

A current initial teaching license and the accompanying two years of experience with that license is necessary before beginning this program. If the initial teaching license is not from Virginia, a Virginia initial teaching license must be obtained during the program. After completion of the required program coursework (including internship), the passing of licensure tests, and a third year of experience, the graduate of this program would be eligible for adding the VA state licensure endorsement. Please refer to www.liberty.edu/advisingguide
