

2019 Frequently Asked Questions

General Programming

1. What if I need to cancel my child's camp registration?

The number of openings in any Program is limited. As well, tuition fees are based on group size. Consequently, it is not possible for LUCHS to offer an open refund policy. Therefore, a processing fee of \$50.00 will be charged for all cancellations/refunds.

2. My child knows has never ice skated or played hockey before. That said, will he or she be able to attend hockey camp?

Unfortunately, no, we require campers to have a basic hockey skill set along with their own equipment. That said, we do offer programs throughout the year such as Learn to Skate and/or Learn to Play which we would be happy to send your more information on upon request.

Scheduling

1. How much on ice/off ice time should my student expect?

Camp is a full-day program which includes 3 hours of on-ice instruction daily. In addition to the on-ice portion of the camp, players will be introduced to: off-ice conditioning sessions, team-building activities, and chapel times along with several guest speakers.

2. Will my child be supervised during free time?

Yes, typical supervision is supplied by the Camp Counselors, Camp Administrators, Dorm Supervisor/Head Counselor, and on and off ice instructional staff. Our goal is to have a maximum of 10 students to 1 counselor.

3. Does my child's schedule allow them to take a day off and visit his/her relatives that live locally?

Because the Program is concentrated, it is necessary to carry on a regular program every day. Students will not be excused from instruction for visitors. However, visitors are welcome, and may observe designated camp activities. Those activities include ice times, sports activities and chapel times.

4. I will be staying in the area during my student's program: may I participate in some of my child's schedule activities?

Parents are welcome to observe all activities during the week.

5. When will I receive a more detailed camp schedule and my child's group assignment?

Detailed camp schedules and group assignments are sent out to the e-mail on file, 1 week prior to the start of your child's/children's camp. In the event that you have not received a schedule/group assignment prior to the start of your camp please e-mail hockeycamps@liberty.edu

6. I am trying to make travel arrangements, what time is check-in for my camper?

Check-in times vary depending on the week your child is registered for. That said, please see the schedule listed below.

- ✓ Session 1 – Sunday, June 23 @ 2:00pm
- ✓ Session 2 – Sunday, July 07 @ 2:00pm
- ✓ Session 3 – Sunday, July 14 @ 1:00pm or 2:00pm*
- ✓ Session 4 – Friday, July 19 @ 2:00pm

*Pending group assignment

Safety, Behavior, & Medical

1. My child is a good student but will his/her camp experience be disrupted due to less behaved students?

Discipline has not been a problem at our school. Students realize that they have come to Liberty University Christian Hockey School (LUCHS) for three main reasons:

- ✓ To develop as a hockey player
- ✓ To openly listen/discuss Christian Principles and faith
- ✓ To have fun

LUCHS reserves the right to terminate the stay of any student when it is deemed to be in the best interest of either the student or the school. There are no refunds for early departures. We expect all participants to respect the staff, facilities, and accept the rules and regulations of the program.

2. How safe is this camp?

Safety is always our priority but please understand your camper is participating in a competitive sport which body contact is a part of, and off ice instruction which is physically demanding.

3. Will my child have on site medical attention should he/she warrant care?

Arrangements have been made to provide medical emergency service through the Liberty University Police as well, as a qualified athletic trainer will assist with injury treatment as needed from time to time.

4. What if my child has prescription medicine?

The prescription medicine is kept on hand in a safe environment and administered by the medical coordinator and/or Liberty personnel with experience in dealing with these situations.

5. My child has special dietary needs/allergies who will supervise his/her individual needs?

We are prepared to handle all dietary needs. That said, in a resident camp setting, we need to alert the cafeteria about his/her needs. **Please make sure to note any and all food allergies on the medical form and at registration.**

6. Does my child need health insurance to participate in the LUCHS?

CURRENT INSURANCE COVERAGE IS MANDATORY FOR FULL PROGRAM PARTICIPATION.

All parents of Liberty University Christian Hockey School students registered should confirm that they have updated and adequate medical insurance coverage in effect during the week your son/daughter is attending. Verification of this coverage must be included on the medical form, in addition to other pertinent information requested. As the LUCHS staff member sometimes must assume the role of parent and accompany the student to the hospital, a completed "Confidential

Health Report Form" means a speedier processing of the injury and treatment application. Students cannot participate in the LUCHS Program unless the enclosed "Confidential Health Report Form" is completed and signed by the parent or guardian.

7. How can I get in touch if there is an emergency?

In case of an emergency you can reach the camp director or the assistant camp director on their cell phone. These contact numbers as well as others will be given to you during check-in.

Packing List

1. How much money should I send with my student to camp?

During the day, the only need for spending money would be to purchase a beverage/snack following the ice sessions, though we do provide water throughout the day. Spending money should be designated for 1 or 2 snacks per day. Spending money will be left with an authorized LUCHS staff member on your camper's account for safe keeping during the week. All extra funds not documented or given to staff are the responsibility of the player and LUCHS assumes no responsibility for said money.

Recommended Amounts

- \$20-\$30 (to cover snacks, proshop purchases, skate sharpening's, etc.)

2. What equipment does my camper need?

Full set of hockey equipment is needed.

- ✓ Helmet, gloves, shoulder pads, hockey pants, protective gear, hockey socks, elbow pads, shin/knee pads, hockey tape & skates

3. My camper is a goalie, do you provide equipment?

Goalies are responsible for bringing their own protective equipment. For Goaltenders that do not own their own equipment, arrangements should be made with their local hockey association to borrow equipment for the week

4. Other than hockey equipment, what does my camper need?

Please see the "2019 Packing List" located on our website www.liberty.edu/hockeycamps

Additional Questions?

We are here to help! Please e-mail hockeycamps@liberty.edu

You should receive a reply in 1-2 business days.
