Welcome

FROM THE DEAN

Welcome to Christmas on the Boulevard (COTB)! Thank you for choosing to spend some time with us during this busy season. COTB features our wonderful students, faculty, and staff joining together to share the wonderful message of Christmas – Christ is born!

Fifteen years ago, we established COTB as an annual music gift to the Lynchburg community, and we are excited to offer this kickoff to the Christmas season once again.

This year, we celebrate Christmas in two unique COTB events. On Thursday, Dec. 4, we present COTB: Classic – featuring orchestral settings of Christmas favorites and highlights from Handel's *Messiah*. Then on Wednesday, Dec. 10, we present COTB: Pops – an evening of Christmas favorites, old and new.

Our students begin rehearsing for these performances in the fall. In addition to their studies, curricular concerts and recitals, homework, classes, and life in general, they have invested numerous hours in preparing this evening of music for you.

To our guests from Liberty and the greater Lynchburg community, we are honored to share the sounds of Christmas with you through these concerts.

To our parents, thank you for entrusting your most precious treasure, your children, to us for this time of training and growth as they pursue God's call on their lives.

To our students, thank you for your hard work, musicality, and artistry that you've put on display in these concerts and for making the School of Music such a great place to be!

From the administration, faculty, staff, and students of the Liberty University School of Music, Merry Christmas!

Dr. Stephen Müller
