We appreciate your help and support preparing your child for their exams. Should a student miss an exam, there is a \$50.00 fee for each exam that must be given at a different date/time unless due to illness or other approved absence. Students who do not have an exam during the assigned time do not have to remain on campus. Those students who do not have an exam and remain on campus must report to the assigned learning lab. Main Street and other parts of the campus are not an acceptable option for students who do not have an exam.

Thank you for your support and prayers,

Tim Hahn
