

## Final Exam Schedule

### General Guidelines:

*Faculty* are expected to use the final exam schedule to determine their exam time, however some exceptions are permitted: classes that are fewer than 3 credit hours, classes with non-standard timeslots which have made prior arrangement with the registrar, and classes with online or take home exams.

*Students* are expected to take their exam as scheduled. Any exceptions should be determined by the instructor on a case-by-case basis. Please consult your instructor if there is a discrepancy or question on an exam time.

***Inclement Weather:*** During inclement weather, students should monitor university emails for potential delays or closings. Exams may be moved to another day, but would be scheduled no later than Friday, December 13<sup>th</sup>. Further information may be available on Blackboard or through emails sent directly from instructors.
