

## BIBL 497- Bible Prophecy

- A detailed knowledge of Bible prophecy, especially as it pertains to the pre-tribulational, pre-millennial interpretation of Scripture, is required to pass this test.
- Topics covered on this exam include: Major Bible prophecies including the prophetic elements of the Abrahamic covenant, Mosaic covenant, and Davidic covenant. General details of Old Testament prophets and their prophecies as well as Messianic and eschatological prophecies are covered in the test. Emphasis is also placed on the fulfillment of prophecies demonstrated in Christ's First Coming as well as those yet to be fulfilled in His Second Coming.
- Multiple choice, and True/False
- 136 Questions
