

LIBERTY UNIVERSITY

 | COLLEGE of OSTEOPATHIC MEDICINE

ACADEMIC FACULTY OPENINGS

All faculty positions rank commensurate with experience

ADMINISTRATIVE

- Assistant Dean of Medical Education, EdD/PhD

Candidate(s) must hold a **terminal degree** unless otherwise noted, **current board certification**, and be in **good standing** with the state and federal regulatory and licensing agencies.

BIOMEDICAL SCIENCES

- Anatomy
- Microbiology
- Pathology
- Pharmacology
- Physiology
- Psychology

Clinical faculty members are expected to contribute significantly to the collaborative development of interdisciplinary, integrative, and competency-based medical curricula, to medical service, to medical outreach, and to the leadership commitments of LUCOM.

Clinical faculty are able to practice part-time depending on areas of responsibility. Biomedical and clinical faculty are expected to contribute to research and scholarly contributions at LUCOM; protected time is provided.

CLINICAL

- Family Medicine
- Osteopathic Manipulative Medicine
- Pathology (Board)
- Pediatrics
- Specialty Medicine

Interested candidates may inquire about a position and/or send letters of interest with their CV's to LUCOMINFO@liberty.edu with **ADMINISTRATIVE**, **BIOMEDICAL**, or **CLINICAL**, in the subject line.

Candidate(s) may also call (434) 592-6400 or visit Liberty.edu/LUCOM/Employment.
