

General Information

F-1 international students must maintain full-time enrollment each fall and spring semesters for the duration of their I-20. If you are graduating before the completion of your I-20, you must notify your International Student Advisor (ISA) so that your I-20 may be completed appropriately. **Once you have left the U.S., please email your ISA so that your SEVIS record can be completed.**

Please carefully read the information below and check the box that applies to you:

- I certify that I have/will be graduated from my degree program at Liberty University and will not apply for post-completion Optional Practical Training (OPT), nor will I attend a new level of study at LU or another institution in the U.S. I will be returning to my home country. Therefore I authorize OISS to complete my program in SEVIS. **Please keep all of your I-20s for your official record of your F-1 Status while in the U.S. If you have a white I-94 card stapled in your passport please submit at the border as you are leaving the U.S.** (You will have a 60 day grace period from the day of your last class to leave the U.S.)

- I certify that I have applied for OPT and received my EAD card, but will not be using the card to work in the U.S. I will be returning to my home country. Therefore I authorize OISS to complete my program in SEVIS. **Please keep all of your I-20s for your official record of your F-1 Status while in the U.S. If you have a white I-94 card stapled in your passport please submit at the border as you are leaving the U.S.**

- I certify that I have applied for and have been working with my OPT (EAD) card but no longer wish to continue with my employment and will be returning to my home country. **Please keep all of your I-20s for your official record of your F-1 Status while in the U.S. If you have a white I-94 card stapled in your passport please submit at the border as you are leaving the U.S.**

- I will apply/have applied for a different status in the U.S. (other than F1). Please send or fax a copy of your changed visa documents!
