Message from the President

Liberty University, founded in 1971 with 154 students, has grown to become the largest private, nonprofit four-year college in the nation, the largest university in Virginia, and the largest Christian university in the world. More than 15,000 students now call our residential campus in Lynchburg, Va., home, and nearly 95,000 others are studying with us through our online programs.

At Liberty, we recognize that you are more than the career you pursue. That’s why we will teach you not only how something is done, but why it should be done — and how you can transform the world by doing it. More than 550 unique programs of study are available to you, many of which combine collaboration between disciplines with hands-on opportunities to simulate the real world environments you will encounter when you graduate.

Our passion for excellence stems from our deep commitment to Train Champions for Christ. All of our courses are taught from a biblical worldview and support our mission to develop Christ-centered men and women with the values, knowledge, and skills essential for impacting tomorrow’s world. Every faculty member is a professing Christian who believes that teaching is a calling, not just a job, and every student is prepared for a life of meaningful service to God and to others. Social responsibility, humanitarian aid, and service-learning opportunities are all intentionally integrated into the Liberty experience.

The same standard for excellence that we invest in our programs, we are also investing in our campus. Nearly $1 billion has gone into new state-of-the-art academic and athletic facilities over the last decade because students who learn and compete in cutting-edge environments are primed for success anywhere. While our top priorities remain academic and spiritual in nature, Liberty also gives students the DI college experience, with 20 NCAA Division I athletic teams, 37 Club Sports teams, and a wide variety of student activities, intramural sports, and recreational opportunities that you will not find at other Christian colleges.

I invite you to explore our courses and learn more about how Liberty can help prepare you for the career you have dreamed of, joining a community of others who share your vision for making the world a better place.

Jerry Falwell
President
Message from the Provost

Many adjectives might serve to describe Liberty in its fourth decade. To many we are huge, and our story is exciting. People everywhere marvel at our rapid growth and our ascendance to a position of leadership in Christian higher education. The comprehensive rebuilding and refreshment of our school under the leadership of our president has produced a beautiful and functional campus beyond the dreams of our founder and those of us who came to serve alongside of him. Newly constructed, state-of-the-art educational facilities, attractive dorms, and an abundance of recreational facilities provide an unparalleled opportunity for students desiring a Christ-centered education to pursue their dreams in a context that is as modern and filled with opportunities as many of the finest state universities.

Liberty University students study and conduct research in the Jerry Falwell Library with its state-of-the-art robotic retrieval system, abundant group study rooms, and outstanding print and electronic resources. Biology, chemistry, health sciences, and pre-med students attend classes and conduct their research in our 121,000-square-foot science building with state-of-the-art labs and classrooms. Music students are challenged to the highest level of excellence as they study and perform in a music and performing arts center that provides an atmosphere that helps to inspire their pursuit of excellence for the glory of God. Nursing, medical, and engineering students study and learn in facilities equipped with the most modern SIMS and labs. They are fully prepared for graduate school, employment, and excellence in service as they take their next step. Liberty’s approach to cultural engagement has contributed to the development of academic programs connected to real life experiences in cinematic arts, theater, studio and digital arts, and a host of other degree programs that are offered through the newly expanded School of Communication and Creative Arts. The Center for Apologetics and Cultural Engagement teaches students how to engage culture and answer the biblical, theological, and philosophical questions raised by their generation from a distinctively Christ-centered worldview.

World-class facilities are important and necessary, but the most important resource contributing to Liberty’s expanding reputation for excellence is the Liberty faculty. Seventy percent of our faculty have earned doctoral degrees, many from the top schools in America and around the world. More importantly, they share our president’s commitment to the creed that “If it’s Christian, it ought to be better.” Liberty University faculty love their disciplines, love teaching, and love their students. Liberty faculty are united in the belief that God has called them to serve Him in this place and that every student has been created by God, bears His image, and is gifted by God to serve a particular purpose in His world. Education at Liberty is a dynamic partnership in which students and faculty are joined in the common resolve to acquire and demonstrate the knowledge, values, and skills required for serving with excellence in their callings.

As I close these words of introduction, I want to focus on an element in the student experience that is at the heart of what makes Liberty unique in the world of higher education. Our resolve to create Champions for Christ is achievable because administration and faculty are committed to the ongoing preservation of an environment where the Holy Spirit has the freedom to work in our classrooms, in our uplifting Convocations held at least twice a week, and in the conversations and service of Liberty students. As an academic community, we are united in the belief that through reliance upon the Spirit of God, obedience to the Scriptures, and the diligent pursuit of academic excellence, we are able to produce Champions for Christ to serve in and impact our contemporary culture. I invite you to view this catalog and come and see.

MOTTO

“Knowledge Aflame”

DISTINCTIVENESS

Liberty University was originally formed under the auspices of Thomas Road Baptist Church. Liberty is distinctive among Christian colleges because resident students use Thomas Road Baptist Church, other local church ministries, and community service groups as a laboratory for practical application of what they learn in the classroom. While this practice is not logistically or philosophically possible for students in the online programs, Liberty University Online uses its curriculum and advising to encourage spiritual, moral and ethical development in the student body.

SYMBOLS

The University Seal, a symbol of the administrative authority of the university, depicts the Freedom Tower against the background of an open Bible. To the upper left sits, the Liberty Bell, a replica of which resides at the top of the Freedom Tower. The flame arising from the Bible depicts the motto, “Knowledge Aflame,” and evokes the university’s guiding philosophy—that knowledge has validity only when viewed in the light of biblical truth. The Seal’s octagonal border reflects the Jeffersonian architecture of the building which first housed the university.

The Mace is a symbol of administrative authority, a symbol of continuity as the institution pursues its enduring mission, and a witness of institutional heritage.

The Eagle symbol refers to the soaring spirit of achievement the University seeks to inspire in its students, and to the patriotic spirit of the University. The school colors are blue, red, and white. The school verse is II Corinthians 3:17, “... where the Spirit of the Lord is, there is liberty.”

The Eaglehead/Liberty University Logo is symbolic of the athletic teams of the University. The name for all male sports teams is “The Flames”; all female sports teams are referred to as “The Lady Flames.” The Flames Mascot is an eagle named “Sparky.”
The Bachelor of Science in Athletic Training program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE).

The Bachelor of Science in Exercise Science program is accredited by the Commission on Accreditation of Allied Health Education Program (CAAHEP).

The Bachelor of Science in Nursing, Master of Science in Nursing, and Doctor of Nursing Practice are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036, (202) 887-6791. Liberty’s Registered Nurse program is approved by the Virginia Board of Nursing (VBN).

The Liberty University School of Music is accredited by and a member of the National Association of Schools of Music (NASM). NASM accredits all music programs.

The Commonwealth of Virginia Department of Education approves the School of Education teacher preparation programs. The School of Education is accredited at the initial and advanced preparation levels under the National Council for Accreditation of Teacher Education (NCATE) Standards through the CAEP Accreditation System.

The Bachelor of Science and Master of Science in Sport Management programs are accredited by the Commission on Sport Management Accreditation (COSMA).

Liberty University is a member of the Association of Christian Schools International (ACSI) and the Council of Independent Colleges in Virginia.

Additional information regarding Liberty University’s accreditation and its programmatic accreditation can be found at http://www.liberty.edu/aboutliberty/index.cfm?PID=7650.

STATE CERTIFICATION

Liberty University is authorized to confer degrees by the Commonwealth of Virginia.

Pursuant to 23-276.1-12 of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) is responsible for developing procedures to which certain private and all out-of-state postsecondary institutions must adhere in order to receive approval to confer degrees, certificates, or diplomas in the Commonwealth of Virginia. Certain private institutions are exempt from the requirements of certification or approval by SCHEV.

Liberty University was incorporated in the State of Virginia on January 18, 1972. It has operated under the same ownership since that time and has remained in good standing with the U.S. Department of Education and its accrediting body. Liberty University is an exempt institution.

SCHEV has limited or no regulatory authority over institutions exempt from certification. Before enrolling in any institution in the Commonwealth of Virginia, students are encouraged to determine the schools regulatory relationship with SCHEV or other state regulatory agencies. Certain consumer protection provisions required by certified schools are not present at or required by exempt institutions.

The exemption entitles Liberty University to conduct academic affairs or business without seeking or obtaining SCHEV approval. The resulting scope of the institutional autonomy includes:

- Offering courses or programs for degree credit;
- Enrolling students in courses or programs;
- Conferring or awarding degrees;
- Initiating other programs for degree credit at a new or additional level; and
- Offering instruction at additional or new locations.

Additional information regarding exempt institutions is available at http://www.schev.edu/students/PrivateExempt.asp.

STATE AUTHORIZATION

Liberty University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Liberty University to offer specific degree programs. The Council may be contacted for a list of currently authorized programs. Authorization by the Council does not carry with it an endorsement by the Council of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430.

Even though you may be residing in Washington while in this program, your application for educator certification in Washington will be processed as an out-of-state application. Go to http://www.k12.wa.us/certification/TeacherMain.aspx for more information. Teachers are advised to contact their individual school districts as to whether this program may qualify for teacher advancement.

Not all of the online programs offered by our institution have been approved in Kentucky. Please check the Council on Postsecondary Education’s website at http://dataportal.cpe.ky.gov/acadprog.aspx to view its listing of approved programs. For more information, please contact the Council on Postsecondary Education, 1024 Capital Center Drive, Suite 320, Frankfort, Kentucky 40601.

Please be advised that our educator preparation programs are NOT accredited in Kentucky by the Education Professional Standards Board and are NOT recognized for initial, additional, or renewal of certification or salary enhancement (rank change) for K-12 educators in Kentucky. For more information, please visit the Education Professional Standards Board’s website at http://www.epsb.ky.gov/certification/outofstate.asp.

As a condition of Liberty’s Certificate of Approval from the Alabama Commission on Higher Education, the following disclaimers pertain to Liberty’s online programs in Nursing and Teacher Education:

**Teacher Education:** State Authorization to provide a program related to the preparation of teachers or other P-12 school personnel does not indicate eligibility for an Alabama certificate. Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P-12 school system(s), www.alsde.edu.

**Nursing:** State approval of a program to offer Alabama licensed nurses opportunities for advanced degrees does not indicate eligibility for approval to practice as an advanced practice nurse in Alabama. Applicants for approval in Alabama are required to meet the Alabama requirements for national certification, graduation
from a specific-type program for the advanced practice approval, and completion of the appropriate application. Any program offering a pre-licensure track to Alabama students shall meet the requirements of the Alabama regulations for pre-licensure programs or the graduates may not be eligible to take the national licensure examination required by the Alabama Board of Nursing to enter the practice. www.abn.alabama.gov.

LIMITS OF CONFIDENTIALITY
Students are encouraged to share prayer requests and life concerns with the professor in this class. Not only will the professor pray for and care for students, but can guide students to appropriate University resources if desired.

However, in the event of a student’s disclosure, either verbally or in writing, of threat of serious or foreseeable harm to self or others, abuse or neglect of a minor, elderly or disabled person, victim or witness of a crime or sexual misconduct, or current involvement in criminal activity, the faculty, staff, administrator, or supervisor will take immediate action. This action may include, but is not limited to, immediate notification of appropriate state law enforcement or social services personnel, emergency contacts, notification of the appropriate program chair or online dean, or notification to other appropriate University officials. All reported information is treated with discretion and respect, and kept as private as possible.

Doctrinal Position
We affirm our belief in one God, infinite Spirit, Creator, and Sustainer of all things, who exists eternally in three persons, God the Father, God the Son, and God the Holy Spirit. These three are one in essence but distinct in person and function.

We affirm that the Father is the first person of the Trinity, and the source of all that God is and does. From Him the Son is eternally generated, and from Them, the Spirit eternally proceeds. He is the designer of creation, the speaker of revelation, the author of redemption, and the sovereign of history.

We affirm that the Lord Jesus Christ is the second person of the Trinity. Eternally begotten from the Father, He is God. He was conceived by the virgin Mary through a miracle of the Holy Spirit. He lives forever as perfect God and perfect man, two distinct natures inseparably united in one person.

We affirm that the Holy Spirit is the third person of the Trinity, proceeding from the Father and the Son, and equal in deity. He is the giver of all life, active in the creating and ordering of the universe; He is the agent of inspiration and the new birth; He restrains sin and Satan; and He indwells and sanctifies all believers.

We affirm that all things were created by God. Angels were created as ministering agents, though some, under the leadership of Satan, fell from their sinless state to become agents of evil. The universe was created in six historical days and is continuously sustained by God; thus it both reflects His glory and reveals His truth. Human beings were directly created, not evolved, in the very image of God. As reasoning moral agents, they are responsible under God for understanding and governing themselves and the world.

We affirm that the Bible, both Old and New Testaments, though written by men, was supernaturally inspired by God so that all its words are the written true revelation of God; it is therefore inerrant in the originals and authoritative in all matters. It is to be understood by all through the illumination of the Holy Spirit, its meaning determined by the historical, grammatical, and literary use of the author’s language, comparing Scripture with Scripture.

We affirm that Adam, the first man, willfully disobeyed God, bringing sin and death into the world. As a result, all persons are sinners from conception, which is evidenced in their willful acts of sin; and they are therefore subject to eternal punishment, under the just condemnation of a holy God.

We affirm that Jesus Christ offered Himself as a sacrifice by the appointment of the Father. He fulfilled the demands of God by His obedient life, died on the cross in full substitution and payment for the sins of all, was buried, and on the third day He arose physically and bodily from the dead. He ascended into heaven where He now intercedes for all believers.

We affirm that each person can be saved only through the work of Jesus Christ, through repentance of sin and by faith alone in Him as Savior. The believer is declared righteous, born again by the Holy Spirit, turned from sin, and assured of heaven.

We affirm that the Holy Spirit indwells all who are born again, conforming them to the likeness of Jesus Christ. This is a process completed only in Heaven. Every believer is responsible to live in obedience to the Word of God in separation from sin.

We affirm that a church is a local assembly of baptized believers, under the discipline of the Word of God and the lordship of Christ, organized to carry out the commission to evangelize, to teach, and to administer the ordinances of believer’s baptism and the Lord’s table. Its offices are pastors and deacons, and it is self-governing. It functions through the ministry of gifts given by the Holy Spirit to each believer.

We affirm that the return of Christ for all believers is imminent. It will be followed by seven years of great tribulation, and then the coming of Christ to establish His earthly kingdom for a thousand years. The unsaved will then be raised and judged according to their works and separated forever from God in hell. The saved, having been raised, will live forever in Heaven in fellowship with God.

Philosophy of Education
Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which is summarized in the following propositions.

God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.

Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.
Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

**Statement of Mission and Purpose**

Maintaining the vision of the founder, Dr. Jerry Falwell, Liberty University develops Christ-centered men and women with the values, knowledge, and skills essential to impact the world.

Through its residential and online programs, services, facilities, and collaborations, the University educates men and women who will make important contributions to their workplaces and communities, follow their chosen vocations as callings to glorify God, and fulfill the Great Commission.

Liberty University will:

1. Emphasize excellence in teaching and learning.
2. Foster university-level competencies in communication, critical thinking, information literacy, and mathematics in all undergraduate programs.
3. Ensure competency in scholarship, research, and professional communication in all graduate programs and undergraduate programs where appropriate.
4. Promote the synthesis of academic knowledge and Christian worldview in order that there might be a maturing of spiritual, intellectual, social and physical value-driven behavior.
5. Enable students to engage in a major field of study in career-focused disciplines built on a solid foundation in the liberal arts.
6. Promote an understanding of the Western tradition and the diverse elements of American cultural history, especially the importance of the individual in maintaining democratic and free market processes.

**Statement on Worldview**

Liberty University embraces a worldview that is both historically Christian and biblical, and that underlies the very concept and origins of the university. We hold that God exists and is the source of all things, all truth, all knowledge, all value, and all wisdom. We hold that God has created an orderly universe according to His design and purpose and for His glory, and that He has created human beings in His image. God is actively at work in the world and history, governing them according to His ultimate purpose. From these foundational principles, it follows that truth exists and that there is a standard of right and wrong. We hold that all of creation is fallen as a result of human sin. Finally, we hold that God has revealed Himself and His ways in the natural created order, in history, in the Bible, and supremely in Jesus Christ. God in love and through the sacrificial work of Jesus Christ is redeeming humans and the entire created order.

At Liberty University, students receive an education that integrates this Christian and biblical worldview. Students trained with this worldview perspective will be equipped with a rational framework for understanding and interpreting reality, for comprehending the meaning of life and the value of humans and things, for making decisions and engaging in meaningful action, for studying the various academic disciplines, and for understanding the interconnectedness of all knowledge.

**Statement of Student Rights and Responsibilities**

**STUDENT RIGHTS**

Liberty University is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Liberty continues the philosophy of education which first gave rise to the university, and which logically implies the following statement of student rights.

*The Right to TRUTH.* God, the infinite source of all things, has shown us truth through scripture, nature, history, and above all, in Christ.

*The Right to HUMAN DIGNITY.* Persons are spiritual, rational, moral, social, and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe, and God.

*The Right to GROWTH IN COMMUNITY.* Education as the process of teaching and learning, involves the whole person, by developing the knowledge, values, and skills which enable each individual to change freely. Thus it occurs most effectively when both instructor and student are properly related to God and each other through Christ.

**STUDENT RESPONSIBILITIES**

As members of the university community, all students have the responsibility to act in a manner consistent with the spirit of the principles articulated in Scripture. Furthermore, all students have the responsibility to know and follow the university conduct regulations contained in the Codes of Conduct appropriate for their academic level. By adhering to these principles and standards of conduct students can enjoy their own rights while also respecting the rights of others.

LIBERTY UNIVERSITY ONLINE

Liberty University Online

MISSION

The mission of Liberty University Online is to provide Liberty University courses and programs through non-traditional delivery systems. While Liberty University Online and residential course offerings may differ due to distinctions in student profiles and methodologies of instruction, the residential and Liberty University Online courses and programs are comparable in range, goals and purpose.

HISTORY

Founded in 1985 as the Liberty University School of Lifelong Learning (LUSLL), the distance learning program was designed to bring an accredited University program to non-traditional learners at home, military personnel, and Christian school teachers seeking certification from the Association of Christian Schools International (ACSI). The courses were adapted from those offered on the University campus and the initial programs offered were the A.A. in Religion, B.S. in Church Ministries, and M.A. in Counseling.

The initial goal to provide quality Christian education to students around the world has remained intact. Currently, Liberty University Online services over 90,000 students across the globe in degree programs ranging from certificate programs, diploma programs in Biblical Studies to doctoral programs in Business, Counseling, Education and Divinity.

Using innovative methods, students can take classes without having to relocate. The same quality courses that are offered on the Lynchburg campus are made available to our Liberty University Online students in the convenience of their own homes. Courses are also offered in an intensive format a number of times throughout the year.

INSTRUCTIONAL DELIVERY METHODS

Liberty University Online offers its courses through several delivery methods. The University has adopted Blackboard®, an online software platform, as its primary delivery method. Students can access individual lessons, have interaction with other students taking the same course, utilize links to online resources, view supplemental streaming video clips, and receive direct feedback from their professors using this innovative means of delivery. Students may also be required to purchase DVDs for select courses. Video, printed, and online learning tools help ensure that students have a learning opportunity available to them that equals or surpasses the traditional classroom model.

STRUCTURE

Currently, Liberty University Online offers courses in an eight-week format with multiple entry dates throughout the year (see academic calendar). Some courses are offered in a 14- to 17-week format (with one entry date per semester) in which students may enroll at the beginning of each term. Students will need to show consistent progress throughout their coursework in order to maintain good academic standing. Liberty provides students with tools for success. However, students must manage their time and resources to take advantage of these tools.

DEGREE PROGRAM FORMAT

With the online delivery format [distance education] courses in a program are delivered in a virtual classroom experience that is flexible, personal and challenging. Through the online format a student can earn a degree entirely online. Some programs require that a minimum number of courses be taken face-to-face on campus.

TESTING

Liberty University Online students take timed tests online and receive immediate feedback and test results. Essay exams and papers are also submitted online, graded by the course instructor and returned to the student. Portions of assigned work are used to facilitate student-to-student interaction. The interaction is often included as an element in student grading.

COURSE MATERIALS

Students are strongly encouraged to purchase all course materials from MBS Direct. Purchases can be made online by accessing the web page at http://www.mbsdirect.net/liberty or by calling 1-800-325-3252. Students should purchase materials after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

Course materials may be charged to the student’s account by means of the online book voucher system, if the student has a credit on their student account. Tuition does not cover the cost of course materials.

BASIC REGULATIONS

The Administration and Faculty have committed Liberty to the highest standards of moral and ethical conduct. No one will become spiritual merely by observing rules; nonetheless, the spiritual student will desire to abide by the rules, regulations, and policies. The student who is not prepared to accept instruction will never be prepared to give instruction. Liberty holds as one of its foremost goals the development of men and women of strong character. Firm moral conviction and dependable self-discipline are as important as academic competence.

All students enrolled in Liberty University Online are subject to the Liberty University Online Code of Honor and Personal Code of Honor. Please see the Academic Information and Policies – Online Programs section of this Catalog for more information.

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS

Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program, should be aware that a criminal background check, finger printing, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements

In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the host facility to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs

Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

Please see program specific admission requirements for more details. In some cases, additional transcripts may be required in order for an acceptance decision to occur. In order to receive credit for both transfer courses and prerequisite courses, students must send in official transcripts from the school(s) at which the class(es) was/were taken. An “official transcript” is one that is received directly from the educational institution attended, or is sent to Liberty University (by any party) within the original, sealed, university envelope. Please use the Liberty University code 5385 on the GRE forms in order to have test results sent directly to the University.

- Applicants who have taken the Miller Analogies Test should contact www.milleranalogies.com to request that an official score report be sent to the Office of Graduate Admissions.

GPA POLICY FOR MATRICULATED STUDENTS

Students who apply for admission/readmission to a Graduate/Doctoral program and who have already matriculated at Liberty University as a Graduate/Doctoral student must have, at the time of the receipt of their application, a cumulative Liberty Graduate/Doctoral GPA equal to or higher than the minimum cumulative GPA required for good academic standing in and graduation from the degree program to which they are applying.

CONDITIONAL ENROLLMENT

Conditional enrollment is not available to applicants or programs offered in the traditional resident semester format.

SELF-CERTIFICATION FORM

Applicants to a master’s degree must complete a Self-Certification Form verifying that they will have completed a bachelor’s degree by the time they begin their master’s-level classes. Applicants to a doctoral degree must complete a Self-Certification Form verifying that they will have completed a master’s degree by the time they begin their doctoral-level classes. Students must have met all other admission requirements for the program for which they are applying. Students under this status will be eligible for financial aid.

In order to maintain enrollment in the master’s program, students must submit a final official transcript with an undergraduate degree conferral date by the end of their first term of enrollment. In order to maintain enrollment in the doctoral program, students must submit a final official transcript with a master’s degree conferral date by the end of their first term of enrollment.

TRANSFER STUDENTS

Graduate applicants who intend to transfer to the University must be eligible for reenrollment or readmission to the graduate program at the institution they most recently attended.

TRANSFER OF CREDITS

Liberty offers a lifetime acceptance of credit for approved and allowable courses, with the exception of those courses wherein the University faculty has determined the course content changes significantly over time.

For master’s and post-master’s degrees, there is a limit of ten years for the acceptance of credit. For exceptions, please see specific program requirements and the Transfer Credit Matrix.

For doctoral degrees, there is a limit of seven years for acceptance of credit.

The above transfer of credit policy does not apply to coursework completed at Liberty University, whether or not the coursework was part of a conferred degree.

Only courses from institutions accredited by accrediting agencies recognized by the U.S. Department of Education are eligible for transfer credit. These include regional accrediting bodies such as the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and other accrediting bodies such as the Association for Biblical Higher Education (ABHE), the Transnational Association of Christian Colleges and Schools (TRACS), and the Association of Theological Schools (ATS). Courses from University–approved institutions that meet regional or national accreditation equivalency will be accepted for transfer credit based on transfer credit policy. Applicants must request official transcripts be sent directly to the Office of Graduate Admissions from the registrar(s) of previously-attended schools. Transfer credit policies vary by degree program. Additional information is available in the Program Specific Admission Procedures in the individual program sections of this Catalog.

Credits transferred from other institutions are awarded grades of P for Pass, and do not impact a student’s Liberty University GPA or academic standing.

In order to receive direct credit for a course, the description must overlap the Liberty University course content at least 80%. Courses that do not match a Liberty University course by at least 80% are eligible to transfer as elective credit where allowable. Elective credit is coded as 5XX to 9XX, depending on the level of the course.

At least one-third of credits toward a graduate or post-baccalaureate professional degree are earned through instruction offered by Liberty University.

Internship credit and life-experience credit are not transferable.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions. Please refer to the next section (“Multiple Degrees”) for more detailed information.

Please see the Transfer Credit Matrix at the end of this section for more information.

MULTIPLE DEGREES

Credit from a degree completed through Liberty University may be applied toward a second degree of the same academic level (e.g., master’s) earned through Liberty. The number of credits allowed to be applied toward the second degree may not exceed the maximum number of transfer credit for that degree as listed on the Transfer Credit Matrix at the end of this section.

In cases where the two degrees shared required courses in excess of the maximum amount of transfer credits allowed for the second degree, the student must take additional courses and use them as substitutions for the shared courses.

Any established exceptions to this policy will be noted either in the Transfer Credit Matrix at the end of this section and/or in the pertinent college/school section(s) elsewhere in this Catalog.

DUAL AREAS OF STUDY

Students may not earn a degree with two or more area of study (e.g., a Master of Arts in Human Services Counseling with cognates in Business and Executive Leadership). While students may complete
the courses in a second area of study, they may be admitted to only a single area of study, and their transcripts and diplomas will note completion of only one cognate/concentration. Any exception to this policy for an individual degree program will be noted in the Catalog information pertaining to that program.

Students who have graduated with a degree may not apply for admission to pursue the same degree with a different area of study (example: a student who has earned a Master of Business Administration MBA degree with an area of study in Accounting may not apply for admission to pursue a second MBA with a cognate in Healthcare Management).

ADMISSION NOTIFICATION

When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, pertinent information about financial check-in, and orientation for residential courses are included in the letter of acceptance.

READMISSION

Students must apply for readmission if they have broken enrollment. A Residential student breaks enrollment if he/she does not maintain continuous enrollment every Fall and Spring semester.

Admission status is subject to the terms of any previous academic or disciplinary probation, suspension, or dismissal. Students must submit official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective degree program at the time the re-application is submitted.

Students who break enrollment and apply for readmission will be required to follow the current degree completion plan in effect at the time of re-entry to the University.

Any military students wishing to be readmitted who broke enrollment due to deployment must contact the Office of Military Affairs.

INTERNATIONAL STUDENT ADMISSION

Applicants who are not citizens or legal permanent residents of the United States and who desire to be enrolled as on-campus international students must follow procedures established by the Office of International Student Admissions. Graduate applicants who are applying for Student (F-1) Visas should submit applications for the fall semester by April 1 and for the spring semester by September 1. Applicants must submit an affidavit of financial support for themselves and any family members accompanying them before they can be admitted.

Students living abroad and foreign nationals residing in the U.S. with an appropriate visa status are eligible to enroll in online classes provided they have the necessary Internet access and email service. Enrollment in online courses does not enable students to obtain or remain on Student (F-1) Visa Status.

Applicants whose native language is other than English must submit official scores for the Test of English as a Foreign Language (TOEFL) or an approved alternate assessment (see below). Applicants who successfully complete the levels of English-Second-Language (ESL) instruction indicated below at one of two schools will have the TOEFL requirement waived. Students will have their application held until transcripts from one of the below schools are received.

- Level 6: Language Consultants International (LCI) - www.englishlci.edu
- Level 109: ELS Educational Services (ELS) - www.els.edu

Applicants must earn a score of 80 on the Internet-based TOEFL, a 3.9 on the iTEP, a 6.5 on the IELTS, or an equivalent score on an approved alternate test for all graduate degree programs. An official score report sent directly from the testing service must be submitted to the University before an admission decision can be made. Applicants who have an earned degree from a college or university in the U.S. or other English-speaking country or school may have the TOEFL requirement waived by the Office of Graduate Admissions. In addition, the Office of Graduate Admissions may require any student whose native language is not English, regardless of citizenship, to submit a TOEFL score or score from an approved alternate test, if such documentation is deemed necessary. Enrollment in certain courses may be determined by the student’s English proficiency test score in conjunction with other diagnostic assessments administered after the student matriculates on campus.

Information regarding approved English proficiency tests may be obtained online as follows: TOEFL: www.toefl.org; IELTS: www.ielts.org; iTEP: www.itepexam.com.

International students and all dependents who accompany them to the U.S. must be covered with an adequate health insurance policy each semester of enrollment. A mandatory health insurance fee is added to the account of international students each fall and spring semester. It is the responsibility of all international students to remain enrolled in an adequate health insurance policy while studying at the University.

SPECIAL (NON-DEGREE-SEEKING) STUDENTS

Students who are not seeking degrees may enroll in master’s-level courses as Special (A.K.A. Non-Degree-Seeking) Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have Special-Student status; however, Special Students may be able to take doctoral-level classes upon approval by the Associate Dean or Academic Dean.

Special Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Special Students. Students on Academic Suspension or Academic Dismissal are not eligible for admission as Special Students.

ACADEMIC AMNESTY

Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.)

2. The student must submit a written appeal for readmission to the Associate Registrar for Academic Success. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.

3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

4. The Associate Registrar for Academic Success will confer with the Director of Graduate Student Affairs to determine whether or not there are any student-conduct-related
considerations that should render the student ineligible to resume his/her studies through Liberty University.

5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Academic Success will then present the student’s appeal for review to the Associate Dean or Program Director over the student’s degree program.

6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Academic Success will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and will no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/+), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. If the student desires to pursue a degree program that is different than the one for which he/she was approved for academic amnesty, he/she must submit a new appeal to the Associate Registrar for Academic Success, who in turn will submit the appeal to the Associate Dean over the student’s desired program, pursuant to point #5 above.

12. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

13. Students who have been granted Academic Amnesty are not eligible for graduation honors.

14. If, after the first semester of enrollment following readmission, the student’s cumulative GPA falls below the minimum cumulative GPA required for good academic standing in and graduation from the student’s degree program, the student will be Academically Dismissed, and will not be permitted to submit any further appeals for permission to continue his/her studies through Liberty University.

DEGREE CANDIDACY

Requirements for Degree Candidacy vary by program. See the Program-Specific Admission Requirements in the individual program sections of this Catalog.

DUAL ENROLLMENT

Undergraduate students may enroll in master’s-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor’s degrees. Students must meet the cumulative GPA requirement for admission in good standing into a Graduate program to be eligible to register under dual enrollment for that program.

Students may be dually enrolled for a maximum of two semesters, and may enroll for a maximum of nine semester hours of Graduate course work.

Non-Liberty University undergraduate students must send in their graduate admission application, official transcripts, and a letter from their current Registrar’s Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents are received by the Office of Graduate Admissions, the student must contact the Liberty University Registrar's Office to request approval for dual enrollment.

Currently enrolled Liberty University undergraduate students do not need to send in an application; they must contact the Registrar directly to request approval for dual enrollment.

Dual enrollment is not available to students already enrolled at the Graduate level, including students pursuing a Graduate Certificate, nor is it available to undergraduate students who are pursuing an undergraduate Certificate rather than an undergraduate degree or who plan to pursue a Graduate Certificate rather than a Graduate degree.

GRADUATE STUDENT ASSISTANTSHIPS

Graduate Student Assistantships are available for residential students in most of the graduate programs. These involve a stipend and tuition rebate. Application is separate from the admissions process. For detailed information and the application forms consult the Graduate Student Assistant Handbook at http://www.liberty.edu/academics/graduate/index.cfm?PID=3053.

ADDITIONAL INFORMATION

Additional information regarding the University’s academic and administrative policies and procedures can be found on the University web site at http://www.liberty.edu/Registrar.

PRIVACY OF STUDENT RECORDS: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Liberty follows the Family Educational Rights and Privacy Act of 1974. Details regarding University policies are published online at http://www.liberty.edu/index.cfm?PID=14819. Persons desiring additional information about University policies and procedures should call or write the Director of Graduate Student Affairs.
ITEMS TO BE SUBMITTED
Applicants must submit the following items to the Liberty University Online Graduate Admissions Office in order to be considered for admission. Admission decisions are not made until all documentation has been received and evaluated.

1. Application for Admission
   - Application can be made online at http://www.luonline.com/apply. To initiate an application for online programs by phone, graduate students may contact Liberty University Online (800-424-9595).
2. Application Fee
   - Application fee is non-refundable.
3. Academic Records
   - Applicants to master’s-level degree programs may submit an unofficial transcript indicating successful completion of a baccalaureate degree program from an accredited institution. Unofficial transcripts will allow for acceptance and registration. Unofficial transcripts will not be reviewed for transfer credit. Before submitting unofficial transcripts, please make sure they include the following:
     - School’s name or logo printed on the document
     - List of completed courses and earned credit
     - Degree and date conferred
   - Upon an admission decision, official transcripts are required within 60 days; official transcripts are required in order to register for a second semester of courses. The official transcripts must adhere to the specific program’s requirements for admission. If the official transcripts do not meet the requirements, the admissions decision may be reversed and the student could be dropped from current classes and have financial aid removed. All applicants to Liberty University must be eligible for readmission at the last institution attended.
   - Applicants to doctoral programs will be required to submit official transcripts indicating successful completion of master’s degree and may be required to submit transcripts from their baccalaureate degree. Please see program specific admission requirements for more details.
   - In some cases, additional transcripts may be required in order for an acceptance decision to occur. In order to receive credit for both transfer courses and prerequisite courses, students must send in official transcripts from the school(s) at which the class(es) was/were taken. An “official transcript” is one that is received directly from the educational institution attended, or is sent to Liberty University (by any party) within the original, sealed, university envelope. Official transcripts should be sent to the Liberty University Online Graduate Admissions Office.
   - Applicants holding a bachelor’s degree from an unaccredited institution who have also earned a master’s degree from an accredited institution will be assessed on the basis of the master’s-level degree. Students admitted on Caution into certain Academic Programs must take and pass GRST 500 – Introduction to Graduate Writing. The Office of Graduate Admission may request additional documentation from applicants who do not meet admissions standards. If the Office of Graduate Admissions, in its professional opinion, determines that the documentation justifies the candidate’s potential for success, the Office of Graduate Admissions may present the documentation to the Provost’s Office with a request to admit the student.

4. Additional Requirements for Admission
   - Please see the Program Specific Admissions Procedures in the individual program sections of this Catalog for information regarding minimum grade-point-average requirements and additional items needed for acceptance.
   - Some applicants may be required to provide Graduate Record Examination (GRE) scores or Miller Analogies Test (MAT) scores, or other similar type of test scores (GMAT, MCAT, and etc.)
     A. Applicants who have taken the GRE should contact the College Testing Service and request that an official score report be sent to the Office of Graduate Admissions. Applicants who have not taken the GRE should contact Educational Testing Service to make arrangements to take the exam.
     - The website address for the GRE is http://www.gre.org and the toll-free number is (866) 473-4373. The computer-based format may be scheduled by individual appointment. Scores will be displayed on the screen at the conclusion of the test session and should be printed as a temporary score report. Please use the Liberty University code 5385 on the GRE forms in order to have test results sent directly to the University.
     B. Applicants who have taken the Miller Analogies Exam should contact www.milleranalogies.com to request that an official score report be sent to the Office of Graduate Admissions.

Admissions and Enrollment for Army Soldier-Students:
   - Active Duty, Reserve, and National Guard Army soldier-students must apply for admission and enroll via the GoArmyEd portal, www.goarmyed.com. Admission and enrollment through the Army portal will allow Tuition Assistance to be approved through the enrollment process. Additional information is provided online, http://www.liberty.edu/online/military-students/army/.

GPA POLICY FOR MATRICULATED STUDENTS
   - Students who apply for admission/readmission to a Graduate/Doctoral program and who have already matriculated at Liberty University as a Graduate/Doctoral student must have, at the time of the receipt of their application, a cumulative Liberty Graduate/Doctoral GPA equal to or higher than the minimum cumulative GPA required for good academic standing in and
CONDITIONAL ENROLLMENT
Liberty University Online students may be conditionally enrolled following the receipt of a completed application. Graduate conditionally enrolled students may enroll for up to nine semester hours of online coursework within the first semester only pending the receipt of all remaining admission documentation. Students who have not submitted the required documentation by the completion of the first semester will not be permitted to enroll in additional courses until the admission file is completed and program admission is granted.

Conditional enrollment is not a guarantee of full admission to a degree program. Federal and state financial aid is not available to students under conditional enrollment.

SELF-CERTIFICATION FORM
Applicants to a master’s degree must complete a Self-Certification Form verifying that they will have completed a bachelor’s degree by the time they begin their master’s-level classes. Applicants to a doctoral degree must complete a Self-Certification Form verifying that they will have completed a master’s degree by the time they begin their doctoral-level classes. Students must have met all other admission requirements for the program for which they are applying. Students under this status will be eligible for financial aid.

In order to maintain enrollment in the master’s program, students must submit a final official transcript with an undergraduate degree conferral date by the end of their first term of enrollment. In order to maintain enrollment in the doctoral program, students must submit a final official transcript with a master’s degree conferral date by the end of their first term of enrollment.

TRANSFER STUDENTS
Graduate applicants who intend to transfer to the University must be eligible for reenrollment or readmission to the graduate program at the institution they most recently attended.

TRANSFER OF CREDITS
Only courses from institutions accredited by accrediting agencies recognized by the U.S. Department of Education are eligible for transfer credit. These include regional accrediting bodies such as the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and other accrediting bodies such as the Association for Biblical Higher Education (ABHE), the Transnational Association of Christian Colleges and Schools (TRACS), and the Association of Theological Schools (ATS). Courses from University-approved institutions that meet regional or national accreditation equivalency will be accepted for transfer credit based on transfer credit policy. Applicants must request official transcripts be sent directly to the Office of Graduate Admissions from the registrar(s) of previously-attended schools. Transfer credit policies vary by degree program. Additional information is available in the Program Specific Admission Procedures in the individual program sections of this Catalog.

Credits transferred from other institutions are awarded grades of P for Pass, and do not impact a student’s Liberty University GPA or academic standing.

In order to receive direct credit for a course, the description must overlap the Liberty University course content at least 80%. Courses that do not match a Liberty University course by at least 80% are eligible to transfer as elective credit where allowable. Elective credit is coded as 5XX to 9XX, depending on the level of the course.

At least one-third of credits toward a graduate or post-baccalaureate professional degree are earned through instruction offered by Liberty University.

Internship credit and life-experience credit are not transferable.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions. Please refer to the next section (“Multiple Degrees”) for more detailed information.

Please see the Transfer Credit Matrix at the end of this section for more information.

MULTIPLE DEGREES
Credit from a degree completed through Liberty University may be applied toward a second degree of the same academic level (e.g., master’s earned through Liberty. The number of credits allowed to be applied toward the second degree may not exceed the maximum amount of transfer credit for that degree as listed on the Transfer Credit Matrix at the end of this section.

In cases where the two degrees share required courses in excess of the maximum amount of transfer credits allowed for the second degree, the student must take additional courses and use them as substitutions for the shared courses.

Any established exceptions to this policy will be noted either in the Transfer Credit Matrix at the end of this section and/or in the pertinent college/school section(s) elsewhere in this Catalog.

DUAL AREAS OF STUDY/CONCENTRATIONS
Students may not earn a degree with two or more areas of study or concentrations (e.g., a Master of Arts in Human Services Counseling with areas of study in Business and Executive Leadership). While students may complete the courses in a second area of study/concentration, they may be admitted to only a single area of study/concentration, and their transcripts and diplomas will note completion of only one area of study/concentration. Any exception to this policy for an individual degree program will be noted in the Catalog information pertaining to that program.

Students who have graduated with a degree may not apply for admission to pursue the same degree with a different area of study or concentration (example: a student who has earned a Master of Business Administration [MBA] degree with an area of study in Accounting may not apply for admission to pursue a second MBA with an area of study in Healthcare Management).

ADMISSION NOTIFICATION
When all required items have been received, applicants will be notified of an admission decision from the Office of Graduate Admissions or the appropriate academic department. Course registration information, and pertinent information about financial check-in, are included in the letter of acceptance.

READMISSION
Students must apply for readmission if they have broken enrollment. A Liberty University Online student breaks enrollment if he/she does not matriculate in a course at least once every academic year. Please note:

1. Students in Doctoral programs who have begun the dissertation/project/thesis phase of their degrees must maintain continual enrollment (Fall, Spring, and Summer semesters) until they complete their degrees.

2. Liberty University Online students who are pursuing Master’s degrees which require projects or theses, and who have begun the project/thesis phase of their degrees, must adhere to the Residential enrollment policy (they must be enrolled for each Fall and Spring semester) until they complete their degrees.
Admission status is subject to the terms of any previous academic or disciplinary probation, suspension, or dismissal. Students may be required to provide official transcripts from all educational institutions attended since enrollment at Liberty. Admission decisions for re-applicants will be based on the current admission criteria of the respective degree program at the time the re-application is submitted.

Students who break enrollment and apply for readmission will be required to follow the current degree completion plan in effect at the time of re-entry to the University.

Any military students wishing to be readmitted who broke enrollment due to deployment must contact the Office of Military Affairs.

INTERNATIONAL STUDENT ADMISSION

Applicants whose native language is other than English must submit official scores for the Test of English as a Foreign Language (TOEFL) or an approved alternate assessment (see below). Applicants who successfully complete the levels of English-Second-Language (ESL) instruction indicated below at one of two schools will have the TOEFL requirement waived. Students will have their application held until transcripts from one of the below schools are received:

- Level 6: Language Consultants International (LCI) www.englishlci.edu
- Level 109: ELS Educational Services (ELS) www.els.edu

Applicants must earn a score of 80 on the Internet-based TOEFL, a 3.9 on the iTEP, a 6.5 on the IELTS, or an equivalent score on an approved alternate test for all graduate degree programs. An official score report sent directly from the testing service must be submitted to the University before an admission decision can be made. Applicants who have an earned degree from a college or university in the U.S. or other English-speaking country or school may have the TOEFL requirement waived by the Office of Graduate Admissions. In addition, the Office of Graduate Admissions may require any student whose native official language is not English, regardless of citizenship, to submit a TOEFL score or score from an approved alternate test, if such documentation is deemed necessary.

Information regarding approved English proficiency tests may be obtained online as follows: TOEFL: www.toefl.org; IELTS: www.ielts.org; iTEP: www.itepexam.com.

SPECIAL (NON-DEGREE-SEEKING) STUDENTS

Students who are not seeking degrees may enroll in master’s-level courses as Special (Non-Degree-Seeking) Students. These students may accumulate no more than 12 semester hours under this status. Doctoral-level programs do not have Special-Student status; however, Special Students may be able to take doctoral-level classes upon approval by the Associate Dean or Academic Dean.

Special Students are not eligible to receive transfer credit, including credit earned through advanced standing, ICE (Institutional Challenge Examination), and PLA (Prior Learning Assessment). Financial Aid is not available for Special Students. Students on Academic Suspension or Academic Dismissal are not eligible for admission as Special Students.

ACADEMIC AMNESTY

Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must not have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.)

2. The student must submit a written appeal for readmission to the Associate Registrar for Academic Success. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.

3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.

4. The Associate Registrar for Academic Success will confer with the Director of Graduate Student Affairs to determine whether or not there are any student-conduct-related considerations that should render the student ineligible to resume his/her studies through Liberty University.

5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Academic Success will then present the student’s appeal for review to the Associate Dean or Program Director over the student’s degree program.

6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Academic Success will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and will no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/-), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. If the student desires to pursue a degree program that is different than the one for which he/she was approved for academic amnesty, he/she must submit a new appeal to the Associate Registrar for Academic Success, who in turn will submit the appeal to the Associate Dean over the student’s desired program, pursuant to point #5 above.

12. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

13. Students who have been granted Academic Amnesty are not eligible for graduation honors.

14. If, after the first semester of enrollment following readmission, the student’s cumulative GPA falls below the minimum cumulative GPA required for good academic standing in and graduation from the student’s degree program. The student will be Academically Dismissed, and will not be permitted to submit any further
appeals for permission to continue his/her studies through Liberty University.

DEGREE CANDIDACY

Requirements for Degree Candidacy vary by program. See the Program-Specific Admission Requirements in the individual program sections of this Catalog.

DUAL ENROLLMENT

Undergraduate students may enroll in master’s-level courses during the semester in which they have nine or fewer semester hours remaining to complete their bachelor’s degrees. Students must meet the cumulative GPA requirement for admission in good standing into a Graduate program to be eligible to register under dual enrollment for that program.

Students may be dually enrolled for a maximum of two semesters, and may enroll for a maximum of nine semester hours of Graduate course work.

Non-Liberty University undergraduate students must send in their Graduate admission application, official transcripts, and a letter from their current Registrar’s Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of graduation, and the number of remaining credit hours for degree completion. Once these documents have been received by the Office of Graduate Admissions, the student must contact the Office of Graduate Admissions, the student must contact the Director of Graduate Student Affairs about University policies and procedures should call or write the Director of Graduate Student Affairs.

As an exception to the multiple-degree policy listed elsewhere in this section, students who are pursuing a Master of Divinity (MDiv) degree and who have previously earned a Master of Arts in Religion (MAR), Master of Religious Education (MRE), or Master of Arts in Biblical Studies (MABS) will be permitted to use all of the credits completed for the MAR, MRE (including the MRE-Chaplaincy), or MABS toward the MDiv as allowed by the student’s specific MDiv Degree Completion Plan (DCP).
Admissions – Graduate Certificate Programs

General Requirements
Applicants to the graduate certificate programs at Liberty University are assessed according to academic background, aptitude for graduate-level work, and personal information. Professional experience may also be considered for applicants to some graduate programs. Applicants are considered without regard to race, color, gender, national or ethnic origin, age, disability, or status as a veteran or disabled veteran. The school maintains its Christian character, but does not discriminate on the basis of religion except to the extent that applicable law respects its right to act in furtherance of its religious objectives.

The mission of Liberty University is to develop Christ-centered men and women with the values, knowledge, and skills essential to impact the world. We expect that our students understand and respect our mission and purpose while enrolled at Liberty University.

Admission to Liberty University’s graduate programs is governed by policies and procedures developed by the Graduate Senate and Graduate Administrative Council. Admission to graduate programs does not constitute Certificate Candidacy status in a specific graduate program. Requirements for Certificate Candidacy are outlined in the Program Specific Admission Procedures in the individual program sections of this Catalog.

The University reserves the right to refuse admission or readmission to any prospective student or re-enrollment to any student. Any applicant who intentionally withholds pertinent information or who falsifies information may be required to withdraw from Liberty University. The regulations listed herein are subject to change after the publication of this Catalog. The University reserves the right to make necessary changes to admission requirements without notice.

Liberty University graduate certificate programs utilize a variety of course-delivery formats, some of which are available through on-campus and online instruction and/or DVDs/videos. Course delivery format options vary by certificate program.

An overview of program format options and admissions requirements by program is provided in the Admission Requirements Matrix located at the end of the Graduate Admissions section.

Applicants to all graduate programs are required to have access to the Internet, e-mail service, and proficiency with word processing software.

Program Format

On-Campus [Residential]. With the residential delivery format, courses in a program are delivered on campus [face-to-face] and generally last the standard semester.

Online [Distance Education]. With the online delivery format, courses in a program are delivered to students through a virtual classroom experience that is flexible, personal, and challenging. Through the online format a student can complete a certificate program entirely online.

   - Degree and date conferred
   Upon an admission decision, the official transcripts must adhere to the specific program’s requirements for admission. Information that is specific to Liberty University Online students is displayed in a white text box. Information not marked pertains to all students.

SEMESTER CREDIT SYSTEM
The University operates on the semester system. The unit for counting credit is the semester hour. A semester hour of credit consists of the equivalent of one 50-minute period of class work for 15 weeks, with an assumption of two hours of outside preparation or two 50-minute periods of laboratory work for each semester hour. Online courses are equivalent to the number of classroom contact hours (750 minutes per credit hour) expected in a synchronous residential course.

ENROLLMENT VERIFICATION
A student is enrolled when they are registered for a course and have attended the course and/or completed academic work for the course after its start date. For enrollment verification purposes, the University policy can be viewed at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?pid=30130/#policy/355.

A student’s cumulative GPA comprises all Liberty University coursework completed at the current academic level (Undergraduate, Graduate or Doctoral) regardless of prior degree conferral, broken enrollment or a program major change. To determine the grade point average (GPA), the quality points earned are divided by GPA hours completed. GPA hours are hours that are used in the calculation of the GPA. The following grades are included in GPA hours: A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F, and FN. Grades of AU, I, IP, NF, NP, P, Q, R, and W are not included in GPA hours. A grade of B, for example, in a course bearing three semester hours of credit would be assigned nine quality points and a grade of C in that course, six quality points. Thus, if a student takes 16 semester hours of work and earns 40 quality points, his GPA is 2.50 (40 quality points divided by 16 semester hours). Only courses taken at Liberty are used in

SEMESTER LOAD
Master’s-level graduate students are considered to be full-time when enrolled in nine or more hours per semester. All doctoral graduate students are considered full-time with a semester load of six or more semester hours.

Graduate students must secure permission from the appropriate Associate Dean or Program Director and from the Associate Registrar for Degree Conferral to take more than 15 hours.

For financial aid purposes, online student full-time/part-time status will be determined by the number of hours for which the student initially enrolled in the semester. For example, if a student enrolls for the first time in the semester in the third sub-term, the number of hours the student takes in that sub-term will determine full-time/part-time status. A part-time student who adds courses for subsequent sub-terms of the same semester will still be considered part-time for the entire semester.
computing the GPA. Cumulative GPA is calculated to the hundredths place and is not rounded.

**ADVISORS AND COURSE SELECTION**

Each resident student will be assigned a faculty advisor upon acceptance to the University. The advisors will guide students in course selection. All questions concerning academic issues should be directed to the advisors. Students are encouraged to contact their advisors for help with any school-related problems they may encounter during the academic year.

Liberty University Online will assist online students throughout their studies. Liberty University Online serves to guide students in their course selection as well as help answer questions regarding academic issues or school-related problems.

**COURSE PLANNING**

A course planning schedule is provided in order for students to plan their classes for upcoming semesters. The planning schedule presents every class offered and the terms where it is scheduled to be taught. This schedule is sorted alphabetically by class. The course planning schedule is available online at: [http://www.liberty.edu/academics/registrar/index.cfm?PID=23103](http://www.liberty.edu/academics/registrar/index.cfm?PID=23103).

**TRANSFER OF CREDIT**

Only courses and degrees from institutions accredited by agencies recognized by the Department of Education will be evaluated for transfer credit (e.g., SACSCOC, TRACS, ABHE, etc.). Applicants must request official transcripts to be sent directly from the Registrar(s) of the previous school(s) to the Offices of Graduate Admissions. These transcripts must be received before an admission decision will be made. Credits transferred from other institutions are awarded grades of P for Pass, and do not impact a student’s Liberty GPA or academic standing.

In order to receive direct credit for a course, the description must overlap the Liberty University course content at least 80%. Courses that do not match a Liberty University course by at least 80% are eligible to transfer as elective credit where allowable. Elective credit is coded as 5XX to 9XX, depending on the level of the course.

Course work from a degree on the same academic level previously earned through Liberty University is considered transfer credit, and is subject to the same restrictions as course work completed through other institutions.

See additional information about the evaluation of graduate transfer in the Graduate Admissions Section.

Students seeking certificates are not eligible for transfer credit.

**PRIOR LEARNING ASSESSMENT (PLA) CREDIT**

In order to demonstrate they have met the learning outcomes of a course, students who have already applied to Liberty University may submit a prior learning portfolio. Students are responsible for identifying the courses for which they intend to show equivalency, but they are encouraged to solicit help from an academic advisor. The portfolio review requires a nonrefundable $100 assessment fee. Students seeking credit for more than one course must submit a separate portfolio per course for which credit is requested. A maximum of 50% of experiential learning credits can be awarded and applied toward a graduate degree at Liberty University.

The Portfolio Guidelines are as follows:

- Students must be accepted into a program at Liberty University.
- Prepare a portfolio(s) using the guidelines established at [http://www.liberty.edu/online/credit-experience-by-portfolio](http://www.liberty.edu/online/credit-experience-by-portfolio).
- Portfolios will be evaluated by appropriately credentialed faculty to determine if credit can be awarded for life experiences. Students are not guaranteed credit for these experiences.
- Once the assessment is complete, the Portfolio Coordinator will send an email notice regarding the decision.
- Portfolios may not be submitted for internships, practica, dissertations, thesis courses, or other courses that are identified as non-transferable.
- The hours awarded are counted as transfer hours and are not considered as hours earned at Liberty University. These credits will not be applied to a student’s GPA calculation.
- Credit earned through this process will not be counted toward the required minimum institutional credits that must be completed through Liberty University for a graduate degree.

**MILITARY EVALUATION**

Liberty University will evaluate students’ prior military experience and develop a degree plan for each student to follow. Evaluations will be based solely upon the recommendations of the American Council of Education (ACE) guidebook, Guide to the Evaluation of Educational Experiences in the Armed Services.

**ACADEMIC AMNESTY**

Students Academically Suspended or Academically Dismissed from Liberty University may appeal for readmission under Academic Amnesty per the following protocols:

1. The student must not have been enrolled at the University for a period of at least three academic years. (Example: If the student’s last enrollment was in the Spring 2012 semester, he/she would not be eligible to appeal for Academic Amnesty until after the Spring 2015 semester.)
2. The student must submit a written appeal for readmission to the Associate Registrar for Academic Success. The appeal should include a thorough explanation of (1) the circumstances which contributed to the academic performance which resulted in the student’s Academic Suspension or Dismissal and (2) why the student’s present circumstances are more conducive to improved academic performance if permitted to resume his/her studies.
3. Students who were Academically Dismissed because of academic dishonesty are not eligible for Academic Amnesty.
4. The Associate Registrar for Academic Success will confer with the Director of Graduate Student Affairs to determine whether or not there are any student-conduct-related considerations that should render the student ineligible to resume his/her studies through Liberty University.
5. If the Director of Graduate Student Affairs determines that the student is eligible to resume his/her studies from a student-conduct perspective, the Associate Registrar for Academic Success will then present the student’s appeal for review to the Academic Success Office for a decision.
6. If the student is determined by the Associate Dean or Program Director to be eligible for readmission, the Associate Registrar for Academic Success will submit the student’s appeal to the Vice Provost for review.

7. If the Vice Provost approves the student’s appeal, all grades of C, D and F (including +/- grades) will be revised to Q, and no longer be included in the calculation of the student’s cumulative GPA. Grades of A and B (including +/- grades) will not be revised, and will continue to be included in the calculation of the student’s cumulative GPA.

8. Students in degree programs requiring a cumulative GPA of 2.0 for good academic standing and graduation will retain grades of C (and C+/–), as well.

9. If the Vice Provost denies the student’s appeal, his decision will be final. The student will not be permitted to resume the pursuit of any Graduate or Doctoral degree through Liberty University.

10. Once the approved student’s grades have been revised, he/she is eligible to apply for readmission. (He/she must meet all applicable admission requirements to gain readmission.) The student will be readmitted on Academic Caution, and will be required to take and pass GRST 500 Intro to Graduate Writing in his/her first semester (unless he/she has already passed the course).

11. If the student desires to pursue a degree program that is different from the one for which he/she was approved for academic amnesty, he/she must submit a new appeal to the Associate Registrar for Academic Success, who in turn will submit the appeal to the Associate Dean over the student’s desired program, pursuant to point #5 above.

12. The previously assigned academic standings will not change, and will remain part of the student’s academic records for the respective semesters for which they were earned.

13. Students who have been granted Academic Amnesty are not eligible for graduation honors.

14. If, after the first semester of enrollment following readmission, the student’s cumulative GPA falls below the minimum cumulative GPA required for good academic standing and graduation from the student’s degree program, the student will be Academically Dismissed, and will not be permitted to submit any further appeals for permission to continue his/her studies through Liberty University.

### ONLINE COURSE REGISTRATION, ACTIVATION, AND COMPLETION DATES

**Online students** may register for courses online through ASIST. A student’s enrollment period (course activation) begins the first day of the sub-term, provided the student is in good academic standing and has paid the tuition or secured financial aid approval. Students are encouraged to allow sufficient time to review their course materials before the beginning of the sub-term. See the University calendar for sub-term dates.

The full policy statement and procedures are published in the Policy Directory online at [https://www.liberty.edu/academic/institutionaleffectiveness/index.cfm?PID=30130#policy/178](https://www.liberty.edu/academic/institutionaleffectiveness/index.cfm?PID=30130#policy/178).

### ONLINE COURSE MATERIALS

**Online students** must purchase all course materials from MBS Direct. Materials for some practicums and intensives may be purchased from the University Bookstore. Students should purchase materials after registration but prior to the sub-term begin date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term activation date. Tuition does not cover the cost of course materials.

### CLASS ATTENDANCE

Regular attendance in online courses is expected throughout the length of the term. The U.S. Department of Education requires that every university monitor the attendance of their students.

### LATE ASSIGNMENT POLICY FOR ONLINE COURSES – Effective Spring 2018

- **Course assignments**, including discussion boards, exams, and other graded assignments, should be submitted on time.
- If the student is unable to complete an assignment on time, he/she must contact the instructor immediately by email.
- Assignments that are submitted after the due date without prior approval from the instructor will receive the following deductions:
  1. Late assignments submitted within one week after the due date will receive a 10% deduction.
  2. Assignments submitted more than one week and less than two weeks late will receive a 20% deduction.
  3. Assignments submitted two weeks late or more after the final date of the course will not be accepted.
  4. Group projects, including group discussion board threads and/or replies, and assignments will not be accepted after the due date.

Special circumstances (e.g., death in the family, personal health issues) will be reviewed by the instructor on a case-by-case basis.

### Academic Standing

Students must maintain satisfactory academic standing in order to remain at Liberty.

Academic standing is calculated only at the end of each semester (including the Summer), and is based on the student's cumulative GPA. Please refer to the end of this sub-section for a chart listing the cumulative GPA’s required for good academic standing for all current degree programs.

A student’s cumulative GPA comprises all coursework completed at the current academic level (Undergraduate, Graduate or Doctoral) regardless of prior degree conferred, broken enrollment or a program/major change.

Students failing to attain and maintain the cumulative GPA required for good academic standing in their degree program will be placed on Academic Warning.

At the end of the semester on Academic Warning, students who fail to raise their cumulative GPA to a satisfactory level will be placed on Academic Probation.

At the end of the semester on Academic Probation, students who fail to raise their cumulative GPA to the required academic level will be placed on Academic Suspension.

Resident students who desire to return to Liberty in the future must contact the Registrar’s Office in writing. The Associate Registrar for Academic Success will in turn submit the student’s appeal to the Program Director or Associate Dean for review. If the student’s appeal is approved, he/she will be given an Academic Contract, which, if followed, will enable him/her to return to good academic standing. The student must agree to abide by the terms of the Contract before being permitted to continue/resume his/her studies.
Online students who desire to return to Liberty in the future must contact the Academic Standing Consultant Team in writing at luacademicstanding@liberty.edu. The Academic Standing Consultant Team will in turn submit the student’s appeal to the appropriate Program Director or Associate Dean for review. If the student’s appeal is approved, he/she will be given an Academic Contract, which, if followed, will enable him/her to return to good academic standing. The student must agree to abide by the terms of the Contract before being permitted to continue/resume his/her studies.

Students who are enrolled full-time (nine or more hours for Master’s-level students and six or more hours for post-Master’s and Doctoral students) and fail all courses will be Academically Suspended.

Students who fail to raise their cumulative GPA to the required academic level (see above) by the end of the subsequent semester and/or who fail to meet the terms of their Academic Contract will be Academically Dismissed and will not be allowed to return to Liberty unless qualifying for Academic Amnesty.

At the end of each semester, students on Academic Warning, Probation, Suspension, and Dismissal will be sent a notification by the Registrar’s Office.

Students on Academic Suspension or Academic Dismissal are not eligible for admission as Special (non-degree-seeking) Students.

 COURSE SUBSTITUTIONS

Students desiring to use another course in place of a required course must complete a Request for a Course Substitution form. Course substitution forms must include a detailed rationale, explaining why the substitution is requested. Requests should be made with discretion. They should not be used merely to enable a student to graduate on time. If the course was taken at another college, provide a course description or course syllabus with the request. Requests must be submitted prior to the students last sub-term. Forms should be submitted to coursesub@liberty.edu. Forms will be reviewed by a Dean or Associate Dean within 2 weeks of submission. Course substitutions are not permitted for the certificate programs.

PROGRAM CHANGES

All requests to change degree programs, majors, cognates, and concentrations must be submitted in writing to the Registrar’s Office for resident students and Liberty University Online Academic Advising for online students. The student will be placed on the Degree Completion Plan (DCP) or Certificate Completion Plan (CCP) in effect for the term for which the request is processed. All requests for a change of major will be processed by the Registrar’s Office upon receipt, and will be effective the following full term of enrollment.

A student must be admitted to a degree program before he/she may matriculate in that program.

DROPPING/ADDING COURSES

Changes are discouraged after a student and advisor have arranged the student’s schedule for the semester.

   Residential students desiring to take a Liberty University Online course must enroll in the course during the registration period. The course must be completed by the last day of the sub-term unless an extension is granted.

   REMEMBER: Any change in status (e.g., from full-time to part-time, etc.) may cause the reduction or cancellation of your financial aid award. In other words, your out-of-pocket expenses may increase.

   Exceptions to these add/drop deadlines may be granted by the Registrar in unusual circumstances, such as extreme illness or other circumstances beyond the student’s control.

   No course is considered officially added or dropped until the add/drop form is submitted to the Registrar’s Office and processed. This form requires the written approval of the instructor of the course.

DROPPING/ADDING COURSES

   Online students may drop a course for a full refund, any time prior to the sub-term start date.

   The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#/policy/158.

COURSE REPEAT POLICY

Students who want to repeat a course taken at Liberty and have the first grade removed from the cumulative GPA must satisfy each of the following guidelines:

   1. All Master’s-level programs will allow the repeat policy to be applied for a maximum of nine hours of repeated course work, with the exception of Master of Divinity programs, which will allow the repeat policy to be applied for a maximum of fifteen hours of repeated course work.

   2. All post-Master’s and Doctoral programs will allow the repeat policy to be applied for a maximum of three hours of repeated course work.

   3. All Graduate Certificates will allow the repeat policy to be applied for a maximum of three hours of repeated course work.

   4. Both the original course and the repeat of the course must be taken at Liberty University in order to activate the policy.

   5. The second grade of A, B, C, D, F, NF, or FN (including +/- grades) will apply toward the cumulative GPA.

   6. The repeat policy may not be applied for the following grades: AU, I, NF, NP, P, Q, or W.

   7. When a course is repeated, the original grade will be followed on the student’s transcript by the letter “A,” which will indicate that the original grade has been excluded from the earned hours, but is still included in the GPA hours, quality points, and the computation of the cumulative GPA. The original grade will also remain on the student’s transcript as attempted hours.

   8. The grade for the repeat of the course will be followed by the letter “I,” which will indicate that the grade for the repeat of the course will be included in the earned hours, GPA hours, quality points, and the computation of the cumulative GPA.

   9. Once the repeat policy has been applied, the letter “A” following the original grade is replaced by the letter “E,” which indicates that the original grade is excluded from the earned hours, GPA hours, quality points, and the computation of the cumulative GPA. However, the original grade will remain on the student’s transcript as attempted hours.

10. This policy is retroactive to include any course taken at Liberty University.

11. Use of the repeat policy for a prior semester will not affect the academic standing for that semester.

12. The repeat policy request must be submitted prior to degree conferral for the policy to be activated.

13. The repeat policy may not be applied in reverse, meaning that a student may not repeat a course, earn a lower grade for the repeat, and apply the repeat policy to exclude the repeat grade from the cumulative GPA.

14. When the grade for the repeat is insufficient to be used to meet a course requirement on the student’s Degree Completion Plan (DCP), the student must repeat the course again and earn a sufficient grade. The student may not use the original grade for the course to meet a course requirement on his/her DCP, even if the original grade is sufficient. If the course is not specifically required, but may be used to meet an elective requirement, the student may either repeat the course again or take another course to meet the requirement.

15. If a student has earned a degree, and goes on to pursue a second degree, any use of the repeat policy in the pursuit of the first degree will not count toward the total number of uses of the repeat policy allowed under the second degree.

16. If a student is pursuing a degree, and changes to another degree without completing the first degree, any use of the repeat policy in pursuit of the first degree will count toward the total number of uses of the repeat policy allowed under the second degree, even if the first degree, or course work completed in the pursuit of the first degree, are in a different discipline than the second degree.
Academic Information and Policies

INDEPENDENT STUDY / DIRECTED RESEARCH

Students may request to complete an Independent Study or Directed Research project in a major field or related discipline. Permission for the Independent Study or Directed Research will be granted only upon approval by the Department Chair/Program Director, the Dean of the School, the Administrative Dean, and the Associate Registrar for Degree Conferral. Forms are available online at https://www.liberty.edu/index.cfm?PID=4849 or in the Registrar’s Office.

CLASS CANCELLATION POLICY

From time to time it may be necessary to cancel a class because of insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is ultimately that of the Provost of the University.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130##/policy/153.

INCOMPLETES

Students who are unable to complete coursework by the last day of class due to unavoidable circumstances such as personal illness/injury or family emergencies may appeal to their instructor for a temporary course grade of “I” (Incomplete). The authority for the decision to grant an incomplete completely lies with the instructor. Denial of the request for an incomplete may include, but is not limited to, the student’s inability to earn a passing grade with completion of the remaining requirements, as well as an insufficient reason for the request. Students must initiate the request for an incomplete directly to the instructor by the last day of class (before the final exam period for residential classes).

The instructor will establish a new deadline for the completion of the remaining coursework, based on the circumstances. The instructor may grant up to two weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for non-medical circumstances and up to four weeks beyond the last day of the term (or sub-term for Liberty University Online courses) for personal medical circumstances.

For extreme personal medical circumstances, a maximum of eight weeks for Liberty University Online courses and 16 weeks for residential courses may be given as long as sufficient medical documentation (from a medical professional) is presented along with the request. However, while the decision to grant an extended incomplete remains with the instructor, the request and medical documentation needs to be submitted to the Registrar's Office. The instructor will be responsible to communicate the remaining requirements, as well as the extended deadline, to the student.

The instructor will post a final grade within two weeks from the deadline established for the incomplete. If a final grade is not posted within two weeks of the deadline, a grade of “F” will be posted by the Registrar’s Office. A grade of “I” can be changed to a withdrawal as long as the withdrawal is requested by the student within official course dates.

The GPA is unaffected by the incomplete until a final grade is posted after the deadline. However, grades of “I” will count as hours attempted and not completed, and will negatively affect a student’s Satisfactory Academic Progress.

Military Incompletes

Military service members are eligible for a military incomplete, for coursework that they are unable to complete on time, due to deployments, extended cruises, unit operational tempo, or other duty-related extenuating circumstances. To obtain an incomplete, a military student must send either a current copy of official military orders (as proof of professional conflict during enrollment in the course) or a signed letter on official letterhead from the student’s commander or supervisor. Incomplete requests and supporting documents should be emailed to the professor. Please Note: Incompletes must be secured no later than 2 weeks prior to the course end date.

Extensions may be requested from the professor and students may be granted up to 4 weeks in extreme circumstances but should typically remain in a 2-3 week timeframe to stay within compliance for grade reporting policies with the Department of Defense. Students can request a military withdrawal only up to the original end date of the course. Once the original end date of the course has passed, students will not be able to request a withdrawal for any reason. Professors should use discernment when reviewing military documentation to avoid awarding an incomplete to a student who will not feasibly be able to complete the course. Military students should notify their military education office of a course incomplete if they are using Tuition Assistance.

The Office of Military Affairs is available to help professors review military orders, as needed, phone: (434) 592-5990, fax: (434) 455-1287, email: lhmilitary@liberty.edu.

GRADUATE RESIDENTIAL GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

Criteria for Appeal:

Only final posted grades may be appealed beyond the professor. Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (e.g. email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade).

Appeals, other than those mentioned above, will not be reviewed. The student must provide written documentation that demonstrates the occurrence of one or more of the above listed grounds for appeal. Documentation may be in the form of e-mail correspondence, graded assignments, proof of timely submission, etc.

Appeal Process:

A student wishing to appeal a final grade must submit the appeal to his/her professor and seek to resolve the situation with them. If the student wishes to appeal further he/she must follow the process outlined below:

1. Within 30 calendar days of the end of the term, the student may submit a written appeal to the Program Director/Chair. The student must include the information required above. 2. If the student has additional support for his/her appeal, the student may submit a written appeal to the Dean/Academic Director after receiving the decision by the Program Director/Chair. This written appeal must be received within five (5) business days of the Program Director/Chair’s email. The Dean/Academic Director will review the student’s appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean/Academic Director will notify the Program Director/Chair, the faculty member and the student. If the student has additional support for his/her appeal, after receiving the decision by the Dean/Academic Director, the student may submit a written appeal to the Dean of Academic Administration for the Graduate School and Online Education.

3. This written appeal must be received within 5 business days of the Dean/Academic Director’s email. The Dean of Academic Administration for the Graduate School will review the student's appeal, as well as any information provided by faculty member. When a decision has been reached, the Dean of Academic Administration for the Graduate School will notify the Dean/Academic Director, the Program Director/Chair, the faculty member, and the student. The Decision of the Dean of Academic Administration for the Graduate School is final.

LIBERTY UNIVERSITY ONLINE GRADE APPEALS

Liberty encourages students to have open and respectful communication with their professor to resolve any concerns regarding individual course assignment grades and/or the final grade for the course.

Criteria for appeal:

Only final posted grades may be appealed beyond the professor. Please click here to access the grade appeal form. To access the form, you will need to login using your Liberty username and password.

Appeals are accepted only when the grade assigned conflicts with:

- The published grading rubrics for the course assignments
- Written communication (i.e., email, announcements, etc.)
- Calculation error on an assignment (resulting in a change to the final grade)

Appeals, other than those mentioned above, will not be reviewed. The student must provide written documentation that demonstrates the occurrence of one or more of the above grounds for appeal. Documentation may be in the form of email correspondence, graded assignments, proof of timely submission, etc. After submitting the appeal, if additional information is needed, the student will be notified via their Liberty Webmail.

Appeal process:

A student wishing to appeal a final grade should first appeal to their professor and seek to resolve the situation with them. If the student wishes to appeal further they must follow the process outlined below:

1. Within 30 calendar days of the end of the sub-term, the student may submit a written appeal to the Online Chair, but should do so through the grade appeal form. The student must include the information required above. The Professor will also be notified of the appeal and will be able to provide pertinent documentation, prior to the Online Chair rendering their decision. The Online Chair will have 7 days to review the appeal, from the time of submission. When the review is complete, the student will be notified of the decision via their Liberty Webmail and the appeal portal.

2. If the student has additional support for their appeal, the student may re-appeal to the Online Associate Dean through the appeal portal after receiving the decision of the Online Chair. This written appeal must be submitted within 5 business days of the Online Chair’s decision. The Online Associate Dean will have 7 days to review the appeal, from the time of submission. When the review is complete, the student will be notified of the decision via their Liberty Webmail and the appeal portal.

3. If the student has additional support for their appeal, the student may re-appeal to the Academic Dean, through the appeal portal after receiving the decision of the Online Associate Dean. This written appeal must be submitted within 5 business days of the Online Associate Dean’s decision. The Academic Dean will review the student’s appeal, as well as any information provided by the faculty member. The Academic Dean will have 7 days to review the appeal, from the time of submission. When the review is complete, the student will be notified of the decision via their Liberty Webmail and the appeal portal. The Academic Dean’s decision is final.
Students receiving all grades of FN will be considered to have unofficially withdrawn from Liberty. The withdrawal date will be determined by the Registrar’s Office and will be based upon the student’s last date of attendance in class. Students with Federal grants and/or Federal loans will be subject to the Title IV withdrawal calculation. The Title IV withdrawal calculation will result in the reduction and/or cancellation of all Financial Aid. Consideration will be given to students withdrawing due to circumstances beyond their control.

An expulsion resulting from violation of the disciplinary system will result in an administrative withdrawal. A grade of W will be recorded in all courses for which the individual is officially registered.

A $50 fee will be charged for the processing of an official, unofficial, or administrative withdrawal. This fee will be deducted from any refund due on the student’s account or he/she will be responsible for payment of this fee.

Anyone who withholds from the University is considered to be breaking enrollment. Students who break enrollment must apply for readmission and will be subject to the requirements of the catalog and degree requirements in effect at the time of his or her readmission.

**Liberty University Online Withdrawal**

Online students withdrawing from the University must contact the Liberty University Online Academic Advising Department via the student’s Liberty University email account or via the phone to start the process.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#policy/172.

**ONLINE PROGRAM UNOFFICIAL WITHDRAWALS**

In accordance with Title IV regulations which require that universities have a mechanism in place for determining whether or not a student who began a course and received or could have received a disbursement of Title IV funds unofficially withdrew, the University has established a procedure for students enrolled in online courses. This procedure is used to determine if students are progressing toward the completion of their courses.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#policy/184.

**Unofficial Withdrawal for Non-Attendance Appeal Process:**

Students who receive a grade of "FN" may appeal to their professor to have the grade removed to resume work in the course. All professors have the right to approve or deny FN appeals at their own discretion.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#policy/173.

**INSTITUTIONAL CHALLENGE EXAMINATIONS (ICE)**

7. Students may not take the ICE if the course has previously been taken or is currently being taken.
8. ICE may be taken during the drop/add period.
9. ICE credits may not be applied toward residency hours.
10. Students are permitted to take only two ICE at a time.

**Office of Graduate and Online Student Affairs**

**Liberty University Code of Honor for Graduate and Online Students**

**ACADEMIC AND PERSONAL CODE OF HONOR**

Liberty University comprises a network of students, Alumni, faculty, staff and supporters that together form a Christian community based upon the truth of the Bible. This truth defines our foundational principles, from our Doctrinal Statement to the Code of Honor. These principles irrevocably align Liberty University’s operational procedures with the long tradition of university culture, which remains distinctively Christian, designed to preserve and advance truth. Our desire is to create a safe, comfortable environment within our community of learning, and we extend our academic and spiritual resources to all of our
students with the goal of fostering academic maturity, spiritual growth and character development.

Communities are predicated on shared values and goals. The Code of Honor, an expression of the values from which our Doctrinal Statement was born, defines the fundamental principles by which our community exists. At the core of this code lie two essential concepts: a belief in the significance of all individuals, and a reliance on the existence of objective truth.

While we acknowledge that some may disagree with various elements of the Code of Honor, we maintain the expectation that our students will commit to respect and uphold the Code while enrolled at Liberty University. Adherence to the principles and concepts established within facilitates the success of our students and strengthens the Liberty community.

THESES AND DISSERTATIONS
Some graduate degrees require a thesis, thesis project, or dissertation for graduation. Graduate thesis and dissertation requirements will not be considered complete until receipt of an acceptable copy of the approved thesis or dissertation is confirmed by the Jerry Falwell Library in accordance with current library deposit policies.

CERTIFICATE COMPLETION PLANS
Certificate completion plans outlining the program of study and other requirements for each graduate certificate program are available online at http://www.liberty.edu/dcps.

DEGREE COMPLETION PLANS
Degree completion plans outlining the program of study and other requirements for each graduate program are available online at http://www.liberty.edu/dcps.

TIME LIMITS FOR CERTIFICATE COMPLETION
Students pursuing a certificate must complete the certificate requirements within three (3) years of the date of matriculation. Any student who does not complete coursework within the permissible time limit for any reason, including discontinued enrollment, must reapply for readmission and will be subject to the requirements of the Catalog and Certificate Completion Plan (CCP) in effect at the time of his/her readmission.

A break in enrollment occurs when the student fails to enroll in at least one course during an academic year. The academic year begins with the start of the fall semester and ends with the conclusion of the summer term. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and degree requirements in effect at the time of their readmission.

TIME LIMITS FOR DEGREE COMPLETION
All 30-47 semester hour masters’ programs have a maximum time limit of five years from the date of matriculation. All 48-60 semester hour master’s programs, doctoral programs, or degrees offered outside the regular semester have a maximum time limit of seven years from the date of matriculation. All over-60 semester hour master’s programs and doctoral programs have a maximum time limit of ten years from the date of matriculation.

Any approved exceptions to the policies noted above, pertaining to a specific degree program, will be stated in this Catalog in the Graduation Requirements information for that degree program.

Any student who does not complete coursework within the permissible time limit for any reason – including discontinued enrollment – must reapply for admission. The respective program director will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the time limit for degree completion is determined by the number of hours remaining: less than 48 hours – five years; 48-60 hours – seven years; more than 60 hours – ten years.

For resident students, a break in enrollment occurs when the student fails to enroll in either the Fall or Spring semesters. For online students, a break in enrollment occurs when the student fails to enroll in at least one course during an academic year. The academic year begins with the start of the fall semester and ends with the conclusion of the summer term. Students who break enrollment must apply for readmission and will be subject to the requirements of the Catalog and degree requirements in effect at the time of their readmission.

WORK IN RESIDENCE
Online student candidates for the Master of Arts in Counseling and Master of Education degrees must complete nine hours on campus. Candidates for the Doctor of Education degree must complete 12 hours on campus. Students may satisfy this requirement by attending modular courses or attending other regularly scheduled classes at Liberty University. Modular courses are one-or-more-week intensive sessions scheduled during summer and other selected times during the year. Students requesting exemptions must do so by presenting their reasons (with documentation) to the appropriate Liberty University Online Faculty Coordinator.

GRADING POLICIES AND PROCEDURES
Liberty University Faculty members, both residential and online, must submit final grades for all students to the Registrar at the end of each term. Faculty teaching online courses should have grades submitted to the Registrar on or before the second Wednesday after the course ends. Faculty teaching residential courses should have grades submitted to the Registrar one week after the end of each semester. Liberty University Faculty members, both residential and online, are urged to promptly complete and submit final course grades. Confidentiality of student grades falls under the Family Educational Rights and Privacy Act (FERPA) of 1974. Please see the FERPA section and policies for more information.

Grading Scales:
Liberty University incorporates a standardized 1,000 point system across all undergraduate and graduate programs. The undergraduate utilizes a 100 point scale to differentiate between letter grades, while the graduate programs utilize three distinct scales: 80, 70 and 60 point scales to differentiate between letter grades. Each academic department determines the scale used within the department. The grading scale for each course will be posted within the syllabus for each course. Students are encouraged to review the syllabus for each course individually to verify the grade scale.

RECORDING OF GRADES
All grades will be recorded in the Registrar’s Office as reported by the instructors in charge of the various courses. Requests for grade changes may be submitted in writing only by the instructors.

Any extra-credit assignments that are a part of the instructor’s syllabus must be completed prior to the final exam for the course. A student may not submit an assignment for extra credit after the semester has ended and a final exam has been given.
ACADEMIC INFORMATION AND POLICIES

ACADEMIC TRANSCRIPTS
Official transcripts are made only at the request of the student. No transcript will be issued for anyone who has failed to meet all financial obligations to the University. Requests for transcripts are to be made directly to the Registrar’s Office. There is a $10.00 fee for one transcript. Additional transcript requests made at the same time are $1.00 each.

GRADUATION REQUIREMENTS
The following general guidelines for graduation apply to each candidate for a graduate degree. Any additional requirements are specified in the section which describes a particular program.

1. Post-baccalaureate, graduate, or professional programs must be at least 30 semester credit hours.
2. The complete program of study for the degree, as outlined in the catalog in effect when the student is accepted as a degree candidate, must be successfully completed before graduation.
3. The student must have a cumulative GPA of 3.00 unless otherwise stated.
4. The cumulative GPA will be used (a) to determine eligibility for (1) conferral and (2) graduation honors and (b) as the “Degree Awarded GPA” that will be posted on the student’s transcript. The cumulative GPA comprises all Liberty University coursework completed at the academic level of the degree being awarded (Graduate or Doctoral) regardless of prior degree conferral or certificate completion, broken enrollment, or a program/major change.
5. At least one-third of the course work for any program of study must be earned through Liberty University. The minimum number of hours which must be completed through Liberty for each degree program is noted in this Catalog in the Graduation Requirements section for that program.
6. Students in post-graduate programs are permitted to use up to 15 hours of 500/600-level courses if permitted by their Degree Completion Plan.
7. The student must submit a Graduation Application to the Registrar’s Office at the beginning of his/her final semester.
8. The Registrar’s Office will process the conferral of a degree once all degree requirements have been met including the minimum GPA requirement and certificate completion application. If a student wishes to take further non-applicable coursework, he/she must do so under a new application.

CERTIFICATE COMPLETION REQUIREMENTS
1. The complete program of study for the certificate, as outlined in the catalog in effect when the student is accepted to the certificate, must be successfully completed.
2. The student must have a cumulative GPA of at least 2.00.
3. The cumulative GPA will be used (a) to determine eligibility for conferral and (b) as the “Certificate GPA” that will be posted on the student’s transcript. The cumulative GPA comprises all Liberty University coursework completed at the Graduate academic level, regardless of prior degree conferral or certificate completion, broken enrollment, or a program/major change.
4. No grade of D may be applied to the certificate (includes grades of D+/D-).
5. All course work for the certificate must be completed through Liberty University.
6. The student must submit a Certificate Completion Application to the Registrar’s Office at the beginning of his/her final semester.
7. The Registrar’s Office will process the conferral of a certificate once all certificate requirements have been met including the minimum GPA requirement and certificate completion application. If a student wishes to take further non-applicable coursework, he/she must do so under a new application.

GRADUATION APPROVAL
All candidates for graduation must be approved by the faculty and the Board of Trustees. Conditions such as transfer credit and incomplete grades should be removed by the beginning of the candidate’s last semester.

GRADUATION HONORS
Honors graduation is available for all graduate, postgraduate, and doctoral programs. Certificate students do not receive graduation honors.

Honors for graduation will be determined by the cumulative GPA earned at Liberty. Note: The cumulative GPA comprises all Liberty University coursework completed at the academic level of the degree being awarded (Graduate or Doctoral) regardless of prior degree conferral, broken enrollment or a program/major change. Cumulative GPA is calculated to the hundredths place and is not rounded. Students must meet the following GPA standards to earn the corresponding academic distinction:

<table>
<thead>
<tr>
<th>GPA</th>
<th>Distinction</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.90 – 3.94</td>
<td>Graduate with distinction</td>
</tr>
<tr>
<td>3.95 – 4.00</td>
<td>Graduate with high distinction</td>
</tr>
</tbody>
</table>

The specific honor calculated on April 1 of the student’s graduation year will be printed in the commencement program and the student will wear that particular honor regalia; however, the final cumulative grade point average will be recorded and that final cumulative GPA will determine the specific honor that will be printed on the diploma and transcript. Students in certificate programs are not eligible for graduation honors.

COMMENCEMENT CEREMONY
Degrees are granted in September, January, and May of each year. All candidates for degrees may participate in the annual graduation exercises which take place in May.

All Liberty University students are required to abide by the policies outlined in the catalog.

CERTIFICATE PROGRAMS

The tuition charge for each Certificate Program is the same as its corresponding Undergraduate and Graduate Degree tuition charge.

FINANCIAL CHECK-IN (FCI)

Financial Check-In (FCI) is Liberty University's online system that secures financial arrangements with the University for direct charges like tuition and fees, to include prior, current, and/or future balances. ALL students are required to complete FCI through ASIST each semester prior to attending a class or arriving on campus. Current deadlines, procedures, and payment options can be viewed on the Student Accounts webpage: www.Liberty.edu/StudentAccounts. Students who do not complete FCI by the published deadline will be subject to having courses and housing (if applicable) dropped and may be assessed a late Check-in fee of $125. FCI deadlines are given in Eastern Standard Time (EST).

Once a student completes FCI, all payments made prior to the beginning of the semester are held in deposit to secure the student’s class schedule, institutional grants or scholarships, and housing, as applicable.

First term residential students: First complete FCI then register for classes.

Returning residential students: Register for courses during the open registration period then complete FCI.

All online students: register for courses and then complete FCI.

NON-ATTENDING OR NON-RETURNING STUDENTS

If an online student decides not to attend and drops their course(s), they may request a refund of the initial payments (excluding payments covering non-refundable fees) by emailing loustudentrefunds@liberty.edu.

If a new resident student decides not to attend and drops their course(s), they should contact the Admissions Office in order to request a refund of the initial payments (excluding payments covering non-refundable fees). If a current resident student decides not to return, the Student Advocate Office must be notified in writing with a request for refund of the initial payments (excluding payments covering non-refundable fees) prior to the last day of
PAYMENTS ON STUDENT ACCOUNT

Payments on a student’s account can be made by check, ACH, money order, cashier’s check, credit/debit card, online via the student’s ASIST account, or through Liberty’s International payment portal (for international students only). Liberty University cannot process payments from non-U.S. bank accounts, money markets, trusts, home equity, or savings accounts. Cash payments are received at Cashiering & Treasury Services located in the Student Service Center in Green Hall. Liberty accepts international payments through Liberty’s International Payment Portal (https://www.flywire.com/pay/liberty) powered by Flywire.

By using Liberty’s International payment portal, the student can:
- Execute, track, and confirm international payments online.
- Choose payment options from their home country.
- Access a 24/7 multilingual Customer Support Team.
- Save on bank fees and ensure the best exchange rates with Flywire’s Best Price Guarantee (https://www.flywire.com/priceguarantee).

A student’s account must be paid in full prior to registering for any future courses. When a student completes FCI for a future term and then becomes delinquent in the current term, or loans are returned to the lender, the resulting balance must be resolved prior to future registration. In this circumstance, the student should consult a Student Accounts Contact Center Agent to discuss payment options.

Monthly account statements are sent to current students who have an outstanding account balance via their Liberty email address. Please visit the Student Accounts webpage for current information on procedures, payment options, and schedules: http://www.liberty.edu/studentaccounts.

PAYMENT PLANS

The University may offer a student the option of paying remaining balances through a monthly payment plan as an alternative to paying in full. Payment plan options will vary depending upon when Financial Check-In is completed. Payment plans are interest-free and include a non-refundable $45 participation fee. The participation fee is factored into the student’s total balance and is charged for each semester that a student participates in a payment plan. Special payment plans with varying fees may be offered to students with delinquent balances.

Payment plans are scheduled with automatic monthly drafts. The initial payment is due immediately upon acceptance of the payment plan and the remaining installments are automatically processed on the scheduled draft date from the established checking account or debit/credit card.

It is the responsibility of the student to maintain current and valid bank or credit card information on their account. Under the payment plan agreement, the student must ensure that the account has sufficient funds at the time of the scheduled drafts. When using a debit/credit card, the student must check with the bank or credit card company that the daily spending limit can accommodate the draft amount. The bank or credit card account must be from an institution that participates in automatic draft programs.

It is the responsibility of the student to ensure that all financial aid estimates are reflected correctly prior to the processing of the first draft. If charges or payments are added, removed, or adjusted after the payment plan is in place which result in an increase or decrease in the remaining balance, it is the responsibility of the student to review and make any adjustments to the payment plan. Any payment(s) made outside of the payment plan will not prevent the next scheduled draft from being processed. The student may confirm any changes by recompleting FCI. The system will calculate and display the new draft amounts in FCI, and once completed, the FCI receipt page will display the updated draft amount(s). If the student fails to recomplte FCI to confirm the adjusted drafts, the previously confirmed draft amount(s) will be processed and the student is responsible to pay any remaining balance.

While it remains the responsibility of the student to manage adjustments to the payment plan, Liberty University reserves the right to adjust a payment plan down as necessary. The University also reserves the right to cancel/terminate a payment plan for any reason and/or remove a student from a financially checked-in status. The student may be removed from classes, have services suspended, and/or have curriculum access blocked.

FAILED PAYMENT PROCESSING FEE

A student will be charged a non-refundable failed payment processing fee for each returned or declined payment made via check, ACH, debit card automatic draft, and credit card automatic draft. If a student accumulates three or more returned or declined payments within a year, the student may be ineligible to participate in a payment plan.

May be ineligible to participate in a payment plan
May not be able to make online payments via ACH

CHECK CASHING

As a courtesy to currently enrolled students, Cashiering & Treasury Services will cash checks from the student’s personal checking account, their parent’s check, or a Liberty University payroll check.

The maximum amount that may be cashed is $50 per week, and a $1 fee will be assessed for each cashed check. If a check is returned or declined for any reason, the student’s account will be charged the check amount as well as a returned payment fee. The student may lose the privilege of cashing checks with Liberty University after two offenses.

ONLINE CLASS ATTENDANCE

Regular attendance in online courses is expected throughout the length of any courses the student is taking. Online students who do not attend within the first week of a course by submitting an academic assignment (such as the Course Requirements Checklist, an examination, written paper or project, discussion board post, or other academic assignments) will be dropped from the course roster and will not be allowed to submit further course work. The student may appeal to their instructor to remain in the course.

The student is solely responsible for any course work missed due to non-attendance. A student who presents the instructor with an adequate and documented reason for absence may be given an opportunity to make up the work missed.

Students who attend a course by submitting an academic assignment then eventually cease progressing toward the completion of the course will be assigned a grade of FN (Failure for Non-Attendance) during the semester.

HOUSING FEE

An eligible student living in University housing is required to pay the applicable housing fee each semester depending on location and amenities as outlined in the housing policy: www.liberty.edu/index.cfm?PID=15435.

If a student moves into the residence hall, and then withdraws or is allowed to move off campus at any point during the academic year, a portion of the housing fee may be prorated back to the student’s account based on the date that the student removes items...
from the residence hall (see regulations in the Student Affairs section of this publication).

In the Spring semester, if a student does not remove items from the previous semester and withdraws, the student may be charged a prorated amount of the housing fee based on the date of removal of items.

The student must check with the Office of Residence Life if they are considering moving off campus or withdrawing prior to the end of the academic year after completing FCI.

**DINING FEE**

Any student living in University housing is also required to pay the applicable dining fee each semester. The fee covers the selected resident dining plan in the University dining hall. This requirement allows students to focus on academics and extracurricular activities rather than on basic needs such as food and shelter. The required dining plan for students living in University housing promotes healthy living, social engagement, and the residential community experience.

**BOOKS AND SUPPLIES**

Tuition and fees do not cover the cost of all course materials. Costs will vary according to the student’s course of study. The student should purchase any materials that are not covered after registration but prior to the sub-term start date (course activation). Liberty does not guarantee that required course materials will be available after the sub-term start date.

**Resident Students:** Resident students using financial aid or payment plans can pay for books and supplies by requesting a book voucher advance for use at the on-campus bookstore. To estimate the amount needed for the book voucher, contact the Liberty University Campus Bookstore. Students can add funds to a book voucher through Financial Check-In. Any amount added to the voucher that is not covered by the student’s credit (if applicable) must be paid out of pocket. Book Vouchers for resident students may only be used at the Liberty University Campus Bookstore.

The following funds may be used by resident students when purchasing textbooks:

- **Book Vouchers:** students can include funds through (FCI) to be transferred to the book store as a book voucher.
- **Flames Cash:** funds can be applied to a Flames Cash Account and used at the University bookstore as well as other approved participating merchants. Current information can be accessed at [www.liberty.edu/index.cfm?pid=21106](http://www.liberty.edu/index.cfm?pid=21106).

**Online Students:** All online course materials are only available through MBS Direct: [www.mbsdirect.net/liberty](http://www.mbsdirect.net/liberty). Online students using financial aid or payment plans can pay for books and supplies by requesting a book voucher advance for use at MBS Direct. To estimate the amount needed for the book voucher, students should contact MBS Direct. Students can add funds to a book voucher through Financial Check-In, which is transferred to MBS Direct for the student to use. Any amount added to the voucher that is not covered by the student’s credit (if applicable) must be paid out of pocket.

Any online student taking a Resident or Intensive course may need to purchase their books and supplies through the Liberty University Campus Bookstore.

**PERSONAL NEEDS**

Laundry, cleaning, spending money, items related to personal grooming, towels, sheets, pillow, off-campus transportation, etc., vary by individual and are the student’s responsibility.

**COURSE, ONLINE CONTENT, AND MATERIAL FEES**

The student is responsible for paying applicable course fees, online content fees (including eBook fees), material fees, and fees charged for special elective-type courses by organizations other than the University. A list of these fees is published on the Registrar’s webpage ([www.Liberty.edu/registrar](http://www.Liberty.edu/registrar)). Online students who attend an intensive course may be charged a $25 intensive fee per intensive.

**ACTIVITY FEE**

All resident students are required to pay an activity fee each semester (Fall and Spring). This fee provides access to Liberty University activities, admission to athletic events, access to the LaHaye Student Union recreational facilities, and helps to offset the cost of other resources dedicated to student activities. Regardless of residence status, all students are subject to this fee. This fee is not pro-rated for part-time students.

**HEALTH FEE**

All residential students are required to pay a health fee each semester (Fall and Spring). Services covered by the health fee can be reviewed at this link: [www.Lustudenthealth.com/services.html](http://www.Lustudenthealth.com/services.html). This fee is not pro-rated for part-time students. Liberty University requires students to be immunized according to the Centers for Disease Control and Prevention guidelines before classes begin each semester. Students who do not submit documentation of immunizations and medical history will have a health records late fee added to their student account.

**ON-CAMPUS INTENSIVE FEE**

Students who attend an intensive course on campus may be charged an activity course fee. If a student has already paid the semester activity fee, in which the intensive is taken, an additional activity fee will not be charged.

**OFF-CAMPUS INTENSIVE PACKAGE FEE**

The student will be assessed the regular tuition cost per credit hour as well as an intensive fee of $799.00 (off-campus intensive package fee). Financial aid can be applied to this fee, allowing minimized out-of-pocket expenses. GRADUATION APPLICATION FEE

A $100 graduation application fee is automatically assessed when the application is processed, not upon degree conferral. This non-refundable fee is not contingent on the student’s attendance at graduation events or activities.

CERTIFICATE COMPLETION APPLICATION FEE
A certificate completion application fee is automatically assessed by Registrar near the time of the Certificate Completion Application, not certificate conferral. This is a non-refundable fee.

FLAMES PASS
The Flames Pass is the official Liberty University ID card. The card can be used for meal plans, Flames Cash, campus events and recreation, authorized building entry, student discounts, and other activities and services. Once Financial Check-In is completed, the student may obtain a Flames Pass by submitting a photo online or visiting the ID & Campus Services Office. In the event the card is lost or damaged, the student will incur a $25 replacement fee.

FLAMES CASH
Flames Cash is the declining balance account accessed through the Flames Pass. Funds added via FCI are available approximately six weeks prior to the start of a term. Funds added online and in-person are available immediately. These funds are accepted at participating on and off-campus merchants. Flames Cash provides a convenient and secure way to carry money with no account fees, rolls over from year to year, and can be easily added and managed online.

BANKMOBILE
BankMobile is the University’s refund management third-party servicer that disburses refunds, per diems, and stipends for the University. Upon completing FCI, new students are mailed a welcome packet containing a personal code from BankMobile. Using the code, students are able to choose one of three options to receive a refund.

Additional Information
Additional information about the Flames Pass, Flames Cash, and BankMobile can be found online at www.Liberty.edu/CampusServices.

WITHDRAWAL FEE
A $50 fee will be charged for the processing of an official, unofficial, or administrative withdrawal, or ceasing attendance from the University.

FEE APPEAL POLICY
Students may appeal a Late Financial Check-In Fee, returned payment fee, or activity fee (the appeal of an activity fee is only applicable to resident students) by submitting a written appeal online to the Student Accounts Office within 30 business days of the billing/notification. The student may fill out the fee appeal form at www.liberty.edu/index.cfm?PID=20659 and must attach all supporting documentation. The student will receive a response within 30 days of receipt of the appeal.

If a student would like to appeal any other charge, they may submit a written appeal to the department that assessed the charge.

REFUND POLICY FOR ENROLLED STUDENTS
Enrolled qualified students can receive a refund from their student account once all obligations have been met and a credit balance remains.

FCI provides students with two credit-management options through the Authorizations page of FCI.

- By selecting "Hold my credit" a student authorizes Liberty University to hold a Title IV credit balance for a future term.
- By selecting "Refund my credit" a student authorizes Liberty University to release a Title IV refund to the student (in all cases except Parent PLUS loan refunds).

Credit from Title IV must be refunded via a student's selected refund preference. At the end of each academic year, all Title IV (Federal Grants and Federal Loans) credit balances must be refunded or returned to the U.S. Department of Education in the case of federal student loans. Credit balances will ONLY be refunded to the student.

Refunds will be released from the University and then disbursed by BankMobile. The student must select a refund preference according to instructions provided with the BankMobile welcome packet. Once a refund has been received by BankMobile, the funds will be made available for the student to access through the following options:

- Deposit to another bank account.
- Deposit to a BankMobile Vibe Account
- Paper check.

Title IV Refunds
(Federal Subsidized Loan, Federal Unsubsidized Loan, Federal Parent PLUS loan, Federal Pell Grant, FSEOG, etc.)

Within the FCI process, students authorize the handling of a credit balance on their student account. The funds may be held throughout the academic year and apply to any account balance, or students can authorize the credit balance to be refunded.

Liberty University encourages students to only borrow the minimum amount of loans to cover direct charges. Students who wish to reduce their loans to eliminate a credit balance to refund may do so by completing a Loan Change Form in ASIST.

Title IV aid, in addition to institutional and State aid, is disbursed 21 days after the student becomes eligible. Title IV refunds begin processing on day 25, but all are processed within 14 days from when aid is disbursed in accordance with federal regulations.

Credits from Parent PLUS will be refunded to the loan applicant in the form of a check, unless written authorization is submitted to the Financial Aid Office stating that the refund may be sent to the student.

For more information about disbursements, visit the Student Financial Services homepage under the Disbursement Process link for more information at http://www.liberty.edu/financeadmin/financialaid/index.cfm?PID=294.
**Refunds Unrelated to Title IV Aid**

For credit balances not made up of federal aid, the student may submit a refund request to the Student Accounts Office. A refund from credit or debit card payments will be refunded back to the original payment card. Written requests must be sent to:

- Resident Students: studentrefunds@liberty.edu
- Online Students: luorefunds@liberty.edu

**OFFICIAL WITHDRAWAL POLICY FOR RESIDENT STUDENTS**

Liberty University is committed to the success of every student and will work with each student to determine the best way to handle any financial and/or academic challenges. Withdrawals from Liberty University fall under different categories: academic, administrative, medical or personal.

**PLEASE NOTE:** Resident students who must withdraw due to military deployment are required to meet with the Student Advocate Office with a copy of their orders. They will then be referred to the Military Affairs Office.

- **Resident Student:**
  - Withdrawing from individual courses while maintaining enrollment in others, does not constitute a total withdrawal.
  - Students requesting to withdraw from courses during the semester must submit a Withdrawal Form to the Registrar. Generally, the withdrawal date will be the date the student submitted the form to the Registrar.
  - No refund will be issued for resident students withdrawing from individual courses, and all billing hours will remain on the student’s account.

- **Intensives & Summer School**
  - A resident student who withdraws from an on-campus intensive or summer course will be assigned a grade of “W” for that class and will be responsible for all tuition and fees. If the student withdraws due to documented medical reasons, a proration of fees may be granted. For more information please visit www.liberty.edu/index.cfm?PID=25048.

**UNOFFICIAL WITHDRAWAL**

The University has established a procedure, in accordance with Title IV regulations, to determine if students enrolled in the courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether or not a student who began a course, and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun, yet cease to submit any academic assignments (such as an examination, written paper or project, discussion board post, or other academic event) during the enrollment period, will be assigned grades of FN. Students receiving all FN’s in a semester will be processed as an unofficial withdrawal. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed and the student will be reported as withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation. The student will be responsible for any remaining account balance.

**MEDICAL WITHDRAWAL POLICY**

This applies to resident students only and only for medical conditions documented by a licensed physician. Tuition, housing fee (if applicable), and some fees may be prorated according to the date of withdrawal. The student is responsible for 100% of non-refundable fees.

**OFFICIAL WITHDRAWAL POLICY FOR ONLINE STUDENTS**

Liberty University is committed to the success of every student and will work with each student to determine the best way to handle any financial and/or academic challenges. The online withdrawal categories are: administrative, military, official, and unofficial.

**ADMINISTRATIVE WITHDRAWAL**

An expulsion resulting from violation of the disciplinary system or any other valid reason initiated by the University which is approved by an authorized University administrator will result in an administrative withdrawal. Grades of “W” will be recorded in all courses for which the student is registered.

**MILITARY WITHDRAWAL**

Online students who must withdraw due to military duties are required to send a copy of their orders and other supporting documentation to the Military Affairs Office. Military Affairs will then review to determine if the student is eligible for an official military withdrawal. Additional information regarding military withdrawals can be found online at www.liberty.edu/index.cfm?PID=26971.

**OFFICIAL WITHDRAWAL**

Students must complete and submit the Intent to Withdraw Form to Academic Advising to initiate the official withdrawal process. Advising will begin processing the form when it is received according to University procedures. Generally, the official withdrawal date is the date that Advising receives the Intent to Withdraw Form.

A total withdrawal is when a student ceases all active enrollment in a semester. A partial withdrawal is when a student withdraws from the individual course(s), but has active enrollment remaining in the semester of the withdrawal.

If a student withdraws from a sub-term and is registered for course(s) in the future sub-term(s) during the semester of the withdrawal, the student must submit a letter of intent in order to remain in the future courses. If a letter of intent is not submitted with the withdrawal, the student will be automatically dropped from the future sub-terms, resulting in a total withdrawal from the semester.

**UNOFFICIAL WITHDRAWAL**

The University has established a procedure in accordance with Title IV regulations, to determine if students enrolled in online courses are progressing toward the completion of their courses. The Title IV regulations require universities to have a mechanism in place for determining whether or not a student who begins a course, and received or could have received a disbursement of Title IV funds, unofficially withdrew.

Students who have begun, yet cease to submit academic assignments (such as an examination, written paper or project, discussion board post, or other academic assignments) during the enrollment period, will be assigned the grade of FN. If a student receives the grade of FN for all courses in a semester and ceases attendance, an unofficial withdrawal will be processed for that semester. The withdrawal date is the last date an academic assignment was submitted during the enrollment period. A Title IV withdrawal calculation will be performed based on the withdrawal date and the student will be reported as withdrawn. Students will be notified by the Financial Aid Office regarding the results of the Title IV withdrawal calculation.
WITHDRAWAL REFUND POLICY

Resident students are considered withdrawn from the University if they withdraw from all courses for the semester.

- Any resident student who withdraws from the University and completes the official withdrawal procedure may receive a refund of tuition and some fees as follows:

Withdrawal will result in the proration of all loans and scholarships based on the total number of days of attendance. Please be aware that having enough financial aid to cover charges at the beginning of the semester does not ensure that financial aid will completely cover charges at the time of withdrawal.

College of Osteopathic Medicine students should review their withdrawal refund policy:

Online students: Once a withdrawal is processed, the student will need to contact Student Accounts to receive further details about their individual refund.

Students who unofficially withdraw as outlined in the Withdrawal Policy will be charged for full tuition and fees as it applies and will be responsible for any outstanding balance on his or her account. Any student who completes the official withdrawal procedure may receive a refund of tuition according to the schedule below. In the event of a total withdrawal, some fees may be prorated.

Financial Aid Information and Policies

Robert Ritz, B.S., M.Ed., Ph.D.
Senior Vice President of Student Financial Services

The Financial Aid Office administers the financial aid programs for the University and provides financial assistance to students who have a financial need and would otherwise be unable to attend Liberty University. Primarily the student is responsible for the cost of higher education. A student who needs financial assistance is expected to contribute by working or borrowing a reasonable portion of the funds needed for educational expenses.

Financial aid is available to eligible students to help meet education-related expenses. The types of financial aid available include grants, scholarships, employment, loans, and external aid sources. Grants and scholarships are “gift aid” and do not need to be repaid. Employment offered as a type of financial aid is paid at a pre-determined rate for work actually performed. Loans must be repaid to the lender based on the terms of the signed master promissory note and agreed repayment plan, typically after the student leaves school. The Financial Aid Office processes several different forms of external aid for both Online and Residential students. The Financial Aid Office does not approve or deny any form of external aid, but will process what has already been approved by a donor or funding entity.

All applicants for financial aid are required to:
1. Apply for admission to the University;
2. Be degree candidates. Student auditors, dually enrolled high school students and special non-degree students are not eligible for federal financial aid; and
3. Complete, electronically sign, and submit a Free Application for Federal Student Aid (FAFSA) with the U.S. Department of Education (ED) by the priority deadline date of January 15th each year in which financial aid is desired. Students are urged to apply early for optimum financial aid benefits. Complete the FAFSA on the web at https://fafsa.ed.gov. The school code for Liberty University must be entered on the FAFSA for the institution to receive a Student Aid Report. The school code for Liberty University is 010392. Applicants should use their I.R.S Tax Return or Tax Return Transcript to input the requested income information. If needed, a copy of the Tax Return Transcript can be obtained by going to https://www.irs.gov and selecting “Get a Tax Transcript” under Tools. Lastly, select “Get Transcript Online.”

For new students entering in the Spring semester, the priority deadline date to file the FAFSA is by October 1.
4. Complete verification when required.

Once the completed FAFSA is received by ED, information provided by the student on the FAFSA is used to produce a Student Aid Report (SAR). The SAR calculates the Expected Family Contribution (EFC), which is used to determine the student’s financial need.

The student’s financial need is the difference between the Cost of Attendance and the EFC. The Cost of Attendance may include the educational expenses of:
- Tuition;
- Room and board (for students living on and off campus);
- Required fees;
- Books and supplies;
- Transportation; and
- Miscellaneous expenses.

The amounts for these six educational expenses are the student’s estimated Cost of Attendance at Liberty University, and they become the student’s budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students living in campus housing) are provided on the student’s University bill.

Financial aid recipients are selected on the basis of demonstrated financial need, academic achievement, and other merits. Most financial aid awards are based on full time enrollment, which is a minimum of 12 credit hours for an undergraduate student per semester. Please note that normally 15 hours per semester is required to complete a 120 credit hour bachelor’s degree within four years. Each financial aid recipient is issued an Award Notification Letter, which is the University’s official estimate of financial aid. Award Notification Letters are emailed to the student’s Liberty email account. It is the student’s responsibility to review the award letter and notify the Financial Aid Office of any additional aid being received and of any desired reduction or cancellation of the aid offered. Students who want to reduce or decline federal loans that are awarded automatically to eligible students can complete a Federal Direct Student Loan Change Form in ASIST.

In order for a Liberty University student to continue to receive institutional or federal student aid, the student must maintain Financial Aid Satisfactory Academic Progress. The link to Liberty University’s policy for determining satisfactory academic progress is listed below.

For more information on financial aid, visit the Financial Aid Office located in the Student Service Center at Green Hall or on the Internet at http://www.liberty.edu/financeadmin/financialaid/index.cfm?PID=2

Financial Aid Satisfactory Academic Progress Policy (SAP)

This policy describes the Financial Aid Satisfactory Academic Progress requirements and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130##/policy/381.

Financial Aid Withdrawal Policy

When students cease attendance in all classes in a given semester, they will be subject to a proration of all federal, state, and institutional aid. This proration takes into account the total number of days that the student was enrolled. Dropping a course which reduces the number of sub-terms for which a student is enrolled will result in a recalculation of all components that make up the cost of attendance. Lastly, if a student registers full-time and subsequently withdraws from one or more courses which results in his or her remaining enrollment changing from full-time to part-time, the student will be charged the part-time tuition rate for the remaining courses in that semester. If the new tuition rate results in a balance, the student is responsible for paying this balance.
The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#/policy/383.

Financial Aid Repeat Policy

Federal regulations limit the amount of federal aid that can be used when repeating a course that has previously been passed with any grade higher than an “F”.

The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#/policy/318.

Financial Aid Disbursement Policy

Disbursing aid is the process in which the school pays funds directly to the student's school account from either internal or external aid sources, which is different from a refund. Financial aid is disbursed 21 days following a student’s active half-time enrollment.

Additional information regarding how disbursements work, including examples, can be found at http://www.liberty.edu/index.cfm?PID=15247.

FEDERAL TEACH GRANT SUMMARY

The Federal TEACH grant program is the first federal grant program that requires a service agreement and has the potential of converting to an unsubsidized loan with compounded interest from the original awarding date. The full policy and statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130#/policy/88.

FEDERAL STUDENT LOANS

Federal Student Loans are low interest loans available to students who are enrolled at least halftime. Graduate students may be eligible for unsubsidized loan funds in which the student pays the interest. The student has the option to capitalize the interest (add it to the principle) while in school or making payments on the interest while in school. Repayment begins six (6) months after students graduate, withdraw, break enrollment, or drop below half-time status. We encourage all borrowers to only borrow what is needed to cover educational expenses. Additional information regarding the Federal Direct Student loans can be found at http://www.liberty.edu/index.cfm?PID=20361 and https://www.liberty.edu/index.cfm?PID=23344#studentloans.
FEDERAL GRADUATE PLUS LOAN
A federal loan program, the Federal Graduate PLUS Loan is a federally backed student loan, guaranteed by the U.S. Department of Education. The Federal Graduate PLUS Loan is a credit based loan, unlike the Federal Direct Student Loans and requires a student to be enrolled at least half-time. Additionally, the Graduate PLUS Loan can cover educational expenses up to the cost of attendance, less other financial aid. We encourage all borrowers to only borrow what is needed to cover educational expenses. Additional information regarding the Federal Direct PLUS loans can be found at http://www.liberty.edu/index.cfm?PID=20361 and https://www.liberty.edu/index.cfm?PID=23344/#studentloans.

FEDERAL WORK STUDY (FWS)
The Federal Work Study program provides employment opportunities for students who have a demonstrated financial need based on the FAfSA. Students are paid on an hourly basis; pay will be at least the current federal minimum wage. The total amount of aid a student receives from both federal and non-federal sources cannot exceed financial need. The $4,000 Federal Work Study funds cannot be applied toward initial Financial Check-In. The full policy statement and procedures are published in the Policy Directory online at https://www.liberty.edu/administration/institutionaleffectiveness/index.cfm?PID=30130/policy/106.

Center for Research & Scholarship

Elisa Rollins, MLIS
Assistant Vice Provost for Quality Enhancement of Undergraduate Education

PURPOSE
The Center for Research & Scholarship/CRS provides administrative coordination and resources to develop new and support ongoing curricular and co-curricular research initiatives at Liberty University, which includes administration of the Quality Enhancement Plan (QEP).

Quality Enhancement Plan
The Quality Enhancement Plan (QEP) is a course of action developed and implemented by the University every five years to enhance student learning and to fulfill a reaccreditation requirement from the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

IMPROVES STUDENT LEARNING
The QEP is grounded in Liberty University’s mission and purpose, which emphasizes the importance of helping students to develop knowledge, skills, and behaviors to impact their workplaces, their communities, and the world in accordance with their Christian faith and worldview. This emphasis includes assisting undergraduate students in developing competence in scholarship, research, and communication, as well as in the related skill sets of critical thinking and information literacy.

The QEP focus on research and scholarship also aligns with the 2014-2017 strategic plan. The six themes for the Strategic Plan indicate the main goals for Liberty University. Two of these themes are directly related to the QEP initiative.

Advancing Academic Reputation
- The efforts a university makes to increase the quality of curriculum, instruction, academic scholarship, and research. This results in higher levels of learning and academic achievement among current students and alumni, which is widely recognized by the community, prospective employers, benchmark institutions, and pertinent stakeholders. This is the foundation for developing and promoting the university as a top educational brand.

Capitalizing on Human Potential
- The efforts a university makes to recruit highly qualified and innovative personnel and provide them with opportunities to achieve their full potential through training and professional development. Employees are encouraged to utilize their skills to the best of their ability by providing them with a safe and secure work environment. This utilization will provide opportunities for these individuals to fulfill their own mission in life.

Making an intentional effort to establish an exemplary academic curriculum and optimize human capital through hiring and training faculty to equip students for academic and professional success are deliberate themes in the strategic plan. These themes build upon the founder’s vision for the University to become a distinguished institution. Locating research within the curriculum, as the QEP proposes, builds on the University’s historic strengths, ideological and philosophical commitments, and evangelical mission in the areas of teaching and learning, while also enabling the University to improve its productivity level and public reputation in the areas of research and scholarship.

Demonstrating Liberty's commitment to improve the quality of education for all our students, we have initiated a Quality Enhancement Plan (QEP). Our plan, entitled, "Illuminate: Cultivating a Community of Research," is a targeted course of action that promotes learning among the undergraduate residential students of our student body. The QEP is a central requirement for Liberty’s reaffirmation with the Southern Association of Colleges and Schools Commission on Colleges (SACS).

The QEP primarily focuses on improving student learning through research and scholarship. Through this plan, undergraduate residential students will benefit by developing as researchers and practitioners in their fields of study.

All horses get daily turnout in 18 pastures, each from 5 to 10 hilly acres with automatic waterers and loafing sheds. There are miles of trails for boarders to ride on the mountain, in addition to the two brand new riding arenas. The 120’ x 300’ outdoor ring has lights and an automatic water cannon watering system. LIBERTY MOUNTAIN SNOWFLEX CENTRE
Ryan Leeds
General Manager

Liberty Mountain Snowflex® Centre, located off Candler’s Mountain Road, consists of two main distinct ski runs. This includes a beginner slope, intermediate slope, advanced slope, terrain park, a 260-foot tubing run, a trampoline and a 50 x 50 ft. Airbag for air awareness training. The 550-foot terrain run has three jumps with a quarter pipe at the bottom, and a 550-foot ski slope with multiple rail features for all levels.

The ski lodge is an 8,000 square foot facility at the base of the ski runs. This building houses the ticket office, ski school, event scheduling, and rental area on the first floor with a seating and concession area on the second floor with a full view of the ski slope, amazing view of the campus and the Blue Ridge Mountains. The Snowflex Centre is a great venue for birthday parties, business meetings, classes, and events. It hosts multiple ski and snowboard summer camps along with fun activities all summer long. The Liberty Mountain Snowflex Centre is open all year round for Liberty University students and public access.

SKATE PARK
The Liberty Mountain Skate Park is located in the Candler’s Mountain Shopping Center. The Skate Park is an indoor facility which allows students and the community to skate board, BMX, or inline skate all year round. The Park has various features for beginners through advanced, such as: three mini ramps, quarter pipe, hubba box, hand rails, foam pit, and a bowl.

Outdoor Facilities

SAND VOLLEYBALL COMPLEX

Consisting of eight courts, which were completed in two phases, this facility is a premiere venue in the area. Lights provide the opportunity for evening play. The complex is the home for Liberty’s men’s and women’s Beach Volleyball Teams and coed intramural sports leagues. It is also available for pick up play for the Liberty University students.

EAST CAMPUS ATHLETIC COMPLEX
The East Campus Athletics Complex was completed in August 2011. Two fields are surfaced with an in-filled synthetic turf that is the home of men’s and women’s lacrosse teams. A third astroturf field is the home of the women’s field hockey team. All three fields are used for intramural sports play that includes soccer, flag football and ultimate Frisbee. A fieldhouse with offices, team rooms and locker rooms is also located at the complex.

LIBERTY MOUNTAIN ATV PROGRAM
Nestled in Liberty University’s Hydaway Outdoor Recreation Center property, a ¼ mile-long wooded loop offers a variety of features for ATV’s.

To complement the ATV trail system, the University has purchased several ATV’s for student use free of charge. To use the University-owned ATV’s and track, students must enroll and pass an ATV safety course.

LIBERTY MOUNTAIN INTRAMURAL SPORTS COMPLEX
This recreational facility was completed on East Campus in fall 2012. It consists of four distinct areas. A 220,000 square foot, multi-purpose turf area is the home to flag football, softball and ultimate Frisbee. A natural grass, recreational softball field sits next to the turf area. Due to the enormous popularity of the sand volleyball courts built in spring semester 2012, four additional courts were added to make a total of eight courts at Liberty University.

Also part of the complex is a sand training area known as “The Patch,” a large sand pit and training course similar to those used by Navy SEALs at the Naval Special Warfare Center in Coronado, CA. It allows individuals to utilize a “functional” training method, using body weight instead of free weights as resistance. The Patch offers not only functional strength training but also jump training, sand pit training, balance, stabilization training, and core training. The individual is able to develop many planes of training that is not possible in any other standardized workout method. For the student looking for a total body workout, the Patch is the perfect training facility.

IVY LAKE
Ivy Lake, located about 25 minutes from Liberty’s campus in Forest, VA, spans 112 acres with a 6,000 square foot beach. It is available for a variety of activities for Liberty University students, faculty and staff. This is a great spot for fishing, canoeing, or just having a picnic with friends.

PAINTBALL FIELDS
Liberty University’s Paintball Team has a premiere facility to prepare for and host competitions. The paintball complex consists of two fields with a retractable netting system made with a protective mesh. Students may watch the team behind the safety of the netting during practices. These fields are open for intramurals, special events, and recruitment events.

DISC GOLF COURSE
The Disc Golf Course is located on the mountain near the Hydaway Outdoor Recreation in conjunction with the Liberty Trail System, and serves as the home of the Liberty Flames Disc Golf Team. Disc golf is similar to traditional golf in that players tee off and attempt to reach a particular hole in the fewest number of strokes. Unlike normal golf, however, players throw discs, and the “holes” are actually elevated baskets made of metal. The 27-hole course includes tee pads for beginners and experts alike.
Usage will vary from intramural sports leagues, to open recreational play among students.

**3-D ARCHERY RANGE**

Located on Liberty Mountain, is a 3-D Archery Range nestled in 10 acres for the Liberty Flames Archery Team. The range consists of 20 life-like animal targets as well as several practice bag targets. In order to qualify as a potential state qualifier site, the range is setup to comply with Archery Shooters Association (ASA) standards. The Archery Team has access to shoot and hold tournaments on the 3-D Archery Range.

**HUNTING ON LIBERTY MOUNTAIN**

Students have the opportunity to bow hunt on Liberty’s Lone Jack Mountain property through memberships at the Hydaway Outdoor Recreation Center bow hunting program. In order to qualify you must provide proof of a Virginia resident hunting license, and pass a safety class/proficiency test. Students who meet these requirements will be permitted to bow hunt during the fall and spring seasons on Liberty’s Lone Jack Mountain.

**Club Sports**

All Club Sport teams are overseen and administered by the Club Sports department. Each team has a designated coach who is responsible for all team management. These teams provide the opportunity for students to compete against other colleges and universities with the same interests.

Our mission is to develop successful teams by providing administrative structure and financial support to enrich student’s collegiate experience through athletic competition and academic integration.

Information on club sports offerings is available at [http://www.liberty.edu/campusrec/clubsports/](http://www.liberty.edu/campusrec/clubsports/).

*Director of Intramural Sports*

The University believes that sports, both inter-collegiate and intramural, have definite educational value, and that few other agencies offer so much that is potentially good for character building in American youth.

Intramural Sports are organized recreational sports leagues that allow students at Liberty to participate in a variety of team and individual sports. Competition exists, but the real focus of intramural sports is health and exercise, social interaction, stress reduction, sportsmanship, and teamwork.

During the fall and spring semester, a program of competitive intramural sports is sponsored that opens the way for wide participation on the part of both men and women. Information on intramural sports is available at [http://www.liberty.edu/ims](http://www.liberty.edu/ims).

CHEERLEADING
Jordan Ballard, Head Coach

Mission and Philosophy
The mission of the Liberty University cheerleading squad is first to glorify the Lord Jesus Christ in everything, including and especially through cheerleading. Second, Liberty University cheerleaders are ambassadors for the university who are to reflect the spiritual, academic, social, emotional and physical values and expectations of the university. Third, the Liberty University cheerleading squad is to provide positive support for athletics teams, to serve at various university and community events, and to participate in fundraising activities to support the program. In participating in these activities and events, the cheerleaders will work to improve recognition and loyalty to Liberty University, promote student and fan morale and excitement, and develop and promote the Liberty University cheerleading squad. The team verses are Colossians 3:23-24: “Whatever you do, work at it with all your heart, as working for the Lord - It is the Lord Christ you are serving.” This passage reflects the standard of excellence for which Liberty University cheerleaders strive in their service to the Lord Jesus Christ.

Program Structure and Basic Information

**University Services**

**Liberty University Police Department**

Col. Richard D. Hinkley, B.S.
Chief of Police

Liberty University Police Department (LUPD), located in the southwest corner of Green Hall, provides 24/7/365 full service protection by Police and Emergency Services personnel to all properties owned and/or controlled by the University. Liberty University Police Officers are duly sworn with full law enforcement powers and responsibilities, similar employees of a local police department or sheriff’s office. The officers are trained at Central Virginia Criminal Justice Academy and receive additional in-service and specialized training in first aid, firearms, defensive tactics, legal updates, human relations, sensitivity issues and criminal investigations.

University Police share concurrent jurisdiction with the Lynchburg Police Department for properties owned or controlled by the University and other properties agreed upon. University Police offer assistance to the city Police when requested. University Police Officers are responsible for the full range of public safety services, including, but not limited to, all crime reports, investigations, medical emergencies, traffic accidents, enforcement of laws about underage drinking, controlled substances, firearms and other weapons and all other incidents requiring police assistance. In an effort to assist in combating crime, University Police share information on arrests and serious crimes with all surrounding police agencies.

LUPD can be contacted by phone at (434) 592-7641 (non-emergencies) or (434) 592-3911 (emergencies). Additional information is available online at [http://www.liberty.edu/lupd](http://www.liberty.edu/lupd).

**PUBLIC SAFETY SERVICES**

LUPD provides several service-oriented functions to the University community consisting of more than 20,000 students, faculty, staff and visitors on campus during any given day. Officers are equipped with two-way radios as they patrol campus in marked and unmarked vehicles. University Police responsibilities range from responding to medical and fire emergencies, conducting criminal investigations to facilitating an on-campus safe ride program during hours when the campus transit system is not in service.

LUPD works in conjunction with LU Student Affairs to facilitate Operation Identification. This is a nationally recognized identification system in which students engrave an identification number on personal property items kept on campus, such as bicycles, computers, radios, stereo systems, etc. Operation Identification has been proven effective in the recovery of stolen items and is offered at no cost to the student.

LUPD provides, upon appointment and a nominal fee, Fingerprinting Services for Liberty University students, employees and their families for a small fee.

LUPD is proud to offer classes in firearms, range safety and NRA’s “Refuse to be a Victim” to students, employees and their families free of charge.

Extensive efforts are made to create a campus environment that fosters personal safety, property security, and learning for all members of the University community. Always remember “if you see something, say something”, reporting anything that looks out of the ordinary or suspicious to LUPD immediately.

**EMERGENCY NOTIFICATION SYSTEM**

In conjunction with AtHoc, Liberty University has implemented the Campus Alerting System. This system allows all University constituents to receive notification when an emergency situation occurs on campus. Office of Disability Academic Support (ODAS)
Mr. Denny McHaney, B.S., M.Ed.
Director, Office of Disability Academic Support
Associate Professor of Education

The Office of Disability Academic Support was created to coordinate academic support services for Liberty University students who have documented disabilities.

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability against students in institutions of higher education. Section 504 mandates “reasonable” accommodations to provide equal program access to all students with disabilities. Faculty must provide accommodations that meet the special needs of each student with a disability.

The University has an obligation to make reasonable accommodations in policies, practices or procedures when accommodations are needed to prevent discrimination on the basis of disability unless making the accommodations would fundamentally alter the nature of the service, program or activity, or would result in undue financial and administrative burdens.

A student who requests accommodations is required to sign a request form each semester giving Disability Support Advisors permission to send the requests for accommodations. Then each
student is instructed to individually seek a private meeting with professors to discuss any accommodations that may be necessary. Professors only need to arrange for those accommodations which have been identified.

Students with documented disabilities may be eligible for some of the following services:

- Extended time for testing
- Testing in a quiet environment
- Note-taking help
- Priority pre-registration
- Interpreters
- Assistive technology lab
  - JAWS for Windows – screen reading software for the visually impaired
  - Kurzweil 3000 – scanning and reading software for students with reading disabilities
  - Dragon Naturally Speaking – speech recognition software which can turn speech into print
  - CCTV – magnification hardware for the visually impaired

Academic Advising
Jeff Lenington, B.S., M.B.A.
Director of Academic Advising

Each student has access to professional Academic Advisors who will assist the student with choosing and scheduling courses. Academic Advisors are available to answer any questions the student may have or to help solve unexpected problems. In addition, every course is managed by a faculty member who is available to answer course-related and academic questions.

New students will need to contact an Admissions Specialist who will guide students in course selection for the first semester and assist in all other preparations until the first day of class. On the first day of the first sub-term in which students are enrolled, all questions concerning academic issues should be directed to the Academic Advising Department. Students are encouraged to contact the Academic Advising Department for help with any school-related problems they may encounter during the academic year.

Online services include Webmail and ASIST (Automated Student Information Services Tool). Webmail serves as the primary means of communication between the University and the student. Students are each assigned a personal webmail account, which they are advised to check on a weekly basis.

Using ASIST, students may register and drop courses, access and update their personal information, view their account balances, make online payments, view individual test and final course grades, email professors, view and calculate GPA, and apply for financial aid.

Approximately sixty-percent of all interns receive a full-time job offer. Students may earn from one to six (in some cases nine) semester hours of credit. Many majors require at least three credits. All applicants for credit internships, which are listed in the University’s Catalog, are processed through the student’s academic department Faculty Internship Advisor (FIA). Contact your department to identify your FIA.

The Career Center also provides a special internship opportunity through the Washington Fellowship (WF). This program allows students to live and work in Washington D.C. where they are placed in internships relevant to their career or academic interests. Students in the WF earn six credits of internship while taking six online credits. Additional leadership and professional development training are also available to participants.

IMPORTANT INFORMATION REGARDING LICENSURE-BASED DEGREE PROGRAMS, INTERNSHIPS AND CLINICAL PLACEMENTS
Students who are pursuing degrees leading to application for professional licensure or certification, and/or who will be participating in clinical placements, internships, or practica through their Liberty University program should be aware that a criminal background check, finger printing, or drug screening may be required by Liberty University and/or the host facility.

Internships, Practica, and Clinical Placements
In such situations, each student is responsible for obtaining and paying for the background check or other screening process and for delivering required documentation to the facility. Although the university will make reasonable efforts to place admitted students in field experiences and internship, it will be up to the FIA to determine whether a student will be allowed to work at that facility.

Licensure-Based Degree Programs
Students in licensure-based degree programs are responsible for understanding the requirements of the program by becoming thoroughly familiar with the Degree Completion Plan (DCP) and the academic school’s web page that outlines degree requirements.

Students should further be aware that a criminal record may jeopardize licensure by the State certification body. Students
seeking licensure are urged to contact the relevant licensing agency to determine the licensing requirements for the jurisdiction. Successful completion of a program of study at Liberty University does not guarantee licensure, certification, or employment in the relevant occupation.

OVERVIEW
A collection of approximately 70,000 highly used and recently published titles is available for browsing. The majority of the collection is housed in an automated storage and retrieval system allowing the library to conserve space for student use. With over 30 group study rooms, 7 learning commons, outside terraces, and a spacious atrium, the library has spaces to support the needs of all students. During the academic term, the library is open daily for Liberty University and surrounding communities.

INSTRUCTIONAL RESOURCES
The Jerry Falwell Library has innovative technology, including an active learning classroom where classes are offered in finding and using information. It also features perceptive pixel tables, collaborative technologies for group study, a media wall and self-serve kiosks.

The computing resources within the library consist of over 160 computers housed in a computer learning commons and stand-up stations throughout the facility. With the exception of machines reserved for library catalog searching, library computers have a variety of software titles available for student use, including Microsoft® Office, Adobe® Creative® Suite, Mathematica, and SPSS. All library computers have a high-speed connection to the Internet. In addition, wireless network signal is available throughout the facility, allowing laptop computer and mobile device users to access the full array of network resources.

COLLECTIONS
The library is an integral part of the educational process, providing digital and traditional information resources to support the University curricula and mission. The Jerry Falwell Library collects and organizes resources across a wide range of formats, including books, periodicals, media, musical scores, curricula, and archival materials. Its physical collections consist of approximately 400,000 volume equivalents and approximately 600 current print periodical subscriptions.

The Jerry Falwell Library continues aggressively collecting resources to support both residential and online students equally. Digital information resources provided by the library include over 500,000 electronic items and content from more than 80,000 unique full-text journals. The library provides access to more than 550 online research resources from companies such as Alexander Street Press, American Psychological Association, EBSCO, Elsevier, Emerald, Gale, JSTOR, LexisNexis, ProQuest, SAGE, Standard and Poor’s, and Wiley. A large majority of these print and electronic resources are available by searching a single discovery tool, Summon. Resources can be accessed directly from this discovery tool or users are able to make a request for materials to be purchased which are not currently owned by our library.

Students and faculty can request to borrow materials from libraries across the United States through the interlibrary loan service. Books and media borrowed from local and in-state libraries are often available in less than three days. Copies of periodical articles are typically delivered in digital form, often within two days or less.

The Jerry Falwell Library bears responsibility for collecting and providing access to academic publications and historical records created by members of the Liberty University community through its online repository known as the Digital Commons. Physical resources related to the history of the institution are kept in the Archives department.

PURPOSE
The Jerry Falwell Library is the focal point of academic life at Liberty University. Strategically located in the center of campus, the library supports teaching, learning, and research by providing information, resources, spaces, and related services for the Liberty University community.
The Curriculum Library supports the School of Education at Liberty University by providing access to a variety of instructional resources. Offerings include teacher-edition textbooks and teaching materials for pre-school through grade twelve, including teaching English as a second language, as well as standardized educational assessments. Educational games, manipulatives, and models enhance the collection.

An extensive selection of juvenile titles provides reinforcement for classes in Children’s Literature and Adolescent Literature in addition to classes in curriculum development. Materials related to educational theory and research are found in the main collection of the Jerry Falwell Library.

The Jerry Falwell Library services are organized and provided through a highly qualified faculty and staff. A broad range of support is provided to help students and faculty use information resources and technology effectively. These services include classroom-based instruction, topic-specific workshops, personalized research assistance, and software support. The Customer Service Center on the main floor of the library serves as a starting point for help with borrowing services, research questions, and computer assistance.

The Jerry Falwell Library provides many services and resources to students in the Liberty University Online programs. Online students can access virtually all database resources through a proxy login system. In addition, online students have direct telephone, chat, and email support through the library’s Online Call Center, which provides access to research assistance librarians and staff. A Customer Service Center, staffed with librarians and specially trained research support specialists, is available during all hours the library is open. The Jerry Falwell Library is committed to being the primary library for Liberty University Online students by offering timely personal contact and document delivery in order to meet their academic needs. This includes the delivery of books and journal articles as well as research and reference services.

Academic libraries are undergoing significant changes as they adapt to the terms of a new information economy. Not only are information and technology resources in unprecedented demand, but they must be configured to support teaching, learning, and research regardless of the end user’s location. In this context, the Jerry Falwell Library benefits from collaboration with other agencies and professionals through membership in the American Theological Library Association, the Christian Library Consortium, Lyrasis, the Virginia Library Association, VIVA (the Virtual Library of Virginia), the Center for Research Libraries, and other information services organizations.
Center for Writing and Languages

**Administration**

Tess R. Stockslager, B.A., M.A., Ph.D.
Director, Center for Writing and Languages
Director, Graduate Writing Center
Assistant Professor

Shelah Simpson, B.S., M.A.R., M.A., Ph.D.
Director, Online Writing Center
Assistant Professor of English

Alisha P. Castañeda, B.A.S., M.A., Ed.S.
Director, Foreign Language Lab, Online Foreign Language Lab, and Spanish Writing Center
Instructor of English

The Center for Writing and Languages (CWL), formerly known as the University Writing Program (UWP), was established in 2006 as part of Liberty’s efforts to improve graduate student writing. In support of Liberty University’s mission, the CWL provides quality academic support in the areas of writing and language acquisition by offering free writing and language tutoring services to the academic community, including students, staff, and faculty. The CWL is committed to fostering and facilitating university-wide excellence in communication in a variety of languages and mediums.

To fulfill this purpose and to serve the largest number of persons possible, the CWL is composed of multiple areas, each of which specializes in its own subject and audience. These areas are the Graduate Writing Center, Undergraduate Writing Center, Online Writing Center, Spanish Writing Center, Foreign Language Lab, and Online Foreign Language Lab, which collectively provide a supportive learning atmosphere, well-trained peer and professional tutors, classes and workshops designed to address specific student needs, and a wealth of writing and language resources available in both hard copy and online at the CWL website: [http://www.liberty.edu/index.cfm?PID=38382](http://www.liberty.edu/index.cfm?PID=38382).

The Directors of the CWL are available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. CWL staff members routinely make presentations on topics such as documentation, common grammar errors, plagiarism, and many other writing-related skills in classrooms and in faculty workshops.

Currently, all CWL services are free of charge to Liberty University students and faculty. Faculty may download any CWL-produced online materials for use in their classes.

**GRADUATE WRITING CENTER**

The mission of the Graduate Writing Center (GWC) is to assist graduate students and faculty of all disciplines and all levels of expertise to become the best writers they can be. In support of this mission, the GWC provides free face-to-face coaching sessions (our core service), classroom presentations, workshops, and web resources to students, faculty, and staff. Peer coaches work with writers at all stages of the writing process, from topic selection to documentation.

The GWC is located in the CWL suite in DeMoss 1084. Students or faculty may contact the GWC by emailing graduatewriting@liberty.edu, or calling (434) 592-4727.

**ONLINE WRITING CENTER**

In support of the University mission, Liberty’s Online Writing Center (OWC) helps online students at any level of written English proficiency identify, understand, and improve their academic writing strengths and weaknesses. To this end, the OWC offers synchronous and asynchronous tutoring by a wide variety of trained tutors with insider experience in the various degree programs offered by Liberty Online. Without editing, OWC tutors provide comprehensive written feedback on drafts with direct links to web resources and writing aids specific to each student’s writing needs or speak with students via Skype to discuss projects at any stage of the writing process. Through the OWC, online students may also access a wide variety of resources—handouts, worksheets, and presentations—to research writing concerns and improve their academic writing skills.

Through the Online Writing Center web page ([http://www.liberty.edu/onlinewritingcenter](http://www.liberty.edu/onlinewritingcenter)), online students can submit drafts of upcoming assignments to receive tutor feedback, schedule appointments to speak online with a tutor, send a quick e-mail to ask a tutor a question, or offer suggestions for further online writing aids that the OWC should consider developing. Students may contact the OWC by emailing onlinewriting@liberty.edu but should not submit drafts for review to this email address. All drafts must be submitted using the submission link on the web page.

**FOREIGN LANGUAGE LAB**

In addition to the writing centers, the Center for Writing and Languages offers foreign language tutoring services through the Foreign Language Lab. The primary purpose of the Foreign Language Lab is to provide one-on-one and group tutoring sessions for students studying American Sign Language, Arabic, Chinese, French, German, Russian, and Spanish. However, tutoring for students who are learning English as a second language (ESL) is also provided.

The Foreign Language Lab employs tutors who have native speaking ability in the offered foreign languages and advanced knowledge of the grammar and writing skills correlated to those languages. Individuals can schedule a tutoring session ahead of time with the tutor or come for a walk-in appointment. They will receive personalized instruction on all areas related to language acquisition, including grammar, vocabulary, appropriate writing style, and oral and auditory practice and development.

In addition to providing foreign language and ESL tutoring, the Foreign Language Lab offers conversation groups in each language, including English conversation groups for non-native speakers. Conversation groups help language learners practice their listening and speaking skills in a relaxed and open setting.

The Director of the Foreign Language Lab is available to faculty for classroom presentations or for help in developing teaching aids, rubrics, or assignments. In addition, all foreign language faculty are welcome to make the lab part of their students’ classroom experience, either by holding classes in the lab or requiring students to visit for tutoring services.

Persons interested in utilizing the services offered by the Foreign Language Lab may contact the lab by emailing foreignlanguagelab@liberty.edu, calling (434) 592-6514, or visiting [http://www.liberty.edu/foreignlanguagelab](http://www.liberty.edu/foreignlanguagelab). The Foreign Language Lab is located in the CWL suite in DeMoss 1045.

**ONLINE FOREIGN LANGUAGE LAB**

In August 2012, the Center for Writing and Languages (CWL) opened the Online Foreign Language Lab (OFLL). While the residential Foreign Language Lab (FLL) offers customized foreign language tutoring services for residential students, the OFLL reaches out to Liberty University’s online population. The
OFLL provides free one-on-one tutoring sessions for students studying French, German, Mandarin, Spanish, and English as a second language (ESL) through the Liberty University Online conversational language courses.

The OFLL employs highly qualified individuals with native-speaking ability who not only meet the language standards but are also skilled in effectively tutoring and teaching essential language skills. These tutors provide personalized instruction in all areas related to language acquisition, including grammar, vocabulary, appropriate writing style, and oral and auditory practice and development. Considering the long-distance nature of online learning, students will meet with tutors via Skype and Google Hangouts.

To find out more information about this center and scheduling an appointment, students can contact the OFLL by any of the following methods:

Website: [http://www.liberty.edu/onlineforeignlanguagelab](http://www.liberty.edu/onlineforeignlanguagelab)
Email: onlinefll@liberty.edu
Phone: (434) 592-6514
Liberty University offers graduate degree programs of study in two formats:

- **Residential.** With the residential delivery format, courses in a program are delivered on campus [face-to-face] and generally last the standard semester.

- **Online.** With the online [distance education] delivery format, courses in a program are delivered to students through a virtual classroom experience that is flexible, personal and challenging. Through the online format a student can complete a program entirely online, with some exceptions in which a student is required to complete a minimum number of courses face-to-face on campus.

Regardless of format, the majority of the course work for any program of study must be earned at Liberty University. The requirements for graduation for all programs are listed in this Catalog and on degree completion plans, which are available online at http://www.liberty.edu/index.cfm?PID=2981.

A course planning schedule, sorted alphabetically by class, is provided in order for students to plan their classes for upcoming semesters. The planning schedule lists every class offered and the term when courses are scheduled. This schedule is sorted alphabetically by class. The course planning schedule is available online at: http://www.liberty.edu/academics/registrar/index.cfm?PID=23103.

Distinguished Research Professor of Apologetics and Philosophy

Master of Arts in Philosophical Studies (M.A.P.S)

This program is suspended and is not currently accepting new students. For more information, please contact Dr. Edward Martin (emmartin@liberty.edu).

PURPOSE
C. S. Lewis held that good philosophy must be maintained and furthered carefully, for at least one very important reason: to answer bad philosophy. If ideas have consequences, and really bad ideas have really bad consequences—which is certainly born out in all periods of time, including our own-- then surely good ideas can have really good consequences. Providing a Christ-centered program in Philosophy and Christian Philosophy will further the mission of our University, by instilling the skills, knowledge, and values (all three critically important classical philosophical terms) to students to positively impact today's world. Let it be plain: we seek to produce graduates who know Jesus Christ, know why they believe in Him and on His name, and want to see the Glory of Jesus—His enduring love, auspicious power, and empowering grace—rule in this world! The impact on our world will be seen in graduates who are agents of transformation in this world, here, now. They will be seen to be unashamed Christ-followers, known by the way they very practically live, work, teach, and treat others, as "lovers of wisdom," in a way that pleases the Lord. The program, delivered by caring and compassionate faculty taught at some of the nation's finest institutions of higher education, is designed to foster knowledge of key philosophical concepts in metaphysics, epistemology, aesthetics, ethics, logic and philosophy of religion. This knowledge will further the graduate's ability to decipher reality from appearance, truth from error, right from wrong, beauty from ugliness, sacred from profane. We want to produce spiritually-grounded individuals, attuned to the Spirit of God, who relate well with others, and are eager to understand and work against injustices in (and against) our world. Finally, we strive to remind each graduate that our value comes solely from God, in whose Image we are made. That God has created us, forsook us in the image of the true Lord of our souls, leads inevitably to the inalienable value of, dignity of, and respect due to persons made in the image of the eternal, paradigmatic Person in whom we can safely place our very lives. Soli Deo gloria!

The Master of Arts in Philosophical Studies is a 36-hour residential-only program designed for persons desiring a graduate-level education in Philosophy, Christian Thought/Apologetics, and studies in the Christian worldview. One of its purposes is to provide an excellent basis for graduate work at the doctoral level either in the United States or overseas in Philosophy, Theology, Law, Religious Studies, or the Humanities. The program also offers advanced study for personal enrichment in one or more of these areas of research.

PROGRAM LEARNING OUTCOMES
The student will be able to:
1. Evaluate major Christian options in classical and contemporary philosophy.
2. Produce research using appropriate scholarly methods and resources.
3. Appraise the value of classical and contemporary philosophical arguments for Christian theories of reality, knowledge, and value.
PROGRAM SPECIFIC ADMISSION REQUIREMENTS

In addition to the general admission procedures, the following regulations will govern admission into the Master of Arts in Philosophical Studies program:

1. Minimum cumulative undergraduate GPA of 3.00 on a scale of 4.00.
2. The applicant must have a minimum score of 300 (a combination of the Verbal and Quantitative scores) on the Graduate Record Examination (GRE) and 3.5 on the analytic writing portion, or have successfully completed 12 credit hours of graduate-level coursework.
3. The applicant must have an undergraduate major or minor in philosophy, religious studies, the humanities, or a related field.
4. A 300-450 word Statement of Purpose (in which the applicant expresses reasons for pursuing the degree).

An applicant who fails to meet the requirements listed above may be admitted on Cautionary status. Students admitted on Academic Caution must take and pass GRST 500 – Introduction to Graduate Writing their first semester. The deficiencies in prior training may then be satisfied with undergraduate courses. After satisfying admissions requirements and after having completed no more than nine hours toward graduation, the student may then apply for degree candidacy.

TRANSFER CREDIT

Students may transfer up to two graduate-level courses (total of 6 credit hours) from an accredited institution subject to department approval. In order to transfer credit, students must have earned the minimum grade of B–, and courses must have been completed within 10 years of the start date of the program. Credits from a prior degree on the same academic level earned through Liberty University are considered transfer credits.

COURSE REQUIREMENTS

When possible, students should strive to take PHIL 680 during the first spring semester of their program. Seminars (PHIL 597, 697) are offered frequently, and on a rotating basis with various topics, and can be taken multiple times for this reason. The program director can advise you of upcoming courses to be offered and help you determine times and dates of various phases of one’s program. It should be noted that the MAPS program includes a thesis that normally takes two semesters or more to complete.

FOREIGN LANGUAGE REQUIREMENT

Master of Arts in Philosophical Studies students may meet the foreign language requirement in one of the following three manners:

1. Successfully complete 12 undergraduate hours or nine graduate hours of one foreign language with an overall average of B;
2. Successfully perform in a translation examination, with test and score determined by the appropriate department; and
3. Successfully complete a Foreign Language Reading Competency Test developed by the Educational Testing Services of Princeton, NJ.

GRADUATE STUDIES HANDBOOK

Each Master of Arts in Philosophical Studies (MAPS) student is required to obtain a copy of the Graduate Studies Handbook. This publication gives policies and procedures that are unique to the M.A. program, outlines steps to be followed in securing the mentor for the thesis, as well as deadlines for this process, and provides other information that will assist the MAPS student.

COMPREHENSIVE EXAM

The Master of Arts in Philosophical Studies program requires a comprehensive exam over the area of concentration. Five testing times have been established for comprehensive exams. They are:

1. January (one week prior to first day of second semester)
2. Week following spring vacation
3. On Assessment Day (usually in early April each year)
4. August (one week prior to first day of first semester)
5. Week following fall break of Thanksgiving break

The comprehensive exam must be taken no less than one month prior to the month of anticipated graduation.

GRADUATION REQUIREMENTS

In addition to general regulations governing graduation, Master of Arts in Philosophical Studies (MAPS) graduates must meet the following requirements:

1. Must complete 36 semester hours and have a cumulative grade point average of 3.00 in M.A. work.
2. A minimum of 30 semester hours must be completed through Liberty University, not to include credits from a prior degree earned through Liberty.
3. A maximum of six (6) hours of transfer credit, including credit from a degree on the same academic level previously earned through Liberty, may be applied to the degree.
4. No more than two (2) grades of C may be applied to the degree (includes grades of C+ & C–).
5. No grade of D may be applied to the degree (includes grades of D+ & D–).
6. For information regarding the repeat policy, please refer to “Course Repeat Policy” in the Academic Information and Policies section of this Catalog.
7. Proficiency in one foreign language for research.
8. Must pass a major comprehensive exam over the area of concentration.
9. Must successfully complete a thesis in the area of concentration which demonstrates research ability with a minimum grade of B (includes grades of B+ & B–).
10. Degree must be completed within five years.
11. All Resident students are required to enroll in and pass GRST 500 in their first semester.
12. Submit a Graduation Application to the Registrar’s Office at the beginning of the final semester.

PROGRAM OF STUDY

A program of study in the Master of Arts in Philosophical Studies may be constructed by the student in consultation with the appropriate Program Director and the approval of the Academic Dean. The program of study must be developed before the student matriculates, but modifications may be made afterward with the approval of the Program Director. The program of study may be focused entirely on one cognate area or may be a program that integrates different areas. There are two cognates: Philosophy or Christian Thought. Christian Thought in this context is usually taken to mean Christian Apologetics, but for those needing a core of courses in other related fields (such as biblical studies, church history, and/or theology), contact the Program Director.

ACCREDITATION

The College of Osteopathic Medicine is provisionally accredited by the American Osteopathic Association Commission on Osteopathic College Accreditation (AOA-COCA) in the United States.

PURPOSE

Liberty University College of Osteopathic Medicine [LUCOM] exists to educate osteopathic physicians in a Christian environment. LUCOM prepares physicians who dedicate themselves to excellence in the practice of osteopathic medicine through service toward their fellow man, life-long learning, and the advancement of medical knowledge. Instilling the Christian values of integrity and professionalism, LUCOM trains physicians who will provide ethical, compassionate, competent, and patient-centered osteopathic medical care.

GOALS

1. To recruit and graduate osteopathic medical students who have a servant’s heart and are committed to providing care to underserved and underrepresented patients in Virginia, Southeastern United States, across the United States of America and the globe.
2. To recruit a diverse student body that has a desire to serve disadvantaged urban and rural underserved populations.
3. To place an emphasis on recruitment of students from Virginia and the Southeastern United States who share our mission, vision and values and are likely to practice in the region and help advance its health and economic status.
4. To honor and preserve the history and philosophy along with the art and science of osteopathic medicine through the teaching of historical principles and practices and the incorporation of up to date scientific knowledge, research, clinical and biomedical sciences.
5. To provide an osteopathic medical education that is holistic, evidence based, community focused, and patient-centered with excellence as its expected standard.
6. To teach students by design, example and mentorship the treatment of the patient as an integrated whole; incorporating the mind, body and spirit.
7. To develop graduates who are qualified to enter any area of medicine and who will look at normal structure and function – from the molecular level to the whole-person level – as well as general pathological processes that affect human health. During the second year of the student’s education, a second pass through the system-organized courses places more emphasis on the pathological conditions common to humans that detract from human health during the second year of the student’s education. Throughout the first two years, students have an active introduction to and interaction with challenges related to the professional, ethical, moral, humanitarian, and business aspects of the life and work of a physician. Additionally, students examine the dynamic nature of national and global health policy and health care delivery.
8. To advance the careers, knowledge, skills and personal lives of the faculty and staff of the COM through support for scholarly activity, research, faculty development, a positive environment and respect.
9. To contribute to the advancement of medical knowledge and advance the quality of health care for society through educational, scientific and clinical research, promotion of effective health policy and other scholarly activity.
10. To be a contributing member of the greater Liberty University, Lynchburg, and Virginia communities by contributions to educational, professional, societal affairs and through works of service.
11. To support and advance osteopathic and other professional medical associations through leadership, support, contributions of service, development of policies, expansion of knowledge, and collaborative efforts.
12. To develop clinical education opportunities in rural and underserved areas of Virginia, local as well as distant regions of the United States and globally, to provide quality clinical educational opportunities for LUCOM students and residents.
13. To develop clinical opportunities in rural and underserved areas of Virginia that will provide expanded access for patients’ healthcare through the efforts of LUCOM faculty, students and residents.
14. To develop and maintain national and international medical outreach and mission programs to train clinicians to serve in underserved areas of Virginia, the United States and the developing world.
15. To collaborate with our affiliated hospitals and clinical partners to develop graduate medical education programs for osteopathic and other health professions graduates, provide educational opportunities for health care professionals at the same time the programs provide healthcare and educational services to our region.

CURRICULUM

The curriculum is built around a semester schedule utilizing an integrated, interdisciplinary, systems-based model with an emphasis on active learning. It combines lecture demonstration with active learning techniques including team learning activities, interactive classroom learning, case-based education, a strong emphasis on utilization of simulation, and standardized patient events. It emphasizes biomedical and clinical interdisciplinary collaboration, guiding students to develop a holistic, and importantly, an osteopathic approach to medicine. We continually correlate basic scientific information and methodology with fundamental clinical application. After an introductory foundations course during the first 6 weeks of the curriculum, the remainder of the first year consists of a system-based look at normal structure and function – from the molecular level to the whole-person level – as well as general pathological processes that affect human health. During the second year of the student’s education, a second pass through the system-organized courses places more emphasis on the pathological conditions common to humans that detract from human health during the second year of the student’s education. Throughout the first two years, students have an active introduction to and interaction with challenges related to the professional, ethical, moral, humanitarian, and business aspects of the life and work of a physician. Additionally, students examine the dynamic nature of national and global health policy and health care delivery.

Students have extensive lab based active learning opportunities during the first two years designed to develop problem solving, osteopathic principles and manipulative techniques, diagnostic and clinical skills. Students have extensive anatomy education with cadaveric education encountered across the first two years of the curriculum.

Students begin clinical exposure in their second semester, with shadowing experiences, standardized patients, simulation encounters and patient care opportunities that give them exposure to and prepare them for the “real world” of medicine.

Each student’s clinical exposure expands in the second year. Students have increased opportunity to interact with standardized patients and high fidelity simulators on campus as well as be involved, under physician supervision, with real patients in the office and hospital setting.

Students are assigned to one of LUCOM’s core clinical education centers for their entire third year of medical school. Clinical rotation experiences are supplemented with an on-line, computer based module curriculum based on best practices established by each core discipline provided by the faculty of the COM. This foundational clinical education ensures quality, consistency and coordination of the students’ clinical education as well as preparation for graduate medical education (GME) and board examinations. In the fourth year of medical school, each student has ample opportunity to explore GME training opportunities through
four to six elective rotations. During the hospital based sub-internships - consisting of three core selective rotations in medicine, emergency medicine and surgery - students are expected to develop the knowledge and skills required to be a resident in their desired GME training program.

Our core curriculum is designed to fulfill our mission of training students who are competent and ready to enter graduate medical education in any medical discipline, with an emphasis on preparing students to become community based and primary care physicians.

A notable aspect of the clinical program is a required month long rotation in a rural practice setting. In community health centers, rural clinics and hospitals throughout the state of Virginia, our students participate in providing health care to medically underserved and indigent patients. Our students learn to treat various patients whose lifestyles, practices, and attitudes toward health care differ from those seen in more traditional training sites. This enriching educational experience is one that cannot be taught in the classroom.

LUCOM students have the opportunity to perform clinical rotations globally during their OMS-3 and OMS-4 year, as well as the opportunity to participate in medical outreach events during break times beginning near the end of the first year of education.

PROGRAM LEARNING OUTCOMES

Upon successful completion of the Doctor of Osteopathic Medicine, the student will be able to:

1. Demonstrate the medical knowledge, skills as well as competency in the seven core competencies established by the osteopathic profession at a level consistent with a graduate osteopathic physician.
2. Demonstrate the ability to apply inductive and deductive reasoning to problem solve for the advancement of the patient’s health and wellbeing.
3. Demonstrate their preparation for entry into graduate medical education programs leading to specialization in their medical practice discipline of choice.
4. Demonstrate the ethical and professional standards and the servant’s heart expected of an osteopathic physician by the public, the profession, the faculty and the University.
5. Demonstrate the capacity and skills required to advance medical knowledge as well as personal and professional life-long learning.
6. Demonstrate that they are patient-centered, holistic, evidence-based, community focused physicians with excellence in practice as their standard.

HISTORY
The history of the School of Divinity is part of the history of Thomas Road Baptist Church and is the oldest graduate school of the University. The other schools are Liberty Christian Academy, Wilmington School of the Bible, and Liberty University. The Seminary is an outgrowth of the vision of Dr. Jerry Falwell, the founding pastor of the Thomas Road Baptist Church. Dr. Falwell believed in Christian education. He believed that one of the most effective means of winning millions to Christ is by training young men and women to serve the Lord in aggressive, evangelical, soul-winning Baptist churches as pastors, staff, and members. The University was founded to help achieve that goal.

Another need, however, still existed. Professional, graduate level training was needed for graduates of Liberty University and other colleges desiring graduate theological education as preparation for ministries in churches similar to Thomas Road Baptist Church.

Founded as Lynchburg Baptist Theological Seminary in September 1973, it began with an enrollment of 41 students with Dr. Jerry Falwell as President and Chancellor. Over forty years later, the School of Divinity continues to demonstrate that a seminary can be built on faith, dedication, and the blessings of God, from Whom comes Truth.

In 1975, the Seminary was given approval by the State Council of Higher Education for Virginia to grant graduate degrees. In 2015, approval was granted by Liberty University’s Board of Trustees to combine the School of Religion with the Seminary into the School of Divinity.

The School of Divinity provides quality, well-rounded education, based on academic excellence, emanating from the belief that Christian education should be superior, not inferior, to that provided by other schools. The School of Divinity is committed to the principle that a person’s most effective ministry will be in conjunction with a local church, and the vision of the School of Divinity is to equip Christians to reach the entire world through aggressive New Testament church evangelism.

DISTINCTIVES
The School of Divinity is characterized by commitment to the core doctrines of the faith and providing significant experiences to develop practical ministry skills.

The faculty of the School of Divinity are committed to model both scholarship and practice for students. Graduates are grounded in the knowledge of God’s Word, a desire to impact the world for God’s kingdom, and the skills to engage the culture with the gospel.

Evangelism is a core value throughout the curriculum. Every faculty member and student is expected to manifest a compassion for the lost and a desire to see their salvation.

The School of Divinity is committed to the local church, and prepares graduates to enter into local church leadership positions. As such, experiential learning is essential to the School of Divinity’s programs of study.

The Mission of the Rawlings School of Divinity
The School of Divinity exists to come alongside the local church and help it fulfill the Great Commission. In accordance with
the mission of Liberty University and within the historic Baptist tradition, the School of Divinity provides undergraduate and graduate programs that train graduates for traditional, Christian ministry positions. The School of Divinity offers programs designed to equip people for lay ministry, personal enrichment, global leadership, church leadership, and advanced scholarly research.

As a Christian community, the School of Divinity seeks to cultivate spiritual growth and faithful service to Christ and His church. As an academic community, the School of Divinity seeks to impart knowledge and necessary skills to men and women for service and leadership in Christian ministry. As a service community, the School of Divinity seeks to respond to the needs of local churches and Christian ministries as they participate in worship, global evangelism, discipleship, and scholarship.

**Purpose**

The Center for Apologetics and Cultural Engagement is a cooperative effort between the School of Divinity and the Seminary designed to inform and equip individuals to engage culture by addressing the biblical, theological, philosophical, and cultural questions of today’s world from a distinctively Christian worldview.

**Center for Asian Ministries**

Timothy T. Chong, B.A., M.Div., S.T.M., Ph.D.

Dean, Center for Asian Ministries

Professor of Theology and Biblical Studies

The Center for Asian Ministries at Liberty University exists to support and guide ministries and programs that have Asian ties geographically, ethnically, socially, ministerially, and academically. The purview of the Center extends beyond Asia to all parts of the world through Asian connections and promotes the growth of Asian ministries for Christ. As the Center is located in the United States, it also engages in Asian American issues.

The Center is not limited only to Asians but to all those who want to serve in Asian ministry contexts. It provides the students, faculty, staff, and those who are interested in Asian ministries with biblical, theological, and other types of support so that they
may become effective followers and leaders in the discipleship ministries of Jesus Christ.

As such, the Center endeavors to stand alongside Asian churches; to promote Liberty University in Asia and beyond; to assist Liberty University’s academic programs to be strengthened on campus and to expand in Asia and beyond; to train and mobilize champions for Christ who work in relation to Asian ministries in global locations; and to research the futures of Asian churches.

MISSION
Through Liberty University, the Center for Asian Ministries supports and guides Christ’s champions and ministries for Asia and beyond in fulfilling the Great Commission, alongside the church. (Matt 28:18-20)

VISION
The Center for Asian Ministries envisions the uniting of all peoples together in Christ by assisting Christ’s champions and ministries for Asia and beyond in order to reach the world with the Gospel. (Eph 1:10)

Center for Chaplaincy
Steven E. Keith, B.A., M.Div., D.Min.
Director, Center for Chaplaincy
Chaplain, Colonel, USAF, Retired
Professor of Chaplaincy
The culture in which chaplains serve is progressively becoming more secular and pluralistic. Chaplains are faced with ministry challenges not previously experienced. The Center for Chaplaincy prepares students to minister effectively in the changing environment by providing exceptional education, research, publications, outreach opportunities, and strategic partnerships. Educationally, the Center develops cutting edge curriculum to best prepare students to be biblically sound spiritual leaders and soul care providers. Further, the Center designs and conducts research to advance understanding for chaplain-care and leadership. Additionally, the Center produces and encourages scholarly chaplain publications to advance effective evangelical chaplain ministry. Furthermore, the Center organizes and promotes chaplain outreach locally and globally. Finally, the Center forms strategic partnerships across Liberty University and with other like-minded Universities and organizations to synergize education and ministry efforts.

PURPOSE
The Center for Chaplaincy’s purpose is to educate and equip chaplain students to be Champions for Christ in secular and pluralistic ministry environments.

Center for Youth Ministries
Chair, Department of Christian Leadership and Church Ministries
Director, Center for Youth Ministries
Associate Professor of Youth Ministries
The world’s youth population ages 10-24 has grown to 1.8 billion and is at a historic high. There is some estimation that 40% of the world’s population comprises all those under the age of 24. The growing trend of religious non-affiliation among young people continues to be a concern to pastors, youth pastors, parents, and churches. This demographic is one of the greatest mission fields in the world, not to mention that many countries’ definition of “youth” is expanding upward to the age of 39.

The Center for Youth Ministries partners with departments across the university to assist local churches, pastors, youth pastors, and parents with resources to help understand the culture of youth in the world in which they live. The Center also seeks to help equip students who are training for youth ministry, as well as those who currently serve youth in ministry, by providing training in a co-curricular effort alongside the Department of Christian Leadership and Church Ministries.

PURPOSE
The Center for Youth Ministries exists to recruit, equip, and network those called to youth work, in both the local church and youth organizations, to carry out the Great Commission to students and their families.

Programs of Study
The programs of the School of Divinity are open equally to all men and women who meet the entrance requirements. Our purpose is to provide educational experiences for personal enrichment or professional training. We encourage the students to be all they can for God, and we are confident He will direct them to places of service. However, it is important for our students to know that we are a training agency not an ordaining agency. Ordination is the responsibility of a local church or, in some cases, a denominational body, each of which has its own criteria.

EVALUATION OF TRANSFER CREDITS

**Doctor of Philosophy in Theology and Apologetics (Ph.D.)**

**PURPOSE**

The Doctor of Philosophy in Theology and Apologetics degree will prepare professional scholars and Christian community leaders at the highest level of scholarship. Trained by a qualified academic faculty, graduates with the Ph.D. in Theology and Apologetics will be prepared to serve as faculty in academic institutions and as scholars and theologically and biblically informed leaders for the church and community. This is a 57 semester hour program: 48 hours of seminar work; six (6) hours for dissertation proposal and research; and three (3) hours for dissertation defense.

As with all programs of the Seminary and Graduate School the Ph.D. program will seek to provide an environment in which students in the context of open research and inquiry will be encouraged to strengthen their faith and certify their calling to service at the highest academic and professional levels. Students will be mentored within an academic environment that fosters an awareness of the Christian’s responsibility as a member of society who is responsive to the needs and concerns of diverse cultures and conflicting ideals.

The program is set within the context of a conservative evangelical academic community in which students are challenged to develop the cognitive skills requisite to a rigorous interaction with biblical, theological, historical, and philosophical understandings necessary for a self-conscious, critical, and Christian response to the world. In this setting, students will have the opportunity to become part of a community of scholars in which they can develop the concomitant skills necessary for relational and professional competence. The Ph.D. will further encourage students to explore the moral and ethical dimensions of their chosen field of study. Moreover, the program is designed to inculcate sensitivity to others and a concern for world evangelization through a vigorous defense of the gospel and a lifestyle of personal integrity and responsible scholarship.

With its mix of traditional and non-traditional delivery formats, the Ph.D. is designed to attract and retain students who desire flexibility in their schedules, breadth of exposure, and professional training in theology and apologetics. The teaching options will attract a diverse and dedicated mix of faculty and students facilitating rich interaction between future academic professionals and church leaders. The cognates are designed to further meet the needs of persons seeking studies in biblical or historical studies.

**PROGRAM LEARNING OUTCOMES**

The student will be able to:

1. Design an original research project that adds to the knowledge base of the discipline.
2. Appraise an apologetic argument or a theological method.
3. Critique the place of evidence in apologetic methods of inquiry.
4. Contrast an evangelical view of Scripture and theology with an alternative view.

**Ph.D. Concentrations**

The student will be able to:

1. Evaluate interpretive methods and approaches to the biblical texts and concepts (Biblical Studies).
2. Analyze the impact of historical figures and movements in Christian thought (Historical Studies).

**PROGRAM SPECIFIC ADMISSIONS REQUIREMENTS**

In addition to general requirements for admission to the School of Divinity, applicants for admission to the Doctor of Philosophy in Theology and Apologetics must submit the following for review:

1. An earned Master of Divinity or a Master of Theology with a thesis or a Master of Arts with a thesis.
2. An earned grade point average of 3.25 on a scale 4.00 in all previous graduate work.
3. Miller Analogies Test (MAT) results. The GRE may be substituted in special cases at the director’s approval. If an applicant’s scores are older than two years, then the applicant must submit new scores. For an acceptable MAT score, applications should attempt to earn a total score of 400 or better or a total score in the 50 percentile or better. For an acceptable GRE score, applicants should attempt to earn a total verbal and quantitative score of 300 or higher, as well as a 4.0 or better on the analytical writing section.
4. A writing sample that must meet the following criteria:
   a. A minimum 30-page paper (excluding cover page, table of contents and bibliography). A chapter from a Master’s thesis may be submitted if it meets the 30-page minimum. It is preferable, but not required, that the subject area be in the area of theology or apologetics.
   b. Either submission must conform to the latest *Turabian Manual for Writers AND standard English Grammar and Composition Form.*
5. A Personal Statement, Doctrinal Agreement, and Honor Code Document. Included with these documents must be
the name of the applicant’s current church and the name of a pastor who is familiar with the applicant’s church life.

6. The student must have a pastoral recommendation as well.

7. A one-page essay on reasons for pursuing a Ph.D. in Theology and Apologetics.

8. Two Academic References. All applicants must submit letters of recommendation from two professors with whom they studied at the graduate (master’s degree) level. These recommendations need to be on school letterhead and have the professors’ signatures.

9. Professional vita including degrees earned, ministry experience, and/or teaching experience and career goals.

The applicant must understand that before the end of the second year of admission, the student must pass a proficiency exam in German and French or Latin. Seminars in the Biblical Studies area will require one year of Greek and one year of Hebrew on their transcripts. Admissions for the Fall are due by May 1.

TRANSFER CREDIT

Transfer hours may not exceed 15 credit hours for the Ph.D. program. Transfer credits are considered on a case-by-case basis and must have been completed as Ph.D. course work within the previous seven (7) years from a regionally accredited program to be accepted. Courses must have a grade of C+ or higher to be eligible for consideration for transfer credit. Correspondence studies or life experiences will not be accepted for transfer credit. Credits from a prior degree earned through Liberty University are considered transfer credits.

PROGRAM REQUIREMENTS

Language Requirements. In addition to the other factors relating to participation in the Ph.D. in Theology and Apologetics those pursuing a cognate must meet language requirements. A biblical language competency is required for those applicants who plan to focus on Biblical Studies as their cognate field. Students must meet any language requirements prior to their second year in the program.

Active Enrollment. To maintain active enrollment, students must enroll in course work each semester. Online students must enroll in at least one course during each academic year (from Fall to Summer) to maintain active enrollment status.

Residency Requirement. The School of Divinity does not have a residency requirement in the traditional sense of requiring students to uproot and move to the physical campus in Lynchburg. Using an intensive model, students may come to the Liberty University campus or another designated location for a time of group study with a professor. A cohort model will be encouraged by requiring students to register each semester for classes through aggressive advising so that students who begin together will be directed to continue through the program together, meeting regularly and by connecting via the online learning facilities of Liberty University.

Online Options. The School of Divinity proposes to offer Ph.D. courses using the modular format so that students who are living near the campus or who are living at a distance can meet the program requirements. Students will be required to be on campus to take campus-based modular courses, to take their comprehensive exams over a two-day period, and to defend their dissertations.

ADMISSION INTO DOCTORAL CANDIDACY

Students who successfully complete the required 48 hours of doctoral course study with a grade point average of 3.25 or higher in the doctoral course studies will be eligible to take comprehensive examinations in the major field and chosen recommended cognate field. These exams may be written or oral, as determined by the student’s mentor. Upon passing of the comprehensive examinations, the student is admitted to doctoral candidacy and may proceed toward developing a dissertation thesis and writing the dissertation under the supervision of a faculty supervisor and two faculty readers (the dissertation committee).

Students may graduate with the Doctor of Philosophy in Theology and Apologetics upon the successful completion of their dissertation requirement and upon the recommendation of the faculty.

DISSERTATION ENROLLMENT POLICY

Once students enter the dissertation phase of their degree, they are required to maintain continuous enrollment (Fall, Spring, and Summer semesters) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

DISSERTATION
Candidates (doctoral candidates) are allowed to register for EDUC 989 (Dissertation Proposal and Research) up to three times before successful completion of an approved dissertation proposal. Any candidate who does not complete coursework within the permissible time limit, for any reason including discontinued enrollment, must reapply for admission. TRANSFER OF CREDIT

All graduate transfer credits are subject to the approval of the School of Education (SOE) Graduate Committee. Such courses must carry a grade of at least a B- and be comparable to Liberty University graduate courses. Transfer credit will only be considered from institutions or schools accredited by an accrediting agency recognized by the U.S. Department of Education. With approval, up to 15 hours may be transferred into the Ph.D. program. It is the responsibility of each applicant to supply official transcripts along with a written request to have credit applied to the degree program. Transfer credits must have been completed within the previous seven (7) years to be eligible for transfer to the Ph.D. Credit for life experience and for any reason including discontinued enrollment, must reapply for admission. A candidate may reapply only once, and will be subject to the current standards and curriculum. The SOE Graduate Committee will determine if any previous courses are permissible time limit, for any reason including discontinued enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

GRADUATION REQUIREMENTS

In addition to other regulations governing graduation, as stated in the Liberty University catalog, Ph.D. students must meet the following requirements:
1. Complete 60 hours.
2. A minimum of 45 hours must be completed through Liberty University, not to include from a prior degree earned through Liberty.
3. A maximum of 15 hours of transfer credit, including credit from a degree on the same academic level previously earned through Liberty, may be applied to the degree.
4. Maintain a 3.00 GPA.
5. No grades lower than a B- may be applied to the degree.
6. For information regarding the repeat policy, please refer to “Course Repeat Policy” in the Academic Information and Policies section of this Catalog.
7. Successful defense of dissertation.
8. Degree must be completed within 7 years.
9. Submission of Graduation Application must be completed within the last semester of a student's anticipated graduation date.

DISSERTATION

Candidates (doctoral candidates) are allowed to register for EDUC 989 (Dissertation Proposal and Research) up to three times before successful completion of an approved dissertation proposal. In addition, candidates have a limit of a total of nine times registering for EDUC 989. Exceeding either of these limits will result in removal from the Ph.D. program.

Before beginning the dissertation research, the doctoral dissertation committee must approve the research proposal. The dissertation is expected to exhibit scholarship, reflect mastery of technique, and make a distinctive contribution to the field of knowledge in which the candidate has specialized. A faculty committee of at least two (2) members, comprising a chair and a methodologist, and an optional additional approved committee member, is responsible for the general supervision of the doctoral dissertation. A formal defense of the dissertation is required for final approval.

Once candidates enter the dissertation phase of their degree (beginning with EDUC 980: Dissertation Prospectus), they must maintain continuous enrollment (Fall, Spring, and Summer semesters) until they complete all degree requirements. If they do not, they will break enrollment, and they will be required to apply for readmission if/when they wish to resume the pursuit of their degree. They will have to complete their degree under the Degree Completion Plan (DCP) in effect at the time of their readmission.

TIME LIMITS FOR DEGREE COMPLETION

The time limit for completing the degree from the date of admission to the program is seven years for the Ph.D. Only in unusual circumstances may the candidate be granted an extension. Granting of an extension of time will usually result in additional requirements.

There will be a time limit of five years for completion of the Ph.D. for candidates who were granted 18 hours or more of advanced standing from a previously completed Ph.D. or equivalent degree.

Any candidate who does not complete coursework within the permissible time limit, for any reason including discontinued enrollment, must reapply for admission. A candidate may reapply only once, and will be subject to the current standards and curriculum. The SOE Graduate Committee will determine if any previous courses are sufficiently time sensitive and must be repeated. Beginning with the date of readmission, the candidate’s time limit for degree completion is determined by the number of hours remaining.

School of Law

An emphasis on influential oral advocacy skills. A lawyer must be able to communicate effectively using the spoken word whether or not a litigation practice is an ultimate goal. Leaders in the legal profession know how to convincingly communicate with an audience. At Liberty, students focus on advocacy in many contexts and take part in demanding lawyering skills courses designed to develop oral communication skills.

An emphasis on teaching/mentoring. Liberty is a teaching law school. Members of the faculty are expected to display the highest degree of professional proficiency and scholarly research while prioritizing the teaching/mentoring role. Proficiency in teaching students is the Liberty law professor’s first priority.

ACCREDITION

Liberty University School of Law is approved by the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association; 321 North Clark Street; Chicago, IL 60654-7598; 312.988.6738.

Liberty University School of Law opened in August 2004 and completed the required full academic year to be eligible to apply for provisional approval by the ABA. On February 13, 2006, provisional approval was awarded. In March 2009, following the required two-year provisional approval time frame, Liberty applied for full approval. On August 5, 2010, Liberty University School of Law was approved by the ABA.

CURRICULUM GOALS

The overarching goal of the faculty in designing and adopting the curriculum is to further the Mission of the School of Law, that is to “equip future leaders in law with a superior legal education in fidelity to the Christian faith expressed through the Holy Scriptures.”

The particular goals of the faculty in designing and adopting the curriculum are to:

1. Reflect the fundamental values upon which our legal system is based:
   a. that there is a corpus juris, a body of law, in which courses are related to one another as a logically consistent, comprehensive whole;
   b. that a government of laws is possible only where law reflects the truths that God has revealed to man and to which man is accountable; and
   c. that the preservation of the rule of law requires skillful and committed legal practitioners who are much more than mere technicians.

2. Require courses that develop the body of knowledge, set of skills and professional values in which every lawyer must be grounded.

3. Offer a range of electives that allows students to gain an introduction to various areas of law or to develop particular areas of competence.

4. Prepare leaders for success in the two main phases of their professional lives, the study and practice of law.

5. Prepare students to pass bar examinations in the states of their choice.

While the School of Music has only one mission, two distinctly
unique and focused tasks emerge. These tasks are accomplished
through two organizations within the School of Music structure: 1) The
Center for Music and the Performing Arts – trains and equips
passionate musicians as skilled performers, and music education
specialists;” and, 2) The Center for Music and Worship – trains and

Financing the University

The Office of Development is designed to develop and foster lifelong relationships between the University and its constituents. By establishing opportunities for all graduates, friends, students, families, faculty, staff, corporations, and foundations to financially support the University, this office helps Liberty University maintain and enhance the outstanding quality of its faculty, students, programs, and facilities.

Provided below is an overview of ways to support Liberty University.

Development

Annual Fund, Outright Gifts, Matching Gifts, and Gifts in Kind

Annual gifts are contributions for the current, unrestricted use of the University or any of its colleges, schools, and programs. Outright gifts include contributions of cash, securities, and written pledges. Gifts of securities are credited at market value on the date the gift is delivered or postmarked. Matching gifts encourage charitable giving by matching their employees’ contributions. Gifts in kind are gifts of tangible personal property, such as artwork, computers, real estate, and services, which may be used by Liberty University or sold for funds to help support our continuing efforts to provide an outstanding Christian higher education. Gifts in kind may provide substantial tax benefits.

Federal and State Funding

Liberty University does not receive any Federal or State funding other than Student Financial Aid, which is utilized only for eligible individual students. Eligible students may receive funds from Federal Pell Grants, Federal Supplemental Education Opportunity Grants, Federal Work Study Grants, Federal Family Education (Stafford and PLUS) Loans, Virginia Tuition Assistance Grants, and Virginia College Scholarship Assistance Program Grants.

The University has never accepted Federal or State funds for its operations, endowment, or capital funding projects.

Planned Giving

Bequests

Federal tax laws encourage bequests to qualified institutions like Liberty University, with an unlimited estate tax deduction for such legacies. Here is a sample form of bequest your attorney may adapt in preparing your will:

I give, devise and bequeath to Liberty University, a Virginia non-stock, non-profit corporation located in Lynchburg, Virginia 24515, __% of my estate to be used for its general purposes.

Charitable Gift Annuity

Gift Annuities provide assured fixed income for the lives of one or two qualified individuals by transferring $5,000 or more in cash and/or securities to Liberty University. An annuity agreement established during your lifetime is a good way to increase after-tax income. Your gift allows you to claim a charitable deduction on your tax return to reduce your tax liability.

Life Insurance, IRAs, and Pension Plans

A paid-up life insurance policy makes an excellent gift to Liberty University. The donor may receive significant tax benefits with this type of gift. Traditional IRAs and other qualified pension plan assets can be an excellent source of funding for charitable gifts. If these assets are transferred to an individual, the current value is subject to estate taxes, as well as federal and state income taxes (sometimes exceeding 80% of the value), but when designated to Liberty University, taxes are eliminated.

Real Estate

Land, homes, buildings, and other real property may be given to Liberty University as an outright gift or used to fund a life-income gift. A home may be given to the University and continue to be lived in throughout an individual’s lifetime. This is called a “Life Estate.” All such gifts of real estate and real property can benefit both the individual and the University.

Scholarships/Endowments

Gifts can be placed as a permanent endowment scholarship with the University. Each year the interest earned from the investment will provide tuition help for worthy students.

Trusts

Charitable Remainder Trusts (CRTs) are life income gifts. The remainder comes to the University after the passing of all income beneficiaries. Charitable Lead Trusts generate income for the University during the term of the trust, after which the assets are passed along to the heirs with significant tax savings.
