

IMPORTANT CLEP UPDATE 2 NEW ENGLISH EXAMS

WHAT'S THE DIFFERENCE?

College Composition will include a 50-minute multiple-choice section and a 70-minute online essay section scored by CLEP, for a total of 120 minutes. The two mandatory essays are part of the exam package and will immediately follow the multiple choice section. The online essays will continue to be scored every two weeks. Liberty will award 3 hours of credit for ENGL 101 for a score of **50** for this exam, and **this is the exam we prefer that you take.**

College Composition Modular will include a 90-minute multiple-choice section that may be supplemented either with a 70-minute written essay section provided by CLEP and scored by the college, or a written essay section provided and scored by the college. The written essay provided by CLEP will need to be ordered in advance and will cost \$10. Liberty will award 3 hours of credit for ENGL 101 for a score of **60** for this exam, but will only administer this test to **non-Liberty students**, and the student must pay the additional \$10 fee.
