• In the evening you will enter the last Moorish stronghold in Spain. A walking tour will show you the old Moorish quarter, El Albaicin, and the Jewish quarter also.
Day 5 – Granada & Ronda

Stand on the same ground Columbus stood on when discussing his plans to sail west when you visit the Moorish Alhambra. Walk in the footsteps of the sultans when you step into Generalife, a palace where many spent their summers.

Travel to Ronda in Malaga and view the famous river gorge El Tajo (the cliff). See the oldest bullring in the country where the Romero family developed the art of modern bullfighting.
Day 6 – Transfer to Seville

• Follow the Guadalquivir River to Seville—capital of Andalusia, birthplace of Velázquez, and host of the 1992 World's Fair. If you're lucky enough to arrive in spring, Seville will greet you with the sweet fragrance of orange blossoms.
Day 7 - Seville

- See the Old Tobacco Factory, setting of Bizet's opera Carmen, and pass the Plaza de Toros, one of Spain's preeminent bullrings. Then visit the Maria Luisa Park and walk through the geranium-laden alleys of the Barrio de Santa Cruz. Top off your tour with a guided visit to the Moorish Alcázar.
Day 8 – Cordoba & Madrid

• Transfer to Córdoba, northeast of Seville. The former Moorish capital was once a draw for intellectuals and known as one of Europe's cultural centers. Today, see the influence of the Moorish, Roman, Jewish and Christian cultures that flourished here at different times in the city's history.

• See the Patio de los Naranjos and visit the 8th-century Mezquita, formerly the largest mosque west of Mecca. At its height, Córdoba was home to 700 mosques, 900 public baths and 70 libraries.

• Continue to Madrid, Europe's highest capital city at 2,132 feet above sea level.
Day 9 – Madrid

• Your day begins with a panoramic tour. At the Puerta del Sol, the center of Madrid, pass through one of the nine arched gateways leading to the Plaza Mayor, the Renaissance hub of the city. Continue to the Plaza de Oriente, Madrid's largest square, outside of the Palacio Real (Royal Palace). Next, you will explore this extravagant palace, built by Bourbon King Philip V.

• An art expert will introduce you to the world-renowned Prado, filled with works collected by the Spanish monarchy. One of the museum's most famous paintings is Las Meninas by Velázquez. You'll also find Goya's paired canvasses The Clothed Maja and The Naked Maja, along with works by Bosch, El Greco and many others.
