Hello (first name of student OR Dr., Mr., Mrs, Ms. and last name – if community pianist/professor),

My name is _____. I study _____(instrument) with _____ (professor name).

Would you be available to accompany me for _____ (piece titles)?

My lesson time is at _____(time) in room number _____. I will need my accompanist to be present for 2-3 lessons before a mid-semester performance, 3-4 lessons before an end-of-semester performance, and to rehearse before each lesson. I will perform for a studio class, area recital, and jury/review and can set those dates in collaboration with you and my professor.

(Alternately, include the dates that you and your professor have set.)

If you are available, what is your hourly rehearsal/lesson fee and fee per performance? My phone and email are _____. Please let me know if there is any other information you need. I look forward to hearing from you.

Sincerely,
