Message from the President

Liberty University, founded in 1971, is the largest private, nonprofit four-year college in the nation, the largest university in Virginia, and the largest Christian university in the world.

You have an opportunity to be part of this exciting university! We invite you to join our 13,000 students studying on our Lynchburg, Va., campus or more than 90,000 taking online courses from around the world — all training to be Champions for Christ.

Liberty now offers more than 300 unique programs of study. All of our courses are taught from a biblical worldview and designed in line with our mission to develop Christ-centered men and women with the values, knowledge, and skills essential to impact tomorrow’s world. Every faculty member is a professing Christian who believes that teaching is a calling, not just a job.

We are in the midst of rebuilding our campus and adding many state-of-the-art facilities to support our academic programs. Classrooms are equipped with cutting-edge technology to ensure that students are exposed to the latest advancements in their fields.

While a spiritual focus and quality academics remain our top priorities, Liberty also offers 20 NCAA Division I athletic teams, 32 club sport teams, and a large variety of student activities, intramural sports, and recreational opportunities that you will not find at any other Christian college.

I invite you to explore our courses and learn more about how Liberty can help prepare you for the career you have dreamed of, and one in which you can make a real difference in this world.

Jerry Falwell
President
Message from the Provost

Many adjectives might serve to describe Liberty in its fourth decade. To many we are huge and our story is exciting. People everywhere marvel at our rapid growth and our ascendance to a position of leadership in Christian higher education. The comprehensive rebuilding and refreshment of our school under the leadership of our President has produced a beautiful and functional campus beyond the dreams of our founder and those of us who came to serve alongside of him. Newly constructed, state-of-the-art educational facilities, attractive dorms, and an abundance of recreational facilities provide an unparalleled opportunity for students desiring a Christ-centered education to pursue their dreams in a context that is as modern and filled with opportunities as many of the finest state universities.

Liberty University students study and conduct research in the new Jerry Falwell Library with its state-of-the-art robotic retrieval system, abundant group study rooms, and outstanding print and electronic resources. Biology, chemistry, health sciences and pre-med students attend classes and conduct their research in our new 200,000 square foot science building with state-of-the-art labs and classrooms. Music students are challenged to the highest level of excellence as they study and perform in a new music and performing arts center that provides an atmosphere that helps to inspire their pursuit of excellence for the glory of God. Nursing, medical and engineering students study and learn in new facilities equipped with the most modern SIMS and labs and are fully prepared for graduate school, employment, and excellence in service as they take their next step. Liberty’s approach to cultural engagement has contributed to the development of academic programs connected to real life experiences in cinematic arts, theater, studio and digital arts, and a host of other degree programs that are offered through the newly expanded School of Communication and Creative Arts. The Center for Apologetics and Cultural Engagement teaches students how to engage culture and address the biblical, theological, and philosophical questions of today’s world from a distinctively Christian worldview.

World class facilities are important and necessary, but the most important resource contributing to Liberty’s expanding reputation for excellence is the Liberty faculty. Seventy percent of our faculty have earned doctoral degrees, many from the top schools in America and around the world. More importantly they share our President’s commitment to the creed that “If it’s Christian it ought to be better.” Liberty University faculty love their disciplines, love teaching and love their students. Liberty faculty are united in the belief that God has called them to serve Him in this place and that every student has been created by God, bears His image, and is gifted by God to serve a particular purpose in His world. Education at Liberty is a dynamic partnership in which the Creator God, the student, and the faculty are joined in the common resolve to acquire and demonstrate the knowledge, values and skills required for serving with excellence in their callings.

As I close these words of introduction, I want to point out another element that is at the heart of what makes Liberty unique in the world of higher education. Our resolve to create “Champions for Christ” is achievable because administration and faculty are committed to the ongoing preservation of an environment where the Holy Spirit has the freedom to work in our classrooms, in our uplifting convocations held at least twice a week, and in the conversations and service of Liberty students. As an academic community, we are united in the belief that through reliance upon the Spirit of God, obedience to the scriptures and the diligent pursuit of academic excellence, we are able to produce “Champions for Christ” to serve in our contemporary culture. I invite you to view this catalog and come and see what God is doing!

General Information

FOUNDED
1971

LOCATION
Liberty University is located in the heart of Virginia in Lynchburg (population 75,000) on the south banks of the historic James River with the scenic Blue Ridge Mountains as a backdrop. The city is over 200 years old and is noted for its culture, beauty, and educational advantages. Lynchburg is at the crossroads of U.S. highways 29 and 460 and has adequate transportation facilities by bus, railway, and air.

CAMPUS
Liberty’s campus is surrounded by beautiful mountain vistas and extends over 7,000 acres with over 300 buildings that consist of over five million square feet of building space including 215 classrooms.

TYPE
The University is a religiously-oriented, private, coeducational, comprehensive institution.

MOTTO
“Knowledge Aflame”

DISTINCTIVENESS
Liberty University was originally formed under the auspices of Thomas Road Baptist Church. Liberty is distinctive among Christian colleges because resident students use Thomas Road Baptist Church, other local church ministries, and community service groups as a laboratory for practical application of what they learn in the classroom. While this practice is not logistically or philosophically possible for students in the online programs, Liberty University Online uses its curriculum and advising to encourage spiritual, moral and ethical development in the student body.

SYMBOLS
The University Seal, a symbol of the administrative authority of the University, depicts Thomas Road Baptist Church aflame with the fire of the Gospel, against the background of an open Bible. The flame within the Seal depicts the motto, “Knowledge Aflame,” and evokes the University’s guiding philosophy—that knowledge has validity only when viewed in the light of Biblical Truth. The Seal’s octagonal border reflects the Jeffersonian architecture of the building which first housed the University.

The Mace is a symbol of administrative authority, a symbol of continuity as the institution pursues its enduring mission, and a witness of institutional heritage.

The Eagle symbol refers to the soaring spirit of achievement the University seeks to inspire in its students, and to the patriotic spirit of the University. The school colors are blue, red, and white. The school verse is II Corinthians 3:17, “...where the Spirit of the Lord is, there is liberty.”

The Eaglehead/Liberty University Logo is symbolic of the athletic teams of the University. The name for all male sports teams is “The Flames”; all female sports teams are referred to as “The Lady Flames.” The Flames Mascot is an eagle named “Sparky.”

DEGREES
Liberty University offers a wide variety of programs and specializations in residential and online formats. These degree programs include Associate, Bachelor’s, Master’s, Post-Masters and Doctoral degrees. Additionally, Liberty University Baptist Theological Seminary offers Graduate programs with a variety of specializations. At Liberty, you have the unique opportunity to study with world-class faculty in a distinctively Christian environment.

STATE CERTIFICATION

Liberty University is authorized to confer degrees by the Commonwealth of Virginia.

Pursuant to 23-276.1-12 of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) is responsible for developing procedures to which certain private and all out-of-state postsecondary institutions must adhere in order to receive approval to confer degrees, certificates, or diplomas in the Commonwealth of Virginia. Certain private institutions are exempt from the requirements of certification or approval by SCHEV.

Liberty University was incorporated in the State of Virginia on January 18, 1972. It has operated under the same ownership since that time and has remained in good standing with the U.S. Department of Education and its accrediting body. Liberty University is an exempt institution.

SCHEV has limited or no regulatory authority over institutions exempt from certification. Before enrolling in any institution in the Commonwealth of Virginia, students are encouraged to determine the schools regulatory relationship with SCHEV or other state regulatory agencies. Certain consumer protection provisions required by certified schools are not present at or required by exempt institutions.

The exemption entitles Liberty University to conduct academic affairs or business without seeking or obtaining SCHEV approval. The resulting scope of the institutional autonomy includes:

- Offering courses or programs for degree credit;
- Enrolling students in courses or programs;
- Conferring or awarding degrees;
- Initiating other programs for degree credit at a new or additional level; and
- Offering instruction at additional or new locations.

Additional information regarding exempt institutions is available at http://www.schev.virginia.gov/students/PrivateExempt.asp.

STATE AUTHORIZATION

Liberty University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Liberty University to offer field placement components for specific degree programs. The Council may be contacted for a list of currently authorized programs. Authorization by the Council does not carry with it endorsement by the Council of the institution or its programs. Any programs. Authorization by the Council does not carry with it endorsement by the Council of the institution or its programs. Liberty University maintains its Christian character but does not discriminate on the basis of religion, except to the extent that applicable law respects its right to act in furtherance of its religious objectives. The University will provide reasonable academic accommodations ((434) 582-2159 or AcademicAccommodations@liberty.edu) and reasonable physical access accommodations ((434) 592-4107 or casas@liberty.edu) to those with qualifying disabilities. The following persons have been designated to coordinate Liberty University’s compliance with certain anti-discrimination laws:

Doctrinal Position

We affirm our belief in one God, infinite Spirit, Creator, and Sustainer of all things, who exists eternally in three persons, God the Father, God the Son, and God the Holy Spirit. These three are one in essence but distinct in person and function.

We affirm that the Father is the first person of the Trinity. Eternally begotten from the Father, He is God. He was conceived by the virgin Mary through a miracle of the Holy Spirit. He lives forever as perfect God and perfect man, two distinct natures inseparably united in one person.

We affirm that the Holy Spirit is the third person of the Trinity, proceeding from the Father and the Son, and equal in deity. He is the giver of all life, active in the creating and ordering of the universe; He is the agent of inspiration and the new birth; He restrains sin and Satan; and He indwells and sanctifies all believers.

We affirm that all things were created by God. Angels were created as ministering agents, though some, under the leadership of Satan, fell from their sinless state to become agents of evil. The universe was created in six historical days and is continuously sustained by God; thus it both reflects His glory and reveals His truth. Human beings were directly created, not evolved, in the very image of God. As reasoning moral agents, they are responsible under God for understanding and governing themselves and the world.

We affirm that the Bible, both Old and New Testaments, though written by men, was supernaturally inspired by God so that all its words are the written true revelation of God; it is therefore inerrant in the original and authoritative in all matters. It is to be understood by all through the illumination of the Holy Spirit, its meaning determined by the historical, grammatical, and literary use of the author’s language, comparing Scripture with Scripture.

We affirm that Adam, the first man, willfully disobeyed God, bringing sin and death into the world. As a result, all persons are sinners from conception, which is evidenced in their willful acts of sin; and they are therefore subject to eternal punishment, under the just condemnation of a holy God.

We affirm that Jesus Christ offered Himself as a sacrifice by the appointment of the Father. He fulfilled the demands of God by His obedient life, died on the cross in full substitution and payment for the sins of all, was buried, and on the third day He arose physically and bodily from the dead. He ascended into heaven where He now intercedes for all believers.

We affirm that each person can be saved only through the work of Jesus Christ, through repentance of sin and by faith alone in Him as Savior. The believer is declared righteous, born again by the Holy Spirit, turned from sin, and assured of heaven.

We affirm that the Holy Spirit indwells all who are born again, conforming them to the likeness of Jesus Christ. This is a process completed only in Heaven. Every believer is responsible to live in obedience to the Word of God in separation from sin.
We affirm that a church is a local assembly of baptized believers, under the discipline of the Word of God and the lordship of Christ, organized to carry out the mission to evangelize, to teach, and to administer the ordinances of believer’s baptism and the Lord’s table. Its offices are pastors and deacons, and it is self-governing. It functions through the ministry of gifts given by the Holy Spirit to each believer.

We affirm that the return of Christ for all believers is imminent. It will be followed by seven years of great tribulation, and then the coming of Christ to establish His earthly kingdom for a thousand years. The unsaved will then be raised and judged according to their works and separated forever from God in hell. The saved, having been raised, will live forever in Heaven in fellowship with God.

Philosophy of Education

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which is summarized in the following propositions.

God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.

Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.

Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

Statement of Mission and Purpose

Maintaining the vision of the founder, Dr. Jerry Falwell, Liberty University develops Christ-centered men and women with the values, knowledge, and skills essential to impact the world.

Through its residential and online programs, services, facilities, and collaborations, the University educates men and women who will make important contributions to their workplaces and communities, follow their chosen vocations as callings to glorify God, and fulfill the Great Commission.

Liberty University will:

1. Emphasize excellence in teaching and learning.
2. Foster university-level competencies in communication, critical thinking, information literacy, and mathematics in all undergraduate programs
3. Ensure competency in scholarship, research, and professional communication in all graduate programs and undergraduate programs where appropriate.
4. Promote the synthesis of academic knowledge and Christian worldview in order that there might be a maturing of spiritual, intellectual, social and physical value-driven behavior.
5. Enable students to engage in a major field of study in career-focused disciplines built on a solid foundation in the liberal arts.
6. Promote an understanding of the Western tradition and the diverse elements of American cultural history, especially the importance of the individual in maintaining democratic and free market processes.
7. Contribute to a knowledge and understanding of other cultures and of international events.

8. Encourage a commitment to the Christian life, one of personal integrity, sensitivity to the needs of others, social responsibility and active communication of the Christian faith, and, as it is lived out, a life that leads people to Jesus Christ as the Lord of the universe and their own personal Savior.

Statement on Worldview

Liberty University embraces a worldview that is both historically Christian and biblical, and that underlies the very concept and origins of the university. We hold that God exists and is the source of all things, all truth, all knowledge, all value, and all wisdom. We hold that God has created an orderly universe according to His design and purpose and for His glory, and that He has created human beings in His image. God is actively at work in the world and history, governing them according to His ultimate purpose. From these foundational principles, it follows that truth exists and that there is a standard of right and wrong. We hold that all of creation is fallen as a result of human sin. Finally, we hold that God has revealed Himself and His ways in the natural created order, in history, in the Bible, and supremely in Jesus Christ. God in love and through the sacrificial work of Jesus Christ is redeeming humans and the entire created order.

At Liberty University, students receive an education that integrates this Christian and biblical worldview. Students trained with this worldview perspective will be equipped with a rational framework for understanding and interpreting reality, for comprehending the meaning of life and the value of humans and things, for making decisions and engaging in meaningful action, for studying the various academic disciplines, and for understanding the interconnectedness of all knowledge.

Statement of Student Rights and Responsibilities

STUDENT RIGHTS

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which logically implies the following statement of student rights.

The Right to TRUTH. God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.

The Right to HUMAN DIGNITY. Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.

The Right to GROWTH IN COMMUNITY. Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

STUDENT RESPONSIBILITIES

As members of the university community, all students have the responsibility to act in a manner consistent with the spirit of the principles articulated in Scripture. Furthermore, all students have the responsibility to know and follow the university conduct regulations contained in the Codes of Conduct appropriate for their academic level. By adhering to these principles and standards of conduct students can enjoy their own rights while also respecting the rights of others.
Introduction to the Campus

AIRPORT ACADEMIC CENTER
Located 3.4 miles south of Liberty University’s campus adjacent to the Lynchburg Regional Airport, the Airport Academic Center is home to the School of Aeronautics. The Airport Academic Center is comprised of three buildings. The 45,000 square foot Flight Operations Center is where all in-flight training is conducted and all training aircraft are hangared and maintained. The 24,000 square foot Aviation Academic Center is where all aviation related academic classes are taught and all Flight Training Device lessons are flown. Additionally, the first floor is used by the Aviation Maintenance Technician School to teach the general portion of the FAA Aviation Mechanics Certificate. The third building is the 15,000 square foot Airframe and Powerplant Building used by the Aviation Maintenance Technician School to teach FAA Airframe and Powerplant related academic and practical lessons leading to FAA licensure.

A. L. WILLIAMS STADIUM
The Flames play NCAA Division I-AA Football on the FieldTurf of Williams Stadium named in honor of Art and Angela Williams, special friends of Liberty University and Flames Athletics.

In January 2010, construction began to expand the original 12,000-seat stadium, built in 1989, to increase seating capacity to 19,200. Completed for the beginning of the 2010 season, the expansion included a five-story football tower featuring a fourth-floor luxury suite concourse and a third-floor club pavilion. The Club Pavilion features an 11,000 square-foot hospitality room and outdoor club seating for 770. The new tower houses the Athletics Administrative offices and includes expanded concessions and restrooms, academic center, and media terrace. The tower stands 100-feet tall, and stretches from five-yard line to five-yard line, and is serviced by two elevator shafts.

The A. L. Williams Football Operations Center (FOC) was completed in August 2006. The three-story, 48,000-square foot building is located in the North End Zone at Williams Stadium.

The Football Operations Center houses specially-designed weight training equipment in a spacious weight and conditioning area, team locker room, academic lab, equipment room and a cutting-edge athletic training facility.

The top floor of the FOC houses coaching staff and administrative offices, numerous video and conference rooms and a uniquely-designed viewing room that overlooks the North end zone.

ARTHUR S. DEMOSS LEARNING CENTER
The four-story Arthur S. DeMoss Learning Center was originally constructed as a one-story building in 1985. The building is named for Art DeMoss, a former board member and generous benefactor of Liberty University. This facility was constructed to provide for the long-range needs of the campus. It is the focal point of the campus with nearly 500,000 square feet of academic space.

A wall of names on the first floor of the DeMoss Learning Center honors more than 5,000 donors who supported the expansion of DeMoss to the four-story building, completed in 2000.

In June 2008, a fountain standing 19 feet tall and made of hand-carved marble from Italy was completed. The fountain was installed in honor of those donors who supported the expansion of DeMoss. Donors’ names will be added to the fountain which features three columns with water cascading from the tops of each. A cast-bronze eagle, Liberty’s mascot, perches atop the tallest column.

CAMP HYDAWAY
Scheduled to open fall 2013, the newly renovated Camp Hydaway on Liberty Mountain features a high and low ropes course, a zipline, new beach access for swimming, as well as, outdoor equipment rentals. Students will be able to check out items such as, canoes, kayaks, mountain bikes, ATV’s, and fishing and camping gear.

The facility will have room for group meetings and events. The Student Activities department will host multiple Outdoor Recreational events throughout the school year.

CENTER FOR CREATION STUDIES
Established in 1985, the Center for Creation Studies is an interdisciplinary education and research institute committed to the study of the origin of the universe, the earth, life, and species. This study draws upon knowledge from religion, science, philosophy, and history.

The Creation Hall Museum was dedicated in March 2010, to coincide with the 25th anniversary of Liberty’s Center for Creation Studies. Located in the back hallway of the Arthur S. DeMoss Learning Center, the Creation Hall Museum displays relics of fossils and some of the evidences for Biblical Creation.

CENTER FOR JUDAIC STUDIES
Located in DeMoss Learning Center, the Center for Judaic Studies opened in August 2008. The Executive Director of the Center, Dr. Randall Price, was invited in 2007, by Liberty’s Founder and Chancellor, the late Dr. Jerry Falwell, to establish the Center. Dr. Falwell’s vision was to continue the recognition that Israel and the Jewish people were part of God’s future program and that the Christian response to this in the spiritual and political realm was essential to God’s present blessing.

The Center houses a dedicated library of primary, secondary, and periodical sources to serve the specialized needs of students and researchers in the fields of Jewish studies and biblical archaeology.

CENTER FOR MEDICAL AND HEALTH SCIENCES
Completed in spring 2014, this 140,000-square foot, four-story facility will house the College of Osteopathic Medicine and the School of Health Sciences’ Master of Public Health Program and administrative offices. This facility includes a comprehensive medical clinic, extensive resource center and library, research center with multiple labs, and state-of-the art simulation and standardized patient education facility. The first class of osteopathic medicine students will matriculate in fall 2014.

CLARKSON CLUBHOUSE
Completed in fall 2014, this 1,200-square foot building serves as the coaching center for the golf team. It features coaching staff office space, player locker rooms and lounges, meeting rooms and a picturesque grand lobby that overlooks the Flames’ driving range and putting greens.

COMMUNITY GARDEN
Located on Sunnymeade Road, a 15-acre community garden with two greenhouses was presented as an idea in spring 2012 and came to fruition in spring 2013. Half of the crop will be used by cafeteria and the other half will be donated to local charities.
COOK TENNIS CENTER
Opened in August 2011, the Cook Tennis Center is located adjacent to the 12 NCAA-regulation championship Hershey-Esbenshade Tennis Courts which were built in 2009. The 2,500-square foot building houses two locker rooms, training and laundry rooms, a stringing room, four offices for coaches, a kitchen area, team room and a balcony that overlooks the tennis courts.

The lead gift for the Cook Tennis Center was provided by longtime University and Athletics supporters Sherwin and Lora Cook.

DAVID’S PLACE
David’s Place is dedicated to the memory of David A. DeMoss, a gentle and loving young man who died tragically in an automobile accident in January 1988. Formerly Campus East Clubhouse, David’s Place provides students with a variety of activities that include a movie theater, heated outdoor pool and deck, computer lab and printing station, video games, flat screen televisions, foosball table and soft seating.

DISC GOLF COURSE
Located at East Campus, an 18-hole disc golf course opened during the spring of 2010.

DOC’S DINER
Doc’s Diner, constructed in 2008, overlooks Jerry Falwell Parkway (Route 460) on East Campus. Named in honor of Dr. Jerry Falwell, it is the newest campus dining facility. Expected to be a favorite among students, faculty and staff, Doc’s Diner is also open to the general public. The menu offers classic diner specialties and a 1940s era atmosphere that is both comfortable and fun.

EAST ATHLETIC COMPLEX
Constructed in late 2011, this facility serves as the home for the Lady Flames Lacrosse and Field Hockey teams, Men’s Volleyball and Club Sports offices, as well as an intramural facility. All three playing surfaces for field hockey, lacrosse, and intramural fields feature state of the art Shaw Sportexe® turf systems. The adjacent 12,735 square foot structure houses team and training rooms as well as lockers for athletes, visiting teams, and officials.

EAST CAMPUS VOLLEYBALL FACILITY
During the spring of 2007, the Liberty volleyball program was given a secondary practice facility. The East Campus Volleyball Facility houses the volleyball coaches’ offices, a team room, and a gymnasium for practice whenever the Vines Center or Schilling Center is unavailable.

ELMER L. TOWNS RELIGION HALL
In 2008, the building housing the B. R. Lakin School of Religion was renovated and renamed the Elmer L. Towns Religion Hall. Dr. Towns is the co-founder of Liberty University and Dean of the School of Religion Liberty Baptist Theological Seminary. The central focus of the renovation is the addition of the Towns-Alumni Lecture Hall, a 750-seat lecture hall featuring sloped floors, cushioned chairs and state-of-the-art lighting and acoustics, along with the addition of a columned main entrance. This building houses the Center for Youth Ministry and the Center for Global Ministries.

B. R. Lakin was often referred to as “my pastor” by Dr. Jerry Falwell. A display case with artifacts such as Dr. Lakin’s saddlebags and Bible from his circuit riding preacher days is a place of reflection for the students.

EQUESTRIAN CENTER
Established in fall 2011, the Equestrian Center provides students and staff with the opportunity to take part in recreational horse activities, trail rides and the boarding of personal horses. Boarders of all disciplines, breeds and experience levels are welcome.

Located off Lone Jack Road on Liberty University's trail system, the facility includes a barn with eight 12x12 foot rubber matted stalls with private runs, grooming stalls, indoor wash rack with hot and cold water, outdoor wash rack, heated office/student lounge, tack room, feed room, utility room with washer and dryer, and men's and women's restrooms, 30-plus acres of small and large turnout pastures with run in sheds. Also included is a 160x300 foot outdoor arena with sand footing, jumps, cavalettes, ground poles, dressage ring, barrels, and poles, etc.

In spring 2013, the Astronomical Observatory located on Liberty Mountain at the Equestrian Center opened to students. The observatory offers a majestic, clear view of the sky and is equipped with a roll-off roof room with several Celestron CPC 800 8-inch Schmidt-Cassegrain telescopes. The observatory features an RC Optical Systems 20-inch Truss Ritchey-Chrétien telescope, which is a high-quality research telescope equipped with a charge-coupled device camera for exceptional photographs.

GRAND LOBBY
The Grand Lobby of DeMoss Learning Center was completed in Fall 2003. It encompasses 3,600 square feet of floor space and rises 45 feet to a ceiling heightened by four skylights and a magnificent custom designed chandelier featuring Liberty eagle and flame emblems. Grand staircases on either side of the Lobby ascend to a balcony overlooking the main floor. A brass, inlaid Liberty University Seal adorns the center of the main floor and II Corinthians 3:17, the University verse is displayed in brass on the balcony.

MARIE F. GREEN HALL
Originally known as Campus North, the Marie F. Green Hall houses the University Chancellor’s Office, administrative offices, the Graduate School, Admissions Offices, Student Services (Student Accounts, Financial Aid, and Registrar’s Office), Center for Academic Support and Advising Services, Career Center, Bruckner Learning Center, Center for Writing and Languages, Student Affairs, the Office of Christian/Community Service, LaHaye Student Union, Tilley Student Center, Tolsma Indoor Track, the Tower Theater, Cinematic Arts--Zaki Gordon Center, Math Emporium, Post Office, Centra Health Services, Spiritual Life offices, School of Law, and Liberty University Online.

HANCOCK WELCOME CENTER
Completed in May 2012, the Hancock Welcome Center is a three-story 32,000-square foot facility which feature an impressive atrium, a large boardroom, a theatre, lounges, a banquet hall, several smaller counseling rooms, and a back patio offering a view of the Blue Ridge Mountains. It is located across from the bookstore and Williams Stadium and near the Carter-Glass Mansion and the gravesite of Liberty founder Jerry Falwell, Sr.

The Visitors Center provides prospective students and their families with the resources for campus visits as well as student-led tours. It is equipped with the latest technology, such as touchscreen monitors and interactive photo centers to enhance the visitor experience. To view campus maps, take a digital tour of campus, or schedule a visit, access the Visitors Center online at http://www.liberty.edu/admissions/visitorcenter.
HEALTH SERVICES
Liberty University Health Services is provided by the Centra Medical Group. It provides quality medical care to the University community, assisting students, staff and faculty in maintaining and optimizing their health. It is located in Green Hall near the LaHaye Student Union and the University Post Office.

IVY LAKE
Located in Bedford County, Virginia, Ivy Lake is a 112-acre lake located 15 minutes from the Liberty Campus. In 2010, the lakefront area was renovated to provide a quality beach-front area for students and locals to enjoy. A facility to store the boats used for the Crew club team was also constructed in 2010.

JERRY FALWELL LIBRARY
The Jerry Falwell Library, completed in fall 2013, is a four-story, 170,000 square-foot structure, providing the latest in technology, resources, services, and amenities for students, faculty, and staff.

The Jerry Falwell Library is the focal point of academic life at Liberty. Strategically located in the center of campus, the library supports instruction, research, productivity, community-building, individual and group study, and other activities relevant to the University’s mission. During a visit to the library, students can use computers to conduct online research or do homework; study alone or work on a group project; retrieve books and other library materials; and seek assistance from skilled library and computing staff.

The Jerry Falwell Library collects and organizes resources across a wide range of media, including books, periodicals, audio-visual resources in various formats, musical scores, curriculum, and archival materials. Its physical collections consist of approximately 368,000 volume equivalents and 638 current periodical subscriptions. Digital information resources provided by the library include over 250,000 electronic items and content from more than 75,000 unique full-text journals. The library provides access to more than 400 online research resources.

The computing resources within the library consist of 160 computers housed in a computer learning commons and at stand-up stations throughout the facility. With the exception of machines reserved for library catalog searching, all library computers are pre-loaded with a variety of software titles available for student use, including Microsoft® Office, Adobe® Creative® Suite, Mathematica, and SPSS.

All library computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer users to access the full array of network resources.

JERRY FALWELL MEMORIAL GARDEN
In May 2007, Dr. Jerry Falwell, “Godly Father, Husband, Grandfather, Pastor, Christian Educator,” as well as Co-founder, President, and Chancellor of Liberty University, went home to be with the Lord. Located in front of Montview, the Carter Glass Mansion, the oval-shaped burial garden contains an eternal flame, a fountain and sidewalks that lead to Dr. Falwell’s grave. Also located in the garden, are benches where students can study or reflect, and where visitors, who want to visit the site, can pause to reflect on the life and legacy of Dr. Falwell.

JERRY FALWELL MUSEUM
Adjacent to the Grand Lobby is the Jerry Falwell Museum, presented and dedicated to Dr. Falwell at his seventieth birthday celebration. This museum was created to preserve and highlight the life and ministry of Liberty’s Founder/Chancellor/President. The Museum contains the history of the Falwell family and includes displays and historical documents chronicling each of the ministries.

LAHAYE ICE CENTER
The LaHaye Ice Center opened in December 2005. The state-of-the-art facility is used by the Liberty University hockey team, students, and the public. Upgrades to the Ice Center in 2008 include a Chancellor’s suite and two business suites, a conference room donated by Pete and Cindy Chamberland, and a new public locker room. This facility is named in honor of Tim and Beverly LaHaye, generous supporters and members of the Liberty University Board of Trustees.

LAHAYE STUDENT UNION
The LaHaye Student Union opened in November 2004. This state-of-the-art facility houses an intercollegiate-size swimming pool, five basketball courts, fitness center, locker rooms, a food court, lounge areas, meeting rooms, and offices. This facility is named in honor of Tim and Beverly LaHaye, generous supporters and members of the Board of Trustees.

The Multi-Purpose Center, originally constructed in 1979, was named the Earl H. Schilling Center in 1995 in honor of Earl and Anne Schilling, long-time donors to the ministry who established a multi-million dollar trust to provide scholarships for training pastors, missionaries, evangelists, and full-time Christian workers. The Schilling Center was relocated to the LaHaye Student Union in August 2012, and is used for physical education classes, and additional basketball.

The Tilley Student Center opened in September 2008. Adjacent to the LaHaye Student Union, the Student Center provides additional space for student social interaction and activities. The coffeehouse-style setting has a stage for musical performances, televisions, wireless access, comfortable seating and tables as well as a coffee bar. The Student Center was made possible in part by a donation from Thomas and Iris Tilley, long-time supporters of Liberty University and the parents of Becki Falwell, wife of the Chancellor.

The Thomas Indoor Soccer Center opened in May 2009. The Thomas Center is comprised of two turf fields partially surrounded by transparent walls and netting. The facility also features a spectator section, multiple televisions and wireless capability.

LIBERTY MOUNTAIN CONFERENCE CENTER
Located adjacent to Green Hall, the Liberty Mountain Conference Center held its grand opening in June 2011. This facility is more than 13,000-square feet, has a maximum occupancy of 400, and consists of two 125-seat rooms and six 24-seat rooms. The facility is Wi-Fi enabled and each room has monitor projection systems.

LIBERTY MOUNTAIN INTRAMURAL SPORTS COMPLEX
The newest recreational facility was completed on East Campus in fall 2012. It consists of four distinct areas. A 220,000 square foot, multi-purpose turf area is home to flag football, softball and ultimate Frisbee. A natural grass, recreational softball field sits next to the turf area. Due to the enormous popularity of the sand volleyball courts built in spring semester 2012, four additional courts were added to make a total of eight courts at Liberty University.

Also part of the complex is a sand training area known as “The Patch,” a large sand pit and training course similar to those used by Navy SEALs at the Naval Special Warfare Center in Coronado, CA.
LIBERTY MOUNTAIN SNOWFLEX® CENTRE

Snowflex® is a multi-layer, synthetic material that uses small misting devices to provide moisture that simulates the slip and grip effects of real snow, allowing maximum speed and edge control for making turns. The Liberty Mountain Snowflex Centre, opened in August 2009, consists of two main distinct ski runs. This includes a beginner slope, intermediate slope, advanced slope, terrain park, a 260-foot tubing run, and gravity park for air awareness training. The 550-foot terrain run has three jumps with a quarter pipe at the bottom, and a 550-foot ski slope with multiple rail features for all levels.

The Barrick-Falwell Ski Lodge, incorporates the look and feel of a mountain chalet complete with a wildlife trophy collection donated by Dr. Al Barrick, houses the ticketing and rental area on the lower level. Visitors can enjoy concessions and a scenic view of the ski slope and campus from the second level. The Liberty Mountain Snowflex Centre is open year-round for University and public access.

LIBERTY UNIVERSITY BASEBALL STADIUM

Opened in February 2013, the Liberty Baseball Stadium has chair back seating for 2,500 spectators, with additional seating available on grass areas down each line. The complex features two suites, a club room, a spectator picnic area with a playground and firepit, and a modern media area. The stadium’s media space accommodates up to 40 media members, with a 24-seat press box, a television booth, visitor and home radio booths, an operations suite, and storage.

The facility has a turf playing surface, along with full-length, major-league type dugouts, and areas for concessions and ticketing. When completed, the complex will become the operations center for Liberty baseball, housing the program’s offices and team room overlooking the playing field. Four indoor batting tunnels and a weight room will also be included.

LIBERTY UNIVERSITY BOOKSTORE

Completed in May 2009, Barnes and Noble opened a free-standing campus bookstore located adjacent to Williams Stadium on University Blvd.

LIBERTY UNIVERSITY MONOGRAM

Placed high on the side of Liberty Mountain, beckoning students, alumni, and visitors to Lynchburg and Liberty University is a new landmark, the Liberty University Monogram. The monogram covers three acres, and was made using over two hundred tons of stone, white gabion and red brick chips. Twelve hundred plants are strategically placed to make up the letters. Directly above the Monogram, on top of the mountain, sits a white gazebo that offers magnificent views of the city and surrounding areas, and a place to rest after hiking, biking or running on the thirty miles of trails that cover the mountain.

LIBERTY UNIVERSITY RESIDENTIAL ANNEX

Located off Route 29 on Odd Fellows Road, two former hotel properties comprise the Liberty University Residential Annex. The Residential Annex houses students, provides conference center space for Liberty University Online intensive courses, and houses the Department of Ministry Teams. Food options available at the Residential Annex include Crave Café and the Hill City Bistro. The facility is serviced by a dedicated bus route throughout the academic year.

LUURTSEMA CENTER

Completed in August 2010, this 5,000 square foot, two-floor center was named after William and Wanda Luurtsema, who provided a generous donation to the project. The building includes offices for the men’s and women’s soccer, track and field, swimming, and lacrosse programs. In addition to offices, the building also contains four locker rooms, a training room, a laundry area and team rooms.

The Liberty Women’s Soccer locker room was provided by a generous donation from the Tyson family, relatives of former Liberty women’s soccer player Brittany Tyson.

MATTHES–HOPKINS OUTDOOR TRACK COMPLEX

In 1989, a first-rate outdoor track was completed in honor of Jake Matthews, Liberty’s first track coach, and Ron Hopkins, the first women’s track coach. The facility includes an eight-lane, 400 meter polyurethane track as well as four long jump/triple jump pits, three pole vault runways, a high jump runway, two javelin runways, two shot put rings and a hammer/discus cage.

Expanded and renovated in fall 2009, the soccer and outdoor track and field facility was named Osborne Stadium for Liberty alumni, Richard and Karin Osborne, who gave the lead donation for the complex project. Improvements to the facility include 1,000 chair back seats, press box, 5,000 square-foot Soccer and Track Operations Center, scoreboard, and brick and wrought iron fencing.

“MONTVIEW” CARTER GLASS MANSION

Montview Mansion, listed on the National Register of Historic Places in 1987, is one of two original buildings still remaining on the campus, and overlooks a beautiful view of the Blue Ridge Mountains. Built in 1923, it is also known as the Carter-Glass Mansion, the home of Senator Carter Glass, Secretary of the Treasury under Woodrow Wilson, and his wife.

Following the passing of Dr. Jerry Falwell, Montview was restored to how it might have looked during the 1920s – 1940s. Dr. Falwell’s Chancellor’s Office has been left exactly as it was the day he passed away. Visitors can also see his conference room which serves as a small museum illustrating the life of Dr. Falwell.

The Senator’s home office has been restored and the upstairs bedrooms each with its own bath have been restored. Additional first floor rooms are used for receptions, meetings and luncheons.

In Fall 2009, a marble mantle that was in the U.S. Capitol, and which was also in the Carter-Glass Mansion in the 1920s was returned to Montview. It is now at home in the Mansion's dining room.

Montview Mansion is open to the public and tours are given daily from 8:00 AM to 5:00 PM and by appointment on the weekends. Tours can be scheduled by calling 434-582-7678.

PAINTBALL BATTLEFIELD

Located at East Campus, the complex consists of two fields with a retractable netting system made with a protective mesh.

PERFORMING ARTS HALL

As part of the center quad of classroom buildings, the Performing Arts Hall serves the music needs of the University. Several practice rooms, and a recital hall for student and faculty performances are in this building. In 2010, the Lloyd Auditorium was renovated for use by the Liberty University Marching Band.

Many hours of practice take place in the band room for both vocal and instrumental ensembles. The award-winning Spirit of the Mountain Marching Band has performed before nationally televised audiences, which include an NFL football game and the Macy’s Thanksgiving Day Parade.

An annex of the Performing Arts Hall is the Telecommunications wing which houses our campus radio station (WWMC-The Light, C91) and the Rhodes TV studio.
R. C. WORLEY PRAYER CHAPEL

The R. C. Worley Prayer Chapel was built in 1981 and named in memory of Mr. Worley, a great prayer warrior, soul winner, and member of Thomas Road Baptist Church. Known for his humility, Mr. Worley often said, “I am just a clay vessel that God uses.”

A Liberty University landmark, the chapel is used daily and serves as a quiet place for prayer, ministry meetings and small weddings.

REBER–THOMAS DINING HALL

Renovations in 2007 and 2008, have significantly improved this building originally constructed more than 15 years ago. Students enjoy meals in this “totally renovated, state-of-the-art student restaurant” that has a stunning design and edgy style with track lighting, booths, benches, new flooring and a new atrium. It features favorite cuisines including, Italian and Mexican items as well as a salads for the health-conscious individual, and home-style meals just like “mom used to make”. This building includes an Executive Dining Room for administrative and faculty functions. In 2011, a wing for catering and expanded food storage was added. Bistro ‘71, a grab-and-go location was also added adjacent to the dining hall.

RIVER RIDGE FACILITY

Acquired in 2013, the River Ridge Facility was formerly the Sears building in the River Ridge Mall. The 112,000 square-foot building, with 700 parking spaces, will be used in the short term to house Liberty’s non-academic departments, such as: Liberty University Online Call Center, Financial Aid Call Center, Resident Enrollment, ROTC Indoor Drill Field, and some Information Technology departments, freeing up space for several academic departments to relocate while buildings are demolished and new facilities are built.

SCIENCE HALL

The Science Hall was the first building erected on Liberty Mountain in 1977. As connoted by its name, the Science Hall houses science classrooms and labs for biology, chemistry, family and consumer sciences, physical science, and physics.

THE SPORTS RACKET

Donated to Liberty University in March 2011 by the Cook family, The Sports Racket gives Liberty top-notch facilities for both indoor and outdoor play just 15 minutes from campus. Located at 118 Davis Cup Road in Lynchburg, the facility has five indoor tennis courts, five racquetball courts, five outdoor tennis courts, a gym with several treadmills and weight equipment. The facility is home to the Liberty University Racquetball Team Club.

(OLD) THOMAS ROAD BAPTIST CHURCH

In 2012, Liberty University purchased the site of the former Thomas Road Baptist Church (TRBC), the original birthplace of Liberty University. Liberty University Baptist Theological Seminary and the Center for Counseling and Family Studies have been temporarily relocated to this site during campus construction projects. The Center for Curriculum Development is also located at this site. Renovations are currently taking place, including restoring four areas once used as sanctuaries, to their original state.

TOLLSMA INDOOR TRACK AND CONFERENCE CENTER

The Tolsma Indoor Track and Conference Center is located in Green Hall. The Center features a flat 200-meter Mondo surface. It has a wide radius, a four-lane oval and an eight-lane, 60-meter straightaway. Located inside of the complex are two long/triple jump runways, a pole vault runway and a high jump apron, with all the apparatus being permanent and having a Mondo surface. The FinishLynx timing system greatly increases the ability to host high level meets at the facility. The Center will also serve as a conference and convention center.

TOWER THEATER

Located in Green Hall, the Tower Theater was completed in July 2010. This contemporary-style 640-seat theater consists of balcony seating, an orchestra pit, catwalks, a fly tower, a box office and 12,000 square feet of support area that includes dressing rooms, a practice room, offices, costume shop, prop room and woodworking and scene shops.

VINES CENTER

Built in 1990, this 8,500-seat, silver-domed Lynchburg landmark, also known as “The Furnace,” became the home of the Flames basketball teams. It is also the location of weekly convocation services, and several large conference and concert events each year.

In 2012, a new center-hung video scoreboard was installed. The four-sided board contains four LED high-definition video displays, each approximately 9 feet high and 16 feet wide.

VINES PRACTICE FACILITY

A new men’s and women’s Basketball Practice Facility was completed in spring 2013. Located behind the Vines Center, this facility features three courts and sixteen goals.

WRVL VICTORY FM (88.3)

Located in the Liberty University Candler’s Mountain Shopping Center is the Radio Voice of Liberty, WRVL, a non-commercial broadcast radio station. WRVL airs the Flames Sport Network, local weather, music, and top Christian radio programs.

WTLU – THE LIBERTY CHANNEL

The Liberty channel was born as an extension of WTLU in Lynchburg, Virginia. This 24/7 commercial station broadcasts from the campus of Liberty University and has served viewers in Central Virginia since 1991.

WWMC – THE LIGHT (90.9 FM)

WWMC is a top 40 Christian, student-operated music station on the campus of Liberty University. The Light broadcasts 24 hours a day and is an affiliate of Christian Hit Radio. In addition to music programming the Light also broadcasts news and sports, including Liberty University Athletics.

LIBERTY UNIVERSITY ONLINE

Liberty University Online

MISSION
The mission of Liberty University Online is to provide Liberty University courses and programs through non-traditional delivery systems. While Liberty University Online and residential course offerings may differ due to distinctions in student profiles and methodologies of instruction, the residential and Liberty University Online courses and programs are comparable in range, goals and purpose.

HISTORY
Founded in 1985, as the Liberty University School of Lifelong Learning (LUSLL), the distance learning program was designed to bring an accredited University program to non-traditional learners at home, military personnel, and Christian school teachers seeking certification from the Association of Christian Schools International (ACSI). The courses were adapted from those offered on the University campus and the initial programs offered were the A.A. in Religion, B.S. in Church Ministries, and M.A. in Counseling.

The initial goal to provide quality Christian education to students around the world has remained intact. Currently, Liberty University Online services over 90,000 students across the globe in degree programs ranging from certificate programs, diploma programs in Biblical Studies to doctoral programs in Business, Counseling, Education and the Seminary.

Using innovative methods, students can take classes without having to relocate. The same quality courses that are offered on the Lynchburg campus are made available to our Liberty University Online students in the convenience of their own homes. Courses are also offered in an intensive format a number of times throughout the year.

INSTRUCTIONAL DELIVERY METHODS
Liberty University Online offers its courses through several delivery methods. The University has adopted Blackboard®, an online software platform, as its primary delivery method. Students can access individual lessons, have interaction with other students taking the same course, utilize links to online resources, view supplemental streaming video clips, and receive direct feedback from their professors using this innovative means of delivery. Students may also be required to purchase video tapes or DVDs for select courses. Video, printed, and online learning tools help ensure that students have a learning opportunity available to them that equals or surpasses the traditional classroom model.

STRUCTURE
Currently, Liberty University Online offers courses in an eight-week format with multiple entry dates throughout the year (see academic calendar). Some courses are offered in a 14- to 17-week format (with one entry date per semester) in which students may enroll at the beginning of each term. Students will need to show consistent progress throughout their coursework in order to maintain good academic standing. Liberty provides students with tools for success. However, students must manage their time and resources to take advantage of these tools.

DEGREE PROGRAM FORMAT
With the online delivery format [distance education] courses in a program are delivered in a virtual classroom experience that is flexible, personal and challenging. Through the online format a student can earn a degree entirely online. Some programs require that a minimum number of courses be taken face-to-face on campus.

TESTING
Liberty University Online students take timed tests online and receive immediate feedback and test results. Essay exams and papers are also submitted online, graded by the course instructor and returned to the student. Portions of assigned work are used to facilitate student-to-student interaction. The interaction is often included as an element in student grading.

COURSE MATERIALS
Students are strongly encouraged to purchase all course materials from MBS Direct. Purchases can be made online by accessing the web page at http://www.mbsdirect.net/liberty or by calling 1-800-325-3252. Students should purchase materials after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

Course materials may be charged to the student’s account by means of the online book voucher system, if the student has a credit on their student account. Tuition does not cover the cost of course materials.

BASIC REGULATIONS
The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. No one will become spiritual merely by observing rules; nonetheless, the spiritual student will desire to abide by the rules, regulations, and policies. The student who is not prepared to accept instruction will never be prepared to give instruction. Liberty holds as one of its foremost goals the development of men and women of strong character. Firm moral conviction and dependable self-discipline are as important as academic competence.

All students enrolled in Liberty University Online are subject to the Liberty University Online Code of Honor and Personal Code of Honor. Please see the Academic Information and Policies – Online Programs section of this Catalog for more information.

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS
Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that a criminal background check, fingerprinting, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements
In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs
Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements. Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.
The Liberty University Online academic school year consists of three terms: fall, spring, and summer. Terms consist of three eight-week sub-terms (B, C & D), and one semester-long sub-term (A) which can range from fourteen to seventeen weeks in length. Additionally, intensive courses of varying frequency are offered in each term (J). View the Liberty University Online Academic Calendar at: http://www.liberty.edu/online/academic-calendar/.

**TUITION RECALCULATION**

If a student registers full time and subsequently withdraws from one or more courses which results in their remaining enrollment changing from full-time to part-time, they will be charged the part-time tuition rate for the remaining courses in that semester. If the new tuition rate results in a balance, the student is responsible for making payment.

- Undergraduate students enrolled in less than 12 hours in a semester constitutes part time status
- Graduate students enrolled in less than 9 hours in a semester constitutes part time status
- Doctoral students enrolled in less than 6 hours in a semester constitutes part time status

General Requirements

Admission to Liberty University’s undergraduate program is governed by policies and procedures developed by the Senate Committee on Academic and Admissions Standards.

The mission of Liberty University is to develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world. We expect that our students understand and respect our mission and purpose while enrolled at Liberty University.

The Liberty University resident undergraduate admissions department operates on a rolling admission basis. This policy means that we do not have a final deadline for applications to be considered and will consider each applicant on a case by case basis. However, we do have a priority deadline for submission and it is recommended that applicants strongly consider adhering to that deadline as the majority of our applications are received by that date.

Prospective students are assessed according to academic background; personal moral behavior and character; personal philosophy; and willingness to follow Liberty’s rules, regulations, and policies. In the consideration process, the applicant’s complete prior academic record, recommendations, plans for the future, and personal information will be reviewed upon request. Applicants meeting the required standards in these areas may be admitted to one of the academic terms at the University.

Applicants for admission will be considering the following that are applicable: high school transcripts, college transcripts, GED score, and SAT I or ACT scores. The University retains the right to make an admission decision based on any of the previously listed documents. The university also reserves the right to withdraw an application for admission after 60 days of inactivity.

CONTACT INFORMATION

Prospective students who wish to speak to an admissions counselor about the admissions process or admission policies may do so by contacting our Resident Admissions office.

Resident Admissions Office:
Phone: 800-543-5317
Fax: 800-542-2311

Hours of Operation:
M-F 8:00 a.m. – 9:00 p.m. EST
SAT 10:00 a.m. – 6:00 p.m. EST

Mailing Address:
Liberty University
Attn: Resident Admissions Office
1971 University Blvd.
Lynchburg, Virginia 24515

Prospective students are encouraged to apply online at www.libertyu.com or www.liberty.edu. Applicants may mail the application to the appropriate address as listed above.

Parent and Family Connections

The Parent and Family Connections Office provides communication between the University and parents of Liberty University students in order to support student success, generate goodwill for the University, and promote an appropriate role for parents within the campus community.

Additional information on events and services is provided online at www.liberty.edu/parents.

Application for Admission

In addition to the admissions application and essay, the Admissions Committee will consider the following that are applicable: high school transcripts, college transcripts, GED score, and SAT I or ACT scores. The University retains the right to make an admission decision based on any of the previously listed documents. The university also reserves the right to withdraw an application for admission after 60 days of inactivity.

ITEMS TO BE SUBMITTED

1. Application Fee – $40.00 (non-refundable, non-transferable)

2. Academic Records

Prior to matriculation, applicants must submit an official transcript (see below for details) from an accredited high school or an official transcript of the General Educational Development (GED) test scores. Applicants with prior college coursework must submit official transcripts from all colleges attended.

To be considered complete, a high school transcript must meet the following minimum requirements:

a. Preliminary transcript – must reflect all coursework and final grades received for grades 9-11, an overall grade point average (GPA), and should be signed by the school administrator.

b. Final transcript – must reflect all coursework and final grades received for grades 9-12, must list graduation date, an overall GPA, and must be signed by the school administrator.

In lieu of a final transcript, Liberty University will accept a preliminary transcript. A self-certification of high school graduation or a final high school transcript will be required to continue the program beyond the first semester.

In addition, some high school and college transcripts may be waived if they are unobtainable due to circumstances as determined by the Resident Admissions Office.
3. Test Scores
All applicants, age 21 or younger, must submit official copies of test results from either the Scholastic Aptitude Test (SAT) or the American College Testing (ACT) exam. Liberty University does not recognize the essay portion of the SAT or ACT exam for acceptance decision purposes. SAT scores are based on Critical Reading and Math portions only. Liberty University’s minimum scores are 800 (combined) for the SAT and 17 (composite) for the ACT; however, meeting these minimum standards does not guarantee acceptance. The best scores from multiple exams will be combined for admissions purposes. The SAT and ACT is not required for students 22 or older. Applicants who fail to meet the minimum required scores may have their application rejected or will be evaluated on other indicators of ability to perform satisfactorily at the college level and may be admitted on Academic Caution or Probation. All students accepted on Academic Caution or Probation status will be limited to 12 to 14 semester hours of coursework including:

MENT 101 – Foundations for Academic Success
CLST 101 – College Learning Strategies

These courses are designed to help students develop reading and study strategies necessary for success in college.

4. Essay
All resident applicants must submit an essay between 200 and 400 words describing how their personal faith and beliefs will allow them to contribute to Liberty University’s mission of developing Christ-centered leaders.

5. Other Documentation
If the Admissions Committee determines that additional information is needed in order to make a determination on the applicant’s status, the applicant may be required to submit letters of recommendation or other relevant documentation such as a guidance counselor letter.

6. Priority Deadlines for Admissions Process
Resident Program:

- Fall:
  - Application: January 31
  - Accept and Confirm: February 28
  - Financial Check-in: April 30
  - Course Registration: May 31

- Spring: Application: November 1

Developmental Courses
The University offers nine developmental courses to students who need assistance with some of the basic skills required in order to be successful in college. Based upon a placement assessment that combines SAT, ACT, and High School GPA, if they are accepted on Academic Caution or Probation or if they cannot provide test scores, students may be required to complete the appropriate developmental courses listed below:

1. MENT 100 – Foundations for Academic Success. This course is designed to assist students in their academic adjustment to college. There is a focus on learning and application of study strategies and self-management skills. In addition, emphasis is placed on community and accountability which provide the foundation for academic success.

2. MENT 101 – Mentoring for University Transition. This course is designed to provide instruction in study strategies and life skills basic to the successful transition to the university. Within a small group setting, instructors will mentor students in their understanding and application of these concepts.

3. CLST 101 – College Learning Strategies. This course is designed to equip students with the study strategies necessary for success at the college level. It teaches self-management skills such as organization and time management, as well as learning strategies including memory and test-taking. Students are also encouraged to discover their individual learning styles, while incorporating practical application techniques.

4. CLST 102 – College Reading Improvement. This course is designed to teach students the essential reading skills necessary to improve their ability to comprehend the material contained in college textbooks. Topics include analytical reading, critical reading, and vocabulary development.

5. CLST 103 – Individualized Laboratory in Reading and Study Strategies. This course is an individualized program in reading and study strategies based on students’ goals and assessed needs. The varied curriculum focuses on academic, personal, and/or spiritual domains. It is delivered in a lab format with faculty/student interaction.
6. CLST 105 – Strategies for the Application of College Learning Skills.  
This course provides strategies that will enable students to apply college learning skills to their current courses.  It incorporates one-on-one mentoring, as well as weekly accountability.  It is designed to foster an awareness of current academic progress and to encourage the motivation and responsibility necessary for academic success.

7. ENGL 100 / ESOL 100 – Basic Composition.  
These courses are available to students who do not have a strong back-ground in English grammar and basic composition.  ESOL 100 is designed for students whose native language is not English.

8. MATH 100 – Fundamentals of Mathematics.  
This course is offered to students who do not have strong math skills.  The course is a review of arithmetic and elementary algebra.

This course is offered to resident students who do not have the algebra skills required for a college-level math course.  Topics reviewed include exponents, factoring, graphing, equations, and rational expressions.

HOMESCHOOL APPLICANTS

The University recognizes that the academic records of home-educated students vary widely.  However, records of academic work plus any evaluations or grades awarded by the parent or other evaluator must be included on the academic records to properly evaluate the applicant’s eligibility for college-work.  
Homeschooled applicants must submit the above requirements plus:

a. Verification that they have completed a secondary school education.  This requirement may be satisfied by a statement signed by the parent or guardian, a home-education diploma, or a graduation date posted on the home education records.

b. Verification that the home education was carried out in compliance with applicable commonwealth or state laws.  The form of this documentation will vary depending on the state statutes governing home education.  The documentation may be a letter from the local school board or public school superintendent, a letter from an umbrella school, or a signed affidavit from the parent or guardian.

NOTE:  See http://www.liberty.edu/homeschool for a sample home school transcript.  (Do not submit portfolios, photocopies of awards, or photographs of school projects.)

TRANSFER STUDENTS

Transfer applicants must complete all of the forms that are listed for the initial application procedure.  However, undergraduate transfer applicants who earn an Associate’s degree from an accredited institution do not need to submit standardized test scores except when specifically requested to do so by the University.

A copy of the official transcript from each college or university that the transfer applicant attended must be sent directly to the Registrar’s Office from the Registrar(s) of the respective institution(s) of higher learning.

All students who intend to transfer to Liberty must be eligible for readmission at the last institution attended.  The record is reviewed based on Liberty’s scholastic regulations.  Any applicant whose GPA does not meet Liberty’s scholastic standards, even though the applicant may not have been placed on Academic Caution or Probation at the last school attended, may be denied or placed on Academic Caution or Probation.

TRANSFER OF CREDITS

Only courses and degrees from a regionally accredited institution or those nationally accredited by accrediting agencies recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.) will be evaluated for transfer of credit.  Applicants must request that official transcripts be sent directly from the Registrar(s) of the previous school(s) to the Registrar’s Office at Liberty University.  These transcripts should be received before an admission decision will be made.

Credit will be accepted for those courses that are equivalent to courses offered at Liberty in which applicants have made a grade of C or better.  Transcripts are evaluated by the Registrar’s Office under the guidelines established by the Senate Committee on Academic and Admissions Standards.

Undergraduate credit may be allowed for courses completed at military service schools if this credit is recommended in A Guide to the Evaluation of Educational Experiences in the Armed Services (ACE Guide).  The work must also be applicable to the student’s program of study.

Internship credit is not transferable.

MILITARY EVALUATIONS

Liberty University will evaluate students’ prior military experience and develop a degree plan for each student to follow.  Evaluations will be based solely upon the recommendations of the American Council of Education (ACE) guidebook, A Guide to the Evaluation of Educational Experiences in the Armed Services.

Military applicants should send in military transcripts or documentation from their particular branch of service.  If those documents are unavailable, applicants should submit a copy of their DD214, 2-1, 2A, or DD295 for evaluation.

ADMISSION NOTIFICATION

Once a file has been reviewed and evaluated, applicants will be notified as to their admission status.  Notification of admission to the resident program at the University is indicative of student status and, therefore, charges are at the resident rate regardless of course delivery method (on-campus classroom, online, etc.).  Following notification of acceptance, applicants will receive information relating to financial check-in, housing selection, and course registration.

CONFIRMATION DEPOSIT

New students who decide to attend Liberty University must submit a $250 Confirmation Deposit.  This deposit secures any available institutional grants or scholarships; however, only completion of Financial Check-In ensures the availability of a class schedule and housing assignment.  The $250 Confirmation Deposit may be submitted online at www.libertyu.com/confirm or can be mailed with a completed Confirmation Deposit Form to:  Liberty University Resident Admissions Office; 1971 University Blvd.; Lynchburg, Virginia 24502.  This deposit will be credited to the student’s account as a deposit toward the upcoming semester.

Should the student decide not to attend, the University must be notified in writing with a Confirmation Deposit refund request by May 1 of each academic year for those who confirmed for fall term, and by December 1 for those who confirmed for spring term.  After these deadlines, the $250 confirmation deposit is nonrefundable and non-transferable.  The credit, however, may be deferred up to one academic year should the student be able to attend in a subsequent semester.  Deposited students who change their intended entrance year will be held to the refund deadlines and policies of the original intended entrance year.  Students who are late in applying and/or who do not confirm until after the refund deadline are still subject to the same policy.
HEALTH RECORD

All accepted resident applicants who have submitted a deposit must also complete and submit an online Health Form through their Liberty ASIST account. This form does not need to be submitted prior to acceptance. Any accepted applicant who withholds pertinent health information may be required to withdraw from the University.

EARLY ADMISSION PROGRAM

The University will admit qualified high school seniors who have not yet graduated and who would like to complete their senior course requirements at the college level. If accepted, these applicants will be limited to a 13-hour course load per semester. These high school requirements must be completed within one academic year subsequent to enrollment at Liberty University. Students in this program are ineligible for federal financial aid until they have satisfactorily completed the high school requirement. Full time Liberty University students may benefit from institutional aid, as qualified. The applicant must meet the following requirements:

1. Cumulative GPA of 3.50 or higher in grades 9–11;
2. A minimum combined score range (verbal and mathematics) of 900-930 on SAT I or a minimum composite score of 19 on the ACT;
3. Enrollment in a college preparatory track;
4. If homeschooled, submission of verification that the home education was carried out in compliance with applicable commonwealth or state laws;
5. Submission of an Early Admission Certification form; or, if homeschooled, submission of a letter of recommendation from the parent/teacher; and
6. Submission of a regular Liberty University application with all required support documentation.

The University Honors Program

Director, Honors Program
Professor of English and Quiz Bowl Coach

If you participated in Gifted and Talented programs in high school or if you are academically talented and serious about your studies and seek to be appropriately challenged, you should consider the academic enrichment of our Honors Program along with its merit-based Honors scholarship ($4,000).

Additional academic scholarships are available for National Merit Finalists (full tuition, room, and board), National Merit Semi-Finalists (full tuition), and National Merit Commended students (full tuition) who participate in the Honors Program.

The University Honors Program is designed to highly motivated students of above average ability the opportunity to achieve their highest intellectual and creative potential through a combination of homogenous honors seminars in general education course work and independent honors petitioned projects within the students’ major fields of study. Honors students also complete a Senior Honors Thesis as their capstone project during their last semester of college.

Qualified students may apply for admission to Liberty University and the Honors Program simultaneously, although application to the Honors Program must be made directly to that office. If admitted to the program, students must begin taking Honors courses in their first semester at Liberty.

Criteria for applying to the Honors Program include the following:

1. Score at least 1270 on SAT (critical reading and math scores only) or 29 (composite) on the ACT;
2. Submit official high school or college transcripts indicating a GPA of at least 3.50 on an weighted 4.00 scale;
3. Write an expository essay of four and one-half to five typed pages on the topic, “What I Hope to Gain from an Honors Program Education at Liberty University”;
4. Submit three letters of recommendation from present or former teachers;
5. Complete the Honors application.

Transfer or Liberty University students must have a cumulative GPA of 3.50 and have more than 60 credits earned; their recommendation letters must come from professors.

The selection process is competitive, and Honors applications are reviewed on the first day of each month beginning February 1st. Applications will not be considered unless they are postmarked by April 1st. For more information or to receive an Honors application, contact the Honors Program Office by phone at 434-592-3304 or email the Director at jhnutter@liberty.edu. Visit the website at www.liberty.edu/academics/honors for additional information.

SPECIAL STUDENTS

Status 1 Special Students are early enrollment or dual enrollment students who do not have a high school diploma or equivalent. These students must show evidence of ability to complete the courses selected. They may become candidates for a degree after completing high school diploma requirements.

Status 2 Special Students are those students who are not interested in obtaining a degree; however, they are interested in taking one or more college level courses up to a maximum of 12 credit hours. Additional courses may be approved if the student has no intention of being a degree-seeking student. This decision is based off review by the Registrar’s Office.

Applications are available upon request from the Resident Admissions Office. Students deciding to enroll as degree seeking students in the future must complete a new application and fulfill all admissions requirements.

Students who have been Academically Dismissed from Liberty University are not eligible for Special Student status. Financial Aid is unavailable under Special Student status.

AUDIT

Applicants not interested in becoming degree candidates and who want to audit classes must complete a special student application. Only lecture courses may be audited. Courses requiring labs or private instruction may not be audited.

READMISSION

Students who have withdrawn from the University or who have broken enrollment must apply for readmission through the Resident Admissions Office and pay the $40 Application Fee. Admission status is subject to the terms of any previous academic or disciplinary suspension or probation. Applicants must provide official transcripts from all educational institutions attended since enrollment at Liberty. Students must receive approval from the Registrar’s Office, Student Conduct and Student Accounts before an acceptance decision can be made.

Students applying for readmission who have been dismissed from the University should submit an application not less than 2 months prior to matriculation since applicants must make an appeal to the Committee on Academic and Admissions Standards (CAAS).
ACADEMIC AMNESTY
Approval for readmissions and Academic Amnesty must be approved by the Committee on Academic and Admissions Standards (CAAS). In order to qualify for academic amnesty, a student must have been academically suspended or academically dismissed from the University, as well as must satisfy the subsequent guidelines for readmission.

1. Not enrolled at the University for a period of three (3) years.
2. A student seeking readmission under academic amnesty must first appeal in writing to the Registrar’s Office. The request must be stated clearly and contain: (1) the reason for the request, and (2) efforts made to improve during absence from Liberty. Corroboration may be requested of the student, i.e. transcripts from other institutions, certificates, awards, etc.
3. The Registrar’s Office, upon receiving the written request, must receive approval from the Registrar’s Office, Student Conduct, Student Accounts, and CAAS before readmission will be granted.
4. Previously earned grades of “A”, “B”, and “C” will remain on the student’s record and will calculate into his or her GPA. As determined by CAAS, grades of “D” and “F” are revised to “Q”.
5. Students who have been granted Academic Amnesty are not eligible for graduation honors.

For readmission to the resident programs, an application for readmission and $40 readmission fee are required.

International Admission
Liberty University is authorized by the U.S. Department of Homeland Security to issue the SEVIS Form I-20 to eligible international students and their dependent family members. Any person who is not a citizen or Legal Permanent Resident of the United States and who desires to be admitted to the University and attend on campus while on Student (F-1) Visa Status must follow the procedure established by the Office of International Admissions. Applications for the fall semester should be submitted by April 1 and applications for the spring semester should be made by October 1.

Applicants whose final high school transcript is not in English must submit both an official transcript from their educational institution along with an official English translation of the transcript. Applicants may also be required to submit their high school transcripts to an accredited credential evaluation service.

Any college transcript from an educational institution outside of the U.S. must be officially translated into English and submitted to a credential evaluation service accredited by the National Association of Credential Evaluation Services (NACES) at naces.org.

Applicants whose native language is other than English must submit official scores for the Test of English as a Foreign Language (TOEFL) or an approved alternative assessment unless the student plans to enroll in the English Language Institute first. The University offers general admission to its undergraduate program of study to students who achieve one of the following scores on a standardized test of English proficiency:

- TOEFL (Internet Based Test or iBT): 61
- International English Language Testing System (IELTS): 5.5
- Pearson Test of English (PTE): 51
- International Test of English Proficiency Academic Plus (iTEP): 3.6

Some particular programs of study, including Aeronautics, may have higher English language proficiency requirements.

Admission to Liberty University’s undergraduate program is governed by policies and procedures developed by the Senate Committee on Academic and Admission Standards.

The mission of Liberty University is to develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world. The University expects that its students understand and respect its mission and purpose while enrolled at Liberty University.

Prospective students are assessed according to academic background; personal moral behavior and character; personal philosophy; and willingness to follow Liberty’s rules, regulations, and policies. In the consideration process, the applicant’s complete prior academic record, recommendations, plans for the future, and personal information will be reviewed. Applicants meeting the required standards in these areas will be admitted to one of the academic terms at the University.

Applicants for admission will be considered without regard to race, color, gender, national or ethnic origin, religion, age, or disability.

The University reserves the right to refuse or revoke admission or readmission to any prospective student or returning student. Any applicant who intentionally withholds pertinent information or who falsifies information may be required to withdraw from Liberty.

In addition, if certain documentation is not available or does not meet admission standards, the Office of Admissions reserves the right to offer admission to students based on professional judgment. The regulations listed herein are subject to change after the date of publication through established procedures. Liberty University reserves the right to make necessary changes without further notice.

TECHNOLOGY REQUIREMENTS
All Liberty University Online students are required to have access to an IBM compatible, high-speed computer with Internet and email service.

Application for Admission
ITEMS TO BE SUBMITTED
Applicants must submit the following items to the Office of Admissions in order to be considered as candidates for admission. A decision will not be made until all documentation has been received and evaluated.

Application for Admission
1. Application Fee (non-refundable, non-transferable)
Application fee will be posted on current application for the Liberty University Online programs upon enrollment or the student’s first semester.

2. Academic Records
Prior to acceptance, applicants must submit an official transcript (see below for details) from an accredited high school or an official transcript of the General Educational Development (GED) test scores. Applicants with prior college coursework must submit official transcripts from all colleges attended.

To be considered complete, a high school transcript must meet the following minimum requirements:

a. Preliminary transcript – must reflect all coursework and final grades received for grades 9-11, an overall grade point average (GPA).

b. Final transcript – must reflect all coursework and final grades received for grades 9-12, must list graduation date, an overall GPA.

c. Liberty University Online students should refer to http://www.liberty.edu/online/online-education-admission-requirements/ for a detailed list of applicable admissions requirements. The high school and GED requirements will be waived if the applicant earned an associate’s degree.

In lieu of a final transcript, Liberty University will accept a preliminary transcript and a self-certification of successful completion of the represented high school program.

In addition, some high school and college transcripts may be waive if they are unobtainable due to circumstances as determined by the Office of Admissions.

Although the University does not require specific high school courses for admission, successful applicants usually have completed at least 4 years of English; 2–3 years of college preparatory mathematics; 2 years of laboratory science; 2 years of social science; 2 years of foreign language; and at least 4 units of elective credits in subjects such as art, music, or drama. This curriculum prepares one for the classroom expectations at Liberty University.

Liberty University’s minimum acceptable unweighted Grade Point Average (GPA) is 2.00 on a 4.00 scale. Applicants who fail to meet the minimum required GPA will be evaluated on other indicators of ability to perform satisfactorily at the college level and may be admitted on Caution status. All students accepted on Caution status may be required to enroll in one or more developmental courses as determined by the Office of Admissions.

Liberty University Undergraduate Catalog – 2014-2015 19
3. Other Documentation
   If the Admissions Committee determines that additional information is needed in order to make a determination on the applicant’s status, the applicant may be required to submit letters of recommendation or other relevant documentation such as a guidance counselor letter.

4. RN to BSN program
   Students who are interested in the RN to BSN program must submit additional admissions documents, such as:
   - RN licensure in state of residence (copy of licensure document)
   - Graduate of an NLN accredited nursing program leading to an associate degree or hospital diploma

HOMESCHOOL APPLICANTS
   Homeschooled applicants must submit the above requirements plus:
   a. Verification that they have completed a secondary school education. This requirement may be satisfied by a statement signed by the parent or guardian, a home-education diploma, or a graduation date posted on the home education records.
   b. Verification that the home education was carried out in compliance with applicable commonwealth or state laws. The form of this documentation will vary depending on the state statutes governing home education. The documentation may be a letter from the local school board or public school superintendent, a letter from an umbrella school, or a signed affidavit from the parent or guardian.

NOTE: The University recognizes that the academic records of home-educated students vary widely. However, records of academic work plus any evaluations or grades awarded by the parent or other evaluator must be included on the academic records to properly evaluate the applicant’s eligibility for college-work. See www.luonline.com/index.cfm?PID=20365 for a sample home school transcript. Do not submit portfolios, photocopies of awards, or photographs of school projects.

ADMISSIONS AND ENROLLMENT FOR ARMY SOLDIER- STUDENTS
   Active Duty, Reserve, and National Guard Army soldiers must apply for admission and enroll via the GoArmyEd portal, www.goarmyed.com. Admission and enrollment through the Army portal will allow Tuition Assistance to be approved through the enrollment process. Additional information is provided online, http://www.liberty.edu/online/military-students/army/.

CONDITIONAL ENROLLMENT
   Liberty University Online students may be conditionally enrolled following the receipt of a completed application. Undergraduate students who register on a conditional basis may enroll for up to 12 semester hours within the first semester only pending receipt of all official transcripts and standardized test scores. Students who have not submitted the required documentation by the completion of the first semester will not be allowed to enroll in additional courses until the admission file is completed and program admission is granted.
   Conditional enrollment is not a guarantee of full acceptance into a degree program. Federal and state financial aid is not available to students under conditional enrollment.

ADMISSION NOTIFICATION
   Applicants must submit all of the required documents to complete the admission file. When all documents have been received and evaluated, applicants will be notified as to whether they have been fully accepted. Following notification of acceptance, applicants will receive information relating to financial check-in and course registration.

ASSESSMENT TESTS
   Liberty University Online offers English and Math placement tests for all new undergraduate students. These placement tests will be used to ensure that students are placed in the proper English and Math courses to help students be successful as they begin coursework at Liberty University Online.

Developmental Courses
   Liberty University Online offers several developmental courses to students who need assistance with some of the basic skills required in order to be successful in college. Online students who fail to meet the minimum required GPA will be evaluated on other indicators of ability to perform satisfactorily at the college level.

Transfer Students
   Transfer applicants must complete all of the forms that are listed for the initial application procedure.
   A copy of the official transcript from each college or university that the transfer applicant attended must be sent directly to the Office of Admissions from the Registrar(s) of the respective institution(s) of higher learning.
   Unofficial transcripts will allow for acceptance and registration. Unofficial transcripts will not be reviewed for transfer credit. Before submitting unofficial transcripts, please make sure they include the following:
   1. School name or logo printed on the document
   2. List of completed courses and earned credit
   Upon an admission decision, official transcripts are required within 60 days; official transcripts are required in order to register for a second semester of courses.
   All students who intend to transfer to Liberty must be eligible for readmission at the last institution attended. The record is reviewed based on Liberty’s scholastic regulations. If an applicant’s GPA does not meet Liberty’s scholastic standards, even though the applicant may not have been placed on Academic Warning or Probation at the last school attended, the applicant may be denied or placed on Academic Warning or Probation. Appeals may be granted, based on Liberty’s scholastic regulations.

TRANSFER OF CREDITS
   Only courses and degrees from a regionally accredited institution or those nationally accredited by accrediting agencies recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.) will be evaluated for transfer of credit. Applicants must request that official transcripts be sent directly from the Registrar(s) of the previous school(s) to the Registrar’s Office at Liberty University.
   Credit will be accepted for those courses that are equivalent to courses offered at Liberty in which applicants have made a grade of C or better. Transcripts are evaluated by the Liberty University Online Office of Transfer Evaluations.
   Credit for military training is awarded based on the recommendations provided by the American Council on Education, in A Guide to the Evaluation of Educational Experiences in the Armed Services (ACE Guide). This includes credit for general military training and occupational specialty. The work must also be applicable to the student’s program of study.
   A list of policies and transferable courses is provided at http://www.liberty.edu/online/transfer-students/.
International Admission

Applicants whose native language is other than English must submit official scores for the Test of English as a Foreign Language (TOEFL) or an approved alternative assessment.

If an International student is seeking admission into an undergraduate program and has attended an accredited U.S. high school, the TOEFL can be waived for admission.

If an International student is seeking admission into an undergraduate program and has earned a high school diploma at an accredited high school outside of the U.S. in which all classes are taught in English, the TOEFL score can be waived for admission. (Proof must be submitted in the form of an official statement from the school's Registrar's Office.)

If an International student completes an undergraduate degree at an accredited university/college (full time status) outside of the U.S. in which all classes are taught in English, the TOEFL score can be waived for admission. (Proof must be submitted in the form of an official statement from the school's Registrar's Office.)

Students who have attended an American college/university for at least one year are not required to submit TOEFL scores.

The University offers general admission to its undergraduate program of study to students who achieve one of the following scores on a standardized test of English proficiency:

- TOEFL (Internet Based Test or iBT): 61
- International English Language Testing System (IELTS): 5.5
- Pearson Test of English (PTE): 51
- International Test of English Proficiency Academic Plus (iTEP): 3.6

Information regarding the TOEFL may be obtained from: TOEFL Services; The Education Testing Service; PO Box 6151; Princeton, New Jersey 08541 or online at http://www.toefl.org. Information regarding the IELTS may be obtained online at http://www.ielts.org and information regarding the PTE may be obtained online at http://www.pearsonpte.com.

SPECIAL (OR NON-DEGREE SEEKING) STATUS STUDENTS

Status 1 Special Students are early enrollment or dual enrollment students who do not have a high school diploma or equivalent. These students must show evidence of ability to complete the courses selected. They may become candidates for a degree after completing high school diploma requirements. Upon completion of their LUOA high school graduation requirements, dually enrolled students may also obtain an Associate's Degree from Liberty University.

Status 2 Special Students are those students who are not interested in obtaining a degree; however, they are interested in taking one or more college level courses up to a maximum of 12 credit hours. Additional courses may be approved if the student has no intention of being a degree-seeking student. This decision is based on review from the Office of Admissions.

Applications are available at http://www.liberty.edu/online. Students deciding to enroll as degree seeking students in the future must complete a new application and fulfill all admissions requirements.

Students who have been Academically Dismissed from Liberty University are not eligible for Special Student status. Students who have completed 12 or more credit hours at their current level are not eligible for Special Student status. Financial Aid is not available under Special Student status.

BREAK IN ENROLLMENT

A break in enrollment occurs when a student is not actively taking a class each academic year.

Students who break enrollment will be required to follow the degree requirements in effect at the time of re-entry to the University.
**READMISSION**

Students who have withdrawn from the University or who have broken enrollment must apply for readmission through the Office of Admissions. Admission status is subject to the terms of any previous academic or disciplinary suspension or probation. Re-applicants will be subject to the current Degree Completion Plan for the program of application. Applicants must provide official transcripts from all educational institutions attended since enrollment at Liberty. Students must receive approval from the Registrar’s Office, Student Conduct and Student Accounts before an acceptance decision can be made.

**ACADEMIC AMNESTY**

Approval for readmission under Academic Amnesty must be approved by the Office of the Provost. To qualify for academic amnesty, a student must have been academically suspended or academically dismissed from the University, as well as must satisfy the subsequent guidelines for readmission.

1. Not enrolled at the University for a period of two (2) years.
2. A student seeking readmission under academic amnesty must first appeal in writing to the Registrar’s Office. The request must be stated clearly and contain: (1) the reason for the request, and (2) efforts made to improve during absence from Liberty. Corroboration may be requested of the student, i.e. transcripts from other institutions, certificates, awards, etc.
3. The student’s appeal, supporting documentation and a recommendation from the Registrar’s Office will be presented to the Office of the Provost for a decision. If the appeal is approved, the student will be readmitted on the following provisions:
   a. Only the allowable number of grade repeats that were remaining at the time of Dismissal can be utilized.
   b. Previously earned grades of A, B, and C will remain on the student’s record and will calculate into his or her GPA. As determined by the CAAS, grades of D and F are revised to Q.
   c. Students who have been granted Academic Amnesty are not eligible for graduation honors.

**PRIVACY OF STUDENT RECORDS: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

Students attending, or who have attended, Liberty University are given certain rights under the Family Educational Rights and Privacy Act of 1974 as amended (20 U.S.C. 1232g) and Rules of the Department of Education (34 C.F.R. Part 99) implementing this Act.

Additional information and University policies regarding the protection of student records are published online at [http://www.liberty.edu/ferpa](http://www.liberty.edu/ferpa).

**ADDITIONAL INFORMATION**

Additional information regarding the University’s academic and administrative policies and procedures can be found on the University website at [http://www.liberty.edu/online](http://www.liberty.edu/online).

Transfer applicants must complete all of the forms that are listed for the initial application procedure.

A copy of the official transcript from each college or university that the transfer applicant attended must be sent directly to the Office of Admissions from the Registrar(s) of the respective institution(s) of higher learning.

All students who intend to transfer to Liberty must be eligible for readmission at the last institution attended. The record is reviewed based on Liberty’s scholastic regulations. If an applicant’s GPA does not meet Liberty’s scholastic standards, even though the applicant may not have been placed on Academic Warning or Probation at the last school attended, the applicant may be denied or placed on Academic Warning or Probation. Appeals may be granted, based on Liberty’s scholastic regulations.

International Admission

Applicants whose native language is other than English must submit official scores for the Test of English as a Foreign Language (TOEFL). If an International student is seeking admission into an undergraduate certificate program and has attended an accredited U.S. high school, the TOEFL can be waived for admission. If an International student is seeking admission into an undergraduate Certificate program and has earned a high school diploma at an accredited high school outside of the U.S. in which all classes are taught in English, the TOEFL score can be waived for admission. (Proof must be submitted in the form of an official statement from the school’s Registrar’s Office.) If an International student completes an undergraduate degree at an accredited university/college (full time status) outside of the U.S. in which all classes are taught in English, the TOEFL score can be waived for admission. (Proof must be submitted in the form of an official statement from the school’s Registrar’s Office.) Students who have attended an American college/university for at least one year are not required to submit TOEFL scores. The University accepts into its undergraduate certificate programs students who achieve a TOEFL score of 61 (IBT), 173 (CBT) or 500 (PBT). An equivalent score of 5.5 on the International English Language Testing System (IELTS), or score of 44 on the Pearson Test of English (PTE) will also be accepted. Additional assessment may determine the need for a developmental English course. Information regarding the TOEFL may be obtained from: TOEFL Services; The Education Testing Service; PO Box 6151; Princeton, New Jersey 08541 or online at http://www.toefl.org. Information regarding the IELTS may be obtained online at www.ielts.org and information regarding the PTE may be obtained online at www.pearsonpte.com.

SEMESTER CREDIT SYSTEM

The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for fifteen weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour. Online courses are equivalent to the number of classroom contact hours (750 minutes per credit hour) expected in a synchronous residential course.

PART TIME vs. FULL TIME

To qualify as a full-time undergraduate student, you must be enrolled in a minimum of 12 credit hours. A part-time student must be enrolled from six to 11 credit hours.

SEMESTER LOAD AND OVERLOAD

The usual semester load for full-time undergraduate students is 14-17 hours per semester. Students must secure permission to take more than 18 hours in a semester. A student who has established a cumulative GPA of 3.00 or better may, with the approval of the Department Chair, take up to 20 hours; 21 hours requires the Dean’s signature and a cumulative GPA of 3.50. Students will be required to pay additional tuition for any hours over 18. Students who have not declared a major must request this permission from the Dean of the Center for Academic Support and Advising Services. The maximum load a student may carry is 21 hours per semester. This includes courses from all sources. In certain circumstances, exceptions above 21 hours may be approved by the Dean.

CERTIFICATE ENROLLED STUDENTS

Certificate students are required to abide by some of the same policies as Undergraduate degree seeking students. These policies include: change of major, course registration, class attendance, drop and withdrawal processes, Repeat Policy, broken enrollment, academic and personal codes of honor, incompletes, recording of grades and the grade appeal process, FERPA, and Academic Transcript processes. Those policies that do not pertain to the certificate seeking student will be noted in the following sections.

A student’s cumulative GPA is comprised of all coursework completed at the current academic level (Undergraduate, Graduate, Doctoral, etc.) regardless of prior degree conferral, broken enrollment or a program/major change. To determine the grade point average, (GPA) the quality points earned are divided by the semester hours attempted (quality hours). Only courses taken at Liberty are used in computing the GPA. Only grades of A, B, C, D, F, and FN are used in the calculation of the GPA. *“R” is no longer an active option for a grade. Please see the Undergraduate Repeat Policy section for the current policy.

DEAN’S LIST

Undergraduate students who earn 12 or more GPA hours in the fall or spring semester with a GPA of 3.50 or above are placed on the Dean’s List. The Dean’s list is not awarded for the summer term. This does not apply for certificate level students.

ADVISORS

Freshmen and sophomore students will be assigned a Professional Advisor, based on their major, who will provide student support for questions concerning academic issues. Junior and senior students meet with faculty, as needed, in the Academic Department that corresponds with their major. Both Professional Advisors and Faculty will assist students with reaching their spiritual, academic, and personal goals.

ASSESSMENTS

Placement into English and Math courses are based on a combination of scores including required Math / English assessments for all new resident students, first-time college students, and college transfer students that did not transfer in the Math or English course needed for their specific major. A fee is charged only for the information technology and information literacy assessment.
COURSE PLANNING
A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. The course planning schedule is available online at: www.liberty.edu/academics/registrar/index.cfm?PID=23103.

Transfer of Credits
Normally courses and degrees from regionally accredited institutions or those nationally accredited by accrediting agencies recognized by the U.S. Department of Education (e.g., SACSOC, TRACS, ABHE, etc.) will be evaluated for transfer of credit. However, on a limited basis Liberty does accept transfer credit via experiential learning, advanced placement and professional certificates from unaccredited institutions under certain terms and conditions established by Committee on Academic and Admissions Standards. Credit earned through this process will not be counted toward the required minimum of 50% of the major and 30 hours of credit that must be completed through Liberty University. Also, credit earned through the portfolio process or professional certificate evaluation cannot exceed 30 credit hours.

Applicants must request that official transcripts be sent directly to the Registrar(s) of the previous school(s) to the Registrar’s Office at Liberty University. These transcripts must be received before an admission decision will be made.

Credit will be accepted for those courses that are undergraduate level in which applicants have made a grade of C or better. Transcripts are evaluated under the guidelines established by the Senate Committee on Academic and Admissions Standards. Internships, capstone courses, special topics, remedial courses, workshops, seminars, independent studies, and varsity courses are not transferable. Students may appeal their transfer evaluation with a course description and Transfer Inquiry Form.

At any point prior to degree conferral, students may petition to have courses that are listed as electives substitute for required courses by using the Course Substitution form.

INTERNATIONAL TRANSFER CREDIT
The evaluation of international transfer credit requires students to submit a translated official transcript in conjunction with course descriptions prior to the approval process.

International transfer credit is accepted only from an institution recognized by the government of the country in which the institution is located.

Foreign students are encouraged and sometimes required to use foreign credential evaluation services such as World Education Services (www.wes.org) to have their transcripts validated and evaluated before sending them to Liberty University. A credential evaluation service must be a member of the National Association of Credential Evaluation Services (www.naces.org) before it can be accepted at Liberty University.

CREDIT BY EXAMINATION
Liberty University offers students the opportunity to receive academic credit toward their undergraduate degrees through testing. Credit may be earned through the Advanced Placement, CLEP, ICE, DSST, Excelsior, and Federal Aviation Administration programs.

Advanced Placement (AP)
Students who receive a score of 3 or higher on the following College Board Advanced Placement examinations will be awarded academic credit toward an undergraduate degree. Credit will be awarded only in those areas applicable to the Liberty curriculum.

College-Level Examination Program (CLEP)
The College-Level Examination Program (CLEP), sponsored by The College Board, offers a unique opportunity to gain college credit for knowledge that a student has acquired. The program includes several tests covering a variety of subjects. Students who meet or exceed the Liberty University minimum score will receive the corresponding credit. A registration fee of $50 will be charged for each CLEP test attempted. An $80 CLEP administration fee will be charged

on the day of the test. Testing is computer-based and administered in the Bruckner Learning Center, Testing Services.

During the student’s final semester, CLEP tests can only be taken with permission after classes begin.

Institutional Challenge Examinations (ICE)

To apply for credit by examination, students must submit the ICE Request form to the department of the University in which the course is offered. A registration fee of $50 will be charged for each ICE attempted. An $80 ICE administration fee will be charged on the day of the test. Such requests are subject to the following guidelines:

1. Requests must be submitted through the Bruckner Learning Center, Testing Services.
2. The minimum passing score for both upper and lower level undergraduate courses is 70%. An exception to this policy may occur if a professional, state, or national organization specifies a higher score for recognition.
3. A maximum of 30 hours of ICE credits will be accepted toward an undergraduate degree; the number of credits that may be applied toward each major may vary.
4. Students may not take the ICE if the course has previously been taken or is currently being taken.
5. ICE may be taken during the drop/add period.
6. ICE tests can only be taken with permission after classes begin, during the student’s final semester.
7. ICE credits may not be applied toward residency hours.

Only the following courses may be challenged:

DANTES SUBJECT STANDARDIZED TESTS (DSST)

Undergraduate college credit may be earned through the DANTES Subject Standardized Tests (DSSTs) program, which is administered by Educational Testing Services (ETS) in conjunction with DANTES. Examinations are available to both military personnel and civilians. Students may find an approved testing center and view fact sheets for various tests that are offered at www.getcollegecredit.com. A complete list of accepted exams, course equivalency and the minimum required score is available at http://www.luonline.com/index.cfm?PID=16931.

Aviation Testing

The School of Aeronautics Testing Center serves as a Federal Aviation Administration’s official Federal Aviation Testing Site for the Airman and A&P Knowledge Tests. All test candidates, not just students in the Liberty University Aviation program, are eligible to use the FAA aviation computer-based testing center. For scheduling please call 434-582-2183.

Excelsior College Exam Credit

Excelsior College exams are approved for credit in the Liberty University Online program. Undergraduate college credit may be earned through Excelsior College Exams. For further information on earning credit through Excelsior exams, go to: http://www.excelsior.edu/ecapps/exams/creditByExam.jsf. The following courses are subject for credit, based on the scores earned.
EXPERIENTIAL LEARNING CREDIT

Credit may be granted to students who demonstrate that they have already acquired, through life experiences such as job training, non-college courses, etc., course knowledge required for the degree program in which they are enrolled.

There are some portfolios/courses that will not be admitted, such as School of Communication & Creative Arts (SCCA) courses, GOVT 200, internship courses, capstone courses, as well as other courses not approved by academic departments. Please note that admission of a portfolio does not guarantee that credit will be awarded.

Students must receive tentative approval from the Portfolio Coordinator at portfolio@liberty.edu before moving forward. A separate portfolio must be submitted for each course. An administrative fee of $100 will be charged for each portfolio submitted for assessment. Please note that credit earned through the portfolio process and/or a certificate of completion will be limited to a combined maximum of 30 hours.

Each portfolio must define learning in terms of college-level competencies for specific course credit. All documentation submitted in portfolios will remain in the student’s personal file at the University.

A 3-hour course (GEED 205) is required to assist students with the development of portfolios that demonstrate that the required knowledge has been attained. Liberty University Online Education students must take EDUC 205 which offers a portfolio option for teachers. Students may submit portfolios for experiential learning credit at any time prior to graduation. Credit earned through this process will not be counted toward the required minimum of 30 hours of credit that must be completed through Liberty University. Also, portfolio credit cannot exceed 50% of the major. Further information may be found online at http://www.liberty.edu/online/index.cfm?PID=15141.

Military Evaluations

Liberty University will evaluate students’ prior military experience and develop a degree plan for each student to follow. Evaluations will be based solely upon the recommendations of the American Council of Education (ACE) guidebook, Guide to the Evaluation of Educational Experiences in the Armed Services. Students will generally find that the Interdisciplinary Studies major offer through Liberty University Online maximizes the use of their existing credits.

CREDIT FOR SEMINARS

As part of the “action-oriented” curriculum at Liberty, certain seminars and travel opportunities are offered for academic credit. Students who wish to obtain credit for such activities must receive prior approval from the Registrar.

COURSEWORK AT OTHER INSTITUTIONS WHILE ENROLLED AT LIBERTY

Prior to registering for any course at another institution, students must submit a Transient Request Form to guarantee transferability. The online form can be found on the Registrar’s Office webpage at http://www.liberty.edu/academics/registrar/index.cfm?PID=28460.

DECLARATION OF UNDERGRADUATE MAJOR

Students may declare their major at any time prior to the completion of 60 semester hours. They must declare a major by the time they complete 60 semester hours of undergraduate credit. Declaration of a major does not imply the ability to pursue programs such as Athletic Training, Cinematic Arts, Individualized Studies, Interdisciplinary Studies, Nursing, or teacher licensure. Such programs have specific requirements before acceptance is granted.

A student’s computer competency must be demonstrated within the first 45 hours of a student’s program. Transfer students must complete this within their first year at Liberty.

Acceptance into a major does not constitute acceptance into the Teacher Licensure Program.

CHANGE OF MAJOR

Major changes become effective for the semester following their request. The process for changing/declaring a major can be found by visiting the CASAS office, accessing http://www.liberty.edu/casas, or by calling 434-592-4110. All requests for a change of major will be processed by the Registrar’s Office upon receipt, and will be effective the following full term of enrollment.
DOUBLE MAJORS

Students who wish to complete a double major (BS/BS or BA/BA) or two separate undergraduate degrees (BA/BS or BA/BM or BS/BM) must meet with their professional advisor in CASAS to work out a completion plan.

Students must have 30 unique hours within the major core of the first or second major or degree. The foundational and investigative studies may be shared if they are the same. However, if any requirements are different, the student must fulfill the higher of the two requirements.

The requirements from one major can be used as electives for the second major, and vice versa. At least 50% of the course work for each major must be earned at Liberty University.

Students who wish to earn an A.A. degree with two majors must have at least 15 unique hours in the core of the first or second major.

Students with a conferred A.A. degree who wish to earn a second A.A. degree must complete at least 15 additional hours through Liberty University, and there must be at least 15 unique hours in the core of the second major.

Students who currently hold a bachelor’s degree and want to pursue an associate’s degree will need to take a minimum of 15 hours through Liberty University of which 15-hours must be unique in the core of the major.

Students who currently hold a bachelor’s degree and want to pursue another bachelor’s degree will need to take a minimum of 30 additional hours through Liberty University of which 30-hours must be unique in the core of the major.

DUPLICATE CREDIT

In the event that a student earns credit for the same course more than one time, whether at Liberty, at another college, or through standardized testing, that course/credit may only count one time toward the completion of his/her degree. The only exception to this would be if the course/credit is approved by the academic department or administration to be used more than one time toward a student’s degree/major.

INTERCOLLEGIATE ATHLETIC CREDIT

Students who are members of Liberty Intercollegiate Athletic teams may earn one hour of academic credit for a completed season. Such credit may not be used more than once.

DEGREE COMPLETION PLANS

Once a student has declared his or her major through CASAS, a Degree Completion Plan (DCP) may be retrieved at http://www.liberty.edu/index.cfm?PID=2981. The student is required to follow the DCP for the academic year in which the declaration becomes effective.

Grades of “D” are not acceptable in upper-level (300-400) courses within the student’s major. For certain majors, a grade of “D” is not acceptable in upper- and lower-level courses within the major.

If a major includes directed electives or support courses, it is possible to use them to also meet a general education requirement or a minor requirement. Courses cannot fulfill both a major requirement and a general education requirement.

A student with an already completed bachelor’s degree must take an additional 30 hours or more in order to earn a second bachelor’s degree at Liberty, in conjunction with completing all requirements unique to that degree. The same rule applies to those students who have completed a degree at another accredited institution. Courses may transfer to Liberty from a completed undergraduate degree, but only courses that apply directly to the degree being pursued.

DEGREE COMPLETION PLAN (DCP) AUDIT

The Degree Completion Plan (DCP) Audit provides real-time advice and counsel, making it possible for students to track progress towards degree completion at their convenience. It also enables students to immediately see how their credits will apply towards a different degree program.

COURSE SEQUENCING

Suggested course sequences for resident undergraduate degree programs are available online through the CASAS webpage http://www.liberty.edu/casas.

IMPORTANT INFORMATION REGARDING INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that their host facility may require a criminal background check, fingerprint, or drug screening. In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

MINORS

Students at Liberty University are not required to complete a minor. Those who wish to declare a minor, however, are encouraged to meet with their professional advisor to review the requirements for that minor. A minor on the student’s transcript indicates the completion of a block of courses that academic departments have specified as meeting the requirements of their minor.

Consequently, since the selection of a minor is not a graduation requirement for any major at Liberty, students may use courses required for any given major to also count toward a minor if such courses are required for the minor. Students must earn a “C” or higher in all upper level courses in their chosen minor. At least 50% of the course work must be earned at Liberty University.

Finally, students who are completing requirements for a Bachelor of Arts degree, that requires twelve hours of a language, may take one additional, approved course in the chosen language and declare a minor in that language.

SPECIAL STUDENT REGISTRATION

1. Prospective students must apply as a Special Student and receive confirmation of acceptance.
2. Special Students may not accumulate more than 12 credit hours under this status.
3. Special students will follow the same registration rules and procedures as degree-seeking students.
4. Students who have been Academically Dismissed are not eligible to return to Liberty under the Special Student category.
CLASS ATTENDANCE POLICY
For the good of the Liberty University student body, a consistent attendance policy is needed so that all students in all majors will understand the expectations of faculty in all their courses. In general, regular and punctual attendance in all classes is expected of all students. At times, students will miss classes. For 100- and 200-level classes, absences will be identified as either excused or unexcused and will be handled per the policy below. For 300- and 400-level classes, students are permitted to make their own decisions regarding attendance, but faculty will outline in their syllabus the ramifications for completing an assignment late and missing a test/quiz or other essential activity/event. Work missed for excused absences in 300- and 400-level classes, as outlined below, may be made up.

Excused Absences
- Excused absences include all Liberty University sponsored events, to include athletic competition or other provost-approved event.
- Absences due to medical illness that are accompanied by a doctor’s note will be excused.
- Absences due to family situations such as a death in the family or a severe medical condition will be excused
- Students will not be penalized for excused absences and will be permitted to make arrangements to complete missed work.

Unexcused Absences
- Classes that meet:
  - Three times per week will permit four unexcused absences per semester.
  - Twice per week will permit three unexcused absences per semester.
  - Once per week will permit one unexcused absence per semester.
- Questions regarding unexcused absences must be resolved by the student with the professor within one week of the absence. Students may appeal these decisions to the respective dean within one week.
- Extraordinary circumstances regarding excessive absences will be addressed by the student with the faculty member, department chair, and dean as required.
- Penalties for each unexcused absence over the permitted number per semester will be as follows:
  - 50 points for classes that meet 3 times per week
  - 75 points for classes that meet 2 times per week
  - 150 points for classes that meet once per week
- Students who are late for class 10 minutes or less are considered tardy but present for the class. If a student misses in-class work due to tardiness, the faculty member may choose not to allow the student to make up this work. Three class tardies will be counted as one unexcused absence.
- Students who are more than 10 minutes late for class are considered absent

CLASS CANCELLATION POLICY
From time to time, it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University. Every effort will be made to provide notice of the cancellation at least two weeks prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. The University does not assume responsibility for any delay in the anticipated graduation date of individual students that might result from such class cancellations.

INDEPENDENT STUDY
Students may request to do an independent study project in a major field or related discipline. This option is limited to graduating seniors, students who have changed majors and have no other course of action, and students who may have approved extenuating circumstances. Permission for the independent study will be granted only upon approval by the Department Chair, the Dean of the School, the Administrative Dean, and the Registrar. Forms are available in the Registrar’s Office and on the Registrar’s webpage.

COURSE AUDITS
Students who wish to audit a residential course may do so for a fee (see Expenses and Financial Policy section). Audit fees are not covered in block-tuition billing, and audited courses will not be used to determine full- or part-time status. Auditors will not be expected to take quizzes or examinations. A grade of AU will be recorded on the auditor’s permanent record.

Course audits may not be added via ASIST, but must be requested in person at the registrar’s office. Requests to audit a course will only be accepted during add/drop week (or the week before the start of a summer term for summer courses). Audit requests will be processed and added on the last day of the add/drop period, pending seat availability. A student wishing to change from credit to audit status for a course may only do so until the last day of the add/drop period. Requests to change to or from audit status after the add/drop period will be denied.

Lecture-only courses may be audited. Courses considered lecture/lab, labs, private instruction, etc., may not be audited. Audited courses will not count toward graduation requirements.

COURSE SUBSTITUTIONS
A Course Substitution request may be made when a student wishes to substitute one course for another required course when a clear relationship exists between the two. This form may also be used when an academic department approves a complete replacement for a Liberty course requirement. Students requesting these exceptions must complete a “Course Substitution Request” form and submit it to the Registrar’s Office. Approval of the course substitution is under the oversight of the Dean presiding over the required course. Please note that an approved substitution will apply toward the degree requirement(s), but will not change the course number on the student’s transcript. Also, a lower-level course substituting for an upper-level requirement will not count toward the total number of upper-level hours required. Course substitutions are not applicable for certificate seeking students. Changing programs or breaking enrollment may invalidate the request.

DROPPING/ADDING/WITHDRAWING FROM COURSES
Changes are discouraged after a student and advisor have arranged the student’s schedule for the semester.

A Fall/Spring course may be dropped prior to the official start date of the course. After the course has begun, if a student has attended, the course must be withdrawn with a grade of “W.” The student will be responsible for the tuition and fees for the course. “W” grades are not used in calculating a GPA. Course withdrawals with grades of “W” are used in determining a student’s academic load for the semester, upon which tuition charges are based.
No course can be added after the first week of classes without signed approval from the course instructor and the Registrar’s Office. Exceptions to these deadlines may be granted by the Registrar in unusual circumstances, such as extreme illness or other circumstances beyond the student’s control. If a student is unable to withdraw for a specific reason (i.e., death, incapacitation, incarceration, hospitalization, etc.) an administrative grade change to “W” may be approved by the Registrar’s Office.

No course is considered officially added or dropped until the add/drop form is submitted to the Registrar’s Office and processed. This form may require the written approval of the instructor of the course.

**NOTE:**
- A student may not withdraw from or drop MENT 100 and CLST 101, 102, 103 or 105 without permission of the Director of the Bruckner Learning Center.
- A student may not withdraw from or drop BWVW 101 or BWVW 102 without the permission of the Christian/Community Service Office.

Students who do not attend their intensive(s), will be dropped from the course roster. An intensive may be dropped without a grade or a tuition charge prior to the start date of the course. Class attendance is defined, but is not limited to, any submission to Blackboard, any required submission outside of Blackboard, initiating any communication with the professor regarding an academic subject, or physically attending a class where there is an opportunity for direct interaction between the instructor and students within the enrollment dates of the course. If the student has attended, be or she must withdraw from the intensive(s) and will be liable for tuition and fees.

**REMEMBER:** Any change in status (i.e., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

**RESIDENT STUDENTS TAKING ONLINE CLASSES**

Resident students desiring to take an online course must enroll in the course during the prescribed Liberty University Online registration period. A cumulative Liberty GPA of 2.00 or higher is needed before a residential student may register for an online course. **Resident students taking online courses will be charged resident tuition.**

**Withdrawal from Liberty**

Students withdrawing from the University during the semester must meet with a representative from the Student Advocate Office for exit counseling. As a part of this process, the student must also meet with a representative from the Financial Aid Office and the Student Accounts Office (if there is an outstanding balance on the student’s account), and will be required to submit a signed statement of withdrawal. The student’s official withdrawal date is the date they begin the withdrawal process by notifying a representative from the Student Advocate Office of his/her intent to withdraw.

Students withdrawing before the semester begins must only contact the Student Advocate Office in order to initiate the withdrawal process.

Any student who withdraws from the University during the first eight weeks of classes will receive a tuition refund. (See Expenses and Financial Policy Information: Official Withdrawal Policy section). This is in effect even if the student drops classes in such a way as to go below full-time status during add/drop week.

If a student withdraws from all classes in a term, the student has officially withdrawn from the University. Financial Aid Recipients are subject to the Title IV withdrawal calculation.

**UNOFFICIAL WITHDRAWALS**

In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in residential courses. This procedure is used to determine if students are progressing toward the completion of their courses.

Students who begin a course, but at some point in the semester cease attending, and do not withdraw, will be assigned a grade of "FN" (Failure for Non-Attendance), dated to the student’s last date of attendance (based on the definition provided below). A grade of "FN" will be assigned when a student stops attending and/or participating in a class for a period of 21 consecutive days or longer.

**DEFINITION OF ATTENDANCE**

Attendance is measured by any submission of a required assignment within the enrollment dates of the course (such as examinations, written papers or projects, any discussion board posts, etc.) or initiating any communication with one’s professor regarding an academic subject. Attending is defined as completing an academically related activity which includes, but is not limited to:

- Physically attending a class where there is an opportunity for direct interaction between the instructor and students.
- Submitting an academic assignment (in Blackboard or disparate system).
- Taking an exam.
- Taking an interactive tutorial or computer-assisted instruction.
- Attending a study group that is assigned by the school.
- Participating in an online discussion about academic matters.
- Initiating contact with a faculty member to ask a question about the academic subject studied in the course.

The student alone assumes responsibility for course work missed from non-attendance. If a student receives all FN’s in a term, he/she is subject to the Unofficial Withdrawal procedure that includes the reduction and/or return of all Financial Aid. Students are fully responsible for all resulting charges on their student account. To review the entire Financial Aid Withdrawal policy, go to http://www.liberty.edu/fapolicy.

Students receiving all grades of FN will be considered to have unofficially withdrawn from Liberty. The withdrawal date will be determined by the Registrar’s Office and will be based upon University information indicating the student’s last date of attendance in class. Students with Federal grants and/or Federal loans will be subject to the Title IV withdrawal calculation. The Title IV withdrawal calculation will result in the reduction and/or cancellation of all Financial Aid. The Registrar’s Office will determine the official withdrawal date based upon the extenuating circumstances.

**Unofficial Withdrawal for Non-Attendance Appeal Process**

Students who receive a grade of "FN" may appeal to their professor to have the grade removed to allow a resumption of work in the course. This appeal must be communicated in written form to the faculty member. Please note, that appeals are reviewed on a case by case basis. If the appeal is granted the student must complete the course with an earned grade.
An expulsion resulting from violation of the disciplinary system will result in an administrative withdrawal. A grade of W will be recorded in all courses for which the individual is officially registered.

A $50 fee will be charged for the processing of an official, unofficial, or administrative withdrawal. This fee will be deducted from any refund due on the student’s account or he/she will be responsible for payment of this fee.

Anyone who withdraws from the University is considered to be breaking enrollment. Students who break enrollment must apply for readmission and will be subject to the requirements of the catalog and degree requirements in effect at the time of his or her readmission.

A student may not withdraw after finals begin or final exam/paper has been submitted.

**UNDERGRADUATE REPEAT POLICY**

The *Liberty University Undergraduate Repeat Policy* is designed to assist undergraduate students in raising their cumulative grade point average by repeating courses in which they previously performed unsatisfactorily and by removing the previous grade from the GPA calculation.

Undergraduate students are subject to the following conditions:

1. When an undergraduate course is successfully repeated*, the Undergraduate Repeat Policy will automatically be applied, all earned grades will remain visible on the student’s permanent record, and the most recent grade earned will be the only grade to count toward the student’s GPA. The registrar’s office will automatically apply the Undergraduate Repeat Policy at the end of each semester*, including the summer semester, to all eligible courses.

2. On the student’s transcript, the letter “E” will follow the previous earned grade(s) to indicate that the grade has been “excluded” from the GPA. The letter “I” will follow the most recent grade to indicate that the grade has been “included” in the student’s GPA. The grades which have been excluded from the GPA calculation will not count toward GPA hours or hours earned, but will remain on the student’s record as attempted hours. Consultation by the student with the Financial Aid office may be needed to determine how the Repeat Policy will affect the student’s Satisfactory Academic Progress.

3. There is no limit on the number of different courses or retakes in which the Undergraduate Repeat Policy may be applied. However, there may be a limited number of times that Federal Financial Aid will pay for a course taken and passed (grade of “D” or higher). It would be wise to consult with a Financial Aid counselor if there are any questions about this.

4. The Undergraduate Repeat Policy will only be used on Liberty University courses that have been repeated at Liberty University. No transfer credit or credit earned though institutional or standardized testing may be used in the Undergraduate Repeat Policy.

5. The Undergraduate Repeat Policy will only be applied when the same course number/title is retaken, unless there’s been a university approved course number/title change and the department confirms that the courses are the same. Course replacements/substitutions are not eligible for the Undergraduate Repeat Policy.

6. Undergraduate courses in which a grade of B, C, D, F, or FN was awarded are eligible for the Undergraduate Repeat Policy. Courses which are NOT eligible for the Undergraduate Repeat Policy are: pass/fail courses, zero-credit courses, CSERs, and courses with grades of AU (audit), I, M, Q, R, W, WF, X, and Z, or those courses failed due to academic dishonesty. Also, courses that are designed as repeatable courses within certain majors will not have the Undergraduate Repeat Policy applied automatically.

7. Activation of the Undergraduate Repeat Policy for a prior semester will not affect the academic standing or dean’s list award for that semester. Academic standing or dean’s list in a prior semester can only be changed as a result of an approved grade change.

8. Once a student has graduated, the Undergraduate Repeat Policy may not be used on a course taken prior to graduation to enhance the cumulative GPA which was recorded at the time of degree conferral. The repeat of a class after graduation could, however, be used to enhance the students overall undergraduate GPA at Liberty.

* Final grade has been earned and posted

\(^*\) Including sub-terms

**Scholastic Regulations**

**Warning/Probation/Suspension/Dismissal**

Students must maintain satisfactory academic standing in order to remain at Liberty. Satisfactory academic standing for students enrolled in bachelor’s programs is:

| Minimum GPA |
|-----------------|----------------|
| Level 1 (0–23.99 hours) | 1.50 |
| Level 2 (24–47.99 hours) | 1.65 |
| Level 3 (48–71.99 hours) | 1.85 |
| Level 4 (72 or more hours) | 2.00 |

Academic Standing is calculated only at the end of each fall and spring semester. At the end of each fall and spring semester, students on Academic Warning, Probation, Suspension, and Dismissal will be sent a notification by the Registrar’s Office.

Any University organization that has students who represent Liberty University in activities that involve student traveling (exclusive of one-time missions exposure trips) must first provide a list of students on the team to the Registrar to verify if the students are in good academic standing. Students who are not in good academic standing are prohibited from traveling.

**Academic Warning**

Students failing to attain and maintain the minimum GPA required are placed on Academic Warning. During the next semester, undergraduate students are limited to a 12-14-semester-hour course load and are required to take CLST 101, 102, 103 or 105, and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the course without permission from the Director of the Bruckner Learning Center.

**Academic Probation**

At the end of the semester on Academic Warning, students who fail to raise their cumulative GPA to the required academic level (see above) are placed on Academic Probation. These students are required to sign an academic plan from CASAS indicating the grades necessary to remove Probation status. During the next semester of attendance, undergraduate students are limited...
to a 12-14-semester-hour course load, are required to take CLST 101, 102, 103 or 105, and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the course without permission from the Director of the Bruckner Learning Center.

**Academic Suspension**

At the end of the semester on Academic Probation, students who fail to raise their cumulative GPA to the required academic level (see above) are placed on Academic Suspension. Students who desire to return to Liberty in the future must appeal to the Registrar’s Office in writing. If approved to return, the Registrar/CASAS will determine a plan that will prepare students for a successful re-entry to Liberty. These students are required to sign an academic plan from CASAS indicating the grades necessary to remove the Academic Suspension status. During the next semester of attendance, undergraduate students are limited to a 12-14-semester-hour course load, are required to take CLST 101, 102, 103 or 105, and may not represent the University on any team without approval from the appropriate committee. A student may not drop or withdraw from the course without permission from the Director of the Bruckner Learning Center. Students should not expect automatic readmission after serving a period of Suspension. Students who are enrolled for 12 or more hours and fail all courses will be Academically Suspended.

**Academic Dismissal**

Students who are readmitted to Liberty after serving a period of suspension and who fail to raise their cumulative GPA to the required academic level (see above) by the end of the semester will be Academically Dismissed and will not be allowed to return to Liberty unless qualifying for Academic Amnesty.

**ACADEMIC AMNESTY**

Approval for readmissions and Academic Amnesty must be approved by the Committee on Academic and Admissions Standards (CAAS). In order to qualify for academic amnesty, a student must have been academically suspended or academically dismissed from the University, as well as must satisfy the subsequent guidelines for readmission.

1. Not enrolled at the University for a period of three (3) years.
2. A student seeking readmission under academic amnesty must first appeal in writing to the Registrar’s Office. The request must be stated clearly and contain: (1) the reason for the request, and (2) efforts made to improve during absence from Liberty. Corroboration may be requested of the student, i.e. transcripts from other institutions, certificates, awards, etc.
3. The Registrar’s Office, upon receiving the written request, must receive approval from Student Conduct, Student Accounts and CAAS before readmission will be granted.
4. Previously earned grades of “A”, “B,” and “C” will remain on the student’s record and will calculate into his or her GPA. As determined by CAAS, grades of “D” and “F” are revised to “Q”.
5. Students who have been granted Academic Amnesty are not eligible for graduation honors.

**Academic Code of Honor**

1. **PREAMBLE**

   Liberty University students, faculty, administrators, and staff together form a Christian community based upon the values and goals of the Bible. These are defined in our foundational statements, including our Doctrinal Statement, our Philosophy of Education and Mission Statement, the Statement of Professional Ethics for the Faculty, and our Student Code. Together, these statements situate Liberty University within the long tradition of university culture, which in its beginnings was distinctively Christian, designed to preserve and advance truth.

   Anyone, whether Christian or non-Christian, who shares our values and goals, is both welcome and valued in our community. We want all students to feel comfortable in our community of learning, and we extend to all of our students our spiritual and academic resources, with the goal of fostering spiritual growth, character development, and academic maturity.

   Communities are based upon shared values and practices. This Code of Honor, an expression of the values inherent in our Doctrinal Statement, defines the rules and principles by which our community functions. At the core of this Code are two key concepts: a belief in the dignity of all persons and an insistence on the existence of objective truth.

   While we understand that everyone will not agree with the statements that follow, we do expect that our students respect and uphold these standards while enrolled at Liberty University. Abiding by the principles and behaviors established in this Code of Honor makes possible the success of our students and the strengthening of the Liberty community.

**ACADEMIC HONOR CODE**

A. **ACADEMIC MISCONDUCT**

   Academic misconduct includes, but is not limited to plagiarism, cheating and falsification.

1. **Plagiarism**

   Plagiarism is the intentional failure to give sufficient attribution to the words, ideas, or data of others that the student has incorporated into his/her work for the purpose of misleading the reader. In some cases, a student may be careless and fail to give credit to the words, ideas or data of others. In such situations, plagiarism has still occurred, but the professor may choose a sanction as deemed appropriate. In order to avoid plagiarism, students must conscientiously provide sufficient attribution. Attribution is sufficient if it adequately informs and, therefore, does not materially mislead a reasonable reader as to the true source of the words, ideas, or data. Students who have any doubt as to whether they have provided sufficient attribution have the responsibility to obtain guidance from their professor or other person to whom they are submitting their work.

   Plagiarism in papers, projects or any assignment prepared for a class shall include the following:

   - Omitting quotation marks or other conventional markings around material quoted from any printed source (including digital material)
   - Directly quoting or paraphrasing a specific passage from a specific source without properly referencing the source
   - Replicating another person’s work or parts thereof and then submitting it as an original
   - Purchasing a paper (or parts of a paper) and representing it as one’s own work
2. Cheating
Cheating is a form of dishonesty in which a student gives the appearance of a level of knowledge or skill that the student has not obtained, provides unauthorized aid, or wrongly takes advantage of another’s work. Examples include, but are not limited to:
- Copying from another person’s work on an examination or an assignment
- Allowing another student to copy any portion of one’s work on an examination or an assignment
- Using unauthorized materials or giving or receiving any other unauthorized assistance on an examination or an assignment
- Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for the student
- Reusing a paper from a previous course
- Paying another student to complete a course, an individual assignment or exam

3. Falsification
Falsification is a form of dishonesty in which a student misrepresents the truth, invents facts, or distorts the origin or content of information used as authority. Examples include, but are not limited to:
- Dishonestly answering or providing information in the application process
- Citing a source that is known not to exist
- Attributing to a source ideas and information that are not included in the source
- Falsely citing a source in support of a thought or idea when it is known not to support the thought or idea
- Citing a source in a bibliography when the source was neither cited in the body of the paper nor consulted
- Intentionally distorting the meaning or applicability of data
- Inventing data or statistical results to support conclusions

B. PROCEDURES FOR THE INVESTIGATION, ADJUDICATION, AND LEVELING OF SANCTIONS FOR THE VIOLATIONS OF THE ACADEMIC CODE OF HONOR

1. Processing Allegations
When an alleged violation of the Academic Code of Honor has been reported to the instructor or administrator, the instructor will confront the student within ten business days of the discovery of the infraction. The instructor may issue an oral (or written) reprimand, send written notification to the Department Chair or Program Director, reduce a grade, adjust credit on an assignment and/or require additional work. The instructor may determine that a failing grade for the course is the appropriate sanction. In any event, the instructor will inform the student of the decision.

The reporting procedure is as follows:
- The instructor will write a report outlining the violation.
- The report will be provided to the student and the Department Chair or Program Director along with the sanctions recommended.
- If blatant academic dishonesty occurs in a clear and convincing manner, the student may receive a grade of F for the course in which the academic misconduct occurred.
- Students receiving a grade of F for academic dishonesty on a particular assignment will be notified by the professor of the course in an appropriate manner, including but not limited to returning the assignment with comments, email, letter, telephone call, and/or a personal meeting.
- If warranted, the results of academic honesty review may be forwarded to the Office of Student Affairs for any other disciplinary action that may be appropriate.
- When a student receives a course grade of F for academic misconduct, the professor may report the reason for the F to the Registrar and request that it be recorded as an F grade. This F grade will appear on the student’s transcript.
- The student, upon receipt of the results of the academic honesty review, will have five business days to appeal the decision to the professor and the Department Chair or Program Director.

2. Sanctions
If the professor determines that a sanction is called for, the professor may issue an oral or written reprimand, adjust credit and/or require additional work. The professor also maintains the right to assign the grade of F for the course if the investigation determines that it is the appropriate sanction. In this instance, the Registrar will record the F, which will appear on the student’s transcript. The repeat policy may not be applied to this grade.

If the student is found guilty of academic dishonesty (either blatant or non-blatant) in any subsequent course where a grade of F for academic dishonesty is posted, he or she will be dismissed from the University.

In determining the sanction to be imposed, the following will be considered: the student’s intent to violate the Code of Honor, the degree of carelessness, the gravity of the offense and the student’s overall conduct while enrolled at Liberty University. Student Affairs and Registrar may be consulted during this process.

In cases of proven academic misconduct in a particular course, the Department Chair or Program Director will usually defer to the course professor’s recommendation. In some cases, however, where the Department Chair or Program Director perceives a clear conflict of interest or faulty judgment on the part of the faculty member, or where the sanctions suggested by the professor are demonstrably inconsistent with those that resulted from other similar instances of academic misconduct, the Department Chair or Program Director reserve the right to adjust the sanction(s) as appropriate.
A written copy of the decision shall be mailed or e-mailed to the student.

**PLEASE NOTE:** All cases of alleged academic dishonesty will be resolved with the utmost concern for strict confidentiality by those individuals involved in the proceedings. Information about the case will be provided only to those with a need to know in order to perform their job duties.

3. **Appeal Procedure**

   In cases where an allegation of any Academic Code of Honor violation occurs and the student does not admit guilt, he/she may pursue the process below. The student will be given an opportunity to provide written evidence in opposition to the charge. Persons who threaten or conduct other acts of retaliation against those individuals who acted in good faith (i.e., honestly and with intentions of being fair) in reporting (even if mistakenly) alleged instances of academic dishonesty will be subject to disciplinary action, including possible suspension or expulsion from Liberty. Any report of alleged academic dishonesty not made in good faith will also be subject to disciplinary action.

   Examples of retaliation include, but are not limited to:

   - Circumventing the appeal procedure and going directly to a university administrator such as the Dean, the Provost or the Chancellor
   - Threatening a faculty member or student
   - Harassment
   - Verbal or physical abuse
   - Verbal or written disrespect to a faculty or staff member (this includes e-mails)
   - Offensive or crude language directed at individuals
   - Falsely accusing someone of committing academic dishonesty.

   A complete overview of the appeal process follows:

   1. **Within five business days of the notification of an alleged violation, the student may submit a written appeal to the Department Chair or Program Director.** The Department Chair or Program Director will review the instructor's report and the student's written appeal, then notify the instructor and the student of his/her decision.

   2. **Both the student and any Liberty University personnel involved in or affected by the Academic Code of Honor violation will have the right to present their views to the Department Chair or Program Director before any decision is rendered.**

   3. **If the student produces additional support for his/her appeal, the student will be given an opportunity to provide oral evidence in person and written evidence in opposition to the charge.**

   4. **The Department Chair or Program Director will determine whether the student may continue in the class pending the outcome of the appeal.**

   5. **Once informed by the Department Chair or Program Director of the decision, the student may further appeal to the Dean of the appropriate school for review.**

   6. **Once informed by the Dean of the decision, the student may further appeal to the Faculty Senate Committee on Academic & Admissions Standards (CAAS) for further review.**

   7. **In determining whether any violation has occurred, the Committee will apply a “clear and convincing” evidence standard.** In some cases, Student Affairs or another University representative may join in the deliberations of the Committee as a non-voting member for the purpose of providing any background information that may be pertinent to the case.

   8. **If deemed appropriate by the Committee or if requested by the student, the student only may be present in person at the meeting of the Committee where the review will be made.**

   9. **The student will not be permitted to be present after the Committee has received all evidence and begun its deliberation toward a decision.**

   10. **The Committee will inform the Dean of its decision regarding the appeal.** The decision of the CAAS in regard to the occurrence of academic dishonesty is final.

   11. **The student will be informed of the decision of the Committee by the Dean of the appropriate school in writing or by e-mail within ten academic days of the meeting.**

   12. **Should no violation be found, the Committee's report indicating such will be forwarded to the Department Chair or Program Director and faculty member. A report of all findings (either in favor of or against the student) will be sent to the Student Affairs and Registrar’s office.** The findings will be kept in the student's official record.

   13. **In cases that do not require a grade of F for Academic Dishonesty, but may require a failed assignment, failure in the course or reduced grade, the professor reserves the right not to report the violation to Student Affairs’ or Registrar’s office.**

C. **REINSTATEMENT**

   Upon receiving two or more grades of F for academic dishonesty, the student will be dismissed for violation of the Code of Honor. Following dismissal, the student may not be considered for readmission for a minimum of five years. Readmission to the University will follow the academic amnesty policy described in the Academic Catalog. The Dean of the School has the right to refuse readmission of the student to the same degree program from which he or she was dismissed for academic dishonesty.

**INCOMPLETES**

Students who are unable to complete coursework by the last day of class due to unavoidable circumstances such as personal illness/injury or family emergencies may appeal to their instructor for a temporary course grade of “I” (Incomplete). The authority for the decision to grant an incomplete completely lies with the instructor. Denial of the request for an incomplete may include, but is not limited to, the student’s inability to earn a passing grade with completion of the remaining requirements, as well as an insufficient reason for the request. Students must initiate the request for an incomplete directly to the instructor by the last day of class (before the final exam period for residential classes).

The instructor will establish a new deadline for the completion of the remaining coursework, based on the circumstances. The instructor may grant up to two weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for non-medical circumstances and up to four weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for personal medical circumstances.
For extreme personal medical circumstances, a maximum of eight weeks for Liberty University Online courses and 16 weeks for residential courses may be given as long as sufficient medical documentation (from a medical professional) is presented along with the request. However, while the decision to grant an extended incomplete remains with the instructor, the request and medical documentation needs to be submitted to the registrar’s office. The instructor will be responsible to communicate the remaining requirements, as well as the extended deadline, to the student.

The instructor will post a final grade within two weeks from the deadline established for the incomplete. If a final grade is not posted within two weeks of the deadline, a grade of “F” will be posted by the registrar’s office. A grade of “I” may not be changed to a withdrawal.

The GPA is unaffected by the incomplete until a final grade is posted after the deadline. However, grades of “I” will count as hours attempted and not completed, and will negatively affect a student’s Satisfactory Academic Progress (SAP).

GRADING POLICIES AND PROCEDURES
Liberty University Faculty members, both residential and online, must submit final grades for all students to the Registrar at the end of each term. Faculty teaching online courses should have grades submitted to the Registrar on or before the second Wednesday after the course ends. Faculty teaching residential courses should have grades submitted to the Registrar one week after the end of each semester. Liberty University Faculty members, both residential and online, are urged to promptly complete and submit final course grades. Confidentiality of student grades falls under the Family Educational Rights and Privacy Act (FERPA) of 1974. Please see the FERPA section and policies for more information.

Grading Scales:
Liberty University incorporates a standardized 1,000-point system across all undergraduate and graduate programs. The undergraduate utilizes a 100-point scale to differentiate between letter grades, while the graduate programs utilize three distinct scales: 80, 70 and 60-point scales to differentiate between letter grades. Each academic department determines the scale used within the department. The grading scale for each course will be posted within the syllabus for each course. Students are encouraged to review the syllabus for each course individually to verify the grade scale.

RECORDING OF GRADES
All grades will be recorded in the Registrar’s Office as reported by the instructors in charge of the various courses. Requests for grade changes may be submitted in writing only by the instructor.

Any extra credit assignments that are a part of the instructor’s syllabus must be completed prior to the final exam for the course. A student may not submit assignments for extra credit after the semester has ended and a final exam has been given.

GRADE APPEAL PROCESS
The appeal process for believed errors on grade reports is as follows:
1. The appeal of the grade must be initiated within 30 days from the beginning of the subsequent semester. The student must submit a written rationale to the instructor. The instructor must respond in writing within 10 days of the receipt of the written appeal.
2. If the student is not satisfied with the written response, the student must appeal in writing to the Department Chair within 10 days of the written response. The Department Chair must provide a written response within 10 days of the receipt of the written appeal.
3. If the student is not satisfied with the response of the Department Chair, the student must provide a written appeal within 10 days of the response to the Dean of the College/School. The Dean of the College/School must respond in writing within 10 days of the receipt of the written appeal.
4. If the student is not satisfied with the response of the Dean, the student must appeal in writing within 10 days to the Senate Committee on Academic and Admission Standards (CAAS). Contact with the committee chair may be initiated by emailing the Registrar’s Office. The CAAS will follow the prescribed procedure of the Committee for the appeal of a grade. The recommendation of the Committee will be forwarded in writing, along with all previous documentation, to the Provost/Senior VPAA. The decision of the Provost/Senior VPAA is considered final.

ACADEMIC TRANSCRIPTS
Official transcripts are made only at the written, signed request of the student concerned. No transcript will be issued for anyone who has failed to meet all financial obligations to the University. Requests for transcripts are to be made directly to the Registrar’s Office. There is a $10.00 fee for one transcript. Additional transcript requests made at the same time are $1.00 each.

FERPA – PRIVACY OF STUDENT RECORDS: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
Students attending, or who have attended, Liberty University are given certain rights under the Family Educational Rights and Privacy Act of 1974 as amended (20 U.S.C. 1232g) and Rules of the Department of Education (34 C.F.R. Part 99) implementing this Act.

Additional information and University policies regarding the protection of student records are published online at http://www.liberty.edu/ferpa.

GRADUATION HONORS
Honors for graduation will be determined by the cumulative grade point average earned at Liberty. Bachelor’s degree students who have earned 60 or more hours at Liberty must meet the following GPA standards to earn the corresponding academic distinction:

- 3.50 – 3.66 cum laude
- 3.67 – 3.84 magna cum laude
- 3.85 and above summa cum laude

Those who have earned less than 60 hours at Liberty must meet the following GPA standards:

- 3.60 – 3.76 cum laude
- 3.77 – 3.94 magna cum laude
- 3.95 and above summa cum laude
The specific honor calculated on or around April 1 of the student’s graduation year will be printed in the Commencement program, and the student will wear that particular honor cord. The final cumulative GPA will be determined after all grades have been recorded and that final cumulative GPA will determine the specific honor that will be printed on the diploma and transcript.

Associate degree students who have a 3.50 cumulative GPA will receive honors at Commencement. Graduation honors are not applicable to certificate seeking students.

Students graduating in the honors program wear a gold medallion during commencement.

To receive the distinction of graduating with honors in the University Honors Program, a student must meet the following requirements, in addition to those mentioned above:

1. Must complete a minimum of 36 hours in honors courses, if the student entered the Honors Program at the beginning of his freshman year. Of these 36 hours, 24 hours are to be taken in the honors sections of General Education courses; 9 have to be taken within the major; and
2. Must enroll in HONR 495 and complete a 25-page senior honors thesis in the student’s major field of study.

CERTIFICATE COMPLETION REQUIREMENTS

All matriculated students, whether Resident or Liberty University Online, must meet the same academic requirements for certificate completion. Online certificate-seeking students must have all courses within the certificate successfully completed before being considered candidates for the awarding of a certificate.

1. The undergraduate certificate requires a minimum of 18 semester hours. Each program differs; therefore, the student must follow the certificate requirements carefully.
2. Each undergraduate certificate program requires a minimum GPA of 2.00.
3. To satisfy the requirements for the fields of study, only final grades of C or above in all certificate courses, will apply towards successful certificate completion.
4. Students who return to Liberty to complete a second certificate at the undergraduate level must have at least 3 credit hours remaining and must take a minimum of 3 additional hours of coursework at Liberty to qualify for a second certificate.
5. All 18 semester hours of the certificate coursework must be completed at Liberty.
6. A Certificate Completion Application must be filled out at the beginning of the final semester before the certificate can be awarded. The Certificate Completion Application is found online at: http://www.liberty.edu/index.cfm?PID=4849.
7. The Registrar’s Office will process the conferral of a certificate once all certificate requirements have been met, including the minimum GPA requirement and certificate completion application. If a student wishes to take further non-applicable coursework, they must do so under a new application.

GRADUATION REQUIREMENTS

All undergraduate residential students must meet these requirements for graduation.

1. Undergraduate students must have all courses in the General Education core and in the declared major and minor completed before being considered candidates for graduation.
2. The bachelor’s degree requires a minimum of 120 semester hours. However, certain majors require more than 120 hours. Of these total hours, a specified number of upper-level (300-400) courses must be completed with the minimum number being 30 semester hours. Each program differs; therefore, the student must follow the degree requirements carefully. The Associate degrees require a minimum of 60 semester hours. However, many majors require more than 60 hours.
3. All Christian/Community Service requirements must be satisfied before a degree will be awarded.
4. Each undergraduate degree program consists of designated General Education Core Competency requirements, major requirements, and in many cases, free electives. Free electives may be taken from the undergraduate courses offered in any department. A GPA of 2.00 or higher, unless otherwise specified in a particular major or minor, is required for graduation.
5. All CLEP and ICE tests must be completed prior to the start of the student’s final semester before graduation, unless a special exception was granted by the Registrar’s Office.
6. To satisfy the requirements for the major and minor fields of study, only grades of C or above in upper level courses may be included. This includes directed electives. All professional courses in a teacher preparation program require a grade of C or better. Certain majors require a grade of C or better in all major courses.
7. Students who return to Liberty to complete a second major at the undergraduate level must take a minimum of 30 additional hours of coursework at Liberty to qualify for a second degree.
8. At least twenty-five percent of the credit hours required for the bachelor’s degree must be completed at Liberty. Fifty percent of the semester hours in the major and minor must be completed at Liberty, unless otherwise specified within the degree requirements. At least twenty-five percent of the credit hours required for the associate’s degree must be completed at Liberty, and with the exception of the A.A. in General Studies, 50% of the hours in the major component of the Associate degree must be completed at Liberty.
9. NSSR 101 (New Student Seminar) is required.
10. CRST 290 (Creation Studies) is required.
11. Technology Competency
12. Submission of graduation application
13. The Registrar’s Office will process the conferral of a degree once all degree requirements have been met, including the minimum GPA requirement and graduation application. If a student wishes to take further non-applicable coursework, they must do so under a new application.
GRADUATION CHECKLIST
After the matriculated bachelor’s degree candidate has completed 75 hours toward graduation, the Center for Academic Support and Advising Services (CASAS) will evaluate the academic and Christian/Community Service record using the transcript and any approved exceptions to the program which might have been placed in the file.

The associate’s degree student will be evaluated after completing 30 hours toward graduation. Every attempt will be made to keep students informed of curricular changes so that time is given for correcting any deficiencies prior to graduation.

Students are also encouraged to utilize the DCP Audit on ASIST in order to determine which requirements may still be outstanding.

Students who break enrollment will be required to follow the degree requirements in effect at the time of re-entry to the University.

GRADUATION APPROVAL
All candidates for graduation must be approved by the Faculty and the Board of Trustees. Conditions such as transfer credit and incomplete grades should be satisfied by the beginning of the candidate’s last semester.

GRADUATION CEREMONY
Degrees are granted throughout the academic school year. All candidates for degrees may participate in the annual graduation exercises which take place in May.

TIME LIMITS FOR DEGREE COMPLETION
Students pursuing a certificate must complete the certificate requirements within three (3) years of the date of matriculation.

Students pursuing an associate’s degree must complete the degree requirements within seven (7) years of the date of matriculation.

Students pursuing a bachelor’s degree must complete the degree requirement within 10 years of the date of matriculation.

Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for readmission and will be subject to the requirements of the Catalog and Degree/Certificate Completion Plan (DCP/CCP) in effect at the time of his/her readmission.

A break in enrollment occurs when the student fails to re-enroll from one semester to the next. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and degree requirements in effect at the time of their readmission.

SEMESTER CREDIT SYSTEM

The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for fifteen weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour. Online courses are equivalent to the number of classroom contact hours (750 minutes per credit hour) expected in a synchronous residential course.

PART TIME VS. FULL TIME

To qualify as a full-time undergraduate student, you must be enrolled in a minimum of 12 credit hours. A part-time student must be enrolled from 6 to 11 credit hours.

SEMESTER LOAD AND OVERLOAD

The Liberty University Online semesters consist of several sub-terms. Most sub-terms are 8-weeks or 16-weeks in length, and may begin and end at different times within the semester.

The usual semester load for full-time undergraduate online students is 12 hours per semester. Students must secure permission to take more than 18 hours in a semester. A student who has established a cumulative GPA of 3.00 or better may, with the approval of the Associate Registrar, take up to 21 hours; 22-24 hours requires approval of the Associate Registrar and a cumulative GPA of 3.50. In certain circumstances, exceptions above 24 hours may be approved.

CERTIFICATE ENROLLED STUDENTS

Certificate students are required to abide by some of the same policies as Undergraduate degree seeking students. These policies include: change of major, course registration, class attendance, drop and withdrawal processes, Repeat Policy, broken enrollment, or a program/major change. To determine the grade point average, (GPA) the quality points earned are divided by the semester hours attempted (quality hours). Only courses taken at Liberty are used in computing the GPA. Only grades of A, B, C, D, F and FN are used in the calculation of the GPA.

A student’s cumulative GPA is comprised of all coursework completed at the current academic level (Undergraduate, Graduate, Doctoral, etc.) regardless of prior degree conferral, broken enrollment or a program/major change. To determine the grade point average, (GPA) the quality points earned are divided by the semester hours attempted (quality hours). Only courses taken at Liberty are used in computing the GPA. Only grades of A, B, C, D, F and FN are used in the calculation of the GPA.

DEAN’S LIST

Undergraduate associate and bachelor level students who earn 12 or more GPA hours with a term GPA of 3.50 or above are placed on the Dean’s List. This does not apply for certificate level students.

COMPUTER COMPETENCY

Students are expected to have adequate experience in computer applications such as word processing, spreadsheets, database, Internet research, media presentations, and email communication. Undergraduate students lacking such experience should register for INFT 110 – Computer Concepts and Applications, in their first semester.

COURSE PLANNING

A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. The course planning schedule is published online at: http://www.liberty.edu/academics/registrar/index.cfm?PID=23103.

Transfer of Credits

Normally courses and degrees from regionally accredited institutions or those nationally accredited by accrediting agencies recognized by the U.S. Department of Education (e.g., SACSCOC, TRACS, ABHE, etc.) will be evaluated for transfer of credit. However, on a limited basis Liberty does accept transfer credit via experiential learning, advanced placement and professional certificates from unaccredited institutions under certain terms and
conditions established by Committee on Academic and Admissions Standards. Credit earned through this process will not be counted toward the required minimum of 50% of the major and 30 hours of credit that must be completed through Liberty University. Also, credit earned through the portfolio process or professional certificate evaluation cannot exceed 30 credit hours. Applicants must request that official transcripts be sent directly from the Registrar(s) of the previous school(s) to the Registrar’s Office at Liberty University. These transcripts must be received before an admission decision will be made.

Credit will be accepted for those courses that are undergraduate level in which applicants have made a grade of C or better. Transcripts are evaluated under the guidelines established by the Senate Committee on Academic and Admissions Standards. Internships, capstone courses, special topics, remedial courses, workshops, seminars, independent studies, and varsity courses are not transferable. Students may appeal their transfer evaluation with a course description and Transfer Inquiry Form.

At any point prior to degree conferral, students may petition to have courses that are listed as electives substitute for required courses by using the Course Substitution form.

INTERNATIONAL TRANSFER CREDIT

The evaluation of international transfer credit requires students to submit a translated official transcript in conjunction with course descriptions prior to the approval process. International transfer credit is accepted only from an institution recognized by the government of the country in which the institution is located.

Foreign students are encouraged and sometimes required to use foreign credential evaluation services such as World Education Services (www.wes.org) to have their transcripts validated and evaluated before sending them to Liberty University. A credential evaluation service must be a member of the National Association of Credential Evaluation Services (www.naces.org) before it can be accepted at Liberty University.

CREDIT BY EXAMINATION

Liberty University offers students the opportunity to receive academic credit toward their undergraduate degrees through testing. Credit may be earned through the Advanced Placement, CLEP, ICE, DSST, Excelsior and Federal Aviation Administration programs. The items listed above, and the following credit by examination options, are not applicable to certificate seeking students.

Advanced Placement (AP)

Students who receive a score of 3 or higher on the College Board Advanced Placement examinations will be awarded academic credit toward an undergraduate degree. Credit will be awarded only in those areas applicable to the Liberty curriculum.

College-Level Examination Program (CLEP)

The College-Level Examination Program (CLEP), sponsored by The College Board, offers a unique opportunity to gain college credit for knowledge that a student has acquired. The program includes several tests covering a variety of subjects. Students who meet or exceed the Liberty University minimum score will receive the corresponding credit. Students may take the CLEP exam at a local testing center in their area. Students can find an approved testing center by checking www.collegeboard.com/clep. Upon completion of the CLEP exam, students should request the official scores to be sent directly to Liberty University for evaluation.

**Institutional Challenge Examinations (ICE)**

To apply for credit by examination, students must submit the ICE Request form to the ICE Coordinator. A registration fee of $50 will be charged for each ICE registration. A $45 passing fee will only be applied if a student should pass the exam. Such requests are subject to the following guidelines:

1. Requests must be submitted through the ICE coordinator (luoice@liberty.edu) using the ICE Request form located at [http://www.luongline.com/index.cfm?pid=14243](http://www.luongline.com/index.cfm?pid=14243).
2. The minimum passing score for the undergraduate level courses is 70%.
3. A maximum of 30 hours of ICE credits will be accepted toward an undergraduate degree; the number of credits that may be applied toward each major may vary.

4. Students may not take the ICE if the course has previously been taken or is currently being taken.
5. ICE credits may not be applied toward residency hours.
6. Each exam will be available for 30 days after registering for it. After the deadline, it cannot be accessed.
7. Liberty University Online students may take the following ICE exams online:

   - **BIBL 104** Survey of Biblical Literature
   - **BIBL 105** Old Testament Survey
   - **BIBL 110** New Testament Survey
   - **BIBL 450** Daniel-Revelation
   - **BIBL 497** Bible Prophecies
   - **BMIS 200** Enterprise Business Applications and Communications
   - **THEO 104** Introduction to Christian Thought
   - **THEO 201** Theology Survey I
   - **THEO 202** Theology Survey II

**Dantes Subject Standardized Tests (DSSTs)**

Undergraduate college credit may be earned through the DANTES Subject Standardized Tests (DSSTs) program, which is administered by Educational Testing Services (ETS) in conjunction with DANTES. Examinations are available to both military personnel and civilians. Students may find an approved testing center and view fact sheets for various tests that are offered at [www.getcollegecredit.com](http://www.getcollegecredit.com). A complete list of accepted exams, course equivalency and the minimum required score is available at [http://www.luonline.com/index.cfm?PID=16931](http://www.luonline.com/index.cfm?PID=16931).

**Excelsior College Exam Credit**

Excelsior College exams are approved for credit in the Liberty University Online program. Undergraduate college credit may be earned through Excelsior College Exams. For further information on earning credit through Excelsior exams, go to: [http://www.excelsior.edu/ecapps/exams/creditByExam.jsf](http://www.excelsior.edu/ecapps/exams/creditByExam.jsf). The following courses are subject for credit, based on the scores earned.

The Portfolio Guidelines are as follows:

- Seek tentative approval from the Liberty University Online Portfolio Coordinator at pla@liberty.edu.
- Enroll in GEED 205 – Learning Theory & Portfolio Development, which is required prior to portfolio submission, and successfully complete the course. Education students should enroll in EDUC 205, which has a portfolio option.
- Prepare a portfolio(s) using the guidelines established at http://www.liberty.edu/online/index.cfm?PID=15141.
- Submit a portfolio for each course that has been tentatively approved by the Portfolio Coordinator.
- Pay a $100 assessment fee per portfolio.
- The portfolio will be assessed by the Liberty University Online Faculty Assessor and Associate Dean within 4 weeks.
- Once the assessment is complete, the Portfolio Coordinator will send an email notice regarding approval.
- Portfolios may not be submitted for COMS 101, GOVT 200, Internships or Capstone Courses.
- The hours awarded are counted as transfer hours and are not considered as hours earned at Liberty University.

Please note that credit earned through the portfolio process and/or a certificate of completion will be limited to a combined maximum of 30 hours.

**Military Evaluations**

Liberty University will evaluate students’ prior military experience and develop a degree plan for each student to follow. Evaluations will be based solely upon the recommendations of the American Council of Education (ACE) guidebook, Guide to the Evaluation of Educational Experiences in the Armed Services. Students will generally find that the Interdisciplinary major maximizes the use of their existing credits.

**CREDIT FOR SEMINARS**

As part of the "action-oriented" curriculum at Liberty, certain seminars and travel opportunities are offered for academic credit. Students who wish to obtain credit for such activities must receive prior approval from the Registrar.

**COURSEWORK AT OTHER INSTITUTIONS**

Prior to registering for any course at another institution, students must submit a Transient Request Form to guarantee transferability. The online form can be found at http://www.luonline.com/index.cfm?PID=14241.

**CHANGE OF CERTIFICATE**

Liberty University Online students select their certificate of study when they apply. If a student decides to change the certificate they are seeking, the online student must contact the Academic Advising Department and request to change his/her certificate of study via phone or Liberty University webmail account. Certificate changes become effective for the semester following their request.

**CHANGE OF MAJOR**

Liberty University Online students select their major when they apply. If a student decides to change their major, the online student must contact the Academic Advising Department and request to change his/her major via phone or Liberty University webmail account. All requests for a change of major will be processed by the Registrar’s Office upon receipt, and will be effective the following full term of enrollment.
DOUBLE MAJORS
Undergraduate associate and bachelor level students who wish to complete a double major must contact the Academic Advising Department and declare the double major via phone or their Liberty University webmail account. Double majors are not applicable to certificate seeking students.

Students pursuing a bachelor’s degree must have 30 unique hours within the core of the first or second major or degree. The foundational and investigative studies may be shared if they are the same, however, if any requirements are different, the student must fulfill the higher of the two requirements.

The requirements from one major can be used as electives for the second major, and vice versa. At least 50% of the course work in each major must be earned at Liberty University.

Students who wish to earn an A.A. degree with two majors must have at least 15 unique hours in the core of the first or second major.

Students with a conferred A.A. degree who wish to earn a second A.A. degree must complete at least 15 additional hours through Liberty University, and there must be at least 15 unique hours in the core of the second major.

Students who currently hold a bachelor’s degree and want to pursue an associate’s degree will need to take a minimum of 15-hours through Liberty University of which 15-hours must be unique in the core of the major.

Students who currently hold a bachelor’s degree and want to pursue another bachelor’s degree will need to take a minimum of 30- additional hours through Liberty University of which 30-hours must be unique in the core of the major.

DUPLICATE CREDIT
In the event that a student earns credit for the same course more than one time, whether at Liberty, at another college, or through standardized testing, that course/credit may only count one time toward the completion of his/her degree. The only exception to this would be if the course/credit is approved by the academic department or administration to be used more than one time toward a student’s degree/major.

CERTIFICATE TO ANOTHER CERTIFICATE OR DEGREE SEEKING PROGRAM
Online certificate students who would like to either select another certificate after completing one certificate or move onto a degree seeking program upon completion of the certificate must contact Liberty University Online Admissions to apply for readmission to another certificate or degree-seeking program. All courses taken within the undergraduate certificate will transfer directly into the undergraduate certificate or degree program, only if applicable. Students must have at least one outstanding course requirement for the new certificate in order to have the new certificate awarded.

If a student chooses not to finish the undergraduate certificate and switch to a degree seeking program, a new application must be submitted and accepted in order to proceed to a degree seeking program. Upon acceptance to the new program, the previously earned courses will only apply to that new program if the courses meet the grade and GPA requirements necessary for that certificate or degree program.

CERTIFICATE COMPLETION PLAN AUDIT
The Certificate Completion Plan Audit (found under Degree Completion Plan Audit via ASIST) provides real-time advice and counsel, making it possible for students to track progress towards certificate completion at their convenience. It also enables students to see immediately how their credits will apply towards a different program. PDF versions of all CCPs are available online at http://www.liberty.edu/index.cfm?PID=2981.

DEGREE COMPLETION PLAN (DCP) AUDIT
The Degree Completion Plan (DCP) Audit provides real-time advice and counsel, making it possible for students to track progress towards degree completion at their convenience. It also enables students to immediately see how their credits will apply towards a different degree program. PDF versions of all DCPs are available online at http://www.liberty.edu/index.cfm?PID=2981.

GENERAL EDUCATION REQUIREMENTS FOR OUT OF STATE STUDENTS
In addition to Liberty University’s general education requirements, distance education students may also be required to fulfill additional requirements set by their home states. Specific Degree Completion Plans for each state whose requirements differ are available from Liberty University Online Advising. This does not apply for certificate seeking students.

IMPORTANT INFORMATION REGARDING INTERNSHIPS AND CLINICAL PLACEMENTS
Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that their host facility may require a criminal background check, finger printing, or drug screening. In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internships, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

MINORS
Students at Liberty University are not required to complete a minor. Those students in a Bachelor’s program who wish to declare a minor, however, are encouraged to contact the Academic Advising Department to review the requirements for that minor. A minor on the student’s transcript indicates the completion of a block of courses that academic departments have specified as meeting the requirements of their minor.

Consequently, since the selection of a minor is not a graduation requirement for any major at Liberty, students may use courses required for any given major to also count toward a minor if such courses are required for the minor. Students must earn a “C” or higher in all upper level courses in their chosen minor. At least 50% of the course work must be earned at Liberty University. Minors are not applicable for associate level or certificate seeking students.

SPECIAL STUDENT REGISTRATION
1. Prospective students who do not want to be degree-seeking, or only want to take a few courses at Liberty, must apply as a Special Student and receive confirmation of acceptance.
2. Special Students may not accumulate more than 12 credit hours under this status.
3. In order to register, Liberty University Online students must apply as special students on the application.
4. Students who have been Academically Dismissed are not eligible to return to Liberty under the Special Student category.

**COURSE REGISTRATION, ACTIVATION, AND COMPLETION DATES**

Students may register for courses online through ASIST. A student’s enrollment period (course activation) begins the first day of the upcoming sub-term, provided that the student is in good academic standing and has completed Financial Check-In. Students are encouraged to allow sufficient time to review their course materials before the beginning of the sub-term. See the University calendar for sub-term dates.

The student has 8 weeks from the sub-term course activation date to complete the course. In some cases, courses are 16 weeks in length. For these courses, the student has 16 weeks from the sub-term course activation date to complete the course. Students are expected to submit tests and course work throughout the term. At the end of the first week of each sub-term, courses are reviewed to determine if the student is attending in the course. If the student has not submitted an academic assignment (such as the course requirements checklist, an examination, written paper or project, discussion board post, email to a professor, or other academic event), the student will be dropped from the course roster at the end of week one and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

Students who begin attendance by submitting an academic assignment but eventually cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

If the student receives all FN in a term, the student is subject to Unofficial Withdrawal procedure which includes the reduction and/or return of all Financial Aid.

Students receiving all Fs in a term must appeal to Financial Aid to receive aid in their next term of enrollment.

Students may drop a course for a full refund, through the day prior to the sub-term begin date. Beginning on the first day of the sub-term, students may withdraw from a course for a grade of W. Failure to submit any or all of the coursework may result in a grade of F or FN.

**ONLINE CLASS ATTENDANCE**

Regular attendance in online courses is expected throughout the length of the term. Students who do not attend within the first week of a sub-term by submitting an academic assignment (such as the course requirements checklist, an examination, written paper or project, discussion board post, or other academic event) will be dropped from the course roster at the end of week one and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The student alone assumes responsibility for course work missed from non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Students who begin attendance by submitting an academic assignment but eventually cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

**CLASS CANCELLATION POLICY**

From time to time, it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University. Every effort will be made to provide notice of the cancellation at least two weeks prior to the first scheduled meeting of the class. The Registrar’s Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. The University does not assume responsibility for any delay in the anticipated graduation date of individual students that might result from such class cancellations.

**LATE ASSIGNMENT POLICY**

If the student is unable to complete an assignment on time, then he or she must contact the instructor immediately by Liberty Webmail. Assignments that are submitted after the due date without prior approval from the instructor will receive the following deductions:

1. Late assignments submitted within one week of the due date will receive a 10% deduction.
2. Assignments submitted more than one week late will receive a 20% deduction.
3. Assignments submitted two weeks late or after the final date of the class will not be accepted.
4. Late Discussion Board threads or replies will not be accepted. Special circumstances (e.g. death in the family, personal health issues) will be reviewed by the instructor on a case-by-case basis.

**COURSE AUDITS**

Students who wish to audit an online course may do so for a fee. Audited courses will not be used to determine full- or part-time status. Auditors will not be expected to take quizzes or examinations. A grade of AU will be recorded on the auditor’s permanent record.

Course audits may not be added via ASIST, but must be requested by emailing the Registrar’s Office. Requests to audit a course will only be accepted during the registration timeframes before a term starts. Audit requests will be processed and added, pending availability. A student wishing to change from credit to audit status for a course may only do so until the last day of the registration deadline. Requests to change to or from audit status after the registration deadline will be denied.

**COURSE SUBSTITUTIONS**

A Course Substitution request may be made when a student wishes to substitute one course for another required course when a clear relationship exists between the two. This form may also be used when an academic department approves a complete replacement for a Liberty course requirement. Students requesting these exceptions must submit a “Course Substitution Request” form to luotransfer@ liberty.edu. Please note that an approved substitution will apply toward the degree requirement(s), but will not change the course number on the student’s transcript. Also, a lower-level course substituting for an upper-level requirement will not count toward the total number of upper-level hours required. Course substitutions are not applicable for certificate seeking students. Changing programs or breaking enrollment may invalidate the request.

**DROPPING, ADDING, WITHDRAWING FROM COURSES**

Liberty University Online students may drop a course at any time prior to the sub-term begin date for a full refund. Students may drop the course by selecting ‘drop via web’ on their current schedule through the add/drop page under registration on the “Student” tab on ASIST (up until two weeks before the start of the course), or by contacting Liberty University Online Advising by phone or email any time before the first day. The course must be dropped prior to the start date of the course. This is also possible during the first week of class if completed prior to attendance.
DEFINITION OF ATTENDANCE

In an effort to comply with U.S. Department of Education policies, attendance is measured by any submission of a required assignment within the enrollment dates of the course (such as examinations, written papers or projects, any discussion board posts, etc.) or initiating any communication with one’s professor regarding an academic subject. Attending is defined as completing an academically related activity which includes, but is not limited to:

- Physically attending a class where there is an opportunity for direct interaction between the instructor and students.
- Submitting an academic assignment (in Blackboard or disparate system).
- Taking an exam.
- Taking an interactive tutorial or computer-assisted instruction.
- Attending a study group that is assigned by the school.
- Participating in an online discussion about academic matters.
- Initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Beginning on the first day of the sub-term through the last day of the sub-term, students who have begun attending a course may withdraw with a grade of “W” and receive a pro-rated tuition credit based on the date of the withdrawal and attendance in the course.

Students who do not attend their intensive(s), will be dropped from the course roster. An intensive may be dropped without a grade or a tuition charge, prior to the start date of the course. Class attendance is defined, with the above definition.

REMEMBER: Any change in status (i.e., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

Withdrawal from Liberty

Online students withdrawing from the University must contact the Liberty University Online Academic Advising Department via the student’s Liberty University email account or via the phone to start the process. The withdrawal date will generally be the date the student submitted the intent to withdraw form. If the withdrawal request is mailed or faxed to the Academic Advising Department, the withdrawal date will generally be the date the withdrawal request is received by the University.

Grades of W will be recorded for all courses from which the individual withdraws. A student may not withdraw after the last official day of the course or if all coursework is completed. For intensive courses, a student may not withdraw after the final exam has begun. Students requesting to withdraw will be subject to the Title IV withdrawal calculation. The Title IV withdrawal calculation will result in the reduction and/or cancellation of all Financial Aid.

See Financial Information section.

Students who wish to withdraw from one or more courses in a given semester must contact the Liberty University Online Academic Advising Department in writing, via their Liberty University email account or by phone. Students who withdraw from all courses in which they are enrolled will be subject to the Title IV withdrawal regulations and will be reported as withdrawn from the University. However, it will not be necessary to reapply unless more than 12 months have elapsed since the original deadline date of the student’s last enrollment period. Students only withdrawing from all courses in a given semester will be allowed to re-enroll in the next semester. However, the student will be subject to the Satisfactory Academic Progress Policy administered by the Financial Aid Office.

UNOFFICIAL WITHDRAWALS

The U.S. Department of Education requires that every university monitor the attendance of their students. Liberty University uses the earlier noted definition of attendance to determine what constitutes attendance.

Students who begin a course, but at some point in the semester cease attending, and do not withdraw, will be assigned a grade of "FN" (Failure for Non-Attendance), dated to the student’s last date of attendance (based on the definition provided below). A grade of "FN" will be assigned when a student stops attending and/or participating in a class for a period of 21 consecutive days or longer.

The student alone assumes responsibility for course work missed from non-attendance. If a student receives all FN’s in a term, he/she is subject to the Unofficial Withdrawal procedure that includes the reduction and/or return of all Financial Aid. Students are fully responsible for all resulting charges on their student account. To review the entire Financial Aid Withdrawal policy, go to www.liberty.edu/fapolicies.

WITHDRAWAL FROM COURSES

Students requesting to withdraw from courses during the semester must submit a withdrawal request via the link they will receive when they contact Liberty University Online Academic Advising. Generally, the withdrawal date will be the date the student submitted the intent to withdraw form. A grade of W will be assigned to all courses from which the student withdraws.

UNDERGRADUATE REPEAT POLICY

The Liberty University Undergraduate Repeat Policy is designed to assist undergraduate students in raising their cumulative grade point average by repeating courses in which they previously performed unsatisfactorily and by removing the previous grade from the GPA calculation.

Undergraduate students are subject to the following conditions:

1. When an undergraduate course is successfully repeated*, the Undergraduate Repeat Policy will automatically be applied, all earned grades will remain visible on the student’s permanent record, and the most recent grade earned will be the only grade to count toward the student’s GPA. The Registrar’s Office will automatically apply the Undergraduate Repeat Policy at the end of each term*, including the summer term, to all eligible courses.

2. On the student’s transcript, the letter “E” will follow the previous earned grade(s) to indicate that the grade has been “excluded” from the GPA. The letter “I” will follow the most recent grade to indicate that the grade has been “included” in the student’s GPA. The grades which have been excluded from the GPA calculation will not count toward GPA hours or hours earned, but will remain on the student’s record as attempted hours. Consultation by the student with the Financial Aid office may be needed to determine how the Repeat Policy will affect the student’s Satisfactory Academic Progress.

3. There is no limit on the number of different courses or retakes in which the Undergraduate Repeat Policy may be applied. However, there may be a limited number of times that Federal Financial Aid will pay for a course taken and passed (grade of “D” or higher). It would be wise to consult with a Financial Aid counselor if there are any questions about this.
4. The Undergraduate Repeat Policy will only be used on Liberty University courses that have been repeated at Liberty University. No transfer credit or credit earned though institutional or standardized testing may be used in the Undergraduate Repeat Policy.

5. The Undergraduate Repeat Policy will only be applied when the same course number/title is retaken, unless there’s been a university approved course number/title change and the department confirms that the courses are the same. Course replacements/substitutions are not eligible for the Undergraduate Repeat Policy.

6. Undergraduate courses in which a grade of B, C, D, F, or FN was awarded are eligible for the Undergraduate Repeat Policy. Courses which are NOT eligible for the Undergraduate Repeat Policy are pass/fail courses, zero-credit courses, and courses with grades of AU (audit), I, M, Q, R, W, WF, X, and Z, or those courses failed due to academic dishonesty. Also, courses that are designed as repeatable courses within certain majors will not have the Undergraduate Repeat Policy applied automatically.

7. Activation of the Undergraduate Repeat Policy for a prior semester will not affect the academic standing or dean’s list award for that semester. Academic standing or dean’s list in a prior semester can only be changed as a result of an approved grade change.

8. Once a student has graduated, the Undergraduate Repeat Policy may not be used on a course taken prior to graduation to enhance the cumulative GPA which was recorded at the time of degree conferral. The repeat of a class after graduation could, however, be used to enhance the students overall undergraduate GPA at Liberty.

* Final grade has been earned and posted
^ Including sub-terms

UNOFFICIAL WITHDRAWAL FOR NON-ATTENDANCE APPEAL PROCESS

Students who receive a grade of "FN" may appeal to their professor to have the grade removed to allow a resumption of work in the course. This appeal must be communicated in written form to the faculty member. Please note, that appeals are reviewed on a case by case basis. If the appeal is granted the student must complete the course with an earned grade.

Students must complete and receive final grades for all courses in a semester before they will be allowed to enroll in the next semester. Students receiving all F’s in a term must appeal to Financial Aid to receive aid in their next term of enrollment.

Students may drop a course for a full refund, through the day prior to the sub-term begin date. Beginning on the first day of the sub-term, if a student has attended, he or she must withdraw from a course for a grade of W. Failure to submit coursework after initially attending may result in a grade of F or FN.

BREAK IN ENROLLMENT

A break in enrollment occurs when a student is not actively taking a class each academic year. The academic year begins with start of the fall semester and ends with the conclusion of the summer term.

Students who break enrollment will be required to follow the degree requirements in effect at the time of re-entry to the University.

Scholastic Regulations

Warning/Probation/Suspension/Dismissal

Students must maintain satisfactory standing in order to remain at Liberty. Satisfactory scholastic standing for students enrolled in an undergraduate program is:

<table>
<thead>
<tr>
<th>Level</th>
<th>Minimum GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>1.50</td>
</tr>
<tr>
<td>2</td>
<td>1.65</td>
</tr>
<tr>
<td>3</td>
<td>1.85</td>
</tr>
<tr>
<td>4</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Academic Standing for Liberty University Online students is calculated only at the end of the Fall, Spring and Summer terms.

Academic Warning

Students failing to attain and maintain the scholastic standing required are placed on Academic Warning. During the next semester, Liberty University Online undergraduate students should plan to limit enrollment to a 13-semester-hour course load and may be required to take CLST 100 or 101.

Academic Probation

At the end of the semester on Academic Warning, students who fail to raise the GPA to a satisfactory level (see above) are placed on Academic Probation. During the next semester of attendance, Liberty University Online undergraduate students should plan to limit enrollment to a 13-semester-hour course load, and may be required to take CLST 100 or 101.

Academic Suspension

At the end of the semester on Academic Probation, students who fail to raise the GPA to the required academic level (see above) are placed on Academic Suspension. Students who desire to continue their studies must submit a written appeal to the Registrar’s Office. The Associate Registrar will review the appeal, and if it is approved, an Academic Contract will be formulated. The student must agree in writing to abide by the terms of the contract before being permitted to register for courses. If a student is a re-applicant to Liberty University Online, the student must agree in writing to abide by the terms of the contract prior to being approved for re-admission. Students who are enrolled for 12 or more hours and fail all courses within any given term will be Academically Suspended.

Academic Dismissal

Students who are permitted to take classes while on the status of Academic Suspension and who fail to raise the GPA to the required academic level (see above) by the end of the semester or fail to meet the terms of their Academic Contract will be Academically Dismissed, and will not be allowed to return to Liberty unless qualifying for Academic Amnesty.

At the end of each semester, students on Academic Warning, Probation, Suspension, and Dismissal will be sent a notification by the Registrar’s Office.

ACADEMIC AMNESTY

Approval for readmission under Academic Amnesty must be granted by the Office of the Provost. To qualify for academic amnesty, a student must have been academically suspended or academically dismissed from the University, as well as must satisfy the subsequent guidelines for readmission.

1. Not enrolled at the University for a period of two (2) years.
2. A student seeking readmission under academic amnesty must first appeal in writing to the Registrar’s Office. The request must be stated clearly and contain: (1) the reason for the request, and (2) efforts made to improve during
ACADEMIC AND PERSONAL CODE OF HONOR

Liberty University is comprised of a network of students, Alumni, faculty, staff and supporters that together form a Christian community based upon the truth of the Bible. This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. These principles irrevocably align Liberty University’s operational procedures with the long tradition of university culture, which remains distinctively Christian, designed to preserve and advance truth. Our desire is to create a safe, comfortable environment within our community of learning, and we extend our academic and spiritual resources to all of our students with the goal of fostering academic maturity, spiritual growth and character development.

Communities are predicated on shared values and goals. The Code of Honor, an expression of the values from which our Doctrinal Statement was born, defines the fundamental principles by which our community exists. At the core of this code lie two essential concepts: a belief in the significance of all individuals, and a reliance on the existence of objective truth.

While we acknowledge that some may disagree with various elements of the Code of Honor, we maintain the expectation that our students will commit to respect and uphold the Code while enrolled at Liberty University. Adherence to the principles and concepts established within facilitates the success of our students and strengthens the Liberty community.

The Code of Honor can be viewed in its entirety online at http://www.liberty.edu/index.cfm/PID=19155.

INCOMPLETES

Students who are unable to complete coursework by the last day of class due to unavoidable circumstances such as personal illness/injury or family emergencies may appeal to their instructor for a temporary course grade of “I” (Incomplete). The authority for the decision to grant an incomplete completely lies with the instructor. Denial of the request for an incomplete may include, but is not limited to, the student’s inability to earn a passing grade with completion of the remaining requirements, as well as an insufficient reason for the request. Students must initiate the request for an incomplete directly to the instructor by the last day of class (before the final exam period for residential classes). The instructor will establish a new deadline for the completion of the remaining coursework, based on the circumstances. The instructor may grant up to two weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for non-medical circumstances and up to four weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for personal medical circumstances.

For extreme personal medical circumstances, a maximum of eight weeks for Liberty University Online courses and 16 weeks for residential courses may be given as long as sufficient medical documentation (from a medical professional) is presented along with the request. However, while the decision to grant an extended incomplete remains with the instructor, the request and medical documentation needs to be submitted to the Registrar’s Office. The instructor will be responsible to communicate the remaining requirements, as well as the extended deadline, to the student.

The instructor will post a final grade within two weeks from the deadline established for the incomplete. If a final grade is not posted within two weeks of the deadline, a grade of “F” will be posted by the registrar’s office. A grade of “I” may not be changed to a withdrawal.

The GPA is unaffected by the incomplete until a final grade is posted after the deadline. However, grades of “I” will count as hours attempted and not completed, and will negatively affect a student’s Satisfactory Academic Progress (SAP).

Military Deployment

Liberty University understands the demands placed on today’s service member and we are willing to work with our students when their military duty causes delays in their academic progress. According to military policy for Tuition Assistance, the University must post grades within 30-days of the end date of the course. If a military student needs additional time to complete their course requirements due to deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances, they have two options:

1. They may contact their professor and request up to an additional 3 weeks to complete the requirements.

2. Should they need more time, they can request a military withdrawal.

Military students must notify their Military Education Office of a course Incomplete if they are receiving Tuition Assistance. Incomplete requests and supporting documents may be faxed to (434) 455-1287 or scanned and emailed to luomilitary@liberty.edu, or mailed to: Liberty University; Liberty University Online; Office of Military Affairs; 1971 University Blvd.; Lynchburg, VA 24515.

GRADING POLICIES AND PROCEDURES

Liberty University Faculty members, both residential and online, must submit final grades for all students to the Registrar at the end of each term. Faculty teaching online courses should have grades submitted to the Registrar on or before the second Wednesday after the course ends. Faculty teaching residential courses should have grades submitted to the Registrar one week after the end of each semester. Liberty University Faculty members, both residential and online, are urged to promptly complete and submit final course grades. Confidentiality of student grades falls under the Family Educational Rights and Privacy Act (FERPA) of 1974. Please see the FERPA section and policies for more information.

Grading Scales:

Liberty University incorporates a standardized 1,000-point system across all undergraduate and graduate programs. The undergraduate utilizes a 100-point scale to differentiate between letter grades, while the graduate programs utilize three distinct scales: 80, 70 and 60-point scales to differentiate between letter grades. Each academic department determines the scale used within the department. The grading scale for each course will be posted within the syllabus for each course. Students are encouraged to review the syllabus for each course individually to verify the grade scale.

### Recording of Grades

All grades will be recorded in the Registrar’s Office as reported by the instructors in charge of the various courses. Requests for grade changes may be submitted in writing only by the instructor. Any extra credit assignments that are a part of the instructor’s syllabus must be completed prior to the final exam for the course. A student may not submit assignments for extra credit after the semester has ended and a final exam has been given.

### Grade Appeal Process

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course. The Grade Appeal Process and form can be found at http://www.liberty.edu/online/student-advocate-office.

#### Criteria for Appeal:

1. Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:
   - The published grading rubrics for the course assignments
   - Written communication (i.e., email, announcements, etc.)
   - Calculation error on an assignment (resulting in a change to the final grade)

   Appeals, other than those mentioned above, will not be reviewed. The student must provide written documentation that demonstrates the occurrence of one or more of the above grounds for appeal. Documentation may be in the form of email correspondence, graded assignments, proof of timely submission, etc.

#### Appeal Process:

A student wishing to appeal a final grade must submit the appeal to their professor and seek to resolve the situation with them. If the student wishes to appeal further they must follow the process outlined below:

1. Within 30 calendar days of the end of the term, the student may submit a written appeal to the Online Chair, but should do so through Liberty University Online Advising. The student must include the information required above. The Online Chair will consult with the instructor and review the student’s written appeal. The Online Chair will then notify Liberty University Online Advising, the instructor and the student of his/her decision.

2. If the student has additional support for their appeal, the student may submit a written appeal to the Online Associate Dean, through Liberty University Online Advising after receiving the decision by the Online Chair. This written appeal must be received by Liberty University Online Advising within five (5) business days of the Online Chair’s email. The Online Associate Dean will review the student’s appeal, as well as any information provided by faculty member. When a decision has been reached, the Online Associate Dean will notify Liberty University Online Advising, the Online Chair, the faculty member and the student.

3. If the student has additional support for their appeal, after receiving the decision by the Online Associate Dean, the student may submit a written appeal to the Online Academic Dean through Liberty University Online Advising. This written appeal must be received by Liberty University Online Advising within 5 business days of the Online Associate Dean’s email. The Associate Dean will review the student's appeal, as well as any information provided by faculty member. When a decision has been reached, the Online Academic Dean will notify Liberty University Online Advising, the Online Associate Dean, the Online Chair, the faculty member, and the student. The Online Academic Dean’s decision is final.

### Academic Transcripts

Official transcripts are made only at the written, signed request of the student concerned. No transcript will be issued for anyone who has failed to meet all financial obligations to the University. Official transcripts are not released directly to the student. Requests for transcripts are to be made directly to the Registrar’s Office. There is a $10.00 fee for one transcript. Additional transcript requests made at the same time are $1.00 each.

### FERPA – Privacy of Student Records: Family Educational Rights and Privacy Act

Students attending, or who have attended, Liberty University are given certain rights under the Family Educational Rights and Privacy Act of 1974 as amended (20 U.S.C. 1232g) and Rules of the Department of Education (34 C.F.R. Part 99) implementing this Act. Additional information and University policies regarding the protection of student records are published online at http://www.liberty.edu/ferpa.

### Graduation Honors

Honors for graduation will be determined by the cumulative grade point average earned at Liberty. Bachelor’s degree students who have earned 60 or more hours at Liberty must meet the following GPA standards to earn the corresponding academic distinction:

- 3.50 - 3.66 cum laude
- 3.67 - 3.84 magna cum laude
- 3.85 and above summa cum laude

Bachelor degree students who have earned less than 60 hours at Liberty must meet the following GPA standards:

- 3.60 - 3.76 cum laude
- 3.77 - 3.94 magna cum laude
- 3.95 and above summa cum laude

The specific honor calculated on or around April 1 of the student’s graduation year will be printed in the Commencement program, and the student will wear that particular honor cord. The final cumulative GPA will be determined after all grades have been recorded and that final cumulative GPA will determine the specific honor that will be printed on the diploma and transcript.

Associate degree students who have a 3.50 cumulative GPA will receive honors at Commencement. Graduation honors are not applicable to certificate seeking students.

### Certificate Completion Requirements

All matriculated students, whether Resident or Liberty University Online, must meet the same academic requirements for certificate completion. Online certificate-seeking students must have
all courses within the certificate successfully completed before being considered candidates for the awarding of a certificate.

1. The undergraduate certificate requires a minimum of 18 semester hours. Each program differs; therefore, the student must follow the certificate requirements carefully.
2. Each undergraduate certificate program requires a minimum GPA of 2.00.
3. To satisfy the requirements for the fields of study, only final grades of C or above, in all certificate courses, will apply towards successful certificate completion.
4. Students who return to Liberty to complete a second certificate at the undergraduate level must have at least 3 credit hours remaining and must take a minimum of 3 additional hours of coursework at Liberty to qualify for a second certificate.
5. All 18 semester hours of the certificate coursework must be completed at Liberty.
6. A Certificate Completion Application must be filled out at the beginning of the final semester before the certificate can be awarded. The Certificate Completion Application is found here: http://www.liberty.edu/index.cfm?CID=4849.
7. The Registrar’s Office will process the conferral of a certificate once all certificate requirements have been met, including the minimum GPA requirement and certificate completion application. If a student wishes to take further non-applicable coursework, they must do so under a new application.

GRADUATION REQUIREMENTS

All matriculated students, whether Resident or Liberty University Online, must meet the same academic requirements for graduation. Undergraduate students must have all courses in the General Education requirements, a major, and electives. Electives may be taken from the undergraduate courses offered in any department. A GPA of 2.00 or higher, unless otherwise specified in a particular major or minor, is required for graduation.

1. The bachelor’s degree requires a minimum of 120 semester hours. Of these total hours, a specified number of upper-level (300-400) courses must be completed with the minimum number being 30 semester hours. Each program differs; therefore, the student must follow the degree requirements carefully. The Associate of Arts degree requires a minimum of 60 semester hours.
2. Each undergraduate degree program consists of designated General Education requirements, a major, and electives. Electives may be taken from the undergraduate courses offered in any department. A GPA of 2.00 or higher, unless otherwise specified in a particular major or minor, is required for graduation.
3. To satisfy the requirements for the major and minor fields of study, only grades of C or above in upper level courses may be included. This includes directed electives. Certain majors require a grade of C or above in all major courses.

4. Students who return to Liberty to complete a second major at the undergraduate level must take a minimum of 30 additional hours of coursework at Liberty to qualify for a second degree.
5. At least twenty-five percent of the credit hours required for the bachelor’s degree must be completed at Liberty. Fifty percent of the semester hours in the major and minor must be completed at Liberty, unless otherwise specified within the degree requirements. At least twenty-five percent of the credit hours required for the associate’s degree must be completed at Liberty, and with the exception of the A.A. in General Studies, 50% of the hours in the major component of the Associate degree must be completed at Liberty.
6. The Registrar’s Office will process the conferral of a degree once all degree requirements have been met, including the minimum GPA requirement and graduation application. If a student wishes to take further non-applicable coursework, they must do so under a new application.

GRADUATION APPROVAL

All candidates for graduation must be approved by the Faculty and the Board of Trustees.

GRADUATION CEREMONY

Degrees are granted throughout the academic school year. All candidates for degrees may participate in the annual graduation exercises which take place in May.

TIME LIMITS FOR DEGREE COMPLETION

Students pursuing a certificate must complete the certificate requirements within three (3) years of the date of matriculation.

Students pursuing an associate’s degree must complete the degree requirements within seven (7) years of the date of matriculation.

Students pursuing a bachelor’s degree must complete the degree requirement within ten (10) years of the date of matriculation.

Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for readmission and will be subject to the requirements of the Catalog and Degree/Certificate Completion Plan (DCP/CCP) in effect at the time of his/her readmission.

A break in enrollment occurs when the student fails to enroll in at least one course during an academic year. The academic year begins with the start of the fall semester and ends with the conclusion of the summer term. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and degree requirements in effect at the time of their readmission.

INITIAL PAYMENTS FOR RETURNING STUDENTS
Once a returning student completes Financial Check-In, all payments made prior to the beginning of the semester are held in deposit to secure the student’s class schedule, institutional grants or scholarships, and campus housing, as applicable.

Should the student decide not to return, the University must be notified in writing with a request for refund of the initial payments prior to the last day of drop/add. This written request may be sent to studentrefunds@liberty.edu. Without prior written notification, the student and money on the account are subject to the conditions described in the official withdrawal policy (explained below).

PAYMENTS ON STUDENT ACCOUNT
Payment on a student account can be made in the form of a check, money order, cashier’s check, credit card, or online via the student’s ASIST account. Cash payments are received at the General Cashier’s Office in the Student Service Center located in Green Hall. Students may cash checks at the cashiering windows for a fee of $1 per check.

A student’s account must be paid in full prior to registering for any future courses. The Financial Check-In system online is where students confirm their financial arrangements with Liberty University. When a student completes Financial Check-In for a future term, and then becomes delinquent in the current term, or loans are returned to the lender, the resulting balance must be resolved prior to the start of the future term. It is in the best interest of the student, in this circumstance, to consult with a Student Accounts Representative to discuss options for resolution on account.

Monthly statements are sent by email to current and former students who have an outstanding balance on their account. Statements are sent to the student’s Liberty email address.

PAYMENT PLANS
The University offers Payment Plan options to students in the form of scheduled, automatic, monthly payment drafts for student account balances. A non-refundable Payment Plan Participation Fee is charged for each semester that the student participates in the Payment Plan. The initial payment will draft within 24 hours of establishing the payment plan, and the remaining installments are automatically processed on the scheduled draft date (1) from a bank account; or (2) from a debit/credit card account. No interest is charged on the outstanding balance while in a Payment Plan.

Those students who enter a Payment Plan and later decide not to return, the University must be notified in writing with a request for refund of the initial payments prior to the last day of drop/add. This written request may be sent to studentrefunds@liberty.edu. Without prior written notification, the student and money on the account are subject to the conditions described in the official withdrawal policy (explained below).

Payment Plan options will vary depending upon when Financial Check-In is completed.

CHARGEBACK FEE
If a chargeback is initiated by a student, and the Merchant findings are in favor of the University, the student’s account will be assessed a chargeback fee. The fee amount is dependent on the current credit card processor’s fee to the University.

RETURNED PAYMENT FEE
A student will be charged a Returned Payment Fee for any returned or declined payment made via check, automatic draft or declined credit card draft(s). After two returned or declined payments, all transactions for the remainder of the academic year can only be made by cash, money order, or certified check. Repeat offenders are subject to losing the privilege of utilizing the check payment option, and monthly payment plan options. Any future payment options will be at the discretion of the Director of Student Accounts. If a student provides invalid checking or credit card account information for their Payment Plan, the student’s account will also be subject to the Returned Payment Fee.

CHECK CASHING
As a courtesy to our currently enrolled students, the General Cashier’s Office will cash checks from parents, the student’s personal checking account, or a Liberty University payroll check.

The maximum amount for cashing is $50 and can only be cashed once a week. A fee of $1 per check will be charged for each check cashed. If a check is returned to the University for any reason, the student’s account will be assessed the check amount as well as the Returned Payment Fee. After two (2) offenses, the student will lose the privilege of cashing checks with Liberty University.

FLAMES PASS
The Flames Pass is the official Liberty University ID card. The card is used for meal plans, Flames Cash, campus events and recreation, authorized building entry, student discounts, and other activities and services. You may obtain a Flames Pass by submitting a photo online or visiting the Card Services Office. In the event the card is lost, the student may purchase a replacement at the cost of $25.

FLAMES CASH
Flames Cash is the declining balance account on the Flames Pass. These funds are accepted at a multitude of on and off-campus merchants. Flames Cash is a convenient and secure way to carry money with no account fees, rolls over from year to year, and can be easily added and managed online.

HIGHER ONE CARD
Higher One is the banking partner that disburses refunds for the University. Every Liberty University student is issued a Higher One card as a tool for receiving refunds. After completing Financial Check-In, your card is sent to the address on file in your ASIST account. There is a charge of $15 to replace a lost card.

Additional Information
Additional information about the Flames Pass, Flames Cash, and the Higher One Card can be found online at http://www.liberty.edu/cardservices.
BOOKS AND SUPPLIES
Tuition does not cover the cost of course materials. Costs will vary according to the student’s course of study and the availability of used books. The cost of textbooks and supplies will average $700 per semester. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date.

The following funds may be used by resident students when purchasing textbooks:

- **Book Dollars:** awarded to new first term students upon completion of Financial Check-In. Amount of award will be determined according to the Financial Check-In completion date.
- **Book Vouchers:** students can include funds through Financial Check-In, to be transferred to the book store as a book voucher, for the purchase of their books.
- **Flames Cash:** funds can be applied to a Flames Cash Account and used at the Bookstore, as well as other approved participating merchants. Current information is found at [http://www.liberty.edu/index.cfm?pid=21106](http://www.liberty.edu/index.cfm?pid=21106).

**Online courses:** All online course materials are available through MBS Direct, and may be available at the University Bookstore. Online purchases are made through MBS direct at [http://www.mbsdirect.net/liberty](http://www.mbsdirect.net/liberty).

**ACTIVITY FEE**
All resident students are required to pay an Activity Fee each semester (fall and spring). This fee provides access to Liberty University activities, admission to athletic events, access to the LaHaye Student Union recreational facilities, and to help offset the cost of other resources dedicated to student activities. Regardless of residence status, all students are subject to this fee. This fee is not pro-rated for part-time students.

**ALL** students who attend an **intensive** course on campus will be charged an activity course fee. If a student has already paid the semester activity fee, in which the intensive is taken, an additional activity fee will not be charged.

**COURSE FEES**
Course fees and fees charged for special elective-type courses by organizations other than the University, will be paid by the student in addition to normal credit hour charges. Course fees are published on the Registrar’s Office web page at [http://www.liberty.edu/Registrar](http://www.liberty.edu/Registrar).

**HOUSING FEE**
A student living in University housing is required to pay the applicable housing fee each semester depending on location and amenities. This fee covers room, and the basic resident board plan in the University dining hall.

If a student moves into the hall at check-in, and then withdraws or is allowed to move off campus (see regulations in the Student Affairs section of this publication) during the first three weeks of the semester, they will be charged as follows:

- **Main Campus** - $220 per week for any part of a week in which they reside in the residence hall, or belongings remain in room.
- **Quads Living** - $235 per week for any part of a week in which they reside in the residence hall, or belongings remain in room.
- **Campus East** - $235 per week for any part of a week in which they reside in the residence hall, or belongings remain in room.

There will be no adjustment made for the room portion of the housing fee if the student moves off campus after the three-week period; however, the meals portion will be rebated at a flat rate of $40 per week for the unused portion of the semester. The three-week adjustment period begins on the first official day of classes.

New and transfer students who attend orientation, live in University housing prior to the first week of classes, and who then withdraw at any time before that week of classes, will be charged $150 for their stay.

**DINING FEE**
Any student living in University housing is **required** to pay the applicable housing and dining fees each semester (including online students that are living on campus). These fees cover housing amenities and the basic resident dining plan in the University dining hall. This requirement allows students to focus on academics and extracurricular activities rather than basic needs such as food and shelter. The required dining plan for students living in University housing promotes healthy living, social engagement, and the residential community experience.

**NEW STUDENT ASSESSMENT FEES**
All new Resident students, both freshman and college transfer students, are required to take a computer assessment. If a student transfers a course that demonstrates competency in the required computer skills, the test requirement can be waived.

Students have the option to take assessments in English and Math. These assessments aid in placing students in the appropriate course levels in these disciplines. An Assessment Fee will be applied to the student’s account for each assessment taken.

**WITHDRAWAL FEE**
A fee of $50 will be charged for the processing of an official, unofficial, medical, or administrative withdrawal. A student who ceases to attend classes will receive the withdrawal fee, for the processing of an unofficial withdrawal.

**GRADUATION APPLICATION FEE**
All graduating students must complete a graduation application through their ASIST account. A $100 Graduation Application Fee will be assessed to the term in which the student submits the application.

The Graduation Application Fee is automatically assessed by Registrar near the time of the Graduation Application, not degree conferral. This fee is not contingent on the student’s attendance at graduation events and activities; it is assessed for processing the graduation application. This fee is non-refundable.

**FEE APPEAL POLICY**
A written appeal may be submitted to the department that assessed the charge. If the disputed charge cannot be reconciled with the assessing department, a written appeal with all supporting documentation can be submitted to the Student Accounts Office within 30 business days of the billing/notification.

1. All pertinent information will be obtained and compiled by the Student Accounts Office.
2. The disputed charge will be reviewed by authorized Student Accounts Representatives.
3. A decision will be made by the authorized Representatives and the student notified.
4. If necessary, an appeal may be reviewed by a Manager and/or Associate Director to render a final decision.

Liberty University Undergraduate Catalog – 2014-2015
All appeals are to be submitted online at http://www.liberty.edu/index.cfm?PID=20659. All appeals will receive a response within 30 days after the written appeal has been received.

REFUND POLICY FOR ENROLLED STUDENTS:
Enrolled qualified students can receive a refund from their student account once all obligations have been met and a credit balance remains.

Financial Check-In provides students with two credit-management options through the Authorizations page of Financial Check-In.
- By Selecting "Hold my credit" a student authorizes Liberty University to hold a Title IV credit balance for a future term.
- By Selecting "Refund my credit" a student authorizes Liberty University to release a Title IV refund to the student (in all cases except Parent Plus loan refunds).

Credit from Title IV must be refunded to a student's Higher One account. At the end of each academic year, all Title IV (Federal Grants and Federal Loans) credit balances must be refunded. Credit balances will be refunded to the students ONLY.

Refunds will be processed by HigherOne as follows, depending on the origination of funds. The student must register a refund preference with their Higher One account, according to instructions provided with the Higher One card. Once a refund has been received by HigherOne, those funds will be made available for the student to access, through the following options:
- Easy Refund (Next Business Day) – Funds will be available for use via the HigherOne account.
- ACH Transfer (1-3 Business Days) – Have refund transferred via electronic funds transfer into designated personal checking account.

Title IV Refunds
(Federal Unsubsidized Loan, Federal Subsidized Loan, Federal Parent PLUS loan, Federal Pell Grant, FSEOG, etc.)
Within the Financial Check-In process, students authorize the handling of a credit balance on their student account. The funds may either be held throughout the academic year, applying to any account balance, or students can authorize the credit balance to be refunded. These credits are processed within 14 days from the first day of classes or when loans are disbursed, whichever is later.

Title IV credits will be refunded according to student’s refund preference selected on his or her Higher One Card account. Students can select either One Account Deposit or ACH Transfer to another bank.

Credits from Parent PLUS will be refunded to the loan applicant in the form of a check, unless written authorization is submitted to the Financial Aid Office stating that the refund may be sent to the student.

Refunds Unrelated to Title IV Aid
Students must submit a written request to receive a refund not related to Title IV aid. Written request must be sent to:
- Residential students: studentrefund@liberty.edu
- Online students: luorefunds@liberty.edu

Official Withdrawal Policy
Liberty University is committed to the success of every student and will work with each student to determine the best option to alleviate financial and academic challenges and get students back on track in their studies. Withdrawals from Liberty University fall under different categories: academic, administrative, medical or personal.

PLEASE NOTE: Students who must withdraw due to military deployment are required to meet with the Student Advocate Office with a copy of their orders. They will then be referred to Military Affairs.
- Resident Student:
  - Withdrawing from individual courses, while maintaining enrollment in others, does not constitute a total withdrawal.
  - Students requesting to withdraw from courses during the semester must submit a Withdrawal Form to the Registrar. Generally, the withdrawal date will be the date the student submitted the form to the Registrar.
  - No refund will be issued for a student who withdraws from residential course, and all billing hours will remain on the student’s account.

For more information, please visit http://www.liberty.edu/index.cfm?PID=25048.

- Intensives and Summer School
  - A resident student who withdraws from an on-campus intensive or summer class will be assigned a grade of “W” for that class and will be responsible for all tuition and fees.

Additional information is available on the Registrar’s web page at http://www.liberty.edu/academics/registrar/?PID=19029.

- Online Student:
  - Withdrawing from individual courses in a sub-term (including overlapping 16-week sub-terms) does not constitute a total withdrawal until that student has withdrawn from all courses in that sub-term (including overlapping 16-week sub-terms).
  - A student withdrawing from a sub term, when registered for course(s) within a future sub-term, must submit a letter of intent regarding any future sub-terms within the semester of withdrawal. If no letter of intent is received at time of withdrawal, the student will be automatically dropped from the future sub-terms, resulting in a total withdrawal from the semester.
  - Students requesting to withdraw must submit the Intent to Withdrawal Form to their academic advisor. This will constitute a withdrawal. Generally, the withdrawal date will be the date the Intent to Withdrawal Form is received by the Academic Advising department.

UNOFFICIAL WITHDRAWAL
The University has established a procedure, in accordance with Title IV regulations, to determine if students enrolled in the online courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether or not a student who began a course, and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun, yet cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period, will be assigned grades of FN. Students receiving all FN’s in a semester will be processed as an unofficial withdrawal. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed for the student and the student will be reported as
withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation.

MEDICAL WITHDRAWAL POLICY
This applies to Resident students only and only for medical conditions documented by the on-campus Liberty University Health Services physicians. Tuition, mandatory fees and housing fee will be pro-rated by week or any portion for a week attended. Other fees are charged at 100%.

Title IV Withdrawal Policy
When students withdraw from all classes in a given term, they will be subject to a proration of all federal, state and institutional aid. This proration takes into account the total number of days that the student was enrolled. For instance, if there are 100 days in a term, and a student withdraws on day 20, that student has earned 20% of his federal, state and institutional aid. All remaining aid is unearned, and unearned portions of federal funds are required by law to be sent back to the federal government (34 CFR 668.22). Please note that Liberty University institutional aid will be prorated according to the same schedule as Title IV federal student aid.

Because of these provisions, please be aware that having enough financial aid to cover your charges at the beginning of the semester does not ensure that your financial aid will completely cover your charges at the time of withdrawal.

To begin the withdrawal process: Resident students must contact their Student Advocate. Online students must contact their Academic Advisor. For more information on the financial repercussions of withdrawing, please contact Liberty University’s Financial Aid Office at 1-888-583-5704.

WITHDRAWAL REFUND POLICY
Resident students are considered ‘withdrawn from the University’ if they withdraw from all courses for the semester.

- Any resident student who withdraws from the University and completes the official withdrawal procedure will receive a refund of tuition and fees as follows:

  1. 100% will be credited if a student withdraws during the first week of classes
  2. 50% will be credited if a student withdraws during the second, third or fourth week of classes
  3. 25% will be credited if a student withdraws during the fifth through eighth week of classes
  4. No tuition or fees will be credited after the eighth week of classes

- The housing fee will be charged at the rate of:
  o $200 per week for Main Campus residence halls
  o $215 for Quad-living residence halls
  o $250 per week for Campus East residence halls, for any part of a week in which the student resides in the dormitory.

- There will be no rebate for the room portion of the dormitory fee after the first three weeks.

- The meals portion will be rebated at a flat rate of $40 per week for the unused portion of the semester, regardless of room location.

An Online student who is currently enrolled in courses for a given term (including overlapping 16-week sub-terms) will be considered as totally withdrawn when that student is withdrawn from all courses in that sub-term.

- Any student who completes the official withdrawal procedure may receive a refund of tuition and mandatory fees (i.e. technology and activity fees, if applicable) as follows:

  1. 100% tuition and fees will be credited if the student withdraws within the first week of the class but before submission of the first assignment (first assignment includes the Course Requirements Checklist).
  2. 75% tuition and fees will be credited if the student withdraws after submitting their first assignment and through the end of the second week of classes.
  3. 50% tuition and fees will be credited if the student withdraws after the second week of classes and before the end of the fourth week of classes.
  4. 25% tuition and fees will be credited if the student withdraws after the fourth week of classes but before the seventh week of classes.
  5. No tuition or fees will be credited after the sixth week of classes.

Intensives: A week is defined as Monday morning at 12:00 a.m. through Sunday night at 11:59 p.m. This may not align with the posted deadlines.

1. One- and Two-Week Intensives (tuition and fees credit)
   100% - Start of class to close of the first day
   50% - Start of class to close of the second day
   0% - After the close of the second day, the student is liable for ALL tuition and fees

2. Three-Week Intensive (tuition and fees credit)
   100% - Start of class to close of the first day
   50% - Start of class to close of the third day
   25% - Start of class to close of the fifth day
   0% - After the close of the fifth day, the student is liable for ALL tuition and fees

3. Four-Week Intensive (tuition and fees credit)
   100% - Start of class to close of the first day (End of drop/add period)
   50% - Start of class to close of the fourth day
   25% - Start of class to close of the seventh day
   0% - After the close of the seventh day, the student is liable for ALL tuition and fees

UNPAID ACCOUNTS
Tuition, the housing fee (if applicable), and all other costs on a student’s account are payable prior to or at the time of Financial Check-In. Students who do not make payment on their account within a reasonable amount of time will be denied access to the cafeteria, printing services, and library until such arrangements are made. If a student is 10 or more days delinquent on his account, the student may be removed from classes. Failure to make financial arrangements could ultimately result in removal from university housing and administrative withdrawal.

Students with unpaid accounts will not be eligible to register for subsequent terms. They will also be ineligible to receive an official transcript or diploma until the account is paid in full. The student will be responsible for any collection fees incurred in collecting the account. A 1% finance charge (12% APR) may be assessed each month on outstanding balances.

LIBERTY UNIVERSITY EN ESPAÑOL

For the online Liberty University en Español undergraduate degree seeking student, tuition and fees will be charged at the online standard rates. Additional financial information regarding Liberty University en Español is available on the web at http://www.liberty.edu/studentaccounts, or email student accounts.

CERTIFICATE PROGRAMS

The tuition charge for each Certificate Program is the same as its corresponding Undergraduate and Graduate Degree tuition charge.

Financial Check-In (FCI)

All students are required to complete Financial Check-In through Liberty University’s online system (ASIST). Official Financial Check-In (matriculation) occurs when a student has completed Financial Check-In located online through ASIST. The Financial Check-In is a system where ALL students complete their financial arrangements with Liberty University for tuition and fees, to include prior, current, and/or future balances. Deadlines, specific procedures and payment options can be viewed on the Student Accounts webpage www.liberty.edu/studentaccounts. Students that do not complete Financial Check-In by the published deadline will be subject to having their courses and housing (if applicable) dropped and will be assessed the Late Check-In Fee.

All students are required to register and complete FCI prior to arriving on campus or attending a class.

All Online Students: register for courses and then complete Financial Check-In online.

Please visit the Student Accounts web page for current information on procedures, payment options, deadlines, and schedules: http://www.liberty.edu/studentaccounts.

INITIAL PAYMENTS FOR RETURNING STUDENTS

Once a returning student completes Financial Check-In, all payments made prior to the beginning of the semester are held in deposit to secure the student’s class schedule, institutional grants or scholarships, and campus housing, as applicable.

Should the student decide not to return, the University must be notified in writing with a request for refund of the initial payments prior to the last day of drop/add. This written request may be sent to luostudentrefund@liberty.edu. Without prior written notification, the student and money on the account are subject to the conditions described in the official withdrawal policy (explained below).

PAYMENTS ON STUDENT ACCOUNT

Payment on a student account can be made in the form of a check, money order, cashier’s check, credit card, or online via the student’s ASIST account. Cash payments are received at the General Cashiers Office in the Student Service Center located in Green Hall.

A student’s account must be paid in full prior to registering for any future courses. The Financial Check-In system online is where students confirm their financial arrangements with Liberty University. When a student completes Financial Check-In for a future term, and then becomes delinquent in the current term, or loans are returned to the lender, the resulting balance must be resolved prior to the start of the future term. It is in the best interest of the student, in this circumstance, to consult with a Student Accounts Representative to discuss options for resolution on account.

Monthly statements are sent by email to current and former students who have an outstanding balance on their account. Statements are sent to the student’s Liberty email address.

PAYMENT PLANS

The University offers Payment Plan options to students in the form of scheduled, automatic, monthly payment drafts for student account balances. A non-refundable Payment Plan Participation Fee is charged for each semester that the student participates in the Payment Plan. The initial payment will draft within 24 hours of establishing the payment plan, and the remaining installments are automatically processed on the scheduled draft date (1) from a bank account; or (2) from a debit/credit card account. No interest is charged on the outstanding balance while in a Payment Plan.
Those students who enter a Payment Plan and later withdraw from the plan are still subject to the Payment Plan Participation Fee. While the system will accommodate online adjustments to an account as additional credits or debits alter the balance, changes to a Payment Plan requiring University staff intervention are subject to a Payment Plan Change Fee.

It is the responsibility of the student, and person financially responsible for the student’s account, to maintain current bank or credit card information and to ensure that the account has sufficient funds at the time of the scheduled draft under the Payment Plan agreement. When using a card, check with the bank or credit card company that the daily spending limit can accommodate the draft amount, avoiding declined payment(s) and resulting fees. The bank or credit card account must be from an institution that participates in automatic draft/debit programs. Liberty University cannot draft payments from non-U.S. bank accounts, money markets, trusts, home equity or savings accounts.

| Payment Plan options will vary depending upon when Financial Check-In is completed. |

| CHARGEBACK FEE |
If a chargeback is initiated by a student, and the Merchant findings are in favor of the University, the student’s account will be assessed a chargeback fee. The fee amount is dependent on the current credit card processor’s fee to the University.

| RETURNED PAYMENT FEE |
A student will be charged a Returned Payment Fee for any returned or declined payment made via check, automatic draft or declined credit card draft(s). After two returned or declined payments, all transactions for the remainder of the academic year can only be made by cash, money order, or certified check. Repeat offenders are subject to losing the privilege of utilizing the check payment option, and monthly payment plan options. Any future payment options will be at the discretion of the Director of Student Accounts. If a student provides invalid checking or credit card account information for their Payment Plan, the student’s account will also be subject to the Returned Payment Fee.

| COURSE FEES |
Course fees and fees charged for special elective-type courses by organizations other than the University, will be paid by the student in addition to normal credit hour charges. A list of course fees is published on the Registrar’s Office web page at http://www.liberty.edu/registrar.

| ON CAMPUS INTENSIVE FEE |
Liberty University Online students who attend an intensive course on campus will be charged an activity fee of $25 per course.

| ACTIVITY FEE FOR ON-CAMPUS INTENSIVE(S) |
Liberty University Online students who attend an intensive course on campus will be charged an activity fee of $15 per credit.

| ALL | students who attend an intensive course on campus will be charged an activity course fee. If a student has already paid the semester activity fee, in which the intensive is taken, an additional activity fee will not be charged. |

| WITHDRAWAL FEE |
A fee of $50 will be charged for the processing of an official, unofficial, medical, or administrative withdrawal. A student who ceases to attend classes will receive the withdrawal fee, for the processing of an unofficial withdrawal.

| GRADUATION APPLICATION FEE |
All graduating students must complete a graduation application through their ASIST account. A $100 Graduation Application Fee will be assessed to the term in which the student submits the application.

The Graduation Application Fee is automatically assessed by Registrar near the time of the Graduation Application, not degree conferral. This fee is not contingent on the student’s attendance at graduation events and activities; it is assessed for processing the graduation application. This fee is non-refundable.

| FEE APPEAL POLICY |
A written appeal may be submitted to the department that assessed the charge. If the disputed charge cannot be reconciled with the assessing department, a written appeal with all supporting documentation can be submitted to the Student Accounts Office within 30 business days of the billing/notification.

1. All pertinent information will be obtained and compiled by the Student Accounts Office.
2. The disputed charge will be reviewed by authorized Student Accounts Representatives.
3. A decision will be made by the authorized Representatives and the student notified.
4. If necessary, an appeal may be reviewed by a manager and/or associate director to render a final decision.

All appeals are to be submitted online at http://www.liberty.edu/index.cfm?PID=20659. All appeals will receive a response within 30 days after the written appeal has been received.

| CHECK CASHING |
As a courtesy to our currently enrolled students, the General Cashier’s Office will cash checks from parents, the student’s personal checking account, or a Liberty University payroll check.

The maximum amount for cashing is $50 and can only be cashed once a week. A fee of $1 per check will be charged for each check cashed. If a check is returned to the University for any reason, the student’s account will be assessed the check amount as well as the Returned Payment Fee. After two (2) offenses, the student will lose the privilege of cashing checks with Liberty University.

| FLAMES PASS |
The Flames Pass is the official Liberty University ID card. The card is used for meal plans, Flames Cash, campus events and recreation, authorized building entry, student discounts, and other activities and services. A student may obtain a Flames Pass by submitting a photo online or visiting the Card Services Office. In the event the card is lost, the student may purchase a replacement at the cost of $25.

| FLAMES CASH |
Flames Cash is the declining balance account on the Flames Pass. These funds are accepted at a multitude of on and off-campus merchants. Flames Cash is a convenient and secure way to carry money with no account fees, rolls over from year to year, and can be easily added and managed online.

| HIGHER ONE CARD |
Higher One is the banking partner that disburses refunds for the University. Every Liberty University student is issued a Higher One card as a tool for receiving refunds. After completing Financial Check-In, your card is sent to the address on file in your ASIST account. There is a charge of $15 to replace a lost card.
ADDITIONAL INFORMATION

Additional information about the Flames Pass, Flames Cash, and the Higher One Card can be found online at http://www.liberty.edu/cardservices.

BOOKS AND SUPPLIES

Tuition does not cover the cost of course materials. Costs will vary according to the student’s course of study and the availability of used books. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date.

All online course materials are available online through MBS Direct; http://www.mbsdirect.net/liberty.

If a student has a credit on their Liberty University student account, course materials may be charged to the student’s account by means of the online book voucher system.

- Book Vouchers: students can include funds through Financial Check-In via a Book Voucher, which is then transferred for use to MBS Direct. When Financial Check-In is completed an initial voucher or additional voucher can be added up to the credited amount on the account. Any excess voucher over the amount of the credit will need to be paid out of pocket. Note: Book Vouchers for online students can only be used at MBS Direct.

Any online student taking a Resident or Intensive class may need to purchase their materials through the Liberty University Bookstore.

ONLINE CLASS ATTENDANCE

Regular attendance in online courses is expected throughout the length of the term. Online students who do not attend within the first week of a sub-term by submitting an academic assignment (such as the Course Requirement Checklist, an examination, written paper or project, discussion board post, or other academic event) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to be allowed back in the course.

The online student alone assumes responsibility for course work missed from non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Online students who begin attendance by submitting an academic assignment and then cease progressing toward the completion of the course will be assigned a grade of FN during the semester.

REFUND POLICY FOR ENROLLED STUDENTS:

Enrolled qualified students can receive a refund from their student account once all obligations have been met and a credit balance remains.

Financial Check-In provides students with two credit-management options through the Authorizations page of Financial Check-In.

- By selecting "Hold my credit" a student authorizes Liberty University to hold a Title IV credit balance for a future term.
- By selecting "Refund my credit" a student authorizes Liberty University to release a Title IV refund to the student (in all cases except Parent Plus loan refunds).

Credit from Title IV must be refunded to a student's Higher One account. At the end of each academic year, all Title IV (Federal Grants and Federal Loans) credit balances must be refunded. Credit balances will be refunded to the students ONLY.

Refunds will be processed by HigherOne as follows, depending on the origination of funds. The student must register a refund preference with their Higher One account, according to instructions provided with the Higher One card. Once a refund has been received by HigherOne, those funds will be made available for the student to access, through the following options:

- Easy Refund (Next Business Day) – Funds will be available for use via the HigherOne account.
- ACH Transfer (1-3 Business Days) - Have funds refund transferred via electronic funds transfer into designated personal checking account.

Title IV Refunds

(Federal Unsubsidized Loan, Federal Subsidized Loan, Federal Parent PLUS loan, Federal Pell Grant, FSEOG, etc.)

Within the Financial Check-In process, students authorize the handling of a credit balance on their student account. The funds may either be held throughout the academic year, applying to any account balance, or students can authorize the credit balance to be refunded. These credits are processed within 14 days from the first day of classes or when loans are disbursed, whichever is later.

Title IV credits will be refunded according to student’s refund preference selected on his or her Higher One Card account. Students can select either One Account Deposit or ACH Transfer to another bank.

Credits from Parent PLUS will be refunded to the loan applicant in the form of a check, unless written authorization is submitted to the Financial Aid Office stating that the refund may be sent to the student.

Refunds Unrelated to Title IV Aid

Students must submit a written request to receive a refund not related to Title IV aid. Written request must be sent to:

- Residential students: studentrefunds@liberty.edu
- Online students: luorefunds@liberty.edu

Official Withdrawal Policy

Liberty University is committed to the success of every student and will work with each student to determine the best option to alleviate financial and academic challenges and get students back on track in their studies. Withdrawals from Liberty University fall under different categories: academic, administrative, medical or personal.

PLEASE NOTE: Students who must withdraw due to military deployment are required to meet with the Student Advocate Office with a copy of their orders. They will then be referred to Military Affairs.

- Withdrawing from individual courses in a sub-term (including overlapping 16-week sub-terms) does not constitute a total withdrawal until that student has withdrawn from all courses in that sub-term (including overlapping 16-week sub-terms).
- A student withdrawing from a sub term, when registered for course(s) within a future sub-term, must submit a letter of intent regarding any future sub-terms within the semester of withdrawal. If no letter of intent is received at time of withdrawal, the student will be automatically dropped from the future sub-terms, resulting in a total withdrawal from the semester.
- Students requesting to withdraw must submit the Intent to Withdraw Form to their academic advisor. This will constitute a withdrawal. Generally, the withdrawal date will be the date the Intent to Withdraw Form is received in advising.
UNOFFICIAL WITHDRAWAL

The University has established a procedure, in accordance with Title IV regulations, to determine if students enrolled in the online courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether or not a student who began a course, and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun, yet cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period, will be assigned grades of FN. Students receiving all FN’s in a semester will be processed as an unofficial withdrawal. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed for the student and the student will be reported as withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation.

TITLE IV WITHDRAWAL POLICY

When students withdraw from all classes in a given term, they will be subject to a proration of all federal, state and institutional aid. This proration takes into account the total number of days that the student was enrolled. For instance, if there are 100 days in a term, and a student withdraws on day 20, that student has earned 20% of his federal, state and institutional aid. All remaining aid is unearned, and unearned portions of federal funds are required by law to be sent back to the federal government (34 CFR 668.22). Please note that Liberty University institutional aid will be prorated according to the same schedule as Title IV federal student aid.

Because of these provisions, please be aware that having enough financial aid to cover your charges at the beginning of the semester does not ensure that your financial aid will completely cover your charges at the time of withdrawal.

To begin the withdrawal process: Resident students must contact their Student Advocate. Online students must contact their Academic Advisor. For more information on the financial repercussions of withdrawing, please contact Liberty University’s Financial Aid Office at: 1-888-583-5704.

WITHDRAWAL REFUND POLICY

Depending on the student’s state of residence, there may be specific state requirements regarding withdrawal refunds. Once a withdrawal is processed, the student will need to contact Student Accounts to receive further details about their individual refund.

An Online student who is currently enrolled in courses for a given term (including overlapping 16-week sub-terms) will be considered as totally withdrawn when that student is withdrawn from all courses in that sub-term.

- Any student who completes the official withdrawal procedure may receive a refund of tuition and mandatory fees (i.e. technology and activity fees, if applicable) as follows:
  1. 100% tuition and fees will be credited if the student withdraws within the first week of the class but before submission of the first assignment (first assignment includes the Course Requirement Checklist).
  2. 75% tuition and fees will be credited if the student withdraws after submitting their first assignment and through the end of the second week of classes.
  3. 50% tuition and fees will be credited if the student withdraws after the second week of classes and before the end of the fourth week of classes.
  4. 25% tuition and fees will be credited if the student withdraws after the fourth week of classes but before the seventh week of classes.
  5. No tuition or fees will be credited after the sixth week of classes.

Intensives: A week is defined as Monday morning at 12:00 a.m. through Sunday night at 11:59 p.m. This may not align with the posted deadlines.

1. One- and Two-Week Intensives (tuition and fees credit)
   - 100% - Start of class to close of the first day
   - 50% - Start of class to close of the second day
   - 0% - After the close of the second day, the student is liable for ALL tuition and fees

2. Three-Week Intensive (tuition and fees credit)
   - 100% - Start of class to close of the first day
   - 50% - Start of class to close of the third day
   - 25% - Start of class to close of the fifth day
   - 0% - After the close of the fifth day, the student is liable for ALL tuition and fees

3. Four-Week Intensive (tuition and fees credit)
   - 100% - Start of class to close of the first day (end of drop/add period)
   - 50% - Start of class to close of the fourth day
   - 25% - Start of class to close of the seventh day
   - 0% - After the close of the seventh day, the student is liable for ALL tuition and fees

UNPAID ACCOUNTS

Tuition, the housing fee (if applicable), and all other costs on a student’s account are payable prior to or at the time of Financial Check-In. Students who do not make payment on their account within a reasonable amount of time will be denied access to the cafeteria, printing services, and library until such arrangements are made. If a student is 10 or more days delinquent on his account, the student may be removed from classes. Failure to make financial arrangements could ultimately result in removal from university housing and administrative withdrawal.

Students with unpaid accounts will not be eligible to register for subsequent terms. They will also be ineligible to receive an official transcript or diploma until the account is paid in full. The student will be responsible for any collection fees incurred in collecting the account. A 1% finance charge (12% APR) may be assessed each month on outstanding balances.

Financial Aid Information and Policies

Robert Ritz, B.S., M.Ed., Ph.D.
Vice President for Financial Aid and State Relations

The Financial Aid Office coordinates and administers the financial aid programs for the University. The Financial Aid Office provides financial assistance to students who have a financial need and who would otherwise be unable to attend Liberty University. The student and the student’s family are primarily responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses. The student’s family, as applicable, is expected to make a maximum effort to assist in the payment of the expenses involved.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, loans, scholarships, and employment. Grants and scholarships are “gift aid” and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed.

All applicants for financial aid are required to:
1. Apply for admission to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for federal financial aid; and
3. Complete, electronically sign, and submit a Free Application for Federal Student Aid (FAFSA) with the United States Department of Education by March 1 of each year in which Federal Financial Aid is desired. Liberty University must be selected as an institution to receive a Student Aid Report. Students are urged to apply early for optimum financial aid benefits. Complete the FAFSA on the web at http://www.fafsa.ed.gov. The school code for Liberty University is 010392. Use the IRS Data Retrieval Tool when completing the FAFSA, when eligible.

For new students entering in the Spring semester, the preferred date to file the FAFSA is by October 1.
1. Complete verification when required.

Once the completed FAFSA is received by the United States Department of Education, information provided by the student on the FAFSA is used to generate a Student Aid Report (SAR). The SAR indicates the amount of money the student and/or the student’s family is expected to contribute towards the student’s education. This is called the Expected Family Contribution (EFC), and is used to determine the student’s financial need.

The student’s financial need is the difference between the Cost of Attendance and the EFC. The Cost of Attendance includes the educational expenses of:
1. Tuition;
2. Room and board (for students living on and off campus);
3. Required fees;
4. Books and supplies;
5. Transportation; and
6. Miscellaneous expenses.

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Liberty University, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students) are charged on the student’s University bill.

Financial Aid recipients are selected on the basis of demonstrated financial need (as stated earlier) and academic achievement. Most financial aid awards are based on full time enrollment, which is a minimum of 12 semester hours for an undergraduate student. Please note that normally 15 hours per semester is required to complete a bachelor’s degree within four years. Each financial aid recipient is issued an Award Notification Letter, which is the University’s official estimate of financial aid. Award Notification Letters are emailed to the student’s Liberty email account. It is the student’s responsibility to review the award letter and notify the Financial Aid Office of any additional aid being received and of any desired reduction or cancellation of the aid offered. Students who want to reduce or decline federal loans that are awarded automatically to eligible students can complete a Federal Direct Student Loan Change Form in ASIST.

In order for a Liberty University student to continue to receive financial aid, the student must maintain Financial Aid Satisfactory Academic Progress. Liberty University’s policy for determining satisfactory academic progress is stated below.

For more information on financial aid, visit the Financial Aid Office located in the Student Service Center at Green Hall or on the Internet web site at http://www.liberty.edu/financialaid.

Financial Aid Satisfactory Academic Progress Policy (SAP)

The Financial Aid Office of Liberty University administers student financial aid programs from federal, state, and institutional sources. The U.S. Department of Education requires schools to evaluate progress for all students, even those who did not receive financial aid in prior terms at Liberty University.

Students must meet Financial Aid Satisfactory Academic Progress (SAP) requirements to receive federal Title IV and institutional aid. The Virginia Commonwealth programs are administered under the guidelines from the State Council of Higher Education for Virginia (SCHEV).

This policy describes the Financial Aid Satisfactory Academic Progress requirements and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program and department/division.

Evaluating Satisfactory Academic Progress:

The standards against which all students are measured include Qualitative, Quantitative, Maximum Time Frame, and “All Unearned Credits” standards. The academic record of all students is reviewed when final grading is completed for each term. The review is cumulative and includes all courses taken at the student’s current academic level. After the evaluation, letters will be sent to all students who have insufficient academic progress and are being placed on Financial Aid Warning or Suspension.

Qualitative Standard

Cumulative GPA is composed of all coursework at the current academic level and is calculated by the Registrar’s Office. Students must meet the minimum cumulative GPA as determined by their classification and program.

Additional academic progress criteria may exist for certain financial aid programs. For example, some private scholarships and Commonwealth of Virginia programs require a higher cumulative grade point average than those listed above. **Once a transfer student has grades for a payment period at Liberty University for coursework taken toward the eligible program, Liberty University will use the cumulative GPA calculated from those grades only.**

### Quantitative Standard

In order to meet the quantitative standard students must complete 67% of attempted coursework at the current level. Withdrawals, incompletes, repeated courses, failure grades, and transfer hours will count as attempted coursework. Please note: completion rates are not rounded up to meet progress. If a student has a completion rate of 66.666%, they are not meeting the minimum 67% federal requirement.

### Maximum Time Frame

A student may not exceed a maximum number of attempted hours in any program even if aid was not received during that term or prior terms. Once the student reaches the maximum timeframe allowed the student will be ineligible to receive financial aid.

### All Unearned Credits

Students attempting at least half-time level credits who earn no credits for the term will be placed on financial aid suspension and will not be permitted to receive financial aid in their next term.

**Grades that do not count as earned toward completion of the academic program:** Because some grades are NOT counted as earned credits toward the completion of a degree program, they are not counted as successfully completed credits toward the minimum financial aid satisfactory academic progress standards. Examples include, but are not limited to: AU, BU, CR, CU, F, FN, FW, I, IP, M, N, NP, U, W, WF, WP, WU, X, Z.

### Break in Enrollment

When a student has a break in enrollment and is readmitted, the SAP status for prior terms will apply. For example, if a student is placed on financial aid suspension at the end of the Spring term, does not return in the Fall term, and is readmitted the next Spring term, the student will continue in a financial aid suspension status for that term.

### Federally Defined Leaves of Absence (FLOA)

Liberty University does not grant federally defined Leaves of Absence for Financial Aid purposes. Instead of utilizing a federally defined Leave of Absence, the University assists students by:

- Making tutoring available
- Allowing students to work with faculty to finish incomplete coursework
- Allowing an official appeal of the Financial Aid Refund calculation based on unusual circumstances
- Allowing students to “stop-out” for one or more semesters
- Allowing students to drop courses with a “W” rather than an “F” during specific time-frames
- Allowing students to submit a Special Considerations Form (even during the period of enrollment) to Reconsider the calculation of need-based financial aid eligibility
- Allowing students to appeal a determination of insufficient satisfactory academic progress under the Financial Aid Satisfactory Academic Progress Policy requirements.

The **“Federally Defined Leave of Absence”** policy listed above is for student financial aid purposes only and does not address University policy for employees (i.e. FMLA regulations).

### Terms/Parts-of-Term/Summer Sessions

A traditional semester is referred to as a standard term (e.g. Fall, Spring, and Summer). Standard terms, as defined by Liberty University, are comprised of a combination of smaller “sub-terms” (e.g. sub-term B, sub-term C, etc.). Satisfactory Academic Progress requirements are calculated based on the combined sub-terms as defined by Liberty University. Intercession credits from classes occurring during approximately the final two weeks of December and/or the first two weeks of January will be added to the Spring Term. Any other intensive courses will fall within a standard term (and be attributed to only that specific standard term). Summer sub-terms, for the purpose of credit hour load and measurement of progress, are combined together into the Summer term. The Summer term is considered a “trailer” at Liberty University. This means that aid processed for the Summer term will be based on the FAFSA from the prior year.

### Delay or Changes with Future Aid

In some cases, the grades are submitted on dates close to or during the subsequent term. This will delay the SAP review process and may affect aid in subsequent terms for some students. Students who are affected will see their financial aid satisfactory academic progress as “Waiting” status in ASIST until grades are submitted and SAP is reviewed.

### Withdrawals and Incompletes

Courses from which a student withdraws or receives a grade of incomplete will not be considered as satisfactorily completed. The courses, which will be considered courses attempted but not completed, may negatively affect eligibility for the next term and will factor into the measurement for the maximum time frame.
**Repeated Courses**

Repeated courses are considered in the maximum time frame requirement. The course/s will be considered as attempted each time the course is taken. Repeating the same course during the same term is not allowed as this would inflate the student’s enrollment level requiring the elimination of related financial aid. Additionally, a course that is repeated during the same term would cause an incorrect calculation of the completion rate (Quantitative Standard) listed above. In most cases, enrollment in a course that is repeated more than once cannot be counted toward enrollment for future financial aid eligibility.

**Transfer Courses**

Transfer courses are not considered in determining eligibility under the qualitative measure but are considered in the quantitative and maximum time frame measurements. Transfer students are awarded as first-year students without regard to grade or warning status at the prior post-secondary institution. The Financial Aid SAP requirements would then be used to measure the transfer student’s continued status. Transfer credits must be evaluated and a grade-level established, and any Unusual Enrollment Holds (UEH) designations must be cleared before any educational loans are processed.

**Consortium Agreements**

The number of credits earned under an approved consortium agreement is integrated into the student’s record upon completion of the course. Note: Courses must first be approved for transfer by the Liberty University Registrar’s Office. The Consortium Agreement is also subject to approval by both the host school and the student institution’s authorized financial aid staff. Failure to complete the course/s could negatively reflect in the SAP evaluation. Financial Aid staff from the home school will request information from the host school during the enrolled term to confirm continued enrollment and (at the end of the term) satisfactory academic progress. Failure to complete the course/s or completing a course/s in a manner that does not comply with University’s transfer standards will result in financial aid suspension and future requests for a consortium agreement will not be considered. If a Financial Aid SAP appeal is approved, unearned hours under the consortium agreement will not be calculated when future progress reviews occur.

**Remedial/Developmental Course Work**

Financial aid is not available for non-credit remedial courses. Remedial/Developmental courses carrying regular college credit are considered in determining the qualitative, quantitative and maximum time frame requirements for SAP. These courses are counted in enrollment for financial aid eligibility since they meet the following federally defined requirements:

1. They are not a prerequisite that would hinder admission into an eligible degree program at Liberty University.
2. They are less than one year in length.
3. They offer instruction above the 5th Grade Elementary level.
4. They are not used to satisfy high school graduation requirements.

**ESL Courses**

Financial aid, including Dependent Grant in Aid (DGIA) and Continuing Education (CE) benefits, is not available for students enrolled in the ESL/ELIL program. ESL courses taken as part of an undergraduate program are non credit courses. ESL/ELIL courses are not included in the calculation of satisfactory academic progress.

**Special Student Status**

Special Students are not eligible for federal and state aid. Some Special Students qualify for certain institutional aid programs. For this reason, the Qualitative Standard Rule, Maximum Timeframe Rule and All Unearned Credits Rule of the Financial Aid Satisfactory Progress Policy apply to Special Students. The minimum cumulative grade point average requirement for Special Students is as follows: 2.00 is required for Institute, Graduate, Doctoral and Law; 1.5 is required for Undergraduate Special Students.

**Change in Major / Additional Degrees**

When a student changes their major or seeks an additional degree, the student may appeal to the Financial Aid Office to have courses attempted and earned that do not count toward the student’s new major or degree excluded from the Maximum Time Frame calculation of a student’s SAP standing.

**Changed Grades**

If a grade is changed, the student is required to notify the Financial Aid Office immediately. The Financial Aid Office will then initiate a review of the effect of the grade change on academic progress within 30 days of notification. A grade change late in or after the term in question, or failure to notify the Financial Aid Office may result in the loss of financial aid eligibility because regulations may limit the time within which aid may be re-awarded or disbursed.

The Liberty School of Law adheres to a schedule which allows for grades to be submitted after the end of the term. Because of this, Liberty School of Law students evaluated after grade submissions may have their aid eligibility recalculated – and may need to adjust their payment arrangements through Financial Check-In later than non-law students.

**Academic Amnesty Program**

Federal regulations require that the student’s complete academic history be included in the evaluation of Financial Aid Satisfactory Academic Progress. Therefore, the Academic Amnesty Program at Liberty University cannot alter the academic history reviewed for Financial Aid Satisfactory Academic Progress.

**Failure to Make Satisfactory Academic Progress**

Students who fail to meet the qualitative and/or quantitative standards at the end of a term (based upon the student’s enrollment) will be placed on financial aid “warning” status and will remain eligible for financial aid while on a warning status. Students on financial aid warning status must meet the qualitative and quantitative requirements by the next term’s measurement of progress.

Students not meeting the requirements at the next term’s measurement of progress will be placed on financial aid suspension and considered ineligible for future financial aid until the deficiencies are resolved.

**Re-establishing Eligibility**

Students may re-establish eligibility for financial aid by taking appropriate action to meet the minimum academic standards. If the student cannot meet the academic standards, re-establishing eligibility usually requires the submission of a Satisfactory Academic Progress Form with supporting documentation. Readmission to Liberty University after Academic suspension or approval of an Academic suspension appeal does not automatically reinstate financial aid eligibility after a Financial Aid suspension.
FINANCIAL AID INFORMATION AND POLICIES

Exemption of Certain Institutional Funds
Some specific institutionally funded sources of financial aid are excluded from the minimum requirements under the Financial Aid Satisfactory Academic Progress Policy. These funds include:
- The Liberty University Online Program Alumni Scholarship
- The Liberty University Online Military Tech Fee Waiver
- The Founder’s Memorial Scholarship Programs (including associated funds formerly known as “Jerry Falwell Ministries - JFM” or “Jerry Falwell Scholarship - JFS”).
- Discounts that are not listed as an aid fund, but as a resource.
- Liberty University employees who are not enrolled in a degree program—and—not receiving any other type of financial aid covered under this policy, are exempt from the 150% rule requirement.

PLEASE NOTE: The Dependent Grant in Aid (DGIA) program does require the student to be enrolled in a degree program and therefore DGIA recipients are subject to the 150% rule and other requirements within this policy.
- The Liberty University VTAG Institutional Fund
- The WWMC Radio Scholarship Fund
- The Liberty University Online Promotional Fresh Start Award
- The Liberty University Endurance Program
- The Liberty University Online Promotional Tech Fee Waiver
- The Liberty University Online Promotional Book Dollar Award

Appeals
A student who is placed on financial aid suspension may appeal this decision. To appeal the financial aid suspension, a student must submit to the Financial Aid Office Appeals Committee a signed and dated Satisfactory Academic Progress Appeal Form and any supporting documentation as described on the appeal form. If documentation is requested, it is typically provided from an objective third-party.

Examples of objective 3rd party officials that often can provide acceptable documentation:
Doctor, lawyer, pastor, religious leader, social worker, teacher, guidance counselor, psychologist, psychiatrist, therapist, judge, parole officer, court officials, law enforcement, employer, funeral director, human resources director, military clerk, nurse, physician’s assistant, medical secretary, medical technician*

* Family members of the student, friends, and Liberty University employees are not considered an acceptable third party.

Examples of typically acceptable official documentation:
Signed letter on letterhead from official 3rd party individual, medical bill, medical chart, x-ray, discharge paperwork, pay stub, death certificate, obituary, funeral program, newspaper article, certificate of separation, divorce decree, insurance statement, moving documents, lease agreement, legal documents, military orders, summons, arrest warrant, police report, court documents**

** Official documentation is required to be dated and, as applicable, include a date of service or date related to the reason for the appeal. If a letter is being submitted, it must include a wet signature (electronic, stamped, and photocopied signatures will not be accepted). A character reference not addressing the appeal circumstances is not considered acceptable documentation.

After the committee reviews the submitted appeal, the student will be notified of the decision in writing. All financial aid awards remain cancelled until the student follows these appeal procedures and receives a written notification of reinstatement. If a reinstatement is approved, the reinstatement will last from the date of the appeal approval until the next term measurement event.

Reinstatement of aid eligibility is not retroactive and will only affect current or future enrollment periods. In the cases of those students receiving financial aid in the form of subsidized employment, the student’s worksite supervisor/s will be notified of the reinstatement.

Students on financial aid warning status are not required to submit a letter of appeal since their financial aid eligibility will continue during the warning status.

Students who submit an appeal to the Financial Aid Office very late in a term or after the term has ended may lose financial aid eligibility because regulations may limit the time within which aid may be re-awarded and/or disbursed.

During the period of an approved appeal, students must satisfactorily fulfill the requirements in the Financial Aid academic plan. This academic plan requires every student to have a cumulative completion rate of 75% and a GPA requirement reflecting a quarter point (.25) average above for that regular program for the term of the approved appeal. This plan supports the progression towards resolving overall Satisfactory Academic Progress deficiencies. If the student fails to meet this standard, they will be placed back on suspension and will lose financial aid eligibility.

Student Should Monitor Progress
Students are responsible to review their grades (when midterm and end-of-term grades are available) and compare their progress to the standards set forth in the Financial Aid Satisfactory Academic Policy to ensure that they are aware of their standing. As they review their academic information, students are encouraged to proactively seek assistance like pursuing academic advising, arranging tutoring, or regularly discussing their academic work with their instructor/s.

PLEASE NOTE: Since a financial aid suspension that is caused from one term’s grades could immediately affect the next term’s aid, even after the student begins attendance of that term, all students are encouraged to monitor their own progress very closely.

Consumer Information Statements
Liberty University, as permitted by federal regulation [34 CFR 668.41], electronically disseminates consumer information including: The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act information. Upon request, the institution will provide a free paper copy. Anyone signing or processing financial aid forms or seeking information or assistance at Liberty University must read, understand, and comply with the requirements disclosed which are available 24 hours a day at http://www.liberty.edu/financeadmin/financialaid/index.cfm?PID=21792.

- Data for the general student body, and data related to the awarding of athletically related student aid;
- Equity in athletics;
- Program participation agreement (PPA) requirements; and
- Students’ rights and responsibilities as financial aid recipients.

**STUDENT RESPONSIBILITIES**

It is the student’s responsibility to:

- Complete all applications for student financial aid carefully and accurately, and to submit these applications to the appropriate agency or office prior to the deadline. Errors may delay or eliminate the receipt of financial aid. Intentional misreporting of information on the application for aid forms is a violation of law and considered a criminal offense subject to penalties under the U.S. Criminal code;
- Return and submit all additional documentation, verification, corrections, and/or information requested by the Financial Aid Office or other agency in a timely manner;
- Read, understand, and keep copies of all forms that are submitted;
- Accept responsibility for all agreements signed;
- Keep the Financial Aid Office and the lender informed of any changes in address, name, marital status, financial situation, or any change in enrollment or student status;
- Report to the Financial Aid Office any additional assistance from non-University sources such as scholarships, loans, fellowships, and educational benefits;
- Maintain satisfactory academic progress;
- Read Liberty University email and ASIST messages for communication from the Financial Aid Office;
- Complete exit counseling upon graduation, withdrawing, or whenever a break in enrollment occurs and when dropping below half-time;
- Re-apply for financial aid each academic year; and
- Complete the online entrance counseling and Master Promissory Note when receiving a Federal Direct Loan for the first time at Liberty University.

If the student borrower disputes the terms of the loan in writing and the institution does not resolve the dispute, the student may contact the Student Loan Ombudsman’s Office. The United States Department of Education’s Ombudsman Office can propose solutions that may help you and other parties come to a final agreement. Before you call, make sure you have good records of people you have talked to and what they have said. Remember, too, that an ombudsman cannot reverse a decision or take sides.

**Federal Title IV Student Aid Programs**

**ELIGIBILITY FOR FEDERAL AID**

To receive federal aid, a student must:

- Be a United States Citizen or eligible non-citizen;
- Demonstrate financial need (except for certain loans);
- Have a high school diploma or a General Education Development (GED) certificate;
The student will be charged interest from the date the grant(s) are disbursed and must repay this loan to the United States Department of Education. If the student fails to complete this service agreement, the United States Department of Education will convert the grant to a loan. The student must also repay all Federal TEACH Grant funds that the student received to a teaching position. If the student fails to complete this service agreement, the United States Department of Education will convert the grant to a loan.

### FEDERAL PELL GRANT

Federal Pell Grant awards range from $574 to $5,730 for 2014-15 and vary from year-to-year. These funds are “gift aid” and do not have to be repaid by the student. Award amounts are based on cost of attendance, enrollment status (full-time or part-time), and need analysis information provided on the Student Aid Report (SAR).

### FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) is available for undergraduate students with an Expected Family Contribution of zero. In 2012-13, the maximum award amount is $1,000 per academic year for a full time student. This also varies from year to year.

### FEDERAL TEACH GRANT SUMMARY

The Federal Teacher Education Assistance for College and Higher Education (TEACH) Grant program was created to fill the teacher shortages in high-need fields. The TEACH Grant program is the first federal grant program that requires a service agreement and has the potential of converting to a loan. The TEACH Grant makes up to $4,000/year available for full-time students on both the undergraduate and graduate levels. Amounts are prorated for lower enrollment levels. The maximum aggregate amount an undergraduate student can receive is $16,000. The maximum a graduate student can receive is $8,000. These funds can only be used for the student’s first bachelors or first graduate degree. This program is not available for students in doctoral programs.

### Service Agreement

In exchange for receiving a Federal TEACH Grant, students must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students (see below for more information on high-need fields and schools serving low-income students). As a recipient of a TEACH Grant, you must teach for at least four academic years within eight calendar years of completing the program of study for which you received a Federal TEACH Grant.

**IMPORTANT:** If the student fails to complete this service obligation, the United States Department of Education will convert all Federal TEACH Grants funds that the student received to a Federal Direct Unsubsidized Stafford Loan. The student must then repay this loan to the United States Department of Education. The student will be charged interest from the date the grant(s) are disbursed.

### Student Eligibility Requirements

- Complete the Free Application for Federal Student Aid (FAFSA), although you do not have to demonstrate financial need.
- Be a United States citizen or eligible non-citizen.
- Be enrolled in an eligible program.
- Be enrolled as an undergraduate, post-baccalaureate, or graduate student in a postsecondary educational institution that has chosen to participate in the Federal TEACH Grant Program.
- Be enrolled in coursework that is necessary to begin a career in teaching or plan to complete such coursework.
- Meet certain academic achievement requirements (generally, scoring above the 75th percentile on a college admissions test or maintaining a cumulative GPA of at least 3.25).
- Sign a Federal TEACH Grant Agreement to Serve.
- High Needs Fields: Bilingual Education and English Language Acquisition, Foreign Language, Mathematics, Reading Specialist, Science, Special Education

### FEDERAL DIRECT STUDENT LOANS

Federal Direct Student Loans are low interest loans available to students who are enrolled at least half-time. Students demonstrating sufficient need (as reflected on their Student Aid Report, which is sent to the University by the United States Department of Education) may be eligible for subsidized funds, in which the government pays interest accrued while they are in school and during the grace period. Students who do not have sufficient demonstrated need may be eligible for unsubsidized funds, in which the student pays the interest. Students have the option of capitalizing the interest (adding it to the principle) while attending school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status.

### PARENT PLUS LOAN DENIAL

Dependent undergraduate students whose parents are denied eligibility for the Federal Parent PLUS Loan have higher additional Unsubsidized Loan amounts. Freshmen and sophomore students may borrow a maximum of $6,000 unsubsidized loan funds in addition to their “Base Loan” amount listed above. Junior and senior students may borrow a maximum of $7,000 unsubsidized loan funds in addition to their “Base Loan” amount listed above.
Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing a degree in religious training or theological education may not receive VTAG.

FEDERAL DIRECT PARENT LOANS FOR UNDERGRADUATE STUDENTS (PLUS)
Federal Direct Parent Loans for Undergraduate Students (PLUS) are low interest loans available to parents of dependent undergraduate students who are enrolled at least half-time. Creditworthy parents may borrow up to the full cost of attendance minus all other aid. The borrower is responsible for all interest accrued from the date of each disbursement. Repayment on the full loan amount begins approximately 60 days after the loan is disbursed. To apply for a PLUS loan, contact the Financial Aid Office for further details.

FEDERAL WORK STUDY (FWS)
The Federal Work Study program provides employment opportunities for students who have a demonstrated financial need based on the FAFSA. Students are paid on an hourly basis; pay will be at least the current federal minimum wage. The total amount of aid a student receives from both federal and non-federal sources cannot exceed financial need. The $4,000 Federal Work Study cannot be applied toward initial Financial Check-In. Federal Work Study is awarded to eligible students with remaining federally defined unmet need. Awards are made until projected program funds are depleted.

Virginia Student Aid Programs

TUITION ASSISTANCE GRANT PROGRAM (VTAG)
Established in 1972, the Tuition Assistance Grant Program (VTAG) is designed to assist Virginia residents who attend accredited private, non-profit colleges and universities in Virginia for other than religious training or theological education. The VTAG is authorized in Chapter 4.1 Section 23-38.11 through 18 of the Code of Virginia as the Tuition Assistance Grant Act.

Applications must be submitted to the Financial Aid Office before the published annual deadline in order to be considered for the maximum award amount. The maximum undergraduate amount is estimated at $3,100 for 2013-14. The graduate (M.S.N. degree) amount is estimated at $1,150 for 2013-14.

Full-time students enrolled in an approved program of study, who have been Virginia domiciliary residents for at least 12 consecutive months by the beginning of the fall term for the current academic year, may be eligible for an award. A student who is in Virginia solely to attend college is not considered to be a domiciled resident. Applicants must also be a citizen or permanent resident of the United States. The Tuition Assistance Grant award is determined by the Virginia Commonwealth and may be received for no more than eight (8) semesters as an undergraduate and six (6) semesters as a graduate student. Students moving from undergraduate to graduate must complete a new VTAG application.

Students pursuing a degree in religious training or theological education may not receive VTAG. Students pursuing the Worship and Music Studies or the Pastoral Leadership and Biblical Exposition majors are not eligible for VTAG.
local VA office, printed from the VA website, or they can be mailed from the University upon request. Reservists under Chapter 1606 (New GI Bill for Selected Reservists) should obtain an approved DD 2384 and submit it to Liberty with the VA 22-1990. The DD 2384 may be obtained from the unit commander or the unit education counselor. Active duty personnel may obtain these forms from the Education Services Officer on base.

A certificate of eligibility from the VA will be mailed to the student approximately 6-8 weeks after the application has been processed. The student should then forward copies of the certificates to Liberty’s Military Affairs Office. The VA will notify the student in writing if the student is not eligible for benefits.

Tuition Assistance Program Eligibility for Active Duty Military, National Guard, and Reservists

Active duty military and reservists interested in obtaining Tuition Assistance must check with their Education Services Officer to determine whether they are eligible. Students are encouraged to visit their Education Office at least 30 days prior to their anticipated enrollment date.

UP-FRONT TUITION ASSISTANCE (TA)

Students requesting Up-Front Tuition Assistance (TA) must request an application from their base Education Office. If the application is approved, the student must submit a copy of the authorized TA form (and all other forms required by the base) to the academic advisor for registration. Students are encouraged to keep copies of all forms for their records. Students who are eligible for Tuition Assistance are required to pay the portion of their tuition and fees that are not covered by TA prior to registration. An invoice for the amount approved on the TA form will be sent to the student’s Education Office after the activation of the term. The Education Office should send payment directly to the University.

A grade report will be submitted to the base Education Office after the student completes the course(s). Students consent to the release of their grade(s) by signing the Tuition Assistance form.

Liberty University Scholarships

GENERAL SCHOLARSHIP REGULATIONS

All recipients of Liberty University institutional scholarships, institutional aid, or any type of federal aid must complete and file a Free Application for Federal Student Aid (FAFSA) with the United States Department of Education and complete verification, if selected. Virginia residents must also apply for the Virginia Tuition Assistance Grant Program (VTAG) through the Financial Aid Office. Annual application is not required. In addition, each Liberty University Scholarship recipient must accept all federal and state grants for which they are eligible as a condition of awarding the Liberty University scholarships. All scholarships are awarded for a period of one year, unless otherwise noted.

A scholarship recipient must complete and properly file all forms necessary in applying for a federal and/or state grant; and complete verification if selected.

Federal aid (Pell, SEOG, Federal Direct Stafford Loans or Plus Loans) and institutional scholarships cannot be counted toward Financial Check-In until the FAFSA is received by the University and verification is completed when required.

The General Scholarship Rule (GSR)

A student’s combined federal grants, state grants, and Liberty aid are not permitted to go above the combined cost of actual tuition and room and board charges based on the lowest rate charged by the University. Students who are not charged for housing cannot exceed the cost of actual tuition only for federal grants, state grants, and Liberty aid. If the combined aid exceeds the total cost of tuition and room and board as specified, Liberty aid will be reduced to resolve the excess aid. The Federal Pell Grant is not included as a factor in the GSR for resident students.

Liberty University Continuing Education and Dependent Grant in Aid educational benefits are not eligible for use in the online Doctor of Business Administration (DBA) program, COM Doctor of Osteopathy, School of Law Juris Doctor, undergraduate or graduate certificate programs, or the online Graduate of Theology (ThG) program.

For recipients of institutional aid (and discounts) such as Continuing Education and Dependent Grant-In-Aid, and others including Resident FCA/LCA/Temple/TCS, who qualify for federal or state grants, the tuition scholarship will be reduced by these federal and state grant amounts.

Liberty University scholarships are not transferable. Any unused portion cannot transfer to the next semester or to another person. Liberty University scholarships will not cover any intensive or summer/winter internships.

Most admissions scholarships are awarded for, and are not to exceed, 8 semesters, as long as the student meets the Financial Aid Satisfactory Academic Progress (SAP) criteria and all the other rules according to the University Catalog and The Liberty Way.

Liberty University scholarships will be cancelled if the student is not enrolled in 12 undergraduate hours or more for each semester. Scholarships apply to the undergraduate program only. A scholarship recipient must meet the academic standards of Liberty University as outlined in this catalog. Any scholarship may be revoked or reduced at any time for dismissal from the University because of failure to meet academic standards, failure to abide by the rules, regulations, and policies of the University, voluntary or administrative withdrawal, or misrepresentation of information on an application or other documents presented to the University.

For details regarding the scholarship guidelines, please check the Financial Aid website http://www.liberty.edu/financialaid.

Awards that cover the majority of direct costs (i.e., DGIA, Continuing Education, Private School Affiliation Scholarships, etc.) do not allow for stacking with other Liberty aid sources such as the Liberty Champion or New Student Book Dollars.

Corporate Tuition Assistance

ELIGIBILITY

The student must contact his Personnel Office for information concerning continuing education benefits.

FORMS

All Tuition Assistance application forms must be obtained from the student’s employer. The approval document should include the amount of tuition approved for payment, the address for invoicing, and an authorized signature. The form must be sent to the Financial Aid Office.

The Financial Aid Office will invoice the employer for tuition payments upon receipt of an original approval certificate or letter. Corporate Tuition Assistance must be paid upon receipt of billing.

REIMBURSEMENTS

Students who receive tuition benefits after they have completed their courses should request a receipt from the Student Accounts Office at the end of the semester.
Admissions Scholarships

Academic Achievement
Scholarships are based on GPA and SAT or ACT scores. For further information, please contact the Office of Admissions at 1-800-543-5317 (option #2).

OTHER SCHOLARSHIPS

Athletic
Athletic grant-in-aid is available in all intercollegiate sports programs for qualified athletes. Inquiries should be addressed to the Head Coach of the specific sport of interest.

Endowment
After one semester of attendance at Liberty, students who meet specific requirements may be eligible for endowment scholarships. For more information, e-mail financial aid at financialaid@liberty.edu. Endowment applications must be submitted by the published deadline.

Honors Program
Academic Scholarships are available to students who apply to and are accepted into the Honors Program. For high school students, applying for admission to the program the requirements are test scores on the SAT of 1270 or a score on the ACT of 29. Transfer or Liberty University students continuing in the program must maintain a cumulative GPA of 3.50. For more information, contact the Honors Program Office.

Music
These scholarships require membership in either an instrumental (marching band or pep band) or a vocal group. For more information, contact the Chair of the Department of Music.

National Merit
Scholarships are awarded to students who have been designated National Merit Finalists, Semi-Finalists, or Commended students and who participate in the Honors Program. For more information, contact the Resident Admissions Office.

Outside Scholarships
Outside scholarships are scholarships that students will use as additional funding. Scholarships may be awarded from foundations, churches, retail businesses, etc. Outside scholarship awards combined with other financial aid cannot exceed the student’s unmet need.

The Financial Aid Office requires written confirmation from the scholarship donor. Notification of the outside scholarship award should be sent as early as possible in order for the student to include the scholarship during Financial Check-In.

Appeal and Complaint Policies
Policies and processes for residential and online students who wish to file a complaint or appeal their financial aid awards are published online at http://www.liberty.edu/financeadmin/financialaid/index.cfm?PID=19260.

INSTITUTIONAL SCHOLARSHIP APPEAL PROCESS
A student may appeal the decision to cancel eligibility for a scholarship by sending a detailed, signed letter stating any mitigating circumstances to be considered. The Financial Aid Scholarship Appeals Committee reviews the submitted appeal and supporting documentation. Within 30 days, the students will be notified of the decision in writing.
Appeals may be submitted to:

Financial Aid Scholarship Appeals Committee
Liberty University Financial Aid Office
1971 University Blvd.
Lynchburg, VA 24515
Fax: (434) 582-2053

FINANCIAL AID GENERAL APPEAL FOR ASSISTANCE
The Resident and Liberty University Online Student Advocate Offices assist students who have gone through all the customary operating procedures but have not been able to resolve particular challenges related to financial aid. The primary function of these offices is to answer students' questions and resolve problems.

For Liberty University Online students, appeals and General Complaint forms may be submitted to:

Online Advocate Office
Liberty University
1971 University Blvd.
Lynchburg, VA 24515
Fax: (800) 628-7977

For Resident students, appeals may be submitted to:

Resident Advocate Office

VIRGINIA STATE GRANT APPEAL PROCESS
A formal appeal concerning the decision to deny approval for state grant eligibility may be filed by contacting the State Grants Coordinator in the Liberty University Financial Aid Office. If the appeal is denied, the State Grants Coordinator will notify the student within 30 days.

State Grant Appeals to the State Grants Coordinator may be submitted to:

State Grants Coordinator, Appeal
Liberty University Financial Aid Office
1971 University Blvd.
Lynchburg, VA 24515
Fax: (434) 582-2053

If the student disputes the decision made by the State Grants Coordinator, the student may appeal t the State Council of Higher Education (SCHEV). The student must submit a copy of the appeal and supporting documentation.

State Grant Appeals to the State Council of Higher Education (SCHEV) may be submitted to:

State Council of Higher Education for Virginia
Office of Student Financial Aid
2011-12 TAGP Appeals Committee
James Monroe Building
101 N 14th St.
Richmond, VA 23219

The state office will then request any additional information that is needed. The office will also contact the school and request any documentation the school may have received and an explanation of the denial. They will ask for the school to fax the following:
1. Copy of the VTAG application
2. Date student's application was received
3. Date the student started school
4. Date the student moved to Virginia
FINANCIAL AID INFORMATION AND POLICIES

5. Dates of enrollment and number of attempted hours for each semester
6. Copy of denial letter
7. Any other documentation that pertains to decision

The student may also submit a second appeal if they are denied by the first SCHEV Council at the state level. The student may also ask student for copy of:
1. Letter explaining case for approval
2. Driver’s license, car registration, voter registration
3. Letter from employer, mission agency, social workers, school officials, etc.
4. Copy of Virginia resident income taxes for parents, spouse, or student
5. Copy of federal taxes
6. Legal guardian documents
7. Ward of court documents
8. Custody documents
9. Copy of DD-214, LES, or Home of Record
10. Any other supporting documentation

FEDERAL STUDENT LOAN APPEAL PROCESS

Students who dispute how a federal student loan was processed or a decision regarding eligibility may contact the Federal Student Aid (FSA) Ombudsman. The FSA Ombudsman resolves disputes from a neutral, independent viewpoint. The Federal Student Aid (FSA) Ombudsman will informally conduct impartial fact-finding about student complaints. The Ombudsman will recommend solutions, but does not have the authority to reverse decisions. The Ombudsman will also work to bring about changes that will help prevent future problems for other student loan borrowers. This free service is provided by the United States Department of Education.

The Ombudsman will research the problem and determine whether the student has been treated fairly. If the student loan complaint is justified, the Ombudsman will work with the student and the office, agency, or company involved in the problem. On the student’s behalf, the Ombudsman will contact other offices within the United States Department of Education, his or her private lender, his or her loan guaranty agency, and the servicing agency or firm collecting the loan.

If the student’s complaint is not justified, the Ombudsman will take the time to explain how the United States Department of Education reached this conclusion. The Ombudsman may be contacted as follows:

PURPOSE
The purpose of the Office of the Senior Vice President for Student Affairs at Liberty University is to work with the administration, faculty, and staff, fostering an experience that promotes personal development and learning.

The Division contributes to the University’s mission of preparing students for leadership and involvement in an increasingly diverse, technologically sophisticated and complex global society.

Student Affairs carries out this mission by:

- Responding to the needs of students as they grow, spiritually, academically, and socially
- Presenting leadership opportunities and offering leadership training
- Maintaining an atmosphere which provides fertile ground for spiritual growth
- Offering co-curricular programming which encourages students’ academic growth
- Promoting and celebrating the rich cultural differences found at the University
- Assisting students in responsible decision-making

CODE OF CONDUCT
The administration and faculty have committed Liberty to the highest standards of moral and ethical conduct. No one will become spiritual merely by observing rules; nonetheless, the spiritual student will desire to abide by the rules, regulations, and policies. Liberty holds as one of its foremost goals the development of men and women of strong Christian character. Firm moral conviction and dependable self-discipline are as important as academic competence.

The specific rules, regulations, and policies that govern student behavior are found in The Liberty Way, which is available online at http://www.liberty.edu/libertyway (login required).

The Academic Code of Honor is published in the Academic Information and Policies section of this Catalog.

Office of the Dean of Students

The Office of the Dean of Students is designed to provide holistic student development opportunities for the resident and commuter population. For additional information, visit the Office of the Dean of Students webpage at http://www.liberty.edu/studentaffairs/deanofstudents.

Online Communities

Online Communities provides online students with spiritual resources to encourage and strengthen. Online Communities also endeavors to engage online students in the events and services of the campus.

Various online resources are offered including streaming events (Convocation and Campus Church), live chat, blogs, Bible-reading challenge, student testimonies, prayer resources and more.

All of this is available through a community web page at http://www.liberty.edu/communities. Follow Online Communities on Twitter @LibertyUConnect for updates, announcements and encouragement.

Office of Student Housing

Liberty University requires all unmarried students under the age of 21 to live on campus. On-campus residents must be currently enrolled in a residential program and attending classes on campus.

All students must complete Financial Check-in prior to occupancy, and agree to the terms and policies as outlined in the On-Campus “Housing Agreement”. Students who are age 25 or over (at any time during the semester) or are married are not allowed to live on campus. Rooms are assigned on a first-come, first-serve, first-served basis. Detailed information is available online at http://www.liberty.edu/studentaffairs/studenthousing.

OFF-CAMPUS HOUSING

The off campus living policy states that single students must be 21 years of age or older or be living with an immediate family member who is 21 years of age or older. No student who is 25 years or older may live in the residence hall. For specific information regarding the off-campus living policy, contact the Office of Commuter Affairs.

While the University has no housing facilities for married students, the Office of Commuter Affairs provides an online “Apartment Finder” that lists apartments, houses, rooms, etc., which are available for rent or sale in the Lynchburg area. This information can be found on the Office of Commuter Affairs website at http://www.liberty.edu/apartmentfinder. Rental fees generally range from $500 to $800 per month.

Center for Multicultural Enrichment

The purpose of the Center for Multicultural Enrichment is to unify the various cultural and ethnic populations on the campus by overcoming divisions. The Center serves as an advocate to minority students and seeks to celebrate cultural diversity by offering experiential learning opportunities to all students. For additional information, visit the Center4ME webpage at http://www.liberty.edu/center4me.
Office of Student Leadership

PURPOSE
The purpose of the Office of Student Leadership is to train student leaders to minister, mentor and mobilize students in the residence halls. It collaborates with Student Affairs in the development of a holistic student life experience.

Resident Director
Resident Directors (RD) oversee a group of residence halls including oversight of the student leadership teams on each floor as well as the resident hall facilities. Additionally, they are responsible to enforce the standards of *The Liberty Way* while promoting the overall well-being of the students residing in the halls.

Resident Assistant
A Resident Assistant (RA) provides pastoral leadership to students in the resident hall in the form of discipline, discipleship and overall oversight.

Spiritual Life Coaches
Spiritual Life Coaches (SLC) facilitate spiritual development on their residence hall through love, encouragement and counseling. SLCs work with Prayer and Life Group Leaders (PLGL) to minister, mentor and equip PLGLs for ministry.

Prayer and Life Group Leaders
Every Liberty student on campus is part of a five-person prayer group led by the Prayer and Life Group Leader (PLGC). The PLGC prays for the students in their group daily by name and encourages the development of those students’ personal and spiritual lives.

ADDITIONAL INFORMATION
More information on the resources and services provided by the Office of Student Leadership is available at [http://www.liberty.edu/studentlife/index.cfm?PID=13203](http://www.liberty.edu/studentlife/index.cfm?PID=13203).

Student Government Association
The purpose of the Student Government Association (SGA) is to involve the students in the administrative process, to promote well-being and a sense of responsibility among students, to hear student concerns, and to convey an understanding of the students’ needs to the administration.

Membership in the Student Government Association shall be open to all resident and commuter students attending Liberty University who are not on any form of probation or suspension and who have professed their faith in Jesus Christ.

For additional information, visit the SGA webpage at [http://www.liberty.edu/sga](http://www.liberty.edu/sga).

Student Clubs and Organizations
Student clubs or organizations must request and receive permission from the Liberty University administration before they may meet on campus, advertise, distribute or post materials, or use any University facilities for their activities or events. All such clubs or organizations and their activities or events must be consistent with the University’s mission, and must be and remain in compliance with the Liberty Way, the Honor Code, and any policies or procedures promulgated by the University. The University reserves the right to refuse the use of its facilities for any reason to any student club, organization, activity or event.

Information and policies regarding student clubs as well as a list of approved clubs and organizations is available online at [http://www.liberty.edu/index.cfm?PID=19868](http://www.liberty.edu/index.cfm?PID=19868).

Online Student Affairs

**Purpose**
The purpose of the Office of Graduate and Online Student Affairs is to promote a positive Christian community both on campus and within the Liberty University Online community. In order to maintain this Christ centered environment, the Code of Honor is established and upheld through the office for student issues pertaining to academic and personal standards.

**Basic Regulations**
The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. Liberty holds as one of its foremost goals the development of men and women of strong character. Firm moral conviction and dependable self-discipline are as important to the mission of the university as academic aptitude.

Students are expected to conduct themselves according to the rules of the University at all times. The specific rules, regulations, and policies that govern student behavior are outlined both in this catalog and in the Code of Honor, which is available on the Graduate Student Affairs website at http://www.liberty.edu/thegraduateschool.

Students enrolled in the Liberty University Graduate School and Liberty University Online are subject to the Liberty University Code of Honor as well as the Liberty Way (if living on campus). This information is published in the Academic Information and Policies – Online Program section of this Catalog and online at http://www.liberty.edu/thegraduateschool.

Students enrolled in the School of Law are subject to the Liberty University School of Law Academic Honor Code and Personal Code of Honor. This information is available on the School of Law website at http://www.liberty.edu/law/.

Liberty University Code of Honor

for Graduate and Online Students

**Academic and Personal Code of Honor**
Liberty University is comprised of a network of students, Alumni, faculty, staff and supporters that together form a Christian community based upon the truth of the Bible. This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. These principles irrevocably align Liberty University’s operational procedures with the long tradition of university culture, which remains distinctively Christian, designed to preserve and advance truth. Our desire is to create a safe, comfortable environment within our community of learning, and we extend our academic and spiritual resources to all of our students with the goal of fostering academic maturity, spiritual growth and character development.

Communities are predicated on shared values and goals. The Code of Honor, an expression of the values from which our Doctrinal Statement was born, defines the fundamental principles by which our community exists. At the core of this code lie two essential concepts: a belief in the significance of all individuals, and a reliance on the existence of objective truth.

While we acknowledge that some may disagree with various elements of the Code of Honor, we maintain the expectation that our students will commit to respect and uphold the Code while enrolled at Liberty University. Adherence to the principles and concepts established within facilitates the success of our students and strengthens the Liberty community.

The Code of Honor can be viewed in its entirety online at http://www.liberty.edu/index.cfm?PID=19155.
**Spiritual Programs**

**Convocation and Campus Church**
Liberty University is interested in and in meeting the physical, social, intellectual, and spiritual needs of the Liberty community. To meet these needs, Liberty provides opportunities for students to gather and serve as a community through convocations, campus church services and Christian/Community Service.

**CONVOCAITION**
Convocation is a thrice-weekly assembly of the University community for the purposes of building unity within the community, disseminating information, and providing forums for the socio-political issues of the day and other educational topics of diverse interest for the benefit of students, faculty and staff. Each year more than 80 guest speakers from the worlds of business, politics, education, the sciences and religion, talented faculty and staff members, music and timely messages from our Chancellor help make convocation a refreshing and challenging time. All students are required to attend all convocations.

**CAMPUS CHURCH SERVICES**
The Wednesday campus church services are designed to meet the spiritual needs of students. Complementing the instruction provided in the classroom is the spiritual exhortation provided in campus services, which is primarily concerned with the application of truth to life. Students are encouraged to attend Wednesday evening campus services.

**Center for Global Engagement**
**Tom Nylander, B.S., M.A.**
Director, Center for Global Engagement

The Center for Global Engagement exists to foster a global perspective within the Liberty University community that reflects God’s love for all nations and produces involvement throughout the world. The CGE provides short-term cross-cultural opportunities for college students, hosts Global Focus Week each semester, and sponsors Global Retreats mentoring weekends for students interested in cross-cultural careers.

The Center for Global Engagement is actively engaged in assessing the cultural intelligence of the university community and adjusting its own programs to promote greater cultural intelligence within the institution. Contact by phone at 434-592-6500, email cge@liberty.edu or visit the website at http://www.liberty.edu/academics/globalengagement for more information.

**DEPARTMENT OF GLOBAL STUDIES**
**Melody Harper, B.S., M.S.W., M.A.**
Chair, Department of Global Studies

The Global Studies major and minor provide an academic foundation that equips students to live, work, and serve in a global context. Courses are designed to develop cultural intelligence skills that will enable students to excel as individuals, professionals, and followers of Christ as they engage a diverse world. For more information on the Global Studies major or minor go to http://www.liberty.edu/academics/globalengagement.

**GLOBAL TEAMS**
Global Teams offers students the opportunity to participate on a team of students serving in another part of the world for a couple of weeks at a time. Through this experience, students gain exposure to another culture and to what God is doing among that particular people. Students are able to take the educational experience they are gaining through their academics studies at Liberty University and apply them in practice amongst another cultural people group. The CGE sends students on upwards of twenty or more Global Teams per year, engaging upwards of three hundred students or more each year. Moreover, by registering for and completing the coursework for GLST 380, students can early collegiate credit in conjunction with their Global Team experience.

**GLOBAL INTERNSHIPS**
The Global Internship program serves as the primary bridge between the curricular Global Studies program, and the co-curricular Center for Global Engagement. Global Internships offer students the opportunity to fulfill internship requirements for most majors in an international context. Interns serve with international organizations involved in their field of study and give students an opportunity to live out their faith in a cross-cultural setting. Students learn language and culture, live in context, and complete.
Campus Recreation

Lee Beaumont, B.S., M.S.
Senior Vice President for Auxiliary Services

Kirk Handy, B.S.
Senior Director of Campus Recreation

The Department of Campus Recreation provides a variety of options for resident and online students to interact socially through state of the art indoor and outdoor recreation facilities as well as programs and services that provide entertainment and physical fitness.

Campus Recreation helps to connect students to all that Liberty University has to offer beyond the classroom. By offering dozens of sporting options through the Intramural Sports and Club Sports departments, Campus Recreation gives every student an opportunity to participate in a competitive sport. In order to assist in the social atmosphere on campus, the Student Activities department plans weekly entertainment events. Several different fitness facilities are available for student use to stay physically fit, or they can relax with friends at one of the different lounge areas on campus. With all of these options, Campus Recreation offers something for everyone.

Student Activities

Chris Misiano, B.S., M.A.R., M.R.E.
Senior Director of Campus Recreation

The Student Activities Office is committed to the service of the students of Liberty University by providing a variety of culturally-relevant events and recreational activities throughout each semester, giving students a full calendar of social occasions to interact with one another and enhance their overall experience.

Student Activities provides an extensive variety of entertainment opportunities, both on and off-campus, usually free or at an exclusive Liberty University student discount price. Options include everything from concerts featuring the biggest names in Christian music (Switchfoot, Toby Mac, David Crowder Band, Casting Crowns) to Open Mic Nights, movie nights, and outdoor recreation (whitewater rafting, skiing, horseback riding, hiking) Student Activities offers something for everyone. For detailed information call 434-592-3061 or access the Student Activities website at http://www.liberty.edu/SA.

Recreation Facilities

Campus Recreation offers multiple opportunities for meeting the recreational, fitness, and wellness needs of the University family. These facilities include the LaHaye Student Union (which includes the LaHaye Recreation and Fitness Center, Tilley Student Center, and Thomas Indoor Soccer Center) as well as David’s Place. More information is available online at http://www.liberty.edu/lahayestudentunion or by calling 434-592-3148.

LaHaye Recreation and Fitness Center

The LaHaye Recreation and Fitness Center offers students a variety of co-curricular environments that provide vital social outlets for the development of a well-rounded collegiate experience. This includes five basketball courts, a fitness center, aquatic center, aerobic rooms, and more. Students can work out with the assistance of a personal trainer, take group exercise classes, use the work out equipment or climb the rock wall.

The Aquatic Center has a 25-yard, six-lane pool with a maximum depth of 12 feet for lap swimming and recreational use. The aquatic facility includes two spas, and a one meter diving board. Aquatic equipment such as training fins, training paddles, flexible kickboards, jogger weight belts, hand bar exercisers, pull buoys, and water polo equipment is accessible for use.

Tilley Student Center

The Tilley Student Center is a student recreational and lounge facility designed specifically for students. The facility features a coffee bar, game tables, couches, chairs and four flat screen televisions. There is also a billiard hall within the facility featuring pool tables and ping pong tables, as well as four flat screen television gaming stations. The facility includes a Starbucks, Sub Connection, Fresh Market, and Chick-fil-A.

Thomas Indoor Soccer Center

A part of the LaHaye Student Union, the Thomas Indoor Soccer Center was added in May, 2009 and is comprised of two turf fields partially surrounded by transparent walls and netting. The facility also features a spectator section, multiple televisions and wireless capability.

David's Place

David’s Place is dedicated to the memory of David A. DeMoss, a gentle and loving young man who died tragically in an automobile accident in January 1988. Formerly Campus East Clubhouse, David’s Place is a recreational center that offers billiards, a theatre (featuring a Blu-ray player with a surround sound system), video gaming room (with Playstation 4), and a heated outdoor pool with patio heaters on the pool deck. The facility also features a Jamba Juice which is a great place for a healthy breakfast, quick lunch, or a delicious snack. Jamba Juice is also known for their great tasting fruit smoothies.

Schilling Center

The Schilling Center was recently relocated and is now a part of the LaHaye Student Union. It includes two basketball courts and up to four volleyball courts for intramural sports, club sports, and general recreation.

Equestrian Center

The Equestrian Center includes a newly constructed barn with eight 12’x12’ rubber matted stalls with attached runs, grooming stalls, indoor wash rack with hot and cold water, outdoor wash rack, heated office/student lounge and tack room with washer and dryer, feed room, and men's and women's restrooms. More than thirty acres of small and large turnout pastures are available, as well as a small quarantine facility to accommodate incoming horses. The outdoor arena is a 160'x150’ with sand mix footing. The arena includes a variety of tools to allow students to train and school in a variety of disciplines.

Camp Hydaway

The newly renovated Camp Hydaway features a high and low ropes course, a zipline, new beach access for swimming, as well as, outdoor equipment rentals. Students will be able to check out items such as, canoes, kayaks, mountain bikes, ATV’s, and fishing and camping gear.

The facility will have room for group meetings and events. The Student Activities department will host multiple Outdoor Recreational events throughout the school year.
LAHAYE ICE CENTER

This LaHaye Ice Center is the home of the Flames and Lady Flames hockey teams. During non-practice hours, students can enjoy ice skating, hockey and broomball. The LaHaye Ice Center also offers figure skating and Learn to Skate sessions. Additional information on programs and scheduling is available by calling 434-592-3953 or online at http://www.lahayeicecenter.net.

Outdoor Recreation

SAND VOLLEYBALL COMPLEX

The Sand Volleyball Complex was completed in March 2012. Consisting of four courts, this facility is a premiere venue in the area. Lights provide the opportunity for evening play. The complex is the home for Liberty’s men’s and women’s club sports teams and coed intramural sports leagues. It is also available for pick up play for the Liberty University community.

EAST CAMPUS INTRAMURAL SPORTS AND ATHLETIC COMPLEX

The Intramural Sports and Athletics Complex was completed in August 2011. Two fields are surfaced with an-in-filled synthetic turf that is the home of men’s and women’s lacrosse teams. A third astro turf field is the home of the women’s field hockey team. All three fields are used for intramural sports play that includes soccer, flag football and ultimate Frisbee. A fieldhouse with offices, team rooms and locker rooms is also located at the complex.

LIBERTY MOUNTAIN INTRAMURAL SPORTS COMPLEX

The newest recreational facility was completed on East Campus in fall 2012. It consists of four distinct areas. A 220,000 square foot, multi-purpose turf area is the home to flag football, softball and ultimate Frisbee. A natural grass, recreational softball field sits next to the turf area. Due to the enormous popularity of the sand volleyball courts built in spring semester 2012, four additional courts were added to make a total of eight courts at Liberty University.

Also part of the complex is a sand training area known as “The Patch,” a large sand pit and training course similar to those used by Navy SEALs at the Naval Special Warfare Center in Coronado, CA. It allows individuals to utilize a “functional” training method, using body weight instead of free weights as resistance. The Patch offers not only functional strength training but also jump training, sand pit training, balance, stabilization training, and core training. The individual is able to develop many planes of training that is not possible in any other standardized workout method. For the student looking for a total body workout, the Patch is the perfect training facility.

LIBERTY MOUNTAIN TRAIL SYSTEM

The Liberty Mountain Trail System consists of over 65 miles of single and double track trails and logging roads that spans approximately 5,000 acres. The mountain rises to over 1,360 feet and offers something for all difficulty levels, from a leisurely stroll to the Liberty University Monogram, across country and gravity-fed trails for both hiking and mountain biking. A trail map and additional information is available online at http://www.liberty.edu/campusrec/campmtn/index.cfm?PID=28189.

LIBERTY MOUNTAIN SNOWFLEX® CENTRE

Drew Sherwood, B.S.
General Manager

Liberty Mountain Snowflex® Centre, located off Candler’s Mountain Road, consists of two main distinct ski runs. This includes a beginner slope, intermediate slope, advanced slope, terrain park, a 260-foot tubing run, and gravity park for air awareness training. The 550-foot terrain run has three jumps with a quarter pipe at the bottom, and a 550-foot ski slope with multiple rail features for all levels.

The ski lodge is an 8,000 square foot facility at the base of the ski runs. This building houses the ticket office, ski school, event scheduling, and rental area on the first floor with a seating and concession area on the second floor with a full view of the ski slope, amazing view of the campus and the Blue Ridge Mountains. The Snowflex Centre is a great venue for birthday parties, business meetings, classes, and events. It hosts multiple ski and snowboard summer camps along with fun activities all summer long. The Liberty Mountain Snowflex Centre is open all year round for Liberty University students and public access.

SKATE PARK

The Liberty Mountain Skate Park is located in the Candler’s Mountain Shopping Center. The Skate Park is an indoor facility which allows students and the community to skate board, BMX, or inline skate all year round. The Park has various features for beginners through advanced, such as: three mini ramps, quarter pipe, hubba box, hand rails, foam pit, and a bowl.

IVY LAKE

Ivy Lake, located about 25 minutes from Liberty’s campus in Forest, VA, spans 112 acres with a 6,000 square foot beach. It is available for a variety of activities for Liberty University students, faculty and staff. This is a great spot for fishing, canoeing, or just having a picnic with friends. Before going to Ivy Lake, students must complete a permission form and drop it off at the front desk of the LaHaye Student Union. Ivy Lake is the home of the Liberty Crew team.

THE SPORTS RACQUET

The Sports Racquet facility houses five indoor tennis courts, five hardwood racquetball courts, and a small fitness area. It is also the home of the Liberty University Racquetball Team. During non-member hours, students can enjoy playing indoor tennis, racquetball and wallyball. Private lessons are also available. This facility is located approximately seven miles from campus at 118 Davis Cup Drive in Lynchburg.

PAINTBALL FIELDS

Liberty University’s Paintball Team now has a place on campus to prepare for competitions. The paintball complex consists of two fields with a retractable netting system made with a protective mesh. Students may watch the team behind the safety of the netting during practices. These fields are open for intramurals, special events, and recruitment events.

DISC GOLF COURSE

The Disc Golf Course is located on East Campus just past the intramural football fields. Disc golf is similar to traditional golf in that players tee off and attempt to reach a particular hole in the fewest number of strokes. Unlike normal golf, however, players throw discs, and the “holes” are actually elevated baskets made of metal. The 18-hole course includes tee pads for beginners and experts alike. Usage will vary from intramural sports leagues, to open recreational play among students.
MOTOCROSS/ATV TRACK AND TRAIL SYSTEM
Nestled in Liberty University’s Jack Mountain property, the mile-long wooded arena features numerous doubles, tabletops, loops, and off-camber turns. Encompassing the track is a trail system giving riders even more room to roam. New trails maintain the land’s natural elements while offering ATV riders of all skill levels a place to enhance their technique.

To complement the ATV trail system, the University has purchased several ATV’s for student use free of charge. To use the University-owned ATV’s, students must enroll and pass an ATV safety course. A safety range has been constructed to ensure that the maximum number of students can pass the class and enjoy the ATV Trail System.

3-D ARCHERY RANGE
Located on Liberty Mountain, is a 3-D Archery Range nestled in 10 acres for the Liberty Archery Club. The range consists of 20 life-like animal targets as well as several practice bag targets. In order to qualify as a potential state qualifier site, the range is setup to comply with Archery Shooters Association (ASA) standards. The Archery Club has access to shoot and hold tournaments on the 3-D Archery Range.

HUNTING ON LIBERTY MOUNTAIN
Students have the opportunity to bow hunt on Liberty’s Lone Jack Mountain property through membership in Camp Hydaway’s bow hunting program. In order to qualify you must provide proof of a Virginia resident hunting license, and pass a safety class/proficiency test. Students who meet these requirements will be permitted to bow hunt during the fall and spring seasons on Liberty’s Lone Jack Mountain.

Club Sports
A Club Sport is an organization recognized by Liberty University comprised of individuals who have an interest in competing in a particular sport. The club provides the opportunity for teams to compete against other colleges and universities with the same interests.

Our goal is to provide the availability to participate in a sport within the campus of Liberty University as well as develop values in leadership, fellowship and social skills.

Information on club sports offerings is available at http://www.liberty.edu/campusrec/clubsports/

Intramural Sports
Ed Barnhouse, B.S.
Director of Intramural Sports

The University believes that sports, both inter-collegiate and intramural, have definite educational value, and that few other agencies offer so much that is potentially good for character building in American youth.

Intramural Sports are organized recreational sports leagues that allow students at Liberty to participate in a variety of team and individual sports. Competition exists, but the real focus of intramural sports is health and exercise, social interaction, stress reduction, sportsmanship, and teamwork.

During the fall and spring semester, a program of competitive intramural sports is sponsored that opens the way for wide participation on the part of both men and women. Information on intramural sports is available at http://www.liberty.edu/ims.

ATHLETIC PROGRAMS
Intercollegiate athletic programs are an integral part of American college life. At Liberty, athletics constitutes a vital segment of the area of physical education and an integral part of the total University program.

Liberty offers 20 NCAA Division I athletics programs, giving student-athletes the opportunity to compete at the highest level of intercollegiate athletics. The Flames have been a NCAA Division I program since 1988 and a dominant member of the Big South Conference since 1991, winning 11 Big South Sasser Cups (top team annually in the conference) and more than 120 conference titles since joining the league.

The men's and women's programs offer scholarship aid according to NCAA Division I standards. All interested students are encouraged to contact the head coach of the athletics program of interest. For more information, visit the official Flames website at http://www.LibertyFlames.com.

ACADEMIC AFFAIRS FOR ATHLETICS
The primary mission of Academic Affairs for Athletics at Liberty University is to provide continuous academic, athletic, social, and spiritual development for each student athlete. Utilizing the expertise of our staff in collaboration with institutional programs at Liberty University, our student-athletes receive professional advising, career and academic skill development, tutoring, and mentoring services. Our program assists student-athletes in finding and maintaining a balance between the demands of athletics and academics while preparing them as socially responsible individuals for life after athletics.

CHEERLEADING
Jenny Sydnor, Head Coach
Mission and Philosophy
The mission of the Liberty University Cheerleading team is first and foremost to glorify the Lord Jesus in everything we do. We strive to maintain a positive image and be ambassadors for the University by upholding the values and expectations of the cheerleading program and the University. While on the Liberty University Cheerleading team, athletes are encouraged and guided spiritually, academically, socially, emotionally and physically. It is the goal of the program to help minister to the athletes and to help coach them not only in cheerleading, but in life, helping to shape them into confident and capable adults. Further, the purpose of the Liberty University Cheerleading team is to provide positive support for athletics teams, participate in various Liberty and community events, and participate in fundraising activities, as appropriate to support the program.

Program Structure and Basic Information
Liberty University’s cheerleading program is composed of two coed squads, the Red Squad and the White Squad. The Red Squad will consist of 16 to 20 members and will cheer at all home football games and most of the Men’s basketball games. The Red Squad will also compete at UCA College Nationals. The White Squad will consist of 16 to 20 members and will cheer at all home football games and most of the women’s basketball games. There may or may not be alternates for each squad. The Red Squad and most of the White Squad is chosen at the spring tryout. There will be a fall tryout to fill any additional places for the White Squad.

Cheerleaders practice on average three times per week for 2-3 hours each and have required weight room workouts two times per week. In addition to practices there are various community and University events the cheerleaders take part in.

For more information on the program or the application process, tryout procedures and scholarship aid, please visit us online at http://www.LibertyFlames.com.

STUDENT FLAMES CLUB
Founded in 2006, the Student Flames Club (SFC) exists to promote school spirit, enhance the Game Day atmosphere at Liberty athletics events, and to give the student body an avenue to identify with the University’s athletics programs. SFC Membership is $25 for the entire school year. Membership benefits include an Exclusive Red SFC T-shirt and Drawstring Bag, discounts at the Liberty University Bookstore and local restaurants, and invitations to exclusive SFC events. The SFC also provides participating members priority premium tailgating for all football home games and ticketing for away games and postseason events. The SFC membership package is valued at $50. For more information, visit the Athletics Marketing office on the Second floor of the Williams Stadium Tower, call 434-582-4450, email at SFC@liberty.edu, or visit the official Flames website at http://www.LibertyFlames.com.
University Services

Liberty University Police Department
Col. Richard D. Hinkley, B.S.
Chief of Police

Liberty University Police Department (LUPD), located in the southwest corner of the Green Hall, provides 24/7 patrol protection by police, emergency services and medical service personnel to the campus, parking lots, residence halls and other properties owned or controlled by the University. Liberty University Police Officers are duly sworn with full law enforcement powers and responsibilities, similar to the local police and sheriff’s department. The officers are trained at Central Virginia Criminal Justice Academy and receive additional in-service and specialized training in first aid, firearms, defensive tactics, legal updates, human relations, sensitivity issues and criminal investigations.

University Police share concurrent jurisdiction with the Lynchburg Police Department for properties owned or controlled by the University and other properties agreed upon. University Police offer assistance to the city Police when requested according to an established mutual aid agreement. University Police Officers are responsible for a full range of public safety services, including all crime reports, investigations, medical emergencies, traffic accidents, enforcement of laws about underage drinking, controlled substances, firearms and other weapons and all other incidents requiring police assistance. In an effort to assist in combating crime, University Police share information on arrests and serious crimes with all surrounding police agencies.

LUPD can be contacted by phone at 434-592-7641 (non-emergencies) or 434-592-3911 (emergencies). Additional information is available online at http://www.liberty.edu/lupd.

PUBLIC SAFETY SERVICES

The LUPD provides several service-oriented functions to the University community consisting of more than 14,000 students, faculty, staff and visitors on campus during any given day. Officers are equipped with two-way radios as they patrol campus in marked and unmarked vehicles. University Police responsibilities range from responding to medical and fire emergencies, criminal investigations to providing an on-campus escort service during hours when the campus transit system is not running.

In conjunction with Student Affairs, the University Police help students engrave an identification number on personal property items kept on campus, such as bikes, computers, radios, and stereo systems. Operation Identification is a nationally recognized identification system which has shown to facilitate the recovery of stolen items.

The University Police, upon appointment, also provide Fingerprinting Services for Liberty University students, employees and their families for a small fee. Classes are also offered to students, free of charge, in firearms and range safety as well as RAD (Rape Aggression Defense – basic defense for women). Extensive efforts are made to create a campus environment that fosters personal safety, property security, and learning for all members of the University community. All criminal actions or suspicious behavior should be reported immediately so University Police can take prompt action.

EMERGENCY NOTIFICATION SYSTEM

In conjunction with AtHoc, Liberty University has implemented the Campus Alerting System. This system allows all University constituents to receive notification when an emergency situation occurs on campus. Messages can be transmitted to a cell phone, home phone, work phone or email address. Specific notification for emergency road closures, fires, school closings and severe weather are also features of this system.

Register your contact information online at http://www.liberty.edu/lupd.

CAMPUS CRIME REPORT

Liberty University abides by the Student Right-to-Know, the Campus Security Act of 1990 and the Higher Education Act Reauthorization of 2008. The University makes information concerning campus crime statistics available to the campus community online at http://www.liberty.edu/lupd. This information is also available to prospective Liberty University employees and students upon request.

AUTOMOBILE REGISTRATION

Any vehicle owned or operated on campus must have a current Liberty University Parking Decal properly displayed on that vehicle. Liberty University Parking Decals are only issued by the Liberty University Police Department.

The following documents are required to register a vehicle:
1. Valid Vehicle Registration, issued by a Department of Motor Vehicles.
2. Valid Driver’s License of person registering the vehicle.
3. Complete a form online, print it, and bring it with you to the LUPD office. The link to the form is on the LUPD home page.

Visitors must obtain a parking pass to park on campus. Passes are available at the Hancock Welcome Center.

For additional information on Traffic and Parking Regulations see http://www.liberty.edu/lupd.

Liberty University Transit Services

Liberty University Transit Services operates a comprehensive transportation system that is designed to make the campus and the surrounding community accessible to students, faculty, and staff, while reducing the dependency on single occupancy vehicles. This is accomplished through an efficient intra-campus transit system, a complete carpool program with park and ride and satellite parking programs, airport/train and bus station shuttle services, as well as partnerships with apartment communities to bring improved transportation service options to commuters.

Intra Campus Service

During the semester, service is available on weekdays from 4:30 AM–2:00 AM and weekends from 8:00 AM–2:00 AM. Intra Campus service is provided by five primary routes. Service frequency is every 20 minutes but can be as frequent as every five minutes depending on the time of day.

Off Campus Services

Service to various local apartments is available through two routes operating from 7:00 AM–9:00 PM Monday–Friday during school days. Students are also eligible to receive free bus passes good for use on the local public transit service provided through the Greater Lynchburg Transit Company (GLTC). Shuttle service to and from the Lynchburg Regional Airport, Kemper Street AMTRAK/Greyhound Station, and Roanoke Regional Airport is available through web reservation.

Intra campus and off campus services operating by Liberty University buses can be tracked in real-time with estimated
Charter Services
A charter bus fleet of six mini buses, three mid-size 32-seat coaches, four full-size 52-seat motor coaches, and one 22-seat motorhome coach provides the University community with short to long range charter services. Buses and coaches are proudly branded with Liberty University marks and mid/full-size coaches feature onboard satellite TV and wireless Internet services. Power outlets are available on full-size coaches.
For more details regarding Liberty University Transit Services see http://www.liberty.edu/transit.

Card Services
Located in Green Hall, Card Services is dedicated to connecting students to Liberty University via their Flames Pass ID card as well as assisting students in receiving financial refunds, per diems, and/or stipends via the Higher One card.

Flames Pass: The Flames Pass is your official Liberty University ID card and the key to many resources and privileges both on and off campus. It remains valid as long as you are actively enrolled. Students can receive a Flames Pass by visiting Card Services with a valid government issued photo ID or request one online via the Photo Upload Application.

Higher One Card: Liberty University uses the One Disburse service offered by Higher One, Inc. for the disbursement of student refunds, per diems, and stipends. Once a student is financially checked-in, the Higher One card* is sent to their mailing address on file with Liberty University. Card Services can assist you with selecting a refund preference or receiving a Higher One Card.
For more information, contact Card Services at 434-582-7771 or visit http://www.liberty.edu/cardservices.

Office of Disability Academic Support (ODAS)
Mr. Denny McHaney, B.S., M.Ed.
Director, Office of Disability Academic Support
Associate Professor of Education

Under the umbrella of the Center for Academic Support and Advising Services (CASAS), the Office of Disability Academic Support was created to coordinate academic support services for Liberty University students who have documented disabilities. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability against students in institutions of higher education. Section 504 mandates “reasonable” accommodations to provide equal program access to all students with disabilities. Faculty must provide accommodations that meet the special needs of each student with a disability.

The University has an obligation to make reasonable accommodations in policies, practices or procedures when accommodations are needed to prevent discrimination on the basis of disability unless making the accommodations would
fundamentally alter the nature of the service, program or activity, or would result in undue financial and administrative burdens.

A student who requests accommodations is required to sign a request form each semester giving Disability Support Advisors permission to send written summaries of the individual’s disability, as well as the requests for accommodations. Then each student is instructed to individually seek a private meeting with professors to discuss any accommodations that may be necessary. Professors only need to arrange for those accommodations which have been identified.

Students with documented disabilities may be eligible for some of the following services:
- Extended time for testing
- Testing in a quiet environment
- Note-taking help
- Priority pre-registration
- Interpreters
- Assistive technology lab
  - JAWS for Windows – screen reading software for the visually impaired
  - Kurzweil 3000 – scanning and reading software for students with reading disabilities
  - Dragon Naturally Speaking – speech recognition software which can turn speech into print
  - CCTV – magnification hardware for the visually impaired

Deaf and Hard of Hearing Services
Coordinator, Deaf and Hard of Hearing Services
Assistant Professor American Sign Language and Interpreting

Housed within the Office of Disability Academic Support (ODAS) in Green Hall, Deaf and Hard of Hearing Services provides accommodations for students who are d/Deaf or hard of hearing. These services may include the provision of qualified Sign Language interpreters for academic classes and related events, cultural mediation, note takers, academic advising, priority classroom seating, and priority pre-registration.

Health Services
Liberty University Health Services located in Green Hall near the LaHaye Student Union is a service of Centra Medical Group, providing quality medical care and assisting students and faculty in maintaining and optimizing their health. On-campus healthcare services are provided by Centra Health as a convenience for students and staff. Payment for services rendered is the patient's responsibility. Liberty does not charge a universal health fee and allows students to choose their own healthcare provider.

Office hours are Monday – Friday, 8:00 AM to 6:00 PM. To schedule an appointment, please call (434) 200-6370. Additional information is provided on the Health Services webpage at http://www.liberty.edu/index.cfm?PID=451.

Liberty University Dining Services
Liberty University Dining Services are offered at several locations throughout the campus. Reber-Thomas Dining Hall, the main campus dining facility, offers three dining sessions during the fall and spring semesters: breakfast, lunch, and dinner. Other on-campus dining locations include Doc’s Diner, Simply To Go, Tilley Food Court, Tinney Café, Bistro 71, Jamba Juice, Jazzman’s Café, Dunkin Donuts, Subconnection, and the Hill City Bistro.

Students residing on campus may select from a variety of meal plans and meal plan points which are added to the Flames Pass. Commuter students purchase meal plans and points on a semester basis. Many student meal plans can also be utilized at more than thirty off campus dining locations.

To assist with special dietary needs, a registered dietician works alongside the culinary team to ensure compliance with health food standards, make dietary restriction accommodations, and to help facilitate general nutritional education with the students.

Additional information on meal plans, nutritional information, locations, hours of operation, and other services provided can be accessed at http://www.libertydining.com.

Liberty University Postal Services
The Liberty University Postal Service exists to serve all postal needs of the University's students, staff and faculty. Offering domestic and international shipping options at a reduced rate than the general post office, Liberty University Postal Services is the best choice for all shipping and receiving needs.

The Liberty University Post Office is located in Green Hall Room 1943 and maintains hours of operation from 8:30 a.m. to 5:00 p.m., Monday-Friday

For more information related to Liberty University Postal Services, please see http://www.liberty.edu/postalservices.
University Services – Online Program

Online Advising
Carissa Krenow, B.S., M.B.A.
Director of Academic Advising

Each student has access to professional Academic Advisors who will assist the student with choosing and scheduling courses. Academic Advisors are available to answer any questions the student may have or to help solve unexpected problems. In addition, every course is managed by a faculty member who is available to answer course-related and academic questions.

New students will need to contact an Admissions Specialist who will guide students in course selection for the first semester and assist in all other preparations until the first day of class. On the first day of the first sub-term in which students are enrolled, all questions concerning academic issues should be directed to the Academic Advising Department. Students are encouraged to contact the Academic Advising Department for help with any school-related problems they may encounter during the academic year.

Online services include Webmail and ASIST (Automated Student Information Services Tool). Webmail serves as the primary means of communication between the University and the student. Students are each assigned a personal webmail account, which they are advised to check on a weekly basis. Using ASIST, students may register and drop courses, access and update their personal information, view their account balances, make online payments, view individual test and final course grades, email professors, view and calculate GPA, and apply for financial aid.

Informational Webinars
The Academic Advising Office provides informational webinars to new and current students via web conferencing. Topics include:

- New Student Orientation,
- Fundamentals of Blackboard®
- Institute of Military Resilience
- Introduction to the Online Library

For more information about webinar offerings, or to register for a webinar event, visit the webpage at http://www.liberty.edu/online/index.cfm?PID=16740.

Office of Military Affairs
Emily Foutz, B.S., M.A.
Director of Military Affairs

The Office of Military Affairs is a knowledgeable resource for servicemembers and veterans, to help those who serve achieve their academic goals. The services provided include military and veteran benefit counseling to help each student through the process of requesting Tuition Assistance and GI Bill benefits, processing and follow-through with the government agencies, and assistance when military deployment, temporary duty, and permanent change of station orders presents a challenge to academic progress.

Military Affairs partners with the military and veteran organizations to offer a wide variety of military-friendly programs, including Servicemembers Opportunity Colleges (SOC) Network, GoArmyEd, College of the American Soldier, Navy College Program Distance Learning Partnership (NCPDLP), Air University – Associate to Baccalaureate (AU-ABC) Program, and the Department of Veterans Affairs Yellow Ribbon Program.

For more information, please visit the Military Student web page at http://www.liberty.edu/militaryaffairs.

Liberty University Online Library Services
Jeffrey M. Dull, B.S., M.S.L.S.
Liberty University Online Librarian

The Liberty University Jerry Falwell Library functions are organized and serviced through a well-qualified faculty and staff. The library provides a broad range of services to help students and faculty use information resources and technology effectively. These services include classroom-based instruction, personalized research assistance, and software support.

The library provides many of its services and resources to students in the Liberty University Online programs. Online students can access virtually all database resources through a proxy login system. In addition, they have direct toll-free telephone and email access to a librarian specializing in online support. The library is committed to being the primary source for Liberty University Online students by offering timely personal contact and document delivery in order to meet their specific needs. This includes the delivery of books and journal articles as well as research and reference services. Fees are assessed for copying, mailing, and faxing.

Liberty University Online students can contact the library by email research@liberty.edu or phone 434-582-2821.

University Online Writing Center
Shelah Simpson, B.S., M.A.R., M.A.
Director, Online Writing Center
Assistant Professor of English

The Online Writing Center (OWC) was established as part of Liberty’s efforts to improve student writing and thus offers writing-related services tailored to the University’s online student population. Through the Online Writing Center web page (http://www.liberty.edu/onthlinewritingcenter), online students can submit drafts of upcoming assignments to receive tutor feedback, schedule appointments to speak with a tutor, live, via web conferencing, e-mail quick questions to tutors, and offer suggestions for further online writing aids that the OWC should consider developing. Students may contact the OWC by emailing onlinewriter@liberty.edu.

Tutor.Com
Liberty University Online has partnered with Tutor.com, the leading live, online tutoring service in the United States. Tutor.com may be accessed by students who are part of our online student body via an Internet web browser or mobile application, with a network of more than 2,200 expert tutors available around-the-clock. Subjects include math, science, finance, accounting, economics, social studies, English, real-time research paper review, and citizenship test preparation.

Liberty University en Español students can also receive tutoring services in Spanish. Bilingual tutors will assist in math, science, English, real-time research paper review, and citizenship test preparation.

This partnership also enriches and enhances the current services provided by Liberty University’s Virtual Career Center, coupling its vast resources with Tutor.com’s real-time resume/cover letter writing and review in addition to live assistance from certified career specialists.

Several programs are available to assist students in determining career goals and implementing appropriate educational plans. Through the Virtual Career Center, online job listings, career counseling, and a computerized career assessment, students are encouraged to explore various occupational fields, develop job-hunting skills, and research graduate education programs. Students are also encouraged to participate in externships and internships, which provide practical work experience and complement their formal education.

For more information on any of the stated topics, please visit the Career Center website at http://www.liberty.edu/career.

Disability Support

The Liberty University Online Office of Disability Academic Support (LU ODAS) exists to coordinate support services for online students with a documented disability. Under Section 504 of the Rehabilitation Act of 1973, we seek to provide "reasonable" accommodations and create equal program access to all students. Our office works in conjunction with students and faculty to ensure that reasonable accommodations are made for students with documented disabilities. For more information, visit the ODAS web page https://www.liberty.edu/index.cfm?PID=25507 (login required) or contact the Liberty University Online ODAS staff at luoodas@liberty.edu.

Intensives

Intensive course schedules, enrollment procedures, tuition and fees, transportation and lodging information are accessible online at http://www.luonline.com/index.cfm?pid=14244.

Career Center

The Career Center strives to assist students in realizing their God-given potential through developing career and education decisions that are rooted in their faith and values. They provide services and resources to help students utilize their academic training in preparation for their professional development. Through the Virtual Career Center, residential and online students, as well as alumni, have access to career services without closing hours.

LUNETWORK – JOB DATABASE

Liberty University’s exclusive employer relationship database, LUNETWORK, is the on-line database that has thousands of employers looking for Liberty students, recent graduates, and alumni. Employers from all over the country (and world) are purposefully posting positions looking for Liberty talent. Postings include internships and full time positions for both new graduates and seasoned professionals. Students and alumni can post their resume and search the database for positions all over the world. Residential and Online Students and Alumni are eligible to utilize LUNETWORK for life.

INTERNSHIP PROGRAM

All students are encouraged to complete an internship to assist with career planning and gain practical experience within their chosen field of study. Approximately sixty-percent of all interns receive a full-time job offer. Students may earn from one to six (in some cases nine) semester hours of credit. Many majors require at least three credits. All applicants for credit internships, which are listed in the University’s Catalog, are processed through the Liberty University Career Center.

Completed applications must be submitted to the Career Center by the appropriate deadline (NO EXCEPTIONS).

The Career Center also provides a special internship opportunity through the Washington Semester Fellowship (WSF). This program allows students to live and work in Washington D.C. where they are placed in internships relevant to their career or academic interests. Students in the WSF earn six credits of internship while taking six online credits. Additional leadership and professional development training are also available to participants.

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that a criminal background check, finger printing, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements

In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs

Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.
Online Student Advocate Office
Jason Byrd, B.S., M.B.A.
Director of Online Student Advocate Office
The Liberty University Online Student Advocate Office is committed to making the distance student’s experience at Liberty University both positive and life changing. The office works directly with advisors as well as university support offices to help students overcome obstacles on the journey from enrollment through graduation. Online students have a unique email to access these services. The Liberty University Online Advocate team is available via email at luostudentadvocate@liberty or online at: www.liberty.edu/online/student-advocate-office.

Liberty University Bookstore
Students purchase all course materials from MBS Direct. Purchases can be made online by accessing the web page at http://www.mbsdirect.net/liberty. Students should purchase materials after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

Materials for practica and required intensives can be purchased from MBS Direct. Tuition does not cover the cost of course materials.

Information Technology Services
Matthew Zealand, B.S.
Chief Information Officer
IT HELPDESK
The IT HelpDesk assists students with computer problems by phone, remote assistance, or walk–in service. HelpDesk hours and other resources such as the Liberty University Knowledge Base (Ask L.U.K.E.) are published online at http://www.liberty.edu/helpdesk. The HelpDesk is located at Green Hall Room 1539; to contact by phone call 866-447-2869 or 434-592-7800.

ONLINE LEARNING PLATFORM
Liberty provides students with an online learning platform called Blackboard®. Blackboard serves a variety of purposes, allowing professors to make announcements, post assignments, and interact with students. Students will use Blackboard to submit coursework, complete online tests, and interact with their classmates.

ADMINISTRATIVE SOFTWARE APPLICATION
Liberty uses a web application called Banner to house all Liberty user account information. Banner is accessible to all Liberty staff, faculty, alumni, and students and is used to manage accounts information such as financial aid, accounts receivable, finance, and etc. Students access Banner (ASIST) from the main Liberty website and use ASIST to register for courses, complete financial check-in, view academic records, review applications, and update personal information.

IT TESTING AND TRAINING
IT Testing and Training provides IT-related training to faculty and staff. Testing services are also offered to the University, students, and the general public for certification fields of expertise including Cisco®, Microsoft®, and Oracle®. For more information, visit http://www.liberty.edu/training; to contact by phone call 434-592-7820 or 434-592-4600.

IT MARKETPLACE
The IT Marketplace is a one stop shop for recommended computers, software, and computer peripherals at educational pricing. The IT Marketplace place can be visited at http://www.liberty.edu/ITMarketplace.

MOBILE APPLICATIONS
LUIT provides all Liberty users with three Liberty specific applications for mobile devices.
- **Bb Mobile Learn** is a free application that allows students and faculty to connect to their Blackboard courses. **Currently Available for:** Palm, Android, Blackberry, iPad, iPhone, and iPod touch devices.
- **MyLibertyU** is a free suite of applications that includes on-demand access to Liberty news, athletic updates, scores and schedules, access to your courses through Blackboard Learn, a campus map with an interactive locator, access to Liberty images, videos, the course catalog, and easy access to important phone numbers. **Currently available for:** Palm, Android, Blackberry, iPad, iPhone, and iPod touch devices.
- **LU Today** is a free application that houses access to numerous Liberty focused media and news channels including Liberty News, Liberty TV Channel, Liberty Journal, Victory FM Radio and others. **Currently available for:** Palm, Android, Blackberry, iPad, iPhone, and iPod touch devices.

Additional information, including how to download Liberty mobile applications, is available online at: http://www.liberty.edu/gomobile.

MYLU PORTAL
The MyLU portal is a customizable website that allows students to access a wide variety of Liberty information. It features widgets (small software programs) that display a specific piece of information such as Blackboard, Flames Cash, Liberty news, class schedule, Liberty announcements, financial aid information, and more. The portal is accessed at https://www.liberty.edu/secure?service=https%3A%2F%2Fmylu.l liberty.edu%2Fcc%2Fportal%2Flogin.

ONLINE WEB PRESENCE
Liberty provides an official webpage that can be used to access all Liberty information and major services such as Webmail, Banner (ASIST), Blackboard, Official Announcements, University Calendar, and Financial Aid. Liberty’s official webpage can be viewed at https://www.liberty.edu.

Liberty Online Communities
Liberty University Online Communities exists to engage our students and be a source of spiritual encouragement. Various online resources are offered including:
- Live church sermons
- Chat with other viewers
- View a schedule of events
- Submit a prayer request
- Find a church

Convocation and Campus Church
As a dynamic institution vitally interested in the whole person, Liberty provides for physical, social, intellectual, and spiritual needs of the Liberty community. To meet these needs, Liberty provides opportunities for students to gather and serve as a community through convocations and campus church services. Liberty University Online students are encouraged to attend church services as well as convocation when completing on campus intensives.

**PURPOSE**

The Jerry Falwell Library is the focal point of academic life at Liberty. Strategically located in the center of campus, the library supports teaching, learning, and research by providing information, instruction resources, spaces, and related services for the Liberty University community.

A collection of approximately 65,000 highly used and recently published titles is available for browsing. The rest of the collection is housed in an automated storage and retrieval system allows the library to conserve space for student use. With over thirty group study rooms, seven learning commons, outside terraces, and a spacious atrium, the library has spaces to support the needs of all students. The library is open across a wide range of hours each week during the academic term.

**INSTRUCTIONAL RESOURCES**

The Jerry Falwell Library has state-of-the-art technology, including an active learning classroom where classes are offered in finding and using information. It also houses pixel tables, collaborative technologies for group study, a media wall and self-serve kiosks.

The computing resources within the library consist of 160 computers housed in a computer learning commons and stand-up stations throughout the facility. With the exception of machines reserved for library catalog searching, all library computers are pre-loaded with a variety of software titles available for student use, including Microsoft® Office, Adobe® Creative® Suite, Mathematica, and SPSS.

All library computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer users to access the full array of network resources.

**COLLECTIONS**

The library is an integral part of the educational process, providing digital and traditional information resources to support the University curriculum and mission. The Jerry Falwell Library collects and organizes resources across a wide range of media, including books, periodicals, audio-visual resources in various formats, musical scores, curriculum, and archival materials. Its physical collections consist of approximately 368,000 volume equivalents and 638 current periodical subscriptions.

While the Jerry Falwell Library expects to collect print resources for the foreseeable future, it has shifted to a significant degree from physical ownership to electronic access – a model that serves both residential and distance students. Digital information resources provided by the library include over 250,000 electronic items and content from more than 69,000 unique full-text journals. The library provides access to more than 400 online research resources from companies such as Dow Jones, EBSCO, JSTOR, LexisNexis, OCLC, ProQuest, the American Psychological Association, Elsevier, Standard and Poor’s, and Gale Cengage. A large majority of these print and electronic resources are now available by searching a single discovery tool, Summon. Resources can be accessed directly from this one source or users are able to make a request for materials to be purchased which are not currently owned by our library.

Students and faculty can request materials from libraries across the United States through the interlibrary loan service. Books and media borrowed from local and in-state libraries are often available in less than three days. Copies of periodical articles
are typically delivered in digital form, often within two days or less.

The Jerry Falwell Library bears responsibility for collecting and providing access to academic publications and historical records created by members of the Liberty University community through their online repository known as the Digital Commons. Physical resources related to the history of the institution are housed in the Archive department.

CURRICULUM LIBRARY

The Curriculum Library, housed in the DeMoss building, supports the School of Education at Liberty University by providing access to a variety of instructional resources. Offerings include textbooks and teaching materials for pre-school through grade twelve as well as standardized tests. Educational games, manipulatives, and models enhance the collection.

An extensive selection of juvenile titles provides reinforcement for classes in Children’s Literature and Adolescent Literature in addition to classes in curriculum development. Materials related to educational theory and research can be found on the shelves of the main collection of the Jerry Falwell Library.

SERVICES

The Jerry Falwell Library functions are organized and serviced through a well-qualified faculty and staff. A broad range of services is provided to help students and faculty use information resources and technology effectively. These services include classroom-based instruction, topic-specific workshops, personalized research assistance, and software support. The Customer Service Center on the main floor of the library serves as a starting point for help with borrowing services, research questions, and basic computer assistance.

The Jerry Falwell Library provides many of its library services and resources to students in the Liberty University Online programs. Online students can access virtually all database resources through a proxy login system. In addition, online students have direct toll-free telephone and email access through the library’s Online Call Center, which provides access to a librarian specializing in online support. A Customer Service Center, staffed with librarians and specially trained research support specialists, is available during all hours the library is open. The Jerry Falwell Library is committed to being the primary library for Liberty University Online students by offering timely personal contact and document delivery in order to meet their special needs. This includes the delivery of books and journal articles as well as research and reference services. Fees are assessed for copying, mailing, and faxing.

MEMBERSHIPS

Academic libraries are undergoing significant changes as they adapt to the terms of a new information economy. Not only are information and technology resources in unprecedented demand, but they must be configured to support teaching, learning, and research regardless of the end user’s location. In this context, the Jerry Falwell Library benefits from collaboration with other agencies and professionals through membership in the Christian Library Consortium, the Consortium of College and University Media Centers, Lyrasis, VICULA (Virginia Independent College and University Library Association), VIVA (the Virtual Library of Virginia), the Center for Research Libraries, and other information services organizations.
Liberty University’s educational philosophy is based on the integration of fundamental Christian beliefs and the liberal arts tradition. Its programs are designed to prepare students to assume leadership roles in society.

**Academic Programs**

At the undergraduate level, Liberty University defines a degree program as a major. Concentrations and cognates within given majors are listed under the major. Liberty University defines a Concentration as a specific grouping of 18 or more credit hours that may be offered within the requirements for an Undergraduate Major or Graduate Program. A Cognate is defined as a specific grouping of 9 to 17 credit hours that may be offered within the requirements for an Undergraduate Major or Graduate Program.

The requirements for graduation for all undergraduate programs are listed in this Catalog and on Degree Completion Plans (DCP) which can be accessed at [http://www.liberty.edu/index.cfm?PID=23103](http://www.liberty.edu/index.cfm?PID=23103). Specific Course Requirements and Course Sequences for all residential majors may be found at [http://www.liberty.edu/casas](http://www.liberty.edu/casas).

A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. You can find the course planning schedule by visiting the following site: [http://www.liberty.edu/academics/registrar/index.cfm?PID=23103](http://www.liberty.edu/academics/registrar/index.cfm?PID=23103).

Undergraduate students declare a major when they are accepted to Liberty. They may process a change of major at any time following matriculation through the Center for Academic Support and Advising Services (CASAS). Exceptions are majors which require acceptance into the program, i.e., Athletic Training, Education, Individualized Studies, Interdisciplinary Studies, and Nursing majors.

Unless published in this Catalog, no other undergraduate degree programs or major and minor fields can be offered by Liberty and students must be aware that Liberty has no responsibility to offer any degree program, major, or minor unless such information is found in this publication. At least 50% of the semester hours in the major for any program of study or minor must be earned at Liberty University with the exception of the A.A. in Interdisciplinary Studies.

**Teacher Licensure**

Liberty University offers teacher licensure programs which are approved by the State of Virginia Department of Education.

Those who enter the teacher licensure program must complete the academic major, be subject to the same general education requirements as all other students, and complete academic and practicum experiences related to professional teacher training.

Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education. Licensure information is also available at [http://www.liberty.edu/uguide](http://www.liberty.edu/uguide).

Students' major fields of study. Honors students also complete a course work and independent honors petitioned projects within the University Honors Program is designed to provide highly motivated students of above average ability the opportunity to achieve their highest intellectual and creative potential through a combination of homogenous honors seminars in general education course work and independent honors petitioned projects within the students’ major fields of study. Honors students also complete a Senior Honors Thesis as their capstone project during their last semester of college.

The University Honors Program

Director, Honors Program and Quiz Bowl Coach
Professor of English

If you participated in Gifted and Talented programs in high school or if you are academically talented and serious about your studies and seek to be appropriately challenged, you should consider the academic enrichment of our Honors Program along with its merit-based Honors scholarship ($4,000).

Additional academic scholarships are available for National Merit Finalists (full tuition, room, and board), National Merit Semi-Finalists (full tuition), and National Merit Commended students (full tuition) who participate in the Honors Program.

The University Honors Program is designed to provide highly motivated students of above average ability the opportunity to achieve their highest intellectual and creative potential through a combination of homogenous honors seminars in general education course work and independent honors petitioned projects within the students’ major fields of study. Honors students also complete a Senior Honors Thesis as their capstone project during their last semester of college.

Qualified students may apply for admission to Liberty University and the Honors Program simultaneously, although application to the Honors Program must be made directly to that office. If admitted to the program, students must begin taking honors courses in their first semester at Liberty.

Criteria for applying to the Honors Program include the following:

1. Score at least 1270 on SAT (critical reading and math scores only) or 29 on the ACT;
2. Submit official high school or college transcripts indicating a GPA of at least 3.50 on an unweighted 4.00 scale;
3. Write an expository essay of four and one-half to five typed pages on the topic, “What I Hope to Gain from an Honors Program Education at Liberty University”;
4. Submit three letters of recommendation from present or former teachers;
5. Complete the Honors Program Application.

Transfer or Liberty University students must have a cumulative GPA of 3.50 and have no more than 60 credits earned; their recommendation letters must come from professors.

The selection process is competitive, and Honors applications are reviewed on the first day of each month beginning February 1st. Applications will not be considered unless they are postmarked by April 1st. For more information or to receive an Honors application, contact the Honors Program Office by phone at 434-592-3304 or email the Director at jhnutter@liberty.edu. Visit the website at https://www.liberty.edu/academics/honors for additional information.

Liberty University en Español

Liberty University en Español offers Spanish-language versions of Liberty University Online programs. The curriculum is the same as existing Liberty University Online programs, and the course requirements do not vary. The only difference in these programs is that Spanish-language versions of some of the course materials are available, and students are permitted to turn in written materials in their native language. Further information is available at http://www.liberty.edu/online/lue-inicio/.

Completing a course or program in a language other than English may reduce employability where English is required.

The Center for Student Travel

Kevin D. Struble, B.S., M.A., Ed.S.
Chair of Graduate and Online Student Affairs & Center for Student Travel

The mission of the Center for Student Travel is to provide Liberty University students with a unique opportunity to transform their national and global outlook and grow in their faith while reaching their academic goals. It will also be an opportunity for the student to develop character, learn more about themselves and form lasting relationships. The office provides students with travel opportunities through study abroad, faculty-led study tours, and domestic field trips for academic credit or professional experience.

In an increasingly global economy, it is imperative that students have access to national and international experiences that will help them to lead in the 21st century. The Center for Student Travel offers students a chance to serve, study, and even live in various settings that can broaden their intellectual horizons and expose them to other cultures in a way that is not always possible on campus. For this reason, student travel experiences in a national or cross-cultural environment are part of Liberty University’s aim to contribute to a knowledge and understanding of others cultures and world events.

The Center for Student Travel, located in Green Hall 1837, assists students in selecting a program that best fits their educational needs. Semester, summer-long, and short-term programs both nationally and abroad are available through collaborations with strategic program partners and future Center for Student Travel programs.

For more information, contact the Center for Student Travel by email at studenttravel@liberty.edu, by phone at 434-592-4005, or visit the website at http://www.liberty.edu/studenttravel.

Liberty University Online Programs of Study

Programs of Study

Following is a complete listing of the majors and minors offered at Liberty. Concentrations and cognates within given majors are listed under the major. Liberty University defines a Concentration as a specific grouping of 18 or more credit hours that may be offered within the requirements for an Undergraduate Major or Graduate Program. A Cognate is defined as a specific grouping of 9 to 17 credit hours that may be offered within the requirements for an Undergraduate Major or Graduate Program.

Unless published in this Catalog, no other undergraduate degree programs or major and minor fields can be offered by Liberty and students must be aware that Liberty has no responsibility to offer any degree program, major, or minor unless such information is found in this publication. At least 50% of the semester hours in the major for any program of study or minor must be earned at Liberty University with the exception of the A.A. in Interdisciplinary Studies.

The requirements for graduation for all undergraduate programs are listed in this Catalog and on Degree Completion Plans (DCP) or Certificate Completion Plans (CCP) which are available on the web at http://www.liberty.edu/index.cfm?PID=2981.

A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. You can find the course planning schedule by visiting the following site:

Center for Professional and Continuing Education
The Liberty University Center for Professional and Continuing Education (CPCE) offers, through its residential and online programs, professional development and personal enrichment courses to meet community and individual needs. The Professional and Continuing Education component consists of instructional services, consultation, technical assistance, and community education interests. These opportunities are available in various residential and online venues: conferences, workshops, classes, etc. The principal unit awarded for participation in these non-degree credit activities is the certificate of the Continuing Education Unit (CEU).
Center for Academic Support & Advising Services

**Faculty**

All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&CaTID=22 where faculty can be searched for by Department.

**PURPOSE**

The purpose of the Center for Academic Support and Advising Services (CASAS) is to maximize student success, enhance the university experience, and help students discover and achieve the plan God has for them. To accomplish this, the faculty and staff manage academic testing and advising, Integrative Studies requirements, New Student Seminar (NSSR 101), the Bruckner Learning Center, Disability Academic Support, Eagle Scholars Program, the Center for Writing and Languages, the Career Center, the Individualized Programs of Study and Technical Studies majors as well as Continuing Education courses.

**NEW STUDENT SEMINAR**

**Coordinator: Clint Melton**

Prior to beginning the first year at Liberty University, all first-time college students enrolled in on campus programs are required to complete New Student Seminar, NSSR 101. This course is designed to give an orientation and overview of policies that govern life at Liberty.

The New Student Seminar is designed to introduce an environment for success while also providing structure and support as new students navigate the academic, spiritual, social and physical campus that is Liberty University.

**ACADEMIC ADVISING**

**Director: David Hart**

Freshmen and Sophomores will receive personalized advising through their assigned Professional Advisor, based on the student’s academic area of study. Professional Advisors will provide student support for questions concerning academic issues. Juniors and Seniors will meet with faculty, as needed, in the Academic Department that corresponds with their major. Both Professional Advisors and Faculty will assist students with reaching their spiritual, academic, and personal goals.

**Programs of Study**

**Director: Barbara Sherman**

Bachelor degrees offered through the Center for Academic Support and Advising Services include Individualized Studies (B.A./B.S.) and Interdisciplinary Studies (B.S.). The Science, Technology, Engineering, and Math (STEM) cognate has some unique requirements listed below. Additional information is available online at http://www.liberty.edu/individualstudy.

**Individualized Studies Major (B.A. or B.S.)**

**PURPOSE**

The Bachelor of Individualized Studies major is designed to provide an option for the exceptionally talented student who wishes to pursue a particular area of study not available through the structured major and minor programs.

**Coordinator of Developmental Mathematics**

Kathy Spradlin, B.S., M.S., Ed.D.

Coordinator, Math Emporium

Coordinator, Developmental Mathematics

Associate Professor of Developmental Mathematics

Jackie Owen, A.A.

Coordinator, Deaf and Hard of Hearing Services
PROGRAM LEARNING OUTCOMES
The student will be able to:

1. Demonstrate acquisition of core competencies in at least two content areas;
2. Assess the moral dimensions and ethical implications in two disciplines;
3. Demonstrate the integration of knowledge; and
4. Evidence the synthesis of academic knowledge and Christian values.

DEGREE REQUIREMENTS
1. Minimum cumulative GPA of 3.00 is required to apply and for degree completion;
2. Fulfill institutional General Education: Core Competency requirements;
3. Complete INDS 400;
4. Complete two cognates of at least 21 hours. One cognate must be composed of courses from a single major area, while the second may combine related courses from different departments;
5. STEM cognates – One cognate consists of 15 hours in core industrial processes and an internship. The second cognate of choice consists of 27 hours.
6. B.A. – Complete 0-5 hours of electives and 12 hours of language;
7. B.A. (STEM cognate) – Complete 0-4 hours of electives, 12 hours of language;
8. B.S. – Complete 10-17 hours of electives;
9. B.S. (STEM cognate) – Complete 9-16 hours of electives;
10. Complete at least 30 hours at the 300-400 level;
11. Complete 50 percent of the major at Liberty;
12. Complete 60 hours following admission to the program or prior to commencing the Junior year; and
13. Broken enrollment would necessitate renegotiation of the proposal.

PROGRAM SPECIFIC ADMISSION REQUIREMENTS
To gain admission to the Interdisciplinary Studies Program, the student must complete the application process and meet with the Director, Individualized Programs of Study as early as possible in the undergraduate program and complete 60 hours following admission to the program or prior to commencing the Junior year.

Proposed cognates must be approved by the respective departmental chairman. Final approval for admission to the program is granted by the Director, Individualized Programs of Study.

The Individualized Studies Proposal and DCP are used to determine compliance for degree requirements, and may not be changed without the approval of the Director, Individualized Programs of Study and the respective Department Chairmen.

Interdisciplinary Studies Major (B.S.)

PURPOSE
The Bachelor of Science in Interdisciplinary Studies major is designed to offer a degree that enables the student to use both inter-college and interdepartmental combinations of courses that will provide a broad pattern of educational experience.

PROGRAM LEARNING OUTCOMES
The student will be able to:

1. Demonstrate acquisition of core competencies in at least two, but not more than three, content areas;
2. Assess the moral dimensions and ethical implications in at least two disciplines;
3. Demonstrate the integration of knowledge; and
4. Evidence the synthesis of academic knowledge and Christian values.

DEGREE REQUIREMENTS
1. Fulfill institutional General Education: Core Competency Requirements;
2. Complete INDS 400;
3. Complete 45-hours in at least two, but not more than three, academic disciplines with no more than 30 hours and no less than 15 hours from any one discipline. The courses may be in most fields offered by the University;
4. STEM cognate must consist of 15 hours in core industrial processes and an internship;
5. B.S. – Complete 7-14 hours of electives;
6. B.S. (STEM cognate) - Complete 6-13 hours of electives;
7. Complete at least 30 hours at the 300-400 level;
8. Complete 50 percent of the major at Liberty;
9. Complete 30 hours following admission to the program; and
10. Broken enrollment would necessitate renegotiation of the proposal.

PROGRAM SPECIFIC ADMISSION REQUIREMENTS
To gain admission to the Interdisciplinary Studies Program, the student must complete the application process and meet with the Director, Individualized Programs of Study as early as possible in his/her undergraduate program and prior to commencing the Senior year. The Professional Advisor for the Individualized Programs of Study will assist the student in developing a course and program plan to meet the requirements of the degree.

The cognates must be approved by the Department Chairmen of the disciplines involved. The Interdisciplinary Studies proposal is then submitted to the Director, Individualized Programs of Study, for final approval. The course and program plan, when accepted, becomes the student’s DCP contract for graduation and may be modified only upon written request to the Director, Individualized Programs of Study.

STEM Minor

PROGRAM LEARNING OUTCOMES
The student will be able to:

1. Apply industrial technology, technical math, and/or physical science skills to energy solutions.
2. Understand the basic science and mathematical theories behind energy resources and energy production.
3. Use various computer technologies that support the energy industry or other technical-related issues.

Honor Societies

TAU SIGMA HONOR SOCIETY

Advisors: Dr. Brian C. Yates and Dr. Jacqueline J. Johnson

Tau Sigma is an academic honor society designed specifically to "recognize and promote the academic excellence and involvement of transfer students."

Tau Sigma was incorporated as a non-profit in 1999 with Auburn University being the home of the first chapter. At that time, Auburn University was becoming increasingly aware of the significant number of transfers on campus as well as the university’s inability to adequately serve them. Tau Sigma was born out of Auburn University’s desire to improve its service to and recruiting and retention of transfer students.

Today, over 60 other universities have established or are currently establishing Tau Sigma chapters in their efforts to improve the services that they provide to their transfer student population. Although Tau Sigma is a relatively young organization, many members in all parts of the country have become active at their universities, participating in such activities...
as on-campus recruiting events for prospective transfer students, transfer student orientation, community service projects, assisting the admissions office with the recruitment of prospective transfers at junior colleges, and participating in intramural sports and socials that allow them opportunities to fellowship with one another and make new friends.

The Liberty University Chapter was approved in fall 2008, with the first class inducted in the spring 2009. To be eligible, a student must be a transfer student and achieve at least a 3.50 GPA during the first semester at Liberty University.

ALPHA LAMBDA DELTA HONOR SOCIETY
Advisors: Dr. Marilyn Gadomski and Mrs. Bessie Grayson

Alpha Lambda Delta (ALD) is a national interdisciplinary honor society founded in 1924 at the University of Illinois to recognize academic excellence among first-year students. The Liberty University Chapter provides Christian, intellectual and social enrichment, along with leadership experience for the officers, for students who will become eligible for the honor societies of their majors.

An invitation for membership is sent to students who meet the following requirements:

- GPA of 3.50 or higher at the end of the first two semesters of college (with no repeats).
- Full-time enrollment pursuing a bachelor’s degree.
- Freshman transfer students must have the required GPA on the courses taken during their first semester of enrollment combined with the cumulative average of their transfer credits.

BRUCKNER LEARNING CENTER
Assistant Director of the Bruckner Learning Center for Academics: S. Denise Green
Assistant Director of the Bruckner Learning Center for Testing and Tutoring: James D. Wagner

The Bruckner Learning Center (BLC) provides a wide range of programs to enhance the academic success of Liberty University students. A valuable course available to incoming freshmen is MENT 101, which provides small group instruction/mentoring, accountability partners and topics such as study strategies, and life skills. CLST 101 is designed to teach students the study skills necessary for college success, while those desiring individualized lab work in study techniques may take CLST 103. Other offerings include CLST 105, which provides mentoring and accountability, and CLST 301, an advanced speed reading course designed to build vocabulary and accelerate reading speed. Additionally, CLST 104 is a transitional study skills course offered in the summer that incorporates Freshman Seminar. Any new freshman may take CLST 104. Applicants must apply and be accepted into the Summer Bridge Program in order to participate in CLST 104.

Students who are placed on Academic Warning/Probation will be required to complete a College Learning Strategies (CLST) course to assist them in their academic progress during that semester of Academic Warning/Probation. In such instances, if a student withdraws, or receives a grade lower than a C, the course must be retaken in the subsequent semester. A student may not drop or withdraw from the course without permission from the Assistant Director of Academics in the Bruckner Learning Center.

DEVELOPMENTAL MATH
Coordinator: Dr. Kathy Spradlin

Developmental Math is a component of the Bruckner Learning Center. Placement of MATH 100 and MATH 110 into the developmental model allows students to be in an affective learning environment that focuses on improving student attitudes toward math, identifying individual learning styles and providing intensive personal attention through tutoring and computer assistance in our Math Emporium. The ultimate goal is to move the students toward further success in mathematics. MATH 100 is offered to students who do not have strong math skills; it is a review of basic arithmetic and elementary algebra. MATH 110 is offered for those who do not have prerequisite algebra skills for college-level math. Topics reviewed include exponents, factoring, graphing, equations, and rational expressions.

TUTORING SERVICES
Free peer tutoring is offered in approximately 35 subject areas to residential students desiring academic assistance during the fall and spring semesters. Subjects are offered based on tutor availability. Many tutors are certified through the College Reading and Learning Association (CRLA). For more information, visit the website at www.liberty.edu/tutoring.

TESTING SERVICES
Make-up testing is provided in the Bruckner Learning Center, Testing Services at the direction of individual professors. Other forms of testing available include: CLEP, ICE (Institutional Challenge Exam), DSST (DANTES Subject Standardized Tests), and the proctoring of tests from other institutions or organizations. Fees are associated with these tests. For more information, visit the website at http://www.liberty.edu/testing for the current fee schedule.

CENTER FOR DIGITAL WELLNESS

The Center for Digital Wellness at Liberty University is the nation’s first Digital Wellness Center dedicated to teaching a healthy use and theology of technology. Digital technology has invaded every area of our lives and relationships and we believe there is a great need to establish some digital boundaries. This will be accomplished through raising Awareness, Education and Prevention. Our goal is to transform a culture of distraction to a culture of engagement so that every Liberty student would practice digital wellness for a lifetime.

CENTER FOR PROFESSIONAL AND CONTINUING EDUCATION

Director: George Sherman

The Liberty Sherman Center for Professional and Continuing Education (CPCE) provides residential and online professional development and community service activities through credit and noncredit offerings. Credit offerings include certificate programs and Summer Programming. Certificate programs, generally delivered online, complement undergraduate or graduate degrees, and Summer Programming delivers in-residence academic classes through compressed schedules. Both programs award college credit which supports academic degrees.

Noncredit activities, including instructional services, consultation, technical assistance, and community education classes, conferences, workshops, etc., generally award Continuing Education Units (CEUs). To effectively serve individuals and organizations, the CPCE offers its services through open enrollment and customized venues.
The Center for Writing and Languages (CWL), formerly known as the University Writing Program (UWP), was established in 2006 as part of Liberty’s efforts to improve graduate student writing. The heart of the CWL is one-on-one tutoring. The CWL—the umbrella organization over the Graduate Writing Center (GWC), Undergraduate Writing Center (UWC), Online Writing Center (OWC), Spanish Writing Center (SWC), Foreign Language Lab (FLL), and Online Foreign Language Lab (OFLL)—employs advanced students with superior writing and teaching skills to offer individualized writing and language instruction to Liberty University students.

In addition to tutoring, the CWL also offers a variety of tools to help students with their writing. The CWL webpage (http://www.liberty.edu/cwl) includes a large collection of resources on common topics such as “commas” or “APA Documentation.” In addition, the web page offers a variety of links to reliable online sources for writing instruction. Through the web page, students can e-mail quick questions to writing-center tutors or offer suggestions for further online writing aids that the CWL should consider developing. Foreign language resources are also available on the Foreign Language Lab web page.

The Directors of the CWL are available for faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. CWL staff members routinely make presentations on topics such as documentation, common grammar errors, plagiarism, and many other writing and language skills in classrooms and in faculty workshops. In addition, all faculty and staff are encouraged to bring their academic work to the GWC for review and commentary by the Director.

Currently, all CWL services are free of charge to Liberty University students, staff, and faculty. Faculty may download any CWL-produced online materials for use in their classes.

**GRADUATE WRITING CENTER**

**Director: Tess Stockslager**

The GWC offers writing-related services tailored to the University’s residential graduate population, and it supports faculty members as they seek to incorporate writing instruction in their classrooms. The GWC also offers help to any Liberty University affiliated scholars seeking to publish or present their work in professional venues. A trained tutor will review drafts and offer feedback, suggestions for revision, and personalized instruction on all aspects of the writing process. Tutors can help with brainstorming, grammar, punctuation, content, organization, and documentation, and help is available to students from the earliest stages of a program through the thesis or dissertation.

The GWC also has a Korean tutor dedicated to helping the university’s large population of Korean students.

The GWC is located in Green Hall 2750. Tutoring for counseling and seminary students is also available, by appointment, in the Center for Counseling and Family Studies in the Carter building. Residential students or faculty may contact the center by calling (434) 592-4727 or by emailing graduatewriting@liberty.edu.

**UNDERGRADUATE WRITING CENTER**

**Director: Allison Scoles**

The Undergraduate Writing Center (UWC) was established as part of Liberty’s efforts to improve student writing. Formed in 2008, the UWC builds on the programs and services already established in the Graduate Writing Center (GWC).

The heart of the UWC is one-on-one tutoring. The UWC employs advanced students with superior writing and teaching skills to offer individualized writing instruction to any Liberty University undergraduate student. Residential students can schedule appointments with the UWC, and a tutor will review their drafts and offer feedback, suggestions for revision, and personalized instruction on all aspects of the writing process. Tutors can help with brainstorming, grammar, punctuation, content, organization, and documentation, and they are available from the earliest stages of a program through the capstone project.

The UWC is located in Green Hall 2750. Residential students or faculty may contact the center by calling (434) 592-3174 or by e-mailing undergradwriting@liberty.edu.

**ONLINE WRITING CENTER**

**Director: Shelah Simpson**

The Online Writing Center (OWC) was established as part of Liberty’s efforts to improve student writing and thus offers writing-related services tailored to the University’s online student population. Through the Online Writing Center web page (http://www.liberty.edu/onlinewritingcenter), online students can submit drafts of upcoming assignments to receive tutor feedback, schedule appointments to speak online with a tutor, e-mail quick questions to tutors, or offer suggestions for further online writing aids that the OWC should consider developing. Students may contact the OWC by e-mailing onlinewriting@liberty.edu.

**FOREIGN LANGUAGE LAB**

**Director: Alisha P. Castañeda**

In addition to the writing centers, the Center for Writing and Languages offers foreign language tutoring services through the Foreign Language Lab. The lab offers foreign language-related services customized to the needs of the university’s residential population and works to support the needs of faculty members as they instruct and educate their students. The primary purpose of the Foreign Language Lab is to provide one-on-one and group tutoring sessions for students studying Chinese, French, German, Spanish, American Sign Language (ASL), and English as a second language (ESL).

The Foreign Language Lab employs highly qualified individuals who have native speaking ability in the offered foreign languages and advanced knowledge of the grammar and writing skills correlated to those languages. Individuals can schedule a tutoring session ahead of time or come for a walk-in appointment. The lab offers personalized instruction on all areas related to language acquisition, including grammar, vocabulary, and appropriate writing style, as well as oral, auditory, and sign perception practice and development.

In addition to providing language tutoring, the Foreign Language Lab offers conversation groups in each language, including English conversation groups for non-native speakers. Conversation groups help language learners practice their listening and speaking skills in a relaxed and open setting. Conversation topics are varied, and tutors are open to suggestions.

The Director of the Foreign Language Lab is available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. In addition, all foreign language faculty are welcome to make the FLL part of their students’ class experience, either by holding classes in the lab classroom or requiring students to visit for tutoring services.

All Foreign Language Lab services are free of charge for individuals associated with Liberty University—students, faculty, and staff. Persons interested in utilizing the services offered by the Foreign Language Lab may contact the lab by e-mailing foreignlanguagelab@liberty.edu, calling (434) 592-3175, or visiting foreignlanguagelab@liberty.edu.
The Career Center provides services that equip students with the professional development skills to combine with their academic training in preparation for their career goals. Many services are also available to alumni, including resume critiques, job searching information, and other services to further career advancement or career change.

Director: Richard Glass

The Career Center is located on the first-floor of DeMoss Hall, a highly visible and easily accessible location that includes state-of-the-art meeting facilities, interview rooms, computer lab, and professional development facilities. The Focus 2 assessment combined with career counseling is available to assist students in determining career goals and implementing appropriate educational plans. Through the website, online job listings, career resource library, and a computerized interest assessment, students are encouraged to explore various occupational fields, develop job-hunting skills, and research graduate education programs. Staff, alumni, and employers conduct training workshops on topics such as resume writing, interviewing techniques, and job search strategies. Further networking opportunities are provided through Career Fairs, on-campus interviewing, and networking. Students are also encouraged to participate in experiential education programs, such as externships and internships, including the Washington Fellowship and job shadowing opportunities, which provide practical work experience and complement their formal education.

The Virtual Career Center (VCC) provides online access to career services without closing hours. Our goal is to deliver professional development services, workshops and resources through online mediums without compromising the quality of service between Career Center staff and students. VCC services and resources help students become professionals prepared for the world of work.

For more information on any of the stated topics, please visit the Career Center website at http://www.liberty.edu/career.

LUNETWORK – JOB DATABASE

Liberty University’s exclusive employer relationship database, LUNETWORK, is the on-line database that has thousands of employers looking for Liberty students, recent graduates, and alumni. Employers from all over the country (and world) are purposefully posting positions looking for Liberty talent. Postings include internships and full-time positions for both new graduates and seasoned professionals. Students and alumni can post their resume and search the database for positions all over the world. Residential and Online Students and Alumni are eligible to utilize LUNETWORK for life.

INTERNSHIP PROGRAM

All students are encouraged to complete an internship to assist with career planning and gain practical experience within their chosen field of study. Approximately sixty-percent of all interns receive a full-time job offer. Students may earn from one to six (in some cases nine) semester hours of credit. Many majors require at least three credits. All applicants for credit internships, which are listed in the University’s Catalog under a 499 number, are processed through the students’ Faculty Internship Advisor located within their department. Zero-credit internships are also available; they will be
list on the student’s transcript with an appropriate departmental prefix under a 299 number. The zero-credit internships are processed through the Liberty University Career Center. For additional information regarding internships contact internships@liberty.edu.

Completed applications for internships must be submitted to the Faculty Internship Advisor (FIA) for the Department of the student’s major. Check with your department for forms and deadlines. Students are encouraged to apply for internships a semester in advance. Previous work experience does not qualify for an internship and will not be considered for academic credit.

THE WASHINGTON FELLOWSHIP

Students are also encouraged to consider participating in The Washington Fellowship. This program allows students, from all majors, to be placed in a semester-long internship in Washington, DC. Students are required to register for a six credit internship (the zero-credit internship is not open to students in this program) and take at least six credits through online courses, thus maintaining their full-time residential status as Liberty University students. On-site housing is required for all students participating in The Washington Fellowship. For more information, contact washington@liberty.edu or visit http://www.liberty.edu/washington.

IMPORTANT INFORMATION REGARDING INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that their host facility may require a criminal background check, fingerprinting, or drug screening. In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

Eagle Scholars Program

Coordinator: Frank DiGregorio

The Eagle Scholars Program provides high achieving freshman and sophomore students the training necessary for personal and professional development to become leaders throughout college and beyond. This program fosters a sense of community, bolsters academic knowledge and provides leadership and professional experience. For more information, please visit the Eagle Scholars website at http://www.liberty.edu/eaglescholars.

Students in the Eagle Scholars Program take a series of four courses to complete the program (ESLP 101, ESLP 102, ESLP 201, and ESLP 202). Please see the Courses of Instruction – Residential Program for complete course information.

ESLP 101 Introduction to Leadership: 1 hour
Connecting with Others

This course is part one in a course sequence initiated for the Eagle Scholars program. The course focuses on introduction to leadership skills, attitudes, and practices, particularly connecting with others within a university context.

ESLP 102 Self-Leadership Development 1 hour

This course is part two in a course sequence initiated for the Eagle Scholars program. The course focuses on developing self-leadership skills, attitudes and practices, particularly within the university context.

ESLP 201 The Art and Science of Leading Others 1 hour

This course is part three in a course sequence initiated for the Eagle Scholars program. The course focuses on continued development in understanding leadership thinking, practices and identity. Special emphasis is placed on biblical perspectives in leadership.

ESLP 202 The Art and Science of Changing Culture 1 hour

This course is part four in a course sequence initiated for the Eagle Scholars program. The course focuses on continued development in understanding leadership thinking, practices and identity. Special emphasis is placed on biblical perspectives in leadership and assessing cultural and community needs and creating effective solutions.

Office of Disability Academic Support

Director: William Denton McHane

The Office of Disability Academic Support (ODAS) provides academic support services for students with documented disabilities. A student who has a disability may be assigned to a Disability Academic Support advisor who has had training in accommodation of disabled students. That faculty member acts as a liaison between instructors and the individual regarding classroom accommodations and will function in a dual advising role with the CASAS Professional Advisor in the student’s chosen major. With the student’s permission, each instructor is informed that the student has a disability, and suggestions for appropriate accommodations are made, as needed and desired.

The Osborne Assistive Learning Technology Center provides access to computers with text reader software with synthetic speech, speech recognition software to turn speech into print, and organizational software.

Deaf and Hard of Hearing Services provides accommodations for students who are deaf or hard of hearing. These services may include the provision of qualified Sign Language interpreters for academic classes and related events, cultural mediation, note takers, academic advising, priority classroom seating, and priority pre-registration.
Center for Academic Support & Advising Services – Online Programs

Interdisciplinary Studies Major (B.S.)

PURPOSE

The Bachelor of Science in Interdisciplinary Studies degree program is designed for traditional students and adult learners with an interdisciplinary history attained through academic and/or work experience. Academic instruction is structured within a Christian worldview.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Demonstrate acquisition of core competencies in at least two, but not more than three, content areas.
2. Assess moral dimensions and ethical implications in at least two disciplines;
3. Demonstrate the integration knowledge; and
4. Evidence the synthesis of academic knowledge and Christian values.

APPLICATION PROCESS

1. Complete the Application for Interdisciplinary Studies major.
2. Submit the Cognate Selection form by going to www.liberty.edu/cognate and selecting two or three cognate choices.
3. Review of the Cognate Selection is made by the Interdisciplinary Studies Degree Plan Coordinator. Students who have not completed enough hours in a specific area to develop a cognate will be contacted by email encouraging them to pursue a specific program area.
4. Approval is granted by the Interdisciplinary Studies Degree Plan Coordinator in the Liberty University Online Office of Transfer Evaluations and Degree Planning and by the Registrar’s Office.
5. Students who break enrollment must resubmit the Cognate Selection form.

Program of Study

Interdisciplinary Studies Major (B.S.)

Liberty University Online offers cognates in Accounting, Business, Business Management Information Systems, Christian Counseling, Crisis Counseling, Criminal Justice, Education, Life Coaching, Paralegal Studies, Psychology, Religion, Social Sciences, Special Education, and STEM. A cognate represents a broad discipline of study at Liberty University.

The Interdisciplinary Studies degree program is individualized to provide flexibility and to give students options to select courses that will help them meet their academic goals. Students may take any course that fits within the discipline of study as indicated by approved prefixes on the following chart, as long as the prerequisite requirements have been met.

This program is not available for students pursuing teacher licensure. This program does not comprise a double major.

Liberty’s Interdisciplinary Studies program requires 48 credit hours for the major which can be distributed between two or three cognates. A minimum of 15 credit hours in each cognate is required.

Students must also take INDS 400 Knowledge Synthesis for Professional and Personal Development, a 3-hour course designed to assess student mastery of content knowledge of the Interdisciplinary Studies program.

Transfer cognates are approved for disciplines indicated on the following chart. These cognates may not be offered online, or may only have limited options; however, transfer students may choose one or two of the following cognates as long as a minimum of 15 hours have been transferred per cognate. Upper-level credits are not required in transfer cognates; however, students must meet the institutional requirement of 30 upper-level credits for the degree program.

At least 50% of the courses for this degree must be completed through Liberty University, with the exception of students approved for the Servicemembers Opportunity Colleges.

Credit may be awarded based on the American Council on Education (ACE) Guide to Educational Experience in the Armed Services.

### Army – R.O.T.C

**PURPOSE**

The Army Reserve Officers Training Corps (ROTC) offers a general military science curriculum that prepares eligible men and women to compete for a commission as an officer in the United States Army.

**SCHOLARSHIP PROGRAM**

Merit based financial incentives are offered to qualified students through two, three, and four-year scholarships (full tuition fees), a book allowance of $1,200 annually, and a monthly stipend of up to $500 per month. Scholarship students incur a military obligation.

**INTERNSHIP**

Internships are available during the summer of the sophomore year for qualified students that did not participate in ROTC during their freshmen and sophomore years. Participants are provided transportation, food, lodging, uniforms, and are paid during the 28-day camp. Students that successfully complete the internship are eligible to compete for a two-year scholarship.

TOTAL HOURS: 122 hours minimum required; at least 45 hours must be 300-400 level.

**English Major (B.A.)**

**PURPOSE**

Liberty University’s English program provides instruction in the theory and practice of writing and in the analysis and criticism of literature in order to prepare students for careers and for graduate study in language arts and language arts education, and for a life of growing appreciation for the language arts. Toward this end, the program seeks: 1) to develop the necessary curricular offerings and practical opportunities for student achievement in the areas of literary criticism; syntactical, rhetorical, critical and creative features of writing; and a well-developed understanding of the Christian worldview; 2) to develop strategies for providing students with both curricular and practical opportunities which
make the most efficient and effective use of the department’s academic, physical, and budgetary resources; and 3) to provide graduates with the highest quality of professional preparation and, for teacher candidates, to meet licensure requirements.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Interpret and evaluate literary and critical texts in the context of a Christian worldview.

Spanish Major (B.A.)

PURPOSE
Liberty University’s Spanish program exists to equip candidates to communicate in Spanish at a high level of proficiency in a wide variety of contexts with native Spanish speakers or to pursue advanced study in the field. Toward this end, the program seeks: 1) to develop the necessary curricular offerings and practical opportunities for student achievement in the areas listening, speaking, reading, writing, and culture; 2) to develop strategies for providing students with both curricular and practical opportunities which make the most efficient and effective use of the department’s academic, physical, and budgetary resources; and 3) to provide graduates with the highest quality of both professional preparation and professional accreditation and licensure.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Critique, analyze, and interpret authentic Spanish language texts.
2. Analyze Hispanic culture and its various expressions in terms of a biblical worldview.
3. Communicate orally in Spanish, demonstrating listening comprehension skills, speaking proficiency, correct grammar, and appropriate vocabulary.
4. Demonstrate written communication skills, including the ability to produce clear, logical, and grammatically and syntactically appropriate Spanish-language compositions.
5. Evaluate Hispanic cultural practices and perspectives within a broad political, social, and historical framework.

**Teaching English as a Second/Foreign Language Major (B.A.)**

**PURPOSE**

Liberty University’s TESL program exists to equip candidates to teach English in a wide variety of contexts to speakers of other languages or to pursue advanced study in the field. Toward this end, the program seeks: 1) to develop the necessary curricular offerings and practical opportunities for student achievement in the areas of general linguistics, the linguistic features of the English language, cross-cultural dynamics, and curriculum and methodology in TESFL; 2) to develop strategies for providing students with both curricular and practical opportunities while making the most efficient and effective use of the department’s academic, physical, and budgetary resources; and 3) to provide graduates with the highest quality of both professional preparation and professional accreditation and licensure.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Adapt the principles of language learning to multiple contexts.
2. Analyze and communicate the syntactic, morphological, phonological and discourse features of English.
3. Analyze and apply the ways in which the Christian worldview affects the TESL practitioner’s work.
4. Conduct linguistic analysis of various world languages and present findings both orally and in writing.
5. Evaluate differences and problems that occur in human behavior and values in cross-cultural and cross-linguistic settings.

Dr. Debbie Benoit, B.S., M.A., M.A.T.S, D.Min.
Chair, Department of Family & Consumer Sciences
Assistant Professor of Family & Consumer Sciences

PURPOSE

The purpose of the Department of Family & Consumer Sciences is to
prepare the student to acquire the values, knowledge, and skills
necessary to be proactive to strengthen the function of the
temporary family from a biblical perspective, specifically in the
areas of human development, family studies, interior design, housing,
food, nutrition, consumer economics, management, and clothing.

The Department actively strives to help the student integrate
the knowledge base to synergistically focus on the welfare of the
family.

INTERNSHIPS

Advisor: Matalie Howard, B.S., M.S.

Internships (FACS 499) are required for all FACS majors.
Students must be of Senior status, FACS major and must have
completed 21 hours of major course work.

FACS ASSOCIATION

Advisor: Matalie Howard, B.S., M.S.

The Family & Consumer Sciences (FACS) Association is a
pre-professional student organization whose purpose is to
promote student involvement in the profession throughout the
University and the community. The FACS Association offers
students opportunities for leadership, friendship, ministry, and
career exploration. Officers are elected each spring for the
following academic year. The FACS Association sponsors
University activities, community projects, club meetings with
special speakers, support for all FACS majors and is an exciting
springboard for professional involvement.

INTERIOR DESIGN SOCIETY

Advisor: Ruth Gomes, B.S., M.S.

The purpose of the Interior Design Society (IDS) student
chapter is to offer interior design students professional
opportunities and exposure within the interior design industry.
Liberty University is the first student chapter (2008) in the United
States. The student chapter is a part of the large IDS professional
organization which is the largest residential design organization in
the country. The student chapter promotes student involvement in
the profession throughout the University and community. The IDS
offers students opportunities for leadership, friendship, professional
experience, and exposure to the interior design industry which includes field trips to places such as the Furniture Market in High Point, NC.

OMICRON GAMMA PHI HONOR SOCIETY

FACS Honor Society: The Family and Consumer Sciences
Department sponsors a FACS honor society that seeks to recognize
excellence and Christian commitment among Family and Consumer
Science students.

The purpose of the society is symbolized in its name, OMICRON GAMMA PHI. Omicron represents the first letter in the
Greek word for family. Gamma is the first letter in the word for
science. Phi is the first letter in the word for light. Omicron Gamma
signifies that Family and Consumer Sciences is an applied science.
The Phi signifies the Christian aspect of the Honor Society.

The purpose of the society is threefold. First, Omicron Gamma
Phi encourages and recognizes excellence in scholastic achievement.
Second, it seeks to maintain a Christian worldview through the
integration of biblical principles with academic content. Third, the
society encourages service by the membership.

 Criteria for membership:

A student must have:
1. 3.25 cumulative GPA;
2. 45 hours completed; and
3. A major in the FACS department.

Family and Child Development Major (B.S.)

PURPOSE

The Family and Child Development program seeks to prepare
students to become early childhood educators and family-related
professionals who support the God-given potential of families and
children. A study of human growth and development within the
context of family and community provides a framework for an
understanding of how people grow, learn and form relationships
through the lifespan.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Apply family and child developmental theories.
2. Evaluate issues regarding family structures, parenting
   and family and child development.
3. Develop a strategic plan of management and
   implementation of a family and child education program.
4. Communicate as an educator of a family and child education program.

Family and Consumer Sciences Major (B.S.)

PURPOSE

The Family and Consumer Sciences (FACS) program seeks to strengthen the individual, institution of family and communities through the dissemination of biblical knowledge and the education of professionals. This program includes family and child development, clothing, interiors, consumer economics, and foods.

PROGRAM LEARNING OUTCOMES

The student will be able to:

1. Create/produce a Sewing Construction Samples Portfolio using standard sewing construction techniques.
2. Analyze the contents of foods for proper nutrition.
3. Evaluate issues regarding family structures, parenting and child development.
4. Plan programs within communities that deal with family and consumer issues.
5. Communicate as a leader and an educator of family and consumer sciences issues.

Program of Study

Family and Consumer Sciences Teacher Licensure (B.S.)

PURPOSE

The NCATE approved Family and Consumer Sciences Teacher Licensure program seeks to prepare Christ-centered worldview teachers with a broad-spectrum of content knowledge and instructional skills recognized by the Virginia Department of Education Standards of Learning. This program includes family and child development, clothing, interiors, consumer economics, and foods.

PROGRAM LEARNING OUTCOMES

The student will be able to:

1. Create/produce a Sewing Construction Samples Portfolio using standard sewing construction techniques.
2. Analyze the contents of foods for proper nutrition.
3. Evaluate issues regarding family structures, parenting and child development.
4. Plan programs within communities that deal with family and consumer issues.
5. Communicate as a leader and an educator of family and consumer sciences issues.

Teacher preparation and endorsement in Family and Consumer Sciences is available through the Department. Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education. Licensure information is also available at www.liberty.edu/uguide.

Fashion and Interiors Major (B.S.)

**Purpose**

The Fashion Merchandising concentration seeks to prepare Christ-centered professionals for the fashion apparel industry in product development, management, merchandising, and distribution.

**Program Learning Outcomes**

The student will be able to:
1. Communicate as a marketer and merchandiser in the business world.
2. Evaluate fibers and fabrics for intended use.
3. Apply business principles and practices to planning and evaluations.
4. Create/produce a Sewing Construction Samples Portfolio using standard sewing techniques.

Interior Design Concentration

**Purpose**

The Interior Design concentration at Liberty University seeks to prepare Christ-centered professionals with skills to design innovative, functional, and environmentally responsible interior environments. The focus will be on preparation for the National Council for Interior Design Qualification licensing examination.

**Program Learning Outcomes**

The student will be able to:
1. Communicate as a marketer and merchandiser in the business world.
2. Evaluate fibers and fabrics for intended use.
3. Evaluate interior spaces based on ergonomic design.
4. Create interior spaces based on the principles and elements of design, function and selection of material and appropriate to the needs of the consumer.
5. Create/produce a Sewing Construction Samples Portfolio using standard sewing techniques.

PURPOSE
The History Department is committed to teaching and training students toward a Christian worldview of history. Offering general education courses, major programs and graduate courses, the Department provides comprehensive instruction in history and historical methodology, encourages students to develop an integrated Christian worldview and an appreciation for America's cultural distinctives, equips them for service, and prepares them for further education and careers.

PHI ALPHA THETA HONOR SOCIETY
Advisor: Dr. David Snead
Phi Alpha Theta is dedicated to recognizing and encouraging excellence in the study of history. Chapter activities provide members with opportunities for sharing and advancing their professional interests. Lectures and field trips are designed to awaken historical interest, and to promote interaction between students and faculty. An annual regional meeting builds rapport with chapters at neighboring institutions.

Criteria for membership: An undergraduate student must have completed at least twelve semester hours in history with a grade in all history courses averaging at least a 3.10 and must have a general average of at least a 3.00 in all classes.

Department of Mathematics

Robert B. Young, Jr., B.S., M.S.
Chair, Department of Mathematics
Associate Professor of Mathematics

Timothy Van Voorhis, B.S., M.S., Ph.D.
Associate Chair, Department of Mathematics
Associate Professor of Mathematics

PURPOSE

The Department of Mathematics plans, develops and maintains quality bachelor degree programs that comply with regional accreditation standards. The Department of Mathematics also seeks to maintain efficient, cost effective strategies in the administration and delivery of its degree programs.

The Department of Mathematics offers a major and minor in mathematics. In addition, courses for general education credit are offered in physical science and physics, as well as mathematics. The purpose of the department is to provide:

1. General education courses and support courses for all students, resident and non-resident;
2. Education in both the theory and applications of the mathematical sciences for its majors;
3. An appreciation of the importance of the role the mathematical sciences play in society; and
4. Experience in the use of a Computer Algebra System (CAS) in a laboratory setting.

KAPPA MU EPSILON HONOR SOCIETY

Advisor: Professor Robert Young

Kappa Mu Epsilon (KME) is a specialized honor society in Mathematics. Each chapter is encouraged to be a working organization throughout the academic year, functioning as an integral part of the mathematics department in the promotion of a number of worthwhile extra-curricular activities. The objective of KME since its inception has been the fulfillment of its motto which is to “develop an appreciation for the beauty of mathematics.” The purposes of KME are to further the interests of mathematics in those schools which place their primary emphasis on the undergraduate program and to recognize and honor outstanding scholastic achievement among undergraduate students in mathematics.

The criteria for membership are as follows:

1. Must be or have been a faculty member or a regularly enrolled student at an institution where a Kappa Mu Epsilon chapter is installed;
2. Must have completed at least three semesters (or five quarters) of the college course and rank in the upper 35% of his/her class;
3. Must have completed at least three college courses in mathematics including at least one semester (or two quarters) of calculus and attained an average of “B” or better in all mathematics courses; and
4. Must have completed at least one semester (one quarter) at the institution, or must have transferred from another institution, and have completed at least one mathematics course with a “B” or better at the institution prior to his/her induction into membership.

Election to membership shall be irrespective of membership in any other organization, and no person shall be excluded on the grounds of sex, race, creed, or color.

Mathematics Major (B.S.)

PURPOSE
The purpose of the mathematics major is to present the basic concepts and methods in modern mathematics, to develop the student's ability to think critically using the axiomatic method, and to apply these ideas to other disciplines. This major provides the mathematical background for students preparing for (1) certification in secondary education; (2) graduate study in a mathematical discipline; (3) a career in an area using mathematics, such as engineering, economics, statistics, or actuarial science.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Solve problems using the appropriate mathematical expertise.
2. Use abstract reasoning to rigorously evaluate mathematical hypothesis, and formulate and communicate mathematical analysis and arguments.
3. Critically analyze and investigate complex phenomena of the physical and/or socio-economic worlds by representing these problems mathematically.
4. Articulate how a biblical/Christian worldview informs one's vocation and professional practices.
5. Use appropriate technology to solve practical problems, access mathematical information, and develop mathematical insight.

TEACHER LICENSURE
Teacher preparation and endorsements in mathematics are available through the Department of Mathematics. Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education. The Department is NCATE accredited for teacher education. Licensure information is also available at http://www.liberty.edu/uguide.

and contemporary models; skills of written and verbal communication based on those classical models.

1) studying some of history's most articulate and clearly expressed knowledge, and values to positively impact today's world.

The B.A. in Philosophy equips the student with critical skills, knowledge, and values to positively impact today's world. For those interested to seek further studies in many diverse fields at the graduate level, the Philosophy major provides an excellent basis for further studies in seminary, law, the humanities and the sciences. Majoring in Philosophy is not only exemplary preparation for ministry, but also serves as a great grounding for graduate studies in English, theology, leadership or management, business, counseling, History, politics, law, philosophy, and a full range of other related fields (such as philology, ancient or modern languages, mathematics, linguistics, art history, journalism, government, etc.).

C. S. Lewis famously stated that the world needs good philosophy, if for no other reason, to answer bad philosophy. Our philosophy is Christ-centered, our God is "the true God, and eternal life" (I John 5:20), and our message must be clear: we seek to provide our communities, our churches, and our world with men and women on fire for the Truth of the Word of God, the only hope in a hopeless world! We seek to train philosophically-able Champions for Christ who, "with gentleness and respect" (I Pet 3:16), can "demolish arguments and every pretention that sets itself up against the knowledge of God, and…take captive every thought to make it obedient to Christ." (II Cor 10:5) The Christian worldview is the most powerfully compelling and best explanation for all the phenomena of which humans are aware. But, so often, as G. K. Chesterton quipped, it is not that Christianity has been tried and found wanting; rather, it has been found difficult and so often left untried. We want our students to know not only what they believe, but why they believe it. So, we are devoted to producing men and women who acknowledge not only that Jesus is Lord, but that, as Dallas Willard remarks, Jesus is brilliant. For in Him "are hidden all the treasures of wisdom and knowledge." (Col 2:3) The program focuses on the classical philosophical areas of study, including metaphysics, epistemology, logic, aesthetics, ethics, and philosophy of religion, and provides a strong, impactful foundation for living as an agent of Christ-honoring, Christ-centered cultural and spiritual transformation in our world. For those interested to seek further studies in many diverse fields at the graduate level, the Philosophy major provides an excellent basis for further studies in seminary, law, the humanities and the sciences. Majoring in Philosophy is not only exemplary preparation for ministry, but also serves as a great grounding for graduate studies in English, theology, leadership or management, business, counseling, History, politics, law, philosophy, and a full range of other related fields (such as philology, ancient or modern languages, mathematics, linguistics, art history, journalism, government, etc.).

**PURPOSE**

The B.A. in Philosophy equips the student with critical skills, knowledge, and values to positively impact today's world. Philosophy majors rank highest among non-science majors on the GRE exam, and rank first amongst all majors in the verbal section. This may be in part because of Philosophy's central emphasis on: 1) studying some of history's most articulate and clearly expressed models of communication; 2) developing one's personal style and skills of written and verbal communication based on those classical and contemporary models; 3) fostering a deepening love for the
Criteria for Membership:
Undergraduate students are eligible for active membership if they have completed three semesters of college course work, are ranked in the upper 35% of their class, and have completed (or are registered in) at least two semester courses (six credit hours) in philosophy with a mean overall grade which is greater than a 3.00.
Graduate members are eligible if they (a) meet the requirements for undergraduates, or (b) have completed at least one third of the residence requirements of the Master’s Degree with a mean grade of 3.50.

Philosophy Major (B.A.)

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Conduct research using primary and secondary sources in an informed and critical way.
2. Evaluate the central concepts and arguments in the history of Western Philosophy.
4. Defend a philosophically informed worldview.

Purpose
The major in Philosophy is designed to provide a thorough, biblically based, cognitive and spiritual foundation for effective ministry and advanced studies in Philosophy, Law, Apologetics, Theology, and a wide variety of related areas of study. For over two millennia, Philosophy has been recognized as one of the leading "liberal arts" available to teach and train the soul to become wise and prepared for service to God and neighbor, since the study of Philosophy has as its goal the development of the person in all those areas that constitute human flourishing and maturity. The Apostle Paul speaks of these areas together, constituting for the Christian believer what we normally call "spiritual growth," as seen, e.g., in the five or six recognizable areas of requirements for elders in the church (cf. 1 Tim 3, Titus 1), namely, intellectual, moral, social, psychological, physical and emotional development of the cardinal virtues (wisdom, justice, courage, temperance) and Christian virtues (faith, hope and love).

History Major (B.S.)

PURPOSE
The purpose of the History major is to provide students with a breadth of understanding of U.S., European, and World History.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate mastery of a breadth of general knowledge of the field of history.
2. Apply biblical principles to the problems and issues of history.
3. Research historical topics and critically analyze historical literature, documents and data with historiographical and interpretative sophistication.
4. Convey and analyze ideas in writing.
5. Evaluate the significance of world societies and cultures.

Faculty
All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&Ca tID=22 where faculty can be searched for by Department.

PURPOSE
The College of General Studies (CGS) was founded in 2011 to organize and deliver general education coursework to the University’s freshman- and sophomore-level students. CGS offers courses in areas such as English, technology, humanities/fine arts, natural science, mathematics, and social/behavioral sciences, and has a dedicated faculty who focus on delivering innovative and effective education to their students.

GOALS
The College of General Studies’ goals include:
1. Enriching the freshman and sophomore experience in the classroom through a rigorous and coherent sequence of courses;
2. Increasing student success through programs such as freshman learning communities and pedagogical innovations; and
3. Supporting students’ learning with easy access to academic services.

In addition, the College of General Studies spearheads University instruction and assessment efforts in relation to core competencies such as communication and critical thinking.

General Education Guidelines
The general education component is tailored to the individual degree program by drawing from the University’s approved general education course options. The institution requires in each undergraduate degree program the successful completion of a general education component at the collegiate level that:
1. is a substantial component of each undergraduate degree;
2. ensures breadth of knowledge; and
3. is based on a coherent rationale.

For degree completion in associate programs, the component constitutes a minimum of 15 semester hours or the equivalent. For baccalaureate programs, the component constitutes a minimum of 30 semester hours or the equivalent. These credit hours must include at least one course from each of the following areas.
1. humanities/fine arts (HFA);
2. social/behavioral sciences (SBS); and
3. natural science/mathematics (NSM).

A complete listing of approved courses is displayed in the “Approved Residential General Education and Integrative Courses” and the “Approved General Education Courses for Online Programs” sections. The courses do not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession. The institution provides a written justification and rationale for course equivalency.

Rules/Principles for Approval of General Education Courses
1. Required General Education courses must be general;
   a. General education courses must be open to students of all majors, without heavy loads of prerequisite requirements
   b. Courses must not be reducible to a narrow or focused skill (e.g. guitar lessons cannot substitute for Music Appreciation)
   c. Courses must contribute to preparing students for a breadth of degree programs/careers
2. General Education courses contribute to the University’s plan to ensure that students satisfy certain Core Competencies.
3. In the event that a 300- or 400- level course is required to fulfill a requirement as a general education course, it must not be considered part of any major/program requirements (directed electives are acceptable, however).

Information Technology

PURPOSE
Information Technology (INFT) is designed to assist students in developing and demonstrating foundational technology competency and proficiency that will lead to success in their college program coursework and future careers. All incoming residential students, both freshmen and transfer, have the option to take an assessment in Information Technology their first semester to determine basic competency. The Information Technology assessment covers areas in Microsoft Office: Word, Excel, Power Point, and Outlook, as well as file management and basic computer concepts.

The competency requirements may be met by either passing the assessments or taking a course, INFT 110 (Computer Concepts and Applications). In addition, students may complete a combination of assessments and coursework (INFT 102, 103, and/or 104) to fulfill the competency requirements. Online students develop their technology skills by other varied means, and online students beginning at Liberty complete INFT 101 (Instructional Technology for Online Learning) to assure technological competency.

General Education Requirements for Residential Programs
The College of General Studies oversees the majority of courses included in the University’s General Education...
Requirements, which were adopted in 1990 by the faculty of Liberty University for all baccalaureate degree students. While the list of courses that comprise the general education core remains largely unchanged, the arrangement of courses now reflects the University’s commitment to develop core competencies in undergraduate students. The goal is to ensure that all undergraduate students demonstrate college-level knowledge and skills that prepare them both to fulfill the specific requirements of their individual college/school and major fields of study and to translate their learning into a variety of career contexts. An undergraduate curriculum of required basic General Education courses serves as a foundation for later specialization.

CORE COMPETENCIES, DEFINITIONS, AND OUTCOMES

Communication: The ability to elicit, synthesize, and respond clearly to quality information in an effective, correct, and appropriate format.

Learning Outcomes
1. Produce well-structured, grammatically sound writing in various modes of discourse.
2. Communicate with clarity.
3. Recognize standard usage in English grammar, word choice (diction), phraseology, and sentence structure.
4. Apply knowledge of sentence structure to basic sentence editing and revision.
5. Write a persuasive analysis of a literary work.
6. Integrate sources accurately and effectively.
7. Deliver effective public oral presentations using situationally appropriate verbal and non-verbal messages.

Information Literacy: The ability to identify, assess, organize, and report information responsibly as enabled by technology and other resources.

Learning Outcomes
1. Determine the nature and extent of information needed.
2. Collect or retrieve and evaluate the information that is appropriate to the academic level or discipline.
3. Demonstrate knowledge of many of the economic, legal, and social issues surrounding the use of information.
4. Analyze the meanings of images and visual media.
5. Access and use information legally and ethically.
6. Use, individually or as a member of a group, information effectively to accomplish a specific purpose.

Critical Thinking: The process of evaluating information gained through observation, reflection, or research, to reach logical conclusions and to guide decision-making.

Learning Outcomes
1. Evaluate information to determine if it is supported by the evidence.
2. Determine the relevance of information in evaluating an argument or conclusion.
3. Recognize flaws and logical inconsistencies in an argument.
4. Generate conclusions based on credible research, analysis, and interpretation.
5. Apply reading comprehension strategies including interpreting, evaluating and analyzing written content.

Math, Science, and Technology: The reasoning, quantitative, and technology proficiencies necessary for general life skills and application to a wide variety of disciplines.

Learning Outcomes
1. Solve problems (including word problems) utilizing arithmetic concepts and algebraic equations.
2. Interpret information presented in various graphs and diagrams.
3. Solve problems requiring insight or logical reasoning.
4. Demonstrate basic competency in operating systems, word processing, spreadsheets, email, and presentation software.
5. Distinguish between scientific data and scientific interpretation.
6. Distinguish between empirical and historical science.

Biblical Worldview: The biblical worldview is a coherent way of understanding God, humanity, and the world; it derives its principles from the Bible and applies them in order to direct belief and action.

Learning Outcomes
1. Define worldview as a concept.
2. Identify the components of a biblical worldview.
3. Know the difference between a biblical and non-biblical worldview.
4. Apply a biblical perspective to topics such as the natural world, human identity and relationships, and culture and civilization.
5. Practice his or her chosen major/program of study in a manner consistent with a Biblical/Christian worldview.

CORE COMPETENCY REQUIREMENTS

Degree Completion Plans for residential students are organized according to core competencies, basic knowledge and skills that all students need for successful completion of their program of study.

The General Education Requirements for some majors may vary; however, the General Education Requirements for most majors leading to the Bachelor of Science in the residential degree programs are:

General Education

This elective may be fulfilled by approved courses within the Humanities and Fine Arts, Natural Science, Math, Technology, History, Social Science disciplines or STEM (Science, Technology, Engineering, Math).

Restrictions may apply to some majors. General education electives must meet the University's general education guidelines.

This list of approved general education courses for online programs is published online at:
http://www.liberty.edu/online/approved-general-education-courses.

**GENERAL EDUCATION REQUIREMENTS FOR OUT OF STATE STUDENTS**

In addition to Liberty University’s general education requirements, distance education students may also be required to fulfill additional requirements set by their home states. Details by state will be added to the Degree Completion Plan. Specific Degree Completion Plans for each state whose requirements differ are available from Liberty University Online Advising.

Faculty
All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&Ca tID=22 where faculty can be searched for by Department.

PURPOSE
It is the purpose of the School of Aeronautics to train and mentor young men and women to become exceptional pilots, mechanics, unmanned aerial systems operators, and flight attendants who possess excellent technical skills, sound judgment, leadership, professionalism, discipleship, and strong Christian character.

The School of Aeronautics offers a Bachelor of Science degree in Aeronautics with concentrations in commercial/corporate, missionary, and unmanned aerial systems, and a cognate in military. Additionally, Associate of Arts degrees in Aviation Maintenance Technician and Flight Attendant are available. Minors in Aeronautics and Airline Flight Attendant are also offered.

FEDERAL AVIATION ADMINISTRATION (FAA) CERTIFICATION
The School of Aeronautics is a fully certified FAA Part 141 school authorized to teach Private, Instrument, Commercial, Multi-Engine, Certified Flight Instructor, Certified Flight Instructor
Instrument, and Airline Transport Pilot courses. The FAA has also certified the School as an FAA Part 147 Aviation Maintenance Technician School designed to train and to prepare aircraft technicians for A & P licensure.

The programs offered by the School of Aeronautics are Veteran’s Administration Approved.

**FLIGHT TRAINING COURSE FEES**
Courses that include flight training have additional course fees. Course fees for Aviation Flight Training courses vary depending on equipment used (aircraft/aircraft simulator). For a list of course fees please go to [http://www.liberty.edu/registrar](http://www.liberty.edu/registrar).

**BASIC COURSE INFORMATION**
The aviation and mechanic programs are FAA Part 141 and 147 certificated. Students are responsible for lab fees, in-flight instruction, aircraft rental, A & P mechanical classes, and tools. Both programs are Veteran’s Administration approved. Internships are available. All residential-flight training is conducted at Lynchburg Regional Airport.

**Career Opportunities**
- Certified Flight Instructor
- Missionary Pilot
- Commercial Pilot
- UAS Operator
- Corporate Pilot
- Aircraft Mechanic
- Military Pilot
- Other aviation related careers

**DEGREE COMPLETION PLANS (DCP)**
Degree Completion Plans for degree programs offered by the School of Aeronautics can be accessed online at [http://www.liberty.edu/index.cfm?PID=2981](http://www.liberty.edu/index.cfm?PID=2981).

### Aeronautics Major (B.S.)

#### PURPOSE
The purpose of the Aeronautics program is to train men and women to become exceptional pilots who possess outstanding knowledge, excellent technical skills, sound judgment, professionalism, and strong Christian character.

#### PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Apply biblical principles within the professional aviation environment.
2. Effectively communicate throughout the scope of the aviation career field.
3. Demonstrate a breadth of knowledge in the discipline of aeronautics.
4. Demonstrate aviation professionalism.

#### Commercial/Corporate Concentration
The student will be able to analyze aeronautical challenges specific to commercial and corporate operations.

#### Missionary Concentration
The student will be able to:
1. Evaluate the unique safety considerations, risk management differences, and flight techniques for operations into and out of confined areas.
2. Analyze challenges of mission aviation in various cultural settings.

### Unmanned Aerial Systems Concentration
The student will be able to:
1. Identify the principles essential for intelligence analysis.
2. Integrate strategic intelligence plans with gathering of intelligence through various sources.
3. Demonstrate competency in verbal/nonverbal communication skills and computer skills necessary to foster effective inquiry, collaboration, and analysis of intelligence.
4. Demonstrate piloting skills required by the FAA.

ASSOCIATE OF ARTS DEGREE PROGRAMS

In an effort to meet the educational needs of students who want a university degree, but who do not desire to complete a four-year bachelor’s program, the School of Aeronautics offers the Associate of Arts Degree in Aeronautics in Airline Flight Attendant or Aviation Maintenance Technician. These two-year degree programs combine courses in the major program of study with General Education courses and graduation requirements.

Airline Flight Attendant Major (A.A.)

PURPOSE

The purpose of the Flight Attendant Program is to train men and women to become exceptional flight attendants who possess outstanding knowledge, excellent technical skills, sound judgment, professionalism, and strong Christian character.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Apply biblical principles within the professional aviation environment.
2. Communicate effectively within the professional aviation environment.
3. Demonstrate a comprehensive working knowledge of required aeronautical information.
4. Articulate aeronautical knowledge appropriate for flight attendants.
5. Integrate safety and security measures with excellent service.

Aviation Maintenance Technician Major (A.A.)

PURPOSE

The purpose of the Aviation Technician Program is to train pilots, as well as non-pilots to maintain aircraft in the context of a faith-based missionary organization; however, training is also applicable to those pursuing other careers in general, corporate and commercial aviation.
The Aviation Maintenance Technician Program is an accelerated maintenance training program designed for the FAA portion to be completed as a single block in one year and the additional Associate of Arts degree classes completed in an additional year. The curricula for this program are regulated by the Federal Aviation Administration (FAA).

**Aviation Maintenance Technician Certificate**

Students pursuing the Aviation Maintenance Technician Certificate complete the 45-hour, FAA Part 147 program in a 12-month accelerated format. During this period the student will be able to earn a maintenance license with both Airframe and Powerplant ratings.

**EVALUATION OF TRANSFER CREDIT**

Students may transfer all semester hours earned in the Aviation Maintenance Technician Certificate program to Liberty’s Associate of Arts program.

**PROGRAM LEARNING OUTCOMES**

Upon successful completion of the Associate of Arts in Aviation Maintenance Technician or Aviation Maintenance Technician Certificate program, the student will be able to:

1. Demonstrate ability to read, comprehend, and apply information contained in FAA and Manufacturers Aircraft Maintenance specifications, and advisory material.
2. Complete required maintenance forms, records and inspection reports.
3. Repair and inspect aircraft electrical, avionics, airframes, and fuel systems.
4. Inspect, check, service and repair turbine engines and turbine engine installation.
5. Complete maintenance and repair tasks using the FAA Manufacturers Aircraft Maintenance specification and advisory material.

All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&CtID=22 where faculty can be searched for by Department.

PURPOSE
The School of Behavioral Sciences exists to promote an integrated understanding of science, practice, and faith. Programs prepare future graduates dedicated to impacting the fields of Psychology, Counseling, and Social Work within the context of a commitment to scientific competence and the demonstration of best practices supported by a Christian Worldview.

DEGREE COMPLETION PLANS
Degree Completion Plans for programs offered by the School of Behavioral Sciences can be accessed online at http://www.liberty.edu/index.cfm?PID=2981.

Department of Psychology

Psychology Major (B.S.)
PURPOSE
The Department of Psychology exists to provide students with the knowledge and skills required for the development of a Biblically-integrated, evidenced-based psychological understanding of humankind focused on practical application and research.

PSI CHI HONOR SOCIETY
Advisors: Dr. Marilyn Gadomski and Dr. Dennis Jennings
Psi Chi is the International Honor Society for Psychology. Membership in Psi Chi is an earned honor which is for life. A permanent record of your membership is preserved at the Psi Chi National Office and may be used for reference purposes such as applications for graduate school and jobs.

Psi Chi inductees are eligible to order and wear the Psi Chi honor cord at graduation. Copies of Psi Chi’s magazine, Eye on Psi Chi, are available in the main PSYC office in DeMoss Hall. Psi Chi members are eligible to present research papers/posters at Psi Chi programs held at national and regional conventions. In addition, members may participate in Psi Chi’s undergraduate and graduate research award competitions, and undergraduate members may submit their research for publication in the Psi Chi Journal of Undergraduate Research. The names of new members and activities of chapters are published in Eye on Psi Chi.

The Liberty Psi Chi chapter inducts new members once in the fall and once in the spring. Applications for the fall induction should be submitted between September 1 and October 15, and applications for the spring induction should be submitted between January 15 and February 28. To apply for membership, please fill out an application and return it and a check for $55 to the Psychology office in DM 4008, or mail it to the address listed in the application. Do not submit applications by email. To be eligible to join the Liberty chapter of Psi Chi, students must meet the following requirements:

1. Registration for major or minor standing in Psychology.
2. Completion of at least 45 hours of college courses (this can include transfer courses).
3. Completion of at least 9 semester hours of Psychology courses with a PSYC prefix, excluding PSYC 101 and 210.
4. GPA of at least 3.50 in Liberty Psychology courses with a PSYC prefix, excluding PSYC 101 and 210.
5. Overall GPA of at least 3.5.
6. Check for $55 that covers the lifetime Psi Chi national membership fee and Liberty’s one-time dues (there are no additional annual dues).
7. Application must be submitted at least 2 months prior to student’s graduation date.

You may email the current Psi Chi officers at psichi@liberty.edu for additional information.

DANIELS PROGRAM
The Daniels Program was designed for students who have the desire and ability to pursue graduate training in psychology. Students in this Program work on applied research projects under the supervision of faculty members, and have the opportunity to present findings at conferences and submit articles for publication. Students can apply for this Program after completing PSYC 255 – Introduction to Research, and are selected on the basis of their grades, Christian character, and faculty recommendations. This Program provides students the opportunity to develop the research skills and experience that will improve their ability to gain acceptance and funding in competitive graduate programs.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate competence in the major concepts in psychology.
2. Interpret research data accurately.
3. Use critical thinking to solve problems related to behavior and mental processes.
4. Evaluate psychological concepts/theories as they relate to biblical thought.
5. Communicate effectively in written, oral, and technological formats.
6. Recognize and respect the complexity of socio-cultural and international diversity.

Counseling, Clinical, or Research Concentration
The student will be able to create advanced research designs.

Counseling and Human Development Concentration
The student will be able to evaluate developmental issues across the lifespan.

Career Opportunities
Counseling, Clinical, or Research Concentration
This concentration is designed for students pursuing a career that requires a doctoral degree in counseling, psychology, educational psychology, or related field. While this concentration does prepare students for graduate study in clinical psychology and counseling, it is also excellent preparation for other areas such as industrial/organizational, applied or quantitative psychology. This concentration is also the best choice for those students planning to apply to a competitive and selective master’s program in any area of psychology.

Counseling and Human Development Concentration
This concentration is designed for students seeking a career as a licensed counselor or psychologist that requires a master’s degree in a licensure track graduate program (e.g., Liberty’s M.A. in Professional Counseling). Graduates have pursued careers as professional counselors (including private practice), school counselors, and school psychologists. This concentration is also a good choice for students seeking employment in child development clinics, child or adult treatment centers, adult residential centers, or in any entry level position that requires only a bachelor’s degree.

Human Services Major (B.S.)

PURPOSE
The B.S. in Human Services focuses on meeting the career goals of students who plan to enter the Human Services professions upon graduation. The courses offered within this degree provide the academic foundation necessary for students to be competitive and effective as they serve their communities.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate competence in an array of human service theories.
2. Evaluate service delivery models and programs effectiveness.
3. Discuss ethical standards for human service workers.
4. Evaluate concepts within the field of human services as they relate to biblical thought.
5. Analyze the needs of diverse clients with an appreciation of multicultural perspectives.

Career Opportunities
This degree offering is for students who desire to enter the helping professions directly after completing their degree. The student can obtain entry-level (non-licensed) positions within the field of case management, human services, and community outreach programs. If a student desires to go to graduate school, it is highly recommended that PSYC 355 – Statistics in Psychology is taken as an elective course within this degree offering.

ACCREDITATION
Liberty University’s School of Business has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP), demonstrating it has met standards of business education that promote teaching excellence. Programs that have achieved accredited status include:

- A.A. in Accounting
- A.A. in Business
- A.A. in Business Management Information Systems
- B.S. in Accounting
- B.S. in Business Administration
- B.S. in Business Information Management Systems
- Master of Business Administration
- M.S. in Accounting

ACBSP accreditation encompasses both resident and distance learning programs.

PURPOSE
To educate our Business students with the values, knowledge, and skills they need in the development of the whole person to enable them to impact their world. Inherent in this mission are the following fundamental imperatives:

1. That all teaching be given within a distinctively Christian worldview;
2. That the Word of God be honored as the final authority for life and practice;
3. That justice and ethics be exalted within a context of limited government and a free market system in a global economy;
4. That all of life’s tasks are sacred and are to be done as unto the Lord;
5. That the education process be a collaboration with faculty and staff, helping to transform students into self sufficient, lifelong learners; and
6. That courses of instruction be designed and delivered to provide our graduates with a competitive advantage as they pursue their chosen careers.

BUSINESS INTERNSHIP PROGRAM
Integration of theory and practice is the purpose of the Business Internship Program at Liberty. Hands-on learning, in addition to classroom learning, gives the student a perspective that is very valuable upon graduation. The internship experience provides a basis for career decisions, as well as experience that will assist the student in securing employment.

Juniors and seniors who wish to be considered for the internship program should contact the Business Internship Director to discuss qualifications for and the methods of obtaining internships.

SIGMA BETA DELTA HONOR SOCIETY
Sigma Beta Delta is an honor society for students of business, management, or administration. The principles of the Society include wisdom, honor, and the pursuit of meaningful aspirations. The Society recognizes these three qualities as being important for success in the academic realm as well as providing guidelines which will lead to a fulfilling personal and professional life and a life distinguished by honorable service to humankind.

Membership is open to all accounting and business majors who rank in the upper 20 percent of the class.

TEACHER LICENSURE
Teacher preparation and endorsement in Business is available through the School of Business in cooperation with the Teacher Education Department. Those wishing to pursue a teacher-related program should seek information from the Teacher Licensure Office in the School of Education.

Accounting Major (B.S.)
PURPOSE
Liberty University’s accounting program prepares students to be effective leaders in business. The program develops the proficiency in communication and computer application skills needed to work with complex accounting issues. Students also learn to identify, analyze and appropriately deal with ethical dilemmas from a sound moral and biblical perspective.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Critically evaluate business transactions in accordance with generally accepted accounting principles within the various fields of the accounting discipline.

Business Administration Major (B.S.)

PURPOSE
Liberty University’s business administration program prepares students to be effective leaders in business. The program develops the proficiency in communication and computer application skills needed to work in all areas of business. Cognates have been developed to allow students to specialize in areas of interest.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Recognize ethical business practices within the context of the Christian worldview.
2. Use core business concepts and strategies to determine effective solutions to hypothetical and/or real life situations.
3. Apply business principles in the areas of legal environment, economics, business ethics, and global dimensions.
4. Identify and select appropriate business strategies and policies.

Finance Concentration
The student will be able to demonstrate the application of various financial analytical decision-making methods utilized by financial managers.

Financial Planning Concentration
The student will be able to apply financial and decision-making methods used by financial planners.

### Business Management Information Systems Major (B.S.)

**PURPOSE**

The Business Management Information Systems (BMIS) discipline provides students with an applied knowledge of technology, focusing on the information side of the information technology industry. The BMIS discipline is concerned with ways in which computer technology can be optimized so that it can provide maximum benefit to a business.

Students in the BMIS major will study topics such as database management, information systems, networking and telecommunications, programming, project management, system analysis and design, and WWW architecture and design.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Evaluate ethical business management information systems practices within the context of the Christian worldview.
2. Determine effective solutions to hypothetical and/or real life situations using core business management information systems principles and practices and/or tools and techniques.
3. Construct applications, designs, and plans in the areas of hardware, software, and web architecture for various program and database management systems.

Informatics Major (B.S.)

PURPOSE
The Informatics (INFO) discipline provides students with the knowledge and skills needed to manage the relationship between information systems and people. The informatics program integrates social sciences with multidimensional information systems to develop the ability to evaluate complex information processing. Students will learn about expert, biological, and systems to develop the ability to evaluate complex information integrates social sciences with multidimensional information system hardware and software, and enterprise system hardware and software, and enterprise concepts and analysis, design, and implementation.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Conduct best practices in informatics while maintaining a Christian worldview.
2. Apply core informatics principles and practices to determine effective solutions to hypothetical and/or real life situations.
3. Design and maintain informatics solutions that meet desired requirements.

Information Technology Major (B.S.)

PURPOSE
The Information Technology (IT) discipline provides students with an applied knowledge of technology in a business environment. The information technology program is concerned with understanding the theoretical foundations of information technology, evaluation of appropriate information technology for business needs, and the management of organizational information technology resources. Students in the information technology major will study topics such as database management, computer programming, networking and telecommunications, information security, systems administration, integrative programming, human computer interaction, web architecture and development, information system hardware and software, and enterprise systems and integration.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Conduct best practices in information technology while maintaining a Christian worldview.

SCHOOL OF BUSINESS – ONLINE PROGRAMS

School of Business – Online Programs

Purpose
To educate our Business students with the values, knowledge, and skills they need in the development of the whole person to enable them to impact their world.

Accounting Major (B.S.)
Purpose
Liberty University’s accounting program prepares students to be effective leaders in business. The program develops the proficiency in communication and computer application skills needed to work with complex accounting issues. Students also learn to identify, analyze and appropriately deal with ethical dilemmas from a sound moral and biblical perspective.

Program Learning Outcomes
The student will be able to:
1. Critically evaluate business transactions in accordance with generally accepted accounting principles within the various fields of the accounting discipline.
2. Analyze accounting transactions of third party preparers in accordance with generally accepted auditing standards.
3. Communicate effectively in written, oral, and technical venues.
4. Identify, evaluate, and appropriately deal with ethical dilemmas from a sound moral and biblical perspective.

Business Administration Major (B.S.)
Purpose
Liberty University’s business administration program prepares students to be effective leaders in business. The program develops the proficiency in communication and computer application skills needed to work in all areas of business. Cognates have been developed to allow students to specialize in areas of interest.

Program Learning Outcomes
The student will be able to:
1. Recognize ethical business practices within the context of the Christian worldview.
2. Use core business concepts and strategies to determine effective solutions to hypothetical and/or real life situations.
3. Apply business principles in the areas of: Legal Environment, Economics, Business Ethics, and Global Dimensions.
4. Identify and select appropriate business strategies and policies.

Finance Concentration
The student will be able to demonstrate the application of various financial analytical decision-making methods utilized by financial managers.
### Financial Planning Concentration

The student will be able to apply financial and decision-making methods used by financial planners.

Business Management Information Systems

Major (B.S.)

PURPOSE
The Business Management Information Systems (BMIS) discipline provides students with an applied knowledge of technology, focusing on the information side of the information technology industry. The BMIS discipline is concerned with ways in which computer technology can be optimized so that it can provide maximum benefit to a business.

Students in the BMIS major will study topics such as database management, information systems, networking and telecommunications, programming, project management, system analysis and design, and WWW architecture and design.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Evaluate ethical business management information systems practices within the context of the Christian Worldview.
2. Determine effective solutions to hypothetical and/or real life situations using core business management information systems principles and practices and/or tools and techniques.
3. Construct applications, designs and plans in the areas of hardware, software and web architecture for various program and database systems.

**PURPOSE**

The Informatics (INFO) discipline provides students with the knowledge and skills needed to manage the relationship between information systems and people. The informatics program integrates social sciences with multidimensional information systems to develop the ability to evaluate complex information processing. Students will learn about expert, biological, and clinical decision support systems, models, and technology; management of informatics data in database management systems; informatics systems analysis, design, and implementation.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Conduct best practices in informatics while maintaining a Christian worldview.
2. Apply core informatics principles and practices to determine effective solutions to hypothetical and/or real life situations.
3. Design and maintain informatics solutions that meet desired requirements.

**Information Technology Major (B.S.)**

**PURPOSE**

The Information Technology (IT) discipline provides students with an applied knowledge of technology in a business environment. The information technology program is concerned with understanding the theoretical foundations of information technology, evaluation of appropriate information technology for business needs, and the management of organizational information technology resources. Students in the information technology major will study topics such as database management, computer programming, networking and telecommunications, information security, systems administration, integrative programming, human computer interaction, web architecture and development, information system hardware and software, and enterprise systems and integration.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Conduct best practices in information technology while maintaining a Christian worldview.
2. Apply core information technology principles and practices to determine effective solutions to hypothetical and/or real life situations.
3. Evaluate and maintain information technology solutions that meet desired requirements.

School of Communication & Creative Arts

Cinematic Arts – Zaki Gordon Center

Stephan Schultze, B.A., M.A.
Executive Director, Cinematic Arts – Zaki Gordon Center

PURPOSE
Cinema is a unique form of communication and the purpose of the Cinematic Arts – Zaki Gordon Center is to glorify God by reflecting the truths of Scripture through cinema. The Cinematic Arts – Zaki Gordon Center at Liberty University is distinctive because of its approach in training the next generation of filmmakers in a Christ-focused environment. Dr. Jerry Falwell coined “Saturation Evangelism” as the ability to reach every available person through every available means. Liberty University’s Cinematic Arts – Zaki Gordon Center supports the scope of that mission.

Cinematic Arts Major (B.S.)

PURPOSE
Learning how to create impactful and professionally produced films that have a competitive edge will help ensure that new filmmakers and the message of Christ will stand out in a content driven marketplace.

The B.S. in Cinematic Arts is a 2-year full immersion*, cohort ** program that students enter in the fall of their junior year. Students who have completed their general education, CINE 201, CINE 202, and CINE 203 courses can apply for admission to the Center for Cinematic Arts program.

*FULL IMMERSION – 5 days a week instruction that could include 8-12 hours with professors a day. This hands-on instruction will produce the best learning environment, mirroring a real world model for product driven outcomes.

**COHORT – A fixed group of 16-20 students who have been accepted into the Cinematic Arts Major after applying to continue in the B.S. in Cinematic Arts program. (Cohort students are advised not to take classes outside of the B.S Cinematic Arts Major)

NOTE: Admission to continue in the B.S. in Cinematic Arts is an application and acceptance process. It is possible, it is advised that students declare Cinematic Arts as their major their freshman year. Students must work closely with their academic advisor as they work through their Degree Completion Plan (DCP) and should schedule a meeting with a faculty member in the Cinematic Arts Program to gain insight on the application process and ask questions as needed.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Integrate thematic values in storytelling.
2. Determine personnel and technical elements relevant to the visual content of the story.
3. Evaluate the distribution model for a movie.
4. Justify moral decisions related to moviemaking based biblical worldview/principles.

PROGRAM APPLICATION PROCEDURES
In order to continue in the Cinematic Arts Program, students must be accepted into the program through an application process that starts second semester of a student’s sophomore year. In
addition to the general admission requirements, students must meet
the following admission requirements to apply to continue into the
program in their Junior year:

1. Unofficial university transcripts that provide proof of
   completion of CORE classes: CINE 201, CINE 202, and
   203 with at least a B average
2. One letter of recommendation from:
   a. University instructor or staff member
   b. Past or present employer or peer
3. Essay/pitch (1,000 words) telling the story of a film the
   student wants to make
4. Written letter explaining why the student wants to be a
5. Oral interview (by appointment)

   NOTE: Films, DVDs or videotapes will not be accepted
   with application to the program.

REGARDING EARLY ACCEPTANCE

Students that have declared Cinematic Arts as their major
may apply at any time for early acceptance into the program. This
early acceptance is conditional upon the following:

1. The student has a minimum overall undergraduate
   GPA of 3.0 before entering the cohort program. (Usually
   spring of their sophomore year)
2. The student has not received a final grade lower than
   a "C" in any undergraduate course.
3. The student does not have more than two unexcused
   absences in any of the CINE core classes (CINE 201,
   CINE 202, CINE 203).

Students who fail to maintain these standards will lose their
early acceptance. However, students are strongly encouraged to
reapply by January 1 of the year they plan to attend the CINE
cohort (usually spring of their sophomore year). Acceptance is
based solely off the most recent application/interview.

REGARDING CURRENT COHORT STUDENTS

Any student enrolled in the CINE cohort that receives final
grade lower than a "C" in any CINE course, will have 60 days
of opportunity to rectify the grade with the instructor of the course. It is the
student’s responsibility to initiate this process, not the
instructors.

Any student who fails to rectify a grade lower than a "C"
within 60 days, will automatically be removed from the
program. The student may re-apply for the next CINE cohort
entry (usually 1 year later).

Lambda Pi Eta Honor Society
Advisor: Dr. Angela Widgeon

Lambda Pi Eta (LPH) is the National Communication Association’s official honor society at four-year colleges and universities. As an accredited member of the Association of College Honor Societies (ACHS), Lambda Pi Eta has active chapters at four-year colleges and universities worldwide. LPH represents what Aristotle described in The Rhetoric as three ingredients of persuasion: logos (Lambda), meaning logic; pathos (Pi), relating to emotion; and ethos (Eta), defined as character credibility and ethics. Lambda Pi Eta recognizes, fosters, and rewards outstanding scholastic achievement while stimulating interest in the communication discipline.

To be eligible for admission, undergraduate students must meet the following criteria:
1. Complete 60 semester credit-hours (90 quarter credit-hours)
2. Have a minimum cumulative GPA of 3.00 for all courses taken
3. Complete the equivalent of 12 semester credit-hours (18 quarter credit-hours) in communication studies
4. Have a minimum GPA of 3.25 for all communication studies courses
5. Currently be enrolled as a student in good standing, as determined by the institution's policies
6. Rank within the highest thirty-five percent of one’s class in general scholarship

Digital Media Major (B.S.)

Purpose
The concentrations under this major are committed to preparing students for success in a digital, social and interactive media job market that is dramatically growing each passing year. The concentrations cover the digital job market: video, audio, social and interactive media, storytelling and performance, while creating stories across multiple platforms.

Program Learning Outcomes
The student will be able to:
1. Create stories across multiple platforms.
2. Apply digital media knowledge, skills and behaviors to best practices in the discipline.
3. Create media reflective of the nature and heart of God.

Audio Concentration
The student will be able to:
1. Utilize current digital media equipment to create broadcast quality sounds for productions.
2. Develop sound, sound effects and sound design for effective storytelling.
3. Evaluate audio elements of digital media productions.

Performance Concentration
The student will be able to:
1. Utilize principles of style, color and fashion as they relate to personal appearance on camera.
4. Evaluate delivery styles and techniques.

2. Social Networking and Interactive Media Concentration
The student will be able to:
1. Apply principles of strategic communication to improve marketing, reputation and advocacy for social networking and interactive media clients.
2. Critically examine trends in social networking.

Transmedia Writing Concentration
The student will be able to:
1. Create one story told in multiple story environments over diverse media.
2. Apply storytelling and story world creation skills to transmedia scenarios.
3. Develop business plans for transmedia programming.

Video Concentration
The student will be able to:
1. Utilize current digital media equipment to capture broadcast quality footage.
2. Implement effective storytelling as evidence by the production of broadcast quality packages.

PURPOSE
The mission of the Educator Preparation Program at Liberty University is to develop competent professionals with a Christian worldview for Christian, public, and private schools. Excellent teachers are an invaluable asset to the home, church, community, and nation. The Educator Preparation Program at Liberty is designed to provide a program of study and preservice experiences that will foster teaching excellence and stimulate improvements in teaching practices in Christian, public, and private schools. The program is designed for teacher candidates who are preparing to teach kindergarten, elementary, and middle school, as well as high school students. Those wishing to pursue careers in middle school, or high school teaching may do so in the following areas: biology, business, computer science, English, family and consumer sciences, history/social sciences, mathematics. Comprehensive licensure may be completed in the following areas: music (vocal or instrumental), health/physical education, Spanish, special education, studio art, teaching English as a second language, and theatre arts.

PROGRAM LEARNING OUTCOMES

KAPPA DELTA PI
Kappa Delta Pi, an International Honor Society in Education, was founded on March 8, 1911, at the University of Illinois. Organized to recognize excellence in education, Kappa Delta Pi elects to membership those who exhibit the ideals of scholarship, high personal standards, and promise in teaching and allied professions. It encourages improvement, distinction in achievement, and contributions to education.

Today there are over 60,000 members in more than 425 university, college, and alumni chapters. The PI SIGMA Chapter at Liberty University was founded on February 9, 1984. Visit the website at http://www.liberty.edu/kdp.

Election to membership is made without regard to religion, race, or gender, and may include undergraduate and graduate students and practicing professionals in the field of education.

COUNCIL FOR EXCEPTIONAL CHILDREN
Special Education majors at Liberty University organized a Student Chapter of the Council for Exceptional Children (CEC) in Spring 2005. CEC is the largest international, non-profit organization that provides support and information for children with disabilities, their families, and those who work with these children.

Membership is open to all majors. To become an official member of the CEC, one must join the national chapter of the CEC.

LICENSURE AND NCATE APPROVAL
The Educator Preparation Program is designed to meet licensure requirements of the Commonwealth of Virginia in the student’s approved concentration. The University has approval from the State Council of Higher Education for Virginia and is accredited by the Southern Association of Colleges and Schools. The Educator Preparation Program has been officially approved by the Virginia Department of Education and by the National Council for Accreditation of Teacher Education (NCATE). Graduates of Liberty’s approved educator preparation programs are eligible for licensure within the Commonwealth of Virginia. Completing Virginia licensure requirements will generally be necessary if the teacher candidate intends to seek licensure in another state.

Several states have additional licensure requirements beyond what is specified for graduation from an approved program at Liberty. However, teacher candidates are able to gain licensure and to begin teaching in another state while completing the additional requirements. Assistance in securing licensure from other states, information about licensure requirements in states other than Virginia, and help in obtaining necessary applications for out-of-state teaching credentials may be obtained from the Teacher Licensure Office. In addition to state licensure, students who complete the Educator Preparation Program at Liberty are eligible for the Association of Christian Schools International certificate.

DEGREE COMPLETION PLANS
Degree Completion Plans for programs offered by the School of Education can be accessed online at: http://www.liberty.edu/index.cfm?PID=2981.

Licensure Programs
ADMISSION TO THE EDUCATOR PREPARATION PROGRAM
A student planning to follow a teaching program at Liberty must meet the admission requirements of the Educator Preparation Program. The standards of admission to the Educator Preparation Program are inclusive of those for admission to the University and include other criteria outlined by the School of Education as indicated below. Policies governing admission to the program originate in, or are channeled through the Teacher Education Department. The Department formulates policies, coordinates the Educator Preparation Program, and works for selective recruitment, admission, and retention of students for and in teacher licensure. It must be clearly understood that admission to the University is not synonymous with admission to the Educator Preparation Program. Failure to follow the procedures will generally result in the delay of the student’s graduation and program completion for a minimum of one semester. Program requirements are available in the Teacher Education Handbook at http://www.liberty.edu/uguide.

Application to Liberty’s Educator Preparation Program usually takes place at the end of the candidate’s freshman year as part of the course requirements for EDUC 125, Introduction to Education. Transfer students who fail to comply with this provision can result in program completion being delayed for at least one semester for those students. Though in no way a guarantee of the candidate’s future success in a classroom, meeting the standards listed below demonstrates a seriousness of purpose and a degree of academic achievement that speaks well of the aspiring teacher’s potential. Students must meet the following initial entrance requirements:

1. A minimum cumulative GPA of 2.50;
2. The successful completion of 30 semester hours of undergraduate study including the Foundational Studies. (Transfer students must complete a minimum of 15 of
the 30 hours at Liberty in order to meet this standard. Transfer credits in education are not likely to meet licensure requirements. Any exceptions must be approved by the Chair of Initial Teaching Programs.) Because of the specific requirements for teacher licensure, all nonresidential courses must be approved by the program coordinator;

3. Certification by the Office of Student Affairs that the student has exhibited satisfactory citizenship and behavior while enrolled at Liberty. Teacher candidates who have been expelled or suspended are not eligible for initial entry until fully reinstated to good standing by the Office of Student Affairs;

4. Completion of EDUC 125, Introduction to Education, with a minimum grade of “C”, (Transfer credit must be approved by the program coordinator);

5. Demonstration of minimum competency in oral and written communication skills and in computation skills, as shown by an acceptable score for licensure tests including the Praxis I (Mathematics portion) and VCLA. More information about these tests can be found at http://www.liberty.edu/uguide.

6. Completion of 30-hour practicum (EDUC 125) and computer competencies.

7. Clearance of the required background check.

Equally important to the admission requirements of the Educator Preparation Program are those criteria which govern the maintenance of the candidate’s status once admitted to the program:

1. A minimum cumulative GPA of 2.50 must be maintained. Teacher candidates who fall below this minimum will be dropped from the program.

2. Satisfactory citizenship and behavior must be maintained. Students suspended or dismissed from the University will be dropped from the program.

3. Any teacher candidate who has not been admitted or who has been dropped from the program will be ineligible to take upper level education courses.

4. Any teacher candidate who has been dropped from the program is eligible to reapply in writing through the Teacher Licensure Office no sooner than during the semester following dismissal from the program. A student may, however, be reinstated only once.

5. The teacher candidate is subject to dismissal from the program at any time following his initial acceptance should any disqualifying difficulties arise.

STUDENT TEACHING

The student teaching experience is required of all students seeking teacher licensure and takes place during the student’s final semester of study. It will involve the commitment of the entire semester for student teaching and related coursework.

Student teaching experiences are arranged to take place within Christian and public school settings that are designated as local placements in Central Virginia. A listing of local school divisions may be found at http://www.liberty.edu/uguide. A limited number of external placements in accredited schools are available for students who meet the criteria for external placement. The University seeks to locate student teachers in positive classroom settings with well-qualified cooperating teachers.

It is the policy of the Liberty University School of Education that student teaching experiences are performed in the above settings which are supervised directly by faculty members from the University. For this reason, it is not possible to complete student teaching at another institution and then transfer credit to Liberty for the purpose of meeting student teaching requirements. Teacher candidates also will not be issued credit for student teaching because of having a period of non-certified classroom employment. Further information about the student teaching experience may be secured from the Teacher Licensure Office.

The student teaching experience should be approached with a great deal of respect for the responsibilities involved and should be regarded as a very important experience for the aspiring teacher. During the student teaching semester, the student will assume an important role in terms of responsibilities and obligations to the school and the students where the student teaching is to take place. It is also imperative that student teachers plan to arrange personal time schedules so that proper attention is given to student teaching and those activities associated with outside preparation and school responsibilities.

For these reasons, the School of Education very strongly suggests that teacher candidates should not plan to have significant amounts of outside diversions during the student teaching semester. Examples of activities which have previously caused problems for student teachers include jobs, excessive social commitments, and extracurricular activities. In such circumstances, the quality of the teaching inevitably suffers. For these reasons, planning and prior arrangement to avoid such problems is expected. Please see the Teacher Education Handbook and the Student Teaching Handbook found at http://www.liberty.edu/uguide for specific policies concerning the requirements for student teaching.

ADMISSION TO STUDENT TEACHING

A student may enroll in student teaching when the following requirements have been met:

1. Admission to the Educator Preparation Program for at least one full semester before student teaching;

2. Filed application at the beginning of the semester prior to the student teaching. The Teacher Education Department will approve or disapprove all such applications based upon the following criteria:

   a. Current TB test

   b. Evidence that the teacher candidate is not on academic or social probation. (Behavior that relates to the moral, social, ethical, and personal standards of professional competency of the student will be subject to periodic review and appraisal);

   c. A minimum cumulative GPA of 2.50 (3.00 GPA for external placement);

   d. Completion of all professional education coursework, as well as all courses in the student’s major area of study. Grades below a “C” are not acceptable in any EDUC course, or in any concentration course (Elementary and Special Education Licensure), or in any upper level course in the major (Secondary/ Comprehensive Licensure);

   e. Completion of all licensure tests including VCLA, Praxis II, and RVE (for Elementary and Special Education candidates). Licensure tests must be passed before the student teaching application can be accepted and a request for placement can be made; and
f. Graduation checklist submitted indicating all coursework except student teaching is completed.

It is the candidate’s responsibility to secure the forms and materials necessary to apply for student teaching. Such materials may be obtained from the Teacher Licensure Office and must be returned prior to established deadlines. The application deadlines for placement in student teaching are September 15 for placement in the spring semester and February 15 for placement in the fall semester.

TEACHER LICENSURE TESTS
An important requirement for meeting Teacher Licensure standards in the Commonwealth of Virginia is the successful completion of the required tests for licensure. Tests include the Praxis I Math section, the VCLA (Virginia Communication and Literacy Assessment), the Praxis II, and the RVE (Reading for Virginia Educators) for Elementary and Special Education candidates. These tests must be passed before applying for student teaching. The tests may be repeated, if necessary. More information about the required licensure tests may be found at www.liberty.edu/uguide.

ELEMENTARY AND SPECIAL EDUCATION LICENSURE
A teacher candidate who plans to teach in elementary or special education must complete a major in Elementary Education Integrated Studies or Special Education Integrated Studies. The candidate will choose from a specified list of concentrations that have been approved by the respective department chairs. The middle school option provides additional endorsement in the subject area(s) in which he wishes to teach. All licensure areas are available on the Degree Completion Plan (DCP) of the respective major.

A candidate who plans to teach in secondary school must complete a major in the subject area(s) in which he wishes to teach. The secondary areas of licensure available at Liberty are biology, business, computer science, English, history/social sciences, mathematics, and work and family studies. Add-on licensure is available in Algebra I, biology, chemistry, computer science, journalism, speech, and theatre arts.

The typical professional education requirements for students preparing to be secondary school teachers are outlined below. Requirements for the various subject matter areas are available on the Degree Completion Plan (DCP) of the respective major.

**COMPREHENSIVE LICENSURE**

Comprehensive licensure includes certification in both elementary and secondary school levels for the teacher candidate who plans to teach in areas such as music (vocal and instrumental), health/physical education, Spanish, special education, teaching English as a second language, studio art, and theatre arts. Requirements vary slightly among majors as printed below. Requirements for the various subject matter areas are available on the Degree Completion Plans of the respective majors.

LICENSENCE IN OTHER STATES

Graduates who have successfully completed Liberty’s Educator Preparation Program and who have met all standards for Teacher Licensure in Virginia can be recommended for licensure in other states. The Commonwealth of Virginia operates within the Interstate Licensure Compact, which means that other states in the compact recognize and freely accept incoming licensure applications from Virginia-based programs.

The remaining states utilize different processes to evaluate out-of-state applicants for licensure. In most cases, other states will require proof that the student has successfully completed a state-approved Educator Preparation Program. Assistance in securing this license is provided to all of those who are completing student teaching. Licensure applications will be processed after all undergraduate work has been successfully completed.

Teacher Licensure personnel can provide addresses of the various State Departments of Education for those wishing to pursue licensure in other states. The Teacher Licensure personnel will assist candidates in the preparation and submission of the required documents.

TIME FRAME FOR PROFESSIONAL LICENSURE AND PRACTICUMS

Teacher candidates must have completed all requirements necessary for professional licensure within five years after completion of the undergraduate degree.

Teacher candidates who have received a degree and wish to return to Liberty University for practicum work (elementary/secondary student teaching) for licensure will be subject to the same five-year timeframe.

Each case will be evaluated on an individual basis according to time elapsed from completion of coursework, transcripts, program changes, and recent experiences in the field of education.

Elementary Education Integrated Studies (B.S.)
Special Education Integrated Studies (B.S.)

The Bachelor of Science in Elementary Education Integrated Studies and Special Education Integrated Studies majors are designed for those students who desire a liberal arts degree that meets the competencies for teacher candidates. The emphases of these majors are on the content of the core areas, as defined by the federal guidelines of the No Child Left Behind Act and the state guidelines of the Virginia Department of Education. The guidelines for these majors are subject to changes in federal or state regulations for the licensure of elementary or special education teachers.

Requirements for this degree are:

1. Fulfill institutional General Education Requirements using courses recommended to meet teacher licensure competencies;
2. Complete a 45-hour major which must be drawn from two or three academic disciplines with no more than 30 hours and no less than 15 from any one discipline.
   a. The Elementary Education Integrated Studies major includes the Core Concentration cluster, one Cognate cluster, choice of cognate areas must be one of the following: math, English, social studies, or science; and the Education cluster will be the third concentration.
   b. The Special Education Integrated Studies major includes the Core Concentration cluster, the Special Education cluster, and the Education cluster.
3. Complete 15 hours of electives in any disciplines, including areas that are covered in the major, that are selected to meet teacher licensure competencies;
4. Admission to the Educator Preparation Program prior to registering for upper level courses;
5. Complete at least 30 hours at the 300-400 level;
6. Complete 50 percent of each cognate at Liberty;
7. Students who break enrollment must renegotiate the proposal.

Admission to the Educator Preparation Program (EPP) is required prior to registering for any upper-level courses in education. Candidates who fail to meet the requirements for EPP admission must change to another major. As part of the EPP admissions process, each candidate must submit an approved Degree Completion Plan (DCP) which becomes the student’s contract for graduation and may be modified only upon written request to the Program Director or the School of Education Dean. The professional semester (student teaching) is required for teacher licensure, and is therefore required to complete the Elementary Education Integrated Studies and Special Education Integrated Studies Major.

The mission of the Sport Management degree program at Liberty University is to help students develop skills to organize, administer, and facilitate sport programs at the corporate, agency, agency, professional, and amateur levels. Opportunities are provided to develop knowledge and skills relevant to the performance of these functions.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Articulate a Christian worldview that incorporates moral leadership and ethical decision-making in the sport management workplace.
2. Demonstrate oral, written, and technological communication effectively and persuasively within professional sport management settings.
3. Evaluate research in sport management from the perspective of current business trends and historical sport management contexts.
4. Synthesize academic principles through knowledge transfer and exchange to the sport management environment.
5. Demonstrate leadership skills in the sport management industry.

School of Education – Online Programs

Department of Teacher Education

As a condition of Liberty’s Certificate of Approval from the Alabama Commission on Higher Education, the following disclaimer pertains to Liberty’s online programs in Teacher Education:

**Teacher Education:** State Authorization to provide a program related to the preparation of teachers or other P-12 school/system personnel does not indicate eligibility for an Alabama certificate. Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P-12 school system(s). Education Major (A.A.)

Early Childhood Education Major (A.A.)
(Non-Licensure Programs)

PROGRAM LEARNING OUTCOMES
A graduate of the Pre-Licensure (AA & BS) programs:

PRE-A. KNOWS Christian values, moral dimensions, and ethical implications synthesized with academic knowledge
- PRE-A.1. Demonstrates a broad base of general and professional knowledge;
PRE-B. IMPLEMENTS skills as a gift from God, because teaching is a calling from God
- PRE-B.2. Plans effective instruction and selects a variety of strategies based on developmental levels and individual needs in course case studies;
- PRE-B.3. Demonstrates the understanding of differentiated instruction,
• PRE-B. Demonstrates an understanding of classroom management to motivate students and maximize learning;
• PRE-C. BELIEVES and practices personal integrity, social responsibility, sensitivity to the needs of others, and the betterment of humanity
• PRE-C5. Demonstrates behaviors of a reflective student and seeks opportunities for professional development.

Undergraduate Certificate

The School of Education offers an undergraduate certificate in Preschool through Liberty University Online.

CERTIFICATE COMPLETION REQUIREMENTS
1. Complete 18 total hours with a 2.00 GPA.
2. All courses must be completed through Liberty University.
3. No grade of “D” may be applied to the certificate.
4. Submission of Certificate Completion Application at beginning of final semester.

Faculty

All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&CatID=22 where faculty can be searched for by Department.

PURPOSE

The School of Engineering and Computational Sciences functions with the purpose of teaching Christ-centered men and women with the values, knowledge, and skills critical for impacting computing and technology-related disciplines in tomorrow's world. Enhanced in the fall of 2007, the School has the long-term vision of creating and maintaining nationally recognized technology-related degrees, centers, institutes, and initiatives in education, research, training, and missions so that our Christ-centered graduates can have the greatest impact on tomorrow's world.

The School offers six degrees and two minors that provide students with the skills, knowledge, and understanding of information technology necessary for impacting tomorrow's socio-technological culture.

PROGRAM ACCREDITATION

The Bachelor of Science degree programs in Computer Engineering, Electrical Engineering and Industrial and Systems Engineering have received accreditation from the Engineering Accreditation Commission of ABET. The Bachelor of Science in Computer Science has received accreditation from the Computing Accreditation Commission of ABET.

ABET is the recognized accrediting agency for college and university programs in applied science, computing, engineering, and engineering technology. ABET accreditation demonstrates a program's commitment to providing its students with a quality education.

TEACHER LICENSURE

Liberty University offers teacher licensure programs which are approved by the State of Virginia Department of Education. Teacher preparation and endorsement in Computer Science is available through the School of Engineering and Computational Sciences in cooperation with the Teacher Education Department.

Those who enter the teacher licensure program must complete the academic major, be subject to the same general education requirements as all other students, and complete academic and practicum experiences related to professional teacher training. Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education. Licensure information is also available at http://www.liberty.edu/uguide.

Engineering Programs

ENGINEERING PROGRAM LEARNING OUTCOMES

The student will be able to:

1. An ability to apply knowledge of mathematics, science, and engineering;
2. An ability to design and conduct experiments, as well as to analyze and interpret data;
3. An ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability;
4. An ability to function on multidisciplinary teams;
5. An ability to identify, formulate, and solve engineering problems;
6. An understanding of professional and ethical responsibility;
7. An ability to communicate effectively;
8. The broad education necessary to understand the impact of engineering solutions in a global, economic, environmental, and societal context;
9. A recognition of the need for, and an ability to engage in life-long learning;
10. A knowledge of contemporary issues; and
11. An ability to use the techniques, skills, and modern engineering tools necessary for engineering practice.

Computer Engineering Major (B.S.)

PURPOSE

The computer engineering degree is designed to develop Christ-centered men and women with the values, knowledge, and skills essential to positively influence computer and electrical engineering-related industries in the current and evolving economy. The program prepares graduates for the thoughtful integration of work and life and to view the computer engineering profession as a lifelong commitment to serving others.

PROGRAM EDUCATIONAL OBJECTIVES

Our goal is, within a few years of graduating, our Computer Engineering students will be able to:

1. Advance in an engineering career or graduate studies.
2. Be recognized as a creative thinkers; exhibiting an aptitude for continuous learning.
3. Display professional ethics and behavior consistent with foundational Christian principles.

Computational Science Programs

PURPOSE
In general, the computational science programs [i.e., Computer Science (CS) and Applied Internet Technologies (AITE)] are designed to prepare our students to enter the professional workforce with the knowledge and skills to impact computing and technology-related disciplines in tomorrow’s world.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Apply knowledge of computing and mathematics appropriate to the discipline.
2. Analyze a problem, and identify and define the computing requirements appropriate to its solution.
3. Design, implement, and evaluate a computer-based system, process, component, or program to meet desired needs.
4. Function effectively on teams to accomplish a common goal.
5. Demonstrate an understanding of professional, ethical, legal, security, and social issues and responsibilities.
6. Communicate effectively with a range of audiences.
7. Analyze the local and global impact of computing on individuals, organizations, and society.
8. Recognize the need for and an ability to engage in continuing professional development.
9. Use current techniques, skills, and tools necessary for computing practice.
10. Apply mathematical foundations, algorithmic principles, and computer science theory in the modeling and design of computer-based systems in a way that demonstrates comprehension of the tradeoffs involved in design choices.
11. Apply design and development principles in the construction of software systems of varying complexity.
Computer Science Major (B.S.)

**PURPOSE**

The Computer Science (CSCI) major is offered by the School of Engineering and Computational Sciences with the purpose of developing Christ-centered men and women with the values, knowledge, and skills essential to impact computing-related disciplines in tomorrow’s world.

Students are exposed to the computer science core body of knowledge from a Christian worldview. Equipped with a firm foundation in algorithms and problem solving, they learn to analyze problems and design, implement, and test software solutions. Students also develop a strong background in mathematics to cultivate their reasoning abilities. Faculty help students prepare for a lifetime of service while encouraging undergraduate research and effective application of technology from a Christian worldview.

**PROGRAM EDUCATIONAL OBJECTIVES**

Our goal is, within a few years of graduating, our Computer Science students will be able to:

1. Demonstrate a sound understanding of the fundamentals principles and practices of computer science necessary for employment and graduate studies.
2. Apply computer science principles and practices to identify and document requirements, develop designs, as well as implement and validate solutions for computing systems of varying levels of complexity.
3. Establish a sense of continuous life-long learning and adopting new technologies where appropriate.
4. Develop skills for working in teams; communicating technical information effectively in both oral and written forms; engaging in creative and critical thinking; gaining and applying business knowledge; building leadership skills.
5. Display the Christian principles that are the basis for their professional ethics and behavior.

**TEACHER LICENSURE**

An endorsement in Computer Science is available. Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education.

B.S. in Applied Web Technologies

PURPOSE
The Applied Web Technologies major is offered by the School of Engineering and Computational Sciences with the purpose of developing Christ-centered men and women with the values, knowledge, and skills essential to impact the Internet related disciplines in tomorrow’s world.

With the explosion of Web technologies is an accompanying demand for internet technology professionals with skill sets that are relevant to their occupations. All analyses indicate that this demand will continue on an upward trend for many years to come.

PROGRAM EDUCATIONAL OBJECTIVES
Our goal is, within a few years of graduating, our Applied Web Technologies students will be able to:

1. Demonstrate a sound understanding of the fundamental principles and practices of Internet technologies necessary for employment and graduate studies.
2. Apply Web technologies principles and practices to identify and document requirements, develop designs, as well as implement and validate solutions for computing systems of varying levels of complexity.
3. Establish a sense of continuous life-long learning and adopting new technologies where appropriate.
4. Develop skills for working in teams; communicating technical information effectively in both oral and written forms; engaging in creative and critical thinking; gaining and applying business knowledge; building leadership skills.
5. Display the Christian principles that are the basis for their professional ethics and behavior.

**HELMS SCHOOL OF GOVERNMENT**

**Helms School of Government**

**Administration**
Shawn D. Akers, B.A., M.A., J.D.  
Dean, Helms School of Government  
Professor of Government

Ronald Miller, B.A., M.S.  
Associate Dean, Helms School of Government  
Assistant Professor of Government

Stephen M. Parke, B.A., J.D., LL.M.  
Associate Dean, Helms School of Government

**Faculty**
All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&Category=22 where faculty can be searched for by Department.

**PURPOSE**
The Helms School of Government offers Bachelor of Arts, Bachelor of Science, and Associate of Arts degrees, with majors in Government, International Relations and Criminal Justice; minors in Government, International Relations, Criminal Justice, Strategic and Intelligence Studies and Western Legal Traditions; and concentrations in International Relations, Politics and Policy, Strategic and Intelligence Studies and Western Legal Traditions (Pre-Law).

The curriculum encourages students to approach their chosen professions as opportunities for Christian Service and equips students with a strong foundation of knowledge and skills in conducting the business of government, politics, policy-making, public administration, public safety and military service. The goal of the curriculum is to produce action-oriented students who are able to understand and articulate the biblical roots of our religious, economic, and political liberties, and, thus, to equip them to become highly qualified leaders in their chosen career fields.

**INTERNSHIPS**
Knowledge becomes wisdom when a student takes the theory of the classroom and applies it in the context of the real world. To that end, our students are encouraged to apply for an internship in their field of study. The Helms School of Government is actively placing our students in positions at the White House, offices of elected officials, military and government intelligence agencies, and conservative political organizations. Internships are also available at the state and local government level as well as at federal law enforcement agencies. Students will stand out as Christ-centered, moral, ethical, and value driven men and women.

Applicants must satisfy the 2.5+ GPA requirement and successfully complete the rigorous screening process prior to placement. The program is designed to keep the student on track for graduation and qualify for financial aid programs.

**PARTNERSHIPS**
In addition, in order to provide motivated students with unique educational opportunities, the Helms School of Government also partners with the Central Virginia Criminal Justice Academy, the School of Engineering and Computational Sciences, and the School of Communication. These partnerships are in place to set students apart and better prepare them for employment.

**CENTER FOR PRE-LAW STUDIES**
The Center for Pre-Law Studies uniquely incorporates a biblical worldview to prepare future law students for success. Everything, from academic programs to competing teams, to lecture series and extracurricular offerings, is designed to help students prepare for, and succeed in, law school. The Center for Pre-Law Studies also provides resources to assist students in the law school application process including choosing law schools, preparing for the LSAT, and crafting a winning personal statement. More information is available on the website at www.liberty.edu/academics/helmschoolofgovernment/prelawstudies.

**International Relations Major (B.A.)**

**PURPOSE**

The International Relations major takes a broad approach to the disciplines of economics, law, philosophy, and geography with the purpose of mastering the study of relationships among countries, peoples, and comparative governments. There will be a bifurcation in which the student branches into further studies in either international politics and policy, or strategic and intelligence studies. It is necessary to study a foreign language. Developing skills in research, critical thinking, and communications, the student will study global issues from a Christian perspective and gain the ability to impact a world crying out for salt and light.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Evaluate the nature and role of government from a Biblical worldview.
2. Integrate ethical and values-driven decision making in government scenarios.
3. Communicate effectively in both written and oral formats.
4. Demonstrate competence in the basic principles of international relations.
5. Evaluate dilemmas in geopolitical or international relations.
6. Recognize and apply major fundamental concepts of international relations to international relations dilemmas/practices.

**International Politics and Policy Concentration**

The student will be able to:

1. Evaluate comparative political and economic theories as they relate to the field of international relations.
2. Demonstrate the ways in which domestic and international political and policy-making processes interact.

**Strategic Intelligence Studies Concentration**

The student will be able to:

1. Demonstrate an understanding of the broader intelligence community and the intelligence cycle.
2. Integrate strategic and intelligence considerations in multiple contexts.
3. Evaluate research and form analyses on critical intelligence issues.

*(Available Spring 2015)*

**PURPOSE**

The purpose of the Government major is to provide a firm foundation in biblical principles of civic government, ensure correct historical education in American government at all levels; and training in limited government, political theory, law, and political and economic ideals. The major is intended to inspire and produce action-oriented students who will become Christ-centered statesmen, leaders, scholars and policy makers and thus equip them to become highly qualified leaders in their chosen career fields capable of impacting the world.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:
1. Evaluate the nature and role of government from a biblical worldview.
2. Communicate effectively in both written and oral formats.
3. Integrate ethical and values-driven decision making in government scenarios.
4. Evaluate political or government related dilemmas.

**Politics and Policy Concentration**

The student will be able to:
1. Evaluate comparative political and economic theories as they relate to the field of Government
2. Demonstrate the ways in which domestic and international political and policymaking processes interact.

**Pre-Law Concentration**

The student will be able to implement law processes and procedures in a variety of contexts.

PURPOSE
The Department of Biology and Chemistry provides baccalaureate programs in biology, biomedical sciences, cell and molecular biology, chemistry, environmental biology, forensic science, biopsychology, zoo and wildlife biology, zoology, and biochemistry, and services courses in biology and chemistry for Resident and Online Programs. Our programs seek both to transmit and expand knowledge as well as to provide opportunities for research and service. The Department is a community of persons who are voluntarily linked in the pursuit of knowledge, providing a reasoned presentation of these academic disciplines in relation to the Christian faith. The Department’s mission is to communicate academic content, Christian values, and requisite skills, all of which prepare persons for a lifetime process of learning and service.

TEACHER LICENSURE
Teacher preparation and endorsement in Biology and Chemistry is available through the Department of Biology and Chemistry. Those wishing to pursue teacher-related programs should seek information from the Teacher Licensure Office in the School of Education. Licensure information is also available at http://www.liberty.edu/uguide.

PRE-MED HONOR SOCIETY
Coordinator: Dr. Mark Blais

The purpose of the Pre-Med Honor Society is to give recognition to students who have excelled in the biology and chemistry curricula or any other Liberty University major. Biology Major (B.S.)

PURPOSE

The purpose of the Biology major is to prepare students for medical and related professional schools, graduate school, and employment in the biological sciences or in teaching.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Communicate scientific information both orally and in writing.
2. Design and conduct biological experiments.
3. Apply standards and principles of safe practice in the laboratory or field environment.
5. Demonstrate competence in the basic categories of the biological sciences.

6. Analyze and critique laboratory research results in the molecular or ecological sciences.

Forensic Science Major (B.S.)

PURPOSE

The purpose of the Forensic Science major is to prepare students for careers in federal, state and private forensic laboratories through a strong emphasis in biology, chemistry and criminal justice.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Communicate scientific information both orally and in writing.
2. Design and conduct biological experiments.
3. Apply standard and principles of safe practice in the laboratory or field environment.
5. Demonstrate competence in the basic categories of forensic science.

Zoo and Wildlife Biology Major (B.S.)

PURPOSE

The purpose of the Zoo and Wildlife Biology major is to continue to broaden our offerings to students interested in being stewards of God’s creation. Zoos are heavily involved in conservation efforts associated with endangered species and students will be equipped to secure jobs in zoos to assist these types of efforts. Similarly, rehabilitation centers are involved in stewardship issues by returning injured animals back into the wild. Students who are interested in science and have a passion for outdoors will also be interested in this major which will equip them for wildlife management graduate programs in natural resources.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Communicate scientific information both orally and in writing.
2. Design and conduct biological experiments.
3. Apply standard and principles of safe practice in the laboratory or field environment.
5. Demonstrate basic knowledge of vertebrate biology at the physiological, behavioral and ecological levels.
6. Analyze and critique field or laboratory research results on vertebrate wildlife.

Zoology Major (B.S.)

PURPOSE

The purpose of the Zoology major is to prepare students for veterinary, medical, and related professional schools, graduate school, and employment involving animals.

PROGRAM LEARNING OUTCOMES

The student will be able to:

1. Communicate scientific information both orally and in writing.
2. Design and conduct biological experiments.
3. Apply standards and principles of safe practice in the laboratory or field environment.
5. Demonstrate competence in organismal biology at the molecular, physiological, and ecological levels.
6. Analyze and critique field or laboratory research results in the zoological sciences.

The Department of Health Professions faculty members are committed to preparing students in three majors: Athletic Training, Exercise Science, and Kinesiology. Each major leads to a Bachelor of Science degree. Our objective is to encourage student growth in these disciplines from the Christian worldview in preparation for employment/graduate education as they pursue God’s purpose for their lives.

Athletic Training Major (B.S.)

Athletic training is practiced by certified athletic trainers; health care professionals who collaborate with physicians to optimize activity and participation of patients and clients. Athletic training encompasses the prevention, diagnosis, and intervention of emergency, acute, and chronic medical conditions involving impairment, functional limitations, and disabilities. Athletic Trainers have been recognized by the AMA (American Medical Association) as an allied health care profession since 1990 (www.nata.org, 2010).

Entry-level athletic education uses a competency-based approach in both the classroom and clinical settings. Using a medical-based education model, athletic training students (ATS) are educated to provide comprehensive preventive services and care in six domains of clinical practice: prevention, clinical evaluation and diagnosis, immediate care, treatment, rehabilitation, and reconditioning; organization and administration; and professional responsibility. The educational requirements for Commission on Accreditation of Athletic Training (CAATE)-accredited Athletic Training Programs (ATP) include not only cognitive (knowledge) and psychomotor (skill) content, but also a broad scope of foundational behaviors of professional practice, as well as a comprehensive clinical learning requirement that is embodied in the clinical proficiencies (professional, practice-oriented outcomes) as identified in the Athletic Training Educational Competencies and Clinical Proficiencies.

Athletic training programs, academic majors, are accredited by CAATE and lead to a bachelor’s or master’s degree. Certification is granted by the Board of Certification, Inc. (BOC). The Board of Certification conducts annual examination development meetings during which certified athletic trainers and recognized experts in the science of athletic training develop, review and validate examination items and problems. The knowledge, skills and abilities required for competent performance as an entry-level athletic trainer fall into three categories:

- Understanding, applying and analyzing;
- Knowledge and decision-making; and
- Special performance abilities.

The Bachelor of Science degree program in Athletic Training at Liberty University is nationally accredited through an independent process by CAATE.

The ATP at Liberty University is designed to produce athletic training professionals who will impact the world of sports and health with the highest standards of knowledge, skill, and compassion. This program of study provides a thorough investigation into the profession of Athletic Training, using rigorous academic instruction in the classroom and intense hands-on clinical study working with area colleges and universities, high schools, and other affiliated sites.

PROGRAM LEARNING OUTCOMES

The student will be able to:

1. Demonstrate proper assessment techniques in the evaluation of athletic injuries.
2. Determine the correct therapeutic treatment and rehabilitation protocol to promote return to activity.
3. Communicate effectively to related medical and non-medical professionals within the athletic training setting.
4. Apply research methods using evidence-based practices in the evaluation of athletic injuries and treatments.
5. Demonstrate mastery of the knowledge and skills necessary to effectively perform as an entry-level Certified Athletic Trainer.

PROGRAM APPLICATION PROCEDURES

Acceptance to Liberty University does not guarantee acceptance into the Athletic Training Program. Entrance into the Athletic Training Program is competitive and students must gain entry into the program via the following process:

Pre-Professional: Students interested in becoming part of the Athletic Training Program at Liberty University should initially enroll in ATTR 200, along with available education requirements. The second semester would then consist of enrolling in ATTR 210 and HLTH 216.

Provisional Acceptance: Applications for provisional admission should be submitted by April 15th each year. The criteria for provisional status can be found on the ATEP website or from the Program Director.

Full Acceptance: Full acceptance will be based upon successful completion of Provisional status. Grades will be reviewed along with the clinical performance evaluation as determined by your Approved Clinical Preceptor (ACP).

Provisional Application Process

In addition to completing ATTR 200, students must meet the following criteria and provide the following information:

- Candidates must indicate their intentions to apply to the program to the Program Director.
- Candidates must be in good academic standing with the University and have a minimum GPA of 2.50.
- Completion of application provided by the Program Director.
- Complete transcripts.
- Written paper about “Why I want to be a Certified Athletic Trainer.”
- Medical history form signed by their family physician. The form shall include an endorsement by the physician.
that states the student is physically able to meet the requirements of the program (See Technical Standards).

• Vaccination records, including: Rubella, Tetanus, Mumps, Polio, and HBV vaccination. Proof of TB test within the last 12 months must be included
• Meet the Technical Standards Policy for admission into the program.

For complete and updated information regarding application procedures, refer to the Liberty University ATEP web page at http://www.liberty.edu/Academic/Education/Sport/index.cfm?PID=85, or contact the Program Director.

Any of the following conditions will automatically preclude the student from acceptance:

• GPA is below 2.50.
• Any grade below “C” in the ATTR courses.
• Students not admitted will be notified and advised by the Program Director.
• The accreditation standard regarding direct supervision within clinical rotations means that there is a limit to the number of students that can be accepted. As such, not all students meeting the minimum requirements may be accepted. If this is the case, total score will be utilized in determining final acceptance. Scores represent minimum provisional acceptance standards, and are no guarantee of final acceptance.
• Students meeting the requirements but not accepted may be considered the following year.

Documentation following Provisional Acceptance:

Once a student is provisionally admitted to the program, the following documentation must be provided prior to the initial clinical rotation:

1. Undergo annual Blood Borne Pathogen training;
2. Student must be enrolled in ATTR 225/226 and ATTR 305/306.

Please note that due to the competitive nature of the program, that Provisional acceptance does not guarantee full acceptance into the program. Additionally, Provisionally-accepted students must meet the Program Retention Standards in order to remain in the Program.

Full Acceptance Status

During the student’s Provisional semester, application for full acceptance to the program can be initiated. Grades will be reviewed at the end of the semester, with final acceptance based on previous grades and successful completion of the following courses: ATTR 200; ATTR 210; ATTR 225/226; ATTR 305/306; BIOL 213/214; and HLTH 216. Note that a minimum GPA of 2.75 is required for full admission into the program. Additionally, students must offer proof of the following:

• Current First Aid and CPR certification.

Any of the following conditions will automatically preclude the student from acceptance:

• GPA is below 2.75;
• Any grade below “C” in the ATTR courses; or
• Observational score of 4 or less.

At this point, the student may be admitted to the program.

Transfer Students

Students transferring to Liberty University who are interested in entering the Athletic Training Program must first declare this intention in writing to the Program Director. Due to the unique characteristics and background of each individual, a transfer student will be evaluated on an individual basis to determine his/her suitability for the program as well as an appropriate entry level.

It is highly likely that the competencies covered in the transferring courses may differ from those covered in Liberty University’s courses. However, if a transfer student feels certain competencies have been completed, the student must provide the Program Director written documentation from his/her former school’s Program Director. This documentation must include a weekly log of hours, a list of completed clinical experiences, competencies, and a statement signed by the Program Director verifying satisfactory completion of the competencies in question. All competencies must meet the standards set forth by the accrediting body. Any request for course credit transfer must be made to the Program Director.

PROGRAM RETENTION STANDARDS

Once admitted to the program, the student must demonstrate and maintain satisfactory academic and clinical progress as defined below:

• Overall GPA: Athletic training students will maintain a minimum cumulative GPA of 2.75. Students falling below a 2.75 GPA will be placed on probation for one semester. If, after one semester of probation, the GPA remains below a 2.75, or falls below a 2.75 in any subsequent semester, the student will be suspended from the program.
• GPA in Major: Students must achieve a minimum grade of “C” in all designated classes (right side of DCP). The student, with permission of the Program Director, may repeat one ATTR course in which the student failed to achieve the minimum grade of “C”. A second failure to receive a grade of “C” or better in any ATTR course will result in suspension from the program.
• Students must complete BIOL 213/214 and 215/216 with a minimum grade of “C” in each section before enrolling in ATTR 400, 320 or 302. Students who receive a grade of “D” will be allowed to continue enrollment for one additional semester if they are enrolled in the BIOL course in which they received the grade of “D”. Students who receive a grade of “F” in any section of the required BIOL classes will be allowed to re-enter the program in the appropriate sequencing upon completion of this requirement.
• Under extenuating circumstances, and with approval of the Program Director, students will be allowed to continue in the program (under probation status) if they fail to meet one specific section of the GPA requirement. Issues will be considered on an individual basis and must constitute mitigating circumstances beyond the control of the student or program.
• Course Sequencing: Students must complete each clinical and academic course in the order prescribed.
• Codes of Conduct: Satisfactory citizenship and behavior must be demonstrated, per the University’s and the program’s codes of conduct as outlined in the Liberty Way and in the Athletic Training Program Handbook.

Students suspended from the University will be subject to athletic training faculty review as to continuation in the program.

The athletic training faculty reserves the right to dismiss from the major, students who exhibit unprofessional or unethical behavior as outlined in the Program Handbook.

• Guidelines for Appeal: Students may appeal decisions concerning their status in the Athletic Training Program. In order to do so, the student must submit a written appeal to the Program Director within one week of the notification in question. The documentation must include a detailed justification for the appeal. Upon receipt of the appeal, the athletic training faculty will meet to review the
Program of Study

Exercise Science Major (B.S.)

The Exercise Science program prepares students for careers in the health and fitness industry, as well as graduate studies in exercise physiology, physical therapy, occupational therapy, chiropractic, and other health professions.

The Exercise Science program is designed to produce exercise science professionals who will impact the world of sports, fitness, and wellness for our Lord and Savior Jesus Christ. The program will provide the student with the knowledge, skills, and abilities to assess, prescribe exercise for, and monitor clients in a variety of health, wellness, and fitness settings. This program of study provides the student with a thorough immersion into the field of exercise science, by using a combination of classroom, laboratory, practical, and internship experiences.

The Bachelor of Science degree program in Exercise Science at Liberty University is nationally accredited by the Commission for the Accreditation of Allied Health Education Programs (CAAAEP).

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Demonstrate proficiency in the basic knowledge of an entry level Health Fitness Specialist as defined by the program’s accrediting body.
2. Communicate effectively in the area of exercise science.
3. Plan, implement, and evaluate exercise science related programming.
4. Evaluate research data and apply research techniques.

PROGRAM APPLICATION PROCEDURES

Acceptance to Liberty University does not guarantee acceptance into the Exercise Science Program (ESP). Entrance into the ESP can be competitive and students must gain entry into the program via the following process:

Provisional Acceptance: Students interested in becoming part of the Exercise Science Program may initially declare Exercise Science as their major, but declaring Exercise Science as your major does not imply acceptance into the Exercise Science program. Students interested in becoming part of the Exercise Science Program at Liberty University should initially enroll in BIOL 213/214 and the second semester enroll in BIOL 215/216. EXSC 101 can be completed in either the fall or spring semester of the freshman year, along with any other available education requirements as per the course sequencing sheet.

Full Acceptance: Full acceptance into the Exercise Science program will be based upon the successful completion of all requirements during the provisional acceptance phase and selection by the Exercise Science admissions committee. Application for acceptance can be made twice per year: by October 15th for spring acceptance and by March 15th for fall acceptance.

Process and Requirements for Full Acceptance

During the students Provisional Acceptance phase, application for full acceptance to the program can be initiated. Grades will be reviewed at the end of the semester, with final acceptance contingent upon the successful completion of those courses. The student must meet the following criteria and provide the following information/documentation:

- Candidate must be in good academic standing with the University.
- Must show proof of current student membership to the American College of Sports Medicine.
- Must show proof of current First Aid and CPR certification.
- The certification must be maintained throughout the student’s enrollment in the program.
These expenses include, but are not limited to: American College of Exercise Science program may incur additional expenses.

Courses at the 400 level cannot be transferred into the Exercise Science Program as outlined in the above section, ‘Program Application Procedures. The process and procedures for entering the Exercise Science Program must follow the same

Transfer Students
Students transferring to Liberty University who are interested in entering the Exercise Science Program must follow the same process and procedures for entering the Exercise Science Program as outlined in the above section, ‘Program Application Procedures. Additionally, students must take all 400 level courses residually. Courses at the 400 level cannot be transferred into the Exercise Science Program.

Fee and Expenses
In addition to university tuition and fees, students enrolled in the Exercise Science program may incur additional expenses. These expenses include, but are not limited to: American College of Sports Medicine (ACSM) national and regional memberships, ACSM Health Fitness Specialist certification exam, first aid and CPR certifications, transportation costs associated with off-campus practicum, internship, and related experiences; TB (PPD) skin test, cost of medical examination and background check, if required by practicum or internship site.

ProgramRetention Standards
Once admitted to the program, the student must demonstrate and maintain satisfactory academic progress as defined below:

• **Overall GPA:** Students will maintain a minimum cumulative GPA of 2.25. Students failing below a 2.25 GPA will be placed on probation for one semester. If, after one semester probation, the GPA remains below a 2.25, or falls below a 2.25 in any subsequent semester, the student will be dismissed from the program.

• **GPA in Major:** Students must achieve a “C” or better in all designated major courses (right side of the degree completion plan). A student, with permission of the Program Director, may repeat ONE major course in which the student failed to achieve the minimum grade of “C”. A second failure to receive a grade of “C” or better in any major course will result in dismissal from the program.

• **Course sequencing:** Students must complete each major course in the order prescribed unless approved by the Program Director.

• **Codes of Conduct:** Satisfactory behavior must be demonstrated, per the University’s code of conduct as outlined in the Liberty Way.

• **Guidelines for appeal:** Students may appeal decisions concerning their status in the Exercise Science Program. In order to do so, the student must submit a written appeal to the Program Director within one week of the notification in question. The documentation must include a detailed justification for the appeal. Upon receipt of the appeal, the Exercise Science faculty will meet to review the matter. The student will be advised in writing as to the outcome of that discussion within two weeks.

**Internship**
Exercise Science students undertake an internship as the culminating experience of their degree program. Students may choose from a variety of approved internship sites that provide exceptional opportunities for the student to apply their knowledge, skills, and abilities acquired throughout the Exercise Science program in a professional setting. The internship also provides an opportunity for Exercise Science students to experience the careers that are available to them upon graduation.

• **Prerequisite:** The student has completed all Exercise Science course work and HLTH 333, with a grade of ‘C’ or better; have a minimum overall GPA of 2.25 or better; have achieved a minimum score of 480 on the American College of Sports Medicine’s Health Fitness Specialist exam, and turned in the exam scoring sheet to the Program Director, or consent of the Exercise Science Program Director.

Purpose

The Department of Public and Community Health provides an integrated approach to health, offering competency-based and practice-focused preparation for successful careers in public health and healthcare. Through a Christian worldview, students will learn to strategically address the health needs of priority populations from the individual to the global level using a variety of health promotion and education strategies.

The department is comprised of both undergraduate and graduate degree programs applicable to a variety of practice settings and situations, as well as further education in the clinical and professional fields. Students completing the program and meeting the prerequisites will be eligible for professional certification through the National Commission for Health Education Credentialing (CHES).

Health Promotion Major (B.S.)

The Health Promotion major prepares students for employment as adult health education specialists in the healthcare industry, voluntary agencies, business, and government or for graduate work for clinical health profession careers as well as public health and other health-related graduate programs. At the completion of the program, CHES students qualify and are encouraged to take the national Certified Health Education Specialist (C.H.E.S.) examination for certification.

PROGRAM LEARNING OUTCOMES
Clinical Concentration

The student will be able to:
1. Demonstrate basic knowledge of personal and community health.
2. Assess needs, assets and capacity for health education.
3. Plan health education.
4. Implement health education.
5. Conduct evaluation and research related to health education.
6. Administer and manage health education.
7. Serve as a health education resource person.
8. Communicate and advocate for health and health education.

**MISSION**
The mission of the Liberty University School of Music is to train and equip musicians as Champions for Christ. While the School of Music has only one mission, two distinctly unique and focused purposes emerge: 1) The Center for Music and the Performing Arts – trains and equips passionate musicians as skilled performers and music education specialists; and, 2) The Center for Music and Worship – trains and equips highly skilled musicians to serve as worship practitioners and industry specialists in the evangelical community.

**Center for Music and the Performing Arts**

**PURPOSE**
The purpose of the Center for Music and the Performing Arts is to serve the School of Music by providing opportunities for musical performance, academic study and training of students in Music, Music Education, Applied Music Studies, Songwriting, Artist Development, Leadership Communications, Worship Studies, Commercial Music, and Music in World Cultures (Ethnomusicology).

The Center for Music and the Performing Arts achieves its purpose in these areas by: providing comprehensive training in music for those preparing for music careers (leading to a B.M. degree) in guitar, piano, string, vocal, woodwind, brass, or percussion performance; choral or instrumental music with a music education concentration; multi-discipline areas of music strategically geared to the market place; and, a liberal arts education with a music major. In addition, the Center provides music minor curricula for those who wish to receive musical training on an elective basis.

Central to the Center’s purpose is the development of aesthetically sensitive musicians, music educators, professional songwriters, artists, music missionaries, and skilled music performers who, with their skills, knowledge, and professional attitudes, may glorify God in the world through the practice of their craft and the testimony of their lives.

The Department of Music serves the Center for Music and the Performing Arts by providing training and sequenced skill-based education in all levels of music theory, harmonic practices, aural skills, form and analysis, musicianship, conducting, composition, music history and discipline specific music literature and pedagogy courses. Performance groups affiliated with the Department of Music include: the University Chorale, The Concert Choir, Chamber Singers, Percussion Ensemble, Guitar Ensembles, and Liberty University Symphony Orchestra. In addition, the department supervises undergraduate degrees in world music. This study incorporates Music and World Culture into the total music discipline and provides Liberty University music students opportunity to engage in the music of various cultures through: field experiences; ethnic ensembles; studies in ethnomusicology; and, the discovery of regional music practices around the globe.

The Department of Music Education serves the Center for Music and the Performing Arts by providing training for students preparing for career opportunities in elementary and secondary school settings. The department provides opportunity for students to learn how to apply learned principles of “Praxis methodology” to all areas of music education, supervises the practice teaching program in area elementary and secondary schools, and provides highly specialized training in voice, guitar, piano, wind, string, and percussion.

The Department of Applied Music Studies serves the Center for Music and the Performing Arts by providing training and supervision of the performance and applied music studies in the Bachelor of Music, Bachelor of Arts and Bachelor of Science degrees. Faculties serving in this department touch and influence the lives of every person doing some type of undergraduate major in music. The Department of University Bands represents the Center for Music and the Performing Arts through the Liberty University Marching Band; the Spirit Band; the Liberty University Wind Ensemble; the University Band; and the Jazz Band. All of these performing groups represent the university in various public relation capacities, including regular performances by the University Marching Band at Liberty University football games and The Spirit Band at Liberty University basketball games.

**PROGRAMS OF STUDY**
There are a variety of undergraduate degrees in music from which to choose, including: B.A. or B.S. in Music; five B.M. Performance degrees; five Professional Multi-Discipline B.M. degrees; two degrees in Music Education Studies; a degree in Commercial Music with two concentrations; and, the music minor. These programs of study are designed to equip graduating students to enter the market place as skilled music professionals in each of their strategic area of interest.

All music programs require the student to select a primary and secondary performance area (keyboard, non-keyboard instruments, voice, or songwriting). Students doing special studies in music education must select either the choral or instrumental music major with a concentration in music education and complete rigorous studies in elementary and secondary education.

The School of Music Student Handbook is available online to assist students in understanding every aspect of the various music programs at Liberty University.
Students are encouraged to audition for faculty members: 1) during the College for a Weekend (CFW) activities; 2) by individual appointment throughout the school year; or 3) by sending a DVD of student performance to the School of Music offices. A music audition is not required for admission to the university, but is important for evaluation of a student’s potential for success in the pursuit of a music degree, placement for applied lessons, scholarship consideration, and for participation in one of the major ensembles or chamber groups.

All students pursuing any music degree must complete a piano proficiency exam before graduation, present a senior recital, and register attendance at a specific number of approved concerts and/or student recitals. (The number of concerts and recitals varies according to the degree emphasis. See the School of Music Student Handbook for more information.)

LIBERAL ARTS DEGREES IN MUSIC

Music Major (B.A./B.S.) Instrumental

PURPOSE
The purpose of the B.A./B.S. in Music with an emphasis in instrumental music is to provide for the student opportunity to complete studies in music while earning a liberal arts degree. Students may elect to place special emphasis on guitar, strings, piano, woodwind, brass or percussion.

Those completing the 128-hour B.A. in Music are required to complete a minimum of 12 credits in an approved foreign language. An additional 6 hours of “Integrative Studies” affords these students opportunity to broaden their course offerings while completing a liberal arts degree with a major in music.

The B.S. in Music with an emphasis in instrumental studies does not require any foreign language. This 120-hour degree gives students opportunity to include 10-14 hours in an elective discipline. Students may choose instrumental or choral techniques courses as part of these electives.

The student is required to complete a keyboard proficiency, attend 56 approved concerts and recitals, maintain a minimum GPA of 2.00 in music courses and complete the Sophomore Performance Review.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate technical fluency, expressiveness, and professionalism in musical performance.
2. Demonstrate broad-based knowledge of musical style, music literature, and music theory.
3. Critically evaluate music and music research materials.

PERFORMANCE DEGREES

Purpose

Liberty University offers five highly professional Bachelor of Music degrees that uniquely equip students as skilled performers and music practitioners. These include: B.M. in Guitar Performance; B.M. in Piano; B.M. in String Performance; B.M. in Vocal Performance; and, B.M. in Woodwind, Brass or Percussion Performance. All degrees in this area of study include 24 – 26 hours of applied music studies, two semesters of conducting, music technology, and contemporary styles survey. At least 65% of the degree is specifically devoted to music studies on one level or another.

The student is required to complete a keyboard proficiency, attend 56 approved concerts and recitals, maintain a minimum GPA of 2.00 in music courses and complete the Sophomore Performance Review.

Program Learning Outcomes

The student will be able to:

1. Demonstrate technical fluency, expressiveness, and professionalism in musical performance.
2. Demonstrate broad-based knowledge of musical style, music literature, and music theory.
3. Critically evaluate music and music research materials.
5. Demonstrate advanced performance skills in appropriate performance media.

**Practical Internships (5 hrs)**

- MUSC 394 Practicum I
Commercial Music Major (B.M.)

PURPOSE
The BM in Commercial Music degree is designed to provide four essentials needed for successful development as a musician training for a career in the commercial music industry: 1) Core studies in Commercial Music Studies, including: Music Theory and Musicianship, Music Technology, and Introductory Business concepts for the Commercial Musician; 2) Ensemble Experience; 3) Applied instruction on primary and secondary instruments; 4) Studies in the specialized concentrations in Jazz Studies or Film Scoring (Film and Media).

Commercial music programs have grown in influence and popularity over the past four decades. Liberty University School of Music has answered this call by designing two programs of study that will have immediate appeal to the student seeking employment in the Jazz Music Community and film industry. We believe scores of notable musicians will graduate from this program and move right into the commercial music field as composers and/or performers. Liberty University adds to this growing discipline preparation to meet the challenges of the culture with a Biblically-centered worldview.

With the establishment of the Zaki Gordon Center for Cinematic Arts, a fresh new approach to film making and industry influence has emerged. As a complement to the substantial efforts of this new film division, the School of Music has developed a degree in Commercial Music for the purpose of equipping skilled musicians to work closely with these new Christian filmmakers to produce Christian-based film that will impact the culture and the world for Christ. Many of the current film composers and studio performers have studied in this type of music program. It is our belief that our graduates will possess the same standard of skill and will bring the unique mission of Liberty University to the world through the Commercial Music field, as stage performers, studio musicians, composers, and arrangers.

The emphasis of a Commercial Music degree taught with a specifically Christian Worldview, by professors committed to sound conservative Evangelical theology sets Liberty University’s program apart, providing a significant influence in the commercial music industry.

Three strategic target audiences are served by this degree:
1. Students interested in Jazz Studies in a conservative evangelical university.
2. Students interested in writing music for film or music for short films for worship.
3. Students interested in a diversified, commercial approach to music.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Compose music soundtracks with electronic instruments and traditional acoustic instruments for commercial media.
2. Create commercial music projects that involve syncing music to film.

Film Scoring Concentration (Film and Media)
The student will be able to:
1. Arrange commercial music in a jazz style.
2. Perform written and improvised commercial music in a jazz style.

Worship Studies Major (B.M.)

PURPOSE

Over the centuries, the study of worship and its impact on culture has been an important part of musical, historical and sociological analysis. The B.M. in Worship Studies affords Liberty University students opportunity to examine the impact of worship on the evangelical culture. Students study worship and its application to music in a hands-on environment and through praxis education experience. Application is further made to 21st century worship pedagogy through studies in contemporary improvisation, contextualization, leadership principles and cultural analysis.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Demonstrate technical fluency, expressiveness, and professionalism in musical performance.
2. Demonstrate broad-based knowledge of musical style, music literature, and music theory.
3. Critically evaluate music and music research materials.
5. Evaluate the role of music and worship in history, culture, and the marketplace.
STUDIES IN MUSIC EDUCATION

PURPOSE
Liberty University has long been an advocate for the inclusion of the arts in elementary and secondary education. Our concentrations in music education demonstrate this commitment by providing praxis education experience at all levels of training in music theory, music technology, improvisational technique, arranging, vocal and instrumental pedagogy, and practice teaching. Additional attention is given to directed studies in Music History, Music in World Cultures (Ethnomusicology) and developmental psychology.

The Bachelor of Music with concentrations in Music Education is intended for the student who plans to teach music in Christian, public, or private schools and who seeks licensure as a qualified music teacher by a state department of education. It is also appropriate for the student whose eventual goal is college teaching in fields related to music education. The program is designed to develop competent music professionals with a Christian worldview and skill to work in the educational domain.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate technical fluency, expressiveness, and professionalism in musical performance.
2. Demonstrate broad-based knowledge of musical style, music literature, and music theory.
3. Critically evaluate music and music research materials.
5. Demonstrate advanced performance skills in appropriate performance media.

VIRGINIA MUSIC TEACHER LICENSURE
Teacher preparation and endorsement in choral or instrumental music is available through the School of Music, Department of Music Education and Applied Music Studies, and in cooperation with the School of Education. The teacher licensure in music education programs are approved by the Council for the Accreditation of Education Preparation (CAEP), formerly known as the National Council for Accreditation of Teacher Education (NCATE). Licensure information is also available at www.liberty.edu/uguide or www.liberty.edu/SOM.

The following options are available for Teacher Licensure Endorsement (PreK-12) in the Bachelor of Music degree:
- Instrumental Music concentration in Music Education
- Choral Music concentration in Music Education

A student not seeking teacher licensure may elect other courses to fulfill degree requirements. Graduates who are licensed in Virginia may obtain licensure in other states through reciprocity.

### Additional Requirements for Major
- Approved General Education courses may be counted in Core Competency Requirements

- **Music Minors**

The 17-19 credit hour minor option is offered to students wishing to augment their educational experiences with a general study in music. As with the music major, those pursuing the music minor select a primary area for study, vocal or instrumental. Students pursuing the music minor may participate in School of Music ensembles, applied music and select music methods classes.

The School of Music administration and faculty leadership strongly encourage students not majoring in music to pursue the music minor. As with all music curricula experience, this encounter in music helps formalize training in the humanities and broaden the student’s experience in music performance.

The minor curriculum does not require a senior recital, music internship or student teaching. However, all students pursuing music minors are required to register attendance at a total of 24 approved concerts and/or recitals before graduation.

CSTU 101 or MUSC 103 must be completed for General Education. Directed studies in MUSC 200 – Music, Art, Worship and Culture and MUSC 314 – Music in World Culture are strongly recommended.

Center for Music and Worship

PURPOSE

The purpose of the Center for Music and Worship is to train highly skilled musicians to serve as worship practitioners and industry specialists in the evangelical community. This is accomplished through curricula development, local church ministry, publishing and recording, artist development and empirical research.

The purpose of the Department of Music and Worship Studies is to serve the Center as an academic, training agency solely committed to the mission of equipping worship leaders and church practitioners for ministry in evangelical traditions. The Department of Music and Worship Studies is a division of the Liberty University Center for Worship that specifically provides a platform for developing curricula, teaching and interacting opportunity with students. The Department is committed to meeting academic requirements critical to successful communication and examination of the growing worship disciplines.

IAACT and CAF Membership

The Department holds membership with the International Association of Artists in Christian Testimony (IAACT), a missions-sending agency based in Brentwood, Tennessee. This agency endorses young artists, music ministries, worship leaders, and support personnel for local, regional, and international artistic services. Key to their mission is partnerships with worship institutions and evangelical organizations committed to training worship personnel for full time church related ministry.

In the spring of 2006, Liberty University was granted approval to host a student chapter of Christian Artist Fellowship (CAF). This is a national organization that encourages training, mentoring, advancement, career placement, and research related to individual and group artists.

Department of Music and Worship Studies. The purpose of the Department of Music and Worship Studies is to serve the Center as an academic, training agency solely committed to the mission of equipping worship leaders and church practitioners for ministry in evangelical traditions. The Department of Music and Worship Studies is a division of the Liberty University Center for Worship that specifically provides a platform for developing curricula, teaching and interacting opportunity with students. The Department is committed to meeting academic requirements critical to successful communication and examination of the growing worship disciplines.

Department of Multi-Ethnic Music Studies. The purpose of the Department of Multi-Ethnic Music Studies is to uniquely equip students to work in a diverse global, ethnic and multi-cultural society by using the medium of music as a tool for communicating the gospel of Jesus Christ. The various programs in the department fit well with the institution’s emphasis on intercultural studies and its stated aim to “contribute to a knowledge and understanding of other cultures.”

Department of Applied Music Studies. The Department of Applied Music Studies serves the Center for Music and Worship by providing training and supervision of the performance and applied music studies in the Bachelor of Music in Music and World Cultures and the Bachelor of Science in Music and Worship. Faculties serving in this department touch and influence the lives of every person doing some type of undergraduate major in the Center for Music and Worship.

Programs of Study

Programs offered by the Department of Music and Worship Studies prepare students to meet the dynamic music and ministry challenges unique to the 21st century evangelical community.

There has been significant growth in the numbers of students seeking to further their training in worship studies. Undergraduate students, preparing for one or more of the multiple roles of worship leadership, have found an abundance of job opportunities in local churches and para-church ministries in the evangelical community.

Music and Worship degree programs also prepare students to pursue graduate studies in worship at any seminary or graduate school, including the Master of Arts in Ethnomusicology, Master of Arts in Music and Worship or Master of Arts in Worship Studies offered through Liberty University School of Music.

To meet the challenges articulated above, the Department of Music and Worship Studies has designed an innovative, highly functional, practical and market-driven degree. The Bachelor of Science in Music and Worship Studies is divided into seven disciplines, including: Music Theory (14 hours); Worship Studies (12 hours); Directed Studies (6 hours); Practical Internships (5 hours); Applied Music (14 hours); Ensemble (6 hours); and the choice of a concentration or cognate based on market demand.

Students select one area of concentration/cognate from the following: Cinematic Arts; Pastoral Leadership; Worship Technology; Youth Ministry; Biblical Studies, Business, Theatre Ministries; Women’s Ministries.

Career Opportunities

Today’s local churches need both music ministers and worship leaders to take charge of a multi-faceted, changing ministry. These ministries no longer require personnel exclusively equipped as musicians. Rather, they require professionals who have broad experience in worship teaching, worship training, team management and discipleship, worship evangelism, principles of marketing technology, drama and music.
Pastors seek to meet the challenge of ministry to increasingly more diverse congregations with theological integrity practical to broad ranging needs. They look for worship leaders who capture their vision and seize the opportunity to minister worship with excellence and creativity.

**Music and Worship Major (B.S.)**

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Build a personal philosophy of worship based on theological principles.
2. Develop worship strategies based on an evaluation of various ministry contexts.
3. Evaluate various scenarios within the diverse evangelical community and make application to the worship leader's roles.
4. Demonstrate professional-level musicianship in the primary applied performance concentration.

**Cinematic Arts Concentration**

The student will be able to create cinematic art to be used within the presentation of worship.

**Pastoral Leadership Concentration**

The student will be able to evaluate and demonstrate the skills necessary for Pastoral Ministry.

**Worship Technology Concentration**

The student will be able to evaluate and demonstrate the skill necessary for using radio, television, video, IMAG or other computer technology in the presentation of worship.

**Youth Ministry Concentration**

The student will be able to evaluate and demonstrate the skills necessary for engaging and educating adolescents within their culture with a biblical worldview.

#### DEPARTMENT OF MULTI-ETHNIC MUSIC STUDIES

Katherine Morehouse, B.A., M.A., Ph.D.  
Chair, Department of Multi-Ethnic Music Studies  
Associate Professor of Ethnomusicology

**Music in World Cultures Major (B.M.)**

**PURPOSE**  
Liberty University is pleased to offer the B.M. in Music and World Culture for the purpose of equipping musicians in various global and ethnic settings. Over the last 20 years, studies in world music and ethnomusicology have become a growing part of the education process in many college and university music programs. Our goal is to prepare students in; ethnic music making; bi-cultural teacher/performance; world music pedagogy; and, continued graduate studies in ethnomusicology.

**PROGRAM LEARNING OUTCOMES**  
The student will be able to:

1. Demonstrate a broad-based knowledge of musical style, discipline of music.
2. Critically evaluate music and music research materials.
4. Apply principles of ethnomusicology through practical experience and research.

Faculty
All faculty are listed at the end of this catalog in the Faculty Roster. There are separate rosters for Full-Time and Part-Time faculty. The entire roster can also be viewed online at http://www.liberty.edu/index.cfm?action=faculty&PID=19959&Ca tID=22 where faculty can be searched for by Department.

PURPOSE
The purpose of the Liberty University School of Nursing is to prepare baccalaureate level nurses who are committed to Christian ethical standards and view nursing as a ministry of caring based on the Benner theoretical framework. The nursing curriculum is built upon a foundation from the arts, sciences, and the Bible, and focuses on the use of the nursing process to guide the acquisition of nursing knowledge, build strong clinical skills, and develop the foundation necessary for a sound work ethic.

Nursing Major (B.S.N.)

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. View nursing as a ministry of demonstrating Christ’s love to hurting people of all religions, creeds, and cultures.
2. Provide and coordinate nursing care for individuals, families and groups within the community.
3. Utilize critical thinking/problem solving skills/evidenced base practice in determining nursing interventions and applying therapeutic skills.
4. Demonstrate leadership skills in collaboration with clients, other professionals and groups within the community for the purpose of promoting, maintaining, and restoring health.
5. Apply a personal and professional Christian value system, based on biblical principles, to ethical issues related to the practice of professional nursing.
6. Value the need for ongoing personal and professional development through both formal and informal learning experiences.
7. Foster professional level competencies in writing and communication and computer literacy.

ACCREDITATION AND LICENSURE
The Bachelor of Science in Nursing degree at Liberty University is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC, 20036, 202-887-6791.

APPLICATION TO THE SCHOOL OF NURSING
A prospective student applies for candidacy to the nursing major during the second semester of the freshman year. Applicants are considered for candidacy to the nursing major following enrollment in CHEM 107, BIOL 213/214, 215/216, NURS 101, 105 and NURS 215. Students must complete BIOL 213/214, 215/216, CHEM 107, NURS 101, 105 and 215 with grades of “C” or better, (grades of “A” or “B” in science course are preferred) and have a minimum cumulative GPA of 3.00. A personal interview with a nursing faculty member may also be required. The faculty reserves the right to refuse admission into the program. Acceptance by Liberty University does not guarantee acceptance into the nursing major.

Retention and Progression
Policies related to retention and progression are outlined in the annual Liberty University Nursing Student Handbook.

Clinical Prerequisites
Each student must secure uniforms, name pin, stethoscope, liability insurance, immunizations, background check, and current CPR certification prior to the first clinical experience.

Transportation
Nursing students are responsible for transportation to and from clinical settings. Car pools are encouraged as a means of defraying transportation costs for the individual student.

Physical Examination
A physical examination including a TB test, Rubella Titer, documentation of Hepatitis B vaccinations, and all childhood immunizations is required prior to the first day of class.

Accelerated Program
An accelerated summer program is available for students who have already completed one to two years of college work before deciding to enter the nursing major. Students who meet the admission criteria can finish the nursing requirements in two years.

Certificate Programs
Senior level students have an opportunity to specialize in a specific field of nursing by participating in one of two certificate programs:
• Critical Care Nursing (Adult and Maternal/Child tracks)
• Cross Cultural Nursing
Selected students complete extra classes and clinical
experiences so that they are able to enter the workplace with a broader knowledge base and more highly developed clinical skills than other new graduates.

**Advanced Placement**

Registered nurses and licensed practical nurses may obtain advanced placement by applying to the RN track of the program. A registered nurse student is a nurse who:

1. Has graduated from an accredited program leading to an associate’s degree or a hospital diploma;
2. Had three months of nursing practice as a registered nurse within the past five years or completion of a refresher course before the senior year; and
3. Has been admitted to Liberty University.

**Pastoral Leadership Major (B.S.)**

The B.S. in Pastoral Leadership provides thorough preparation in the exposition of biblical Scriptures and processing of leadership dynamics. The B.S. in Pastoral Leadership prepares the student to excel in ministry aptitude beyond some entry level seminary students.
PURPOSE
The B.S. in Pastoral Leadership is designed to provide a thorough, biblically-based approach to practical ministry leadership. This program emphasizes sound doctrine and the ability to exposit biblical Scriptures from an accurate, conservative, evangelical hermeneutic principle. Building upon the said foundation, the program also focuses on an effective homiletic presentation. Lastly, this program is designed to equip the student with leadership skills that parallel higher levels of leadership study.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Evaluate and demonstrate the skills necessary for Pastoral ministry.
2. Plan, organize, and develop Christian ministries.
4. Apply the principles of biblical interpretation.

Program of Study

Youth Ministries Major (B.S.)

The BS in Youth Ministries degree is designed to equip students who desire training in Youth Ministries for the local church and in the broader context of para-church and nonprofit organizations. This degree will help the student gain the knowledge, values and skills needed for providing Youth Ministries in a church and para-church vocation. Additionally, partnership with other schools within Liberty University provides cognates for marketability, based on students’ future vocational goals (See cognates).

PURPOSE
The purpose of the BS in Youth Ministries degree is to equip students to demonstrate competence in engaging and educating adolescents within their culture from a biblical worldview. This program also equips students to demonstrate professional skills in planning, organizing, and developing Christian youth ministries.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Articulate/justify essential truths of Christianity.
2. Demonstrate competence in the use of sound principles in biblical interpretation.

Global Studies Major (B.S.)

Students majoring in Global Studies will be well-equipped for international engagement. They will learn the skills necessary to thrive, build relationships, and establish healthy careers in other cultures while developing an understanding of the particular dynamics that are associated with living and working abroad. To help accomplish this goal, the B.S. in Global Studies program requires students to either double-major or minor in another area.

PURPOSE

The B.S. in Global Studies seeks to provide students with a thorough foundation for effective engagement in intercultural careers and service. The program combines a comprehensive theory of global engagement with practical experience, culminating in a semester-long cultural immersion internship.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Demonstrate competency in cultural adaptation, research, and communication.
2. Employ critical thinking skills in addressing current issues in global engagement.
3. Analyze essential principles of effective global engagement.

Department of Biblical & Theological Studies

Mark Allen, B.A., Th.M., D.Min., Ph.D.
Chair, Department of Biblical & Theological Studies
Associate Professor of Religion

Richard Alan Fuhr, B.S., M.A., M.Div., Th.M., Ph.D.
Director of Biblical Studies
Associate Professor of Religion

PURPOSE

The Department of Biblical and Theological Studies aims to provide a thorough, biblically-based, cognitive, and spiritual foundation for students who desire to pursue further academic training at the graduate level or who want to be better prepared for Christian life and service. In the current academic climate, there is a need for individuals who are educated and equipped to speak to foundational doctrinal issues for both academic professionals and lay people from an orthodox, biblically-informed evangelical position. These programs will lay the foundation for students who have an interest in further pursuing development in this area.

- Archaeologist
- Author
- Biblical Translator
- Christian Educator
- Historical Tour Guide
- Research Assistant

Biblical Studies Major (B.A.)

The B.A. in Biblical Studies focuses on foundational studies prior to seminary or graduate programs. This program offers a thorough study of the books, themes, history, and development of the Christian Bible.

PURPOSE

The B.A. in Biblical Studies is a well-rounded degree that seeks to provide students with a foundation in Old Testament, New Testament, biblical languages, biblical backgrounds, hermeneutical methodology, while allowing these students to engage the culture relevantly with the truth of the Gospel of the Lord Jesus Christ.

PROGRAM LEARNING OUTCOMES

The student will be able to:
1. Biblically justify essential truths of evangelical Christianity.
2. Apply the principles of biblical interpretation.
3. Analyze the syntax of biblical Greek.

4. Analyze the background, theological motifs, literature, and content of the Bible.

Religious Studies Major (B.S.)

The B.S. in Religious Studies major will provide an undergraduate degree program for students who have a particular interest in pursuing further academic studies in the various religious studies disciplines. Concentrations are offered in Biblical Languages, Global Studies, Jewish Studies, New Testament, Old Testament, and Theology and Apologetics.

PURPOSE

The B.S. in Religious Studies seeks to provide the student with a general knowledge of the Bible, church history, apologetics, and hermeneutical methodology, while allowing these students to focus on one of six concentrations: Biblical Languages; Jewish Studies; Old Testament; New Testament; Theology and Apologetics; and Global Studies. This purpose is accomplished with a view to preparing students for their chosen vocation and to equipping them to engage the culture relevantly with the truth of the Gospel of the Lord Jesus Christ.
PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Biblically justify essential truths of evangelical Christianity.
2. Apply the principles of biblical interpretation.
3. Analyze the major figures, events, and issues within church history.
4. Distinguish between the major religions of the world.

Biblical Languages Concentration
The student will be able to analyze the syntax of biblical Greek and Hebrew.

Global Studies Concentration
The student will be able to analyze the essential principles and current issues of global engagement.

Jewish Studies Concentration
The student will be able to articulate the history of Israel, the biblical promises made to Israel, and the issues affecting the relationship between the church and Israel.

New Testament Concentration
The student will be able to analyze the background, theological motifs, literature, and content of the New Testament.

Old Testament Concentration
The student will be able to analyze the background, theological motifs, literature, and content of the Old Testament.

Theology and Apologetics Concentration
The student will be able to evaluate and defend the major doctrines of and challenges to Christianity.

### Religion Major (A.A.)

#### Purpose

The Associate of Arts Degree in Religion is designed to offer students foundational training in a broad range of areas. It allows students to gain a thorough knowledge of the Bible, theology, and practical ministry. It is ideal for students who serve as church laymen in various roles as well as those who desire to enhance their training gained from a previous undergraduate degree.

Graduates of this degree may transfer their courses into a bachelor’s degree program at Liberty if they desire to continue their undergraduate education.

#### Program Learning Outcomes

1. Articulate and biblically justify essential truths of evangelical Christianity.
2. Demonstrate competence in the use of sound principles of biblical interpretation.

Assistant Professor of Biblical Worldview

PURPOSE
The Center for Christian/Community Service guides the Academic and Experiential Learning programs in planning, developing and maintaining quality programs. It also seeks to maintain efficient and cost effective measures in the administration and delivery of its programs.

OBJECTIVES
The Center for Christian/Community Service seeks to support the University in fulfilling its Mission and Aims by providing experiences for students that:

1. Promotes the development of the biblical/Christian worldview.
2. Develops a sense of responsibility to mankind which entails selfless service, and active and clear communication of the Christian faith.
3. Offers opportunities to explore and practice ways to glorify God and advance the cause of Christ through his/her chosen careers.
4. Provides avenues to explore ways of displaying Christian commitment and virtue through local churches, or social, civic, athletic, artistic, or scholastic organizations compatible with the University’s mission.

Academic Program
(BWVW 101, 102, 301)

PURPOSE
The Academic program is designed to assist students in developing and demonstrating competency and proficiency in the biblical/Christian worldview. The curriculum is regularly reviewed for quality and for compliance with accreditation standards.

PROGRAM LEARNING OUTCOME
The student will be able to:

1. Articulate and apply the biblical/Christian worldview to contemporary issues.

Experiential Program (CSER)

PURPOSE
The Experiential Learning program is designed to assist students in developing and demonstrating competency and proficiency in Christian/Community service. The curriculum is regularly reviewed for quality and for compliance with accreditation standards. The program is designed to provide opportunities for the students to develop and practice skills in citizenship and social responsibility.

PROGRAM LEARNING OUTCOME
The student will be able to:

1. Demonstrate the value of Christian/Community service.
2. Give evidence of skills learned through Christian/Community service.

CHRISTIAN SERVICE (CSER) REQUIREMENT
Christian/Community Service is required for each semester of full-time enrollment for all residential undergraduate students whether they are taking residential or Liberty University Online courses. Undergraduate students are considered full-time if they are taking twelve (12) or more credit hours in a given semester.

To graduate from Liberty University, all full-time, residential undergraduate students must successfully complete one CSER requirement for each full-time semester that they are a student, up to eight (8) semesters.

A student’s first two CSER requirements are BWVW 101, Biblical Worldview I, and BWVW 102, Biblical Worldview II. They must then successfully complete at least one CSER for each full-time semester that they are enrolled, up to six (6) more semesters.

To receive CSER credit students may not:

• Receive monetary compensation
• Receive academic credit
• Be awarded a scholarship

A CSER must fit within the framework of the purpose and goals of the department, which may include any, or all, of the following:

• Evangelism
• Discipleship
• Tutoring/mentoring
• Civic and community services (this does not include political campaigning)
• Community improvement
• Alleviation of human suffering
• Assisting the underprivileged and less fortunate
• Education and development of children/adults
• Educational assistance
• Stewardship of the earth (environmental projects, care for animals, etc.)

The Liberty University Christian/Community Service Official Policy Handbook and a list of service opportunities are available online at http://www.liberty.edu/cser.
Willmington School of the Bible – Online Program

Graduate of Theology Certificate (Th.G.)

PURPOSE
The supreme goal and purpose of the Willmington School of the Bible is adequately and scripturally to prepare men and women of God in ministering God’s message of the first century to the world in the 21st century.

GOALS
The Willmington School of the Bible exists to train Christ-exalting leaders for local church ministry with the following emphases:
1. To train men and women for church leadership;
2. To assist in developing competencies for effectively communicating this teaching plan to others;
3. To equip learners to become role-models of the victorious Christian life; and
4. To assist in implementing a plan of action for fulfilling God’s call on one’s life.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Demonstrate a comprehension of the biblical foundation of the Christian faith.
2. Present a reasoned defense of the Christian faith.
3. Critique contemporary issues from the perspective of a biblical worldview.
4. Resolve ethical dilemmas through the application of relevant biblical principles.
5. Communicate effectively in a ministry setting.

EVALUATION OF TRANSFER CREDIT
Students may transfer all semester hours earned in the Willmington School of the Bible Th.G. Diploma to Liberty’s undergraduate degree program in Religion or Biblical Studies.

Courses of Instruction – Certificate Program

APOLGETICS

APOL 120 Apologetics 3 hours
A survey of the evidences for the central truths of Christianity: the existence of God, the deity and resurrection of Christ, and the authority and truth of the Bible.

BIBLICAL STUDIES

BIBL 150 Genesis 3 hours
An intensive doctrinal and historical study of the text considering the related issues of chronology, creation, the fall, the flood, and the Patriarchal cultural setting. The lives of Abraham, Isaac, Jacob and Joseph are given special attention for their practical value.

BIBL 160 Gospel of John 3 hours
A thorough investigation of the fourth Gospel, highlighting the person and work of Jesus Christ, God’s own Son. Differences between this Gospel and the Synoptics will be considered.

BIBL 161 Romans 3 hours
A thorough consideration of Paul’s theological masterpiece which forms a foundation for understanding the remaining epistles. Various doctrines that appear in this book will also be examined.

BIBL 162 Revelation 3 hours
A comprehensive study of the Revelation. Particular emphasis is given to understanding the correct method of interpreting the book. The verse-by-verse study will be supplemented with historical, doctrinal, and eschatological materials.

BIBL 163 Hebrews 3 hours
An intensive exegetical study of Hebrews. The course includes an investigation of the doctrines of Christ, especially His mediatorialship and priesthood and the use of the Old Testament in this book. A verse-by-verse exposition will follow a brief study of authorship, background, destination and purpose.

BIBL 165 Acts 3 hours
A study of the growth and development of the first century church as recorded by the accurate historian, Luke. Special attention will be given to the activity of the Holy Spirit in the ministries of Peter and Paul.

CHURCH HISTORY

CHHI 105 Church History I 3 hours
A survey of the first fourteen centuries of the Christian Church including the persecutions, the rise of heresy, the development of Roman Catholicism during the Middle Ages, and the groups which dissented against Roman Catholicism.

CHHI 110 Church History II 3 hours
A study of historical Christianity from the fifteenth century to the present. Includes the major personalities, events, and results of the Protestant Reformation, the rise of modern denominationalism, modern Roman Catholicism, the ecumenical movement and current developments. Special attention is given to the development of American Christianity.
GENERAL BIBLICAL STUDIES

GBST 103  *Survey of the Old Testament I*  3 hours
A comprehensive survey of the Old Testament Pentateuch.

GBST 104  *Survey of the Old Testament II*  3 hours
A comprehensive survey of the Old Testament historical and wisdom literature.

GBST 105  *Survey of the Old Testament III*  3 hours
A comprehensive survey of the Old Testament prophetic books.

GBST 163  *Survey of the New Testament I*  3 hours

GBST 164  *Survey of the New Testament II*  3 hours

GBST 165  *Survey of the New Testament III*  3 hours
A comprehensive survey of the New Testament books of Colossians through Revelation.

PRACTICAL THEOLOGY

PRTH 140  *Church Administration*  3 hours
This course combines pastoral theology and “how to” principles in all the work of Christian ministry including the administration of local church business affairs and other operations. Church planting recommendations are included.

PRTH 141  *Pastoral Theology*  3 hours
A practical study of church ministry with emphasis given to its biblical foundation, philosophy of ministry, and the various areas of pastoral ministry.

PRTH 172  *Hermeneutics I*  3 hours
A study of the historical background, rules, principles, and methods of sound biblical interpretation. Course includes a review of English grammar.

PRTH 173  *Hermeneutics II*  3 hours
Prerequisite: PRTH 172
A continuation of PRTH 172, with emphasis on practical application of hermeneutical principles and methods. Practical application includes writing a personal commentary on a selected book of the Bible.

THEOLOGY

THEO 107  *Theological Survey I*  3 hours
This is the first of three courses in a general survey of Bible doctrine designed to introduce the student to the major areas of systematic theology. Doctrines included in this course are Revelation, Theology Proper, the Trinity, the Plan and Providence of God (including the problem of evil), and Angels (including Satan and Demons). The theology survey is continued in THEO 108.

THEO 108  *Theological Survey II*  3 hours
This is the second of three courses in a general survey of Bible doctrine designed to synthesize and outline the following major areas of systematic theology: Man, Sin, Christ, and the Atonement.

THEO 109  *Theological Survey III*  3 hours
This course is a continuation of the doctrinal studies begun in Theological Survey 107 and 108. Doctrines included in this course are the Holy Spirit, Salvation, the Church, and Prophecy/Last Things.

PURPOSE
The English Language Institute (ELI) offers an intense four-level Academic English Program (AEP) for students with limited English language proficiency to prepare them for both undergraduate and graduate academic work at English-speaking academic institutions. Students may enter the AEP in the Fall, Spring or Summer term. In level IV of the AEP (during the Fall and Spring terms), students have the option to begin undergraduate coursework alongside their AEP classes. Students completing level IV of the AEP are not required to submit a TOEFL score for acceptance into Liberty University’s undergraduate program. Students entering Liberty University’s graduate programs are still required to submit the minimum TOEFL score for acceptance.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Produce grammatical, comprehensible English in spoken and written form.
2. Demonstrate reading and listening proficiency in both academic and everyday contexts.
3. Demonstrate the ability to think linearly for the purpose of interpreting and producing information through Western rhetorical patterns.

This course engages high beginner students in basic English grammar concepts and skills to be applied in writing, as well as in speaking, listening, and reading. Students learn to use the basic English sentence structure and its derivations for effective communication. Students focus on the English verb: its role in the sentence and its forms.

This course provides high beginner students with practice of and guidance in the writing principles addressed in ELIL 051. Students will gain extensive practice in writing a variety of English sentences and in crafting simple compositions.

This course provides high intermediate students with practice of and guidance in the writing principles addressed in ELIL 054. Students will polish their essay-writing skills. It also addresses the concept of plagiarism and means to avoid it.

A course in which students use the extensive reading approach to language learning. Course will include background theory of the method, reading strategies, and vocabulary development, as well as bridges between reading and other language skills.

A course for Intermediate to High Intermediate students continues to build academic reading skills through an extensive number of readings about a central theme. The theme may change from semester to semester and includes: American History, American Culture, Current Events, etc.

In this course, high-intermediate readers develop academic reading skills and vocabulary. Reading passages are read across academic disciplines.

ACCT 212 Principles of Accounting II 3 hours
Prerequisite: ACCT 211
A study of the fundamentals of accounting with a financial accounting emphasis on the corporate form of business including such topics as bonds, capital stock, retained earnings, statement of cash flows and financial statement analysis; and a managerial accounting perspective including topics related to global business, cost accounting measurement systems, cost-volume-profit analysis, managerial decision-making concepts, operational budgeting, standard cost systems and capital budgeting.

ACCT 299 Internship 0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Directed applicable work experience under supervision of the Director of Business Internships and an accounting or business professional at the place of employment. Application processed through the Career Center. Must apply semester prior to internship.

ACCT 301 Intermediate Accounting I 3 hours
(Offered fall semester)
Prerequisite: ACCT 212
This is an intensive course in accounting theory and practice. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based. Alternatives to current practice are also introduced.

ACCT 302 Intermediate Accounting II 3 hours
(Offered spring semester)
Prerequisite: ACCT 301
This is an intensive course in accounting theory and practice dealing with liabilities, stockholders equity, and financial reporting issues. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based.

ACCT 311 Cost Accounting I 3 hours
(Offered fall semester)
Prerequisite: ACCT 212
A study of the principles and procedures used in the collection, recording and reporting of costs. Balance Sheet inventory valuation and the related Income Statement cost of goods sold valuation, determined using both job order costing and process costing, are emphasized. Activity-based costing is covered in depth. Traditional cost accounting is the main content of this course.

ACCT 332 Accounting Information Systems 3 hours
Prerequisite: ACCT 301
This course provides a basic knowledge of how accounting information systems function in today’s business environment. It emphasizes the internal control feature necessary to produce accurate and reliable accounting data as it looks at how accounting information is recorded, summarized and reported in both manual and computerized systems. The following topics are covered in this course: systems concepts, tools, development processes, analysis; design; implementation and operation; computer software and configurations; data storage and processing methods; file processing; implementing data base management systems; internal control; information system control; data security and integrity; accounting transaction cycles; revenue cycle applications; and expenditure cycle applications.

ACCT 340 Accounting Ethics 3 hours
Prerequisite: ACCT 212
This course provides an analysis of ethical standards in the accounting profession. Major ethics paradigms are examined and contrasted with a Christian worldview of ethics. The course includes an in-depth examination of the AICPA Code of Professional Conduct and other ethical standards in the accounting profession. The course also presents an ethical decision-making model for the accounting profession.

ACCT 370 Financial Statement Analysis 3 hours
Prerequisite: BUSI 320
This course examines the fundamental techniques of financial statement analysis and their application to strategic planning and decision-making. The course covers the analysis and interpretation of financial information including the balance sheet, income statement, and statement of cash flows.

ACCT 401 Taxation I 3 hours
(Offered fall semester)
Prerequisite: ACCT 212
A study of the legal and accounting aspects of federal taxation with an emphasis on individuals and unincorporated businesses.

ACCT 402 Advanced Accounting 3 hours
(Offered fall semester)
Prerequisite: ACCT 302
This is an intensive course in accounting theory and practice regarding partnerships, business combinations and consolidated financial statements. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based. Alternatives to current practice are also discussed.

ACCT 403 Governmental and Not-for-Profit Accounting 3 hours
(Offered spring semester)
Prerequisite: ACCT 402
Problems, concepts and reporting formats related to accounting for governmental and not-for-profit entities.

ACCT 404 Auditing 3 hours
(Offered fall semester)
Prerequisite: ACCT 302
A study of auditing standards and related auditing procedures. Topics include: evaluation of internal control and preparation of the audit program; examination of financial statements and preparation of working papers; and auditors’ reports and opinions.

ACCT 412 Taxation II 3 hours
(Offered spring semester)
Prerequisite: ACCT 401
The second course in a two-course sequence dealing with corporate income taxes, taxes on corporate distributions, other corporate tax levies; partnership information, operation and special issues; “S” corporations, gift and estate taxes; the income taxation of trusts and estates; and IRS administrative procedures.
ACCT 432  
**IT Audit** 3 hours  
Prerequisites: ACCT 332, 404  
This course provides the theory and application of auditing through the use of information systems. Topics include: authoritative information technology control frameworks; computer security; continuous auditing; and audit approaches to new and emerging technologies.

ACCT 441  
**Capstone: Accounting – Ethics, Theory, and Practice** 3 hours  
Prerequisite: ACCT 404  
The capstone course integrates accounting ethics, theory, practice, and research. In this course, students examine ethical issues in relation to accounting ethics rules and regulations, ethical theories, and from the perspective of a Christian worldview. In addition, students evaluate contemporary financial reporting issues in light of existing and proposed accounting standards and the conceptual framework. This course has a major research and group component.

ACCT 495  
**Directed Research** 1 to 3 hours  
Prerequisite: Written permission of department chair and consent of instructor  
Topics will vary and are offered on demand. Course may be repeated for credit, when topics differ.

ACCT 497  
**Special Topics in Accounting** 1 to 3 hours  
Prerequisites: Junior or Senior status; required GPA.  
Directed applicable work experience under supervision of the Director of Business Internships and an accounting or business professional at the place of employment. Application procedures processed through the Accounting Department Faculty Internship Advisor (FIA). Must apply semester prior to completing internship.

AIRS A  
**Leadership Laboratory** No Credit  
Prerequisite: Enrollment in Air Force ROTC  
A laboratory in leadership and followership development which stresses the application of leadership principles and the understanding of a leader’s responsibilities. Emphasizes the benefits of practical experience.

AIRS 110  
**The Foundations of the United States Air Force I** 1 hour  
A two-semester survey course which provides an introduction to the United States Air Force and Air Force Reserve Officers’ Training Corps. Topics include: mission and organization of the Air Force; officer and professionalism; military customs and courtesies; Air Force officer opportunities; and an introduction to communication skills. The Leadership Laboratory (AIRS A) is mandatory each semester for AFROTC cadets and complements this course by providing followership experiences.

AIRS 120  
**The Foundations of the United States Air Force II** 1 hour  
A continuation of AIRS 110

AIRS 210  
**The Evolution of Air and Space Power I** 1 hour  
Examines general aspects of air and space power through a historical perspective. Covers a time period from the first balloons and dirigibles to the use of Unmanned Aerial Vehicles in today’s technologically advanced Air Force. Historical examples serve to extrapolate the development of Air Force capabilities (competencies) and missions (functions) to demonstrate the evolution of what has become today’s USAF air and space power. Also examines several fundamental truths associated with war in the third dimension; e.g., Principles of War and Tenets of Air and Space Power. Provides a knowledge-level understanding for the general element and employment of air and space power from an institutional, doctrinal, and historical perspective. Continues a discussion of the importance of the Air Force Core Values through use of operational examples and historical Air Force leaders and develops cadets’ communication skills. The Leadership Laboratory (AIRS A) is mandatory each semester for AFROTC cadets and complements this course by providing followership experiences.

AIRS 220  
**The Evolution of Air and Space Power II** 1 hour  
A continuation of AIRS 210.

AIRS 310  
**Concepts of Air Force Leadership and Management I** 3 hours  
Prerequisites: Junior or Senior status; required GPA.  
Focused on the study of leadership, management fundamentals, professional knowledge, Air Force personnel and evaluation systems, leadership ethics, and communication skills required of an Air Force junior officer. Case studies are used to examine Air Force leadership and management situations as a means of demonstrating and exercising practical application of the concepts being studied. The Leadership Laboratory (AIRS A) is mandatory each semester for AFROTC cadets and complements this course by providing advanced leadership experiences in officer-type activities, giving students the opportunity to apply the leadership and management principles presented in this course.

AIRS 320  
**Concepts of Air Force Leadership and Management II** 3 hours  
A continuation of AIRS 310

AIRS 410  
**National Security Affairs I** 3 hours  
Examines the national security process, regional studies, advanced leadership ethics, and Air Force doctrine. Topics include the military as a profession, officer ethics, military justice, military control of the military, preparation for active duty, and current issues affecting military professionalism. Emphasizes refining communication skills. AIRS A (Leadership Laboratory) is mandatory for AFROTC cadets and complements this course by giving students an opportunity to apply the leadership and management principles presented in this course.

AIRS 420  
**National Security Affairs II** 3 hours  
A continuation of AIRS 410.

ADVENTURE LEADERSHIP AND OUTDOOR MINISTRY

ALOM 310  
**Adventure Leadership Foundations** 3 hours  
Prerequisites: CHMN 201  
This course will provide the basis for adventure leadership and outdoor ministry and will allow students to think outside the realm of traditional ministry and how effective ministry can be when taken outdoors. Students will be provided with a comprehensive examination of the biblical foundations for outdoor ministry and how those principles can be applied today whether in local church or parachurch ministry. Students will be introduced to a variety of outdoor ministries, their history, leadership, and how they are being effectively utilized today.

ALOM 320  
**Adventure Leadership Programming** 3 hours  
Prerequisites: ALOM 310  
This course will provide students the knowledge to effectively develop programs related to adventure leadership and outdoor ministry and then apply these programs within a local church, parachurch, or camping ministry. Students will draw upon previously learned information as it relates to adventure leadership and outdoor ministry goals and philosophy and apply it to this class and their required assignments.

ALOM 360  
**Camping Ministry** 3 hours  
Prerequisites: ALOM 310, 320  
This course will investigate specific elements and issues that are building blocks for camping ministry. Such elements and issues will include starting a camp, programming, recreation, staffing, budgeting, legal issues, promotional methods, camp counseling, camping options and management principles will be
addressed. The course will include a full day of on-site training in order to get a hands-on look and feel of the significant ministry of camping.

ALOM 370/ Managing the Christian Youth 3 hours

YOJT 370 Organization

Prerequisites: ALOM 310, 320

This course will take a comprehensive examination of critical areas for the individual who gives or is considering leadership in a Christian youth organization. An exposition of biblical passages supporting the establishment and function of Christian youth organizations and their supportive relationship to the local church will be presented. After which, pragmatic applications to effectively direct/ manage a Christian youth organization will be examined.

ALOM 499 Internship/Practicum 3-6 hours

Prerequisites: Junior status, 21 hours in the major, including CHMN 447 and ALOM 320

This internship will focus on both the programming and leadership aspects of youth ministry. It will be a supervised field experience at an approved site. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

APOLOGETICS

APOL 325 Christianity and the Cults 3 hours

This course examines the history and beliefs of those systems that claim to be Christian yet deny fundamental Christian doctrines such as the sole sufficiency of the Bible, the Trinity, the deity of Christ, salvation by faith in Christ alone without works, the eternal punishment of the wicked, and other pertinent doctrines. Groups discussed include Jehovah’s Witnesses, Mormonism, Seventh-day Adventism, Christian Science and others.

STUDIO AND DIGITAL ARTS

ARTS 105 Art Appreciation 3 hours

The development of a satisfying discourse between the student and the work of art, employing a selective survey of major achievements and movements in the visual art of western civilization.

ARTS 113/ Introduction to 2D Design 3 hours

FACS 113

An introduction to visual thinking as well as the elements and principles of design. Concentration on the elements of design through production of artwork using a variety of materials and methods. Emphasis placed on understanding the elements and principles of design and how they integrate to form fully realized works of art. Students will explore composition and selection of subject matter.

ARTS 114 Introduction to 3D Design 3 hours

A fundamental course with an emphasis on means of construction, analysis of materials and structural examinations that support conceptual development of 3 dimensional art. Emphasis placed on characterizing the elements and principles of design and how they each integrate to form fully realized works of 3D art. Students will develop projects using a variety of materials and methods.

ARTS 201 History of Art I 3 hours

This course is a chronological survey of Western art and architecture from Prehistoric times to the 15th century, with the goal of analyzing works of art from a Christian worldview. Emphasis is placed on vocabulary development with special emphasis on methods of critical analysis of works of art. Students are responsible for maintenance of portfolio assignments. This portfolio will be used for class discussion periodically and turned in at the end of the semester.

ARTS 202 History of Art II 3 hours

This course presents a chronological survey of Western art and architecture from the 15th century to the Post Modern Era, with the goal of analyzing works of art from a Christian worldview. Emphasis is placed on vocabulary development with special emphasis on methods of critical analysis of works of art. Students are responsible for maintenance of portfolio assignments. This portfolio will be used for class discussion periodically and turned in at the end of the semester.

ARTS 203 Baroque Art 3 hours

This course presents a general survey of the Baroque period (c. 1600-1750), which was characterized by political and religious upheavals as well as by aesthetic innovations. We shall examine the development of art and architecture in Italy, Spain, France, and the Lowlands, centering upon the works of seminal artists including Caravaggio, Bernini, Borromini, Velazquez, Poussin, Rembrandt, Rubens, and Van Dyck. Accordingly, we shall investigate how the art of the period reflects the Christian worldview as it took shape in the wake of the Reformation and Counter Reformation.

ARTS 204 Medieval Art 3 hours

This course will survey the range of Medieval Art and Architecture from the fall of Rome to the 15th century in the west, placing an emphasis on the development of painting, mosaic, and manuscript illumination, as well as upon the development of the Romanesque and Gothic architectural styles. The arts of this vast period will be analyzed from within the Christian worldview with particular attention to Christian iconography.

ARTS 205 20th-21st Century Art 3 hours

This course presents a comprehensive study of the varied art forms from the beginning of the 20th century to the present, focusing upon the major artists and art movements, including Fauvism, Cubism, Futurism, Dada, Surrealism, Abstract Expressionism, Pop Art, and Postmodernism. The course will entail an examination of how art is disseminated, understood, and at times, misunderstood. Students will read, write about, and discuss essays, criticism, and interviews covering a wide range of media, and visit artists'/ studios and exhibition venues. Two analytical papers—based upon studies of the visual images focusing on the agency of the image, the social practices and effects of its viewing and the specificity of views taken by various audiences are required.

ARTS 206 Arts of East Asia 3 hours

This course is an introduction to the arts of China, Japan, Korea and the Pacific rim, focusing on the religious and political influences, as well as the evolution of landscape and figure painting traditions. This course considers objects in their context (from the archaeological sites from which they were unearthed to the material culture that surrounded them) to reconstruct the functions and the meanings of objects, and to better understand cultures through the objects they produced.

ARTS 207 The Arts of Latin America 3 hours

This introductory course provides a critical survey of Latin America art from Spanish military conquest of the New World to the development of conceptual art (1521 to ca. 1980). We will learn to observe and describe different kinds of artifacts, made in a broad array of media (painting, sculpture, urban form, photography, engraving, and drawing, among others) to explicate the social context in which they were produced and circulated. By taking into account their constant dialogue with European ideas and models, we will analyze how colonial encounters, national formations, and cultural exchange took place in the region, and how identity, ethnicity, politics, and the sacred have been depicted in different historical moments.
ARTS 208  Italian and Northern Renaissance  3 hours
This course concentrates on the origins of the Renaissance in both Italy and in the North as seen in the painting and sculpture of the early fifteenth century as to style and religious expression, examined in the context of philosophical influences, civic humanism, and contemporary politics. Attention will be given to the changing social status of the artist as manifested both in the theoretical writings and artists’ working methods.

ARTS 209  Arts as Communication  3 hours
(Visual Communications: Research, Analysis, and Discourse)
This course serves to cultivate an understanding of the language, aesthetics and cultural impacts of visual communication. The focus is on discourse that fosters the development of ideational, analytical and rhetorical writing skills necessary for demonstrating critical thinking in the analysis and critique process concerning visual images. Two analytical papers—based upon studies of the visual images focusing on the agency of the image, the social practices and effects of its viewing and the specificity of views taken by various audiences—and a literary research paper, sequentially developed, are required. (Formerly ARTS 300)

ARTS 211  Drawing I  3 hours
An introduction to basic drawing fundamentals including gesture line, contour line, positive and negative space, linear perspective, sight measurement techniques, modeling perspective, and composition. (Formerly ARTS 110)

ARTS 213  American Art and Architecture  3 hours
Focusing on painting and sculpture in the United States, this course offers a survey of American art from the colonial settlements to the early 20th century. The unique social, political and intellectual contexts of American art provide the basis for understanding the history and art of our own culture.

ARTS 214  Art, Culture, and Technology  3 hours
This course traces the development of technology starting with genius inventors such as Leonardo da Vinci up to the present, and shows how technology has changed cultures and the art that they produce. The student will learn to raise vital questions on how technology has influenced culture and come to well-reasoned conclusions as to why culture has changed as a result. Through Group Projects the student will learn to work effectively with others in unraveling the complex influences of particular technological advances on culture.

ARTS 215  Special Topic in Art History  3 hours
This course presents an opportunity to conduct an in-depth study of a selected topic in art history not included in the curriculum. The precise subject matter and parameters of this course will be supplied as appropriate by the professor.

ARTS 222  Introduction to Graphic Design  3 hours
An introduction to graphic design as a tool for visual communication. Graphic design skills and topics including a brief history of typography and printing; page layout design principles, the design process, page layout and image manipulation software, visual hierarchy, and critique will be explored in this course. Students will use the acquired skills to create basic graphic design materials for a variety of uses. (Formerly “Desktop Publishing”) (Formerly “Typography”)

ARTS 223  Introduction to Typography  3 hours
The course includes the study of type as a tool and a design element. Topics for discussion and exploration will include type identification, text and display usage, and actual letterform design. (Formerly “Typography”)

ARTS 224  Media Design  3 hours
Prerequisites: ARTS 222
In the Media Design Course, students examine new and traditional forms of media communications, design principles, concepts, and applications that will strengthen communication efforts with graphic design and advertising projects. Through lectures, readings, case studies, and hands-on assignments, students are introduced to the media campaign process, and the impact of new media technologies. Students will learn how to make sense of the dynamic field of media communications through a critical analysis of real-world campaigns serving as a foundation to build their own strategies.

ARTS 234  Jewelry I Introduction to Jewelry Making  3 hours
This course is an introduction to basic equipment, tools, and techniques used in the fabrication of jewelry as an art form. Students will learn basic jewelry techniques including, but not limited to, cutting, piercing, soldering, engraving, and stone setting.

ARTS 299  Internship  0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Application procedures processed through the Career Center. Must apply semester prior to internship.

ARTS 301  Introduction to Film Photography  3 hours
The purpose of this course is to provide the student with a basic knowledge of film photography. The student will learn how to operate a basic 35mm film camera, develop black and white film and print black and white photographs. Additionally, the student will learn about the basic properties of light, exposure, composition, depth of field and perspective. While learning the basics in B&W, most principles can later be applied to color and digital technologies. May be taken twice for credit. (Formerly “Basic Photography”).

ARTS 303  History of Graphic Design  3 hours
A study of graphic communication from cave walls to the printed page to online digital communication. Students will consider how the advent of new technologies changed the graphic form of our communication. Course lectures and presentations will be supplemented by/textbook readings. Students will be required to do topic related projects that will demonstrate their understanding.

ARTS 311  Drawing II  3 hours
Prerequisites: ARTS 211
Intermediate level study of drawing, including compound subjects primarily in pencil, but also potentially in other media as well. This course expresses technical aspects of drawing through developed descriptive imagery. May be taken twice for credit. (Formerly ARTS 310)

ARTS 312  Life Drawing  3 hours
Prerequisites: ARTS 113, 211, 311
An introduction to the methods and techniques used when drawing from life. This course explores the benefits of working from life. Moreover, this course demonstrates the value of the sketch as opposed to the time intensive efforts of studio work. May be taken twice for credit.

ARTS 321  Painting I  3 hours
Prerequisite: ART 211
This course is an introduction to direct painting. The use of paint is emphasized with an emphasis on the representation of the artistic image through form and color. May be taken twice for credit.

ARTS 330  Sculpture I  3 hours
Design and creation of three-dimensional sculptural objects in creative ways to solve specific assigned artistic and sculptural problems. Introduction to materials and tools used to create sculpture. Instruction will be given in design concepts, terminology, sculpture history, processes and techniques.

| This course explores a full range of current illustration/character design methods and techniques utilizing natural and digital media. May be taken twice for credit. (Formerly “Illustration/Cartooning”)

244 Liberty University Undergraduate Catalog – 2014-2015
ARTS 402  Sequential Art  3 hours  
Prerequisites: ARTS 113, 211, 311  
This course covers the development and fundamentals of sequential art in its many forms: comics, comic books, and introduces the graphic novel design. May be taken twice for credit.

ARTS 411  Advanced Drawing  3 hours  
Prerequisites: ARTS 113, 211, 311  
A studio for drawing with an emphasis on human anatomy, advanced drawing techniques, and observation. May be taken twice for credit.

ARTS 420  Painting II  3 hours  
Prerequisite: ARTS 321  
An introduction to painting systems, the use of oils in the modeling of tone and illumination and the use of acrylics in chromatic studies with the development of a personal individual creative style on the part of the student. May be taken twice for credit.

ARTS 424  Advanced Typography  3 hours  
Prerequisites: ARTS 223, 332, 342  
This is an advanced study of typography as a tool and a design element. This course will be comprised of special projects, which will build upon and expand the knowledge the student has acquired in previous classes. The emphasis of the course will be upon layout design as it applies to print and electronic media. In addition, the student will create a fully developed original typeface as a final project. May be taken twice for credit.

ARTS 430  Sculpture II  3 hours  
Prerequisite: ARTS 114, 330  
The creation of sculpture in a variety of media on a larger, more ambitious scale than Sculpture I and the exploration of more sophisticated sculptural techniques and processes.

ARTS 432  Wood Sculpture  3 hours  
Prerequisites: ARTS 114, 330  
An introduction to woodworking techniques. This course addresses processes of subtractive and additive methods of wood sculpture. May be taken twice for credit.

ARTS 433  Metal Sculpture  3 hours  
Prerequisites: ARTS 114, 330  
Metal sculpture is an introduction to current and emerging metal art technologies and processes as a medium in functional, skill-based 3D artwork.

ARTS 434  Advanced Jewelry  3 hours  
Prerequisites: ARTS 114, 234, 334  
The course investigates advanced materials, processes, and styles relating to the creative production of jewelry forms. May be taken twice for credit.

ARTS 461  Advanced Digital Photography  3 hours  
Prerequisite: ARTS 361  
The purpose of this course is to assist those serious about photography in building a comprehensive body of digital work. This course will provide the student with the knowledge and skills necessary to compete in the ever-changing field of digital visual communications. Professional trade secrets, shooting tips and lighting techniques will be discussed and the student will be able to integrate them into the making of their own photographs. May be taken twice for credit.

ARTS 469  Conceptual/Fine Art Photography and Portfolio  3 hours  
Prerequisites: ARTS 113, 301, 361, 461  
This is the final and capstone photography course offered in photography. This course will assist the student in discovering and developing their own personal photographic style from within a historical context of fine art photography. Various assignments will be given to aid the student in the self-discovery of their own photographic strengths and weaknesses. Extensive critiques by both peers and instructor will shape the student’s photographic vision. The student will develop an extensive and cohesive body of personal work that will be available for public display upon course completion. This course will directly prepare the student for using photography within any chosen career path. May be taken twice for credit.

ARTS 473  Introduction to 3D Graphics  3 hours  
Prerequisites: ARTS 222, 342  
An introduction to 2D and 3D design concepts and terminology. Practical experience in the design and evaluation of 2D/3D still and motion graphics. Students gain practical experience by storyboarding, designing, animating, and rendering 2D/3D graphic objects, and Animations. Training in industry standard 3D graphics programs guided by principles of design. May be taken twice for credit. (Formerly "2D/3D Graphics and Animation")

ARTS 474  Interactive Game Development  3 hours  
Prerequisites: ARTS 473  
The development of arcade, scrollers and strategy games. Familiarity with several typical game development tools that do not require programming and issues such as player controls, sounds, music, and basic animations will be covered. May be taken twice for credit.

ARTS 475  Ceramics I  3 hours  
Prerequisite: ARTS 334  
An introduction to basic ceramic construction techniques including slab, coil, and wheel throwing methods. Includes a study of glazing and firing techniques. May be taken twice for credit.

ARTS 476  Ceramics II  3 hours  
Prerequisites: ARTS 475  
Continued exploration of hand-building processes and wheel throwing techniques, as well as experimentation with glazes and surface decoration on creative ceramic works. May be taken twice for credit.

ARTS 477  Interactive Design I  3 hours  
Prerequisite: ARTS 222, 342  
Study of both visual media design concepts and site management for web development. Developing web applications in HTML and CSS to build websites for multiple platforms with emphasis on accessibility for all users. Practical experience in authoring web technology while developing standards to evaluate the presentation of information with these tools. Creating and developing for the web through the principles of graphic design, user experience, and user interface design. May be taken twice for credit. (Formerly ARTS 472)

ARTS 478  Interactive Design II  3 hours  
Prerequisites: ARTS 477  
Advanced theory and application of interactive design development technologies with focus on understanding emergent, and relevant web media. Creating interactive executions of varying degrees across different platforms. Understanding and developing campaigns built upon interactive principles of user experience and user interface. May be taken twice for credit.

ARTS 490  Arts and Crafts  3 hours  
Prerequisite for Graphic Design students: ARTS 222, 223, 332, 341, 351, 371  
Prerequisites for Studio Art students: ARTS 310, 321, 330, 361, 420, 430  
An introduction to a wide range of materials, techniques, and methods associated with arts and crafts (such as: ceramics, printmaking, papermaking, drawing, painting, sculpture, jewelry-making, and weaving), in preparation for teaching art to elementary, middle school, and high school students. May be taken twice for credit. (Formerly offered as ARTS 497)

ARTS 492  Professional Practices  3 hours  
Prerequisite for Graphic Design students: ARTS 222, 223, 332, 341, 351, 371  
Prerequisites for Studio Art students: ARTS 310, 321, 330, 361, 420, 430  
This course will provide the student with the knowledge and skills necessary to compete in the ever-changing field of digital visual communications. Professional trade secrets, shooting tips and lighting techniques will be discussed and the student will be able to integrate them into the making of their own photographs. May be taken twice for credit.
Professional Practices is a senior-level course to aid the student in their upcoming transfers from classroom to the professional world. Topics and issues related to professional practices for professional artist and designer designers are covered in this course. There is a strong focus on the production of a professional presentation of the student’s creative work for purpose of employment and business opportunities.

**ARTS 495 Directed Research** 1 to 3 hours  
As determined by instructor.

**ARTS 496 Workshop in Studio and Digital Arts** 1 to 3 hours  
As determined by instructor.

**ARTS 497 Special Topics in Studio and Digital Arts** 3 hours  
Topics of special interest not included in the regular department offerings. May be taken more than once, but no topic can be repeated.

**ARTS 499 Undergraduate Internship** 1 to 6 hours  
An internship is designed to allow upper level students to experience the professional world while they are still involved in their academic training. This provides them with both an understanding of the relationship of their academic preparation to their career aspirations and the demands that will be placed upon them in the professional world. (Formerly “Internship”)

This course is an overview of the profession of American Sign Language/English interpreting. Topics will include terminology, ethics, professional attire, processes, and current professional trends.

**ASLI 310 Deaf Studies** 3 hours  
Prerequisites: None  
This course will address the history and current trends within the American Deaf community. Topics will include cultural, educational, and political aspects. There will be an element of Deaf literature and also sociolinguistics.

**ASLI 320 Sociocultural Linguistic Processing** 3 hours  
Prerequisites: ASLI 305, ASLI 310  
This course will examine the language exchange between ASL and English in terms of discourse (accurate content, appropriate context, and appropriate linguistic form). Techniques and mental/cognitive processes such as comprehension, memory, delayed repetition and pattern inference will be addressed as well as discourse mapping.

**ASLI 401 English to ASL Interpreting I** 3 hours  
Prerequisite: ASLI 320  
This course will begin with lessons in consecutive interpretation and progress toward the ultimate goal of simultaneous interpretation from spoken English to ASL. Topics will include: memory retention, appropriate use of consecutive interpretation, listening, reformulation, and monitoring.

**ASLI 402 English to ASL Interpreting II** 3 hours  
Prerequisite: ASLI 401  
This course will continue to develop the student’s interpreting skills from an English source to an ASL mode through simultaneous interpretation. Added focus will be given to issues concerning professionalism, register, and client matching.

**ASLI 403 ASL to English Interpreting I** 3 hours  
Prerequisites: ASLI 302, ASLI 320  
This course will address the skills and cognitions related to conveying the meaning and intent of a signed message (ASL) into spoken English. Topics will include comprehension, implied meaning, word choice, natural flow, and cultural considerations.

**ASLI 404 ASL to English Interpreting II** 3 hours  
Prerequisite: ASLI 403  
This course will continue to address the skills and cognitions related to conveying the meaning and intent of a signed message (ASL) into spoken English. Topics will include comprehension, implied meaning, word choice, natural flow, omissions, teaming, and cultural considerations.

**ASLI 405 ASL Linguistics** 3 hours  
Prerequisite: ASLI 302  
This course studies the phonological, morphological, and syntactical structure of American Sign Language. Semantics as well as historical and ever changing aspects of the language will also be considered.

**ASLI 410 Interpreter Professional Identities, Function & Ethics and Current Trends** 3 hours  
Prerequisites: ASLI 310, ASLI 305  
This course will address issues pertaining to the profession of interpreting. Students will be instructed in critical analysis of ethical scenarios in a variety of settings and situations. The RID Code of Professional Conduct and the EIPA will be discussed. Current issues facing the professional interpreter will be studied.

**ASLI 498 Practicum** 3 hours  
Prerequisites: ASLI 403, pass VQAS Written  
This practicum will include observation and some interpreting experience under the close supervision of an approved mentor(s) in a variety of settings.
ASLI 499  Internship  3 hours  
Prerequisites: ASLI 498, ASLI 405, Pass VQAS with II+  
This internship will involve a structured program consisting of  
interpreting under the supervision of an approved nationally  
certified mentor. It will also include the other duties pertaining to  
the work of a professional interpreter in the specialized field of the  
student’s choosing. Areas of Specialization: Educational  
Interpreting, Theatrical Interpreting, Legal Interpreting, Medical  
Interpreting, Religious Interpreting, Mental Health Interpreting.

focus of the course will be on learning: bony landmarks, muscle  
origins and insertions, how to assess each muscle, & how to assess  
range of motion.

ATTR 226  Clinical Kinesiology for Health  
Professionals Laboratory  1 hour  
Prerequisites: taken concurrent with ATTR 225; for ATEP  
provisionally accepted students only  
Students will apply knowledge of clinical musculoskeletal human  
anatomy through a variety of hands on activities. The focus of  
the course will be to practice identifying bony landmarks and  
muscle origins and insertions along with demonstrating how to  
perform manual muscle testing & how to assess range of motion

ATTR 299  Internship  0 hours  
Prerequisites: Sophomore status, 2.00 GPA, two courses in  
major, declared major, not more than one CSER behind.  
Direct applicable work experience under the supervision of the  
Athletic Training Faculty Intern Advisor. Application  
processed through the Career Center. Must apply semester prior to  
internship.

ATTR 300  Lower Extremity Injury Evaluation  3 hours  
Prerequisites: ATTR 200, BIOL 213/214  
Methods of evaluation of athletic injuries are investigated,  
including history, inspection, palpation, and orthopedic and  
neurologic testing with focus on the lumbar area and lower  
extremities.

ATTR 301  Lower Extremity Injury Evaluation  1 hour  
Laboratory  
Prerequisites: taken concurrent with ATTR 300  
The methods of evaluation including history, inspection,  
palpation, and orthopedic and neurological testing of athletic  
injuries will be practiced in a hands-on laboratory environment.  
This laboratory experience will focus on lower extremity injuries.

ATTR 302  Upper Extremity Injury Evaluation  3 hours  
Prerequisites: ATTR 200, 300, BIOL 213/214; can be taken  
concurrently with BIOL 215/216.  
Methods of evaluating injuries to the physically active are  
investigated including history, inspection, palpation, and  
orthopedic and neurological testing. Focus includes evaluation of  
injuries to the upper extremity, head, neck and thorax. Other topics  
include management of crisis situations and facial injuries related  
average participation.

ATTR 303  Upper Extremity Injury Evaluation  1 hour  
Laboratory  
Prerequisites: taken concurrent with ATTR 302  
The methods of evaluation including history, inspection,  
palpation, and orthopedic and neurological testing of athletic  
injuries will be practiced in a hands-on laboratory environment.  
This laboratory experience will focus on upper extremity injuries.

ATTR 305  Emergency Care for Athletic Training  3 hours  
Prerequisites: ATTR 200, 210, and BIOL 213/214 (may use  
as co-requisite); for ATEP provisionally-accepted students only  
Advanced level of first aid and CPR training for individuals  
who have a job-related “duty to respond.” This course includes  
such topics as: CPR use of the resuscitation mask bag-valve mask  
and Automated External Defibrillator; anatomy; patient  
assessment; shock; bleeding; burns; oxygen and airway care; spine  
board use; and other medical emergencies.

ATTR 306  Emergency Care for Athletic Training  1 hour  
Laboratory  
Prerequisites: taken concurrent with ATTR 305  
This lab course provides students with the application of  
advanced level first aid and CPR training for individuals who have  
a job-related “duty to respond.” This course is designed for  
students to gain proficiency in first aid skills as it relates to such  
topics as: CPR use of the resuscitation mask bag-valve mask and  

Liberty University Undergraduate Catalog – 2014-2015  247
Automated External Defibrillator; anatomy; patient assessment; shock; bleeding; burns; oxygen and airway care; spine board use; and other medical emergencies discussed in ATTR 305.

**ATTR 310**  
**Therapeutic Modalities in Athletic Training**  
Prerequisites: ATTR 305, 306  
A study of theories and principles of uses of different modalities to enhance the healing of injuries. Lab experiences included.

**ATTR 311**  
**Therapeutic Modalities Laboratory**  
Prerequisites: taken concurrent with ATTR 310  
This class presents the practical application of therapeutic modalities to enhance the healing of injuries. Laboratory experiences will include the set-up, application and probable outcomes of the use of various therapeutic modalities commonly used in athletic training.

**ATTR 320**  
**Clinical Education II**  
Prerequisites: ATTR 221  
Didactic and psychomotor skill instruction of competencies in Athletic Training. Emphasis will be placed on the application of lower extremity injury and illness evaluation of athletic injuries and therapeutic modalities through clinical scenarios. Will include a clinical education rotation.

**ATTR 321**  
**Clinical Education III**  
Prerequisites: ATTR 320  
Didactic and psychomotor skill instruction of competencies in Athletic Training. Emphasis will be placed on the application of upper extremity injury and illness evaluation of athletic injuries through clinical scenarios. Will include a clinical education rotation.

**ATTR 325**  
**Evidence Based Research in Athletic Training**  
Prerequisites: ATTR 225, 226, 305, 306  
This class introduces the research process in athletic training with an emphasis on evidence-based medicine. Students will learn to evaluate the quality of available research evidence and interpret statistical data and relevance. Scientific writing experience will be gained in the form of research proposals, literature reviews, case studies and critical appraisals.

**ATTR 400**  
**Principles of Therapeutic Exercise and Rehabilitation**  
Prerequisites: ATTR, 310/311; BIOL 213/214, 215/216  
In-depth study of theories and principles used to rehabilitate injuries to the physically active, as well as physiological and psychological factors affecting the rehabilitation function.

**ATTR 402**  
**Practical Applications in Therapeutic Exercise and Rehabilitation**  
Prerequisites: ATTR 400; BIOL 213/214, 215/216  
Lecture and laboratory experiences will include the application, instruction, progression and probable outcomes of the use of therapeutic exercises and rehabilitation techniques commonly used in athletic training.

**ATTR 404**  
**Medical Aspects of Athletic Training**  
Prerequisites: ATTR 325, 400  
Recognition and treatment of general medical conditions and disabilities of athletes and others involved in physical activity. Application of pharmacological principles in the treatment of illness, injury, and disease for an athletic population. Includes lecture and laboratory experiences.

**ATTR 410**  
**Administrative Aspects of Athletic Training**  
Prerequisite: ATTR 404  
A study of the problems and considerations involved in the successful management of an athletic training program. Areas discussed include: budgeting; facility design; ordering and inventory; and legal liability.

**ATTR 420**  
**Clinical Education IV**  
Prerequisites: ATTR 321  
Didactic and psychomotor skill instruction of competencies in 3 hours Athletics Training. Emphasis will be placed on the application of therapeutic exercise and rehabilitation through clinical scenarios. Will include a clinical education rotation.

**ATTR 421**  
**Clinical Education V**  
Prerequisites: ATTR 420  
Didactic and psychomotor skill instruction of competencies in Athletics Training. Emphasis will be placed on the application of athletic training administration through clinical scenarios. Will include a clinical education rotation.

**ATTR 440**  
**Senior Seminar in Athletic Training**  
Prerequisite: ATTR 404  
A capstone course which will focus on reviewing the acquired knowledge and experiences of the athletic training curriculum. Students will discuss job search and interviewing skills, moral and ethical responsibility, state licensure, continuing education, decision-making accountability and conflict management. The NATA professional code of practice and standards of practice will be reviewed. Preparation for the BOC certification examination will be included.

**AVIA**

**AVIA 101**  
**Exploring Aviation**  
3 hours  
This course explores the field of aviation, career opportunities, and future trends. While learning about their future in aviation, students will study blimps, rocketry, gliders, and the principles of flight.

**AVIA 102**  
**Aviation Orientation**  
1 hour  
Prerequisite: Must be enrolled in AVIA 220  
This course is required for all aviation majors. Its purpose is to prepare new students for their university and professional careers by discussing students’ responsibilities and options concerning the aviation industry. Aviation career options will be explored. Academic and airport requirements and procedures will be covered.

**AVIA 103**  
**Flight Attendant Orientation**  
1 hour  
Prerequisite: Must be enrolled in AVIA 220  
This course will introduce the student to the basic safety and customer service requirements of a professional flight attendant. It is conducted in a forty-hour intensive format and upon success completion, the student will receive a certificate of completion from the Flight Attendant Training Group LLT.

**AVIA 210**  
**Private Ground I**  
2 hours  
A solid foundation in aerodynamics, aircraft systems and servicing, airport operations and communication, regulations, meteorology, weight and balance, as well as description of primary flight maneuvers.

**AVIA 215**  
**Private Ground II**  
2 hours  
Prerequisite: AVIA 210  
A continuation of AVIA 210 to include cross country navigation methods, flight physiology and meteorology to prepare the student for the required FAA Private Pilot written exam.

**AVIA 220**  
**Private Flight I**  
3 hours  
Co-requisite: To be taken simultaneously with AVIA 210  
Primary flight training in fundamental pilot operations, including ground reference maneuvers, traffic patterns, emergency procedures and takeoffs and landings. Approximately 20 flight hours.

**AVIA 225**  
**Private Flight II**  
3 hours  
Prerequisite: AVIA 220  
Co-requisite: Taken simultaneously with AVIA 215  
Continuation of AVIA 220 to include basic flight maneuvers, maximum performance takeoffs and landings, cross-country flights and introduction to high density airport operations. This course
will prepare the student for the required FAA Private Pilot Flight practical test. Approximately 25 flight hours.

**AVIA 230 Unmanned Aerial Systems 3 hours**
This course provides the student with a detailed introduction into the history of unmanned flight and the current status of Unmanned Aerial Systems. The student will become knowledgeable of the capabilities and pay load of civilian Unmanned Aerial Systems. Additionally, they will become proficient in UAS simulation and will be introduced to actual UAS flights.

**AVIA 235 Small Unmanned Aerial System Operator Certification 3 hours**
Prerequisite: AVIA 230
This course is designed for small unmanned aerial systems operational certification. Each student will receive academic training on UAS systems, Simulator flights in UAS, and a series of UAS flights leading to certification.

**AVIA 240 GPS Navigation 1 hour**
Prerequisite: AVIA 220 and Private Pilot Certificate
This course covers the Global Positioning System (GPS) theory, operations, hardware and usage. The student will become proficient in IFR and VFR usage of most available GPS receivers.

**AVIA 241 GPS Instrument Navigation 1 hour**
Prerequisite: AVIA 240
This course covers the Global Positioning System (GPS) theory, operations, hardware and usage as related to operations in the instrument flight rules (IFR) environment. The student will become proficient in IFR usage of the Garmin G1000 Global Positioning System. This course references National Airspace and critical ATC elements including navigation, operations in controlled non-controlled airspace and towered and non-towered airport environments. Elements of communication, radio operations and a variety of operational concerns referenced to instrument flying will be referenced as well.

**AVIA 245 Aviation Leadership 3 hours**
Prerequisite: Junior status
This course will cover the requirements of all branches of service to become aviators. The student will become familiar with and practice the Military Aviation Selection Battery Test in preparation to taking the actual military test battery. (Formerly AVIA 445)

**AVIA 250 Introduction to Space Flight 3 hours**
A survey of the major aspects of space flight. Topics covered include the history of space flight, space shuttle operations, and present and future commercial, industrial, and military applications in flight.

**AVIA 300 Aviation Safety 2 hours**
Prerequisite: AVIA 310
This course provides the student with a detailed introduction into aspects of aviation safety, risk management, and the associated components of pilot psychology, human factors and accident trends, factors and analysis.

**AVIA 305 Airplane Aerodynamics 3 hours**
Prerequisite: AVIA 225
This course will provide the student a study of the physical principles of airplane aerodynamics, thereby fostering an appreciation of the factors affecting aircraft performance, stability and control, and special flight conditions often experienced by commercial pilots of fixed-wing aircraft.

**AVIA 310 Instrument Ground 3 hours**
Prerequisite: AVIA 225
FAA regulations, radio communications, air traffic control procedures and meteorology as it relates to flight instruments and use of radio navigation instruments. Student will be prepared for the required FAA Instrument written exam.

**AVIA 311 Instrument Theory Lab 1 hour**
Prerequisite: Private Pilot Certificate
This course is designed to provide the student with ability to convert instrument flight theory to practical flight simulator operations. Student will fly simulator lights in the basic instrument phase to build a strong instrument scan. After mastering basic instruments, they learn radio calls and navigation used to perform instrument approaches to a landing.

**AVIA 315 Commercial Ground 3 hours**
Prerequisite: AVIA 225
This course will prepare the student for the FAA Commercial Pilot written exam by acquiring advanced aeronautical knowledge in aerodynamics, regulations, meteorology, aircraft systems, and airspace operations. Students will be prepared for the required Commercial Pilot written exam.

**AVIA 320 Instrument Flight 3 hours**
Prerequisite: AVIA 310
Basic instrument flight training including air traffic control clearances, and orientation to radio navigation techniques. Use of the simulator will be integrated for introduction to each phase. Approximately 35 flight hours and the required FAA Instrument practical check flight.

**AVIA 325 Commercial Flight I 1 hour**
Prerequisite: AVIA 320
Basic commercial pilot flight maneuvers and complex/high performance aircraft systems and operations. This course will provide thorough preparation for the required FAA Commercial Pilot check flight. Approximately 110 flight hours.

**AVIA 326 Commercial Flight II 1 hour**

**AVIA 327 Commercial Flight III 1 hour**

**AVIA 335 Command and Control of Unmanned Aerial Systems 3 hours**
Prerequisites: AVIA 230, 235
This course is designed to teach the student the many aspects of command and control of Unmanned Aerial Systems (UAS). Through academic theory and actual simulator training sessions the student will be prepared for certification in command and control in the medium UAS class of aircraft.

**AVIA 340 Aviation Weather 3 hours**
Prerequisite: AVIA 225 and Private Pilot Certificate
This course is a study of weather hazards, meteorological flight planning, aviation weather equipment and human factors as related to flight safety in all weather conditions.

**AVIA 350 Airline Operations 3 hours**
Prerequisite: AVIA 310
A study of the scope and function of major air carrier’s organizational structure and the specific relationships of the operations department with those of marketing, maintenance, and safety are discussed. A study of corporate issues including the industry in general, market structure, certification FAR Part 121 regulations, economic issues, mergers, corporate culture, and international topics will be included. From an operational perspective, topics include flight operations employment policies, domiciles, operating specifications, types of services provided, training, passenger considerations, decision making, communications, and pertinent FARs.

**AVIA 360 Corporate and Business Aviation 3 hours**
Prerequisite: AVIA 225
This course is designed to introduce aviation students with the operations of a corporate flight department. They will understand the value of management mobility which requires specific operations other than commercial airline options. The student will learn how to evaluate aircraft and equipment requirements,
This course is divided into three parts. The first will cover the Crew Resource Management utilization of all resources available to an aviator. Crew Resource Management, which involves having a complete environments. The third part will provide an in-depth study of the human factors concepts including psychological and physiological limitations of humans operating in complex environments. The second part will provide the basic understanding of the pilot. The scope of all regulations concerning aviation and how they impact smooth and efficient operations, as well as the fiscal considerations which will impact the business profits.

**AVIA 400 Aerospace Law, Human Factors and Crew Resource Management**
Prerequisite: AVIA 225, 310
This course is divided into three parts. The first will cover the scope of all regulations concerning aviation and how they impact the pilot. The second part will provide the basic understanding of the human factors concepts including psychological and physiological limitations of humans operating in complex environments. The third part will provide an in-depth study of Crew Resource Management, which involves having a complete understanding of the flight deck environment and the proper utilization of all resources available to an aviator.

**AVIA 405 Advanced Aerodynamics**
Prerequisites: AVIA 305, 320
This course will survey the theory of airplane performance and flight characteristics to include pilot static calibration, weight and balance, engine and propeller performance, takeoff and landing performance, range and endurance, excess energy and power, 1G stalls, turn performance, and longitudinal, lateral and directional static and dynamic stability and control. The course will provide in class instruction and practical laboratory work in both a simulator and aircraft to quantitatively document aircraft performance, and stability and control. Flight test data reduction and reporting techniques will conclude the learning objectives as student will report on the results of their evaluations.

**AVIA 410 Flight and Ground Instructor Theory**
Prerequisite: AVIA 315
Provides the student with a detailed study of the responsibilities and teaching concerns of a flight instructor. The course is divided into two major sections: fundamentals of teaching and learning, including effective teaching methods, learning process, consideration of flight training syllabi, effective evaluations, and flight instructor responsibilities; the second section is concerned with the analysis of the flight maneuvers involved with Private Pilot, Commercial Pilot and Flight Instructor Certificates. The course will also provide practical teaching experiences.

**AVIA 420 Flight Instructor Flight**
Prerequisite: AVIA 325
Introduction to flight instructor techniques and maneuvers in preparation for the FAA Certified Flight Instructor initial practical test.

**AVIA 422 Certified Flight Instructor - Instrument (CFII)**
Prerequisite: Commercial Pilot Certificate
This course is designed to train students to successfully complete the FAA Certified Flight Instructor Instrument Certificate. The course will contain both academic classroom and aircraft flight training required by FAA regulations. The academic ground school will consist of 11 lessons exceeding the FAA requirement of 25 hours of flight time. 

**AVIA 424 Airline Transport Pilot**
Prerequisites: AVIA 315, AVIA 325, AVIA 326, AVIA 327; or a Commercial Pilot Certificate. FAA Required Aeronautical Experience.
This course is designed to train the student to obtain the knowledge, skill, and aeronautical experience necessary to meet the FAA Part 141 requirements to obtain an Airline Transport Pilot Certificate. The course will contain both academic classroom and aircraft flight training required by FAA regulations. The academic ground school will consist of 11 lessons exceeding the FAA requirement of 25 hours of flight time. 

**AVIA 430 Multi-Engine Theory and Advanced Aircraft Systems**
Prerequisite: AVIA 310
This course covers the operations necessary to operate twin-engine aircraft. Normal and abnormal procedures are included along with a discussion of the systems and aerodynamics normally associated with these aircraft. Regulations for commercial pilots are included.

**AVIA 435 Advanced Jet Systems**
Prerequisites: Private Pilot Certificate, Instrument Rating, Commercial Ground (AVIA 315)
This course is designed to provide advanced jet training by systematically studying the aircraft systems found on different variants of the Canadair Regional Jet (CRJ). This course explores all the major aircraft systems for the Bombardier CRJ-200. This course also includes “differences training” covering unique CRJ-700 systems.

**AVIA 436 Advanced Jet Training**
Prerequisite: AVIA 435
This is the capstone course for the Commercial/Corporate Aviation concentration. Each student will receive a minimum of 45 hours of instruction including 20 hours of scenario-based Advanced Jet Training in a CRJ-200 Flight Training Device. This training will include: Crew Resource Management and checklists usage in multi-crew environment, Flight Management System (FMS) operation, Normal procedures and flight profiles, Abnormal/ Emergency procedures and flight profiles, High altitude aerodynamics, and Aeronautical Decision Making.

**AVIA 440 Multi-Engine Flight**
Prerequisite: AVIA 225 & Private Pilot Certificate
Introduction to multi-engine flight and all related maneuvers in preparation for the FAA Multi-Engine Rating.

**AVIA 441 Multi-Engine Instructor**
Prerequisites: AVIA 420, 440
This course is needed to train prospective multi-engine instructors to train our student pilots. Additionally, this course will open the door for GI Bill funding for veterans.

**AVIA 450 Confined Area Operation**
Prerequisite: AVIA 325
This course will prepare students to plan and operate in confined areas with short and unpaved landing strips. The student will learn safety aspects, risk management and flight techniques necessary to successfully operate throughout the world.

**AVIA 455 Turbine Engines and Jet Transports**
Prerequisite: AVIA 225
This course will be an intensive study of the turbine engine theory, design and operations. The student will also receive a broad knowledge of all commercial airline types and will acquire a more in-depth understanding of the Boeing 737 Aircraft.

**AVIA 460 Aviation Interview and Etiquette Techniques**
Prerequisite: Aviation Major/Senior Status
This course will cover the unique requirements of aviation job interviews. Practice interviews with professionals from the industry will critique personal appearance, dress and professional knowledge.

**AVIA 495 Directed Research**
1 to 3 hours

**AVIA 499 Aeronautics Internship**
3-6 hours
AVMN/AVMT 100  
**Aircraft Sciences I**  
Co-requisites: AVMT 102, 104, 106  
This course will provide the student with a review of the fundamental operations in arithmetic as they are applied routinely in aircraft maintenance, including fractions, decimals, ratio, geometry, basic trigonometric functions, formulae, and proportions. Basic concepts of aviation applied physics will be presented, including: aerodynamic laws, theory of flight, fluid, heat, power, work, simple machines, and sound. The student will also learn aircraft weight and balance procedures, center of gravity computations, and how to identify and rectify adverse loading conditions.

AVMN/AVMT 102  
**Aircraft Sciences II**  
Co-requisites: AVMT 100, 104, 106  
This course is designed to introduce the student to direct and alternating current electricity, electrical circuit design, measuring devices, transformers, magnetism, electromagnetism, electronic devices and applications; with emphasis on basic laws relating to voltage, current, resistance, inductance, and capacitance. The student will also learn how to read and interpret electrical diagrams and to inspect and service aircraft batteries. This course will also give the student an understanding of aircraft drawings, symbols, and schematic diagrams commonly used in aircraft maintenance and illustrated parts manuals; the knowledge an ability to create drawings and sketches of repairs or alterations, and the ability to interpret blueprints, graphs, and charts.

AVMN/AVMT 104  
**Maintenance Practices I**  
Co-requisites: AVMT 100, 102, 106  
This course is designed to develop the student’s skills in the proper use of basic aircraft mechanic’s hand tools and measuring devices, aircraft hardware, safety methods, and materials used in aircraft maintenance and repair. Various methods of nondestructive testing will be learned and applied to practical situations, including liquid penetrant, magnetic particle, eddy current, ultrasound and radiography. The student will understand the privileges, limitations, and regulations provided by the FAA Code of Federal Regulations pertinent to aircraft maintenance technicians. Emphasis will be placed on the selection and use of FAA and manufacturers’ aircraft maintenance specifications, data sheets, manuals, and publications; as well as proper logbook and maintenance entries and record keeping.

AVMN/AVMT 106  
**Maintenance Practices II**  
Co-requisites: AVMT 100, 102, 104  
This course will instruct the student in aircraft cleaning; corrosion identification, treatment, removal, and control practices. The student will learn how to fabricate and install flexible and rigid fluid lines and fittings. The student will also understand proper procedures for safely securing, moving, fueling, starting, servicing, and taxing aircraft.

AVMN/AVMT 200  
**Airframe Auxiliary Systems**  
Co-requisites: AVMT 202, 204, 206, 208, 210  
This course will provide the student an understanding of operating principles and basic maintenance techniques for airframe auxiliary systems and their components, including: cabin atmosphere control, communication and navigation, instruments, static and pitot, fire detection and extinguishing, smoke and carbon monoxide detection, ice and rain control, speed and configuration, anti-skid brakes, as well as position and warning. The student will also learn the operations and maintenance of aircraft fuel systems and components, including fluid quantity indicating systems, fluid pressure and temperature warning systems, fuel dump systems, transfer and defueling, and pressure fueling systems.

AVMN/AVMT 202  
**Airframe Electrical Systems**  
Co-requisites: AVMT 200, 204, 206, 208, 210  
This course is designed to provide the student with an advanced study of AC and DC electrical systems, electrical power generation and control; to include alternators, generators, motors, relays, switches, wiring installations, load analyses, and aircraft batteries. The student will gain principle knowledge and skills to inspect, check, service, and troubleshoot airframe electrical components.

AVMN/AVMT 204  
**Airframe Structures I**  
Co-requisites: AVMT 200, 202, 206, 208, 210  
This course will instruct the student in the basic construction and properties of materials typically used in aircraft applications, with emphasis on aluminum sheet metal applications and their manufacture, repair, and inspection. Student projects will focus on sheet metal lay-out, cutting, forming, bending and riveting, using solid and blind rivets, as well as identifying and using specialty fasteners.

AVMN/AVMT 206  
**Airframe Structures II**  
In this course the student will learn the design, application, fabrication, repair, finishing, and safety practices relating to composite, laminated, honeycomb, bonded, plastic, wood and fabric materials found in structural applications on aircraft, including windows, doors, and interior panels and furnishings. The student will also gain understanding and skills in various welding methods, procedures, and techniques as applied to aircraft manufacturing and repair. Oxygen/acetylene, shielded metal arc, gas metal arc welding, soldering and brazing processes will be studied.

AVMN/AVMT 208  
**Airframe Assembly and Inspection**  
Co-requisites: AVMT 200, 202, 204, 206, 210  
This course will instruct the student in aircraft covering materials, construction, inspection, and repairs using natural and synthetic fabrics. The student will understand the identification, inspection, and application of finishing materials to both fabric and metal surfaces, including touch-up, trim, and lettering. The student will learn the fundamentals of airframe assembly, rigging, aerodynamics, and controls. This course will also introduce the student to conformity and airworthiness inspection requirements and procedures as they relate to the airframe, including knowledge and abilities needed to perform inspections and properly complete associated forms and paperwork.

AVMN/AVMT 210  
**Airframe Hydraulic, Pneumatic, and Landing Gear Systems**  
Co-requisites: AVMT 200, 202, 204, 206, 208  
This course is designed to introduce the student to basic fluid mechanics as it applies to practical applications in airframe systems. Construction and operation of hydraulic and pneumatic systems and components will be discussed, as well as identification and selection of hydraulic fluids and their related components. The student will learn landing gear designs, construction, and operations; as well as the inspection, servicing, and repair or replacement of various types of fixed and retractable landing gear systems, shock struts, brakes, wheels, tires, and steering systems.

AVMN/AVMT 212  
**Reciprocating Engines**  
Co-requisites: AVMT 214, 216, 218, 220  
This course will instruct the student in the principles of operation, construction, and design of reciprocating aircraft engines and components. The student will gain procedural knowledge and technical skills in reciprocating engine removal, disassembly, inspection, servicing, overhaul, reassembly, installation, and troubleshooting.
AVMN/AVMT 214  Engine Electrical Systems  3 hours
Co-requisites: AVMT 212, 216, 218, 220
This course will present the principles of operation and servicing procedures of electrical systems and electrical components found on reciprocating and turbine engine powered aircraft. Students will study and understand the operation, inspection, and servicing of ignition and starting systems, generation and control systems, auxiliary power units, and wiring installations.

AVMN/AVMT 216  Engine Auxiliary Systems I  3 hours
Co-requisites: AVMT 212, 214, 218, 220
In this course the student will learn the construction, operation, inspection, troubleshooting, servicing, repair and overhaul of reciprocating engine carburetion, injection, and fuel metering systems, as well as turbine engine fuel control systems. The student will also study fuel warming, pressure and rate of flow instruments, as well as reciprocating and turbine engine lubricants and lubrication systems.

AVMN/AVMT 218  Engine Auxiliary Systems II  3 hours
Co-requisites: AVMT 212, 214, 216, 220
In this course, the student will study engine instrument systems, fire detection and extinguishing systems, induction systems, cooling systems, exhaust and thrust-reverser systems, with a focus on theory of operation, servicing, inspection, repair, and troubleshooting. The student will also learn the theory of operation and basic construction of fixed-pitch, constant-speed, and feathering propellers. The student will also be introduced to propeller synchronization systems, ice-control systems, and propeller governing systems. The student will gain knowledge & skills to inspect, check, service, remove, repair, and install propellers.

AVMN/AVMT 220  Turbine Engines  3 hours
This course provides the student with an understanding of gas turbine engine cycles, high speed gas flow, and the design and construction of turbojet, turboprop, and turbofan engines. The student will receive an introduction to unducted fans and turbine-driven auxiliary power units. The student will learn the fundamentals of turbine engine operation, removal and replacement, maintenance, servicing, troubleshooting, and inspection.

BIOCHEMISTRY

BCHM 450  Medical Biochemistry  3 hours
Prerequisite or Co-requisite: BIOL 415 or CHEM 302
This lecture course covers aspects of biochemistry relevant to the practice of medicine. The human body is surveyed as an integrated chemical system with emphasis on the molecular basis of disease and the clinical application of therapies to restore body function. The link between biochemistry and human anatomy and physiology is examined with special emphasis on the gastrointestinal tract and catabolism, the immune response and biochemical endocrinology, blood and hemostasis, lipid metabolism and liver function, and glucose metabolism and muscle contractions.

BCHM 451  Biochemistry I  4 hours
(3 hours lecture; 3 hours lab)
Prerequisites: CHEM 301; BIOL 301 and 415; and MATH 126 or 132
Advanced topics in biochemistry. Emphasis is placed on: 1) physical biochemistry including thermodynamics, kinetics, solutions and equilibria; 2) protein structure/function and enzyme kinetics, mechanisms and regulation; and 3) intermediary metabolism and its regulation.

BCHM 452  Biochemistry II  4 hours
(3 hours lecture; 3 hours lab)
Prerequisite: BCHM 451
Continuation of BCHM 451 (Biochemistry I). Emphasis is placed on: 1) membrane physiology, including lipid biosynthesis, membrane transport, excitable membranes, electron transport and oxidative phosphorylation, and photosynthesis; and 2) the flow of biological information, including nucleotide biosynthesis, DNA replication and repair, transcription, and translation.

BCHM 495  Directed Research  1 to 3 hours
BCHM 497  Special Topics in Biochemistry  1 to 3 hours

BIBLICAL STUDIES

NOTE: BIBL 105 and 110 or 205 and 210 are prerequisites for all upper-level BIBL courses.

BIBL 105  Old Testament Survey  1 or 3 hours
An introduction to the authorship and contents of the Old Testament books. Special attention will be given to important persons, places and events, as well as to key chapters in the Old Testament revelation.

BIBL 110  New Testament Survey  1 or 3 hours
An introduction to the authorship and contents of the New Testament books. Special attention will be given to important persons, places, events, as well as to key chapters in the New Testament revelation.

BIBL 205  Old Testament Life and Literature  3 hours
A comprehensive study of the Old Testament: its historical setting and framework; its literary types; the theme, development and composition of its books; and the developing theological perspective of the Old Testament revelation.

BIBL 210  New Testament Life and Literature  3 hours
A comprehensive study of the New Testament: its historical setting and framework; its literary types; the theme, development, and composition of its books; and the distinctive theological contributions of the various portions and authors of the New Testament revelation.

BIBL 311  Joshua thru Judges  3 hours
A study of Israel’s history during the time of conquest and settlement of Palestine. Cultural background factors, geographical information and homiletical possibilities in these books will be explored carefully.

BIBL 314  Old Testament Poetical Books  3 hours

BIBL 316  Isaiah  3 hours
An analytical and exegetical study of the content of the book of Isaiah, with critical examination of its theological content and issues of interpretation. (Formerly BIBL 416).

BIBL 317  Minor Prophets  3 hours
An expositional study of the twelve minor prophets of the Old Testament. Each book will be covered from the historical and theological perspective in addition to devotional value.

BIBL 323  John  3 hours
An analytical and exegetical study of the Gospel of John with special emphasis on John’s Christology that Jesus is the Messiah, the Son of God.

BIBL 324  Pastoral Epistles and Leadership Development  3 hours
An expositional study of I and II Timothy and Titus with emphasis on themes pertaining to the local church. Attention will be given to current issues which relate to selected controversial passages.
BIBL 330 Life of Christ 3 hours
The life of Jesus Christ on earth as seen in the Gospels will be studied thematically and chronologically in the light of its historical background, geographical setting, political situation, and religious conditions. Special emphasis will be given to His mission and message. Attention will also be given to current issues relating to the historical Jesus debate.

BIBL 350 Inductive Bible Study 3 hours
An introduction to the basic steps and tools involved in the inductive study of the Bible. The student will develop the skills to practice a methodical approach to the observation, interpretation, application, and correlation to Scripture.

BIBL 364 Acts 3 hours
A study of the growth and development of the first century Church as recorded by the accurate historian, Luke. Special attention will be given to the activity of the Holy Spirit in the ministries of Peter and Paul. (Formerly BIBL 424).

BIBL 370 Logos Bible Software 3 hours
Prerequisites: BIBL 105 or 205 and BIBL 110 or 210
A study of the Logos Bible Software program, focusing on how the program works, and how to retrieve information and use it in Bible study. Special attention will be given to the ability to navigate, customize, and search the software, and to prepare layouts, handouts, and Bible study materials.

BIBL 410 Genesis 3 hours
An intensive doctrinal and historical study of the text considering the related issues of chronology, creation, the fall, the flood and the Patriarchal culture setting. The lives of Abraham, Isaac, Jacob and Joseph are given special attention for their practical value.

BIBL 425 Romans 3 hours
An analytical and exegetical study of Romans, giving attention to the great doctrinal issues of condemnation, justification, sanctification, the place of Israel, and practical Christian living.

BIBL 430 The History of Ancient Israel 3 hours
This course will provide a detailed survey of the history and geography of Israel from the time of the Patriarchs through Exodus, Conquest, Judges, Kings, the Babylonian Captivity, the Return and the Inter Testamental period. The study will also include a survey of the history, archaeology and culture of Israel’s ancient geographical neighbors including the Canaanites, Philistines, Ammonites, Moabites, Edomites, Assyrians, Babylonians and Persians.

BIBL 431 Israelology 3 hours
A systematic study of Israel and the Jewish People as a central and defining feature of biblical theology. Consideration will be given to the importance and central role of Israel’s biblical covenant, Israel’s relationship with the church, and Israel’s future in the divine program.

BIBL 432 Messianic Prophecy 3 hours
A systematic study of the Hebrew prophecies of the Messiah and their fulfillment by Jesus of Nazareth primarily at His first coming but also as some relate to His second coming. Interaction with Jewish objections relating to Jesus’ claim to be their Messiah will be examined along with those brought forth by Gentiles. Key Old Testament passages will be examined along with their New Testament fulfillment.

BIBL 433/434 The Jewish Temple inHistory and Prophecy 3 hours
This course is an introduction to the historical, archaeological, and theological significance of the Jewish Temple and its various forms in the Bible.

BIBL 434 General Studies in Israel Seminar 3 hours
An onsite study of the history, archaeology, geography, religion and culture of ancient and modern Israel, through an extensive tour throughout the country. Including discussions of political history and theories on site and with people who experienced this history.

Please note: This course is taught in the country of Israel. The student must register for the World of the Bible Study Tour online at: www.worldofthebible.com or by phone: (512) 396-3799.

BIBL 450 Daniel – Revelation 3 hours
An expository treatment of the two major apocalyptic books of the Bible. The verse-by-verse study will be supplemented with historical, doctrinal and eschatological materials emphasizing the relationship of these two prophetic books.

BIBL 460 New Testament Theology 3 hours
This course will introduce the student to the major themes developed in the New Testament, including the centrality of God, Christology, Jesus’ saving work, the Holy Spirit, sin, faith, law, the church, and eschatology. The goal is to understand the basic theological message of the New Testament in both its diversity of expression and conceptual unity. Attention is given to equipping the student to trace themes in Biblical Theology.

BIBL 461 Old Testament Theology 3 hours
This course is an examination of the major theological themes of the Old Testament explaining how they function in light of the major OT covenants and the time line of the history of the Old Testament. These themes will reveal an organic and typological connection with their NT counterparts.

BIBL 471 Biblical Archaeology 3 hours
A focus on archaeological terminology, methodology, and interpretation as they relate to biblical studies. (This course fulfills a Bible Background requirement.)

BIBL 472 New Testament Backgrounds 3 hours
An examination of the historical, literary and socioeconomic milieu of the New Testament. (Formerly BIBL 372)

BIBL 473 Old Testament Backgrounds 3 hours
An examination of the historical, literary and socioeconomic milieu of the Old Testament. (Formerly BIBL 373)

BIBL 480 Hermeneutics 3 hours
Prerequisite: BIBL 350
An introduction to the principles, issues, and techniques of biblical interpretation. A special emphasis will be given to genre specific study and associated subgenre within the Old and New Testaments. The course builds on the foundation of BIBL 350. (Formerly BIBL 380)

BIBL 495 Directed Research 1 to 3 hours
BIBL 497 Special Topics in Bible 1 to 3 hours
BIBL 499 Bible Internship 3 hours
Prerequisites: Junior or Senior status (Students may see professor for prerequisite override); 3.00 GPA; BIBL 350 and THEO 350 (21 total hours in major); BTST major.
This internship will focus on both the programming and leadership aspects of ministry. It will be a supervised field experience at an approved site. Application procedures processed through the online application. (Available Spring 2015)

BIOLOGY

BIOL 101 Principles of Biology 3 hours
An examination of the fundamental characteristics common among living things. Emphasis is placed upon studies of the cell, energy, metabolism, reproduction, heredity, ecology, phylogeny and the diversity of life.
BIOL 102 **Principles of Human Biology** 3 hours
An examination of structure, function, development and homeostatic interaction in higher organisms with special emphasis on human body systems.

BIOL 103 **Principles of Biology Laboratory** 1 hour (Meets 2 hours)
Prerequisite: Concurrent or previous enrollment in BIOL 101 Laboratory exercises selected to demonstrate basic biological concepts. Emphasis is on cell composition, structure and function, plant and animal organization, genetics, and biological diversity.

BIOL 104 **Principles of Human Biology Laboratory** 1 hour (Meets 2 hours)
Prerequisite: Concurrent or previous enrollment in BIOL 102 Laboratory exercises selected to demonstrate basic biological concepts. Emphasis is placed on structure and function in higher organisms, development, behavior, parasitism, and the history of life.

BIOL 203 **Introductory Microbiology** 4 hours (3 hours lecture; 2 hours lab)
Prerequisite: BIOL 215/216 or HLTH 202
An examination of the fundamental principles of microscopic organisms. Microorganisms are examined with regard to cell structure, metabolism, heredity, diversity and taxonomy. The basic concept of genetic engineering, pathogenicity, human disease, and immunology are presented. Restricted to Family and Consumer Sciences and health-related majors.

BIOL 213 **Human Anatomy and Physiology I** 3 hours
Prerequisite: Math SAT (SO2) minimum score of 450, or ACT (SO2) minimum score of 18, or Liberty Math Assessment (ASMA) minimum score of 23; or PLMA minimum score of 70; or completion of BIOL 102 and 104 (with “C” or better); to be taken concurrently with BIOL 214
A study of the structure and function of the human body with emphasis on cells, tissues, skin, nerves and special senses, muscle bones, and coordination and control of body movements. Concepts in physiology, including the maintenance of homeostasis, will be discussed. May not be used for general education credit except in conjunction with BIOL 215. (Formerly BIOL 211 lecture)

BIOL 214 **Human Anatomy and Physiology I Lab** 1 hour
Prerequisite: BIOL 213 or concurrently; or BIOL 313 or concurrently (Meets 2 hours)
Laboratory exercises selected to demonstrate principles of human anatomy and physiology. Emphasis is placed on foundational concepts such as homeostasis, anatomical terminology, the chemistry of living things and the structure and function of cells and tissues. The integumentary, skeletal, muscular and nervous body systems are examined via hands-on exercises and dissection of preserved specimens. (Formerly BIOL 211 Lab)

BIOL 215 **Human Anatomy and Physiology II** 3 hours
Prerequisite: Successful completion of BIOL 213; to be taken concurrently with BIOL 216
A continuation of BIOL 213. A study of the structure and function of the human body with emphasis on the endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary and reproductive systems. Concepts in physiology, including the maintenance of homeostasis, will be discussed. May not be used for general education credit except in conjunction with BIOL 213. (Formerly BIOL 212 Lecture)

BIOL 216 **Human Anatomy and Physiology II Lab** 1 hour
Prerequisite: Successful completion of BIOL 214; BIOL 215 is required as a Co-requisite or prerequisite (Meets 2 hours)
Laboratory exercises selected to demonstrate principles of human anatomy and physiology. Emphasis is placed on the structure and function (including hands-on clinical analyses) of the cardiovascular, endocrine, lymphatic, respiratory, digestive, urinary and reproductive systems. Exercises include hand-on clinical analyses and dissection of preserved specimens. (Formerly BIOL 212 Lab)

BIOL 224 **General Biology I** 4 hours (3 hours lecture; 3 hours lab)
Prerequisite: Math SAT Score of 500, or ACT Composite Score of 20, or grade of “B” or better in BIOL 101.
An introduction to the fundamental principles of Biology. Emphasis is placed upon scientific methodology; molecular, cellular and energetic bases of life; major metabolic processes; cellular and organismic reproduction; Mendelian and population genetics; speciation; phylogenetic reconstruction; ecological interactions; and a brief survey of organisms. Restricted to Biology and pre-professional students. (Formerly BIOL 200)

BIOL 225 **General Biology II** 4 hours (3 hours lecture; 3 hours lab)
Prerequisite: BIOL 200 “C” or better; or BIOL 224 “C” or better
Survey of the major phyla of the Kingdoms Animalia, and Protista including classification, development, morphology, anatomy, and physiology Emphasis is placed on mammalian systems including support and movement, circulation and respiration, hormonal and nervous control, homeostasis, digestion, immune and reproduction. (Formerly BIOL 208)

BIOL 299 **Internship** 0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
A directed practical work experience under the supervision of the Chair of Biology, in the student’s area of career interest. Application processed through the Career Center. Must apply semester prior to internship.

BIOL 301 **Genetics** 4 hours (3 hours lecture; 3 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better and BIOL 200 “C” or better; CHEM 122; CHEM 301 recommended
A study of the principles of heredity with emphasis on inheritance in individuals and populations, chromosomal rearrangements, the chemistry of the gene in DNA structure and replication, transcription, translation, the control of gene expression, mutations and their repair, genetic engineering and epigenetic.

BIOL 303 **Microbiology** 4 hours (3 hours lecture; 4 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better and BIOL 200 “C” or better; CHEM 122 “C” or better
An introduction to micro-organisms with emphasis on principles and techniques of culture and identification, life processes, and diversity of micro-organisms.

BIOL 305 **Parasitology** 4 hours (3 hours lecture; 3 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better and BIOL 200 “C” or better; CHEM 122 highly recommended
A study of major protozoan, helminth, and insect parasites, dealing with their form, function, life cycle, pathology, epidemiology, classification, geographical distribution, treatment and control.

BIOL 307 **Plant Physiology** 4 hours (3 hours lecture, 3 hours lab)
Prerequisites: BIOL 200, 207, 208 and CHEM 301
A study of the biochemical and biophysical processes of plants. Emphasis is given to plant-soil water and mineral relations,
BIO 310  Ecology  4 hours
(Offered fall semester)  (3 hours lecture; 4 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; MATH 201 or 211; junior or senior status; PSYC 355 recommended
An examination of the interrelationships between organisms and biotic and abiotic factors in their environment. The emphasis of the lab is the collection and statistical analysis of quantitative ecological data.

BIO 313  Clinical Human Anatomy  3 hours
Prerequisites: BIOL 224 and 225 with minimum grade of “C”
This lecture course examines the structures of the human body using both systemic and regional approaches with emphasis on clinical applications and common pathologies. Special attention is placed on gross anatomy that is important in general practice, emergency medicine and surgery while demonstrating anatomy’s relationship to physical examination and diagnosis. An overview of the body systems is followed by a special focus on the thoracic, abdominal, pelvic and lower limb regions.

BIO 317  Botany  4 hours
(3 hours lecture; 3 hours lab)
Prerequisite: Grade of “C” or better in BIOL 224
A survey of the Fungi, Protista, and Plantae kingdoms with an emphasis on the morphology, physiology, anatomy, taxonomy, ecology, reproduction, and phylogeny of plants. The lab includes collection and analysis of experimental data on plants both in the lab and field. (Formerly BIOL 207)

BIO 320  Introduction to Entomology  4 hours
(3 hours lecture; 3 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better
An introduction to the study of insects including structure, physiology, life histories, ecology and taxonomy with a special emphasis on those insects of medical and economic importance.

BIO 321  Comparative Anatomy of the Vertebrates  4 hours
(3 hours lecture; 3 hours lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better
A comparative study of the structure and relationships of vertebrate animals.

BIO 330  Histology  4 hours
(3 hours lecture; 3 hours lab)
Prerequisites: BIOL 208 or BIOL 225 or BIOL 215/216
A study of the micro-structure and function of the human body with emphasis on biochemistry, cell physiology, and organ-ismal pathology.

BIO 361  Forensic DNA Analysis  3 hours
Prerequisite: CJUS 200, BIOL 225 or CHEM 122
An introductory course designed to provide the student with an understanding of the general principles and methodologies used in forensic DNA profiling (or typing). Topics covered include the historical development of DNA profiling methods, alternative procedures employed in forensic laboratories, current DNA typing techniques, and the ongoing development of new forensic DNA typing methods. Students will learn to present forensic DNA evidence in a mock trial. The mock trial, complete with a judge, a counsel for the prosecution and for the defense, and a jury, challenges the students both scientifically and legally in a simulated courtroom setting.

BIO 371  Vertebrate Paleontology  3 hours
(3 hours lecture)
Prerequisite: BIOL 208 “C” or better; or BIOL 225 “C” or better; or BIOL 215/216 “C” or better
A study of vertebrate paleontology, including its methodology and a survey of major vertebrate fossil groups. Intended for upper-level Biology majors.

BIO 385  Advanced Human Physiology  3 hours
Prerequisite: BIOL 208 or 225 with a “C” or better
Human physiology is the study of the functions of the body and how it maintains homeostasis. This lecture course examines those functions from a cellular and molecular basis using a systemic approach. Special attention is placed on medically vital systems including the nervous, cardiovascular, respiratory, digestive and endocrine systems. The course will be of use and interest to students intending to go to medical school or other health-related fields.

BIO 400  Biology Seminar  1 hour
Prerequisites: BIOL 310 or 415 and COMS 101
The preparation and presentation of a paper, discussion of presentations, and/or the discussion of articles in the scientific literature. This course can be repeated and up to 4 hours can be applied toward the major. Restricted to Biology majors and minors.

BIO 402  Forensic Science Seminar  1 hour
Prerequisite: COMS 101; BIOL 361 or CJUS 340
Students will be exposed to topical areas in Forensic Science by presentations conducted by expert guest speakers and/or by readings and discussions of the most recent forensic techniques and applications. Seminars will help prepare students to be leaders in the field of forensic science as law enforcement professionals, crime scene investigators, or forensic laboratory specialists. An oral presentation on a research topic by each student required.

BIO 403  Embryology  4 hours
(3 hours lecture; 3 hours lab)
Prerequisites: BIOL 415
Fundamentals of early development and experimental analysis of development systems and a descriptive and comparative study of organogenesis with emphasis on vertebrates.

BIO 408  Animal Behavior  4 hours
(3 hour lecture; 3 hour lab)
Prerequisites: BIOL 208 “C” or better; or BIOL 225 “C” or better
An introduction to the mechanisms and functional significance of animal behavior. Topics include: the role of genes, development, the nervous system, and the endocrine system in the expression of behavior; learning communication, orientation and navigation, and habitat selection; feeding, reproductive, and parenting strategies; mating systems and social behavior. Labs will employ both observational and experimental methods in the lab and in the field.

BIO 410  Environmental Biology  4 hours
(3 hour lecture; 3 hour lab)
Prerequisites: BIOL 310
Field and lab methods used by government and industry to assess the impact of a pollutant upon an ecosystem including toxicity testing, in stream evaluations of macro invertebrates and fish, exposure and risk assessment modeling.

BIO 415  Cell Biology  4 hours
(3 hour lecture; 3 hour lab)
Prerequisites: BIOL 301 and CHEM 301 or CHEM 301 concurrently
A study of the organization and function of living matter at the cellular level. Special emphasis will be given to the integration of molecular and cellular interactions for the maintenance of life.

BIO 416  Comparative Animal Physiology  4 hours
(3 hour lecture; 3 hour lab)
Prerequisites: BIOL 301 and CHEM 301
A comparative study of the differences and similarities in the functional processes of animals belonging to various animal groups in a variety of environmental settings.

### BUSINESS MANAGEMENT INFORMATION SYSTEMS

(Formerly CMIS & ISYS)

| BMIS 200/  | Enterprise Business | 3 hours |
| BMIS 300/  |                  |
| BUSI 200   | Applications Communications |
| Prerequisite: MATH 110 |
| This course examines the design, selection, implementation and management of enterprise Business solutions. The focus is on identifying critical business processes and envisioning how technology can be developed to provide solutions which generate competitive advantage. Students learn how applying frameworks and strategies around the Business Process and Organization Strategy provide a competitive advantage. Topics include MIS and IT fundamentals, Information Systems Management and Using Enterprise Business Applications for competitive advantage. The course also includes a component for Technical Writing for Information Systems. (Formerly ISYS and CMIS 110) |
| BMIS 208   | Application Programming | 3 hours |
| Prerequisite: BMIS 200 or CSCI 110 (can be taken concurrently) |
| Development of computer and programming skills, problem solving methods, and selected applications. This course provides a broad-based introduction to programming in Visual Basic. Students will learn how to build a program from the design phase all the way through to delivery. (Formerly CMIS 211) |
| BMIS 209   | C# Programming | 3 hours |
| Prerequisite: BMIS 208 or CSCI 111 or MATH 110 or higher; minimum grade of “C” |
| Development of computer and programming skills using the C# language. Students will learn how to use C# to develop stand-alone applications in an IDE. Advanced concepts, such as database connectivity and web applications will also be examined. (Formerly ISYS 211) |
| BMIS 212   | Object-Oriented Programming | 3 hours |
| Prerequisites: BMIS 208 or CSCI 111 or MATH 110 or higher; minimum grade of “C” |
| A study of the general-purpose, secure, object-oriented, portable programs. This course prepares students to program stand-alone applications. It will cover features such as programming concepts, data types, operators, flow control statements, objects, classes, methods, arrays, and strings. The concept of object-oriented programming is emphasized. (Formerly ISYS and CMIS 212) |
| BMIS 299   | Internship | 0 hours |
| Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind. |
| Application procedures processed through the Career Center. Must apply semester prior to internship. (Formerly ISYS 299) |
| BMIS 310/  | Web Architecture and Development | 3 hours |
| BMIS 310/  |                  |
| CSCI 310   |                  |
| CSCI 310   |                  |
| Prerequisite: BMIS 208 or BMIS 212 or CSCI 112; minimum grade of “C” |
| Provides students with thorough knowledge of the foundations of web architecture, current technologies utilized in the development of a web site, and criteria for assessing the usability of web sites. (Formerly ISYS and CMIS 310) |
BMIS 312  Advanced Object-Oriented Programming  3 hours
Prerequisites: BMIS 212; minimum grade of “C”
In-depth study of the advanced features of Java, with an
emphasis on the “why” as well as the “how to” of programming in
the Java language. This course also prepares students for the Sun
Certified Java Programmer exam. (Formerly ISYS and CMIS 312)

BMIS 320  IS Hardware and Software  3 hours
Prerequisite: BMIS 200 or CSCI 110 (can be taken concurrently)
Emphasis is placed on the role of the computer in information
processing, including the design of computer hardware and
operating systems, application programming, data storage, network
and client/server concepts, and systems development life cycle.
(Formerly ISYS and CMIS 320)

BMIS 325  Database Management Systems  3 hours
Prerequisite: BMIS 208 or BMIS 212 (with a minimum grade
of “C”); MATH 201 or BUSI 230
The study of relational database architecture, design, access,
administration and implementation in the context of various
organizational environments. The course includes issues of data
normalization, standard queries, and the use of popular relational
and object technologies for building business-oriented applications.
Assigned projects will provide hands-on experience with industry
leading SQL and RDBMS tools and ER CASE tools currently
popular in business and government settings. (Formerly ISYS 325
and CMIS 450)

BMIS 326  Introduction to Oracle  3 hours
Prerequisite: BMIS 325; minimum grade of “C”
This course introduces the fundamentals of database design
using an Oracle platform. Database administration will be
introduced as well as the basic concepts of data manipulation in an
Oracle environment.

BMIS 327  Advanced Oracle  3 hours
Prerequisite: BMIS 326; minimum grade of “C”
This course introduces the advanced topics of database
administration in Oracle. Multi-dimensional databases for Business
Intelligence applications will be examined as well.

BMIS 330  Business Data Communication Systems  3 hours
Business Data Communications. The study of the movement
of information (data) one device to another by means of electrical,
optical, radio or satellite transmission systems. This course will
introduce the architecture, concepts, terminology, design, and
management issues related to the modern environment of
networking and data communications. Various types of networks
and communication systems, protocols, regulatory issues and
policies will be explored. (Formerly ISYS and CMIS 330)

BMIS 331  Networks  3 hours
Prerequisite: BMIS 200 and 330; minimum grade of “C”
Building on the foundational knowledge of the 330 course,
this is a study in corporate data networking. This course primarily
focuses on switched networks (wired and wireless) with hands on
work on setting up and operating a switched network. Routed
networks fundamentals and concepts will be introduced to prepare
students for careers in networks operations and the follow-on
advanced networks class.

BMIS 335  Network Security  3 hours
Prerequisite: BMIS 330; minimum grade of “C”
A study of the control of unwanted intrusions into, use of, or
damage to a business’ computer network. This course will cover
elements that prevent unwanted activities in an efficient and cost
effective manner. This study will start with a focus on the business
challenges and threats network professionals face in their day-to-
day operations. It explores the nature and intent of hackers and
defines preventative measures such as Intrusion Detection
Systems, firewalls, and virtual private networks.

BMIS 340/ Studies in Information Security  3 hours
CSCI 340/
BUSI 417
This course introduces the basic issues and principles of
information system security such as security policies, their
mechanisms of implementation, means attackers use to
circumvent these protections, and defenses against these attackers.
(Formerly ISYS 340)

BMIS 341/ Information Security Planning  3 hours
CSCI 351
Prerequisite: BMIS 340 or CSCI 340
A comprehensive, end-to-end view of information security
policies and frameworks from the raw organizational mechanics of
building to the psychology of implementation. It presents an
effective balance between technical knowledge and soft skills, and
introduces many different concepts of information security in clear
simple terms such as governance, regulator mandates, business
drivers, legal considerations, and much more. With step-by-step
examples and real-world exercises, this course is a must-have
resource for students, security officers, auditors, and risk leaders
looking to fully understand the process of implementing successful
sets of security policies and frameworks.

BMIS 342  Cyber Security  3 hours
Prerequisite: BMIS 341; minimum grade of “C”
A comprehensive overview of the essential concepts students
must know as they pursue careers in information systems security.
Topics include a discussion of the new risks, threats, and
vulnerabilities associated with the transformation to a digital world,
including a look at how business, government, and individuals
operate today. Additionally, information is included from the
Official (ISC) 2 SSCP Certified Body of Knowledge and presents a
high-level overview of each of the seven domains within the
System Security Certified Practitioner certification.

BMIS 351  System Analysis and Design  3 hours
Prerequisite: BMIS 325; minimum grade of “C” and senior
status
This practical course in information systems development will
cover the concepts, skills, methodologies (RAD as well as SDLC),
and tools essential for systems analysts to successfully develop
information systems. The course will also introduce the student to
the Oracle Designer CASE tools, which will be used to assist in the
documentation of the analysis and design phases. The course will
include a significant amount of team-based activities, therefore
issues associated with team interactions and processes will be
discussed. (Formerly ISYS and CMIS 351)

BMIS 375/ Introduction to Human-Computer  3 hours
Interactions
CSCI 375
Prerequisite: BMIS 208 or BMIS 212 or BMIS 312 or CSCI 215
Study and application of the design and evaluation of effective
user interactive computer software, including user-centered design
principles, guidelines and evaluation for designing a software
product. Research-based project required.

BMIS 405  Business and Economic Forecasting  3 hours
BUSI 405
Prerequisites: MATH 201 or BUSI 230; ECON 214
Factors producing and study of cyclical movements, analysis of
their causes and methods of forecasting as well as study of
seasonal, erratic and other movements. (Replaces ISYS 220)

BMIS 410  Web Enterprise Technologies  3 hours
Prerequisites: BMIS 310; BMIS 325 or CSCI 325; minimum
grade of “C”
Provides students with thorough knowledge of current
technologies and best practices for developing database driven
dynamic websites including database and client side programming.
(Formerly ISYS 410)
BUSINESS

BUSI 101 Introduction to Business 3 hours

The student will study all of the major aspects of operating a modern business. Emphasis is given to business practice for both small business and large corporate enterprises.

COURSES OF INSTRUCTION – RESIDENT PROGRAMS

BMIS 430 Advanced Networking and Communication Systems 3 hours

Prerequisite: BMIS 330 or CSCI 355; minimum grade of “C”

This course focuses on routed data networks and the implementation of previously learned business data communications and switched networks concepts, principles and strategies to build a complete data communications network. This course is an in-depth study of technologies and equipment in modern communication networks. The TCP/IP stack and Cisco (or comparable) networking equipment are used to explore methodologies for designing, configuring, and maintaining communication networks. (Formerly ISYS and CMIS 430)

BMIS 440 Digital Forensics 3 hours

Prerequisite: BMIS 342; minimum grade of “C”

Students are introduced to the concept of computer crimes and the need for forensics specialists (people who know how to find and follow the evidence). System Forensics, Investigation, and Response begins by examining the fundamentals of system forensics, the role of computer forensics specialists, computer forensic evidence, and application of forensic analysis skills. It also gives an overview of computer crimes, forensic methods, and laboratories. It then addresses the tools, techniques, and methods used to perform computer forensics and investigation. Finally, it explores emerging technologies as well as future directions of this interesting and cutting-edge field.

BMIS 460 IS Project Management 3 hours

Prerequisites: BMIS 351 and ECON 214 with a minimum grade of “C”

Capstone course for MIS majors. Develops skills in managing the project development cycle in an organization. Topics include systems engineering, cost analysis, risk management, and managing the socio-technological elements of a project. (Formerly ISYS and CMIS 460)

BMIS 470 Executive Perspectives on E-Commerce Technology 3 hours

Prerequisites: BMIS 310, 351; minimum grade of “C”

The course synthesizes material presented in previous courses highlighting the challenge of communication electronic commerce technology issues to non-technically oriented executives. Specific topics will include: models of web business strategy; and non-business web applications in government and education. (Formerly ISYS 470)

BMIS 495 Directed Research 3 hours

Prerequisites: Senior status and permission of Department Chair

Individual study of advanced topics in management information systems. Includes periodic meetings with instructor. (Formerly ISYS 495)

BMIS 497 Special Topics in Information Systems 3 hours

Prerequisite: Permission of instructor

Selected topics in various areas of management information systems. May be repeated for credit when the topic varies. (Formerly ISYS 497)

BMIS 499 Internship 1-6 hours

Prerequisites: Junior or Senior status, required GPA and or permission of Faculty Intern Advisor

Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship. (Formerly ISYS 499)

BUSI 200/ Enterprise Business Applications and Communications 3 hours

Prerequisite: MATH 110

This course examines the design, selection, implementation and management of enterprise Business solutions. The focus is on identifying critical business processes and envisioning how technology can be developed to provide solutions which generate competitive advantage. Students learn how applying frameworks and strategies around the Business Process and Organization Strategy provide a competitive advantage. Topics include MIS and IT fundamentals, Information Systems Management and Using Enterprise Business Applications for competitive advantage. The course also includes a component for Technical Writing for Information Systems. (Formerly ISYS and CMIS 110)

BUSI 201 Intermediate Business Computer Applications 3 hours

Prerequisite: INFT 110 or equivalent

This laboratory experience offers the student a hands-on introduction to an electronic spreadsheet, a database program, and a presentation program. Upon this foundation, intermediate database and intermediate and advanced spreadsheet skills are taught. Throughout the course, there is an emphasis on the integration of the applications as they are applied to personal and organizational tasks. This course provides the IT foundations that are applicable for all curriculums. (Formerly ISYS/CMIS 201)

BUSI 221 Personal Finance 3 hours

Budgets, borrowing funds, stock ownership, savings, real estate as investments, and related tax matters are among the topics covered.

BUSI 230/ Introduction to Probability and Statistics 3 hours

MATH 201

Prerequisite: MATH 110, minimum grade of “C”

Introduction to descriptive statistics and probability, probability distributions, estimation, tests of hypotheses, chi-square tests, regression analysis, and correlation with applications in business and science.

BUSI 297 Seminar 1 to 3 hours

Elective course covering various basic areas common to most businesses and organizations. May be repeated when topics differ. Open to all students; pass/fail graded.

BUSI 299 Internship 0 hours

Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.

Directed applicable work experience under supervision of the Director of Business Internships and a business manager/professional in the student’s area of interest. Application processed through the Career Center. Must apply semester prior to internship.

BUSI 301 Business Law 3 hours

Prerequisite: Sophomore status

Designed to increase the understanding of the American legal system and those legal principles which apply to the business environment. Business organizations, torts, contracts, employment relationships and issues, intellectual property, and international law are among the topics discussed.

BUSI 303 International Business 3 hours

An introduction to the field of international business. Topics to be covered include: country differences in political economy and culture; cross-border trade and investment; the global monetary system; global strategy; global market; and product development; global operations management; and global human resources management.

BUSI 310 Principles of Management 3 hours

Management requires a balance between social (people) and technical (quantitative) perspectives, as well as between efficiency and effectiveness. This course emphasizes the application of these
perspectives in each of the planning, organizing, leading and controlling functions.

**BUSI 313 Foundations of Project Management** 3 hours

This course introduces the student to the field of modern project management and the fundamental processes of initiating, planning, executing, monitoring, controlling and closing projects. Students will learn the inputs and outputs and the tools and techniques of: defining the project, estimating project times and costs, developing project plans, managing risk, scheduling resources and their costs, reducing project duration, progress and performance measurement and evaluation and project closure. (Formerly BUSI 413)

**BUSI 320 Corporate Finance** 3 hours

Prerequisites: ACCT 212; Junior status

A study of the financial forms of business organization, with special attention to the corporation and its advantages and disadvantages; capital stocks and bonds; budgeting; dividend policy; failure and reorganization; financial accounting; and cash flows.

**BUSI 321 Money and the Financial System** 3 hours

Prerequisite: ECON 214

This course covers the structure and operation of the U.S. and international financial systems, functions of the Federal Reserve, monetary theory, and the impact of monetary policy on financial markets and the economy.

**BUSI 322 Managerial Accounting** 3 hours

Prerequisite: ACCT 212

Emphasis is upon utilization of cost data in planning and controlling activities. Internal and external data are woven into the planning models. Specific areas are: process job order, standard, functional relationships, and budgeting. Emphasis is placed upon the present value model for capital budgeting and decision making.

**BUSI 330 Principles of Marketing** 3 hours

Prerequisite: Sophomore status

The study of the system of activities that constitute marketing with emphasis on the principles, policies and strategies utilized to identify and satisfy the needs and wants of consumers. The universal application of marketing in all forms of organizations is stressed.

**BUSI 331 Marketing Research** 3 hours

Prerequisites: BUSI 330 and MATH 201 or BUSI 230

Theory and practice of marketing research will be covered with emphasis on development and evaluation of research projects.

**BUSI 340 Organizational Behavior** 3 hours

This introductory course in organizational behavior integrates the management and behavioral principles, techniques, and concepts associated with the productivity of organizational resources. It focuses on human behavior in organizations and is primarily concerned with improving organizational efficiency and effectiveness through increased understanding of the behavior of people at work.

**BUSI 342 Human Resources Management** 3 hours

Introduces the student to the human resources/personnel functions. Topics covered include: recruitment, assessment, compensation, motivation, appraisal, development, legal environment, labor relations, employee relations, etc. Emphasis on how managers can deal with and utilize the human resources function.

**BUSI 343 Employee and Labor Relations** 3 hours

Prerequisite: BUSI 342

A comprehensive study of collective bargaining; the negotiation process and the scope of labor contracts to include the day-to-day administration of contracts; the major substantive issues in bargaining to include their implication for public policy; and the problem of dealing with labor conflict.

**BUSI 352 Financial and Retirement Planning** 3 hours

This course is designed to provide an overview of the financial planning process with specific emphasis on retirement planning. Topics discussed will include: client/planner interactions; time value of money applications; personal financial statements development and assessment; cash flow and debt management; asset acquisition; education planning; planning elements of risk management; investment planning; and retirement planning; special needs planning review; integrating planning recommendations; financial planning ethics review; overview of practice management concepts.

**BUSI 354 Estate Planning** 3 hours

Estate Planning focuses on the efficient conservation and transfer of wealth, consistent with the goals of a financial planner’s clients. It is a study of the legal, tax, financial and non-financial aspects of this process, covering topics such as: trusts, wills, probate, advanced directives, charitable giving, wealth transfers, and related taxes.

**BUSI 360 Contemporary Issues in International Business** 3 hours

Prerequisites: BUSI 303

An analysis of current global developments and rapid change in areas that have the potential for an impact on the international business environment. Attention is given to the use of techniques for identifying and researching significant issues, extrapolating probable outcomes, and developing strategic responses. Corporate and entrepreneurial perspectives are considered.

**BUSI 365 Global Industries and Operations** 3 hours

Prerequisites: BUSI 303

An introduction to the organizational and operational dynamics of the various global industries and their rapidly growing importance to the world’s national economics and governments. Various aspects of the industries will be explored.

**BUSI 390 Business Common Professional Components** 3 hours

This course is designed to meet the common professional component for the Accreditation Council of Business Schools and Programs (ACBSP). Students in business-related programs need to attain general business competencies such that they may be better suited to understand the business environment. This course allows students to attain the minimal competencies required by ACBSP, such that their degrees are accredited as business-related programs.

**BUSI 400 Strategic Planning/ Business Policy** 3 hours

Prerequisites: Senior status (at least 90 credits) and completion of all 300-level Business courses

This capstone course for all business majors seeks to integrate the concepts, techniques, and knowledge of all areas of business administration. Its focus is strategic management which is studied in theory and then rigorously applied. This course is designed for final semester seniors.

**BUSI 405 Business and Economic Forecasting** 3 hours

Prerequisites: MATH 201 or BUSI 230

This course covers methods of collecting data, discovering data patterns, and selecting appropriate forecasting techniques. Time series and regression forecasting techniques are introduced.

**BUSI 409 Non-Profit Management** 3 hours

Management principles and techniques for the administration of a non-profit organization, including churches, charities, hospitals, and government organizations.

**BUSI 410 Managerial Economics** 3 hours

(Offered on demand only)

Prerequisites: MATH 201 or BUSI 230; ECON 214

Use of economic theory and decision-making techniques in business management. Economic forecasting, profit management,
capital budgeting, cost and demand analysis and pricing theory are covered.

BUSI 411 Operations Management 3 hours
Prerequisites: BUSI 201, 310, and MATH 201 or BUSI 230
A study of the challenges and opportunities facing managers of the operational functions of business, the value added areas where resources are transformed into goods and services. The wide ranging implications and applications of the concept of employee/team driven, customer-centered continuous improvement will be examined, as well as Total Quality Management principles. The study of operations management will involve some complexity as various quantitative management tools are examined and applied.

BUSI 412 Moral Business Leadership: Origins and Outcomes 3 hours
Prerequisite: BUSI 310 or consent of the instructor
An examination of the general field of administration with emphasis given to the synthesis of management, business, and ethical/moral practices throughout history. This broad-ranging course reviews the historical development of administrative theory and how contemporaneous thinking on moral practice, especially Christianity, has shaped economic life in the past and how it can continue to do so in our emerging global society.

BUSI 414 Project Management I 3 hours
Prerequisite: BUSI 313
This course provides focused instruction in the first five (of nine) project management competencies as delineated in the Project Management Institute’s Body of Knowledge (PMBOK): Project Integration Management, Project Scope Management, Project Time Management, Project Cost Management, and Project Quality Management. Students will apply processes to ensure project coordination, plan development processes, project plan execution processes and integrated change control processes.

BUSI 415 Project Management II 3 hours
Prerequisite: BUSI 313
This course provides focused instruction in the final four (of nine) project management competencies as delineated in the Project Management Institute’s Body of Knowledge (PMBOK): Project Human Resource Management, Project Communications Management, Project Risk Management, and Project Procurement Management. The course will provide students with processes to review organizational and human resource structures to develop and manage project teams; identify, analyze, plan for and respond to project risk; identify and acquire goods and services to implement and complete project plans; and, identify stakeholders, plan communications, and distribute information.

BUSI 416 Leading Global Projects 3 hours
Prerequisite: BUSI 313
This course provides instruction in global project management with emphasis on the integration of the interconnected themes of strategic project management, cross-cultural effectiveness, and project leadership.

BUSI 417/ Studies in Information Security 3 hours
BMIS 340/
CSCI 340
This course introduces the basic issues and principles of information system security such as security policies, their mechanisms of implementation, means attackers use to circumvent these protections, and defenses against these attackers.

BUSI 420 Investments 3 hours
Prerequisites: BUSI 320
A survey of corporate securities, financial securities, security markets, investment and portfolio analysis and administration. Investment companies, commodity markets and the stock exchange are also examined.
BIBLICAL WORLDVIEW

BWVW 101  Biblical Worldview I  1 hour
This course is designed to aid the student in the development of a biblical worldview. This will involve an introduction to critical thinking and other core competencies, an evaluation of contemporary moral philosophies, and an affirmation of absolute truth. Students will be challenged to integrate a biblical worldview into their major/program Christian/Community Service. (Formerly GNED 101)
<table>
<thead>
<tr>
<th>COURSES OF INSTRUCTION – RESIDENT PROGRAMS</th>
</tr>
</thead>
</table>

**BWVW 102  Biblical Worldview II**  
Prerequisite: BWVW 101  
This course is a study of contemporary moral issues encountered by students in their majors/programs and Christian/Community Service. Students will be challenged to evaluate these issues and understand their responsibilities to them in light of a biblical worldview. This class also offers students practice in all of Liberty’s general education competencies. (Formerly GNED 102)

**BWVW 301  Biblical Worldview Seminar**  
Prerequisites: BWVW 101, 102  
This course is an in-depth analysis of some of the predominant contemporary issues facing culture and the church. This course will focus upon the application of the biblical worldview to these select issues. Students will consider and discuss potential culturally-engaging solutions to solve various social problems arising from these issues. This focus will also be carried out in a required experiential “service learning” community project. (Formerly GNED 301)

**CARPENTRY**

**CARP 101  Foundations in Carpentry**  
Co/Prerequisite: CRFT 101  
Foundations in Carpentry is a practical course combining lecture and hands-on instruction. Topics addressed include: Orientation to the Trade; Building Materials, Fasteners, and Adhesives; Hand and Power Tools; Reading Plans and Elevations; Floor Systems; Wall and Ceiling Framing; Roof Framing; Introduction to Concrete, Reinforcing Materials and Forms; Windows and Exterior Doors; Basic Stair Layout.

**CARP 201  Intermediate Carpentry**  
Prerequisite: CARP 101  
Intermediate Carpentry is a practical course combining lecture and hands-on instruction. Topics include: Commercial Drawings; Roofing Applications; Thermal and Moisture Protection; Exterior Finishing; Cold-Formed Steel Framing; Drywall Installation; Drywall Finishing; Doors and Door Hardware; Suspended Ceilings; Window, Door, Floor and Ceiling Trim; Cabinet Installation; Cabinet Fabrication.

**CARP 301  Advanced Carpentry**  
Prerequisite: CARP 201  
Advanced Carpentry is a practical course combining lecture and hands-on instruction. Topics include: Rigging Equipment; Rigging Practices; Properties of Concrete; Reinforcing Concrete; Handling and Placing Concrete; Trenching and Excavating; Foundations and Slab-on-Grade; Vertical Framework; Horizontal Framework; Tilt-Up Wall Panels.

**CARP 401  Special Topics in Carpentry**  
Prerequisite: CARP 301  
Special Topics in Carpentry is a practical course combining lecture and hands-on instruction. Topics include: Site Layout One-Distance Measurement and Leveling; Site Layout Two-Angular Measurement; Advanced Roof Systems; Advanced Wall Systems; Advanced Stair Systems; Introduction to Light Equipment; Welding; Commercial Finish Work; Site Preparation; Introductory Skills for the Crew Leader.

**CONVERSATIONAL ENGLISH**

**CESL 101  Conversational English I**  
3 hours  
An introductory course designed to develop practical conversational English skills. Intended for students with previous basic English training and/or experience, at least in reading and writing.

**CESL 102  Conversational English II**  
3 hours  
Prerequisite: CESL 101  
An intermediate course to further the objectives of CESL 101 by expanding students’ practical conversational skills.

**CESL 103  Conversational English III**  
3 hours  
Prerequisite: CESL 102  
An advanced course and a continuation of Conversational English 101 and 102, with an increased focus on grammar and vocabulary supporting practical and advanced conversational skills.

**CONVERSATIONAL GERMAN**

**CGRM 101  Conversational German I**  
3 hours  
This is an introductory course designed to develop practical conversational German skills. Intended for students with no previous German training and/or experience.

**CGRM 102  Conversational German II**  
3 hours  
Prerequisite: CGRM 101  
This course will further the objectives of CGRM 101 by expanding students’ practical conversational skills.

**CGRM 103  Conversational German III**  
3 hours  
Prerequisite: CGRM 102  
This course will further the objectives of Conversational German 101 and 102, with an increased focus on grammar and vocabulary supporting practical conversational skills.

**CHEMISTRY**

**CHEM 105  Elements of General Chemistry**  
4 hours  
(3 hours lecture; 2 hours lab)  
Prerequisite: An intermediate level algebra course  
A study of the basic areas of general chemistry at an introductory level for the non-science major, including atomic and molecular structure; bonding, stoichiometry; and acids, bases and salts.

**CHEM 107  Essentials of General and Organic Chemistry**  
4 hours  
(3 hours lecture; 2 hours lab)  
Prerequisite or Co-requisite: MATH 110 or MATH 201 with a minimum grade of “C”; or MATH SAT Score of 550, MATH ACT Score of 20  
A study of the basics of general and organic chemistry at an introductory level, including atomic structure, bonding, acids and bases, organic functional groups and selected organic reactions.

**CHEM 121  General Chemistry I**  
4 hours  
(3 hours lecture, 2 hours lab)  
Prerequisites or Co-requisite: MATH 121 or MATH 126, or 131, or 132  
A study of the foundations of chemistry including: stoichiometry; atomic structure; chemical periodicity; covalent and ionic bonding; inorganic nomenclature; chemical reactions including aqueous precipitation, acid-base, and redox; basic thermodynamics in physical and chemical matter changes; electronic structure; molecular structure and polarity; gas laws.

**CHEM 122  General Chemistry II**  
4 hours  
(3 hours lecture; 2 hours lab)  
Prerequisite: CHEM 121  
A study of chemical topics including: behavior and properties of liquids, colligative properties of solutions; and properties of solids; kinetics; equilibrium; acids, bases, and other aqueous equilibria; entropy and free energy in chemical reactions; electrochemistry; nuclear chemistry; introductory organic and biochemistry.

### CHURCH HISTORY

| CHHI 301 **History of the Christian Church I** | 3 hours |
| A survey of the first fifteen centuries of the Christian Church including the persecutions, the rise of heresy, the development of Roman Catholicism during the Middle Ages, and the groups which dissented against Roman Catholicism. |
| **CHHI 302** History of the Christian Church II | 3 hours |
| A survey of the Christian Church from the 16th century to the present. Includes the background, development and results of the Reformation, modern missions, the ecumenical movement, American Christianity and Evangelism. |
| **CHHI 400** Leaders and Issues in the Early Church | 3 hours |
| A study of the development of the Church from A.D. 100 to 451. Includes a survey of Apostolic, Greek and early Latin Fathers. Topics include apologetical and polemical writers, Roman persecutions, Christological controversies, early monasticism and the emerging Roman Church. Primary sources in English translation will be used. |
| **CHHI 403** Reformation | 3 hours |
| A survey of the background, development, personalities, issues and results of the Reformation of the Sixteenth Century. The magisterial phase, the Anabaptists and the counterreformation will be dealt with in their interrelations. |
| **CHHI 404** History of Baptists | 3 hours |
| A survey of the Anabaptist background and influences on English Baptists and Baptist progress to the present day. Includes various Baptist groups, large and small, of differing theological persuasions, denominational, and independent. |
| **CHHI 405** History of Anti-Semitism | 3 hours |
| A systematic study of the history of Anti-Semitism from ancient times to the modern period. Consideration will be given to the question of New Testament influence, early church attitudes, the rise of medieval anti-Semitism, the Crusades, Islamic, Reformation and Post-Reformation period, the rise of Nazism, Anti-Zionism and the post-9/11 resurgence. |
| **CHHI 495** Directed Research | 1 to 3 hours |
| The student is given an opportunity to pursue guided research in an area approved by the instructor. The course is structured to acquaint the student with the methodology of historical research and writing. |
| **CHHI 497** Special Topics in Church History | 1 to 3 hours |

### CHINESE

| CHIN 101 **Elementary Chinese I** | 3 hours |
| A beginning course in the Mandarin Chinese language (Putonghua) with primary emphasis on the development of audio-lingual, as well as reading and writing, skills. Intended for students with no previous Chinese training. |
| **CHIN 102** Elementary Chinese II | 3 hours |
| Prerequisite: CHIN 101 |
| A continuing course in the Mandarin Chinese language (Putonghua), with primary emphasis on the development of audio-lingual, as well as reading and writing skills, with a proficiency objective of the level of intermediate low, and achieving an increasing understanding of Chinese culture. |
CHMN 202 Intermediate Chinese II 3 hours
Prerequisite: CHMN 201
A continuing course in the Mandarin Chinese language (Putonghua) with primary emphasis on the development of audio-lingual, as well as reading and writing skills, with a proficiency goal of the level of intermediate high, and achieving an increasing understanding of Chinese culture.

CHIN 201 Intermediate Chinese I 3 hours
Prerequisite: CHIN 102
A continuing course in the Mandarin Chinese language (Putonghua) with primary emphasis on the development of audio-lingual, as well as reading and writing skills, with a proficiency goal of the level of intermediate mid, and achieving an increasing understanding of Chinese culture.

CHIN 300 Church Ministry Practicum II 1 hour
Prerequisites: CHMN 201, 205
A faculty supervised practical ministry experience at an approved ministry site emphasizing leadership skills. This is a continuation of Practicum I at an approved ministry site. Students are placed in a leadership role to learn principles of team ministry and develop skills in preparation, planning, and presentation. This course is designed to be taken the first/second semester of a student’s junior year. (The course consists of forty (40) hours of ministry experience that must be completed during the semester in which the student is registered for the course. Assessment of the student’s ministry experience will be required for this class.) (Available Spring 2015)

CHMN 497 Special Topics in Chinese 3 hours
Prerequisite: CHIN 202
Topics will vary and are offered on demand. Course may be repeated for credit, when topics differ.

CHMN 499 Internship 3 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Supervised field experience for those preparing for church ministry. Application procedures processed through the Career Center. Must apply semester prior to internship.

CHMN 360 Foundations in Ministry Programming 3 hours
Prerequisites: CHMN 201, 205, 300 (may be taken in conjunction with 300)
A study of the foundational components of church ministries programming which includes: developing a philosophy of ministry, ministry assessment, calendar planning, budgeting, leadership development, and safety issues.

CHMN 447 Discipleship in Church Ministries 3 hours
Prerequisites: CHMN 201, 205, 300, 447
A capstone course designed to equip the student in developing the right church or ministry, personal piety, and staff relations and development.

CHMN 498 Church Ministries Capstone 3 hours
Prerequisites: Senior status; should be taken during the last semester of coursework
A capstone course designed to equip the student in developing a master plan for ministry, and will focus on reviewing the acquired knowledge, value and skills of the church ministry curriculum. This course seeks to integrate the concepts, techniques, and knowledge of all areas of church ministry. This course is designed to be taken the final semester for graduating seniors. Attention is given to the student’s spiritual, personal and ministry life.

CHMN 450 Leadership and Management in Ministry 3 hours
Prerequisites: CHMN 201, 205, 300, 447
This course is designed to teach the student the basic organization necessary for an effective local church and Christian ministry. Emphasis is placed on the development of biblical management and leadership skills. Attention is given to the student’s spiritual life, personal life, and ministry life. Topics addressed include the call to ministry, stages of ministry, finding the right church or ministry, personal piety, and staff relations and development.

CHMN 495 Directed Research 1 to 3 hours
Prerequisites: CHMN 201, 205, 300
Directed research of selected projects, with special topics that vary from semester to semester. Course may be repeated for credit, when topics differ.

CINE 101 Cinematic Arts Appreciation I 3 hours
The cinematic arts have a colorful history and a body of criticism and theory that has been developed regarding the production and viewing of films. Through the viewing and analysis of selected films the student will be introduced to the major theories and history of the art form.

CINE 201 Introduction to Screenwriting 3 hours
This is a methods course intended to provide instruction in the fundamentals of screenwriting. Basic three-act structure, writing techniques, character development, and screenwriting software will be covered. This class may be used as part of the required CORE curriculum needed for students to apply and enter into the residential Center for Cinematic Arts cohort their Junior year.

**CINE 202 Introduction to Motion Picture Directing**

This is a methods course intended to provide instruction in the fundamentals of motion picture directing. Analyzing scripts, adjusting actor performance and director responsibility in the workplace will be discussed.

**CINE 203 Introduction to Cinematography**

This is a methods course intended to provide instruction in the fundamentals of visual storytelling.

**CINE 204 Guerilla Filmmaking**

Students will learn the concepts of producing low-budget professional independent films from license and rights to distribution.

**CINE 271 Introduction to Pro Tools**

Prerequisite: (Recommended) Basic understanding of recording techniques, processes, and equipment

This course covers basic Pro Tools principles. It provides everything you need to complete a Pro Tools project – from initial setup to final mix-down. The course focuses on Pro Tools software and covers a multitude of new functions and feature enhancements. Whether your project involves recording live instruments, MIDI sequencing of software synthesizers, or audio editing or region looping, this course will give you the basic skills to succeed.

**CINE 272 Pro Tools Production I**

Prerequisite: CINE 201, 202, 203; Program Director waiver, if needed

This course provides a more detailed look at the Pro Tools system above and beyond the knowledge you gained in the Pro Tools 101 course. It covers all the key concepts and skills needed to operate a Pro Tools system at the User level. This course, along with Pro Tools 101, provides the foundation to Pro Tools User Certification and for the later 200-series of courses on Pro Tools music and post production.

**CINE 301 Cinema Legal Environment**

Prerequisites: Sophomore standing

The legal environment of filmmaking can often be difficult to navigate. This course aims to present general principles within the cinematic arts legal environment that are fundamental to a career in the filmmaking industry. Students will investigate cases and research topics related to intellectual property, copyrights, product placement, script options, and cinematic arts business ethics.

**CINE 302 Story Analysis**

Prerequisites: CINE 201, 202, 203; Program Director waiver, if needed

An intensive study of film theory, focusing both on international cinema and classic Hollywood Films, the course includes analysis and application. Topics covered include story structure, montage, and the development of visual and narrative techniques.

**CINE 303 Producing and Directing**

Prerequisites: CINE 201, 202, 203; Program Director waiver, if needed

A practical study of the various theories and methodologies of Cinema direction and producing using application, classroom examination and exercises.

**CINE 304 Production**

Prerequisites: CINE 201, 202, 203; Program Director waiver, if needed

A study of the theory and practice in planning, execution of various digital cinema productions with emphasis on skill development and production techniques.

**CINE 305 Editing**

Prerequisites: DIGI 323, CINE 202, 203; Program Director waiver, if needed

Study techniques and aesthetics of storytelling through Post-production. These techniques will address both the visual and audio process, as well as the tools that make it possible.

**CINE 306 Acting Fundamentals for Camera**

The study of the profession of film acting and the film industry’s expectations of the actor and director.

**CINE 350 Thesis-Production**

Prerequisites: CINE 201, 202, 203; Program Director waiver, if needed

Study techniques to translate written scripts into visual storytelling by making a short film using High Definition equipment. Storytelling techniques employed will encompass the fundamental technical understanding of working with digital camera, lenses, lighting, sound, hair/make up, wardrobe, and production design.

**CINE 351 Thesis Post-Production**

Prerequisites: CINE 201, 202, 203, and the first two semesters of the Cinematic Arts cohort; Program Director waiver, if needed

Retell the story in the post-production process by evaluating the potential of an entertainment property of a film within a market in order to ensure maximum exposure. (Formerly CINE 451)

**CINE 352 Feature Screenwriting**

Prerequisites: DIGI 323, 333, CINE 202, 203, 305, 352, THEA 320, CSTU 301

Write character-driven plots, while insuring that what is written translates to the screen as intended. Students will understand the business of writing while learning to write, edit, develop characters, and pitch the resulting screenplay.

**CINE 354 Audio Production**

Prerequisites: CINE 201, 202, 203, and the first two semesters of the Cinematic Arts cohort; Program Director waiver, if needed

Audio production for Cinematic Arts is the study of how sound is captured, manipulated and presented in the world of on-screen storytelling. Students will learn and experience proper sound theory and engineering by creating and polishing sound design in a thesis film project.

**CINE 400 Feature Pre-Production**

Prerequisites: DIGI 323, 333, CINE 202, 203, 305, 350, 352, 353 THEA 320, SCOM 345, CSTU 301, BUSI 301

Students will produce a long-format movie as a class by first gaining the understanding about how departments interface within their respective duties in order to bring the project to the production phase of moviemaking.

**CINE 401 Branding and Entrepreneurship**

Prerequisite: Junior/Senior status

A practical study in the dynamics of establishing, funding, and managing a small new enterprise, or acquiring an existing business using case studies, practical exercises, and class instruction.

**CINE 402 Feature Production**

Prerequisites: DIGI 323, 333, SCOM 345, CINE 202, 203, 305, 350, 352, 353 THEA 320, CSTU 301, BUSI 301

Through the production of a long-format film, students, working on a class project will be immersed in the understanding of leading and crewing narratives and documentaries, as these films incorporate increasingly advanced technical demands, and sophisticated production.

**CINE 450 Marketing and Distribution**

Prerequisites: CINE 201, 202, 203, and the first three semesters of the Cinematic Arts cohort; Program Director waiver, if needed

A practical study in the dynamics of marketing and distributing of film, using case studies, practical exercises, and class instruction. The class covers strategies and thought processes behind planning release schedules, designing movie posters, setting up co-branded marketing efforts, estimating budgets, maximizing/leveraging publicity from film festivals. In addition, the class will focus on the marketing/distribution of a variety of film projects.
films including tent-pole blockbusters, and small independent personal art house films. Distribution modalities for theatrical, direct to DVD, TV, VOD, and SVOD will be explored. Students will implement a grass roots marketing campaign through the various mediums of social media to market their thesis film or feature length screenplay. (Formerly CINE 352)

CINE 452 Advanced Post Production 3 hours
Prerequisites: CINE 201, 202, 203, and the first three semesters of the Cinematic Arts cohort; Program Director waiver, if needed

Advanced post-production focuses on completing a student’s senior thesis project. It involves learning and using finishing tools such as color correction and basis effects. Students go through the final post production process of taking the film from raw footage (4k) to final deliverables.

CINE 453 Screenplay Rewrite 4 hours
Prerequisites: CINE 201, 202, 203, and the first three semesters of the Cinematic Arts cohort; Program Director waiver, if needed

The screenplay rewrite is the mature subjective examination of one’s work. In this course, students will learn how to evaluate a script based on specific principles of dramatic writing. The script will be analyzed and observations made by asking: Does the script maintain the stated theme? Are character arcs fully realized? Is the story structure well defined? Is there a clear hero objective throughout the story? Does the action of the story proceed with conflict and direction? “Rewriting is where the game is won or lost; rewriting is the essence of writing.” – William Zinsser, On Writing Well.

CINE 454 Advanced Audio Production 3 hours
Prerequisites: CINE 201, 202, 203, and the first three semesters of the Cinematic Arts cohort; Program Director waiver, if needed

Advanced audio production for Cinematic Arts further explores the creative and technical field of sound design. The course will develop student’s abilities in spotting music, placing and editing sound effects, and multi-format surround sound deliverables. This course builds on the knowledge and experience developed in the Audio Production (CINE 354) class. Students will polish their thesis film projects in 5.1 and/or 7.1 surround sound formats and develop specific international deliverables, such as an M&E mix.

CINE 455 Persuasion 3 hours
Prerequisites: CINE 201, 202, 203, and the first three semesters of the Cinematic Arts cohort; Program Director waiver, if needed

The study, analysis and practice of argument, rhetoric used to change attitudes, beliefs, and behaviors of targeted audiences in cinematic art.

CINE 497 Special Topics Workshops in Cinema 1 to 3 hours

Workshops in digital film production processes and techniques. Analysis of successful and unsuccessful production methods. Professional relationships and networking.

CINE 499 Cinema Internship 3 to 9 hours
Prerequisites: Student must have a GPA of 3.00; have completed specific degree requirements as required by the program, have completed the internship application process and have prior approval from the Program Executive Director.

Supervised field experience within the Film Industry, corporations, government agencies, schools and community organizations to expand career interests and apply subject knowledge relevant to the workplace. Individualized internship placements to develop personal and professional skills, including professional ethics, leadership, and civic responsibility.

Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

COURSES OF INSTRUCTION – RESIDENT PROGRAMS

CRIMINAL JUSTICE

CJUS 200 Introduction to Criminal Justice 3 hours
Prerequisite for all other CJUS courses
An introductory course covering an overview of the whole criminal justice system in America, including discussion of law enforcement generally, the court systems, correctional organizations, the history of law enforcement in the U.S. and some other nations, and the ethics and philosophy of criminal justice generally.

CJUS 230 Criminal Justice Research and Writing 3 hours
Prerequisite for all other CJUS courses; recommended to be taken concurrently with CJUS 200.
This course is an introductory course to research in the social sciences, both in traditional and online venues. It covers plagiarism, APA formatting, case briefing, academic writing, formal reporting, and memoranda. A major research paper is required.

NOTE: CJUS 200 and 230 are a prerequisite for all other Criminal Justice courses.

CJUS 299 Internship 0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Application procedures processed through the Career Center. Must apply semester prior to internship.

CJUS 300 Administration of Justice Organizations 3 hours
This course is designed to familiarize the student with the theoretical and practical management perspectives embraced by the American criminal justice system. This will include nature of criminal justice organizations, individual and group behavior within those organizations, processes inherent in those organizations, and areas of criminal justice reform from a Christian perspective.

CJUS 310 Juvenile Justice 3 hours
This course is designed to provide an in-depth study of the juvenile justice system in the United States. CJUS 320 Corrections 3 hours
This course is designed to familiarize the student with the criminal correctional system in the United States. The student will review the history of corrections and procedural, statutory, and case law of American correction.

CJUS 321 Juvenile Corrections 3 hours
Examines the extent to which juvenile correctional interventions are used. Provides an in-depth analysis of various correctional responses to juvenile offenders including diversion, community-based, and residential programs.

CJUS 322 Community Based Corrections 3 hours
This course introduces the student to the new philosophies within corrections to establish successful rehabilitation programs in the community and outside of traditional prison settings. Students will analyze different programs that are being implemented nationally to include electronic monitoring, boot camps, and restorative justice programs.

CJUS 323 Delinquency and Crime Prevention 3 hours
Explores various strategies for prevention of adult and juvenile crime with particular attention to the theoretical and empirical bases for these approaches. Students will develop a crime prevention plan.
CJUS 324 Legal and Ethical Issues in Juvenile Justice 3 hours
An overview of legal issues and court decisions related to juvenile justice. An analysis of the various ethical issues surrounding juvenile justice contexts and practices.

CJUS 330 Judicial Process 3 hours
This course is designed to increase the understanding of the criminal judicial process in the United States. It includes a study of the functioning of courts, judges, lawyers and law enforcement agencies, including judicial decision-making and the impact of court decisions on the American Republic.

CJUS 340 Criminology 3 hours
This course is designed to examine theories regarding the nature and cause of criminal behavior and society’s response. It approaches crime from a philosophical, psychological, and sociological perspective. Most importantly, this course strives to integrate a theological, perspective to crime and punishment. (Formerly CJUS 210)

CJUS 350 Criminal Justice Ethics 3 hours
This course is designed to build upon the biblical foundations students should have developed from other courses (such as BIBL 105/110 and THEO 200/201) and enhance foundational ethical considerations into more developed and practical notions of right behavior within the realm of criminal justice praxis.

CJUS 360 Introduction to Forensics 3 hours
An introductory overview of forensics and how it is applied to the justice system by law enforcement agencies. This course demonstrates the importance of documenting physical evidence and identifying various kinds of evidence such as: fingerprints, trace, tool marks, DNA, etc.

CJUS 361 Crime Scene Photography 3 hours
Prerequisite: CJUS 360; can be taken concurrently with CJUS 363
Students will learn and apply principles of photography in digital format. Within the field of forensic science, the use and understanding of photography is essential. The course will focus on the areas of aerial, underwater, and macro photography as used to document and present criminal investigations. Students must have access to a digital camera that has aperture settings (example: Sony P200) and a tripod.

CJUS 362 Crime Scene Management 3 hours
Prerequisite: CJUS 361; can be taken concurrently with CJUS 363
This course will address critical thinking, resource management, supervision, and investigative failures in criminal investigations. A detailed explanation of how to effectively manage a forensics investigation and how to preserve and present evidence will be covered.

CJUS 363 Computer and Cyber Forensics 3 hours
Prerequisite: CJUS 360; can be taken concurrently with CJUS 361 or 362
The course will focus on the role of computer forensics and the methods used in the investigation of computer crimes. The course explains the need for proper investigation and illustrates the process of locating, handling, and processing computer evidence.

CJUS 380 Introduction to Homeland Security 3 hours
An introduction to the public and private sector dimension of the broad range theoretical and practical aspects of homeland security and emergency management, including: origins of natural and terrorist-caused disasters; local, state, and federal emergency management planning and operations; health infrastructure capabilities, public communication strategies; business community concerns; ethical, legal, and constitutional questions; as well as the social and psychological dimensions of disasters. NRF, NIMS, ICS, IC, and UC will be examined. Further, national and association standards found in agencies and documents such as Presidential Directives, NFPA 1600, IAEM, and IACP will be examined.

CJUS 381 Incident Command System/Emergency Planning and Incident Management 3 hours
Prerequisite: CJUS 380
An introduction to the basic tasks of emergency preparedness and disaster mitigation, including planning, response, and recovery. Special emphasis will be placed on command arrangements, coordination, and budgetary issues among emergency responders (law enforcement, firefighters, transportation, public works, and health care system officials), and within and between federal, state, and local governments.

CJUS 382 Critical Infrastructure Protection 3 hours
Prerequisite: CJUS 380
Identification, prioritization, and protection of critical infrastructure including agriculture, cyber and information technology, telecommunications, chemical, transportation, energy, water, medical, emergency services, and postal and shipping. Impact on personal safety, structural integrity and security, and economic performance.

CJUS 383 Behavioral Dimensions of Disaster 3 hours
Prerequisite: CJUS 380
This course focuses on the sociological, psychological, and physiological human responses to natural and human-made disasters. Students will examine normal and abnormal psychological reactions, the recovery process, and principles of mental health care for victims and responders of disasters. Differences between natural and human-made disasters are examined and factors that mitigate post-traumatic effects are reviewed. Response of the public and individuals to disaster-related issues including: disaster warning, evacuations, relations, civil unrest, loss of family and property, and recovery activities are examined. Sociological and psychological aspects of Weapons of Mass Destruction (WMD) disasters are also considered. Students develop an awareness of the effect of human influence and behavior on disaster response and recovery.

CJUS 400 Criminal Law 3 hours
Prerequisites: CJUS 200 and 230 or GOVT 200 and 346
This course is designed provide an overview of the legal elements that apply to criminal law, procedure, and evidence, including proof, intent, conspiracy, classifications of crimes and related punishments, culpable mental states, defenses, rules of evidence (including the exclusionary rule), and rights and procedures in the gathering of evidence.

CJUS 405 Interview and Interrogation 3 hours
(Note: Extra costs above tuition and fees apply)
Prerequisites: Upper Division Standing
This class is an advanced exploration of the mechanics of interview and interrogation. The class instruction will focus on behavior symptom analysis, interviewer characteristics and interview environment, interviewing protocol, factual analysis, evaluating the alibi, the Behavioral Analysis Interview, and the Reid Nine Steps of Interrogation.

CJUS 410 Constitutional Criminal Procedure 3 hours
This course is designed to study the constitutional provisions and Supreme Court decisions affecting law enforcement procedure, including due process of law generally, arrest, charges, right to counsel, search and seizure, identification, bail, trial and post-trial proceedings, and post-conviction appeals. The course also investigates civil liability for acts of law enforcement personnel.

CJUS 420 Criminal Investigations I 3 hours
(Offered fall semester)
This course will address the constitutional requirements for conducting criminal investigations, essential techniques for processing a crime scene, and methodology for collecting evidence via subpoenas and interviews.
CJUS 421  Criminal Investigations II  3 hours  
(Offered spring semester only)  
Prerequisite: CJUS 420  
This course will apply the concepts addressed in CJUS 420 to specific crimes, including arson, rape, robbery, and murder. Additionally, the course examines the practices and procedures associated with the management of complex criminal investigations.

CJUS 422  Forensics Colloquium  1 hour  
This course is a collection of practically oriented lectures, demonstrations, and short films specifically tailored to students interested in the application of scientific processes in identifying, locating, apprehending, and prosecuting criminal offenders. It will draw on practitioners within the various fields of the forensic science, police, prosecutors, and defense attorneys. This course is elective. Criminal Justice majors should consider enrolling for three semesters.

CJUS 450  Comparative Criminal Justice Field Study  3 hours  
(Summer term only)  
This course is a predominantly on-site investigation into the institutions, processes, and practices of criminal justice in various foreign countries. It seeks to examine the historical development of criminal justice, the cross-cultural and economic impact of international crime, and competing notions of justice, crime, and punishment. This course is offered annually or bi-annually, as needed.

CJUS 497  Special Topics in Criminal Justice  3 hours  
Prerequisites: Junior or Senior status and required GPA  
Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

CLED 300  Biblical and Theological Foundations of Christian Leadership  3 hours  
This course will explore the biblical and theological foundations for Christian leadership. Old and New Testament examples of leadership will be analyzed and the foundations of current leadership principles will be discussed.

CLED 365  The Personal Development of the Leader  3 hours  
This course is designed to help the student examine the life of the leader. In addition to examining the development of an individual’s leadership skills, several other issues will be explored such as the ordering of one’s private world, the personal character of the leader, and becoming a leader that lasts.

CLED 410  Team Dynamics in Christian Leadership  3 hours  
Prerequisites: CLED 300  
This course is designed to focus on the role of Christian leadership in establishing effective teams for ministry in the church and the marketplace. It will guide the student through a biblical and theological basis for team ministry as well as consider foundational material from the social sciences. An analysis of various roles and ministry team dynamics in a multiple-staff ministry will be covered. Principles for leading organizational change will also be examined.

CLED 425  Ethical Issues in Christian Leadership  3 hours  
Prerequisites: CLED 300  
Christian Leadership embraces general accepted leadership principles and practices, with the additional inclusion of biblically based spiritual dynamics. It is this emphasis on biblically based spiritual dynamics that raises the expectations of leadership practices. As a result, ethical issues have emerged that require thoughtful consideration, when it comes to participation, procedure, and practice.

CLED 499  Christian Leadership Internship  3 hours  
Prerequisites: Junior status; 21 hours in the major including CHMN 447 and CLED 410  
This course is designed to equip students with the study skills necessary for success at the college level. It teaches self-management skills such as organization and time management, as well as learning strategies including memory and test-taking. Students are also encouraged to discover their individual learning styles, while incorporating practical application techniques.

CLST 101  College Learning Strategies  1 hour  
This course is designed to equip students with the study strategies necessary for success at the college level. It teaches self-management skills such as organization and time management, as well as learning strategies including memory and test-taking. Students are also encouraged to discover their individual learning styles, while incorporating practical application techniques.

CLST 102  College Reading Improvement  1 hour  
This course is designed to teach students the essential reading skills necessary to improve their ability to comprehend the material contained in college textbooks. Topics include analytical reading, critical reading, and vocabulary development.

CLST 103  Individualized Curriculum to Support Academic Success  1 hour  
This course is an individualized curriculum spanning a spectrum of topics such as English, math, professional test-taking, and/or study strategies. The course is self-paced with instructor guidance and accountability to reach desired outcomes.

CLST 104  College Transition and Study  3 hours  
This summer program is designed to equip students with the knowledge and study skills necessary for successful transition to a Christian university setting, while facilitating academic, spiritual, and social development. Interaction between faculty and students establishes high academic expectation and encourages connection to community and university life. Neither CLST 100 nor 101 may be taken for credit if a student has already completed CLST 104.

CLST 105  Strategies for the Application of College Learning Skills  1 hour  
This course provides strategies that will enable students to apply college learning skills to their current courses. It incorporates one-on-one mentoring, as well as weekly accountability. It is designed to foster an awareness of current academic progress and to encourage the motivation and responsibility necessary for academic success.

CLST 301  Advanced Reading/Vocabulary Development  1 hour  
This course focuses on building personal/professional vocabularies and accelerating reading speed/comprehension. Higher level critical reading skills are developed for upper-level and graduate courses.

COMS 101  Speech Communication  3 hours  
Prerequisite: ENGL 100 or advanced standing in the English Placement Test  
Study and practice in communicating ideas competently in public speaking. Students are also given a foundation for development of communication skills in other human communication contexts, including dyadic and small group communication.

COMS 497  Special Topics in Communication Studies  3 hours  
Topics of special interest not included in the regular department offerings. May be taken more than once, but no topic may be repeated.

Prerequisite: CSCI 112 or BMIS 212 with a minimum grade of “C”

This course introduces students to the usage and administration of the UNIX Operating System. The course will emphasize end-user tools and commands for basic file manipulation, editing, compilation and debugging, as well as special features of the UNIX shell environment. Basic system administration will also be covered. Students will learn through a combination of traditional lectures, hands-on laboratory sessions, and individual assignments.
CSCI 351 Information Security Planning 3 hours
Prerequisites: BMIS 340 or CSCI 340
This course will deal with the proper planning for and initial implementation of an Information Security program. The topics included would be: security planning and policies; risk analysis; program accreditation; systems lifecycle management; contingency planning; physical security measures; personal security practices and procedures; software security; network security; administrative controls; crypto security.

CSCI 352 Information Security Operations 3 hours
Prerequisite: BMIS 340 or CSCI 340
This course will cover the issues and tasks involved in the day to day operation of an Information Security System. The topics included in this course would be: risk management, auditing and monitoring, regulations and compliance, disaster recovery, incident response, key management, information systems hardware and software operation, networks and transmission security, operational security, and cryptography.

CSCI 355 Computer Network Architecture and Programming 3 hours
Prerequisite: CSCI 215 with a minimum grade of “C”
A study of how computer networks and internets operate. Investigates networking from the level of data transmission and wiring through the level of application software that provides networking functionality. Topics include: data and packet transmission, LANs and WANs, and internet concepts, including architecture, protocol layering, and application software.

BMIS 375 Interaction 3 hours
Prerequisite: CSCI 215 or BMIS 312; minimum grade of “C”
Study and application of the design and evaluation of effective user interactive computer software, including user-centered design principles, guidelines and evaluation for designing a software product. Research-based project required.

CSCI 405 Web Services 3 hours
Prerequisites: CSCI 315 or CSCI 316; minimum grade of “C”
This course provides an in-depth look at current enterprise level technologies used for standardized business-to-business communication among client-server applications using Internet Services technologies. It covers modern technologies used as well as new and rising technologies. Due to the particularly dynamic nature of Internet technologies, course content will change as appropriate.

CSCI 416 AITE Capstone 3 hours
Prerequisites: CSCI 405; minimum grade of “C”
This is the capstone course. The student will learn to work in teams in the programming of their capstone project. The teams will give both written and oral presentations to their clients.

CSCI 434 Theory of Programming Languages 3 hours
Prerequisites: CSCI 215 (Minimum grade of “C”) and MATH 350 (Minimum grade of “C”)
A theoretical study of programming languages. Introduction to grammars and parsers. Language design issues and practical applications.

CSCI 443 Operating Systems 3 hours
Prerequisite: CSCI 342 with a minimum grade of “C”

CSCI 465 Technical Aspects of Information Security 3 hours
Prerequisites: CSCI 355 with minimum grade of “C”
This course introduces the following issues and principles of information system security: security policies and their mechanisms of implementation, methods used by attackers attempting to circumvent these protections, and specific defenses against these attackers.

CSCI 466 Modern Cryptography 3 hours
Prerequisites: CSCI 215 (Minimum grade of “C”) and MATH 350 (Minimum grade of “C”)
Study of modern cryptographic techniques. Covers basic cryptographic concepts, including symmetric key, public key, hash functions, digital signatures, and message authentication codes.

CSCI 481 Software Engineering 3 hours
Prerequisites: CSCI 215 with a minimum grade of “C” and Senior Status
Study of the software development process. Topics include: phases of a software project; life-cycle models; metrics; tools; and ethical and professional issues. Participation on team projects is integral. (Formerly CSCI 415)

CSCI 482 Applied Software Engineering 3 hours
Prerequisite: CSCI 481 with a minimum grade of “C”
A hands-on experience that requires students to apply the skills and knowledge gained throughout the Computer Science program. A team solution of a real-world project is required.

CSCI 495 Directed Research 1 to 3 hours
Prerequisite: CSCI 215 with a minimum grade of “C” and permission of instructor
Study of advanced topics in computer science on an individual basis. Periodic meetings with instructor.

CSCI 497 Special Topics in Computer Science 3 hours
(Offered on demand)
Prerequisite: CSCI 215 with a minimum grade of “C” and permission of instructor
Selected topics in various areas of computer science. May be repeated for credit when topic varies.

CSCI 499 Computer Science Internship 1 to 6 hours
Prerequisites: Junior status, required GPA and permission of Faculty Intern Advisor.
Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

CSIS 352 System Administration 3 hours
Prerequisite: BMIS 320
Principles of system administration activities, applications, operating systems, and domains; analysis of computing applications, infrastructures, architectures, firmware, hardware, disaster recovery, security, and enterprise deployment.

CSIS 354 Integrative Programming and Technologies 3 hours
Prerequisite: BMIS 320
Examines the integration of systems and applications across global businesses; explores programming interfaces, data mapping and exchange, scripting, and programming languages to support the configuration, maintenance, integration, and security of systems.

CSIS 465 Enterprise Systems and Integration 3 hours
Prerequisite: CSIS 352 and CSIS 354
Information technology capstone course converses by focusing on a sequence of projects that designs and builds systems and integrates them into a global business; emphasizes IT project management, enterprise architecture, business requirement analysis, system modeling, acquisition, testing, deployment, and quality assurance.

COMPUTER SCIENCES AND INFORMATION SCIENCES
CONVERSATIONAL SPANISH

CSPA 101 Conversational Spanish I 3 hours
An introductory course designed to develop practical conversational Spanish skills. Intended for students with no previous Spanish training and/or experience.
Prerequisite: CSPA 101

CSPA 102 Conversational Spanish II 3 hours
This course will further the objectives of CSPA 101 by expanding students’ practical conversational skills.
Prerequisite: CSPA 102

CSPA 103 Conversational Spanish III 3 hours
This course is a continuation of Conversational Spanish 101 and 102, with an increased focus on grammar and vocabulary supporting practical conversational skills.
Prerequisite: CSPA 102

CSTU 101 Western Culture 3 hours
A survey course which concentrates on the development of Western Culture. It is an integrated study of the visual arts, drama and music, and the discipline of philosophy that permeates all the arts. (Formerly HUMN 101)

CSTU 102 The Humanities Abroad 3 hours
This course surveys the development of western culture (including its legacy of art, architecture, music, history, and philosophy) through a structural tour of Europe. Students will participate in directed readings, on-location discussions, and written reflections. Emphasis will be placed on studying the key monuments and values of western culture directly within their historical content. (Formerly HUMN 102)

CSTU 301 Film as Art 3 hours
An intensive study of film theory, focusing both on international cinema and classic Hollywood films, this course emphasizes the unique aesthetic qualities of film as an expression of culture. The course covers such topics as auteur theory, genre criticism, montage, and the development of visual and narrative techniques. (Formerly HUMN 301)

CSTU 310 Religion and the Arts in Western Culture 3 hours
This course explores the web of relationships between religion and the arts throughout the history of Western culture, from biblical times into the postmodern era. Major topics will include: the mutual influences of religion and the arts on each other, how philosophers and theologians have understood the nature of beauty, the place of the visual and performing arts in contemporary Christian faith and practice, and how the arts are an integral component of a biblical worldview.

CSTU 495 Directed Research 1 to 3 hours
(Formerly HUMN 495)

CSTU 497 Special Topics in Cultural Studies 1 to 3 hours
(Formerly HUMN 497)

DIGITAL MEDIA

Digi 100 Equipment Workshop 1 hour
This course will introduce the new Digital Media & Communication Arts student to the equipment available for their use throughout their academic career at Liberty University. Students will set up and execute basic functions of the various cameras, audio equipment and lighting fixtures available for use through the Media Lab. In addition, students will work through the Liberty University production manual including all production forms necessary to complete video and audio projects through the School of Communication and Creative Arts. This course is required of any student who expects to use Liberty University Media Lab equipment regardless of the student’s major.

Digi 175 Fundamentals of Editing 3 hours
Prerequisites: Digi 100
This course is a study of the techniques and workflow of the non-linear editing process, including tools and formats as they relate to the post-production process.

Digi 220 Intro to Transmedia 3 hours
The basics of storytelling across media in the new millennium; an introduction to the fundamental concepts, including the fusion of Story & World, the coordination across multiple media, and the enduring foundation of the narrative structure.

Digi 224 Fundamentals of Audio Production 3 hours
Prerequisites: Digi 100
This course will introduce the fundamentals of training in digital production, audio console operation, use of digital recorders and microphones, DAW editing and program formats. (Formerly COMS 224)

Digi 225 Intro to Video Production 3 hours
Prerequisites: Digi 100
This course will introduce the fundamentals of training in digital video production, editing, software operation, use of cameras, lighting, and microphones.

Digi 250 Location Sound 3 hours
Prerequisites: Digi 224
This course is designed to teach students the recording skills required in capturing good location sound for digital video projects.

Digi 280 Storytelling: Interactive, Social and Digital Media Writing 3 hours
Prerequisites: Digi 220
Writing the webisode; an experiential class in the creation of particularly short-form, stand-alone moving image narratives for distribution through web and mobile devices, from treatment through script to final polish.

Digi 290 Post Production and Sound Design 3 hours
Prerequisites: Digi 224
Students will have the opportunity to create and remix practical assignments working with a variety of student media productions. The course will help students in developing the proper balance between dialogue, SFX and music tracks, mixing in stereo and/or surround sound.

Digi 310 The Digital Media Producer and Director 3 hours
Prerequisites: Digi 225
In this course students will participate in digital program development; creation of a show concept from research and development to proposal. Emphasis is placed on the roles of the producer and director. This course will include network, cable and web distribution overviews. Survey of the different strategies related to news, comedy, talk, reality and day- and nighttime drama will prepare the student to create a show concept suitable for development. Producer and director job functions including similarities, differences and overlap will be explored.

Digi 320 On Camera Presentation 3 hours
Prerequisites: Digi 324
Students who plan to work as anchors, hosts, and features producers will learn styles of personal presentation as they relate to storytelling in news, magazine, talk and documentary presentation.

Digi 323 Writing for Visual Media 3 hours
Prerequisites: Digi 220
Intermediate scriptwriting for television & web distribution; scripting in extremely short form for promotional, corporate, news and advanced webisode applications. (Formerly COMS 323)
DIGI 324 Vocal Development 3 hours
An introduction to the use of one’s voice as a tool in effective storytelling, news delivery, features package presentation and hosting both on camera and behind a microphone. The course will require the practice of announcing with vocal pronunciation and expression, the development of individual vocal persona, vocal breathing and control skills and microphone technique. Intensive practical experience in developing individual announcing ability and critiquing announcers are highlights of this course.

DIGI 333 Intermediate Video Production 3 hours
Prerequisites: DIGI 222
A study of the theory and practice in planning, directing and producing various video productions with emphasis on skill development and production techniques. (Formerly COMS 333)

DIGI 334 Intermediate Audio Production 3 hours
Prerequisites: DIGI 224
Intensive, practical experience in planning, coordinating, directing and producing various audio productions for broadcast. (Formerly COMS 334)

DIGI 337 Music Recording 3 hours
Prerequisites: DIGI 334
This course provides students the hands on experience to record, and mix down different music projects from a simple recital or solo project to a multi-track recording of a contemporary or symphonic band. Students will also learn proper microphone placement, mixing and application of specific plug-ins in music recording and production.

DIGI 340 Sports Broadcasting 3 hours
Prerequisites: DIGI 320
Play-by-play, analysis and color commentary will be studied. Individuals will develop their own broadcasting style through student projects including research, on-camera practice and attendance at Liberty sports events to observe LFSN professionals in action.

DIGI 350 Editing Theory 3 hours
Prerequisites: DIGI 225
This course will survey the theory and practice of editing and post-production for long and short form video and web products. Aesthetics of narrative and documentary editing stressed, for both picture and sound.

DIGI 354 Storytelling: Sitcom 3 hours
Prerequisites: DIGI 220
Writing the half-hour situation comedy; an experiential class, including show conceptualization, episodic structure, & cooperative writing, and specializing in humorous and shorter-form screenwriting for cable, broadcast and streaming television.

DIGI 355 Interactive, Social and Digital Media Management 3 hours
Prerequisites: DIGI 280
Facebook, Twitter, Netflix, Hulu, Google+ and a myriad of other online outlets have become revenue generators in ways that magazine and newspaper ads and television and radio commercials were in years gone by. This course will equip the savvy social media manager to turn interactive and social networking strategies into dollars for the client of today.

DIGI 369 Chronicles of Motion Pictures and Television 3 hours
The historical development and convergence of motion pictures and television, from their simultaneous origins in the 1890s through the new millennium. (Formerly COMS 369)

DIGI 370 Studio Production 3 hours
Prerequisites: DIGI 333
This course will explore the positions and equipment involved in studio production, the founding techniques of this craft, and the language and discipline of studio environment.

The course will expose the student to the professional function of the various studio production positions. This will be accomplished through lecture, text materials, classroom discussion and in-studio production.

DIGI 373 Storytelling: Episodic Drama 3 hours
Prerequisites: DIGI 220
Writing the hour-long televised drama; an experiential class, including show conceptualization, episodic structure, & cooperative writing, and specializing in serious and longer-form screenwriting for cable, broadcast and streaming television.

DIGI 393 Television Practicum 1 to 3 hours
Practicum for broadcast-oriented students using on-campus TV facilities. (Formerly COMS 393)

DIGI 394 Advanced Radio Practicum 1 to 3 hours
Practical hands on experience in the overall operation of the radio station. including experience in on-air and digital production skills, as well as an overview of broadcast programming and operations; may be repeated.(Formerly COMS 394)

DIGI 428 Media Industry & Ethics 3 hours
A study of digital media regulations, economic operations, and ethics as currently operational in the United States; including examination of moving image, audio-only, and transmedia application.

DIGI 453 Storytelling: Reality Television 3 hours
Writing the docu-style reality show; an experiential class in the creation of story in which the recording of moving image and audio follows the conceptualization but precedes the screenwriting.

DIGI 454 Radio News Production 3 hours
Prerequisite: DIGI 334
A study of the theory and practice of writing and preparing news copy and packages for radio broadcast. Students will write and produce regular newscasts for 90.9 FM. (Formerly COMS 454)

DIGI 473 TV News Production 3 hours
Prerequisite: DIGI 333
A study of the theory and practice of writing and preparing news copy and packages for TV broadcast. (Formerly COMS 473)

DIGI 474 Advanced Audio Production 3 hours
Prerequisite: DIGI 334
Writing and production of dramatic and documentary programs for radio and Internet distribution. Portfolio development. (Formerly COMS 474)

DIGI 477 Storytelling: Transmedia 3 hours
Prerequisite: DIGI 220
Writing the cross-platform storyworld; an experiential class, including story-world conceptualization, overarching cross-platform structure, & cooperative writing, with the focus on producing independent stand-alone narratives that simultaneously interlock into a seamless fictional universe.

DIGI 483 Advanced Video Production 3 hours
Prerequisite: DIGI 333
Writing and production of dramatic and documentary programs for television and Internet distribution. Portfolio development. (Formerly COMS 483)

DIGI 490 SFX, ADR, and Foley 3 hours
Prerequisite: DIGI 334
This course will give students the opportunity to learn proper microphone technique and placement for recording sound effects, and ADR (Automated Dialog Replacement), and to teach students to record and perform with Foley props.

DIGI 498 Senior Portfolio 3 hours
Prerequisites: DIGI 310, 333
An intensive individual research or production project in which the graduating senior can best showcase his or her competence in the field of electronic media. (Formerly COMS 498)

**ENGC 299 Internship** 0 hours  
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.  
Professional-supervised experience in first-hand internship opportunities. Application procedures processed through the Career Center. Must apply semester prior to internship.

**ENGC 301 Introduction to Microprocessors** 3 hours  
Prerequisite: CSC1 215 and MATH 250; minimum grade of “C”  
Application of the principles introduced in ENGE 201. Topics include digital and logic application to microprocessor function and use, assembly language programming and hardware interface design.

**ENGC 361 Computer Architecture** 3 hours  
Prerequisites: ENGE 321 and ENGE 201 and CSCI 111; minimum grade of “C”  
Introduction to architecture and organization of computer systems. Topics include data and instruction representation, arithmetic and logical operations, processor and memory implementations, memory hierarchy (cache, main memory and secondary memory), simple pipelines and hardware applications of OS functions.

**ENGC 401 Micro Computer Design** 3 hours  
Prerequisite: ENGC 301 with a minimum grade of “C”  
Topics presented in ENGC 301 are applied to advanced circuits with an emphasis on the principles and techniques used in 8 and 16 bit microcontroller function, use and design.

**ENGC 465 Introduction to Computer Networks** 3 hours  
Prerequisite: ENGE 341; minimum grade of “C”  
Emphasis is placed on network transport services and key protocols to include TCP, IP, and UDP. Topics include application of network design and implementation of robust performance based computer networks, and an introduction to wireless and mobile networks. (Elective)

**ENGC 497 Special Topics in Computer Engineering** 3 hours  
Prerequisite: Permission of instructor  
Selected topics in various areas of Computer Engineering. May be repeated for credit when topic varies.

**ENGC 499 Computer Engineering Internship** 3 hours  
Prerequisite: Major in computer engineering, permission of the instructor.  
Placement in a computer or related organization for a controlled learning experience within the student’s career specialization area. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

**ENGE 211 Introduction to Electrical Circuits** 4 hours  
Prerequisites: ENGR 110 and MATH 131 or ENGR 131; minimum grade of “C”  
Introduction to circuit elements. Topics include resistors, independent sources, capacitors, inductors, equivalent networks, and an introduction to basic techniques used in DC circuit analysis. Laboratory exercises will focus on building, measuring and calculating the response of DC circuits and transient analysis of R, L, and C components.
ENGE 212  AC Circuit Analysis  4 hours
Prerequisites: ENGE 211 and MATH 132; minimum grade of “C”
Introduction to AC analysis and phasors and the application of
techniques from ENGE 211 to AC circuits. Topics include analysis
of AC steady state circuits, magnetically coupled circuits, power,
equivalent circuits, controlled sources and advanced circuit
analysis.

“C”
Fundamentals of electromagnetic theory and modern
transmission systems. Maxwell’s equations are formulated and
applied to electromagnetic problems including plane-wave
propagation, reflection and transmission at discontinuous
boundaries and basic transmission line theory.

ENGE 341  Communications Systems  3 hours
Prerequisites: ENGE 311, ENGR 210 and MATH 231;
minimum grade of “C”
Analysis and design of communication systems and
transmission of information over various medium. Topics include
modulation, sampled signals, conversion (ADC and DAC), random
processes and noise.

ENGE 351  Power Systems  3 hours
Prerequisite: ENGE 321; minimum grade of “C”
Basic concepts of AC systems. Topics include single-phase
and three-phase networks, electric power generation, transformers,
transmission lines, electric machinery and the use of power.

ENGE 421  Advanced Electronics  3 hours
Prerequisite: ENGE 311, ENGR 210 and MATH 231;
minimum grade of “C”
Application of advanced design methods used to achieve gain and
bandwidth specifications in amplifiers. Topics include use of feedback
techniques, and design specifications of operational amplifiers.

ENGE 431  Electromagnetic Compatibility  3 hours
Prerequisite: ENGE 331; minimum grade of “C”
Introduction to the Electromagnetic fields of passive
components and Electromagnetic compatibility regulations and
measurements. Topics include radiated signals, electromagnetic
waves, transmission lines, conducted emissions, radiated
emissions, electromagnetic shielding and grounding, and
Electrostatic discharge. (Elective)

ENGE 497  Special Topics in Electrical Engineering  3 hours
Prerequisite: Permission of instructor.
Selected topics in various areas of Electrical Engineering.
May be repeated for credit when topic varies.

ENGE 499  Electrical Engineering Internship  3 hours
Prerequisites: Major in electrical engineering, permission of the
instructor.
Placement in an electrical engineering or related organization
for a controlled learning experience within the student’s career
specialization area. Applications are processed through the
department Faculty Intern Advisor. Applicants must apply the
semester prior to starting the internship.

INDUSTRIAL AND SYSTEMS ENGINEERING

ENGI 220  Engineering Economy  3 hours
Prerequisite: MATH 126, MATH 131, or ENGR 131;
minimum grade of “C”
Introduction to the principles of time value of money, analysis
of investments, break-even concepts, risk analysis, alternatives
analysis, tax implications, certainty and uncertainty.

ENGI 230  Production Systems  3 hours
Prerequisite: ENGR 110 and CSCI 111; minimum grade of “C”
Introduction to manufacturing and production processes.
Topics include production process as a human/machine system,
planning, organizing, designing, and operating production systems.

ENGI 299  Internship  0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in
major, declared major, not more than one CSER behind.
Placement in a manufacturing plant, hospital, library, police
department, or similar location, or related organization for a
controlled learning experience within the student’s career
specialization area. Application procedures processed through the
Career Center. Must apply semester prior to internship.

ENGI 300  Enterprise Forecasting  3 hours
Prerequisites: MATH 121 and 201 or ENGR 210; minimum
grade of “C”
Advanced forecasting and data modeling methods and
techniques.

ENGI 305  Data Analysis Methods and Modeling  3 hours
Prerequisite: ENGR 210; minimum grade of “C”
Revealing business and economic patterns and information
hidden in data by transforming data using algebraic and statistical
methods.

ENGI 330  Facilities Design  3 hours
Prerequisite: ENGI 230; minimum grade of “C”
Introduction to the design, analysis and selection of
manufacturing facilities and material handling equipment. Topics
include integration of computer systems, material flow and storage,
and economic implications.

ENGI 340  Introduction to Operations Research: Deterministic Models
Prerequisites: CSCI 111 and MATH 221* or MATH 321*;
(*can be taken concurrently with Instructor approval)
Introduction to basic principles and application of
deterministic analytical methods. Topics include linear
programming, integer programming, dynamic programming and
nonlinear optimization.

ENGI 350  Introduction to Operations Research: Probabilistic Models
Prerequisite: ENGI 340, ENGR 210 and CSCI 111; minimum
grade of “C”
Introduction to decision-making modeling and analysis subject
to randomness, uncertainty, and risk. Topics include stochastic
dynamic programming, Markov chains, and queuing theory.

ENGI 360  Engineering Information Systems  3 hours
Prerequisite: ENGR 110 or CSCI 110; minimum grade of “C”
Introduction to information systems used in the analysis,
design, and management of complex engineering projects. Topics
become careful readers, critical thinkers, and skilled writers.

Through the critical engagement of a variety of texts, including written, oral, and visual, this course prepares students to become careful readers, critical thinkers, and skilled writers. Drawing upon rhetorical theory, it emphasizes the practices of analytical reading, informed reasoning, effective writing, and sound argumentation. The course requires 4,000 words of writing in no fewer than five writing projects, three of which are argumentative essays incorporating external sources.

ENGL 102 Composition and Literature 3 hours
Prerequisite: ENGL 101
Continues the emphasis on writing. Two analytical papers—based upon studies of the short story, poetry and drama—and a literary research paper, sequentially developed, are required.

ENGL 103 Technical Communication for the Professions 3 hours
Technical communication refers to all communication done on the job, and this course has been designed for those individuals who seek an associate’s degree and wish to communicate effectively in their chosen professional field. The instructor will focus on on-the-job communication, including written documents such as resumes and cover letters to get job interviews.

ENGL 201 American Literature I 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey from the early Colonial period through the American Renaissance. Two critical papers are required.

ENGL 202 American Literature II 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey of American literature following the American Renaissance. Two critical papers are required.

ENGL 215 English Literature I 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey of English literature from its beginning to 1660. Two critical papers are required.

ENGL 216 English Literature II 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey of English literature from 1660 to the present. Two critical papers are required.

ENGL 221 World Literature I 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey of Western Literature from the beginnings through the Renaissance period. Two critical papers are required.

ENGL 222 World Literature II 3 hours
Prerequisites: ENGL 101; ENGL 102 or MUSC 200, or equivalent
A survey of Western literature from the Neo-classical period through the present. Two critical papers are required.

ENGL 299 Internship 0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Professional-supervised experience in first-hand internship opportunities. Application procedures processed through the Career Center. Must apply semester prior to internship.

ENGL 301 Literary History: Ancient 3 hours
A study of selected masterpieces from ancient times to the Renaissance. Research Paper is required.

ENGL 302 Literary History: Modern 3 hours
A study of selected masterpieces from the Renaissance to the present. Research Paper is required.

ENGL 304 Period 3 hours
A study of the works of a major period of British or American Literature. Reading intensive.

ENGL 305 Genre 3 hours
A study of one of the major literary genres—novel, epic, poetry, drama, or essay—investigating its characteristic features and tracing its development over time. Reading intensive.
ENGL 306  **Diversity**  3 hours  
A study of the literature of a minority culture—Jewish, African American, Latino, for example. Reading intensive.

ENGL 307  **Expository Writing**  3 hours  
An introduction to Expository writing, with particular attention paid to structure, form, audience, and tone. Reading intensive.

ENGL 308  **Author**  3 hours  
A study of the works and contexts of a major Author. Reading intensive.

**NOTE:** Prerequisites for all further English courses include ENGL 101, 102 and the general education course in literature.

ENGL 310  **Children’s Literature**  3 hours  
A critical interpretation of literature for children and young adults. Research paper required.

ENGL 320  **Adolescent Literature**  3 hours  
This course examines a broad range of young adult literature, both classical and contemporary, with an appeal to a diverse audience, including most adolescents and many adults. The focus is on analyzing works of adolescent literature and acquainting students with critical resources important to the scholar. Research paper required.

ENGL 322  **Shakespeare**  3 hours  
A study of the principal plays of Shakespeare read in the light of the dramatic and literary background of his time. Research paper required.

ENGL 333  **Modern Grammar**  3 hours  
A course emphasizing the nature, structure and modifications of the English language with emphasis upon traditional, structural and generative-transformational grammars.

ENGL 364  **History of the English Language**  3 hours  
The pronunciation, grammar and vocabulary of the English language in terms of its historical development are emphasized.

ENGL 382  **Eighteenth Century English Literature**  3 hours  
A study of the major poets and prose of the 18th century in the context of pertinent biographical and historical details. Research paper required.

ENGL 405  **Literature of the Bible**  3 hours  
An examination of the literature and literary theory of the English Bible, based upon analysis and explication of selected passages. Special consideration is given to such topics as literal meaning, metaphor as meaning, and the rhetorical dimensions of various modes of discourse as they occur in Scripture. Research paper required.

ENGL 406  **Literature of the Civil War**  3 hours  
This seminar focuses on a survey of newspapers, novels, poems, religious tracts, and short stories, which were written either during or about the time of the Civil War. Research paper required.

ENGL 412  **Author**  3 hours  
A Seminar in the works and contexts of a major Author. Writing intensive.

ENGL 413  **Period**  3 hours  
A Seminar in the works of a major period of British or American Literature. Writing intensive.

ENGL 414  **Genre**  3 hours  
A Seminar in one of the major literary genres – novel, epic, poetry, drama, essay, and so on – investigating its characteristic features and tracing its development over time. Writing intensive.

ENGL 415  **Diversity: Advanced World Literature**  3 hours  
A Seminar in the literature of a minority culture – Jewish, African American, Latino, or Women, for example. Writing intensive.

ENGL 416  **Writing**  3 hours  
Practice in a variety of literary forms – fiction, poetry, creative, non-fiction, expository – with an emphasis on the development of tone and style. Writing intensive.

ENGL 419  **Methods and Materials in the Teaching of English**  2 hours  
Prerequisite: Admission to Educator Preparation Program  
A study of methods, theories, and activities for teaching language, composition and literature in middle and secondary school English. Must be taken before student teaching. May not be counted toward the English major.

ENGL 420  **Secondary Methods Teaching Practicum**  1 hour  
Prerequisite: To be taken concurrently with ENGL 419  
At least 20 hours of reflective classroom observation at the middle or secondary school level and the teaching of two to three consecutive lessons.

ENGL 433  **Literary Criticism**  3 hours  
A study of the major philosophies and theories, both historical and contemporary, with attention also given to understanding the various views of literary theory and to the student’s development of his own defensible literary theory. Research paper required.

ENGL 442  **Musical Theatre**  3 hours  
This course is a survey of the history of musical theatre, beginning with Vaudeville and continuing through to the contemporary stage, with special emphasis given not only to the text but to the performance aspect of the libretto as well.

ENGL 460  **Christian Literature**  3 hours  
This is a survey of literary works representing 2,000 years of Christian history. The course covers a broadly defined range of literature that either serves or is shaped by the Christian worldview. The survey begins with the patristic writers of the early church, then turns to the medieval mystics, the reformers, neoclassicists, romantics and moderns, and ends with the dawn of the postmodern period. In addition, the course will include supplemental reading that will assist students in developing a distinctly Christian poetic and aesthetic: a biblical approach to reading, writing, and appreciating literature and all forms of art. Research paper required.

ENGL 462  **Religious Questions in Dramatic Literature**  3 hours  
This course examines dramatic literature from the classical Greek plays to contemporary dramas, with special attention given to religious criticism. Research paper required.

ENGL 491  **Senior Capstone**  3 hours  
This course is a senior level capstone seminar with multiple options: writing, editing, researching and comparable duties. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

Liberty University Undergraduate Catalog – 2014-2015
ENGR 330  Mechanics of Materials  3 hours
Prerequisite: ENGR 235
The study of stress and strain in structures caused by the application of forces and moments. An understanding of strength and materials is a prerequisite for studying machine design and engineering structural design.

ENGR 360  Heat Transfer  4 hours
(2 hr lecture; 2 hr lab)
Prerequisites: MATH 334, PHYS 320
Analysis, design and laboratory exercises involving the application of conduction, convection and radiation heat transfer principles.

ENGR 365  Dynamic Modeling of Systems  3 hours
Prerequisites: MATH 334, ENGR 240, ENGR 213
Dynamic modeling of physical and energy systems, mechanical and electrical machines & circuits, including: types of mechanical systems (e.g., hydraulic, pneumatic), time & frequency analysis, resonance, state variables, domain, root locus, loop, Bode Automatic controls of systems and machines, vibrations theory, mechanical vibrations, kinematics, Rayleigh, impedance, modal, dynamic loading, natural & forced motions, kinematics and dynamics.

ENGR 370  Quality Assurance  3 hours
Prerequisite: ENGR 210; minimum grade of “C”
Introduction to the principles involved in designing statistical quality control systems. Topics include probability concepts, density and distribution functions, control chart concepts and sampling inspection plans.

ENGR 381  Engineering Design Introduction  3 hours
Prerequisite: Chair approval, Junior Status and MATH 334; minimum grade of “C”
Introduction to the design process. Topics include system engineering, team dynamics, design specifications, conceptual design, scheduling, developing a business plan, market survey, and budgeting.

ENGR 385  Thermodynamics II  4 hours
(2 hr lecture; 2 hr lab)
Prerequisite: ENGR 360
In-depth study covering energy systems, refrigeration, compressible flow, mixtures and solutions, ideal and real gases, reversibility/irreversibility, thermodynamic equilibrium, psychrometrics, cogeneration and regeneration/reheat; cycles; heating and cooling loads (e.g., degree day data, sensible heat, latent heat); coefficient of performance and energy storages. Topics will also include performance of components (e.g., compressors, condensers, evaporators, expansion valves), cycles and processes (e.g., Otto, Diesel, Brayton, Rankine), combustion and combustion products.

ENGR 481  Engineering Design I  3 hours
Prerequisite: ENGR 381; minimum grade of “C”
The second course in the design sequence of formal design courses that emphasizes the design process. Student teams carry a project from inception to completion to satisfy the need of a client. In addition to technical design, factors such as safety, economics, and ethical and societal implications are considered.

ENGR 482  Engineering Design II  3 hours
Prerequisite: ENGR 481; minimum grade of “C”
The third course in the design sequence where the student is exposed to engineering design and development. Design process culminates in prototype development, gathering performance data and presenting a final design briefing to peers and department faculty.

ENGR 495  Directed Research  1-6 hours
Prerequisite: Written permission of the chairman of the department in area of concentration and consent of instructor
Research-oriented project or an independently completed course of study in a specially designed area as approved and supervised by the instructor. May be repeated for up to 6 credits or as approved by the department chair.

ENVIRONMENTAL SCIENCE

ENVR 215  Principles of Environmental Science  3 hours
Prerequisites: ACT Composite 20 or MATH 115 or SAT Mathematics 500
This course surveys the principle components of ecosystems and the structure and dynamics of populations and communities. These principles are then integrated and applied to environmental issues including: biological and sociological impacts of human population growth; use and management of natural resources; sources and regulation of pollution; and biological and economic aspects of conservation.

ENVR 220  Physical Geology  3 hours
An introduction to the materials and processes of the geosphere. Topics include: minerals; rocks; and geological processes. Emphasis is placed on techniques to identify rock and mineral samples, utilize topographic and geologic maps, identify and interpret geological structures, and measure rates in geological settings (e.g., plate motion, erosion, and water flow). Includes local field trip(s).

ENVR 221  Physical Geology Laboratory  1 hour
(3 hours laboratory)
A hands-on investigation of geological materials, features, and processes. Emphasis is placed on techniques to identify rock and mineral samples, utilize topographic and geologic maps, identify and interpret geological structures, and measure rates in geological settings (e.g., plate motion, erosion, and water flow). Includes local field trip(s).

ENVR 350  Environmental Science and Policy  3 hours
Prerequisite: BIOL 225 or 317 or ENVR 215 or 320 with a grade of “C” or better or permission of the instructor
This course will investigate the scientific and policy-based aspects of several controversial environmental issues as well as their impacts on businesses and private citizens. It will present multiple perspectives for each issue and will take a debate-style format that stimulates student interest and develops critical thinking skills. Readings and discussions will focus on the interplay between scientific results and the policies proceeding from them including the appropriateness of such policies.

ENVR 370  Geographic Information Systems (GIS)  3 hours
Prerequisites: PHSC 210/211 or ENVR 220/221
This course is designed to provide practical experience in spatial database design and analysis using Geographical Information System (GIS) as applied primarily to the environmental sciences. Topics include: the history of GIS; GIS data structures and sources of data; GIS tools; software applications; and resources. Exercises include: spatial data display and query; map generation; and simple spatial analysis using ArcGIS software.

EAGLE SCHOLARS LEADERSHIP

ESLP 101  Introduction to Leadership  1 hour
Prerequisite: Membership in the Eagle Scholars Leadership Program
This course is part one in a course sequence initiated for the Eagle Scholars program. The course focuses on introduction to leadership skills, attitudes, and practices, particularly connecting with others within a university context.
ESLP 102 Self-Leadership Development 1 hour
This course is part two in a course sequence initiated for the Eagle Scholars program. The course focuses on developing self-leadership skills, attitudes and practices, particularly within the university context.

ESLP 201 The Art and Science of Leading Others 1 hour
This course is part three in a course sequence initiated for the Eagle Scholars program. The course focuses on continued development in understanding leadership thinking, practices and identity. Special emphasis is placed on Biblical perspectives in leadership.

ESLP 202 The Art and Science of Changing Culture 1 hour
This course is part four in a course sequence initiated for the Eagle Scholars program. The course focuses on continued development in understanding leadership thinking, practices and identity. Special emphasis is placed on biblical perspectives in leadership and assessing cultural and community needs and creating effective solutions.

ENGLISH AS A SECOND LANGUAGE

ESOL 080 English as a Second Language for Intermediate: Grammar and Writing 3 hours
A course for learners of English who place as high beginners or as intermediates in the ESL placement batteries. The course involves work in all 4 language skills: reading, writing, listening and speaking in English in order to build the student’s level of language proficiency. Students who place as intermediates take 3 hours per week, and high beginners take five hours per week. Language lab work is required. ESOL 080 does not meet the General Educational Requirements in English.

ESOL 090 English as a Second Language: Grammar and Speech 3 hours
Prerequisite: ESOL 080 or ESL Placement Battery results
A course for high-intermediate or advanced level ESL students designed to improve oral communication. American English grammar, idioms and pronunciation are studied while the student receives training in both conversational English and in making formal presentations. The language lab is used to supplement pronunciation training.

ESOL 100 English as a Second Language: Grammar and Composition 3 hours
Prerequisite: ESOL 090 or ESL Placement Battery
This course integrates the study of advanced level ESL grammar with written composition. The student responds in writing to a variety of reading selections. The cross-cultural element in ESL writing is also considered. The student must receive at least a C to be eligible for ENGL 101.

EVANGELISM

EVAN 101 Evangelism and the Christian Life 2 or 3 hours
An in-depth study of how to lead people to Christ. Special attention will be given to the theology of all aspects of evangelism including the follow-up. Various methods of approach and presentation will be considered. Emphasis will be placed on evangelism and the local church for conservation of results.

EXERCISE SCIENCE

EXSC 101 Introduction to Exercise Science 1 hour
This course is an overview of the professions in the field of exercise science. Career opportunities within exercise science and allied health will be investigated. Various aspects of careers, determining requirements for advanced study and learning what coursework would be appropriate for the different career paths.

EXSC 302 Exercise and Sports Injuries 2 hours
Prerequisite: EXSC 310
This course will examine the most common types of injuries that occur in exercise and sport settings. It will include the causes, treatment and prevention of these injuries. (Formerly KINE 302)

EXSC 310 Physiology of Exercise 3 hours
Prerequisites: BIOL 213/214, 215/216
A study of the effects of exercise on the major systems of the human body including the cardiorespiratory, neuro-muscular, glandular and digestive. Other effects influencing human exercise will be examined, including climate, altitude and ergogenic aids. (Formerly KINE 310)

EXSC 311 Analysis of Human Movement 3 hours
Prerequisite: EXSC 310
This course is a scientific study of the musculoskeletal anatomy and neuromuscular physiology involved in voluntary movement. The physiological principles applicable to the anatomical structures that produce human movement will be examined. (Formerly KINE 311)

EXSC 315 Group Exercise Instruction 2 hours
This course will focus on the theoretical knowledge of leadership skills necessary to design, implement, and evaluate safe and effective group exercise programs. Emphasis will be placed on group leadership and group fitness instruction. Observations within the field will be available as well as opportunities to apply introductory concepts of exercise training through practical application. The course materials will also address the various skill sets necessary for entry employment into the health and fitness industry.

EXSC 320 Measurement and Evaluation in Health and Kinesiology 3 hours
Prerequisite: EXSC 310
This course will consider the basic principles related to measurement and evaluation including the selection, administration and use of tests unique to the field of health and physical education. Special emphasis will be placed on testing procedure. Computer software for statistics will be introduced. (Formerly KINE 320)

EXSC 340 Essentials of Strength Training and Conditioning 3 hours
Prerequisites: KINE 225, EXSC 310, and Junior status
This course includes the theories, organization, methods, and techniques involved in the teaching and coaching of strength training, physical conditioning, and personal training. (Formerly KINE 340)

EXSC 350 Biomechanics 3 hours
Prerequisite: EXSC 310, Junior status; to be taken concurrently with EXSC 351
This course provides students with a foundational knowledge of basic mechanical principles and how these can be applied in analyzing movements of the human body. The course uses an integrated balance of qualitative and quantitative examples, applications, and problems designed to illustrate the mechanical principles discussed. (Formerly KINE 350)

EXSC 351 Biomechanics Lab 1 hour
Prerequisites: EXSC 310 and Junior status; EXSC 350 is required as a co-requisite or prerequisite
This lab course provides students with the application of basic mechanical principles in analyzing movements of the human body. The course utilizes an integrated balance of qualitative and quantitative applications to illustrate the mechanical principles discussed in EXSC 350, Biomechanics.
EXSC 410 Applied Exercise Physiology 3 hours
Prerequisites: Admission to EXSC major; EXSC 310, 320 and Junior status; to be taken concurrently with EXSC 411
This course provides the students with practical experience in implementing different methodologies in the measurement of physiological responses to acute and chronic exercise. Emphasis is placed on the application of the ACSM guidelines and appropriate experimental techniques. The usage of equipment in evaluating changes in body composition and various metabolic, cardiovascular, and respiratory adjustments during exercise in different populations will be included. (Formerly KINE 410)

EXSC 411 Applied Exercise Physiology Lab 1 hour
Prerequisites: Admission to EXSC major; EXSC 310, 320 and Junior status; EXSC 410 is required as a co-requisite or prerequisite

Foundations of HVAC is a practical course combining lecture and hands-on instruction. Topics include: Introduction to HVAC; Trade Math; Copper and Plastic Piping Practices; Soldering and Brazing; Ferrous Metal Pipe Practices; Basic Electricity; Introduction to Cooling; Introduction to Heating; Air Distribution Systems.

HVAC 201 **Intermediate HVAC** 4 hours
Prerequisite: HVAC 101
Intermediate HVAC is a practical course combining lecture and hands-on instruction. Topics include: Commercial Airside Systems; Chiller Systems, Vents and Flues; Introduction to Hydraulic Systems; Air Quality Equipment; Leak Detection, Evacuation, Recovery and Charging; Alternating Current; Basic Electronics; Introduction to Control Circuit Troubleshooting; Troubleshooting Gas Heating; Troubleshooting Cooling; Heat Pumps; Basic Installation and Maintenance Practices; Sheet Metal Duct Systems; Fiberglass and Flexible Duct Systems.

HVAC 301 **Advanced HVAC** 4 hours
Prerequisite: HVAC 201
Advanced HVAC is a practical course combining lecture and hands-on instruction. Topics include: Refrigerants and Oils; Compressors; Metering Devices; Retail Refrigeration Systems; Commercial Hydraulic Systems; Steam Systems; Planned Maintenance; Water Treatment; Troubleshooting Electronic Controls; Troubleshooting Oil Heating; Troubleshooting Heat Pumps; Troubleshooting Accessories.

HVAC 401 **Special Topics in HVAC** 4 hours
Prerequisite: HVAC 301
Special Topics in HVAC is a practical course combining lecture and hands-on instruction. Topics include: Construction Drawings and Specifications; System Balancing; Indoor Air Quality; Energy Conservation Equipment; Building Management Systems; System Startup and Shutdown; Heating and Cooling System Design; Commercial and Industrial Refrigeration Systems; Alternative Heating and Cooling Systems; Introduction to Supervisory Skills.

INDIVIDUALIZED/INTERDISCIPLINARY STUDIES

INDS 400 **Knowledge Synthesis for Professional and Personal Development** 3 hours
Prerequisite: Senior standing
Designed to assess student mastery of content knowledge for the Individualized Studies and Interdisciplinary Studies degree programs, this capstone course requires students to produce a carefully organized summation and synthesis of accomplishments, learning, and goals related to their undergraduate degree program at Liberty University. Throughout this process, students will discover a greater understanding of transferable skills and qualifications and how these relate to career opportunities and/or graduate school respectively.
INFO 321 Integration of Faith and Learning Through the Washington Fellowship Seminar 6 hours
Prerequisite: Enrollment in Washington Semester Fellowship
This course provides students with hands-on practice in faith and learning integration as they complete an internship in Washington, D.C. as part of the Washington Semester Fellowship. Students not only complete all requirements for the Washington Semester Fellowship, but they also complete a reflective project that synthesizes their on-the-job experiences with the worldview training they receive as part of the program. Course may count for a maximum of three of the six credits to be earned as Integrative courses for the Bachelor of Arts degree.

INFORMATICS

INFO 305 Quality Management and Decision Support 3 hours
Prerequisite: BMIS 200
Explores the quality of patient care, quality management techniques and related decision-support practices, and evaluates the impact of Computerized Provider Order Entry (CPOE) on the quality, safety, and efficiency of health care data, decision-modeling techniques, incorporating comparative analysis, simulation, optimization, and decision analysis designed to increase the efficiency and effectiveness of decision support within the healthcare system.

INFO 310 Foundations of Pharmacology 3 hours
Prerequisite: NURS 105 and INFO 305
Foundational view of the relationship between pharmacologic and pharmacokinetic knowledge; safe administration of medication; emphasis on the reasoning behind the selection of route, dosage, and dosing schedules of medications provided to patients across their lifespan; legal and professional issues surrounding the safe administration of medication.

INFO 320 Healthcare Informatics 3 hours
Prerequisite: INFO 305
Evaluates the needs of end users within the healthcare system; multi-phase project planning, evaluation, adoption, and management of new technologies centered on effectively and efficiently exchanging electronic health information; evaluation of medical practice workflows and exploration of the functional needs of end-users while analyzing the fiscal and human resource commitments needed in diverse settings.

INFO 321 Healthcare Coding and Classification 3 hours
Prerequisite: INFO 305 and INFO 320
Development of coding and classification systems; analysis of the structure and organization of the medical coding functions within the healthcare system; emphasizing the importance on ICD and CPT coding considerations, process evaluation and improvement, billing reimbursement, and related reporting issues central to effective and efficient operation and compliance.

INFO 405 Informatics Information Systems 3 hours
Prerequisite: BMIS 200
An examination of expert, bio, and clinical decision support systems and technology; management of data in database management systems; data mining; informatics systems analysis, design, and implementation.

INFO 410 Healthcare Enterprise Systems 3 hours
Prerequisite: BMIS 200 and INFO 305
Healthcare enterprise architecture planning, methodology, and frameworks; medical classification and coding systems including electronic health record system design and implementation.

INFORMATION TECHNOLOGY

INFT 102 PowerPoint® 1 hour
An introduction to the basics of Microsoft® PowerPoint which includes creating and editing presentations, slide design, layout, transitions and animation. Topics including tables, pictures, Word Art and charts will be included in the course.

INFT 103 Excel® 1 hour
An introduction to the basics of Microsoft® Excel which includes creating and analyzing data through the use of performing calculations and various formulas. Topics include entering data in a cell, constructing formulas, formatting worksheets, using the SUM function and creating charts based on data from the spreadsheet.

This course is designed to provide exposure to the teaching of
physical education in the elementary school setting and adapted
physical education for the exceptional child. The student must
observe a minimum of twenty hours in an elementary program.

KINE 299  **Internship**  0 hours
Prerequisites: Sophomore status, 2.00 GPA, two courses in
major, declared major, not more than one CSER behind.
Practical work experience in an approved exercise or fitness-
related agency, physical or occupational therapy clinic,
chiropractic office, or similar setting supervised by a qualified
professional. Application procedures processed through the Career
Center. Must apply semester prior to internship.

KINE 322  **PE Student Aide: Elementary**  1 hour
(Offered spring semester)
Prerequisites: KINE 245; must be taken with KINE 450
A sequence of selected practicum experiences designed to
involve the student with actual assisting and teaching physical
education to elementary school. The student is assigned a
minimum of 20 hours of practicum work under the supervision of
physical educators in a local elementary school.
KINE 326  **PE Student Aide: Secondary**  1 hour  
(Offered fall semester)  
Prerequisites: KINE 245; must be taken with KINE 451  
An assigned practicum experience designed to involve the student actual attending in teaching physical education classes in a middle or secondary school setting. The student must complete 20 hours of practicum work under the supervision of a physical educator in one of the local schools.

KINE 333  **Adapted Physical Activity**  2 hours  
Prerequisite: Junior status  
Methods of classification of exceptional students, program planning and teaching of activities appropriate to needs of the handicapped are examined.

KINE 334  **Adapted Physical Activity Lab**  1 hour  
Prerequisite: Junior status  
Teaching methods of activities appropriate to the needs of exceptional students are examined. Addresses the importance of adapting physical education programs to meet the unique needs of exceptional students.

KINE 352  **Teaching Physical Education in the Elementary School**  2 hours  
Prerequisite: Junior status  
An introduction to games and play activities which are suitable for elementary-aged students. Activity selection, planning and teaching methods are stressed. This course is designed for the elementary physical education concentration.

KINE 404  **Administration and Organization of Physical Education, Exercise and Fitness**  3 hours  
Prerequisite: Junior status  
A study of the problems and considerations involved in the successful management of physical education programs. Areas considered include program planning, budgeting, facility design and organization, and current organizational trends.

KINE 435  **Seminar for Student Teachers**  2 hours  
Prerequisites: Admission to Student Teaching; taken concurrently with EDUC 476 and 477  
Seminar sessions will involve discussion of topics relevant to health and physical education instruction. Students will share experiences from student teaching and gain insights from readings and professionals in the field of education.

KINE 450  **Elementary Physical Education Methods**  3 hours  
(Offered spring semester)  
Prerequisites: KINE 207, 208; Junior status  
This course is designed to provide instruction in the physical education curriculum for elementary school settings. Areas of emphasis include class management, curriculum development, skill progressions, teaching methods and movement activities for grades K-6.

KINE 451  **Secondary Physical Education Methods**  3 hours  
(Offered fall semester)  
Prerequisites: KINE 207, 208, Junior status  
The course is designed to provide the student with a thorough understanding of the teaching-learning process in middle and high school settings. The student will learn how to plan and present progressive learning tasks, develop effective teaching skills, analyze and evaluate the instructional process, and design curricular materials.

KINE 495  **Independent Study**  1 to 3 hours  
Prerequisites: Permission of the Department Chairman, Junior status and a minimum cumulative GPA of 2.50  
A research-oriented project in an approved topical area or an independently-completed course of study in a specially designed area. Generally available only for Physical Education majors who have unusual and specific program needs.

KINE 497  **Special Topics in Kinesiology**  1 to 3 hours

**LINGUISTICS**

LING 213  **Introduction to Linguistics**  3 hours  
Introductory, descriptive study of language, including syntactic, morphological, phonological, semantic, and pragmatic analysis of language. Students will choose one other area of the discipline of study, such as psycholinguistics, sociolinguistics, or language acquisition. (Formerly MLAN 213)

LING 280  **Field Language Learning**  3 hours  
A course for learning how to learn a foreign language without a teacher; especially designed for international workers.

LING 300  **Introduction to Cultural Anthropology**  3 hours  
A course designed to heighten awareness and understanding of our culturally diverse world, via the study of systems of human behavior for the purpose of improving understanding of, and relations between, people. Several case studies will be used to illustrate these systems. (Formerly MLAN 300)

LING 305  **Linguistic Analysis**  3 hours  
Prerequisites: LING 213  
In this course, students will learn how to analyze linguistic data in the fields of phonology, morphology, and syntax, through problem sets drawn from a wide variety of world languages.

LING 451  **Phonetics and Phonology**  3 hours  
Prerequisites: LING 213, 305  
This course concerns the analysis and voice production of sound systems that compose individual human languages. The purpose is to equip students to analyze and describe in phonological terms the inherent sound patterns and systematic variations that make up comprehensible speech.

LING 452  **Morphology and Syntax**  3 hours  
Prerequisite: LING 305  
This course provides a comprehensive introduction to morphological/syntactic theory and analysis. It requires students to formulate hypotheses and test them against data from English and other languages.

LING 453  **World Languages**  3 hours  
Prerequisites: LING 213, 305  
This course is a study of the phonology, morphology, and syntax of a selection of world languages which illustrate both the similarities and the differences among languages. Syntactic and morphological features will be observed in terms of their typological implications and the question of language universals.

LING 495  **Directed Research**  1 to 3 hours  
Prerequisite: Junior or senior status  
Students who qualify will pursue studies of a particular interest as approved and supervised by the instructor. Must apply semester prior to completing internship.

LING 499  **Internship in Linguistics**  3 hours  
Prerequisites: Junior or senior status, 3.00 GPA, two courses in minor above 200 level.  
Professional-supervised experience in first-hand internship opportunities in Linguistics. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

**MASONRY**

MAST 101  **Foundations in Masonry**  4 hours  
Co/Prerequisite: CRFT 101  
Foundations of Masonry is a practical course combining lecture and hands-on instruction. Topics include: Introduction to Masonry; Masonry Tools and Equipment; Measurements, Drawings and Specifications; Mortar; Masonry Units and Installation Techniques.
### MATH 300 Fundamentals of Mathematics
- Prerequisite: MATH 100
- A review of basic arithmetic and elementary algebra. Open to all students but required of students with low scores on Liberty University placement tests and inadequate preparation in mathematics. A grade of C or better is required in order to go on to a higher-numbered mathematics course. This course may not be used in meeting General Education requirements in mathematics. (Developmental Math is a component of the Bruckner Learning Center.)

### MATH 108 Elementary and Intermediate Algebra
- This course is a self-paced computer-based review of rational numbers, exponents, polynomials, factoring, roots and radicals, graphing, rational expressions, equations and inequalities, systems of linear equations, and problem solving. It meets the prerequisite requirements for MATH 115, 117, 121, 125, 201, 217. Credit may not be earned for both MATH 108 and 110. This course may not be used to meet the General Education Requirements. (Developmental Math is a component of the Bruckner Learning Center.)

### MATH 110 Intermediate Algebra
- Prerequisite: MATH 100
- Review of exponents, polynomials, factoring, roots and radicals, graphing, rational expressions, equations and inequalities, systems of linear equations and problem solving. This course may not be used to meet the General Education requirement. (Developmental Math is a component of the Bruckner Learning Center.)

### MATH 112 Technical Mathematics
- Prerequisite: MATH 100, 450+ on SAT Math, or 18+ on ACT Math.
- Technical Mathematics presents a review of arithmetic, elements of algebra, geometry, trigonometry, and vectors. Direct applications are made to technical study areas. Only fulfills General Education requirements for AAS degrees.

### MATH 113 Calculus and Analytic Geometry I
- Prerequisites: MATH 128, minimum grade of "C"
- Functions and graphs, exponential, logarithmic, inverse trigonometric, limits, the derivative, techniques of differentiation, continuity, applications of differentiation, L’Hospital’s Rule, the integral, the fundamental theorem of calculus and u-substitution. (MATH 133 is required for mathematics major or minors.)

### MATH 114 Calculus and Analytic Geometry II
- Prerequisite: MATH 131 or ENGR 131, minimum grade of "C"

### MATH 115 Mathematics for Liberal Arts
- Prerequisite: MATH 110, minimum grade of “C”
- A survey course for liberal arts majors including a review of algebra and an introduction to logic, probability and statistics, mathematical structure, problem solving, number theory, geometry and consumer applications.

### MATH 116 Elements of Mathematics
- Prerequisite: MATH 110, minimum grade of “C”
- A development of basic concepts of elementary mathematics, including problem solving, logic, sets and binary operations, the natural numbers and their properties, deductive reasoning and the nature of proof, the integers, rational numbers, real numbers and their properties, relations, functions, and graphs.

### MATH 117 College Algebra
- Prerequisite: MATH 110, minimum grade of “C”
- Fundamental concepts of college algebra including sets, equations and inequalities, functions and graphs, polynomials, rational functions, exponential and logarithmic functions, linear inequalities, and linear programming.

### MATH 118 Trigonometry
- Prerequisite: MATH 121, minimum grade of “C”
- Emphasizes the circular functions, their graphs and their inverses. A study of the trigonometric functions and their applications is included.

### MATH 120 Finite Mathematics
- Prerequisite: MATH 110, minimum grade of “C”
- An introduction to symbolic logic, principles of counting, elementary probability, matrices, vector spaces, and linear programming.

### MATH 125 Elementary Calculus for Business and Science
- Prerequisite: MATH 121, minimum grade of “C”
- An introduction to differential and integral calculus with emphasis on applications in the areas of business and science. For non-mathematics majors only.

### MATH 126 Elementary Functions and Coordinate Geometry
- Prerequisite: MATH 121, minimum grade of “C”
- A pre-calculus course that includes the study of elementary functions, their graphs and applications including polynomial, rational, algebraic functions, exponential, logarithmic and circular or trigonometric functions. For students with strong high school preparation in mathematics but who are not ready for calculus.

### MATH 128 Calculus and Analytic Geometry III
- Prerequisite: MATH 131 or ENGR 131, minimum grade of “C”
- A course in the principles of mathematical reasoning and the construction of proofs. It begins with symbolic logic and then studies direct and indirect methods and proof by induction. Examples from set theory, discrete structures, axiomatic systems,
**COURSES OF INSTRUCTION – RESIDENT PROGRAMS**

recursion, and basic algebraic structures (groups, rings, fields) are used to illustrate the methods.  

**NOTE:** Only one of MATH 201 or 211 may be taken for credit.  
MATH 201 may not be substituted for MATH 211 degree completion program requirement.

**MATH 201/ Introduction to Probability and Statistics**  
3 hours  
Prerequisite: MATH 110, minimum grade of “C”  
Introduction to descriptive statistics and probability, probability distributions, estimation, tests of hypotheses, chi-square tests, regression analysis, and correlation with applications in business and science.

**MATH 211 Introduction to Statistical Analysis**  
3 hours  
Prerequisite: MATH 132 (may be a co-requisite)  
An introduction to statistical analysis for students with a background in calculus. Includes probability theory, probability distributions, expectation, statistical inference, regression and correlation.

**MATH 217 Elementary Geometry**  
3 hours  
Prerequisite: MATH 110, minimum grade of “C”  
A development of basic concepts of elementary geometry including area, volume, compass and straight-edge constructions, polyhedra, tessellations, motions in the physical world, transformations, congruence and similarity.

**MATH 221 Applied Linear Algebra**  
3 hours  
Prerequisites: MATH 132 and ENGR 133, minimum grade of “C”  

**MATH 231 Calculus and Analytical Geometry III**  
4 hours  
Prerequisite: MATH 132, minimum grade of “C”  
Continuation of MATH 132. Geometry of vectors, paths, curvature, functions of several variables, graphs and parametric surfaces, partial derivatives, optimization, multiple integrals, curl, divergence, gradient, line and surface integrals, Theorems of Green, and Stokes, and Gauss.

**MATH 250 Introduction to Discrete Mathematics**  
3 hours  
Prerequisite: MATH 121 or 128 or MATH 131 or ENGR 131, minimum grade of “C”  
Logic and proofs, set theory, Boolean algebra, functions, sequences, matrices, algorithms, modular arithmetic, mathematical induction and combinatorics.

**MATH 301 Methods of Operations Research**  
3 hours  
Prerequisite: MATH 211, minimum grade of “C”  
Optimization (linear programming, Lagrange multipliers, etc.), transportation problems, applied probability (queuing theory, Markov chains, elementary theory of simulations), theory of games, decisions under uncertainty.

**MATH 302 Introduction to Experimental Design in Statistics**  
3 hours  
Prerequisite: MATH 211, minimum grade of “C”  
Analysis of variance and block designs; simple linear regression, correlation and multiple regression; nonparametric statistics, chi-square tests.

**MATH 305 Modern Geometry**  
3 hours  
Prerequisite: MATH 200 or 250, minimum grade of “C”  
A treatment of the foundations of modern Euclidean geometry and an introduction to non-Euclidean geometry with emphasis on hyperbolic geometry. Especially recommended for prospective high school mathematics teachers. Required for Virginia Licensure.

**MATH 307 Introductory Number Theory**  
3 hours  
Prerequisite: MATH 200 or 250, minimum grade of “C”  
Divisibility, Division Algorithm, Euclidean algorithm, primes, greatest common divisor, Diophantine equations, congruencies, Chinese Remainder Theorem, number-theoretic functions, cryptography and other applications.

**MATH 321 Linear Algebra**  
3 hours  
Prerequisite: MATH 200 or 250, minimum grade of “C”  
A beginning course in linear algebra and its applications. Includes systems of linear equations, linear programming, nullspace and rank of matrices, determinants, abstract vector spaces, bases, linear independence, spanning sets, linear transformations, characteristics and minimal polynomials, eigenvalues and eigenvectors, diagonalization, similarity, coordinate change, orthogonality, and matrix factorizations. Applications are added as time permits.

**MATH 331 Complex Analysis**  
3 hours  
Prerequisite: MATH 231, minimum grade of “C”  
Field of complex numbers, polar representation and DeMoivre formula, complex functions, limits, continuity, differentiation, analytic and harmonic functions, elementary functions, contour integration, Taylor and Laurent series, residues, and applications.

**MATH 332 Advanced Calculus**  
3 hours  
Prerequisites: MATH 200 or 250 and MATH 231, minimum grades of “C”  
Euclidean topology for n-dimensions, continuity and differentiability for vector-valued functions of several variables, the differential and derivative, Jacobian, applications of inverse and implicit function theorems, method of Lagrange multipliers, introduction to differential forms, generalized Stokes’ Theorem and applications.

**MATH 334 Differential Equations**  
3 hours  
Prerequisites: MATH 231 and PHYS 231, minimum grades of “C”  
Differential equations of the first order and first degree, linear equations, variation of parameters, methods of undetermined coefficients, inverse operators, Laplace transforms, systems of differential equations, and applications.

**MATH 350 Discrete Mathematics**  
3 hours  
Prerequisite: MATH 200 or 250, minimum grade of “C”  
Recurrence relations, relations, graph theory, languages, grammars, and finite-state machines.

**MATH 352 Numerical Analysis**  
3 hours  
Prerequisite: MATH 221 or MATH 321, minimum grade of “C”  
Introduction to numerical techniques for problems such as interpolation, approximation, numerical differentiation and integration, differential equations, zeros of functions, solutions of linear systems, and error analysis.

**MATH 400 History of Mathematics**  
3 hours  
Prerequisite: At least one upper-level mathematics course with a minimum grade of “C”  
The development of mathematics from ancient to modern times (19th century BC-19th century AD). Special emphasis is given to the period of the Greeks (600 BC - 200 AD), the development of the calculus (17th century), and the “modern” period (19th century).

**MATH 401 Introduction to Mathematical Statistics**  
3 hours  
Prerequisites: MATH 211 and 231, minimum grades of “C”  
Probability concepts, moment generating functions, discrete and continuous distributions, bivariate distributions, distributions of functions of random variables, estimation.
MATH 419  Teaching Mathematics in Secondary Schools  
Prerequisite: At least one upper level mathematics course with a minimum grade of “C” and admission to the Educator Preparation Program. Must be taken the semester prior to student teaching in mathematics. 
Special readings in the field of Mathematics Education, planning for mathematics instruction, and evaluation components of this course. May not be counted toward the Mathematics major. 
MATH 420  Teaching Mathematics in Secondary Schools Practicum  
Prerequisite: Concurrent enrollment in MATH 419  
As the students are developing proficiency in planning for mathematics instruction, evaluating and learning, they will also gain practical experiences by delivering instruction in a peer setting and/or regular school setting with videotaping. Each presentation is to be critiqued by the “teacher,” the course instructor and the student peers. 
MATH 421  Elementary Abstract Algebra I  
Prerequisite: MATH 321, minimum grade of “C”  
Elementary number theory, the theory of groups, sets and mappings, isomorphisms and homomorphisms of groups, the first isomorphism theorem, and a brief introduction to rings. 
MATH 422  Elementary Abstract Algebra II  
Prerequisite: MATH 421, minimum grade of “C”  
A continuation of MATH 421. The theory of rings and fields, integral domains, and the theory of polynomials. 
MATH 431  Real Analysis  
Prerequisite: MATH 231 and 321, minimum grades of “C”  
The real number system, sets and cardinality, topology of the real numbers, sequences and series, limits, continuity, uniform continuity and convergence, differentiation, and Riemann integration. 
MATH 450  Mathematics Capstone Seminar  
Prerequisite: MATH 421 and MATH 431 (may be concurrently enrolled)  
Integrate previous mathematical coursework and prepare and present mathematical research, both orally and in written form. Consider the relevance of the Christian worldview and a biblical ethical approach to the fields of science, mathematics and technology. Introduction to professional and graduate opportunities available to mathematics graduates. 
MATH 495  Directed Research  
Prerequisite: Approval by department chairman 
Exploration of a topic beyond that covered in any core course as preparation for graduate level mathematics or a professional career. It may be taken for credit more than once. 
MATH 497  Special Topics in Mathematics  
1 to 3 hours 
MENTORING  
MENT 100  Foundations for Academic Success  
3 hours 
This course is designed to assist students in their academic adjustment to college. There is a focus on learning and application of study strategies and self-management skills. In addition, emphasis is placed on community and accountability which provide the foundation for academic success. 
MENT 101  Mentoring for University Transition  
1 hour 
Prerequisite: Freshmen only  
This course is designed to provide instruction in study strategies and life skills basic to the successful transition to the university. Within a small group setting, instructors will mentor students in their understanding and application of these concepts. 
MILITARY SCIENCE – ARMY ROTC  
MISC 001  Leadership Applications  
1 hour 
Basic leadership skills taught through classroom instruction, practical, and field exercises. Emphasis is placed on small unit leadership techniques and hands-on, practical experiences. Cadets are actively involved in the planning, conduct, and evaluation of the training in order to effectively develop small unit leadership and pre-commissioning skills. 
MISC 101  Fundamental Concepts  
1 hour 
This course introduces cadets to fundamental components of service as an officer in the United States Army. These initial lessons form the building blocks of progressive lessons in values, fitness, leadership, and officership. Additionally, the semester addresses “life skills” including: fitness; communications theory and practice (written and oral); and interpersonal relationships. Upon completion of this semester, the cadets should be prepared to receive more complex leadership instruction. 
MISC 102  Basic Leadership  
1 hour 
This course builds upon the fundamentals introduced in the previous semester by focusing on leadership theory and decision-making. Lessons in this semester include: problem solving; critical thinking; leadership theory; followership; group interaction; goal setting; and feedback mechanisms. Upon completion of this semester, cadets should be prepared to advance to more complex leadership instruction concerning the dynamics of organizations. 
MISC 201  Advanced Leadership  
1 hour 
This course is the first of two designed to teach the principles of leadership. Building upon the fundamentals introduced in the first year, this course explores communication and leadership theory. The course emphasizes practical exercises, as students are increasingly required to apply communication and leadership principles. The course is dedicated to developing leadership and communication skills in the student with an understanding of their value to the Army. Topics discussed include: communication, leadership, and problem solving. 
MISC 202  Tactics and Officership  
1 hour 
This course focuses on leadership by providing an extensive examination of the unique purpose, roles, and obligation of commissioned officers. It provides a look at our organizational values and their application to the decision-making process and leadership. The course contains a case study of Army leadership since the Vietnam War in the context of previous lessons of values, decision-making, and communication skills. The course also studies Principles of Tactics, Values and Ethics, and Officership. 
MISC 301  Small Unit Leadership  
2 hours 
This course is the first of two that focus on leadership principles, small unit tactics, and the military planning process. The Leadership Development Process (LDP) is a component of this course as well as MISC 302. Other topics include light infantry tactics, motivational theory and techniques, and the role and actions of leaders. Emphasis is placed on applying the Troop Leading Procedures (TLPs) as a guide for planning, executing, and making decisions for complex operations. Cadets will learn military order formats and advanced communication skills to effectively present their plans. 
MISC 302  Small Unit Operations  
2 hours 
This course continues to focus on doctrinal leadership and tactical operations at the small unit level started in MISC 301. It includes opportunities to plan and conduct individual and collective training to gain leadership and tactical experience. This course synthesizes the various components of training, leadership and team building. Upon completion, cadets will possess the fundamental confidence and competence of leadership in a small
unit setting. Following MISC 302, cadets will attend a challenging summer leadership camp.

**MISC 401 Leadership, Management, and Ethics 2 hours**
This course is the first of two designed to prepare cadets for the transition to lieutenant. The course emphasizes a continuation of leadership and management exercises intended to synthesize and integrate the principles of leadership learned in previous courses. Topics addressed include staff coordination, fundamental counseling methods, the Army Training Management System, ethical imperatives for the junior officer, and battlefield ethics.

**MISC 402 Transition to Lieutenant 2 hours**
This course is the culmination of officership training. The course emphasizes the skills required of newly commissioned officers and concludes with a capstone practical exercise entitled “Platoon Leader.” Topics include: military justice and leadership; operational law; organizing for military operations; and administrative management and logistics. At the conclusion of this course, newly commissioned officers are prepared to meet the physical, moral, emotional, and intellectual leadership challenges facing the evolving Army in the 21st century.

**MISC 497 Special Topics in Military Science 1–3 hours**
MUSC 139  Contemporary Techniques in Composition II  1 to 3 hours
Prerequisite: MUSC 133 or permission of instructor
Continuation of MUSC 133. This course focuses on continued investigation of the new musical and technological techniques and aesthetics of contemporary film composing. Continued development of skill in traditional and non-traditional composition practices using technology. Creation of short works reflecting diverse dramatic styles is emphasized.

MUSC 141  Private Piano (Freshman)  1 or 3 hours
Prerequisite: MUSC 141
Private lessons in piano, organ or harpsichord performance, based on department policies. Admission by audition. (Formerly WMUS 145)

MUSC 142  Private Piano (Freshman)  1 or 3 hours
Prerequisite: MUSC 141
Continuation of MUSC 141, private lessons in piano or organ, based on department policies.

MUSC 143  Jazz Improvisation and Lab I  3 hours
The development of instrumental and vocal improvisation skills incorporating harmony, melody, rhythm and form. Musical styles include traditional and contemporary jazz. Class structure is performance based. Each semester will culminate in a public performance featuring large and small groups.

MUSC 150  Group Guitar I  1 hour
(Classes meet two hours each week)
A group guitar course designed for students with limited experience with the instrument. Instruction includes technical exercises, chords and chord progressions, and development of music reading and performance skills in classical, contemporary, gospel, and jazz styles. Fulfills the need for secondary instrumental requirement in guitar. (Formerly WMUS 150)

MUSC 151  Guitar, Strings, Brass, Woodwinds, Percussion (Freshman)  1 or 3 hours
Prerequisite: Audition and/or permission of instructor
Private lessons in the instruments of the band or orchestra based on department policies. (Formerly WMUS 155)

MUSC 152  Guitar, Strings, Brass, Woodwinds, Percussion (Freshman)  1 or 3 hours
Prerequisite: MUSC 151
Continuation of MUSC 151, Private lessons in the instruments of the band or orchestra based on department policies.

MUSC 178  The Worship Choir I  1 hour
This large choral ensemble provides students opportunity to experience various styles of music in the choral tradition: classical, Black Gospel, pop, traditional gospel, worship and praise, scripture song, sacred classic, Southern Gospel, and more. In addition to literature, vocal, choral blend, and group discipline are developed through vocal exercises, various performance technique, and on-campus or area concert opportunity. Special attention is given to the preparation and presentation of the annual Christmas on the Boulevard and spring Night of Worship concerts. This entry level ensemble does not require an audition. (Formerly WMUS 180)

MUSC 179  Classical Guitar Ensemble I  1 hour
Prerequisite: Audition and/or permission of instructor
An ensemble comprised of guitarists; performs repertoire composed or arranged for guitar. Activities include on and off campus formal concert presentations.

MUSC 180  University Chorale I  1 hour
Prerequisite: Audition and/or permission of instructor
A mixed choral ensemble that stresses the development of strong choral skills. Activities includes major concerts on and off campus. Admission by audition.

MUSC 181  Concert Choir I  1 hour
Prerequisites: Audition and/or permission of instructor; satisfactory vocal and sight reading skills
A mixed choral ensemble focusing on repertoire for chorus and choral/orchestral ensembles which is drawn from literature of the Renaissance through the present, both sacred and secular. Admission by audition.

MUSC 182  Chamber Singers I  1 hour
Prerequisite: Audition and/or permission of instructor
A small mixed choral ensemble that performs sacred and secular music of all historical music periods, focusing on advanced choral repertoire. Annual Spring tour. Admission by audition.

MUSC 183  Jazz Ensemble I  1 hour
Prerequisite: Fall audition
An auditioned ensemble specializing in jazz ensemble repertoire. Reading and musical interpretation of jazz rhythms and notation are stressed. Improvisational and ensemble skills are developed. The ensemble performs frequently on and off campus.

MUSC 184  Marching Band I  1 hour
(Fall semesters only)
Open to any student with previous experience on a woodwind, keyboard, brass or percussion instrument. No audition is necessary for Marching Band. The Spirit of the Mountain Marching Band performs at home football games, at selected away football games and in various parades and competitions. Members audition for placement.

MUSC 185  Symphony Orchestra I  1 hour
The Liberty University Symphony Orchestra is an instrumental ensemble for string, woodwind, brass, and percussion players. Special attention is given to the preparation and presentation of on and off campus concerts. Membership is by audition only, and open to all Liberty University students, faculty, and staff. Optional Spring Tour.

MUSC 186  Brass Choir I  1 hour
Prerequisite: Audition and/or permission of instructor
A small brass ensemble. Repertoire includes music from the Renaissance through the present. Participation engenders performance proficiency and musical understanding through small ensemble rehearsal and performance, including appearances on campus, presentations in schools and concerts at local churches. Admission by permission of instructor.

MUSC 187  University Band I  1 hour
Prerequisite: Audition and/or permission of instructor
An auditioned ensemble for woodwind, brass, and percussion students. Repertoire includes original and transcribed band works form all eras. The purpose is to develop to proficiency and musical understanding of the student through large ensemble rehearsal and performance.

MUSC 188  Woodwind Choir I  1 hour
Prerequisite: Audition and/or permission of instructor
Small ensemble experiences for woodwind players. Repertoire includes music from the Renaissance through the present. Performances may include Liberty University student recitals as well as presentations in area schools and churches. Admission by permission of instructor.

MUSC 189  Celebration Choir  1 hour
The course involves participation with the choir and orchestra ministry of Thomas Road Baptist Church. Students experience the rigors of preparing for a weekly music ministry in a large, mega church. Attention is given to the study of choral blend, group discipline, programming, ministry through large choral ensemble, and broad literature selection unique to the various needs of the evangelical worship community. (Required for all music and worship majors during the 2nd semester of the freshman year) (Formerly WMUS 189)

**COURSES OF INSTRUCTION – RESIDENT PROGRAMS**

**MUSC 192 Percussion Ensemble I**
Small ensemble experience for percussionists; specializing in modern percussion repertoire and world music. Reading and musical interpretation of a wide variety of musical styles are developed. The ensemble performs frequently on and off campus. Required for percussion majors in the B.M. in Music Education or the B.M. in Performance degrees. Other members admitted by permission of instructor.

**MUSC 193 Chamber Music Ensemble I**
Prerequisite: Audition and/or permission of instructor
This course is designed to provide students the opportunity to participate in various chamber formations, receive weekly coaching, attend master classes with faculty members and guests as required, and present a public performance during the term.

**MUSC 194 Wind Ensemble I**
Prerequisite: Audition and/or permission of instructor
An auditioned instrumental ensemble for advanced woodwind, brass and percussion students. Repertoire includes original and transcribed wind ensemble works from all eras. Wind Ensemble performs on campus and makes an extensive Spring tour annually.

**MUSC 200 Music, Art, Worship and Culture**
Prerequisite: ENGL 101
This course is a comprehensive survey of music, art, worship and culture in daily life, career choice and profession. Introductory concepts of formational, transformational, relational, missional, reproducible and biblical principles for artistic development are established. Application is made to the basic relationship between old and new testament worship in 21st century culture. Students complete a project that provides significant experience in research preparation and processes, including: developing literature review, building bibliography, thesis and outline construction, and crafting of meaningful narrative. (Formerly WRSP 101)

**MUSC 201 Creative Worship**
This course is an introductory study of the practical issues involved in planning and facilitating creative corporate worship. Application is made to worship planning, lighting design, audio and video production, presentation software, vocal and instrumental team communication and rehearsal, staging, banners, liturgical dance, and a variety of multi-media possibilities. Students will prepare a class project that represents understanding and application of creative worship techniques. (Formerly WRSP 102)

**MUSC 202 Old and New Testament Music and Worship**
(Offered fall semester)
Prerequisites: MUSC 200 and 201
This course presents principles of Old and New Testament Music and Worship. Included is a discussion of pre-tabernacle, tabernacle, temple, and synagogue music and worship. An overview of how Jesus, the disciples, and early Christians incorporated music and worship in their daily practices. (Formerly WRSP 201)

**MUSC 203 Commercial Music Theory and Harmonic Practices I**
Prerequisites: MUSC 105 and 106
Co-requisite: must be taken concurrently with MUSC 207
A continuation of MUSC 106. This course includes the study of modulation techniques in traditional, popular and commercial music genres. Students investigate jazz and extended harmonies used in commercial music and make application of analytical techniques to various literatures. Harmonic function is taught through “praxis” methodology. (Formerly WMUS 203)

**MUSC 204 Commercial Music Theory and Harmonic Practices II**
(Former Spring semester)
Prerequisites: MUSC 105, 106 and 203
Co-requisite: must be taken concurrently with MUSC 208.
A continuation of MUSC 203. Music structure, form, and melodic contour are studied and applied to various traditional and popular music genres. Students learn principles of 2-part counterpoint, fugue, and variation technique as related to the practice of songwriting and evaluation of commercial music. Harmonic function is taught through “praxis” methodology. (Formerly WMUS 204)

**MUSC 205 Chromatic Harmony**
Prerequisites: MUSC 105 and 106
Co-requisite: piano instruction for students who have not passed the Piano Proficiency Examination
Continuation of MUSC 106. Studies in chromatic harmony and formal procedures of the 18th and 19th century.

**MUSC 206 Chromatic Harmony II**
(Former Spring semester)
Prerequisites: MUSC 105, 106 and 205
Co-requisite: piano instruction for students who have not passed the Piano Proficiency Examination
Continuation of MUSC 205. Studies in musical forms and procedures as well as 20th century music theory, focusing on harmonic procedures.

**MUSC 207 Musicianship III**
Prerequisite: MUSC 106 and 108
Co-requisite: must be taken concurrently with MUSC 203 or 205
A continuation of MUSC 108. Continued development of the musician’s listening skills as applied to tonal center referencing, harmonic dictation, melodic identification, and rhythmic imitation. (Formerly WMUS 205)

**MUSC 208 Musicianship IV**
Prerequisites: MUSC 106, 108, 203 or 205, and 207
Co-requisite: must be taken concurrently with MUSC 204 or 206
A continuation of MUSC 207. Continued development of music-reading and listening skills as applied to tonal center referencing, harmonic dictation, melodic identification, and rhythmic imitation. (Formerly WMUS 206)

**MUSC 210 Introduction to Music Education**
Prerequisite: Audition and/or permission of instructor
Introduction and orientation to historical, philosophical, and sociological foundations of music education. Overview of ethical, legal, and contemporary trends and implications for music education are included.

**MUSC 211 Survey of Popular and Jazz Music Literature**
Prerequisite: ENGL 101
An introduction to popular and jazz music writers, influences, and trends. Emphasis is placed on a general overview of personalities and their unique influences within each of these genres. Connection to music of the evangelical culture is also considered.

**MUSC 220 Group Voice II**
(Classes meet two hours each week)
Prerequisite: MUSC 120 or recommendation by audition.
This is a continuation of principles learned in MUSC 120, Intermediate-level Class Voice. Continued instruction in musicianship and vocal performance technique. Students study principles of vocal diction as applied to various musical style and general rules for singing in the Italian, French, and German languages. Fulfills the secondary vocal requirement. (Formerly WMUS 220)
#### MUSC 221 Voice (Sophomore)
- **Prerequisite:** MUSC 122
- Continuation of private lessons in singing, based on department policies. (Formerly WMUS 225)

#### MUSC 222 Voice (Sophomore)
- **Prerequisite:** MUSC 221
- Continuation of private lessons in singing, based on department policies.

#### MUSC 233 Private Composition (Sophomore)
- **Prerequisite:** MUSC 139 and Audition
- Continuation of MUSC 139. Private instruction in film scoring/composition based on department policies. Foundational and contemporary repertoire and techniques studied. Emphasis is on preparing for Christian artist ministry in the area of film music production and television/video game scoring. Admission by audition.

#### MUSC 239 Private Composition (Sophomore)
- **Prerequisite:** MUSC 233 and Audition
- Continuation of MUSC 233. Private instruction in film scoring/composition based on department policies. Foundational and contemporary repertoire and techniques studied. Emphasis is on preparing for Christian artist ministry in the area of film music production and television/video game scoring.

#### MUSC 241 Private Piano (Sophomore)
- **Prerequisite:** MUSC 142
- Continuation of MUSC 142, private lessons in piano or organ, based on department policies. (Formerly WMUS 245)

#### MUSC 242 Private Piano (Sophomore)
- **Prerequisite:** MUSC 241
- Continuation of MUSC 241, private lessons in piano or organ, based on department policies.

#### MUSC 243 Group Piano III

**NURS 101 Introduction to Nursing**
This course focuses on an introduction to nursing education, nursing process, principles of teaching and learning, current roles of nurses in health care delivery systems as well as historical, ethical, political, social and legal aspects of nursing. This information is related to the curriculum requirements and career opportunities in nursing. Content also includes an introduction to nursing theory and theorists (with emphasis on Roy, Benner, and Gordon) as well as theories of adaptation, caring, systems, communication, health illness, and caring as a ministry. Presentations include discussion of professional ethics and factors which motivate and influence nurses.

**NURS 105 Medical Terminology**
This course provides basic understanding of medical terms and abbreviations. Includes study of prefixes, suffixes, word stems, and technical terms with emphasis on proper spelling, pronunciation and applications. Elementary aspects of the nursing process with special emphasis on assessment are incorporated.

**NURS 115 Sciences in Nursing**
Prerequisite: BIOL 213/214
The focus of this course is on physiological changes resulting from imbalances in the man-environment interaction throughout the life span. The emphasis is on application of general concepts of adaptation and homeostasis to each of the body’s systems and on relationship of these concepts to the practice of clinical nursing. The course provides the student with a scientific knowledge base applicable to the more advanced clinical practice of nursing. (Formerly NURS 215)

**NURS 200 Nursing Process Application**
Prerequisite: Acceptance into the Nursing Major
This course is designed to help students achieve success in the Liberty University Nursing Program. Students will learn and apply strategies for analyzing, evaluating, and researching information for clinical decision-making. Students will apply critical thinking constructs to develop and write nursing care plans and pathophysiology for selected patients in case studies.

**NURS 210 Health Assessment**
Prerequisite: Admission to the Nursing Major
This course focuses on the development of a body systems approach to health assessment of individuals emphasizing normal growth and developmental responses across the lifespan. Content includes an introduction to the knowledge and skills of health assessment through a variety of methodologies in the classroom, opportunities to practice skills in the nursing laboratory and experiences in the clinical settings. Students apply communication techniques in eliciting comprehensive health histories and perform physical examinations in evaluating health status.

**NURS 220 Advanced Nursing Communication**
Prerequisite: RN Licensure in good standing
It is essential that professional nurses have communication skills that are effective in promoting optimal interaction with others in a variety of situations. This course focuses on developing expert communications skills when communicating with other health care providers and patients and when communicating professional information through writing and speaking.

**NURS 225 Research in Nursing**
Prerequisite: Admission to the Nursing Major
This course provides an overview of the nursing process including methodology, design and interpretation of findings. It focuses on acquiring the beginning knowledge and skills essential for critical evaluation of research reports as well as guidance in the production of a poster presentation which incorporates evidence based knowledge related to a specific clinical problem.

**NURS 299 Internship**
Prerequisites: Sophomore status, 2.00 GPA, two courses in major, declared major, not more than one CSER behind.
Application procedures processed through the Career Center. Must apply semester prior to internship.

**NURS 301 Strategies for Adult Health Care I**
Prerequisites: NURS 210, 215, 221
In-depth exploration of bodily system dysfunction throughout the adult lifespan provides the focus of this course. Principles of pre-, intra-, and post-operative management, infection and wound management will be discussed. Discussions of dysfunctions of the respiratory, cardiac, vascular, hematologic, gastrointestinal, genitourinary and endocrine systems will also be included in the course content. With each topic covered, principles of care designed to most effectively maintain or restore homeostatic mechanism are addressed. Aspects of patient teaching and discharge planning are incorporated into each system. Assessment, analysis, planning, implementation and evaluation are emphasized as the nursing process is applied to the clinical learning experience in the acute care setting. Legal, ethical, political and economical issues are addressed in the theoretical and clinical component of this course. The student will be responsible for the management of self and one client in the clinical setting.

**NURS 302 Strategies for Adult Health Care II**
Prerequisites: NURS 210, 221, 305
Continued in-depth exploration of bodily system dysfunction throughout the adult lifespan provides the focus of this course. Discussion of the musculoskeletal system, eye and ear, hepatobiliary and pancreatic systems, male and female reproductive systems, and neurological systems are included in the course. Cancer and therapeutic treatment of cancer, death and dying, and gerontology are also addressed in the course content. Principles of care designed to most effectively maintain or restore homeostatic mechanisms are discussed. Family involvement, coping and education are discussed with each system. Assessment, analysis, planning implementation and evaluation are emphasized as the nursing process is applied to the clinical learning experience in the acute care setting. Legal, ethical, political and economical issues are addressed in the theoretical and clinical components of the course. The student will be responsible for the management of the total patient/family needs of one or more patients each week in the clinical setting.
NURS 305  Pharmacology  2 hours
Prerequisites: NURS 210, 215, 221
Introduction to clinical drug therapy with emphasis on the knowledge and interventions needed to maximize therapeutic effects and prevent or minimize adverse effects of drugs. Major content areas include basic concepts of pharmacology, groups of therapeutic drugs, prototypes of drug groups, commonly prescribed individual drugs, drug effects on body tissue, human responses to drug therapy, and applying nursing process in relation to prescribed drug therapy regimens.

NURS 306  Pharmacology II  2 hours
Prerequisites: NURS 305 and acceptance into the Nursing major
Continued exploration of clinical drug therapy with emphasis on the knowledge and interventions needed to maximize therapeutic effects and prevent or minimize adverse effects of drugs. Major areas of study include groups of therapeutic drugs, their application in disease-process management, and their effects. Legal and professional issues surrounding the safe administration of medications are discussed. Human responses to drug therapy and application of the nursing process in relation to prescribed drug therapy regimens are discussed.

NURS 325  Nursing Concepts  1 hour
Prerequisite: Restricted to Registered Nurses only
This course is designed to assist the registered nurse student through the transition between basic nursing preparation and a more advanced level of nursing practice. Focus is on concepts and issues related to the professional nurse, the nature and scope of professional nursing and selected theoretical models for nursing practice.

NURS 352  Caring for the Childbearing Family I  4 hours
(2 hours lecture; 6 hours clinical)
Prerequisites: NURS 210, 215, and 221
The pregnant family through early infancy will be the unit of study. Discussion of political, economic, social, religious and health care influences on reproduction and family life and the counter influences of pregnancy and the birth of children in communities and societal systems will be included. The course focuses on the pregnant family’s interaction with the environment. The stages of pregnancy, fetal development and adaptation of the newborn to extra-uterine life are the major topics of discussion. Normal and minor disruptions of the physiological and psychological functioning of the mother, the newborn and various family members will be emphasized through theory and practice.

NURS 353  Caring for the Childbearing Family II  4 hours
(2 hours lecture; 6 hours clinical)
Prerequisites: PSYC 210, NURS 210, 215 and 221
This course provides a comprehensive overview of child health problems from infancy to adolescence. Discussion of political, economic, social, religious and health care influences on child rearing families will be included. Study of the needs of the ill child and the hospitalized child and the resulting affects on the child’s family will be emphasized through theory and practice.

NURS 415  Cross-Cultural Nursing  3 hours
(2 hours lecture; 3 hours clinical)
Prerequisite: NURS 301 or concurrent enrollment
The student utilizes the nursing process while gaining an understanding of the delivery of health care in a culture outside the United States or a subculture within the United States. The experience provides the student with an opportunity to examine personal values and beliefs as they are related to health practices of people from other cultures. It provides opportunity to experience the stress resulting from linguistic differences and the adaptation required to adjust professional and personal practices to a different cultural environment. Issues and view of health and illness are included in the student’s analysis of the relationship between cultural considerations and personal and health behavior. Students develop and practice communication skills and caring as a ministry with individual and family members of another culture.

NURS 416  Preceptorship in Nursing  3 hours
(1 hour lecture; 6 hours clinical)
Prerequisites: NURS 301, 302, 352, 353 and recommendation of faculty
This elective course focuses on the nursing process in the care of adults and children with multiple and complex nursing problems. Secondary and tertiary health care settings will be utilized. Students will be given the opportunity to select an area of concentration and to be associated with preceptors of experience in the field of choice. The course will include 15 hours of classroom time and 90 hours of clinical experience. The clinical experience will be guided by a learning contract, the preceptor and the instructor.

NURS 417  Crisis Nursing  3 hours
(2 hours lecture; 3 hours clinical)
Prerequisite: NURS 301 or concurrent enrollment
This course focuses on care of individuals and families in crisis. Theories of adaptation as well as situational and maturational crisis will be discussed and applied through use of the nursing process. Students have opportunities for communication and client teaching in a variety of crisis situations. Secondary and tertiary health centers as well as community support agencies will be utilized as clinical settings.

NURS 418  Gerontological Nursing  3 hours
(2 hours lecture; 3 hours clinical)
Prerequisite: Completion of one clinical course
This course will focus on the nursing care of the elderly, with special emphasis on health and wellness. Issues surrounding the aging process will be discussed. Students will have the opportunity to utilize knowledge and skills in a variety of facilities serving older adults.

NURS 419  Strategies for End of Life Care  3 hours
Prerequisites: NURS 201, 215, 221, 301 or permission of the instructor
This course focuses on the physical, emotional, legal and ethical issues that face nurses as they care for patients in their final days of life. Attention is paid to the lived experiences of the dying patient and their significant others. Strategies are discussed for professional intervention on behalf of the patient.

NURS 420  Comprehensive Pain Management  3 hours
Prerequisites: NURS 210, 215, 221, 301, 302, 306 or permission of the professor
This course emphasizes the development of the nurse as an advocate pertaining to pain management. Areas of study include societal bias, ethnic and gender bias related to pain management, ethical and legal considerations, and the nurse’s role in the development of a therapeutic culture for pain management. This course will establish a sound foundation for nurses to take a leadership role in pain management.

NURS 440  Strategies for Community Health Care  5 hours
(3 hours lecture; 6 hours clinical)
Prerequisites: BIOL 203, NURS 301, 302, 352 and 353
This course focuses on the application of the nursing process to a population or community group. Emphasis is placed on community assessment process and the development of nursing strategies to assist multi-problem families, considering health on a continuum, throughout the lifespan. Family systems theory, theories of adaptation and educational needs of various populations will be addressed. The clinical focus is on the development of a broader perspective of the nurse’s role in a variety of clinical and environmental settings. In addition, the nurse’s role on the community health team and an understanding of health care needs of different cultural groups will be studied.
NURS 445  Population Health  3 hours
Prerequisites: NURS 301, 302, 305, 306, 352, and 353
This seminar course provides an overview of genetics, genomics, geriatrics, end-of-life care, and cultural sensitivity from a Christian worldview. Through the use of evidence-based practice guidelines, the student will utilize knowledge and skills attained throughout their nursing education and apply it to a variety of educational activities. These include Senior Mentor project, interaction with a community specialist panel, evidence-based research, self-reflection, therapeutic communication and critical thinking skills.

NURS 451  Strategies for Mental Health Care  3 hours
(2 hours lecture; 3 hours clinical)
Prerequisites: NURS 301, 302, 352 and 353
This course focuses on the psychosocial needs of an individual/family. Biological, psychological and spiritual systems will be emphasized. Development of nursing knowledge and skill for intervention with social-emotional balances and imbalances in the lifespan will be explored. Stress, adaptation, communication and personality development are emphasized. Behavioral concepts and mental health theories are integrated. In- and out-patient mental health agencies will serve as practice areas.

NURS 460  Advanced Strategies for Adult Health Care  4 hours
(2.5 hours lecture; 4.5 hours clinical)
Prerequisites: NURS 301, 302, 352 and 353
This course focuses on application of the nursing process in highly complex and/or life threatening situations, including the effect of crises on the patient and family systems. Knowledge from previous courses is expanded upon to provide a deeper understanding of the pathophysiology and the advanced health care needed in this highly technological setting. Clinical experiences focus on the management of total patient care of individuals with multi-system dysfunction, in collaboration with the involved nursing staff and physicians. Legal, ethical, political, historical and economic issues are addressed in the theoretical and clinical components of this course.

NURS 465  Advanced Strategies for the Critically Ill  3 hours
(2 hours lecture; 3 hours clinical)
Prerequisites: All Junior-level nursing courses and NURS 460
This course focuses on application of the nursing process in highly complex and/or life threatening situations. Content builds upon knowledge gained in previous courses, with an emphasis on the integration of this knowledge in a challenging patient population. A holistic approach is utilized, with psychosocial, legal, and ethical considerations discussed.

THEO 495 Directed Research 1 to 3 hours
### UNIVERSITY CORE COMPETENCIES

**UNIV 101 University Core Competencies**  
1 hour  
University 101 provides students with an introduction to Liberty University and to the academic core competencies that students attain by the point of graduation. Students receive practices in the various competencies and skills necessary to succeed in the University and beyond. NOTE: Requirement is waived for students transferring in 60 or more hours.

### WELDING

**WELD 101 Foundations of Welding**  
4 hours  
Co-Prerequisite: CRFT 101  
Foundations of Welding is a practical course combining lecture and hands-on instruction. Topics addressed include: Welding Safety, Oxyfuel Cutting, Plasma Arc Cutting, Air Carbon Arc Cutting and Gouging, Base Metal Preparation, Weld Quality, SMAW – Equipment and Setup, Shielded Metal Arc Electrodes, SMAW – Beads and Fillet Welds, Joint Fit-Up and Alignment, SMAW – Groove Welds with Backing, and SMAW – Open V-Groove Welds.

**WELD 201 Intermediate Welding**  
4 hours  
Prerequisite: WELD 101  
Intermediate Welding is a practical course combining lecture and hands-on instruction. Topics addressed include: Welding Symbols, Reading Welding Detail Drawings, Physical Characteristics and Mechanical Properties of Metals, Preheating and Postheating of Metals, GMAW and FCAW – Equipment and Filler Metals, GMAW and FCAW – Plate, GTAW – Equipment and Filler Materials, and GTAPlate.

**WELD 301 Advanced Welding**  
4 hours  
Prerequisite: WELD 201  
Advanced Welding is a practical course combining lecture and hands-on instruction. Topics addressed include techniques with: SMAW – Open-Root Pipe Welds, GMAW – Pipe, FCAW – Pipe, GTAW – Carbon Steel Pipe, GTAW – Low Alloy and Stainless Pipe, and SMAW: Stainless Steel Groove Welds.

**WELD 401 Special Topics in Welding**  
4 hours  
Prerequisite: WELD 301  
Special Topics in Welding is a practical course combining lecture and hands-on instruction. Topics addressed include techniques with: GMAW – Aluminum Plate, GTAW – Aluminum Plate, GTAW – Aluminum Pipe, GMAW – Aluminum Pipe.

### WOMEN’S MINISTRIES

**WLED 220 / Survey of Women’s Ministries**  
3 hours  
**WMIN 220**  
A survey of women’s ministries from a complementarian perspective, including an overview of secular feminism, and a survey of women’s roles in the home, in the church, and in society.

**WLED 320 / The Christian Woman**  
3 hours  
**WMIN 320**  
A study of God’s Word as it specifically relates to women today and God’s plan and purposes for them in every sphere of life as women, wives, homemakers, and mothers. (Formerly CHMN 320)

**WLED 330 / The Role of Christian Women in Ministry**  
3 hours  
**WMIN 330**  
A study of the laws of teaching and learning as they apply to women in various situations in which the student has an opportunity to observe and apply the principles and art of effective teaching. (Formerly CHMN 330)

**WLED 387 / Methods of Teaching the Bible and Religion for Women**  
3 hours  
**WMIN 387**  
A study of a survey of women’s ministries from a complementarian perspective, including an overview of secular feminism, and a survey of women’s roles in the home, in the church, and in society. (Formerly CHMN 220)

**WLED 410 / Leadership Development and Strategies for Women in Ministry**  
3 hours  
**WMIN 410**  
A study of the laws of teaching and learning as they apply to women in various situations in which the student has an opportunity to observe and apply the principles and art of effective teaching. (Formerly CHMN 387)

**WLED 430 / Women’s Ministries Internship**  
3 hours  
**WMIN 499 / Women’s Ministries Internship**  
A study of the skills necessary to be an effective leader to women with emphasis on strategies to evangelize and disciple women in the local church and parachurch.

**WLED 499**  
Prerequisites: Junior status; 21 hours in the major including CHMN 447 and WMIN 387  
A supervised field experience designed for students preparing for a position in the field of women’s ministries such as women’s ministry director, women’s ministry coordinator in a local church or a women’s director in a parachurch organization. This internship will focus on the organization, teaching, and leadership components of women’s ministry. The site must be approved by the Director of Women’s Ministries. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

### YOUTH MINISTRIES

**YOUT 201 / Survey of Youth Ministries**  
3 hours  
A study of biblical principles in establishing and maintaining a ministry to adolescents. Emphasis is placed upon a system of philosophy and general principles for adolescent ministry. Special attention is given to developing a youth ministry mission statement, objectives and strategy.
YOUT 220  Global Youth Culture  
This course will begin by exploring the cultural practices, behavioral norms, and core values of youth in North America and will expand to global youth culture. It will examine methods for effective ethnographic studies of youth in their host culture and identify areas that create barriers to effective intercultural communication and ministry. Supervised field experience at an approved site. Application procedures processed through the Career Center. Must apply semester prior to internship.  
YOUT 301  Foundations of Youth Ministry  
Prerequisite: YOUT 201  
An investigation of specific elements that are building blocks for the biblical education of adolescents. Foundational issues, principles of teaching and curriculum development will be studied.  
YOUT 310  Strategies for Student Outreach  
Prerequisite: YOUT 201, 220 (Student may see professor for prerequisite override)  
A study of various strategies in building bridges to the local adolescent community in order to effectively communicate the gospel of Jesus Christ. Special attention will be given to the role of the local church in training its own adolescents to reach their peers, creating a culture of outreach within the church, and having each student develop an effective outreach strategy.  
YOUT 340  Current Issues in Youth Ministry  
Prerequisites: YOUT 201, 301  
This course will take a comprehensive examination of contemporary issues related to Youth Ministry. Areas of emphasis will include adolescent behavioral issues, ministerial models and trends that are being practiced among youth ministries, vocational issues among youth ministers/workers, and technological issues that will enhance youth ministry.  
YOUT 350  Campus Ministry  
Prerequisites: YOUT 201, 301  
A study of the history and strategy of reaching youth through the campus structure. Attention is given to the basic workings of the campus social system and the methods used in reaching it with the gospel. (Formerly YOUT 403)  
YOUT 360/  Camping Ministry  
Prerequisites: YOUT 201, 301  
This course will investigate specific elements and issues that are building blocks for camping ministry. Such elements and issues will include starting a camp, programming, recreation, staffing, budgeting, legal issues, promotional methods, camp counseling, camping options and management principles will be addressed. The course will include a full day of on-site training in order to get a hands-on look and feel of the significant ministry of camping.  
YOUT 370/  Managing the Christian Organization  
Prerequisites: YOUT 201, 301  
This course will take a comprehensive examination of critical areas for the individual who gives or is considering leadership in a Christian youth organization. An exposition of biblical passages supporting the establishment and function of Christian youth organizations and their supportive relationship to the local church will be presented. After which, pragmatic applications to effectively direct/ manage a Christian youth organization will be examined.  
YOUT 380  Ministering to Adolescents in Crisis  
Prerequisites: YOUT 201, 220  
An examination of both contemporary and re-occurring generational behaviors confronting today’s youth that have escalated to crises. These issues are relevant to adolescents both physically, emotionally, socially, and spiritually. The problem-solving technique of case studies will be juxtaposed with the safety and well-being of the teenager, as well as an emphasis on biblical applications to these problems.  
YOUT 448  Contemporary Youth Communication  
Prerequisites: YOUT 201, 301, 350; BIBL 350  
A study focusing on communicating biblical and spiritual truths to the youth culture. The course equips the student with the specific knowledge, skills, and practice necessary to prepare and deliver effective oral communications.  
YOUT 460  Programs for Youth Ministry  
Prerequisites: YOUT 201, 301, 350, 447, 448; PLED 350  
A study of the planning and implementation of the ministry vehicle. Specific programming aspects of the large meeting, small group meeting, activities, camping and missions projects will be examined. Attention will be given to annual calendar planning and organization skills.  
YOUT 495  Directed Research  
1 to 3 hours  
YOUT 497  Special Topics in Youth Ministry  
1 to 3 hours  
YOUT 499  Youth Ministry Internship  
3 hours  
Prerequisites: Junior status, 21 hours in the major, including CHMN 447 and YOUT 448  
This internship will focus on both the programming and leadership aspects of youth ministry. It will be a supervised field experience at an approved site. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

Accounting

ACCT 211 Principles of Accounting I 3 hours
A study of basic transactions, general ledger accounts, books of original entry, closing and adjusting entries processes, trial balances, financial statements, accounting for assets, liabilities, sole proprietorship, equity, revenues, and expenses.

ACCT 212 Principles of Accounting II 3 hours
Prerequisite: ACCT 211
A study of the fundamentals of accounting with a financial accounting emphasis on the corporate form of business including such topics as bonds, capital stock, retained earnings, statement of cash flows and financial statement analysis; and a managerial accounting perspective including topics related to global business, cost accounting measurement systems, cost-volume-profit analysis, managerial decision-making concepts, operational budgeting, standard cost systems and capital budgeting.

ACCT 301 Intermediate Accounting I 3 hours
Prerequisite: ACCT 212
This is an intensive course in accounting theory and practice. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based. Alternatives to current practice are also introduced.

ACCT 302 Intermediate Accounting II 3 hours
Prerequisite: ACCT 301
This is an intensive course in accounting theory and practice dealing with liabilities, stockholders equity, and financial reporting issues. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based.

ACCT 311 Cost Accounting I 3 hours
Prerequisite: ACCT 212
A study of the principles and procedures used in the collection, recording and reporting of costs. Balance Sheet inventory valuation and the related Income Statement cost of goods sold valuation, determined using both job order costing and process costing, are emphasized. Activity-based costing is covered in depth. Traditional cost accounting is the main content of this course.

ACCT 332 Accounting Information Systems 3 hours
Prerequisite: ACCT 301
This course provides a basic knowledge of how accounting information systems function in today’s business environment. It emphasizes the internal control feature necessary to produce accurate and reliable accounting data as it looks at how accounting information is recorded, summarized and reported in both manual and computerized systems. The following topics are covered in this course: systems concepts, tools, development processes, analysis; design; implementation and operation; computer software and configurations; data storage and processing methods; file processing; implementing data base management systems; internal control; information system control; data security and integrity; accounting transaction cycles; revenue cycle applications; and expenditure cycle applications.

ACCT 340 Accounting Ethics 3 hours
Prerequisite: ACCT 212
This course provides an analysis of ethical standards in the accounting profession. Major ethics paradigms are examined and contrasted with a Christian worldview of ethics. The course includes an in-depth examination of the AICPA Code of Professional Conduct and other ethical standards in the accounting profession. The course also presents an ethical decision-making model for the accounting profession.

ACCT 370 Financial Statement Analysis 3 hours
Prerequisite: BUSI 320
This course examines the fundamental techniques of financial statement analysis and their application to strategic planning and decision-making. The course covers the analysis and interpretation of financial information including the balance sheet, income statement, and statement of cash flows.

ACCT 401 Taxation I 3 hours
Prerequisite: ACCT 212
A study of the legal and accounting aspects of federal taxation with an emphasis on individuals and unincorporated businesses.

ACCT 402 Advanced Accounting 3 hours
Prerequisite: ACCT 302
This is an intensive course in accounting theory and practice regarding partnerships, business combinations and consolidated financial statements. The course attempts to strike a balance between procedural explanations of currently applied accounting practices and the theoretical framework upon which those practices are based. Alternatives to current practice are also discussed.

ACCT 403 Governmental and Not-for-Profit Accounting 3 hours
Prerequisite: ACCT 402
Advanced problems involving government and non-profit organizations, estates and trusts, financially distressed entities, translation and consolidation of foreign entities and segment reporting.

ACCT 404 Auditing 3 hours
Prerequisite: ACCT 302
A study of auditing standards and related auditing procedures. Topics include: evaluation of internal control and preparation of the audit program; examination of financial statements and preparation of working papers; and auditors’ reports and opinions.

ACCT 412 Taxation II 3 hours
Prerequisite: ACCT 401
The second course in a two-course sequence dealing with corporate income taxes, taxes on corporate distributions, other corporate tax levies; partnership information, operation and special issues; “S” corporations, gift and estate taxes; the income taxation of trusts and estates; and IRS administrative procedures.

ACCT 432 IT Audit 3 hours
Prerequisites: ACCT 332, 404
This course provides the theory and application of auditing through the use of information systems. Topics include: authoritative information technology control frameworks; computer security; continuous auditing; and audit approaches to new and emerging technologies.

ACCT 441 Capstone: Accounting – Ethics, Theory, and Practice 3 hours
Prerequisite: ACCT 404
The capstone course integrates accounting ethics, theory, practice, and research. In this course, students examine ethical issues in relation to accounting ethics rules and regulations, ethical theories, and from the perspective of a Christian worldview. In addition, students evaluate contemporary financial reporting issues in light of
existing and proposed accounting standards and the conceptual framework. This course has a major research and group component. (Formerly ACCT 441)

ACCT 499 Internships 1 to 6 hours
Prerequisites: Junior or Senior standing; required GPA.
Directed applicable work experience under supervision of the Director of Business Internships and an accounting or business professional at the place of employment. Applications are processed through the department Faculty Intern Advisor. Applicants must apply the semester prior to starting the internship.

ADMINISTRATIVE MEDICAL OFFICE ASSISTANT

AMOA 203 Medical Office Systems and Procedures 3 hours
This course prepares students for the administrative tasks relevant to operating and supervising a medical office of health professionals. Students learn to plan and organize work load, set priorities, develop initiative among employees and coordinate multiple tasks within a time sensitive environment. The value of compassionate professionalism when interacting with patients, family members and staff is stressed.

AMOA 204 Medical Office Insurance 3 hours
This course acquaints students with billing protocol concerning the various insurance filing demands of commercial group insurance, Medicare, Medicaid, Workman’s compensation claims and other third party billing entities.

AMOA 206 Medical Office Billing and Bookkeeping 3 hours
This course provides students with up-to-date information regarding best practices of patient billing and bookkeeping for a medical office.

AMOA 207 Medical Office Coding 3 hours
This course trains students in medical procedural and diagnostic coding skills. Emphasis is placed upon the utilization of coding manuals for insurance claim processing.

AMOA 254 Medical Office Infection Control 3 hours
This course educates the student regarding the seriousness of infection control within the medical office and the role the Medical Office Assistant plays in compliance.

AMOA 256 Medical Office Ethics and Law 3 hours
The student is educated about the general ethical and legal aspects in medicine with an emphasis upon confidentiality, HIPAA, risk management, licensing, contracts and professional liability.

APOLOGETICS

APOL 104 Contemporary Worldviews 3 hours
This is a study in the development and application of the Biblical/Christian Worldview. This course will include an introduction and application of critical thinking skills, as well as a study of religious and philosophical worldviews, the nature of tolerance and basic apologetic methodology.

STUDIO AND DIGITAL ARTS

ARTS 105 Art Appreciation 3 hours
The development of a satisfying discourse between the student and the work of art, employing a selective survey of major achievements and movements in the visual art of western civilization.

ARTS 222 Introduction to Graphic Design 3 hours
An introduction to graphic design as a tool for visual communication. Graphic design skills and topics including a brief history of typography and printing; page layout design principles, the design process, page layout and image manipulation software, visual hierarchy, and critique will be explored in this course. Students will use the acquired skills to create basic graphic design materials for a variety of uses. (Formerly “Desktop Publishing”)

ARTS 342 Digital Imaging 3 hours
Prerequisites: ARTS 222
Creating multiple digital images through a varied methodology. Preparing digitized art for electronic media and the printed page through electronic pre-press techniques. Training in a professional image-editing application. May be taken twice for credit. (Formerly ARTS 351)

ARTS 473 Introduction to 3D Graphics 3 hours
Prerequisite: ARTS 222, 342
An introduction to 2D and 3D design concepts and terminology. Practical experience in the design and evaluation of 2D/3D still and motion graphics. Students gain practical experience by storyboarding, designing, animating, and rendering 2D/3D graphic objects, and Animations. Training in industry standard 3D graphics programs guided by principles of design. May be taken twice for credit. (Formerly “2D/3D Graphics and Animation”)

ARTS 474 Interactive Game Development 3 hours
Prerequisite: ARTS 473
The development of arcade, scrollers and strategy games. Familiarity with several typical game development tools that do not require programming and issues such as player controls, sounds, music, and basic animations will be covered. May be taken twice for credit.

ARTS 477 Interactive Design I 3 hours
Prerequisite: ARTS 222, 342
Study of both visual media design concepts and site management for web development. Developing web applications in HTML and CSS to build websites for multiple platforms with emphasis on accessibility for all users. Practical experience in authoring web technology while developing standards to evaluate the presentation of information with these tools. Creating and developing for the web through the principles of graphic design, user experience, and user interface design. May be taken twice for credit. (Formerly ARTS 472)

AVIATION

AVIA 300 Aviation Safety 3 hours
Prerequisite: AVIA 325 (Commercial License)
This course provides the student with a detailed introduction into aspects of aviation safety, risk management, and the associated components of pilot psychology, human factors and accident trends, factors and analysis.

AVIA 305 Airplane Aerodynamics 3 hours
Prerequisite: AVIA 325 (Commercial License)
This course will provide the student a study of the physical principles of airplane aerodynamics, thereby fostering an appreciation of the factors affecting aircraft performance, stability and control, and special flight conditions often experienced by commercial pilots of the fixed-wing aircraft.

AVIA 340 Aviation Weather 3 hours
Prerequisite: AVIA 325 (Commercial License)
This course is a study of weather hazards, meteorological flight planning, aviation weather equipment and human factors as related to flight safety in all weather conditions.

AVIA 360 Corporate and Business Aviation 3 hours
Prerequisite: AVIA 325 (Commercial License)
This course is designed to introduce aviation students with the operations of a corporate flight department. They will understand the value of management mobility which requires specific operations other than commercial airline options. The student will learn how to evaluate aircraft and equipment requirements, maintenance demands and logistical difficulties, flight operations specific to this unique environment, administration requirements for smooth and efficient operations, as well as the fiscal considerations which will impact the business profits.
AVIA 400  Aerospace Law, Human Factors and Crew Resource Management  3 hours
Prerequisite: AVIA 325 (Commercial License)
This course is divided into three parts. The first will cover the scope of all regulations concerning aviation and how they impact the pilot. The second part will provide the basic understanding of the human factors concepts including psychological and physiological limitations of humans operating in complex environments. The third part will provide an in-depth study of Crew Resource Management, which involves having a complete understanding of the flight deck environment and the proper utilization of all resources available to an aviator.

AVIA 430  Multi-Engine Theory and Advanced Aircraft Systems  3 hours
Prerequisite: AVIA 325 (Commercial License)
This course covers the operations necessary to operate twin-engine aircraft. Normal and abnormal procedures are included along with a discussion of the systems and aerodynamics normally associated with these aircraft. Regulations for commercial pilots are included.

AVIA 451  Aviation Maintenance Operations  3 hours
Prerequisite: The student must have FAA maintenance certification in at least Airframe or Powerplant
A study of aviation maintenance-specific topics which face those in maintenance leadership positions. These topics include, but are not limited to, the need for maintenance; development of maintenance programs; technical planning, control, and training; and differing types of maintenance operations.

AVIA 455  Turbine Engines and Jet Transports  3 hours
Prerequisite: AVIA 325 (Commercial License)
This course will be an intensive study of the turbine engine theory, design and operations. The student will also receive a broad knowledge of all commercial airline types and will acquire a more in-depth understanding of the Boeing 737 Aircraft.

AVMNAVMT 100  Aircraft Sciences I  3 hours
Co-requisites: AVMT 102, 104, 106
This course will provide the student with a review of the fundamental operations in arithmetic as they are applied routinely in aircraft maintenance, including fractions, decimals, ratio, geometry, basic trigonometric functions, formulae, and proportions. Basic concepts of aviation applied physics will be presented, including: aerodynamic laws, theory of flight, fluid, heat, power, work, simple machines, and sound. The student will also learn aircraft weight and balance procedures, center of gravity computations, and how to identify and rectify adverse loading conditions.

AVMNAVMT 102  Aircraft Sciences II  3 hours
Co-requisites: AVMT 100, 104, 106
This course is designed to introduce the student to direct and alternating current electricity, electrical circuit design, measuring devices, transformers, magnetism, electromagnetism, electronic devices and applications; with emphasis on basic laws relating to voltage, current, resistance, inductance, and capacitance. The student will also learn how to read and interpret electrical diagrams and to inspect and service aircraft batteries. This course will also give the student an understanding of aircraft drawings, symbols, and schematic diagrams commonly used in aircraft maintenance and illustrated parts manuals; the knowledge an ability to create drawings and sketches of repairs or alterations, and the ability to interpret blueprints, graphs, and charts.

AVMNAVMT 104  Maintenance Practices I  3 hours
Co-requisites: AVMT 100, 102, 106
This course is designed to develop the student’s skills in the proper use of basic aircraft mechanic’s hand tools and measuring devices, aircraft hardware, safety methods, and materials used in aircraft maintenance and repair. Various methods of nondestructive testing will be learned and applied to practical situations, including liquid penetrant, magnetic particle, eddy current, ultrasound and radiography. The student will understand the privileges, limitations, and regulations provided by the FAA Code of Federal Regulations pertinent to aircraft maintenance technicians. Emphasis will be placed on the selection and use of FAA and manufacturers’ aircraft maintenance specifications, data sheets, manuals, and publications; as well as proper logbook and maintenance entries and record keeping.

AVMNAVMT 106  Maintenance Practices II  3 hours
Co-requisites: AVMT 100, 102, 104
This course will instruct the student in aircraft cleaning; corrosion identification, treatment, removal, and control practices. The student will learn how to fabricate and install flexible and rigid fluid lines and fittings. The student will also understand proper procedures for safely securing, moving, fueling, starting, servicing, and taxing aircraft.

AVMNAVMT 200  Airframe Auxiliary Systems  3 hours
Co-requisites: AVMT 202, 204, 206, 208, 210
This course will provide the student an understanding of operating principles and basic maintenance techniques for airframe auxiliary systems and their components, including: cabin atmosphere control, communication and navigation, instruments, static and pitot, fire detection and extinguishing, smoke and carbon monoxide detection, ice and rain control, speed and configuration, anti-skid brakes, as well as position and warning. The student will also learn the operations and maintenance of aircraft fuel systems and components, including fluid quantity indicating systems, fluid pressure and temperature warning systems, fuel dump systems, transfer and defueling, and pressure fueling systems.

AVMNAVMT 202  Aircraft Electrical Systems  3 hours
Co-requisites: AVMT 200, 204, 206, 208, 210
This course is designed to provide the student with an advanced study of AC and DC electrical systems, electrical power generation and control; to include alternators, generators, motors, relays, switches, wiring installations, load analyses, and aircraft batteries. The student will gain principle knowledge and skills to inspect, check, service, and troubleshoot airframe electrical components.

AVMNAVMT 204  Airframe Structures I  3 hours
Co-requisites: AVMT 200, 202, 206, 208, 210
This course will instruct the student in the basic construction and properties of materials typically used in aircraft applications, with emphasis on aluminum sheet metal applications and their manufacture, repair, and inspection. Student projects will focus on sheet metal lay-out, cutting, forming, bending and riveting, using solid and blind rivets, as well as identifying and using specialty fasteners.

AVMNAVMT 206  Airframe Structures II  3 hours
Co-requisites: AVMT 200, 202, 204, 208, 210
In this course the student will learn the design, application, fabrication, repair, finishing, and safety practices relating to composite, laminated, honeycomb, bonded, plastic, wood and fabric materials found in structural applications on aircraft, including windows, doors, and interior panels and furnishings. The student will also gain understanding and skills in various welding methods, procedures, and techniques as applied to aircraft manufacturing and repair. Oxygen/acetylene, shielded metal arc, gas metal arc welding, soldering and brazing processes will be studied.
AVMN/AVMT 208  Airframe Assembly and Inspection  3 hours
Co-requisites: AVMT 200, 202, 204, 206, 210
This course will instruct the student in aircraft covering materials, construction, inspection, and repairs using natural and synthetic fabrics. The student will understand the identification, inspection, and application of finishing materials to both fabric and metal surfaces, including touch-up, trim, and lettering. The student will learn the fundamentals of airframe assembly, rigging, aerodynamics, and controls. This course will also introduce the student to conformity and airworthiness inspection requirements and procedures as they relate to the airframe, including knowledge and abilities needed to perform inspections and properly complete associated forms and paperwork.

AVMN/AVMT 210  Airframe Hydraulic, Pneumatic, and Landing Gear Systems  3 hours
Co-requisites: AVMT 200, 202, 204, 206, 208
This course is designed to introduce the student to basic fluid mechanics as it applies to practical applications in airframe systems. Construction and operation of hydraulic and pneumatic systems and components will be discussed, as well as identification and selection of hydraulic fluids and their related components. The student will learn landing gear designs, construction, and operations; as well as the inspection, servicing, and repair or replacement of various types of fixed and retractable landing gear systems, shock struts, brakes, wheels, tires, and steering systems.

AVMN/AVMT 212  Reciprocating Engines  3 hours
Co-requisites: AVMT 214, 216, 218, 220
This course will instruct the student in the principles of operation, construction, and design of reciprocating aircraft engines and components. The student will gain procedural knowledge and technical skills in reciprocating engine removal, disassembly, inspection, servicing, overhaul, reassembly, installation, and troubleshooting.

AVMN/AVMT 214  Engine Electrical Systems  3 hours
Co-requisites: AVMT 212, 216, 218, 220
This course will present the principles of operation and servicing procedures of electrical systems and electrical components found on reciprocating and turbine engine powered aircraft. Students will study and understand the operation, inspection, and servicing of ignition and starting systems, generation and control systems, auxiliary power units, and wiring installations.

AVMN/AVMT 216  Engine Auxiliary Systems I  3 hours
Co-requisites: AVMT 212, 214, 218, 220
In this course the student will learn the construction, operation, inspection, troubleshooting, servicing, repair and overhaul of reciprocating engine carburetion, injection, and fuel metering systems, as well as turbine engine fuel control systems. The student will also study fuel warning, pressure and rate of flow instruments, as well as reciprocating and turbine engine lubricants and lubrication systems.

AVMN/AVMT 218  Engine Auxiliary Systems II  3 hours
Co-requisites: AVMT 212, 214, 216, 220
In this course the student will study engine instrument systems, fire detection and extinguishing systems, induction systems, cooling systems, exhaust and thrust-reverser systems, with a focus on theory of operation, servicing, inspection, repair, and troubleshooting. The student will also learn the theory of operation and basic construction of fixed-pitch, constant-speed, and feathering propellers. The student will also be introduced to propeller synchronization systems, ice-control systems, and propeller governing systems. The student will gain knowledge & skills to inspect, check, service, remove, repair, and install propellers.

AVMN/AVMT 220  Turbine Engines  3 hours
This course provides the student with an understanding of gas turbine engine cycles, high-speed gas flow, and the design and construction of turbojet, turboprop, and turbofan engines. The student will receive an introduction to inducted fans and turbine-driven auxiliary power units. The student will learn the fundamentals of turbine engine operation, removal and replacement, maintenance, servicing, troubleshooting, and inspection.

**COURSES OF INSTRUCTION – ONLINE PROGRAMS**
defines preventative measures such as Intrusion Detection Systems, firewalls, and virtual private networks.

**BMIS 340/ CSCI 340/ BUSI 417**

This course introduces the basic issues and principles of information system security such as security policies, their mechanisms of implementation, means attackers use to circumvent these protections, and defenses against these attackers. (Formerly ISYS 340)

**BMIS 341/ Information Security Planning** 3 hours

Prerequisites: BMIS 340 or CSCI 340

A comprehensive, end-to-end view of information security policies and frameworks from the raw organizational mechanics of building to the psychology of implementation. It presents an effective balance between technical knowledge and soft skills, and introduces many different concepts of information security in clear simple terms such as governance, regulator mandates, business drivers, legal considerations, and much more. With step-by-step examples and real-world exercises, this course is a must-have resource for students, security officers, auditors, and risk leaders looking to fully understand the process of implementing successful sets of security policies and frameworks.

**BMIS 342 Cyber Security** 3 hours

Prerequisite: BMIS 341; minimum grade of “C”

A comprehensive overview of the essential concepts students must know as they pursue careers in information systems security. Topics include a discussion of the new risks, threats, and vulnerabilities associated with the transformation to a digital world, including a look at how business, government, and individuals operate today. Additionally, information is included from the Official (ISC)2 SSCP Certified Body of Knowledge and presents a high-level overview of each of the seven domains within the System Security Certified Practitioner certification.

**BMIS 351 System Analysis and Design** 3 hours

Prerequisite: BMIS 325; minimum grade of “C” and senior status

This practical course in information systems development will cover the concepts, skills, methodologies (RAD as well as SDLC), and tools essential for systems analysts to successfully develop information systems. The course will also introduce the student to the Oracle Designer CASE tools, which will be used to assist in the documentation of the analysis and design phases. The course will include a significant amount of team-based activities, therefore issues associated with team interactions and processes will be discussed. (Formerly ISYS and CMIS 351)

**BMIS 375 Introduction to Human-Computer Interaction** 3 hours

Prerequisite: BMIS 208 or BMIS 212 or BMIS 312 or CSCI 215

This course provides a study and application of the concepts, theory, and practice of effective user interactive computer software, including user-centered design principles, guidelines and evaluation for designing a software product. Cognitive and social aspects of human interaction will be examined in conjunction with elements of technological devices. Human interaction with mobile applications, internet applications, social networking technology, cloud computing, and stand-alone applications will be explored.

**BMIS 405/ Business and Economic Forecasting** 3 hours

**BMIS 410 Web Enterprise Technologies** 3 hours

Prerequisites: BMIS 310; and either BMIS 325 or CSCI 325; minimum grade of “C”

Provides students with thorough knowledge of current technologies and best practices for developing database driven dynamic websites including database and client side programming. (Formerly ISYS 410)

**BMIS 430 Advanced Networking and Communication Systems**

Prerequisite: BMIS 330 or CSCI 355; minimum grade of “C”

This course focuses on routed data networks and the implementation of previously learned business data communications and switched networks concepts, principles and strategies to build a complete data communications network. This course is an in-depth study of technologies and equipment in modern communication networks. The TCP/IP stack and Cisco (or comparable) networking equipment are used to explore methodologies for designing, configuring, and maintaining communication networks. (Formerly ISYS and CMIS 430)

**BMIS 440 Digital Forensics** 3 hours

Prerequisite: BMIS 342; minimum grade of “C”

Students are introduced to the concept of computer crimes and the need for forensics specialists (people who know how to find and follow the evidence). System Forensics, Investigation, and Response begins by examining the fundamentals of computer forensics, the role of computer forensic specialists, computer forensic evidence, and application of forensic analysis skills. It also gives an overview of computer crimes, forensic methods, and laboratories. It then addresses the tools, techniques, and methods used to perform computer forensics and investigation. Finally, it explores emerging technologies as well as future directions of this interesting and cutting-edge field

**BMIS 460 IS Project Management** 3 hours

Designed to assess student mastery of content knowledge for the Individualized Studies and Interdisciplinary Studies degree programs, this capstone course requires students to produce a carefully organized summation and synthesis of accomplishments, learning, and goals related to their undergraduate degree program at Liberty University. Throughout this process, students will discover a greater understanding of transferable skills and qualifications and how these relate to career opportunities and/or graduate school respectively.

**INFORMATICS**

INFO 305  **Quality Management and Decision Support**  3 hours

Prerequisite: BMIS 200

Explores the quality of patient care, quality management techniques and related decision-support practices; evaluates the impact of Computerized Provider Order Entry (CPOE) on the quality, safety, and efficiency of health care data will be explored’ decision modeling techniques, incorporating comparative analysis, simulation, optimization, and decision analysis designed to increase the efficiency and effectiveness of decision support within the healthcare system.

INFO 310  **Foundations of Pharmacology**  3 hours

Prerequisite: NURS 105 and INFO 305

Foundational view of the relationship between pharmacologic and pharmacokinetic knowledge; safe administration of medication; emphasis on the reasoning behind the selection of route, dosage, and dosing schedules of medications provided to patients across their lifespan; legal and professional issues surrounding the safe administration of medication.

INFO 320  **Healthcare Informatics**  3 hours

Prerequisite: INFO 305

Evaluates the needs of end users within the healthcare system; multi-phase project planning, evaluation, adoption, and management of new technologies centered on effectively and efficiently exchanging electronic health information; evaluation of medical practice workflows and exploration of the functional needs of end-users while analyzing the fiscal and human resource commitments needed in diverse settings.

INFO 321  **Healthcare Coding and Classification**  3 hours

Prerequisite: INFO 305 and INFO 320

Development of coding and classification systems; analysis of the structure and organization of the medical coding functions within the healthcare system; emphasizing the importance on ICD and CPT coding considerations, process evaluation and improvement, billing reimbursement, and related reporting issues central to effective and efficient operation and compliance.

INFO 405  **Informatics Information Systems**  3 hours

Prerequisite: BMIS 200

An examination of expert, bio, and clinical decision support systems and technology; management of data in database management systems; data mining; informatics systems analysis, design, and implementation.

INFO 410  **Healthcare Enterprise Systems**  3 hours

Prerequisite: BMIS 200 and INFO 305

Healthcare enterprise architecture planning, methodology, and frameworks; medical classification and coding systems including electronic health record system design and implementation.

**INFORMATION TECHNOLOGY**

INFT 101  **Instructional Technology for Successful Online Learning**  3 hours

Designed to equip students for success as they transition into the online classroom, this course offers strategic information tailored to ensure academic excellence in this unique learning environment; this information includes Liberty University’s foundations and beliefs, Liberty University Online resources for success, Blackboard navigation techniques, time management strategies, the adult learner’s responsibilities, methods for identifying and avoiding academic misconduct, scholarly research tactics, and approaches for selecting the appropriate courses towards completion of the preferred degree program.

NOTE: Waived without appeal/exception for all students when one or more of the following are met:
1. Accredited college transcript on file indicating a conferred AA or higher.
2. 60 official transfer hours.
3. Resident LU student transferring to LUO without breaking enrollment (resident breaking enrollment rules not LUO) and has taken GNED/BWVW 101.

This is a general survey of Bible doctrine designed to synthesize and outline each of ten major areas of systematic theology, including prolegomena, bibliology, theology proper, Christology, angelology, and pneumatology.

THEO 202  
**Theology Survey II**  
3 hours  
This is a continuation of general survey of Bible doctrine designed to synthesize and outline each of the ten major areas of systematic theology. Survey II includes anthropology, hamartiology, soteriology, ecclesiology and eschatology.

THEO 313  
**The Person and Work of Christ**  
3 hours  
Prerequisites: THEO 201 and 202, or THEO 104  
A study of the Person and work of Christ as revealed through Messianic prophecy, the Incarnation and His ministry as Prophet, Priest, and King. Special attention is given to the contributions of John and Paul to a full understanding of this doctrine.

THEO 330  
**Theology of the Family**  
3 hours  
Prerequisites: THEO 201 and 202, or THEO 104  
This course is designed to equip students with an understanding of God’s original design for the home, the primary purposes of family life, and a biblical method for facilitating transformation. Students will establish the ground work for fostering healthy family relationships and strong generational legacy. This study begins with a “big picture” view of the home, clarifies doctrinal misunderstandings of the family role, outlines a history of the modern family, and offers a scriptural vision for long-term family blessing.

THEO 350  
**Fundamental Theological Issues**  
3 hours  
Prerequisites: THEO 201 and 202, or THEO 104  
A study of the major theological questions which arise in the defense of biblical inerrancy, scriptural separation, creationism and dispensationalism. It also deals with such contemporary issues as the charismatic movement, feminism, situation ethics and other vital concerns to the fundamentalist in today’s world. (Formerly THEO 250)

WORSHIP STUDIES

WRSP 410  
**The Mission and Mandate for Worship**  
3 hours  
This is a study of the biblical purposes and mandate for worship according to the principles of Romans 12:1-21. Using materials and research gathered from this study, students are required to construct a series of Sunday School Lessons that articulate a biblical purpose and mandate for worship.

WRSP 420  
**A Biblical Model for 21st Century Worship**  
3 hours  
Prerequisite: WRSP 410  
This is a worship methods course that makes application of formational, transformational, relational, missional, and reproducible worship to daily living. Using materials and research from this study, students will be required to design a six-week discipleship-Bible study manual for worship leaders.

WRSP 430  
**Building Relationships through Worship**  
3 hours  
This is a course that deals with the Bible principle of relationship. Attention is given to the worship leader developing relationship the pastor, worship team, choir and orchestra, and media team. Students will participate in an interview/research project with select worship pastors and musicians.

WRSP 440  
**Strategies for Worship Leading**  
3 hours  
Prerequisite: WRSP 430  
This is a methods course that deals with strategic planning for worship ministry. Attention is given to principles for developing traditional, blended, and contemporary models for worship. Students will be required to organize and develop worship strategy for small, medium and large worship ministry.

YOUTH MINISTRIES

YOUT 201  
**Survey of Youth Ministries**  
3 hours  
A study of biblical principles in establishing and maintaining a ministry to adolescents. Emphasis is placed upon a system of philosophy and general principles for adolescent ministry. Special attention is given to developing a youth ministry mission statement, objectives and strategy.

YOUT 301  
**Foundations of Youth Ministry**  
3 hours  
Prerequisite: YOUT 201  
An investigation of specific elements that are building blocks for the biblical education of adolescents. Foundational issues, principles of teaching and curriculum development will be studied.

YOUT 350  
**Campus Ministry**  
3 hours  
Prerequisites: YOUT 201, 301  
A study of the history and strategy of reaching youth through the campus structure. Attention is given to the basic workings of the campus social system and the methods used in reaching it with the gospel. (Formerly YOUT 403)

Financing the University

The Office of Development is designed to develop and foster lifelong relationships between the University and its constituents. By establishing opportunities for all graduates, friends, students, families, faculty, staff, corporations, and foundations to financially support the University, this office helps Liberty University maintain and enhance the outstanding quality of its faculty, students, programs, and facilities.

Provided below is an overview of ways to support Liberty University.

Development

Annual Fund, Outright Gifts, Matching Gifts, and Gifts in Kind

Annual gifts are contributions for the current, unrestricted use of the University or any of its colleges, schools, and programs. Outright gifts include contributions of cash, securities, and written pledges. Gifts of securities are credited at market value on the date the gift is delivered or postmarked. Matching gifts encourage charitable giving by matching their employees’ contributions. Gifts in kind are gifts of tangible personal property, such as artwork, computers, real estate, and services, which may be used by Liberty University or sold for funds to help support our continuing efforts to provide an outstanding Christian higher education. Gifts in kind may provide substantial tax benefits.

Specific information on the above plans may be obtained by contacting:

Mr. Tom Arnold
Vice President for Development
1971 University Blvd.
Lynchburg, Virginia 24515
(866) 602-7983

Federal and State Funding

Liberty University does not receive any Federal or State funding other than Student Financial Aid, which is utilized only for eligible individual students. Eligible students may receive funds from Federal Pell Grants, Federal Supplemental Education Opportunity Grants, Federal Work Study Grants, Federal Family Education (Stafford and PLUS) Loans, Virginia Tuition Assistance Grants, and Virginia College Scholarship Assistance Program Grants.

The University has never accepted Federal or State funds for its operations, endowment, or capital funding projects.

Estate Planning

Bequests

Federal tax laws encourage bequests to qualified institutions like Liberty University, with an unlimited estate tax deduction for such legacies. Here is a sample form of bequest your attorney may adapt in preparing your will:

I give, devise and bequeath to Liberty University, a Virginia non-stock, non-profit corporation located in Lynchburg, Virginia 24515, __% of my estate to be used for its general purposes.

Gift Annuity Agreements

Those who want to place a portion of their savings with the University and at the same time receive income for life may find that the Liberty University Charitable Gift Annuity meets their needs. The rate of return depends on the annuitant’s age at the time the agreement is made.

Life Insurance, IRAs, and Pension Plans

A paid-up life insurance policy makes an excellent gift to Liberty University. The donor may receive significant tax benefits with this type of gift. Traditional IRAs and other qualified pension plan assets can be an excellent source of funding for charitable gifts. If these assets are transferred to an individual, the current value is subject to estate taxes, as well as federal and state income taxes (sometimes exceeding 80% of the value), but when designated to Liberty University, taxes are eliminated.

Real Estate

Land, homes, buildings, and other real property may be given to Liberty University as an outright gift or used to fund a life-income gift. A home may be given to the University and continue to be lived in throughout an individual’s lifetime. This is called a “Life Estate.” All such gifts of real estate and real property can benefit both the individual and the University.

Scholarships/Endowments

Gifts can be placed as a permanent endowed scholarship with the University. Each year the interest earned from the investment will provide tuition help for worthy students.

Trusts

Charitable Remainder Trusts (CRTs) are life income gifts. The remainder comes to the University after the passing of all income beneficiaries. Charitable Lead Trusts generate income for the University during the term of the trust, after which the assets are passed along to the heirs with significant tax savings.
