Graduation Requirements

Complete 42 hours

A maximum of 50% of the program hours may be transferred if approved and allowable, including credit from an earned degree from Liberty University on the same academic level

3.0 GPA

No grades lower than a B- may be applied to the degree

Liberty University coursework that is more than 5 years old may not be applied towards this degree. Students are required to repeat the course if it has exceeded the age limit

Degree must be completed within 5 years

Submission of Degree Completion Application must be completed within the last semester of a student's anticipated graduation date

Program offered in Online Format

Notes

All applicable prerequisites must be met

¹Students with RN license and bachelors degree in a discipline other than Nursing must take NURS 225, 440, 445, 490 and 491 within the first year of the program.

²Introductory statistics course (math preferred) and an undergraduate course in health assessment are required. For those who did not complete these courses in their undergraduate programs, they may fulfill these requirements during the first two semesters of the M.S.N. program. Students must complete the statistics course prior to enrollment in NURS 500

³Students must complete a background check prior to enrollment in NURS 630 for completion of practice experience
