OFFICE OF THE CHANCELLOR LIBERTY UNIVERSITY

Dear Graduate,

Congratulations on reaching this milestone! You have accomplished so much here at Liberty, and we are glad to celebrate with you today as you graduate.

We believe it is important for all of the alumni to stay connected and informed of what is going on at Liberty. We want you to be proud of your alma mater and continue to be a part of everything that God is doing on Liberty Mountain. We encourage you to join or start an alumni chapter wherever you go after graduation, and come back to visit often. I hope you will make plans to join us for Alumni Weekend in the fall and encourage other alumni to attend as well.

Please contact Melissa Small and her team in the Alumni Relations office if you need anything at all. We also would enjoy hearing from you periodically so we can hear what you are doing and pray for you. You can update your records very easily just by calling our Alumni Relations Office at (800) 628-7973 or visiting us online at www.LUAlumni.com.

We are very proud of each one of you. Thank you for being a part of Liberty University and please continue to pray for us. Of course, you are welcome "home" anytime!

Sincerely,

A handwritten signature in blue ink that reads "Jerry Falwell, Jr." with a stylized flourish at the end.

Jerry Falwell, Jr.

Commencement Speakers

GLENN BECK

Glenn Beck is well-known throughout America as a radio and television personality. His show, *The Glenn Beck Program*, is currently the third-highest rated radio program in the U.S., and one of the most successful new shows on FOX News. His website, www.GlennBeck.com, receives millions of visitors each month. Beck is also one of the few people to have been on the New York Times Best-Seller list for fiction and non-fiction.

He began his career in media at age 13 as a disc jockey. At age 30, he lost his interest for radio and struggled with alcoholism and drug addiction. After reclaiming a life of sobriety, he began *The Glenn Beck Program* in 2002. While the program began with only 47 stations, it is now aired on more than 400. His show continually sets ratings records, and his public performances are regularly sold out.

Beck lives in Connecticut with his wife, Tanya, and his children, Mary, Hannah, Raphe and Cheyenne. ■

PAIGE PATTERSON

As the eighth and current president of Southwestern Baptist Theological Seminary, in Fort Worth, Texas, Paige Patterson has been educating pastors and missionaries for more than three decades, having previously served as the president of The Criswell College in Dallas and of Southeastern Baptist Theological Seminary in Wake Forest, N.C. He has also served two terms as president of the Southern Baptist Convention (1998-2000). Patterson's leadership focus has always been an intense commitment to evangelism and the task of global missions, with the backdrop of rigorous academic preparation and research.

Patterson completed his undergraduate coursework at Hardin-Simmons University in Abilene, Texas, and received his Master of Theology and his Doctor of Philosophy at New Orleans Baptist Theological Seminary. During his graduate studies, he pastored a church and operated an evangelistic ministry in the famous French Quarter. He had the opportunity to witness to biker gang members, criminals, prostitutes and runaway teenagers from all over the U.S. Along with his wife, Dorothy, Patterson has ministered in more than 125 countries and has personally witnessed to several world leaders, including former Palestinian leader Yasser Arafat and former Prime Minister of Israel Menachem Begin.

Patterson is the author of many books and articles. He also has a passion for SCUBA diving and is an avid big game hunter. He and his wife have two children — a son, Armour, and a daughter, Carmen — and two grandchildren. ■

The Mace

AN ENDURING INSTITUTIONAL SYMBOL

To commemorate the 25th anniversary of the founding of Liberty University, master craftsman David Morgan was commissioned to create an official Liberty University Mace, with suggestions for its design supplied by members of the President's Standing Committee on Traditions.

In medieval times, important officials were often led in processions by a mace-bearer, one who carried a formidable weapon to protect the official from any threat. In later times, the mace continued to be carried before important officials as a symbol of their offices and authority, especially on ceremonial occasions. As the academic procession is a vestige of the medieval mode of dress and conduct, it is fitting that the highest institutional officials be led to the dais by one who bears the unique, enduring symbol of university authority: the mace.

From its earliest days, Liberty has employed unique symbols to represent different aspects of its character. The university seal represents the authority of the Board of Trustees and preserves the fiery image of the first Thomas Road Baptist Church, the institution through which Liberty University came into existence. The school motto, "Knowledge Aflame," summarizes the idea that knowledge is vain unless illuminated by the light of biblical truth. The university verse, "Where the Spirit of the Lord is,

there is liberty" (II Corinthians 3:17), identifies the source and inspiration of the institution's life and character. The eagle head symbol is closely associated with Liberty's athletics, and also reflects the university's strong patriotic posture. These four major symbols appear on the four faces of the mace to represent in turn the administrative authority of the university, academics taught in the light of biblical truth, the strong emphasis on spiritual development and a proud tradition of intercollegiate athletics.

The mace is an important institutional symbol. It lends dignity to academic ceremonies, serving as a symbol of university authority. It serves as a touchstone for returning alumni as they recall their own participation in similar Liberty University ceremonies. It serves as a reminder of the continuity of institutional life at Liberty, a witness to institutional growth and an enduring symbol of institutional heritage.

The mace is carried to serve as a symbol of administrative authority, a symbol of continuity as the institution pursues its enduring mission and a witness of institutional heritage. It remains a touchstone for the Liberty University family as it looks to its history with thanksgiving to God, to its present with faith in Jesus Christ as Lord and Savior and to its future with hope and determination to accomplish its mission. ■

Academic Costume

The black caps and gowns worn by the students and faculty in the academic procession have been the traditional costume of scholars since medieval times. They most likely represent a kind of ecclesiastical dress, since many of the scholars of that period were members of monastic orders.

Most colleges and universities in the United States have adopted the uniform code for costumes drafted by an intercollegiate commission in 1893. Each of the three academic degrees – bachelor’s, master’s,

and doctorate – has its own distinctive gown and hood. The bachelor’s gown is distinguished by its long pointed sleeve. The master’s gown has a longer narrower, closed sleeve extending below the knee; the arm fits through a slit at the elbow. The doctorate gown has a full, bell-shaped sleeve trimmed with three bars of velvet. The velvet trim on the gown can be black or a color indicating the wearer’s general field of learning – for example, green for medicine or purple for law. **A list of department colors follows:**

■ Arts, Letters, Humanities / White	■ Library Science / Lemon
■ Business Administration, Commercial Science / Drab	■ Medicine / Green
■ Economics / Copper	■ Music / Pink
■ Education / Light Blue	■ Nursing / Apricot
■ Engineering / Orange	■ Philosophy / Dark Blue
■ Family and Consumer Sciences / Maroon	■ Public Administration, Public Health, Physical Education / Sage Green
■ Fine Arts, Architecture / Brown	■ Science / Golden Yellow
■ Foreign Service / Peacock Blue	■ Social Work / Citron
■ Journalism / Maroon	■ Theology and Divinity / Scarlet
■ Law / Purple	

The most colorful and distinctive part of the academic costume is the hood extending down the back. The doctorate has the largest of the hoods and the bachelor’s is the smallest, and often omitted.

Silk lining of various colors in the center of the hood

indicates the college or university which conferred the degree. Consistent for all degrees is the cap, or mortar board, which has a tassel of black or another color indicating the field of learning. The tassel of the doctor’s cap can be gold. ■

Academic Degrees

Disclaimer

The list of graduates in this program is not intended to be an official certification of the completion of degree, diploma or certificate requirements. The diploma of the university or an official transcript, signed and sealed by the appropriate officials, is the official record of graduation.

A degree is awarded for the successful completion of a course of study. There are more than 1,600 different academic degrees currently conferred by colleges and universities nationwide.

The first known degree was a doctor's bestowed by the University of Bologna, Italy, in the mid-12th century. Originally, the doctor's and master's degrees were used interchangeably, each indicating that the holder was qualified to instruct students. The bachelor's or baccalaureate degree only indicated entrance into a course of study preparatory to the doctor's or mastership. Gradually, though, the bachelor's degree came to mean successful completion of one level of study in advance of higher degrees.

THE BACHELOR'S DEGREE

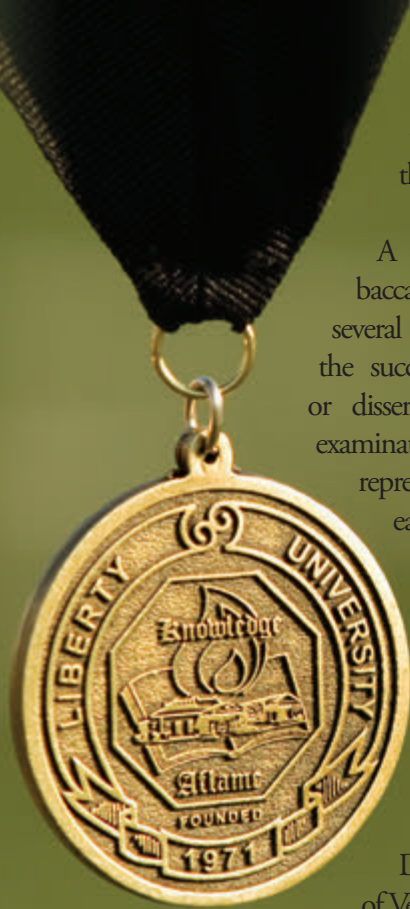

The bachelor's degree represents completion of a four-year course of college-level study and is the oldest academic degree used by American institutions of higher learning. It was first conferred in America in 1642 on the first nine graduates of Harvard College. Lynchburg Baptist College, which later became Liberty Baptist College, and now Liberty University, awarded its first bachelor's degrees in 1974.

THE MASTER'S DEGREE

The master's degree is an academic honor bestowed upon students who have successfully completed work beyond the baccalaureate. A thesis and an oral examination are usually required. The word *magister* was used by the Romans as a title of honor, but its present meaning can be traced to the establishment of the oldest universities. Organized faculties as they now exist in universities were not known then; academic activity was limited to seven liberal arts. Those who were honored for their diligence and knowledge upon completion of their studies and who had already received the bachelor's degree were called *magistri artium* (masters of the liberal arts). In 1977, Liberty Baptist Theological Seminary awarded its first master's degrees.

THE DOCTOR'S DEGREE

The term "doctor" meaning teacher or instructor, originated with the ancient Romans for those who lectured publicly on philosophical topics. During the Middle Ages, it was used as a title of honor for men of great learning. It was first made an academic title at the University of Bologna, which was allowed by the emperor to appoint *doctores legume* (doctors of laws). The University of Paris followed suit in the year 1145. Soon after, popes granted the universities the right to appoint *doctores canonum et decretalium* (teachers of the canon law) and, when the study of civil law was combined with that of the canon law, the title was changed to *doctor utriusque juris* (teacher of both laws). The faculties of

theology and medicine followed that of law in conferring this title.

A doctor's is given beyond the baccalaureate degree and requires several years of advanced study, the successful completion of a thesis or dissertation and written and oral examinations. The doctor's degree represents the most advanced earned degree conferred by American institutions. There are two distinct types: the practitioner's degree and the research degree. The first type represents advanced training for the practice of various professions, principally Doctor of Medicine, Doctor of Dental Surgery, Doctor of Veterinary Medicine, Juris Doctor, Doctor of Pharmacy and Doctor of Ministry. These degrees carry no implication of original research. The University of Maryland awarded the first two dental degrees in history on March 9, 1841, and invented the name of the degree, Doctor of Dental Surgery (D.D.S.).

The second type is a research doctor's representing prolonged periods of advanced study. A dissertation which usually accompanies the study is intended to

contribute substantially to existing knowledge on the subject. The most important of these, the Doctor of Philosophy, no longer has an implication of philosophy for its holder, but represents advanced research in any of the major fields of knowledge. It was first awarded in the United States in 1861 by Yale University. Liberty University awarded its first Doctor of Ministry degree in 1990.

GRADUATION WITH DISTINCTION

Students who are graduating with distinction are identified by the following:

- High Distinction**gold medallion with a blue ribbon
- Distinction**..... silver medallion with a blue ribbon
- Summa Cum Laude**.....gold honor cord
- Magna Cum Laude**..... blue honor cord
- Cum Laude**..... red honor cord
- Honors**..... Red Honor Cord

HONOR SCHOLAR

Honor Scholars are graduates who have completed an Honors Program curriculum of 36 hours which includes writing a Senior Honors Thesis. Minimum entrance standards are a 1270 SAT or 29 ACT, and Honor Scholars must maintain a minimum 3.50 GPA. They can be identified by large gold medallions with black ribbons. ■

The seal features the text "LIBERTY UNIVERSITY" around the top edge, "Knowledge" at the top, "A Time" at the bottom, and "FOUNDED 1971" at the very bottom. In the center of the seal is a graphic of an open book with a flame above it, and the word "Pursuing" is written across the book. The background is a soft, out-of-focus light blue.

Pledge of the Graduate

As a member of the graduating class, and in the presence of those assembled witnesses and God, I express my gratitude to Liberty University and promise to hold my degree so no loss will come to it.

I pledge to seek earnestly and faithfully to perpetuate this opportunity for other generations of young people, that our Lord's work may never lack for leaders of character and ability.

With whatever wisdom I possess and with reverence for the truth, I pledge the best of my life and loyalty to my Lord and Savior Jesus Christ, to my country and to my alma mater. I affirm my determination to justify, through my own life and deeds, my inheritance from the past and to do all that I can to advance the cause of Jesus Christ. ■
