Liberty University soccer enjoys a rich tradition of success against some of the top soccer programs in the country. The soccer program, built on a foundation of excellent coaching, quality Christian student-athletes, and a challenging training environment, encourages kids to reach their full potential.

The coaching staff is committed to developing the total player and person. Our goal is to see kids grow and mature academically, athletically, socially, and spiritually. Liberty soccer uses the college experience, both on and off the field of play, to teach, to prepare, and to equip student-athletes for life after soccer.

The camp has proven to be a rewarding experience for young soccer players. Our camp curriculum, praised by campers and parents, features intensive instruction from some of the most knowledgeable collegiate coaches in the country. Regardless of skill level or soccer ambition, campers are encouraged and challenged to learn, play, and enjoy the game of soccer.

I would like to extend a personal invitation to you to become a part of our soccer tradition at Liberty University. This summer, I look forward to sharing several days of soccer, fun, and fellowship with you.
