

Chargeable Offenses - It is not possible to mark with signs or paint all the areas of University property where parking and/or stopping is prohibited. There are many instances where towing and/or ticketing, will be strictly enforced including, but not limited to, the following list.

- Without a valid permit
- In double-parked situations
- In reserved spaces without a proper permit
- In “No Parking” areas, or blocking doorways
- In loading zones (unless actually loading or unloading), service entrances, or construction areas
- On the lawn, sidewalks, or crosswalks
- In parking lot driveways
- Straddling painted lines
- Exceeding the time in time-limited areas
- In areas where the permit is not valid
- Adjacent to or over yellow lines or curbs
- In or adjacent to fire lines or within 10 feet of a fire hydrant
- In building, including entries, stairs, rooms, or halls (bicycles and motorcycles)
- In any roadway or lane of traffic
- Outside a marked space in any parking lot
- Illegal parking in a handicap space
- Failure to report a change in license plate
- Improper display of decal
- Possession of a counterfeit, altered, lost, or stolen parking decal; fraudulently using a permit; or fraudulently using or in possession of another’s decal + appropriate disciplinary action
- Moving barricades, traffic cones, or other traffic control devices for parking or to drive through an area
- Not registering a vehicle within the allotted time
- Performing non-emergency repairs
- Parking in a Tow Zone
- Parking in front of a sidewalk access ramp
