and are being placed on Financial Aid Warning, Probation, or Suspension as a result.

Qualitative Standard

Cumulative GPA is composed of all coursework at the current academic level and is calculated by the Registrar’s Office. To meet the qualitative standards students must meet the minimum cumulative GPA as determined by their classification and program.

67% of attempted coursework at the current level. Withdrawals, incompletes, repeated courses, failure grades, and transfer hours will count as attempted coursework. Please note: completion rates are not rounded up to meet progress. If a student has a completion rate of 66.666%, they are not meeting the minimum 67% federal requirement for financial aid satisfactory academic progress.

Maximum Time Frame
A student may not exceed a maximum number of attempted
hours in any program even if aid was not received during that term
or prior terms. Once the student reaches the maximum timeframe allowed, the student will be ineligible to receive financial aid; students may appeal on the basis of coursework not applicable to the current degree program.

All Unearned Credits
Students attempting at least half-time level credits who earn no credits for the term will be placed on financial aid suspension and will not be permitted to receive financial aid in their next term.

Grades that do not count as earned toward completion of the academic program: Because the following grades are NOT counted as earned credits toward the completion of a degree program, they are not counted as successfully completed credits toward the minimum financial aid satisfactory academic progress standards: AU, BU, CR, CU, F, FD, FN, FW, I, IP, M, N, NP, U, W, WF, WP, WU, X, Z.

Break in Enrollment
When a student has a break in enrollment and is readmitted, the SAP status for prior terms will apply. For example, if a student is placed on financial aid suspension at the end of the Spring Term, does not return in the Fall Term, and is readmitted the next Spring Term, the student will continue in a financial aid suspension status for that term.

Federally Defined Leaves of Absence (FLOA)
Liberty University does not grant federally defined Leaves of Absence for Financial Aid purposes. Instead of utilizing a federally defined Leave of Absence, the University assists students by:
- Making tutoring available
- Allowing students to work with faculty to finish incomplete coursework
- Allowing an official appeal of the Financial Aid Refund calculation based on unusual circumstances
- Allowing students to “stop-out” for one or more semesters
- Allowing students to drop courses with a “W” rather than an “F” during specific time-frames
- Allowing students to submit a Special Considerations Form (even during the period of enrollment) to reconsider the calculation of need-based financial aid eligibility
- Allowing students to appeal a determination of insufficient satisfactory academic progress under the Financial Aid Satisfactory Academic Progress Policy requirements.

The “Federally Defined Leave of Absence” policy listed above is for student financial aid purposes only and does not address College policy for employees (i.e. FMLA regulations).

Terms/Parts-of-Term/Summer Sessions
A traditional semester is referred to as a standard term (e.g. Fall, Spring, and Summer). Standard terms, as defined by Liberty University, are comprised of a combination of smaller “sub-terms” (e.g. Sub-Term B, Sub-Term C, etc.). Satisfactory Academic Progress requirements are calculated based on the combined sub-terms as defined by Liberty University. Intercession credits from classes occurring during approximately the final two weeks of December and/or the first two weeks of January will be added to the Spring Term. Any other intensive courses will fall within a standard term (and will be attributed to only that specific standard term). Summer sub-terms, for the purpose of credit hour load and measurement of progress, are combined together into the Summer Term. The Summer Term is considered a “trailer” at Liberty University. This means that aid processed for the Summer Term will be based on the FAFSA from the prior year.

Withdrawals and Incompletes
Courses from which a student withdraws or receives a grade of incomplete will not be considered as satisfactorily completed. The courses, which will be considered courses attempted but not completed, may negatively affect eligibility for the next term. Additionally, they will factor into the measurement for the maximum time frame.

Repeated Courses
Repeated courses are considered in the maximum time frame requirement. The course(s) will be considered as attempted each time the course is taken. Repeating the same course during the same term is not allowed as this would inflate the student’s enrollment level requiring the elimination of related financial aid. Additionally, a course that is repeated during the same term would cause an incorrect calculation of the completion rate (Quantitative Standard) listed above.
Transfer Courses
Transfer courses are not considered in determining eligibility under the qualitative measure but are considered in the quantitative and maximum time frame measurements. Transfer students are awarded as first-year students without regard to grade or warning status at the prior post-secondary institution. The FASAP requirements would then be used to measure the transfer student’s continued status. Transfer credits must be evaluated and a grade-level established before any educational loans are processed.

Consortium Agreements
The number of credits earned under an approved consortium agreement is integrated into the student’s record upon completion of the course. Note: Courses must first be approved for transfer by the Liberty University Registrar’s Office. The Consortium Agreement is also subject to approval by both the home and host institution’s authorized financial aid staff. Failure to complete the course/s could negatively reflect in the SAP evaluation. Financial Aid staff from the home school will request information from the host school during the enrolled term to confirm continued enrollment and satisfactory academic progress.

Remedial/Developmental Course Work
Financial aid is not available for non-credit remedial courses. Remedial/Developmental courses carrying regular college credit are considered in determining the qualitative, quantitative and maximum time frame requirements for SAP. These courses are counted in enrollment for financial aid eligibility since they meet the following federally defined requirements:

1. They are not a prerequisite that would hinder admission into an eligible degree program at Liberty University.
2. They are less than one year in length.
3. They offer instruction above the 5th Grade Elementary level.
4. They are not used to satisfy high school graduation requirements.

ESL Courses
Financial aid, including Dependent Grant in Aid (DGIA) and Continuing Education (CE) benefits, is not available for students enrolled in the ESL/ELIL program. ESL courses taken as part of an undergraduate program are non credit courses. ESL/ELIL courses are not included in the calculation of satisfactory academic progress.

Special Graduate Student Status
Special Students are not eligible for federal and state aid. Some Special Students qualify for certain institutional aid programs. For this reason, the Quantitative Standard Rule, Maximum Timeframe Rule and All Unearned Credits Rule of the Financial Aid Satisfactory Progress Policy apply to Special Students. The minimum cumulative requirement for Special Students is 2.00 for Graduate, Doctoral and Law programs.

Change in Major / Additional Degrees
When a student changes their major or seeks an additional degree, the student may appeal to the Financial Aid Office to have courses attempted and earned that do not count toward the student’s new major or degree excluded from the Maximum Time Frame calculation of a student’s SAP standing.

Changed Grades
If a grade is changed, the student is required to notify the Financial Aid Office immediately. The Financial Aid Office will then initiate a review of the effect of the grade change on academic progress within 30 days of notification. A grade change late in or after the term in question, or failure to notify the Financial Aid Office may result in the loss of financial aid eligibility because regulations may limit the time within which aid may be re-awarded or disbursed.

The Liberty University School of Law adheres to a schedule which allows for grades to be submitted after the end of the term. Because of this, Liberty University School of Law students evaluated after grade submissions may have their aid eligibility recalculated and may need to adjust their payment arrangements through Financial Check-In later than non-law students.

Academic Amnesty Program
Federal regulations require that the student’s complete academic history be included in the evaluation of financial aid satisfactory academic progress. Therefore the Academic Amnesty Program at Liberty University cannot alter the academic history reviewed for Financial Aid Satisfactory Academic Progress.

Failure to Make Satisfactory Academic Progress
Students who fail to meet the qualitative and/or quantitative standards at the end of a term (based upon the student’s enrollment), will be placed on financial aid “warning” status and will remain eligible for financial aid while on a warning status. Students on financial aid warning status must meet the qualitative and quantitative requirements by the next term’s measurement of progress.

Students not meeting the requirements at the next term’s measurement of progress will be placed on financial aid “probation” and will remain eligible for financial aid while on financial aid probation.

Students not meeting the requirements at the next term’s measurement of progress will be placed on financial aid suspension and considered ineligible for future financial aid until the deficiencies are resolved.

Regulations released by the U.S. Department of Education on October 29, 2010 may change this portion of the SAP policy. All students are encouraged to seek updated policy information at www.liberty.edu/financialaid.

Re-establishing Eligibility
Students may re-establish eligibility for financial aid by taking appropriate action that brings the student into compliance with the standards. Readmission to Liberty University after academic suspension or approval of an academic suspension appeal does not automatically reinstate financial aid eligibility after a financial aid suspension. Reinstatement of aid eligibility is not retroactive. Reinstatement of aid eligibility will only affect current or future enrollment periods.

Exemption of Certain Institutional Funds
Some specific institutionally funded sources of financial aid are excluded from the minimum requirements under the Financial Aid Satisfactory Academic Progress Policy. These funds are:

- Liberty University Online Alumni Scholarship
- Liberty University Online Military Tech Fee Waiver
- Founder’s Memorial Scholarship Programs (including associated funds formerly known as “Jerry Falwell Ministries - JFM” or “Jerry Falwell Scholarship - JFS”).
- Discounts processed through Student Accounts (those that are not listed as an aid fund, but as a resource).
- Liberty University employees who are not enrolled in a degree program and not receiving any other type of financial aid covered under this policy, are exempt from the 150% rule requirement.

Please note: The...
FINANCIAL AID INFORMATION AND POLICIES

Dependent Grant in Aid (DGIA) program does require the student to be enrolled in a degree program and therefore DGIA recipients are subject to the 150% rule and other requirements within this policy.

- LU VTAG Institutional Fund
- WWMC Radio Scholarship Fund

Appeals

A student who is placed on financial aid suspension may appeal this decision. To appeal a financial aid suspension, a student must submit to the Director of Financial Aid a signed and dated letter of appeal explaining why s/he should not be suspended along with the Satisfactory Academic Progress Appeal Form and any supporting documentation. After committee review of the submitted appeal, the student will be notified of the decision in writing. All financial aid awards remain cancelled until the student follows these appeal procedures and receives a written notification of reinstatement. If a reinstatement is approved, the reinstatement will last from the date of the appeal approval until the next term measurement event.

Students on financial aid warning or probation status are not required to submit a letter of appeal since their financial aid eligibility will continue during the warning and probation status. In the cases of those students receiving financial aid in the form of subsidized employment, the students’ worksite supervisor/s will be notified of the reinstatement.

Students who submit an appeal to the Financial Aid Office very late in a term or after the term has ended may result in the loss of financial aid eligibility because regulations may limit the time within which aid may be re-awarded and/or disbursed.

Student Should Monitor Progress

Students are responsible to review their grades (when midterm and end-of-term grades are available) and compare their progress to the standards set forth in the Financial Aid Satisfactory Academic Policy to ensure that they are aware of their standing. As they review their academic information, students are encouraged to proactively seek assistance. For example, students could pursue additional academic advising, arrange tutoring, or regularly discuss their academic work with their instructor/s. The student’s responsibility to monitor their own academic progress is important especially as the evaluation may immediately affect their financial aid eligibility for the next term. For example, failure to meet standards while on financial aid probation in the Spring Term will immediately affect aid eligibility for the Summer Term.

Please Note: Since a financial aid suspension that is caused from one term’s grades could immediately affect the next term’s aid -- even after the student begins attendance of that term, all students are encouraged to monitor their own progress very closely.

Consumer Information Statements

Liberty University, as permitted by federal regulation, now uses electronic means to disseminate required student consumer and “Right-To-Know” Act information. Anyone signing or processing financial aid forms, seeking financial aid information or assistance, or seeking consumer information at Liberty University must read, understand, and comply with the requirements disclosed which are available 24 hours a day at www.liberty.edu/financialaid.

Student Rights and Responsibilities

Student Rights

Every student has the right to know:

- The financial aid that is available (including information on all federal, state, and institutional financial aid programs);
- The deadlines for submitting applications for each of the financial aid programs;
- The cost of attendance, and the policies regarding refunds to students who drop out of school;
- The criteria used to select financial aid recipients;
- How financial need is determined (including the consideration of costs for tuition, room and board, fees, books and supplies, transportation, and miscellaneous expenses);
- The resources (such as parental contribution, assets, other financial aid, etc.) that are considered in the calculation of need;
- The details regarding various programs in the financial aid award package (the student may request reconsideration of the award which was offered should he/she believe he/she was treated unfairly);
- The portion of the financial aid received which must be repaid, and the portion which is grant aid;
- The interest rate, total amount to be repaid, when repayments must begin, and the length of time allowed to repay loan funds;

STUDENT RESPONSIBILITIES

It is the student’s responsibility to:

- Complete all applications for student financial aid carefully and accurately, and to submit these applications to the appropriate agency or office prior to the deadline. Errors may delay the receipt of financial aid. Intentional misreporting of information on the application for aid forms is a violation of law and is considered a criminal offense subject to penalties under the U.S. Criminal code;
- Return and submit all additional documentation, verification, corrections, and/or information requested by the Financial Aid Office or other agency in a timely manner;
- Read, understand, and keep copies of all forms that are submitted;
- Accept responsibility for all agreements signed;
- Keep the Financial Aid Office and the lender informed of any changes in address, name, marital status, financial situation, or any change in enrollment or student status;
- Report to the Financial Aid Office any additional assistance from non-University sources such as scholarships, loans, fellowships, and educational benefits;
- Maintain satisfactory academic progress;
- Read Liberty University email for communication from the Financial Aid Office;
- Complete the online loan application and entrance counseling when receiving a Federal Student Loan for the first time at Liberty University.

If the student borrower disputes the terms of the loan in writing and the institution does not resolve the dispute, the student may contact the Student Loan Ombudsman’s Office. The U.S. Department of Education’s Ombudsman Office can propose solutions that may help you and other parties come to a final agreement. Before you call, make sure you have good records of people you have talked to and what they have said. Remember, too, that an ombudsman cannot reverse a decision or take sides. You may reach the Ombudsman at: 1-877-557-2575 or www.ombudsman.ed.gov.

Federal Title IV Student Aid Programs

ELIGIBILITY FOR FEDERAL AID

To receive federal aid, a student must:

- Be a United States Citizen or eligible non-citizen
- Not be in default on a Federal Perkins Loan, a National Direct; Student Loan, or a Federal Stafford Student Loan;
- Not owe a refund on a Federal Pell Grant or a Federal Supplemental Educational Opportunity Grant (FSEOG);
- Sign a statement stating that the funds will be used only for education related expenses; and
- Be making satisfactory academic progress toward the completion of his/her course of study.

FEDERAL STUDENT LOANS

Federal Student Loans are low interest loans available to students who are enrolled at least half-time. Students demonstrating sufficient need (as reflected on their Student Aid Report, which is sent to the University by the U.S. Department of Education) may be eligible for subsidized funds, in which the government pays interest accrued while they are in school and during their grace periods.

Students who do not have sufficient demonstrated need may be eligible for unsubsidized funds in which the student pays the interest. The student has the option to capitalize the interest (add it to the principal) while in school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status.

FEDERAL GRADUATE PLUS LOAN

A federal loan program, the Federal Graduate PLUS Loan is a low interest, federally backed student loan, guaranteed by the US Government. Like its undergraduate counterpart, the Grad PLUS Loan can be used to pay for the total cost of education – less any aid you’ve already been awarded. Also like the undergraduate version, eligibility for the Graduate PLUS Loan is largely dependent on the borrower’s credit rating and history, as opposed to the purely financial need based graduate Federal Student Loan.

- A Federal Graduate PLUS Loan allows graduate students to borrow the total cost of graduate education including tuition, room and board, supplies, lab expenses, and travel, less any other aid.
- These student loans are non-need based. PLUS Loans are based on your credit history.
- The FAFSA (Free Application for Federal Student Aid) is required.
- Graduate PLUS Loans require no collateral (like other types of loans – including home equity).
- Interest may be tax deductible.
- Grad PLUS loans can be deferred while you are in school.

FEDERAL WORK STUDY (FWS)

The Federal Work Study program provides employment opportunities for students who have a financial need. The financial need is determined from the results of the FAFSA. Students are paid on an hourly basis; pay will be at least the current federal minimum wage. The total amount of aid a student receives from both federal and non-federal sources cannot exceed financial need. The $4,000 Federal Work Study cannot be applied toward initial financial check-in.

Virginia Student Aid Programs

TUITION ASSISTANCE GRANT PROGRAM (VTAG)

Established in 1972, the Tuition Assistance Grant Program (VTAG) is designed to assist Virginia residents who attend accredited private, non-profit colleges and universities in Virginia for other than religious training or theological education. The VTAG is authorized in Chapter 4.1 Section 23-38.11 through 18 of the Code of Virginia as the Tuition Assistance Grant Act.

Applications must be submitted to the Financial Aid Office before the published annual deadline in order to be considered for the maximum award amount.

Full-time students enrolled in an approved program of study, who have been Virginia domiciliary residents for at least 12 consecutive months by the beginning of the fall term for the current academic year, may be eligible for an award. A student who is in Virginia solely to attend college is not considered to be a domiciled resident. Applicants must also be a citizen or permanent resident of the United States. The Tuition Assistance Grant award may be received for no more than eight (8) semesters for undergraduate and six (6) semesters for graduate students.

Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing the Worship and Music Studies or the Pastoral Leadership and Biblical Exposition majors are not eligible for VTAG.
Beginning in 2009-10, eligible graduate programs are limited to those in a health-related professional program. At Liberty University, the Masters of Science in Nursing (M.S.N.) program is the only graduate program eligible for VTAG.

**Department of Veterans Affairs (VA)**

**Educational Assistance**

Students may receive benefits under one of the following programs:

- Selected Reserve Educational Assistance Program;
- Post-Vietnam Era Veterans’ Educational Assistance Program (VEAP);
- Active Duty Educational Assistance Program;
- GI Bill;
- Vocational Rehabilitation; and
- Dependent’s Educational Assistance (Chapter 35).

For further information, contact the nearest Veteran Affairs regional office or the Military Education Office at Liberty University.

**SCHOOL CLASSIFICATION**

The VA classifies the Liberty University Online Program as an Independent Study Program, not a correspondence school. Please be sure to check the box on the VA application indicating that the school is Independent Study. VA awards payment at the full rate (as if taking courses on campus).

**CERTIFICATION**

Certification to the VA will be submitted on a VA 22-1999 after the drop period for the sub-term in which the student is enrolled. All discounts and scholarships applied to the student’s account will be subtracted from the tuition and fees submitted to the VA. Any changes during the semester (hours and tuition) will be reported to the VA for adjustment.

**PAYMENT**

The VA will send payment directly to the student in a lump sum or a monthly check. If payment has not been received within a reasonable amount of time after certification, it is the student’s responsibility to contact the VA directly to determine the cause. Questions concerning the amount of payment should also be directed to the VA. The VA may be contacted by phone at 888-442-4551 or by email at buffrpo@vba.va.gov. The VA’s website is [http://www.va.gov](http://www.va.gov).

**APPLYING FOR VA BENEFITS**

Students who have previously used their VA educational benefits should complete a VA 22-1995 (Request for Change of Program or Place of Training form) and submit it to Liberty’s Military Education Office. Students who have never used VA educational benefits should complete a VA 22-1990 (Application for Education Benefits form). Both forms may be obtained from any local VA office, printed from the VA website, or they can be mailed from the University upon request.

Reservists under Chapter 1606 (New GI Bill for Selected Reservists) should obtain an approved DD 2384 and submit it to Liberty with the VA 22-1999. The DD 2384 may be obtained from the unit commander or the unit education counselor. Active duty personnel may obtain these forms from the Education Services Office on base.

A certificate of eligibility from the VA will be mailed to the student approximately 6–8 weeks after the application has been processed. The student should then forward copies of the certificates to Liberty’s Military Education Office. The VA will notify the student in writing if the student is not eligible for benefits.

**Tuition Assistance Program Eligibility for Active Duty Military, National Guard, and Reservists**

Active duty military and reservists interested in obtaining Tuition Assistance must check with their Education Services Officer to determine whether they are eligible. Students are encouraged to visit their Education Office at least 30 days prior to their anticipated enrollment date.

Students in the Army, Navy, or National Guard who are deemed ineligible for Up-Front Tuition Assistance may be eligible for DANTES reimbursement.

**UP-FRONT TUITION ASSISTANCE (TA)**

Students requesting Up-Front Tuition Assistance must request an application from their base Education Office. If the application is approved, the student must submit to Liberty University’s Military Education Office the original copy of the official TA form and all other forms required by the base. All required original signatures must be on the TA form. Students are encouraged to keep copies of all forms for their records.

Students who are eligible for Up-Front Tuition Assistance are required to pay the portion of their tuition that is not covered by TA. An invoice for the amount approved on the TA form will be sent to the student’s Education Office 21 days after the student enrolls in a course. The Education Office should send payment directly to the University.

TA generally covers 75% of tuition, although some branches of the military may pay a different percentage. Payment is applied to tuition only.

A grade report will be submitted to the base Education Office after the student completes the course(s). Students consent to the release of their grade(s) by signing the Tuition Assistance form.

**RESERVIST’S ELIGIBILITY**

The student must contact the employee’s Personnel Office for information concerning continuing education benefits.

**Corporate Tuition Assistance**

**FORMS**

All Tuition Assistance application forms must be obtained from the student’s employer. The Liberty University Online Program will invoice the employer for tuition payments upon receipt of an original approval certificate or letter. Corporate Tuition Assistance must be paid at the time of registration to the University to be used towards payment of the student’s account. Corporate Tuition Assistance paid upon completion of courses will not be used towards payment of the student’s account.

**REIMBURSEMENTS**

Students who receive tuition benefits after they have completed their courses should request a receipt from the LU Online Student Accounts Office at the end of the semester.

All students are required to attend all convocations.

The ski lodge is an 8,000 square foot facility at the base of the ski runs. This building houses the ticket and rental area on the first floor with a seating and concession area on the second floor with a full view of the ski slope. The Liberty Mountain Snowflex Centre is open seven days a week for LU students and public access.
IVY LAKE

Ivy Lake, located about 25 minutes from Liberty’s campus in Forest, VA, spans 112 acres with a 6,000 square foot beach. It is available for a variety of activities for Liberty University students, faculty and staff. This is a great spot for fishing, canoeing, or just having a picnic with friends. LU’s Paintball Team now has a place on campus to prepare for competitions. The paintball course consists of two fields with a retractable netting system made with a protective mesh. Students may watch the safety of the netting during practices. These fields are open for intramurals, special events, and recruitment events.

DISC GOLF COURSE

The Disc Golf Course is located on East Campus just past the intramural football fields. Disc golf is similar to traditional golf in that players tee off and attempt to reach a particular hole in the fewest number of strokes. Unlike normal golf, however, players throw discs, and the “holes” are actually elevated baskets made of metal. The 18-hole course includes tee pads for beginners and experts alike. Usage will vary from intramural sports leagues, to open recreational play among students.

MOTOCROSS/ATV TRACK AND TRAIL SYSTEM

Nestled in LU’s Jack Mountain property, the mile-long wooded arena features numerous doubles, table tops, loops and off-camber turns. Encompassing the track is a trail system giving riders even more room to roam. New trails maintain the land’s natural elements while offering ATV riders of all skill levels a place to enhance their technique.

To complement the ATV trail system, the University has purchased several ATV’s for student use free of charge. To use the University-owned ATV’s, students must enroll and pass an ATV safety course. A safety range has been constructed to ensure that the maximum number of students can pass the class and enjoy the ATV Trail System.

3-D ARCHERY RANGE

Located on Liberty Mountain, is a 3-D Archery Range nestled in 10 acres for the Liberty Archery Club. The range consists of 20 life-like animal targets as well as several practice bag targets. In order to qualify as a potential state qualifier site, the range is setup to comply with Archery Shooters Association (ASA) standards. The Archery Club has access to shoot and hold tournaments on the 3-D Archery Range.

Hunting on Liberty Mountain

Students have the opportunity to bow hunt on Liberty’s Jack Mountain property through membership in the Liberty Archery Club. In order to qualify, students must provide proof that they have completed a Hunter’s Safety Course and also pass a hunting proficiency test which is provided by the Archery Club. Liberty University Police Department

Col. Richard D. Hinkle, B.S.
Chief of Police

Liberty University Police Department (LUPD), located in the southwest corner of the Campus North complex, provides 24/7 patrol protection by police, security, security and medical service personnel to the campus, parking lots, residence halls and other properties owned or controlled by the University. LU Police Officers are duly sworn with full law enforcement powers and responsibilities, identical to the local police and sheriff’s department. The officers are trained at Central Virginia Criminal Justice Academy and receive additional in-service and specialized training in first aid, firearms, defensive tactics, legal updates, human relations, sensitivity issues and criminal investigations.

University Police share concurrent jurisdiction with the Lynchburg Police Department for properties owned or controlled by the University and other properties agreed upon. University Police offer assistance to the city Police when requested according to an established mutual aid agreement. University Police Officers are responsible for a full range of public safety services, including all crime reports, investigations, medical emergencies, traffic accidents, enforcement of laws regulating underage drinking, the use of controlled substances, firearms and other weapons and all other incidents requiring police assistance. In an effort to assist in combating crime, University Police share information on arrests and serious crimes with all surrounding police agencies.

LUPD can be contacted by phone at 434-582-7641 (non emergencies) or 434-582-3911 (emergencies). Additional information is available online at http://www.liberty.edu/lupd.

PUBLIC SAFETY SERVICES

The LUPD provides several service-oriented functions to the University community consisting of more than 14,000 students, faculty, staff and visitors on campus during any given day. Officers are equipped with two-way radios as they patrol campus in marked and unmarked vehicles. University Police responsibilities range from responding to medical and fire emergencies, criminal investigations to providing an on-campus escort service during hours when the campus transit system is not running.

In conjunction with Student Affairs, the University Police help students engrave an identification number on personal property items kept on campus, such as bikes, computers, radios, and stereo systems. Operation Identification is a nationally recognized identification system which has shown to facilitate the recovery of stolen items.

The University Police, upon appointment, also provide Fingerprinting Services for Liberty University students, employees and their families for a small fee. Classes are also offered to students, free of charge, in firearms and range safety as well as RAD (Rape Aggression Defense – basic defense for women).

Extensive efforts are made to create a campus environment that fosters personal safety, property security, and learning for all members of the University community. All criminal actions or suspicious behavior should be reported immediately so University Police can take prompt action.

EMERGENCY NOTIFICATION SYSTEM

In conjunction with Federal Signal Codespear, Liberty University has implemented the Campus Alerting System. This system allows all University constituents to receive notification the moment an emergency situation occurs on campus. Messages can be transmitted to a cell phone, home phone, work phone or email address. Specific notification for emergency road closures, fires, school closings and severe weather are also features of this system. Register your contact information online at https://liberty.smartmsg.com/ (login required).

CAMPUS CRIME REPORT

Liberty University abides by the Student Right-to-Know, the Campus Security Act of 1990 and the Higher Education Act Reauthorization of 2008. The University makes information concerning campus crime statistics available to the campus community online at http://www.liberty.edu/lupd. This information is also available to prospective Liberty University employees and students upon request.

LU has partnered with the Greater Lynchburg Transit Company (GLTC) to operate the campus transit system and the U-PASS program. With U-PASS, current resident students and employees can also ride the 15-route GLTC system free of charge all year. In 2009, this partnership resulting in GLTC being awarded the Outstanding Transit System Achievement Award from the American Public Transportation Association (APTA) for all transit agencies carrying between 1 – 4 million passengers a year.

Office of Disability Academic Support
Mr. Denny McHaney, B.S., M.Ed.
Director, Office of Disability Academic Support
Associate Professor of Education

Under the umbrellas of the Center for Academic Support and Advising Services (CASAS) and the Bruckner Learning Center (BLC), the Office of Disability Academic Support was created to coordinate academic support services for Liberty University students who have documented disabilities.

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability against students in institutions of higher education. Section 504 mandates “reasonable” accommodations to provide equal program access to all students with disabilities. Faculty must provide accommodations that meet the special needs of each student with a disability. Developing reasonable accommodations is a real challenge for everyone involved.

The University has an obligation to make reasonable accommodations in policies, practices or procedures when accommodations are needed to prevent discrimination on the basis of disability unless making the accommodations would fundamentally alter the nature of the service, program or activity, or would result in undue financial and administrative burdens.

A student who requests accommodations is required to sign a waiver form each semester giving Disability Support Advisors permission to send written summaries of the individual’s disability, as well as the requests for accommodations. Then each student is instructed to individually seek a private meeting with professors to discuss any accommodations that may be necessary. Professors only need to arrange for those accommodations which have been identified.

Students with documented disabilities may be eligible for some of the following services:

- Extended time for testing
- Testing in a quiet environment
- Note-taking help
- Priority pre-registration
- One-on-one academic advising
- Interpreters
- Assistive technology lab
  - Kurzweil 1000 – scanning and reading software for the visually impaired
  - JAWS for Windows – screen reading software for the visually impaired
  - Kurzweil 3000 – scanning and reading software for students with reading disabilities
  - Dragon Naturally Speaking – speech recognition software which can turn speech into print
  - Inspiration – software which helps students learn visually and streamline projects
  - CCTV – magnification hardware for the visually impaired

**PURPOSE**

The Integrated Learning Resource Center (ILRC) incorporates the University’s main library and academic computing facilities. Bearing the name of the University’s President Emeritus, the ILRC is the focal point of academic life at Liberty. Strategically located in the Arthur S. DeMoss Learning Center, the ILRC supports instruction, research, productivity, community-building, and other activities relevant to the University’s mission. The ILRC’s library resources and services are housed primarily on the first floor, while student computing access is concentrated on the second and third floors. The ILRC staff also manages a 24-workstation computer lab in the Campus North complex. The ILRC is open for student use across a wide range of hours each week during the academic term.

**INSTRUCTIONAL RESOURCES**

The ILRC’s computing resources consist of more than 800 workstations located in fifteen classrooms and six open areas. With the exception of machines reserved for library catalog searching, all ILRC computers are pre-loaded with a variety of software titles available for student use, including Microsoft® Office 2007, Adobe® Creative® Suite 4, Microsoft® Visual Studio® 2007, Mathematica® 6, and SPSS.

Classrooms in the ILRC support a wide array of disciplines, including business, computer science, graphic design, information technology, language, math, psychology, and video production. All ILRC computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer users to access the full array of network resources.

**COLLECTIONS**

The ILRC is an integral part of the educational process, providing digital and traditional information resources to support the University curriculum and mission. The ILRC collects and organizes resources across a wide range of media, including books, periodicals, audio-visual resources in various formats, musical scores, curriculum, and archival materials. Its physical collections consist of approximately 315,000 volume equivalents and 700 current periodical subscriptions.

While the ILRC expects to collect print resources for the foreseeable future, it has shifted to a significant degree from physical ownership to electronic access – a model that serves both residential and distance students. Digital information resources provided by the ILRC include some 125,000 electronic books and full-text content from more than 67,000 periodicals. The ILRC provides access to more than 230 online research resources from companies such as Dow Jones, EBSCO, JSTOR, LexisNexis, OCLC, ProQuest-CSA, the APA, Emerald, Standard and Poor’s, and Thomson Gale.

Students and faculty can request materials from libraries across the United States through the ILRC’s interlibrary loan service. Books and media borrowed from local and in-state libraries are often available in less than three days. Copies of periodical articles are typically delivered in digital form, often within two days or less.

The ILRC bears responsibility for collecting and providing access to academic publications and historical records created by members of the Liberty University community. Accordingly, the ILRC maintains an archive of physical resources and hosts an institutional repository known as Digital Commons.

**CURRICULUM LIBRARY**

The Curriculum Library supports the School of Education at Liberty University by providing access to a variety of instructional resources. Offerings include textbooks and teaching materials for pre-school through grade twelve as well as standardized tests. Educational games, manipulatives, and models enhance the collection.

An extensive selection of juvenile titles provides reinforcement for classes in Children’s Literature and Adolescent Literature in addition to classes in curriculum development. Materials related to educational theory and research can be found...
on the shelves of the main collection of A. Pierre Guillermin Library.

Audio-visual items, such as DVDs, CDs, and videos are also kept in the Curriculum Library along with musical scores.

SERVICES

ILRC functions are organized and serviced through a well-qualified faculty and staff. The ILRC provides a broad range of services to help students and faculty use information resources and technology effectively. These services include classroom-based instruction, personalized research assistance, and software support.

The ILRC provides many of its library services and resources to students in the Liberty University Online programs. Online students can access virtually all database resources through a proxy login system. In addition, they have direct toll-free telephone and email access to a librarian specializing in online support. The ILRC is committed to being the primary library for LU Online students by offering timely personal contact and document delivery in order to meet their special needs. This includes the delivery of books and journal articles as well as research and reference services. Fees are assessed for copying, mailing, and faxing.

MEDIA SERVICES/CLASSROOM SUPPORT

The main purpose of Media Services/Classroom Support is to provide efficient technical support to our Faculty and Staff in the area of classroom technology. All of our classrooms are equipped with Smart Technologies, and we provide training to Faculty and Staff in using our multimedia equipment. Our goal is to combine the tools of education and technology, so they can be used together to enhance the learning experience at Liberty University.

MEMBERSHIPS

Academic libraries are undergoing significant changes as they adapt to the terms of a new information economy. Not only are information and technology resources in unprecedented demand, but they must be configured to support teaching, learning, and research regardless of the end user’s location. In this context, the ILRC benefits from collaboration with other agencies and professionals through membership in the American Library Association, the Association of Christian Librarians, the Christian Library Consortium, the Consortium of College and University Media Centers, EDUCAUSE, InfoComm, the Society of American Archivists, SOLINET, VIVA (the Virtual Library of Virginia), and other organizations.
The University Writing Program

Emily W. Heady, B.A., M.A., Ph.D.
Executive Director, Liberty University Writing Program
Director, Quality Enhancement Program (QEP)
Associate Professor of English

Shelah Simpson, B.S., M.A.R., M.A.
Director, Online Writing Center
Instructor in English

The University Writing Program (UWP) was established as part of Liberty’s efforts to improve graduate student writing. Formed in 2006, the UWP fulfills part of Liberty University’s (LU) Quality Enhancement Plan, which was accepted by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) in 2006. The UWP offers writing-related services tailored to the University’s residential and online graduate populations, and it supports faculty members as they seek to incorporate writing instruction in their classrooms. Finally, the UWP offers help to any LU-affiliated scholars seeking to publish or present their work in professional venues.

The heart of the UWP is one-on-one tutoring. The UWP—the umbrella organization over the Graduate Writing Center (GWC), Undergraduate Writing Center (UWC), and Online Writing Center (OWC)—employs advanced graduate students with superior writing and teaching skills to offer individualized writing instruction to LU graduate students. Residential graduate students can schedule appointments with the GWC, and online graduate students can schedule appointments or paper-reviews through the OWC. A trained tutor will review drafts and offer feedback, suggestions for revision, and personalized instruction on all aspects of the writing process. Tutors can help with brainstorming, grammar, punctuation, content, organization, and documentation, and help is available to students from the earliest stages of a program through the thesis or dissertation. The UWP also has a library liaison who guides students through the research process and answers research-related questions.

In addition to tutoring, the UWP also offers a variety of tools to help students with their writing. The GWC web page (http://www.liberty.edu/graduatewritingcenter) includes a large collection of worksheets and PowerPoint presentations on common topics such as “commas” or “APA Documentation.” In addition, the web page offers a variety of links to reliable online sources for writing instruction. Through the web page, students can e-mail quick questions to writing-center tutors or offer suggestions for further online writing aids that the UWP should consider developing.

The UWP hosts conversation groups for non-native English speakers. In these groups, students practice their spoken English, read stories or other texts, and work together on developing reading and speaking competency in the English language. The UWP offers conversation groups suitable to most ability levels, ranging from very basic to very advanced, and group leaders are prepared to adjust their topics and teaching techniques to meet students’ needs. The UWP also has a Korean tutor dedicated to helping Korean students who require more intensive language instruction than the conversation groups alone can offer.

The Directors of the Writing Program are available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. UWP staff members routinely make presentations on topics such as documentation, common grammar errors, plagiarism, and many other writing-related skills in classrooms and in faculty workshops. In addition, all faculty and staff are encouraged to bring their academic work to the GWC for review and commentary by the Directors.

Currently, all UWP services are free of charge to LU students. All students may utilize the UWP’s services, and faculty may download any UWP-produced online materials for use in their classes. The UWP is currently working toward fully operational one-on-one tutoring for all LU students, both graduate and undergraduate.

The GWC is located in Campus North 1877. Students or faculty may contact the center by calling (434) 592-4727 or by emailing graduatewriting@liberty.edu. The UWC is located on the second floor of the ILRC and can be reached at (434) 592-3174 or undergradwriting@liberty.edu. The OWC may be accessed online at www.liberty.edu/onlinewritingcenter.

Our video, printed, and online learning tools help ensure that students have a learning opportunity available to them that equals or surpasses the traditional classroom model. INSTRUCTIONAL DELIVERY METHODS Liberty University Online offers its courses through several delivery methods. The University has adopted Blackboard®, an online software platform, as its primary delivery method. Students can access individual lessons, have interaction with other students taking the same course, utilize links to online resources, view supplemental streaming video clips, and receive direct feedback from their professors using this innovative means of delivery. Students may also be required to purchase video tapes or DVDs for select courses. Our video, printed, and online learning tools help ensure that students have a learning opportunity available to them that equals or surpasses the traditional classroom model. STRUCTURE Currently, Liberty offers courses in an eight-week format with multiple entry dates throughout the year (see academic calendar). Some courses are offered in a 17-week format (with one entry date per semester) in which students may enroll at the beginning of each term. Students will need to show consistent progress throughout their coursework in order to maintain good academic standing. Liberty provides students with tools for success. However, students must manage their time to take advantage of these tools. DEGREE PROGRAM FORMAT OPTIONS LU Online offers undergraduate degree programs of study in an online format. Graduate programs are offered in two formats; either completely online or blended format which is a combination of conventional (face-to-face courses in a classroom setting) and online courses. TESTING Liberty University Online students take timed tests online and receive immediate feedback and test results. Essay exams and papers are also submitted online, graded by the course instructor and returned to the student. Portions of assigned work are used to facilitate student-to-student interaction. The interaction is often included as an element in student grading. BASIC REGULATIONS The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. No one will become spiritual merely by observing rules; nonetheless, the spiritual student will desire to abide by the rules, regulations, and policies. The student who is not prepared to accept instruction will never be prepared to give instruction. Liberty holds as one of its foremost goals the development of men and women of strong
character. Firm moral conviction and dependable self-discipline are as important as academic competence.

All students enrolled in Liberty University Online are subject to the LU Online Code of Honor and Personal Code of Honor.

LIBERTY UNIVERSITY CODE OF HONOR FOR ONLINE UNDERGRADUATE AND GRADUATE STUDENTS

I. PREAMBLE

Liberty University students, faculty, administrators, and staff together form a Christian community based upon the values and goals of the Bible. These are defined in our foundational statements, including our Doctrinal Statement, our Philosophy of Education and Mission Statement, the Statement of Professional Ethics for the Faculty, and our Student Code. Together, these statements situate Liberty University within the long tradition of university culture, which in its beginnings was distinctively Christian, designed to preserve and advance truth.

Anyone, whether Christian or non-Christian, who shares our values and goals, is both welcome and valued in our community. We want all students to feel comfortable in our community of learning, and we extend to all of our students our spiritual and academic resources, with the goal of fostering spiritual growth, character development, and academic maturity.

Communities are based upon shared values and practices. This Code of Honor, an expression of the values inherent in our Doctrinal Statement, defines the rules and principles by which our community functions. At the core of this Code are two key concepts: a belief in the dignity of all persons and an insistence on the existence of objective truth.

While we understand that everyone will not agree with the statements that follow, we do expect that our students respect and uphold these standards while registered at Liberty University. Abiding by the principles and behaviors established in this Code of Honor makes possible the success of our students and the strengthening of the Liberty community.

II. ACADEMIC CODE OF HONOR

A. ACADEMIC MISCONDUCT

Academic misconduct includes, but is not limited to, plagiarism, cheating and falsification.

1. Plagiarism

Plagiarism is the intentional failure to give sufficient attribution to the words, ideas, or data of others that the student has incorporated into his/her work for the purpose of misleading the reader. In some cases, a student may be careless and fail to give credit to the words, ideas or data of others. In such situations, plagiarism has still occurred, but the professor may choose from an array of sanctions he/she deems appropriate. In order to avoid plagiarism, students must conscientiously provide sufficient attribution. Attribution is sufficient if it adequately informs and, therefore, does not materially mislead a reasonable reader as to the true source of the words, ideas, or data. Students who have any doubt as to whether they have provided sufficient attribution have the responsibility to obtain guidance from their professor or other person to whom they are submitting their work.

Plagiarism in papers, projects or any assignment prepared for a class shall include the following:

- Omitting quotation marks or other conventional markings around material quoted from any printed source (including digital material)
- Directly quoting or paraphrasing a specific passage from a specific source without properly referencing the source
- Replicating another person’s work or parts thereof and then submitting it as an original
- Purchasing a paper (or parts of a paper) and representing it as one’s own work

2. Cheating

Cheating is a form of dishonesty in which a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained, gives unauthorized aid, or wrongly takes advantage of another’s work. Examples include, but are not limited to:

- Copying from another person’s work on an examination or an assignment
- Allowing another student to copy any portion of one’s work on an examination or an assignment
- Using unauthorized materials or giving or receiving any other unauthorized assistance on an examination or an assignment
- Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for the student.
- Reusing a paper from a previous course
- Paying another student to complete a course, an individual assignment or an examination

3. Falsification

Falsification is a form of dishonesty in which a student misrepresents the truth, invents facts, or distorts the origin or content of information used as authority. Examples include, but are not limited to:

- Dishonestly answering or providing information in the application process
- Citing a source that is known not to exist
- Attributing to a source ideas and information that are not included in the source
- Falsely citing a source in support of a thought or idea when it is known not to support the thought or idea
- Citing a source in a bibliography when the source was neither cited in the body of the paper nor consulted
- Intentionally distorting the meaning or applicability of data
- Inventing data or statistical results to support conclusions.

B. PROCEDURE FOR THE INVESTIGATION, ADJUDICATION, AND ASSIGNMENT OF SANCTIONS FOR THE VIOLATIONS OF THE ACADEMIC CODE OF HONOR

1. Processing Allegations

When an alleged violation of the Academic Code of Honor has been reported to the instructor or administration, the instructor will confront the student within ten business days of the discovery of the infraction. The instructor may issue an oral or written reprimand, send written notification to the Online Department Chair, reduce a grade, adjust credit on an assignment and/or require additional work. The instructor may determine that a failing grade for the course is the appropriate sanction. In any event, the instructor will inform the student of his or her decision.

The reporting procedure is as follows:

- The instructor will write a report outlining the violation.

- Omitting quotation marks or other conventional markings around material quoted from any printed source (including digital material)
- Directly quoting or paraphrasing a specific passage from a specific source without properly referencing the source
- Replicating another person’s work or parts thereof and then submitting it as an original
- Purchasing a paper (or parts of a paper) and representing it as one’s own work
2. Sanctions

If the professor determines that a sanction is called for, the professor will write a report of the infraction. The professor may issue an oral reprimand, reduce a grade, adjust credit, and/or require additional work. If the professor also maintains the right to recommend a grade of F for the course if the investigation determines that it is appropriate. The Online Associate Dean will review the report and determine the appropriate sanction. If the professor determines that a grade of F for the course is called for, the Online Associate Dean will report the reason for the F to the Registrar and request that it be recorded as an FD grade. This FD grade will appear on the student’s transcript.

The student, upon receipt of the results of the academic honesty review by the Online Associate Dean, will have five business days to appeal the decision to the Dean through the Online Associate Dean.

If warranted, the results of academic honesty review may be forwarded to the Office of Student Affairs for any additional disciplinary action that may be appropriate.

3. Appeal Procedure

In cases where an allegation of any Academic Code of Honor violation occurs and the student does not admit guilt, he/she may pursue the process below. The student will be given an opportunity to provide written evidence in opposition to the charge. Persons who threaten or conduct other acts of retaliation against those individuals who acted in good faith (i.e., honestly and with intentions of being fair) in reporting (even if mistakenly) alleged instances of academic dishonesty will be subject to disciplinary action, including possible suspension or expulsion from Liberty. Any report of alleged academic dishonesty not made in good faith will also be subject to disciplinary action.

Examples of retaliation include, but are not limited to:
- Circumventing the appeal procedure and going directly to a university administrator such as the Dean, the Provost or the Chancellor
- Threatening a faculty member or student
- Harassment
- Verbal or physical abuse
- Verbal or written disrespect to a faculty or staff member (this includes e-mails)
- Offensive or crude language directed at individuals
- Falsely accusing someone of committing academic dishonesty

A complete overview of the appeal process follows:

- Within five business days of the notification, the student may submit a written appeal to the Online Associate Dean, but should do so through the professor. The Online Department Chair and Online Associate Dean will consult with the instructor and review the student's written appeal. The Online Associate Dean will then notify the instructor, the Registrar and the student of his/her decision.
- After receiving the decision by the Online Associate Dean, the student may submit a written appeal to the Dean, through the Online Associate Dean. This written appeal must be received by the Online Associate Dean within five business days of the Online Associate Dean's notification. The Dean will review the student's appeal, as well as any information provided by the faculty member. When a decision has been reached, the Dean will notify the Online Department Chair, the faculty member, the Registrar and the student.
III. PERSONAL CODE OF HONOR

A. CONDUCT THAT UNDERMINES THE SAFETY, MISSION, OR REPUTATION OF LIBERTY UNIVERSITY

Acts that may undermine the safety, mission, or reputation of Liberty University are violations of the Personal Code of Honor. Examples of such acts include, but are not limited to:

- Flagrant violations of institutional policies and standards of dress when visiting campus (see Appendix A for dress code)
- Causing public embarrassment to the University, or their representatives or employees.

1. Sexual, Physical, Written or Verbal Misconduct

Respect for the dignity of each individual as a person created in God’s image is fundamental to the institutional culture desired at Liberty University. Misconduct that is contrary to the teachings of the Christian faith (thus constituting a violation of Liberty University’s Personal Code of Honor) includes, but is not limited to:

- Sexually-oriented joking or comments
- Harassment of an individual based on race or gender
- Unwelcome touching or any touching of a sexual nature
- Verbal or physical abuse
- Verbal or written disrespect to a faculty or staff member (this includes e-mails)
- Offensive or crude language directed at individuals
- Display of objects or pictures that depict nudity or are otherwise sexual in nature
- Persistent, unwanted attempts to change a casual or friendly relationship into a romantic or more intimate one

Non-marital sexual relations and the encouragement or advocacy of any form of sexual behavior that would undermine the Christian identity or faith mission of the University are morally inappropriate sexual misconduct and constitute violations of this Personal Code of Honor.

2. Pornography

Involvement with pornographic, obscene, indecent, or other similarly offensive materials, expressions, or conduct is inconsistent with the Personal Code of Honor and the Christian faith. Use of the University's computing network to obtain or distribute such materials constitutes a violation of the Personal Code of Honor.

3. Alcohol and Drug Use

Liberty University is dedicated to providing a learning environment that promotes reverence for the Word of God, a commitment to the highest ideals of academic excellence, health, and responsible social behavior. This includes recognizing the rights of others and respecting the Christian ideals of Liberty University.

The following are strictly prohibited: any illegal use of a controlled substance, any use of alcohol or tobacco by any LU Online student on the property of Thomas Road Baptist Church or Liberty University, or any use of alcohol or tobacco as any part of a Thomas Road Baptist Church or Liberty University related or sponsored program off campus (this includes school sponsored courses or missions trips in the United States or overseas).

All LU Online students, whether on or off-campus, are expected to conduct themselves at all times in a manner supportive of the Christian character and reputation of Liberty University. Keeping in mind that the public will judge Liberty University and its Christian ideals by the actions of its students, Liberty University will not tolerate conduct by any student, whether on or off-campus, which is deemed by the administration to reflect negatively on the public image of the University.

B. PROCEDURES FOR THE INVESTIGATION, ADJUDICATION, AND SANCTIONING OF VIOLATIONS OF THE PERSONAL CODE OF HONOR

1. Processing Allegations

When an alleged violation of the Personal Code of Honor has come to the attention of the faculty, staff, or administration, that allegation shall be passed on to Student Affairs, who shall determine (with assistance from the appropriate Online Associate Dean and Online Dean) whether formal discipline is warranted and, if so, the nature of the appropriate sanction(s).

Pastoral or Professional counseling may be recommended in some instances. Any cost associated with such counseling shall be borne by the student. If counseling is deemed to have been sufficient to address the student's misconduct, Liberty University reserves the right to remove the record from the student's permanent file. If counseling was deemed to have been ineffective, then Liberty University reserves the right to retain permanent records and dismiss the student from the University.

2. Conduct Review

Where evidence exists that a violation of the Personal Code of Honor may have occurred, Student Affairs shall refer the matter to the appropriate Online Associate Dean and Online Dean. They along with Student Affairs shall deliberate and determine the appropriate penalty.

Should no violation be found, the Director’s report indicating such shall be forwarded to the appropriate Online Associate Dean and Online Dean. Where a violation is found, Student Affairs may notify the student verbally, but will also notify the student in writing (by e-mail or letter) of the sanction(s). The appropriate Online Associate Dean and Online Dean shall receive a copy of the final decision.

3. Sanctions

The Findings of Student Affairs along with any recommendations for further action will be carefully reviewed by the appropriate Online Associate Dean and Online Dean.
These two individuals may accept, reject or modify the Student Affairs report and shall determine the final disposition of the matter.

The appropriate Online Associate Dean and Online Dean may direct that the records of a disciplinary action be retained in a student’s file, noted on transcripts or be disclosed to the appropriate entities responsible for assessing the character and fitness of the student as an applicant to a chosen profession.

In addition to any personal communication of the decision to the student involved, a written copy of the decision shall be sent to the student by e-mail or registered, return receipt mail.

C. APPEAL PROCEDURE

Students are provided the opportunity to appeal any disciplinary decision to the Student Affairs office, appropriate Online Associate Dean and Online Dean. The outcome of an appeal may include an overturn of the proposed action or disciplinary probation, the assignment of disciplinary community service, retention or administrative withdrawal. The appropriate Online Associate Dean and Online Dean may either accept or overturn a previous decision to withdraw a student from Liberty University. Records documenting this process are maintained by the Office of Student Affairs and the Registrar.

1. Reapplication/Readmission

If a student is administratively withdrawn or asked not to return, he/she must submit a written request for readmission to Student Affairs. The student is to provide a thorough account of the actions that led to his/her dismissal or non-return and the student’s strategy for successfully continuing studies at the University. In addition, the following is required:

- Separate letters of recommendation from a counselor and civic leader
- One letter of recommendation from a pastor or LU faculty member

Only after the aforementioned information is received will consideration for reinstatement occur. Readmission to the University will be subject to any stipulations made by the appropriate Online Associate Dean and Online Dean and the Office of Student Affairs. This process does not guarantee readmission. If readmission is granted, the Office of Student Affairs will notify the Office of Admissions. The Office of Admissions will notify the student.

2. Administrative Withdrawal

Students, who are reported to have violated the policies or regulations of the University that require an administrative withdrawal, are required to meet (in person or by phone) with Student Affairs for a personal conference. Student Affairs will present the alleged violation(s) to the student and the student will then be given full opportunity to present his/her position concerning the allegation. Student Affairs will conduct an investigation of the alleged violation(s). When the investigation is complete, and the allegation is determined to be true, Student Affairs will consider the facts and relevant information concerning the violation(s), including the student's prior disciplinary record. Student Affairs will consult with the appropriate Online Associate Dean and Online Dean before making a decision. NOTE: During the investigative process, the student is allowed to continue attending classes.

3. Administrative Withdrawal Process and Appeal

- The student has 24 hours, after receiving notification of the decision, to decide whether he/she wishes to accept the decision. NOTE: Failure to meet the 24-hour deadline will result in an automatic administrative withdrawal.
- If the student decides to appeal the decision, the time of the appeal hearing will be determined and the student will be notified by Student Affairs who will schedule the hearing within seven business days of the student’s request for appeal. NOTE: During the appeal process, the student is allowed to continue attending classes.
- If the administrative withdrawal is upheld, all academic work is lost for the semester except classes that have been completed before the time of the decision.
- Once the student has been administratively withdrawn, he/she will not be permitted to visit the campus until his/her student status has been reinstated.
- Reapplication is subject to administrative review after a six-month period of absence from the University.
- Readmission will be considered after a minimum one-year absence from the University for the commission of a felony, assault, drug and/or stealing dismissals and is also subject to administrative review and approval.

Each student has access to professional Academic Advisors who will assist the student with choosing and scheduling courses and are available to answer any questions the student may have or to help solve unexpected problems. In addition, every course is managed by a faculty member who is available to answer course-related and academic questions.

New students will need to contact a New Enrollment Specialist (NES), who will guide students in course selection for the first semester and assist in all other preparations until the first day of class. On the first day of the first sub-term I which students are enrolled, all questions concerning academic issues should be directed to the Academic Advising Department. Students are encouraged to contact the Academic Advising Department for help with any school-related problems they may encounter during the academic year.

Online services include Webmail and ASIST (Automated Student Information Services Tool). Webmail serves as the primary means of communication between the University and the student. Every student is assigned a personal Webmail account, which he is advised to check at least weekly. Using ASIST, students may register and drop courses, access and update their personal information, view their account balances, make online payments, view individual test and final course grades, email professors, view and calculate GPA, and apply for financial aid.

Regardless of format, the majority of the course work for any program of study must be earned at Liberty University.

The requirements for graduation for all programs are listed in this Catalog and on degree completion plans, which are available online at [http://www.liberty.edu](http://www.liberty.edu).

Graduate degree programs and specializations are listed below. Blended programs are completed through any one of the following combinations:

- Online courses and traditional residential courses;
- Online courses and on-campus intensives that are weekend, one-week or two-weeks long; or
- Online courses, traditional residential courses, and on-campus intensives.

Some programs are offered in a combination of formats.

graduate education and training to prepare individuals for service as
professionals within both the Christian and secular communities.
Both the master’s and doctoral programs are offered to prepare
students to work as counselor educators, supervisors, and advanced
practitioners in academic, ministry, and clinical settings, as well as
prepare them for leadership roles in other various human service
fields. The M.A. programs also provide foundational studies that

mental health and human service agencies, educational institutions,
private practice, government, and business and industrial settings.

The Graduate Counseling Program, launched in 1981, is
committed to providing quality professional training for healing
human hurts from a perspective permeated by Christian faith. Our
training in theory and practice of counseling is designed for those
seeking career opportunities in mental health agencies, hospital
programs, private practices, church-related counseling centers, and
other public and private facilities.

Both the master’s and doctoral program are offered to prepare
students to work as counselor educators, supervisors, and advanced
practitioners in academic ministry, and clinical settings. The M.A.
program provides foundational studies that equip students for
licensure, to pursue doctoral students and careers in community
mental health and human service agencies, educational institutions,
private practice, government, and business and industrial settings.

Master of Arts in Human Services

The Professional Counseling and/or Marriage and Family Therapy licensure program(s) at Liberty University/Liberty University Online may not fulfill licensure requirements for the states of Arkansas, California, Illinois, Kansas, Missouri, New Hampshire, New York and Oregon. Students wishing to pursue professional counseling licensure in these states should contact the appropriate state licensing board for more information.

The state of Mississippi does not accept the Master of Arts in Marriage and Family Therapy degree earned through Liberty University Online for licensure purposes.

PROGRAM SPECIFIC ADMISSION PROCEDURES

In addition to the General Admission Procedures outlined in this catalog, Master’s applicants to any of our Counseling programs must have (variations in italics):

1. An earned baccalaureate degree or its equivalent from an institution accredited by an agency recognized by the U.S. Department of Education (e.g., SACS, TRACS, ABHE, etc.);
2. An undergraduate cumulative GPA of at least 3.00 (on a 4.00 scale). Applicants to the M.A. in Human Services are required to hold an undergraduate cumulative GPA of at least 2.50 (on a 4.00 scale);
3. Successfully completed a minimum of six semester hours of coursework in psychology or a closely related field of study (e.g., sociology, human services) and three hours of statistics. Applicants for the 30-hour M.A. in Human Services are not required to complete prerequisite work.

Applicants must submit each of the items listed in the General Admissions Procedures to the Office of Graduate Admissions before being considered for acceptance to the program.

Applicants who have not successfully completed six hours of psychology or related studies and three hours of statistics for the Master’s in Professional Counseling or Marriage and Family Therapy may be admitted with the provision that they must complete the undergraduate coursework within the first two semesters of study. Applicants who do not meet the minimum GPA requirement may be considered for admission on Academic Probation status. Students admitted on Academic Probation must take and pass GRST 501 Intro to Graduate Writing in their first semester.

The applicant’s character, integrity, and general fitness to practice counseling may also be considered in the admission process. In addition, limited resources may indicate a need for limited enrollments, requiring the Center for Counseling and Family Studies to restrict admissions and to entertain special admissions only under exceptional circumstances.

NOTIFICATION OF ADMISSION

Admission decisions normally are made within a few weeks following the receipt of all of the student’s documentation. Official notification of admission, and of any conditions attached to that admission, is sent by letter to the applicant by the Office of Graduate Admissions. Correspondence or notification from other sources does not constitute official notice of admission. The term for which the applicant is admitted is stated in the official admission letter from the Office of Graduate Admissions.

TRANSFER OF CREDIT

Students may transfer up to 6 semester hours of coursework into the 30-hour Human Services program, up to 12 hours of coursework into the 48-hour Professional Counseling program, and up to 15 hours of coursework into the 60-hour Professional Counseling and Marriage and Family Therapy programs. For a transferred course to replace a Liberty University course, the following requirements must be met:

1. The school at which the course was taken must be appropriately accredited.
2. The course credit must be at least three semester hours or five quarter hours.
3. The student must have earned a grade of B or better in the course.
4. The course must overlap one of Liberty’s courses by at least 80%.

Courses related to psychology and counseling that meet all but the last criterion may be transferred in as elective courses. Course work must have been completed within the previous eight years. Transfer credits will not be accepted for the following courses: COUN 501, 505, 506, 507, 512, 667, 698, and 699. Courses from an earned degree will not be accepted for transfer credit. Credit will not be awarded for life experience or continuing education workshops.

Students in the 48- and 60-hour Professional Counseling program are required to take COUN 505, 512, and 667 in residence (on campus). Students in the 60-hour Marriage and Family Therapy program are required to take COUN 505, 512, 610, and 667 in residence (on campus).

LICENSURE

Liberty University’s Center for Counseling and Family Studies provides academic course work in all areas required by the Virginia Board of Professional Counselors and Marriage and Family Therapists for licensure. The 60-hour M.A. degree program has been designed to meet licensure requirements for LPC in Virginia. With 12 additional hours of coursework, Liberty University’s M.A. degree (48-hour degree program) is acceptable to meet academic education programs established by the Virginia Board of Professional Counselors and Marriage and Family Therapists for licensure as a Licensed Professional Counselor, and a Marriage and Family Therapist. Students interested in licensure in other states are required to contact the licensing boards of those states to obtain copies of their licensing laws and regulations. These will help students ensure they take all courses necessary for licensure in those states.

EVALUATION AND RETENTION

Students are responsible for meeting the academic and professional standards of Liberty University and the counseling profession. The following requirements apply to all students:

1. Students are expected to use the American Counseling Association “Code of Ethics and Standards of Practice,” the American Association of Christian Counselors “Code of Ethics,” this Catalog, the Student Handbook, and the Liberty Way as guides for their behavior throughout their program. Each of these documents is available for reading and downloading from the respective organizational websites. Students will undergo periodic evaluation by the Counseling faculty for suitability as students and prospective counselors.

2. Students must remain in good academic standing, are required to maintain high ethical standards, and must demonstrate evidence of functional competency in fulfilling the professional roles required by the discipline.
3. Students (other than 30-hour M.A. students) must pass a comprehensive examination that requires an ability to deal with more than individual course content. Satisfactory completion of comprehensive examination requires analysis, synthesis, and integration of the content within the counseling discipline.

4. Doctoral students must also develop, complete, and defend an acceptable dissertation following guidelines developed by the Graduate Administrative Council and approved by the Graduate Senate.

Consult specific program sections of this catalog for additional requirements.

The Center for Counseling and Family Studies offers four master’s-level degree programs. The M.A. in Human Services is designed for professionals from all walks of life dedicated not only to career advancement, but impacting tomorrow’s world and the well being of others in the spirit of Christian services. The degree is grounded in a core of courses developed through the Center for Counseling and Family Studies; a core reflective of the University’s mission statement and designed to provide the values, knowledge, and skills needed for effective work in the vast field of human services. These degrees prepare individuals for licensure and national certification and careers in mental health agencies, hospital programs, private practices, ministry-related counseling centers, and other public and private facilities.

The M.A. in Marriage and Family Therapy consists of a minimum of 60 hours; 48 hours of course work from the Professional Counseling program, plus four additional courses: COUN 602, Marriage and Family Counseling II or COUN 611, Counseling Children and Their Families; COUN 603, Pre-Marital and Marital Counseling; COUN 610, Human Sexuality; and COUN 620, Counseling Adolescents and Their Families. Students’ internship experiences must consist of work with couples, families, and individuals from a systems perspective, with the majority of the direct service clock hours occurring with couples and family units. This specialization is appropriate for those seeking licensure as Marriage and Family Therapists (MFT).

The Human Services program (30 hours) typically takes three semesters (1-1/2 years) to complete; the Professional Counseling program (48 hours), five semesters (2-1/2 years) to complete; the Professional Counseling program (60 hours), six semesters (3 years) to complete; and the Marriage and Family Therapy program, (60 hours) six semesters (3 years) to complete.

DEGREE COMPLETION PLANS (DCP)

The Degree Completion Plans for programs in Counseling and the Master of Arts in Human Services program are available online at http://www.liberty.edu/registrar.

Doctor of Philosophy in Counseling (Ph.D.)

PURPOSE

The terminal Ph.D. in Counseling allows the University to prepare professionals for clinical practice, education, and ministry who demonstrate the highest levels of clinical competence and scholarship in their approach to their vocation. Students who enroll in the Ph.D. program are professionals who see their vocations as a calling to serve God by facilitating bio-psycho-social-spiritual wholeness and healing.

The Ph.D. in counseling is distinctive in its integration of the Christian worldview with the science and practice of contemporary behavioral sciences. The program aims to achieve a threefold integration of (a) spiritual and theological understandings; (b) clinical theory and practice; and (c) empirical research methodology. Programmatic emphasis on the use of empirical research in addressing bio-psycho-social-spiritual issues offers an innovative approach to understanding the experience and behavior of persons in an increasingly complex society. Such an integrated approach is of special interest to individuals who wish to enhance their professional skills in the contemporary fields of psychology and related disciplines.

PROGRAM LEARNING OUTCOMES

A graduate of the Doctor of Philosophy in Counseling program will be able to:

1. Synthesize and apply a wide array of counseling theories from within an integrated Christian worldview.

2. Evaluate and incorporate ethical and legal standards in the counseling field.

3. Assess, diagnose, and treat clients with a broad array of presenting problems and mental disorders using multiple counseling skills.

4. Appraise theories in all core curricular areas of counseling utilizing a biblical worldview and an awareness of industry best practices.

5. Design, conduct and critically evaluate scientific research studies and translate them to clinical and applied settings.

6. Evaluate child, adolescent and marriage and family clients in order to effectively determine a treatment in accordance with a distinctly biblical worldview and established best practices.

7. Evaluate diverse individual, group and family populations within a developmental systems context in order to effectively determine appropriate treatments.

PROGRAM SPECIFIC ADMISSION PROCEDURES

Admission to the Ph.D. in Counseling is a two-step process: (a) admission as a graduate student who may enroll in master’s and doctoral classes, and (b) admission to candidacy for the Ph.D. degree.

In addition to the General Admission Procedures outlined in this catalog, doctoral applicants to the Counseling program must have:

1. An earned master’s degree or its equivalent from an appropriately accredited seminary or graduate school in a related field;

2. A cumulative GPA of at least 3.25 or above (on a 4.00 scale) in all previous graduate course work;

3. MAT scores are preferred, but GRE General Test scores will be accepted;

4. A TOEFL score with a minimum of 600 or 250 on computer test (if applicable);

5. Two Letters of Recommendation: At least one must be from a pastor and, if possible, one from a professor. All should be obtained from individuals qualified to address the applicant’s ability to complete doctoral work, maturity, motivation, and ethics;

6. A 300-word Letter of Intent specifying the applicant’s purpose and goals for entering the Ph.D. Program;

7. Professional Vita including degrees earned, ministry and/or counseling experience, and career goals;

8. Demonstration of Writing Competency. Applicants must respond to a case study describing the manner in which they would handle the case. The case study (vignette) is available online.

9. Graduate Status Record (available online).

Applicants whose GPA is below the required level may, at the discretion of the Ph.D. Admissions Committee, be admitted if they satisfy one of the following criteria:

1. Demonstrated ability to conduct graduate work at an accredited college or university;

2. Exceptional performance on the required GRE;

3. Presentation of other relevant evidence acceptable to the Ph.D. Admissions Committee.

The above are minimum academic requirements for admission to the Ph.D. in Counseling. The applicant’s character, integrity, and general fitness to practice a particular profession may also be considered in the admission process. In addition, limited resources may indicate a need for limited enrollments, requiring the Center for Counseling and Family Studies to restrict admissions and to entertain special admissions only under exceptional circumstances.

ADMISSIONS COMMITTEE
Upon receipt of the materials described above, a student’s file is sent to the Ph.D. Admissions Committee for review. The Admissions Committee determines whether the student is admitted, and if any advanced standing should be awarded for the Foundational Competencies. Admission to the program requires the approval of a majority of the members of the Ph.D. Admissions Committee, who may also request additional actions prior to admittance, if deemed necessary (e.g., an admissions interview; additional writing sample, etc.).

NOTIFICATION OF ADMISSION
Admission decisions normally are made within a few weeks following the receipt of all of the student’s documentation. Official notification of admission, and of any conditions attached to that admission, is made in a letter sent to the applicant by the Ph.D. Directors. Correspondence or notification from other sources does not constitute official notice of admission.
A student must be admitted at least 120 days prior to the start of an academic term in order for the admission to be effective for that term. If the admission process is completed after that deadline, whether because the file was not completed or because admissions action was not taken earlier, the admission will be effective for the following academic term.

TRANSFER OF CREDIT
Students may transfer up to 15 semester hours of coursework. For a transferred course to replace a Liberty University specialization course, the following requirements must be met:
1. The school at which the course was taken must be appropriately accredited;
2. The course credit must be at least three semester hours or five quarter hours;
3. The student must have earned a grade of B or better in the course; and
4. The course must overlap one of Liberty’s courses by at least 80%.
Transfer credits must have been completed as post-master’s course work within the previous 10 years to be accepted. Coursework cannot be transferred from a completed degree. Courses with a recorded grade of C or below will not be accepted. Correspondence studies or life experiences will not be accepted for transfer credit.

ADMISSION TO CANDIDACY
A student must be admitted to doctoral degree candidacy before the doctoral degree can be awarded. Students submit a Ph.D. Candidacy Application to the Center for Counseling and Family Studies for approval. Students are admitted to candidacy upon recommendation of the Center for Counseling and Family Studies and successful completion of the following:
1. The Core Curriculum
2. The Ph.D. Comprehensive Examination
3. Area of Specialization, Practicum and Internship
Students will be officially notified of their admission to candidacy in a letter sent from the Center for Counseling and Family Studies. If for any reason the student successfully completes the core curriculum, but is unable to complete the other requirements for candidacy, a Certificate of Advanced Graduate Studies will be awarded.

ADVISEMENT
Advisement is given regarding coursework, the qualifying and comprehensive examinations, and other academic requirements by the core doctoral faculty and the appointed advisement staff. Students needing advisement may e-mail the administrator (coun@liberty.edu) to be directed to the proper advisor. It is always the responsibility of the student to be aware of University policies and regulations and state licensing requirements affecting his or her program.

COURSE REQUIREMENTS
The Ph.D. requires completion of a minimum of 63 hours of post-master’s coursework. Newly admitted students must show competency in statistics before taking the first doctoral core course. Students must complete 15 hours of Qualifying coursework and 30 hours of Core Courses and electives. With approval of the Ph.D. Admissions Committee, up to 30 hours of previous master’s or post-master’s coursework may be accepted as credit for the Clinical Prerequisites and the Foundational Competencies.

Students have two major examinations in their doctoral coursework. A qualifying exam must be successfully passed after having completed 15 hours of designated doctoral core courses. After all coursework is successfully completed each student is required to complete a candidacy (comprehensive) examination that is developed and evaluated by a faculty committee. After successful completion of the comprehensive examination, students may become Ph.D. candidates and can begin work on their dissertations.

The Ph.D. Specialization in Pastoral Care and Counseling (24 hours, including nine hours of clinical instruction) is distinctive in its integration of the Christian worldview with the science and practice of contemporary behavioral sciences. The program functions in cooperation with Liberty Baptist Theological Seminary.

The specialization aims to achieve a threefold integration of:
(a) spiritual and theological understandings;
(b) clinical theory and practice; and
(c) empirical research methodology.

Programmatic emphasis on the use of empirical research in addressing psycho-theological issues offers an innovative approach to a more complete understanding of the experience and behavior of persons in an increasingly complex society. Such an integrated approach is of special interest to individuals who wish to enhance the Christian perspective with contemporary scientific methodology and clinical techniques of the helping professions.

The Ph.D. Specialization in Professional Counseling (24 hours, including nine hours of clinical instruction) is distinctive in its integration of graduate-level studies in biblical exegesis and theological studies with the science and practice of contemporary behavioral sciences, clinical theory and practice, and empirical research methodology. These emphases are of special interest to professional practitioners who seek to address the total spectrum of issues for which persons seek professional therapy with the added training required to service clients seeking assistance in the area of spirituality.

CLINICAL PREREQUISITES AND FOUNDATIONAL COMPETENCY
The Ph.D. in Counseling requires that students demonstrate professional competence with transcript evidence of having the following graduate-level clinical prerequisites representing 24 hours:
- Professional Identity, Function and Ethics (COUN 501);
- Human Development (COUN 502);
- Research and Statistics (COUN 503);
- Techniques and the Helping Profession (COUN 505);
- Counseling Theories (COUN 510);
- Group Process (COUN 512);
- Individual Appraisal (COUN 521); and
- Psychopathology (COUN 646).

The Foundational Competency (9 hours) focuses on theology. It is imperative that students have proper theological instruction in order to integrate effectively. Students must demonstrate transcript
evidence of graduate-level courses in Systematic Theology (two courses) and one course in Hermeneutics.

**CLINICAL INSTRUCTION**

Approved Practicum and Internship experiences are required for all students enrolled in the Specialization in Professional Counseling or the Specialization in Pastoral Care and Counseling. Both are planned in consultation with the student’s faculty advisor.

**EXAMINATIONS**

All doctoral students in Counseling are required to pass three examinations prior to proceeding into different stages of the doctoral experience. The Statistical Competency Examination is taken after admission and before any doctoral coursework has begun. Successful passing of the exam will result in the student moving into the beginning of their doctoral coursework. Failure of this exam will require graduate level coursework in the statistics to be completed. This exam is required of all admitted students regardless of prior work in statistics.

After the completion of all Foundational Competencies and Qualifying Coursework, the student will be required to pass a Qualifying Exam. This exam builds upon knowledge gleaned from prerequisite courses and qualifying coursework. Areas include: Integration, Theories and Clinical Practice, and Research and Statistics. The Qualifying Examination is a proctored exam that can be taken without coming to campus. It consists of three questions that students are given a total of six hours to complete. Students are given two attempts to pass each of the three content areas. Once a student passes a content area they are not required to retake that portion of another area is failed. Students have two attempts to pass all portions of the exam. Failure to pass this exam will lead to dismissal from the program.

The last exam students are required to pass is the Candidacy Examination. This exam is completed from the student’s residence and consists of two parts: research design and clinical/counseling application. This written exam is designed to enable students to demonstrate that they have developed excellence in both research and clinical application. Students have two attempts to pass both portions of the section. Failure to pass this exam will lead to dismissal from the program.

A student must be enrolled in the term in which he or she takes the Qualifying and Candidacy Examinations. A student must be in good academic standing and must have departmental approval to take both examinations.

**DISSERTATION**

The dissertation is expected to represent the results of original and significant research written in a scholarly and literate manner and worthy of publication. It is the culmination of the doctoral program.

The student’s dissertation committee will guide him or her through the research process. The number of committee members, including the chair, is normally three to five. The primary members of the committee will be the chair of the dissertation committee and others from the Counseling faculty or an approved scholar/professional chosen from outside the Center for Counseling and Family Studies. All members must meet the standards for appointment as graduate faculty.

**GRADUATION REQUIREMENTS**

To graduate, students in the Ph.D. program must:
1. Have passed the Qualifying Exam.
2. Have passed the Candidacy Examination.
3. Have successfully written and defended their dissertation.
4. Have completed their required curriculum with a cumulative GPA of 3.00 or better. Any coursework taken toward fulfilling the requirements of the Doctor of Philosophy degree or required by the student’s advisor or committee with a recorded grade below C will not count toward the degree and may result in dismissal from the program.
5. Submit a Graduation Application to the Registrar’s Office (at the beginning of the final semester).

A student may petition the Center for Counseling and Family Studies for permission to retake one course in which he/she received a grade of C. The most recent grade will be recorded on the transcript. No further coursework can be completed until the grade of C is replaced on the student’s transcript. If a student receives a grade of C in any subsequent course he/she will be academically dismissed from the program.

**Master of Science in Nursing (M.S.N.)**

**PURPOSE**

Liberty University’s Master of Science in Nursing program is founded on a Christian worldview and designed to prepare competent men and women to provide advanced practice nursing care as adult/acute clinical nurses specialists in a variety of practice settings. The program also prepares students for careers in the field of nursing education as nurse educators and faculty members in schools of nursing. Graduates are equipped with the critical thinking skills, leadership, and knowledge needed to promote the profession of nursing through clinical practice, teaching, research, program development and implementation, and scholarship.

**PROGRAM LEARNING OUTCOMES**

Graduates of the M.S.N. Program are able to:

1. Practice as clinical nurse specialists (advanced practice nurse) in selected areas of practice such as primary, acute, or long-term care.
2. Provide complex nursing care to individuals, families, and selected populations.
3. Integrate advanced practice nursing core knowledge into education practice.
4. Able to assume an entry level faculty position in a school of nursing or function in the role of nurse educator in other health care related or community environments.
5. Participate in research, scholarly activities such as writing for publication and formal presentations.
6. Act in leadership roles within the health care and nursing education venues related to activities such teaching, curriculum design and development, health promotion and disease prevention, development and evaluation of health policy, consultation, advocacy, and management of multidimensional nursing care in a variety of health care settings.
7. Demonstrate an understanding of the importance of applying Christian principles to clinical nursing care and education practice.

**ACCREDITATION**

The Master of Science in Nursing program is accredited by the Commission on Collegiate Nursing Education (CCNE).

**PROGRAM SPECIFIC ADMISSION PROCEDURES**

All policies and procedures for admission to graduate programs as stated in this Catalog apply unless otherwise stated. The following criteria are established to encourage applications from qualified students who are highly motivated, self-directed, and academically competent to ensure selection of individuals who possess abilities that will enable them to successfully pursue graduate study in nursing. Each applicant must submit documentation to the Office of Graduate Admissions [gradadmissions@liberty.edu] that addresses the following criteria:

1. Graduate of a nationally accredited nursing program/school or its equivalent. Accrediting bodies include: Commission on Collegiate Nursing Education (CCNE).
2. Bachelor of Science in Nursing (B.S.N.) or a bachelor’s degree in another discipline. Non-B.S.N. applicants with an RN may be admitted to the M.S.N. program but must satisfy requirements for the following undergraduate bridge courses: NURS 225, Research in Nursing; NURS 440, Strategies for Community Health; and NURS 490, Leadership/Management in Nursing. Bridge courses are not a prerequisite to admission into the M.S.N. program, but must be completed within the first year of admission to the M.S.N. program.
3. Introductory statistics course (math preferred) and an undergraduate course in health assessment are required. For those who did not complete these courses in their undergraduate programs, they may fulfill these requirements during the first two semesters of the M.S.N. program and must complete the statistics course prior to enrollment in NURS 500, Research; the undergraduate course for health assessment must be fulfilled prior to enrollment in NURS 505, Advanced Health/Physical Assessment.
4. Minimum cumulative undergraduate GPA of 3.00 on a scale of 4.00. Students whose undergraduate GPA is below 3.00 will be admitted on Academic Probation. These students are required to take and pass GRST 500 Intro to Graduate Writing in their first semester.
5. RNs who do not practice or plan to practice in the U.S. are not required to obtain licensure in the U.S. and may be eligible for admission to the M.S.N. program at Liberty University Online. RNs not licensed to practice in the US must take and pass the NCLEX Readiness Exam (offered by the CGFNS) or TOEFL. These students are required to take and pass GRST 500 Intro to Graduate Writing in their first semester.
6. Current license to practice as a registered nurse in Canada.
7. Must have one year of nursing practice as a registered nurse.
8. Track courses: CNS NURS 607, 608 and 609 or Nurse Educator NURS 618, 619, 620 require a practicum, which must be completed within the United States.

**EVALUATION OF TRANSFER CREDITS AND SPECIAL STUDENT STATUS**

**Transfer Policy**
With approval from the Department of Nursing Graduate Faculty Committee, students may transfer up to two graduate-level courses (total of six credit hours) from an appropriately accredited institution. In order to transfer credit hours, the student must have earned the minimum grade of B; the courses must have been completed within ten years of the start date of the program. Students may receive transfer credit for graduate courses that were required for another completed master’s degree. No correspondence or life experience study will be accepted for credit in the M.S.N. program.

**Special Student Status**
Students who are not degree candidates, but who are able to submit proof of current RN license and a minimum of one year of nursing practice as a registered nurse, may take up to twelve credit hours as a special student prior to being admitted to the MSN program. Special-student status also enables students who may be able to successfully matriculate in the program but are not admitted because they do not fully meet admission criteria (e.g., borderline GPA) to enroll in graduate courses.

Upon successful completion of a maximum of twelve credit hours under special-student status, students must complete requirements for admission and be accepted as degree candidates to continue in the M.S.N. program.

Conditional admission is not a guarantee of full admission to a degree program. Federal and state financial aid is not available to students under conditional admission. Students are eligible for conditional admission, and may take up to twelve credit hours of course work upon the receipt of an approved application, proof that the student has a current license, and a minimum of one year of nursing practice as a registered nurse.

**COURSE REQUIREMENTS**
The Master of Science in Nursing (M.S.N.) offers two areas of specialization: adult/acute clinical nurse specialist and nurse educator. With faculty guidance students develop a program of study and practicum that reflects their clinical and nursing education interests. Full and part-time options are available. Each student should obtain an up-to-date copy of the Graduate Nursing Student Handbook (available online at Liberty University’s M.S.N. website), for information about matriculation and progression in the M.S.N. program. The application information and forms are also available online.

**PHYSICAL EXAMINATION/INSURANCE**
Documentation that verifies personal malpractice insurance, current CPR status, current physical examination, immunization status (i.e., measles, mumps and rubella (MMR), tuberculosis (TB) testing, Hepatitis B), HIPAA and OSHA education verification and a Criminal Background Check must be submitted once students enroll in courses that include a practicum component. Additional requirements may be requested by the student-selected clinical or education-focused practicum facility sites.

**GRADUATION REQUIREMENTS**
1. Satisfactory completion of all course and clinical requirements (minimum grade of B); total of 36 credit hours with a 3.00 or higher cumulative grade point average.
2. 30 hours must be completed through Liberty University.
3. Course repeat policy applied to one course only. Students will have the option to repeat one course if they earn a grade of C. To successfully complete the program, students must earn a minimum grade of B for all graduate courses.
4. Students who receive more than one C are automatically dropped from the program. Any D grade results in dismissal from program without option to repeat course.
5. Degree must be completed within five years.
6. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

### PROGRAM SPECIFIC ADMISSION REQUIREMENTS

In addition to the general admission procedures, specific admission requirements for the Ed.S are listed below. The following items must be submitted to the Office of Graduate Admissions prior to registering for any graduate courses. Where noted, forms are available online at www.luonline.com.

1. **Graduate Status Record** (available online)
2. **Recommendations for Graduate Program.** This should be obtained from the one individual best qualified to answer questions concerning the applicant’s professional, technical, and personal qualifications for graduate studies in education. The form is available online.
3. **Academic Records.** Applicants must submit an official transcript indicating successful completion of a master’s degree program from an institution accredited by an accrediting agency recognized by the U.S. Department of Education. Transcripts should be sent directly to the Office of Graduate Admissions from all schools previously attended.
   - A master’s degree in education (or a related area) is required before enrolling in doctoral-level coursework.
• Applicants with a non-educational master’s degree may be required to complete M.Ed. core courses (up to 12 additional hours) before taking any Ed.S. coursework.
• Ed.S. applicants must have a cumulative GPA of 3.00 or above on graduate degree required for entrance to the program.

4. **Professional Vita.** Include degrees earned, educational experience, and career goals.

5. **Technology Questionnaire (available online).** Computer access and literacy in word processing, Internet, and e-mail are required for all graduate education students.

6. **The Test of English as a Foreign Language (TOEFL).** Liberty University is authorized under federal regulations to enroll non-immigrant alien students. Any person who is not a citizen or permanent resident of the United States and who desires to be admitted to the University must contact the Office of Admissions. Applicants must take the Test of English as a Foreign Language (TOEFL) if English is not their national language. An official score report must be forwarded to Liberty University before an admission decision will be made. The minimum acceptable score for admission is 600. Information regarding the TOEFL may be obtained from: Educational Testing Services; TOEFL Services; P.O. Box 6151; Princeton, NJ 08541, USA.

**TRANSFER OF CREDIT**

All graduate transfer credits are subject to the approval of the School of Education (SOE) Graduate Committee. Such courses must carry a grade of at least a B and be comparable to Liberty University graduate courses. Transfer credit will only be considered from institutions or schools accredited by an accrediting agency recognized by the U.S. Department of Education. With approval, up to six hours may be transferred into the Ed.S. program. It is the responsibility of each applicant to supply official transcripts along with a written request to have credit applied to the degree program. Transfer credits must have been completed within the previous five years. Courses from a completed degree will not be accepted as transfer (see exception below). Credit for life experience and for correspondence courses will not be awarded at the graduate level.

**GRADUATION REQUIREMENTS**

In addition to other regulations governing graduation, as stated in the Liberty University Catalog, Ed.S. graduates must:

1. Complete a minimum of 30 semester hours beyond the Master’s degree.
2. Complete a minimum of 24 semester hours through Liberty.
3. Maintain a 3.00 GPA to remain in the program, with no more than two C’s permitted in program courses. While all course grades are averaged in the GPA, course credit toward degree completion is not granted for a grade of D or F. A student may repeat one course in which a C or below was received with the most recent grade to be calculated in the GPA. Any additional use of the repeat policy for a repeated course must have the approval of the School of Education.
4. Certain additional requirements may be necessary depending upon the student’s academic background. Any and all contracts made between the SOE Graduate Committee and the student at the time of acceptance into the degree program must be satisfied before the degree will be awarded.

5. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

There are no on-campus residency requirements for the Ed.S. degree. However, students interested in pursuing the Ed.D. degree after completion of the Ed.S. should complete the residence course options, where available (EDUC 741 and 730 for the Teaching and Learning concentration and EDUC 741 and 747 for the Educational Leadership concentration). For students who choose the residence course options, EDUC 741 must be completed within the first year in the program with a minimum grade of “B”.

**TIME LIMITS FOR DEGREE COMPLETION**

The time limit for completing the degree from the date of admission to the program is five years. Only in unusual circumstances may the student be granted an extension. Granting an extension of time will usually result in additional requirements.

Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for admission. A student may reapply only once, and will be subject to the current standards and curriculum if readmitted. The SOE Graduate Committee will determine if any precious courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the student’s time limit for degree completion is determined by the number of hours remaining.

Adjunct Assistant Professor of Law
of Western civilization and the Western legal tradition. Liberty should be thoroughly acquainted with the great thinkers and shapers of the Christian intellectual tradition. We firmly believe an educated lawyer must be able to communicate effectively using the spoken word whether or not a litigation practice is an ultimate goal. Leaders in the legal profession know how to convincingly communicate with an audience. At Liberty, students focus on advocacy in many contexts and take part in demanding lawyering skills courses designed to develop oral communication skills.

An emphasis on teaching/mentoring. Liberty is a teaching law school. Members of the faculty are expected to display the highest degree of professional proficiency and scholarly research while prioritizing the teaching/mentoring role. Proficiency in teaching is the Liberty law professor’s first priority.

The particular goals of the faculty in designing and adopting the curriculum are to:

1. Equip future leaders in law. Inspiring students and preparing them to excel and lead in their profession.
2. With a superior legal education. Constructing and implementing an education characterized by excellence.
3. In fidelity to the Christian faith. Adhering to the perspective that shaped the Western legal tradition.

An emphasis on mastery of foundational legal subjects and skills. The objective of the School of Law is to equip and prepare students for success as legal professionals. Thus, there is an expectation by administration and faculty that students devote themselves with particular diligence to the subjects and skills identified as critical to professional excellence.

An emphasis on a rigorous and well-rounded intellectual life. Students are challenged intellectually at Liberty, not only with the technical aspects of law, but with a comprehensive and interdisciplinary approach to education and knowledge rooted in the Christian intellectual tradition. We firmly believe an educated lawyer should be thoroughly acquainted with the great thinkers and shapers of Western civilization and the Western legal tradition. Liberty University School of Law trains students to think analytically, a skill that can be developed properly only through an interdisciplinary approach to analyzing ideas.

An emphasis on understanding the significance of constitutional government with a special emphasis on the history and meaning of the United States Constitution and other foundational organic documents.

An emphasis on clear and persuasive writing. Liberty University School of Law is the only law school in the country requiring lawyering skills each semester of a student’s law school career. Liberty graduates must excel in writing—one of the lawyer’s most powerful skills.

An emphasis on influential oral advocacy skills. A lawyer must be able to communicate effectively using the spoken word whether or not a litigation practice is an ultimate goal. Leaders in the legal profession know how to convincingly communicate with an audience. At Liberty, students focus on advocacy in many contexts and take part in demanding lawyering skills courses designed to develop oral communication skills.

An emphasis on teaching/mentoring. Liberty is a teaching law school. Members of the faculty are expected to display the highest degree of professional proficiency and scholarly research while prioritizing the teaching/mentoring role. Proficiency in teaching is the Liberty law professor’s first priority.

On February 13, 2006, provisional approval was awarded. In March 2009, following the required two year provisional approval time frame, Liberty applied for full approval. CURRICULUM GOALS
The overarching goal of the faculty in designing and adopting the curriculum is to further the Mission of the School of Law, that is to “equip future leaders in law with a superior legal education in fidelity to the Christian faith expressed through the Holy Scriptures.”

The particular goals of the faculty in designing and adopting the curriculum are to:

1. Reflect the fundamental values upon which our legal system is based:
   a. that there is a corpus juris, a body of law, in which courses are related to one another as a logically consistent, comprehensive whole;
   b. that a government of laws is possible only where law reflects the truths that God has revealed to man and to which man is accountable; and
c. that the preservation of the rule of law requires skillful and committed legal practitioners who are much more than mere technicians.
2. Require courses that develop the body of knowledge, set of skills and professional values in which every lawyer must be grounded.
3. Offer a range of electives that allows students to gain an introduction to various areas of law or to develop particular areas of competence.
4. Prepare leaders for success in the two main phases of their professional lives, the study of law, and the practice of law.
5. Prepare students to pass bar examinations in the states of their choice.

PROGRAM LEARNING OUTCOMES
Graduates of the Juris Doctor program will be able to:
1. Demonstrate mastery of foundational legal subjects.
2. Demonstrate proficiency in written skills required for legal practice.
3. Demonstrate proficiency in oral advocacy and communication skills required for legal practice.
4. Critically analyze and resolve legal issues.
5. Demonstrate an understanding of the significance of constitutional government, including the U.S. Constitution and other foundational organic documents.

7. Critically analyze legal issues from a distinctively Christian worldview.

SCHOOL OF LAW DEGREE SEQUENCING
To pursue non-law courses in the dual degree programs during fall and spring semesters requires approval of the School of Law’s Registrar and the Associate Dean for Academic Affairs. A Liberty Law student is able to pursue the non-law courses in a dual degree during LU’s winter sessions and summer sessions.

First-year law students are not permitted to take non-JD courses. It is the purview of the administration to limit a dual-degree participant’s academic load while actively pursuing a J.D. if the current course load hinders the participant’s course of study in the J.D. For further questions about the sequencing of a dual degree program see the School of Law’s Registrar and the Associate Dean for Academic Affairs.

ADMISSIONS REQUIREMENTS
The dual degree programs are available for enrollment to students pursuing the J.D. program in the Liberty University School of Law or alumni of the LU School of Law. The applicant must apply to and be accepted by the appropriate Liberty University Graduate School entity having met all that school’s admission requirements for the non-J.D. degree. As each department will have a distinct set of admission requirements, consult the School of Law’s Registrar for details on specific criteria. The applicant makes application for a particular dual-degree through the School of Law’s Registrar.

PROGRAM COSTS
Current Liberty University School of Law students pay a flat fee for fall and spring semester classes. This currently includes non-J.D. courses taken in one of the dual-degree programs. Taking non-J.D. courses during a fall and/or spring semester requires approval from the School of Law’s Registrar and the Associate Dean for Academic Affairs.

Students enrolled in non-J.D. courses during the winter and/or summer terms will pay the tuition rate for the non-J.D. dual-degree program as published in the Expenses and Financial Policy section of this Catalog. Courses taken during the winter and/or summer terms are not covered by the School of Law tuition rate.

HISTORY
The history of Liberty Baptist Theological Seminary (LBTS) and Graduate School is part of the history of Thomas Road Baptist Church and is one of the schools established by this church. The other schools are Liberty Christian Academy, Willmington School of the Bible, and Liberty University. The Seminary is an outgrowth of the vision of Dr. Jerry Falwell, the founding pastor of the Thomas Road Baptist Church. Dr. Falwell believed in Christian education. He believed that one of the most effective means of winning millions to Christ is by training young men and women to serve the Lord in aggressive, evangelical, soul-winning Baptist churches as pastors, staff, and members. The University was founded to help achieve that goal.

Another need, however, still existed. Professional, graduate level training was needed for graduates of Liberty University and other colleges desiring graduate theological education as preparation for ministries in churches similar to Thomas Road Baptist Church.

Founded as Lynchburg Baptist Theological Seminary in September 1973, it began with an enrollment of 41 students with Dr. Jerry Falwell as President and Chancellor. Thirty-eight years later, Liberty Baptist Theological Seminary and Graduate School demonstrates that a seminary can be built on faith, dedication, and the blessings of God, from Whom comes Truth.

In 1975, the Seminary was given approval by the State Council of Higher Education for Virginia to grant graduate degrees. The Graduate School was established to provide graduate level education for entrance into academic circles for graduate work at the doctoral level. The Seminary and Graduate School are accredited by SACS.

Liberty Baptist Theological Seminary and Graduate School provides quality, well-rounded education, based on academic excellence, emanating from the belief that Christian education should be superior, not inferior, to that provided by other schools. The Seminary was founded upon the principle that a person’s most effective ministry will be in conjunction with a local church.

VISION
The vision of LBTS is to equip Christians to reach the entire world through aggressive New Testament church evangelism.

DISTINCTIVES
The Seminary and Graduate School is characterized by commitment to the fundamental doctrines of the faith and providing significant experiences to develop practical ministry skills.

Scholarship is of the most exacting type. Students are taught and are expected to produce at the graduate level.

Evangelism is a primary emphasis. Every faculty member and student is expected to manifest a concern for lost souls and to be a soul winner according to the gifts God has given him.

Church planting and church growth are major emphases at Liberty. Not only is church expansion a biblical mandate, it is a science at LBTS.

Practical learning-by-doing is a part of every student’s life. The Seminary trains students primarily for service in Baptist churches.

While the Graduate School retains these distinctives, its programs are more suitable for advanced continuing education or personal enrichment and are not designed for pastoral training.

The combination of the above emphases is what makes Liberty Baptist Theological Seminary and Graduate School unique.

The Mission of LBTS
Liberty Baptist Theological Seminary and Graduate School exists to come alongside the local church and help it fulfill the Great Commission. In accordance with the mission of Liberty University and within the historic Baptist tradition, Liberty Baptist Theological Seminary and Graduate School provides graduate and professional programs that train persons for traditional, Christian ministry positions. Together with the Graduate School (GS), LBTS offers programs designed to equip people for lay ministry, personal enrichment, church, mission and denominational leadership, and advanced scholarly research.

As a Christian community, LBTS and GS seeks to cultivate spiritual growth and faithful service to Christ and His church. As an academic community, LBTS and GS seeks to educate and impart knowledge and requisite skills to men and women for service and leadership in Christian ministry. As a service community, LBTS and GS seeks to respond to the needs of local churches and Christian ministries as they participate in worship, world-wide evangelism, discipleship and scholarship.

Program Goals and Objectives
In keeping with its stated mission, Liberty Baptist Theological Seminary and Graduate School strives to achieve the following institutional goals.

Personal Goals
COMMITMENT
We seek to provide an environment in which students are encouraged to strengthen their commitment to Christ, certify their call to service, and develop an abiding love for God and His Word.

LIFESTYLE
We seek to develop a lifestyle of actively communicating the Christian faith through personal integrity, evangelistic witness, and responsible scholarship.

SOCIAL RESPONSIBILITY
We seek to foster an awareness of the Christian’s responsibility to be a productive member of society and to be responsive to the needs and concerns of diverse cultures.

Academic Goals
KNOWLEDGE
We seek to develop cognitive skills for ministry and scholarship through rigorous interaction with the biblical text and disciplines related to professional vocation.

UNDERSTANDING
We seek to provide theological, historical, and intellectual understandings necessary for a self-conscious, critical, and Christian response to the world.

Vocational Goals
RELATIONSHIPS
We seek to develop communicative, administrative, and relational skills necessary for professional competence.

ETHICS
We seek to provide opportunities for students to explore the moral dimensions and ethical implications of their chosen vocation.
EVANGELISM
We seek to cultivate sensitivity to others and a concern for world evangelization through local church ministries and vigorous defense of the gospel.

CHURCH GROWTH
We seek to develop biblical and scientific expertise in establishing, developing, and sustaining growing churches and ministries.

Programs of Study
The programs of the Seminary are open equally to all men and women who meet the entrance requirements. Our purpose is to provide educational experiences for personal enrichment or professional training. We encourage the students to be all they can for God, and we are confident He will direct them to places of service. However, it is important for our students to know that we are a training agency not an ordaining agency. Ordination is the responsibility of a local church or, in some cases, a denominational body, each of which has its own criteria. Women need to be advised that few opportunities presently exist for ordination of women among Baptist churches and Liberty Baptist Theological Seminary supports the Baptist Faith and Message as amended by the Southern Baptist Convention of June 2000. There are a broad variety of positions on both ordination and staff employment for women who meet the entrance requirements. Korean Language Assistance Program (KLAP)
KLAP is a program designed to help Korean students who have a TOEFL score below 550 (PBT: Paper-based), 213 (CBT: Computer-based), or 80 (iBT: Internet-based), which is the score that the catalogue requires for those whose mother tongue is not English for admission to Liberty Baptist Theological Seminary (LBTS).

This program provides language assistants to the classes designated as KLAP courses so that they can help Korean students who need assistance in communication with the instructor on the lecture and course-related issues. Language assistants clarify and facilitate the communication within the framework of the KLAP courses, between the instructor and Korean students with a TOEFL score below 550, 213, or 80.

KLAP offers Theological English for Korean Students (THEK) courses for those students who need training in English in this program.

Students in KLAP (Korean Language Assistance Program) will be required to take all four THEK courses until they retake TOEFL and score at least 550, 213, or 80. Otherwise they will not be graduated in their major program in Seminary.

Center for Ministry Training
The Center for Ministry Training is an innovative, fully integrated training center; encompassing academic, social, and administrative functions and exists as a medium to provide services and space that meet the unique needs of Seminary and ministry students, all of which will enable adequate training, experience and placement possibilities.

SUPERVISED FIELD MINISTRY EXPERIENCE
The Center for Ministry Training provides opportunities that allow LBTS students to apply what they learn in the classroom to practical ministry.

All residential Seminary students enrolled in the Master of Arts in Religion (M.A.R.); Master of Religious Education (M.R.E.); Master of Divinity (M.Div.); Master of Theology (Th.M.); Master of Sacred Theology (S.T.M.); Master of Arts (M.A.); Master of Arts in Religious Studies (M.A.R.S.); and Master of Arts in Global Apologetics (M.A.G.A.) programs will be required each semester to successfully complete 40 hours of approved field ministry experience.

EVALUATION OF TRANSFER CREDITS
Credit toward the master’s-level Seminary degrees (excluding the Th.M. and S.T.M.) will be given for those courses taken at an institution in which a grade of C or better was earned and which are equivalent to courses offered at Liberty. Transfer credit into these Seminary programs is limited by the residency requirement of 30 semester hours. The Liberty Baptist Theological Seminary will accept no more than three courses of transfer which were completed more than ten years prior to application of transfer of credit. Transfer credit into the Th.M., S.T.M. and D.Min. programs is limited to six hours in which the student has received a grade of B or better.

Only courses and degrees from institutions accredited by accrediting agencies recognized by the Department of Education will be evaluated for transfer credit. (e.g., SACS, TRACS, ABHE, etc.).

Internship credit is not transferable.

SEMINARY ADVANCED STANDING
Students admitted with a strong religion/ministry undergraduate degree may petition the Seminary Dean for permission to substitute advanced electives for select foundational courses that are a significant duplication of course content covered in similar courses taken by the student at the undergraduate level.

INSTITUTIONAL CHALLENGE EXAMINATIONS (ICE)

Master of Arts in Ethnomusicology (M.A.)

PURPOSE
The Master of Arts in Ethnomusicology equips students to work in a diverse global society using the medium of music, including: foundational scholarship (history and theory), skill development (analysis and technology), performance of non-Western music, and practical application through field experience and independent research. The program at Liberty University fits well with the institution’s emphasis on intercultural studies and its stated aim to “contribute to a knowledge and understanding of other cultures”. Music is a universal form of expression in which cultures of the world capture the essence of their worldview, and it is the system of memory in which cultural history and religious belief is recorded. The Master of Arts in Ethnomusicology provides musicians, social scientists, and worship leaders, music educators, ministers of music and church leaders an understanding of ethnic music culture that facilitates the use of indigenous music in cross-cultural communication, ministry, and research.

Master of Arts in Religious Studies (M.A.)

PURPOSE
The Master of Arts in Religious Studies (MARS) is a residential-only program and is designed for persons desiring a graduate-level education for entrance into academic circles, as a basis for graduate work at the doctoral level, or to provide advanced study for personal enrichment in a specified area of research. For the pastor serving in a local church, these programs are suitable for advanced continuing education. However, they are not designed for pastoral training.

PROGRAM SPECIFIC ADMISSION REQUIREMENTS
In addition to the general admission procedures, the following regulations will govern admission into the M.A. in Religious Studies program:

1. Minimum cumulative undergraduate GPA of 3.00 on a scale of 4.00.

The College of Arts and Sciences offers the Doctor of Philosophy in Counseling degree with two specializations: Professional Counseling and Pastoral Care and Counseling. The Ph.D. in Counseling with the specialization in Pastoral Care and Counseling is offered in cooperation with Liberty Baptist Theological Seminary and Graduate School. Students in Liberty Baptist Theological Seminary and Graduate School are encouraged to consider this program as a possible doctorate following the completion of a Seminary masters degree.

See the College of Arts and Sciences section of this Catalog for more details concerning this program.

Doctor of Philosophy in Theology and Apologetics (Ph.D.)

PURPOSE

The Doctor of Philosophy degree in Theology and Apologetics will prepare professional scholars and Christian community leaders at the highest level of scholarship. Trained by a qualified academic faculty, graduates with the Ph.D. in Theology and Apologetics will be prepared to serve as faculty in academic institutions and as scholars and theologically and biblically informed leaders for the church and community. This is a 57 semester hour program: 48 hours of seminar work; six (6) hours for dissertation proposal and research; and three (3) hours for dissertation defense.

As with all programs of the Seminary and Graduate School the Ph.D. program will seek to provide an environment in which students in the context of open research and inquiry will be encouraged to strengthen their faith and certify their calling to service at the highest academic and professional levels. Students will be mentored within an academic environment that fosters an awareness of the Christian’s responsibility as a member of society who is responsive to the needs and concerns of diverse cultures and conflicting ideals.

The program is set within the context of a conservative evangelical academic community in which students are challenged to develop the cognitive skills requisite to a rigorous interaction with
biblical, theological, historical, and philosophical understandings necessary for a self-conscious, critical, and Christian response to the world. In this setting, students will have the opportunity to become part of a community of scholars in which they can develop the concomitant skills necessary for relational and professional competence. The Ph.D. will further encourage students to explore the moral and ethical dimensions of their chosen field of study. Moreover, the program is designed to inculcate sensitivity to others and a concern for world evangelization through a vigorous defense of the gospel and a lifestyle of personal integrity and responsible scholarship.

With its mix of traditional and non-traditional delivery formats, the Ph.D. is designed to attract and retain students who desire flexibility in their schedules, breadth of exposure, and professional training in theology and apologetics. The teaching options will attract a diverse and dedicated mix of faculty and students facilitating rich interaction between future academic professionals and church leaders. The cognates are designed to further meet the needs of persons seeking studies in biblical or historical studies.

PROGRAM LEARNING OUTCOMES
The following learning outcomes for the Doctor of Philosophy in Theology and Apologetics are expected. The student will be able to:

PROGRAM REQUIREMENTS
Language Requirements. In addition to the other factors relating to participation in the Ph.D. in Theology and Apologetics those pursuing a cognate must meet language requirements. Students must meet any language requirements prior to their second year in the program.

Active Enrollment. To maintain active enrollment, students must enroll in course work each semester.

Residency Requirement. Using an intensive model, students may come to the Liberty University campus or another designated location for a time of group study with a professor. A cohort model will be encouraged by requiring students to register each semester for classes through aggressive advising so that students who begin together will be directed to continue through the program together, meeting regularly and by connecting via the online learning facilities of Liberty University.

Distance Options. Liberty Baptist Theological Seminary and Graduate School proposes to offer Ph.D. courses using the modular format so that students who are living near the campus or who are living at a distance can meet the program requirements. Students will be required to be on campus to take campus-based modular courses, to take their comprehensive exams over a two-day period, and to defend their dissertations.

Financing the University

The Office of Development is designed to develop and foster lifelong relationships between the University and its constituents. By establishing opportunities for all graduates, friends, students, families, faculty, staff, corporations, and foundations to financially support the University, this office helps Liberty University maintain and enhance the outstanding quality of its faculty, students, programs, and facilities.

Provided below is an overview of ways to support Liberty University.

Development

Annual Fund, Outright Gifts, Matching Gifts, and Gifts in Kind

Annual gifts are contributions for the current, unrestricted use of the University or any of its colleges, schools, and programs. Outright gifts include contributions of cash, securities, and written pledges. Gifts of securities are credited at market value on the date the gift is delivered or postmarked. Matching gifts encourage charitable giving by matching their employees’ contributions. Gifts in kind are gifts of tangible personal property, such as artwork, computers, real estate, and services, which may be used by Liberty University or sold for funds to help support our continuing efforts to provide an outstanding Christian higher education. Gifts in kind may provide substantial tax benefits.

Specific information on the above plans may be obtained by contacting:

Mr. Tom Arnold
Vice President for Development
1971 University Blvd.
Lynchburg, VA 24502
(866) 602-7983

FEDERAL AND STATE FUNDING

Liberty University does not receive any Federal or State funding other than Student Financial Aid, which is utilized only for eligible individual students. Eligible students may receive funds from Federal Pell Grants, Federal Supplemental Education Opportunity Grants, Federal Work Study Grants, Federal Family Education (Stafford and PLUS) Loans, Virginia Tuition Assistance Grants, and Virginia College Scholarship Assistance Program Grants.

The University has never accepted Federal or State funds for its operations, endowment, or capital funding projects.

Planned Giving

Bequests

Federal tax laws encourage bequests to qualified institutions like Liberty University, with an unlimited estate tax deduction for such legacies. Here is a sample form of bequest your attorney may adapt in preparing your will:

I give, devise and bequeath to Liberty University, a Virginia non-stock, non-profit corporation located in Lynchburg, Virginia 24502, ___% of my estate to be used for its general purposes.

Gift Annuity Agreements

Those who want to place a portion of their savings with the University and at the same time receive a regular return for life may find that the Liberty University Charitable Gift Annuity meets their needs. The rate of return depends on the annuitant’s age at the time the agreement is made.

Life Insurance, IRAs, and Pension Plans

A paid-up life insurance policy makes an excellent gift to Liberty University, provided the family no longer needs this security. The donor may receive significant tax benefits with this type of gift. Traditional IRAs and other qualified pension plan assets can be an excellent source of funding for charitable gifts. If these assets are transferred to an individual, the current value is subject to estate taxes, as well as federal and state income taxes (sometimes exceeding 80% of the value), but when designated to Liberty University, taxes are eliminated.

Real Estate

Land, homes, buildings, and other real property may be given to Liberty University as an outright gift or used to fund a life-income gift. A home may be given to the University and continue to be lived in throughout an individual’s lifetime. All such gifts of real estate and real property can benefit both the individual and the University.

Scholarships/Endowments

Gifts can be placed as a permanent scholarship endowment with the University. Each year the interest earned from the investment will provide tuition help for worthy students. Only the interest earned each year from the principal will be used.

Trusts

Charitable Remainder Trusts (CRTs) are life income gifts. The remainder comes to the University after the passing of all income beneficiaries. Charitable Lead Trusts generate income for the University during the term of the trust, after which the assets are passed along to the heirs with significant tax savings.
