Greetings! I have been entertaining Liberty Flames fans since 1977. For almost 40 years, I have been a figure on Liberty's campus. Although my likeness has evolved over the years, I am just as passionate about Liberty as I was in my youth. In my spare time, I like to work on my trampoline skills, front tucks, and one handed cartwheels. Last year, I earned my honorary doctorate in Interdisciplinary Studies and am currently pursuing another doctorate in Sports Outreach.
