

Overview

Before registering for CSER, students must read and agree to the following policy. The LU Serve office reserves the right to deny any organization, supervisor, or student request for CSER approval. Any questions or concerns not covered by the following policies should be directed to LU Serve.

Location: Dorm 20, 1st Floor

Hours: M-F 8:00 a.m. – 4:30 p.m.

Phone: (434) 582-2325

FAX: (434) 582-2660

E-mail: luserve@liberty.edu

Website: LUServe

In order to fulfill Christian/Community Service (CSER) graduation requirements, students should read the policies outlined in these four areas: I) Criteria, II) Enrollment and Participation, III) Evaluation & Credit, IV) CSER Course and Organizations, and Section V) Special Policies.

I. Criteria

A. Qualifications of a Valid CSER

1. A student must serve a minimum of 20 hours with one organization in a single term.
2. Organizations may be one of following:
 - Liberty University department
 - Church or religious establishment
 - Non-profit 501c3 organization

 - Exceptions (approved case-by-case)
 - Government organizations
 - Public or private schools and universities
 - Nursing Homes/Retirement Homes
 - International NGOs
 - State Non-Profits
 - Other 501c Organizations
3. Organization representatives must complete a CSER contract to be an approved supervisor.
4. Each student must serve under one supervisor, and the service must not occur in a private residence.
5. The student and supervisor must complete the CSER registration and evaluation process in order for the student to receive credit.

B. Restrictions:

1. Students may not earn CSER credit if they earn any of the following for the same service hours:•
 - Monetary compensation
 - Academic credit
 - A scholarship
 - Fulfillment of court-ordered community service
 - Volunteer service at their place of employment*

**Students are ineligible to receive CSER credit with organizations or departments at which they are employed.*

Exceptions to these restrictions must receive prior approval from LU Serve. Without prior approval, a student's CSER may be denied or cancelled.

2. A CSER must fit within the framework and purpose of LU Serve, which may include any, or all, of the following:
 - Evangelism
 - Discipleship
 - Tutoring/mentoring
 - Civic and community services (this does not include political campaigning)
 - Community improvement
 - Alleviation of human suffering
 - Assisting the underprivileged and less fortunate
 - Education and development of children/adults
 - Educational assistance
 - Stewardship of the earth (Environmental projects, care for animals, etc.)
 - See our listing of CSER opportunities that fit these criteria.
3. LU Serve partners with organizations who align with Liberty University's core theological and moral beliefs. Students will not be permitted to earn CSER credit with any organization that LU Serve determines does not meet this standard.

C. Exceptions

1. Earning CSER with a for-profit organization
 - For-profit nursing homes and retirement communities may be approved for CSER on a case-by-case basis.
2. Earning CSER through an internship
 - Students may receive CSER credit for an internship at a non-profit organization provided that he or she does not receive either monetary compensation or academic credit for the internship.
 - If a student receives academic credit for an internship at a non-profit organization, the student may also earn CSER credit provided he or she

volunteers a minimum of 20 hours of service above and beyond the hours required for the internship.

3. Earning CSER through an academic course.
 - Students may not earn CSER credit for service hours that are required as part of an academic course. However, students may earn CSER credit through completing a Service-Learning component within an academic course. The student should read the Service-Learning policy (Section 5.E.) and the faculty must adhere to LU's Serve's [Service-Learning CSER Handbook](#).

II. Enrollment and Participation

A. Basic Student Requirements

1. All residential undergraduate students are required to earn one CSER credit for each fall and spring semester they are enrolled full-time, up to a maximum of eight semesters. Students who are enrolled full-time for more than eight semesters are not required to complete more than eight CSERs.
 - Undergraduate students are considered full-time if they are taking 12 or more credit hours in a semester whether these course are residential or online.
 - This CSER requirement does not apply to dual-enrolled students unless they have 12 undergraduate credits during their dual-enrolled semester.
 - This only applies to full-time, residential students and not to LU Online students who are taking residential classes.
2. Students must obtain approval from their CSER supervisor before registering or dropping a CSER.
3. CSER registration occurs through the online CSER Dashboard, which may be accessed through LU Serve's website.
 - Through CSER Dashboard students may search for existing organizations or submit a request for a new organization to be approved.
 - Students should consult the CSER Dashboard for a historical record of their CSER registrations, evaluations, and grades.
4. Each CSER requires a minimum of 20 hours of volunteer service. Some organizations and supervisors may require more than the minimum. If so, they are required to inform the student in advance.
5. If a student fails to serve a minimum of 20 hours, no credit will be given. Hours served during one term may not be applied toward a CSER in another term.

B. Timeline

1. Students may enroll in CSER during any term. CSER is not required during the winter break or summer semester, but a CSER earned during these terms may count toward the student's graduation requirement.

2. Students must complete their service hours within the term they registered and with the organization and supervisor they registered. Students are not permitted to complete a CSER with multiple organizations or supervisors. Each CSER must be completed with one organization and one supervisor. Switching from one supervisor to another within an organization requires approval from LU Serve.
3. The dates for each term mirror the Registrar's academic calendar.
4. **Fall Semester**
 - The Add/Drop deadline for Fall CSER is the first Monday in October. After this deadline, Registrar will apply a \$10.00 late fee to the student's account.
 - The LU Serve Expo, which occurs near the beginning of each semester, hosts several CSER organizations and supervisors. Students may attend the Expo to find a CSER opportunity. CSER supervisors are encouraged to represent their organizations and assist students in the registration process.
 - Students are expected to serve with the same organization for one academic year (fall and spring semesters) and should register with the same organization in both fall and spring terms. However, students are permitted to choose a different organization in the spring term. Students should communicate their intentions with their CSER supervisor before the end of the fall semester.
5. **Spring Semester**
 - The Add/Drop deadline for Spring CSER is the first Monday in March. After this deadline, the Registrar's Office will apply a **\$10.00 late fee to the student's account.**
6. **Summer/Winter Terms**
 - The Add/Drop deadline is the the first Monday in July for Summer CSER and the first Monday in January for Winter CSER. After these deadlines, the Registrar's office will apply a **\$10.00 late fee to the student's account.**

D. Enrolling in Multiple CSERs

1. While students are required to complete one CSER for each semester they are enrolled full-time, they may complete more than one CSER during any semester. There are two ways students may do this:
 - Students may earn double-credit for a CSER by serving a minimum of 40 hours of volunteer service with one organization and one supervisor.
 - Students may register with multiple organizations and serve a minimum of 20 hours of volunteer service with each organization. They may earn double credit with each organization as well.
2. Students may not earn more than two CSER credits with the same organization and supervisor in a single term.

3. Students may count these CSER credits toward any semester. Students should contact their academic advisors to ensure they are fulfilling all graduation requirements. Students may also check their DCP audit.

E. Additional Hours and Fees

1. Organizations are permitted to require additional hours so long as the students are given advance notice in writing and prior to registration.
2. LU Serve also recognizes that organizations may incur additional costs by offering CSER opportunities. If so, these organizations are permitted to charge a small fee to offset their additional costs for training or supervision. If the organization chooses to charge a fee, the organization must first receive approval from LU Serve, and the fee must be stated clearly in the organization's CSER description. The organization is required to give students advance notice of any fees they will incur. Charging a fee without prior approval from LU Serve or failing to disclose the fee could result in removal from the CSER program.

III. Evaluation and Credit

A. Evaluation Process

1. The evaluation process is designed to provide students with feedback on their service. Supervisors are encouraged to use the evaluation form as a means of mentoring and instruction.
2. By the end of each term, students must log their hours and complete a self-reflection. Students will do this through the online CSER Dashboard.
3. Once students complete the self-reflection, supervisors will complete an evaluation and assign a grade. Supervisors will do this through the online Supervisor Dashboard.
4. Once the grade is assigned, students will electronically sign the evaluation form acknowledging the supervisor's comments and grade. After the form is signed, a grade will be posted to the student's transcript.

B. Grading and Transcripts

1. Each student will receive a letter grade of A, B, C, D or F, according to the following criteria:
 - **A** - student displays exceptional service; excellent attitude; volunteered at least 20 hours
 - **B** - displays satisfactory service; punctuality; appropriate attitude; volunteered at least 20 hours
 - **C** - displays acceptable service; usually punctual; acceptable attitude; volunteered at least 20 hours
 - **D** - displays unsatisfactory service; not punctual; volunteered at least 20 hours
 - **F** - designates "failure"; unacceptable service; volunteered less than 20 hours

2. A supervisor may assign a grade of “F” if the student serves less than 20 hours or provides dissatisfactory service. LU Serve will automatically assigned a grade of “F” if a student does not complete the evaluation process by the final grade deadline. If a student receives a grade of “F,” the CSER registration will not count toward the student’s graduation requirement but will remain on his or her transcript. The student may remove the “F” by: (1) dropping the CSER (with the approval of the supervisor); (2) completing the evaluation process and having the grade updated; or (3) using the repeat policy.

C. Repeat Policy

1. The repeat policy is similar to Registrar’s repeat policy in that students may change a CSER grade by completing the same CSER with the same organization.
2. A new grade may be assigned once the student serves at a satisfactory level.
3. The student should notify LU Serve and the supervisor of their intent to repeat, and the student must receive approval by email from LU Serve and the supervisor before serving.

D. Credit for Unregistered Service

1. Students may earn CSER credit for service they performed while an undergraduate student even if they did not register that service as a CSER.
2. The service hours must meet all CSER requirements and receive approval from LU Serve. Students will be charged a \$10 fee for late registrations.
3. Students cannot receive credit for service they performed prior to matriculation as an undergraduate student. CSER credit may only be awarded for service performed after matriculation. For example, an incoming student cannot earn CSER credit for service performed during the summer prior to matriculating in the fall semester.

E. Post-Graduation CSER Requirement

1. If students have completed all academic course work but have not earned their degree because they lack CSER credits, the limitations in Section II.D no longer apply. Students may serve as many hours as necessary with one organization in a term in order to fulfill their graduation requirements.
2. For each CSER credit needed, the student must serve a minimum of 20 hours of volunteer service.

IV. CSER Codes and Organizations

A. Pre-Approved CSER Codes

1. CSER organizations are divided (generally) into categories. These categories do not represent levels of difficulty, so students may register for organizations at any level (with supervisor approval).
 - CSER 200: Serving in the Local Church

- CSER 300: Serving on and through Campus
 - CSER 400: Serving through Liberty University Athletics
 - CSER 500: Serving with Community Partners
 - CSER 600: Service-Learning
2. Organizations with pre-approved CSER codes have an established relationship with LU Serve and provide regular opportunities for students to serve. If students do not find a suitable service opportunity among these organizations, they may request approval for another organization through a CSER 279 – Church Extension or a CSER 399 – Special Project.
 3. Organizations that supervise ten or more students for two consecutive semesters are eligible for a pre-approved CSER code. They must supervise at least five students per semester to maintain this eligibility.
 4. Service-Learning courses are exempt from this policy and may apply for a pre-approved code without the minimum of five students. However, Service-Learning courses are reviewed on an annual basis.

B. CSER 279 - Church Extensions

1. The Church Extension CSER course encompasses all students who serve in churches other than Thomas Road Baptist Church. Approved churches must be of similar faith, ethic, philosophy, and practice to the doctrinal position of Liberty University.
2. LU Serve will request a doctrinal statement from the prospective church. Any church or religious organization that is considered by LU Serve to be outside the stream of traditional evangelical orthodoxy with respect to doctrine or ethics will not be permitted as a valid CSER site.
3. The organization is expected to respect the doctrinal and ethical positions of Liberty University.

C. CSER 399 - Special Projects

1. Special projects are available for students who desire to participate in a service opportunity that is not pre-approved.
2. Special projects encompass any non-profit organization that is not a pre-approved organization and does not fall under CSER 279 – Church Extension. This may include either other religious organizations, non-profit organizations, or exceptions.
3. Each organization and student registration must meet the minimum CSER requirements.

4. Organizations are required to provide documentation of their 501(c)(3) status or state equivalent. Exceptions will be considered on a case-by-case basis.

V. Special Policies

A. BWVW 101/102 and RLGK 105

1. According to the student's Degree Completion Plan (DCP), BWVW 101 and BWVW 102 are a student's first two CSER requirements. This applies to students who have DCPs predating the Fall 2017 semester. Students who have failed either BWVW course will be required to complete any necessary CSERs to avoid falling behind in their graduation requirements.
2. As of Fall 2017, BWVW 101 and 102 are no longer available. Students who have successfully completed each of these courses will receive one CSER credit for each course. Residential students enrolled after the Fall 2017 semester may be required to complete RLGK 105, which replaced BWVW 101 and 102. Students will not receive any CSER credit for completing RLGK 105. Therefore, all new residential students who are enrolled at full-time status are encouraged to register for CSER in their first semester.

B. Student Leadership

1. Students who serve in leadership roles—Resident Assistant, Resident Shepherd, or Community Group Leader—are eligible to earn CSER credit for their service.
2. The CSER minimum of 20 service hours must exceed any hours these roles require for a student scholarship.
3. No student leader may receive double CSER credit for their service.
4. Student leaders are approved and selected by Residence Life and LU Shepherd respectively. Resident Directors supervise Resident Assistants, and Senior Resident Shepherds supervise Resident Shepherds and Community Group Leaders.

C. Student Clubs

1. CSER is available through student clubs who are approved by LU Serve. Approved student clubs will be given a pre-approved CSER code (e.g. Circle "K" Club: CSER 533-001).
2. The CSER supervisor must be the club's faculty or staff advisor of record. Students must register the club advisor's name as their CSER supervisor.
3. Club officers may earn CSER credit under the following guidelines:
 - The officer must serve at least 15 of 20 hours either through fulfilling their officer role, mentoring club members, or through service engagement to the community. A maximum of five hours of club meetings may count toward CSER credit.

4. Club members may earn CSER credit under the following guidelines:
 - The club is an approved CSER organization with a unique code (e.g. Circle “K” Club: CSER 533-001).
 - The club member must serve at least 15 of 20 hours through service engagement to the community. A maximum of five hours of club meetings may count toward CSER credit.

D. LU Send and LU Send Now

1. Students may earn CSER credit through participation in LU Send and LU Send Now travel.
2. In a standard CSER course, students must complete a minimum of 20 hours of service with one organization in one term. In relation to LU Send and LU Send Now travel, students must meet the following criteria:
 - Training: A minimum of six hours of classroom/video training prior to service.
 - Service: A minimum of 10 hours of service on location. This does not include travel time to and from location.
 - Essay: After the trip, the student will write a 1000-word minimum essay submitted to the CSER supervisor. The two components of the essay will be: (1) a 500-word summary of the service project; (2) a 500-word self-reflection. The essay should be the equivalent of four hours of service.
3. The CSER supervisor will evaluate the student’s service hours and essay and assign a grade.
4. In order to earn double credit for LU Send trips, a student must serve a minimum of 30 hours on location in addition to completing the pre-trip training and post-trip essay.
5. Students may not earn academic credit and CSER credit on the same LU Send trip without prior approval from LU Serve

E. Service-Learning: Earning CSER Credit in an Academic Course

1. Service-Learning offers a unique way for students to earn academic credit while also completing their CSER requirement. This involves completing a service project and reflection assignments in conjunction with the academic course.
2. Students should consult faculty members for Service-Learning opportunities. Faculty should work with LU Serve to have their Service-Learning projects approved for CSER credit.

3. Service-Learning CSER credit requires a minimum of 20 hours of service divided between three categories: Pre-Reflection assignments, Serving with a community partner, Post-Reflection assignments.
 - Pre-Reflection assignments require a minimum of five hours and should include assigned reading about Service-Learning. These readings will be determined by the faculty member.
 - Serving with a community partner requires a minimum of 10 hours (which cannot include travel time).
 - Post-Reflection assignments require a minimum of five hours.
4. The faculty member must agree to be a CSER supervisor.
