

Congratulations on your acceptance to Liberty University! The reinstatement process can seem complicated, but our International Office is here to help. You might also have other options for attaining F-1 status. Please contact us at (434) 592-4118, or e-mail mystatus@liberty.edu to receive help filling out these forms and submitting your application.

General Information

This form is given to international students that have lost their F-1 Status while at Liberty University or at another institution. Student must choose one of these options in order to regain F-1 status:

- Leave the U.S. with a new I-20 and apply for reentry at the U.S. Border. By choosing reentry, students will be given a new F-1 record, which may make them ineligible for some F-1 benefits, particularly those that require a student to be in status for a full academic year such as eligibility for Curricular Practical Training and Optional Practical Training.
- Students may choose to remain in the U.S. and apply for Reinstatement of Status. If a reinstatement application is approved, the F-1 record is changed back to Active and the student regains previous F-1 benefits.

Eligibility

1. Student has been out of status for **less than** five (5) months
2. The violation of status was solely due to circumstances beyond student's control or if failure to be reinstated would result in extreme hardship.
3. The student is pursuing, or will in the next available term be pursuing, a full course of study. (Note: Students must be enrolled full-time once a reinstatement application is submitted. Failure to maintain full-time enrollment may result in the reinstatement request being canceled in SEVIS.)
4. Student has not been employed without authorization.
5. Student is not in removal or deportation proceedings.

3. Students should be aware that application for readmission must be approved by Student Accounts, Financial Aid, Dean of Men/Women, Registrar's Office and (at the end) International Admissions.
