

FINANCIAL AID REPEAT COURSEWORK POLICY

New federal regulations limit the amount of federal aid that can be used when repeating a course that has previously been passed with a grade of 'D' or higher. If a student earns a 'W' or 'F' in a course, the student can continue to repeat the course paid with federal aid so long as they are meeting minimum [Financial Aid Satisfactory Academic Progress requirements](#). Once a grade of 'D' or higher is earned for a course, students can only repeat the course one more time and use federal aid to pay for the course. Three or more repeats of the passed course will not be counted towards federal aid eligibility or be eligible to use federal aid to pay for the course.

Examples:

Grades Earned	Status
D,C	Repeat is not eligible for federal aid
F, F, D, W, B	Repeat is not eligible for federal aid
F, F, D, B	Repeat is not eligible for federal aid
F, D, W, F	Repeat is not eligible for federal aid

If a student repeats a course that is not eligible for federal aid, a recalculation of aid is completed to exclude the credits for the repeated course.

This rule applies whether or not the student received aid for earlier enrollments in the course.

All repeated courses affect Financial Aid Satisfactory Academic Progress calculations. A repeated course, along with the original attempt, must be counted as attempted credit hours. All students must successfully complete 67% (66.669% will not be rounded) of cumulative attempted hours by the end of each term.
