

Important: This certificate plan is effective for those starting in the fall 2022 through summer 2023. This certificate plan will remain in effect for students who do not break enrollment or who do not change certificates.

The **add-on Algebra I endorsement** is an option for:

- (a) Teachers who hold a current teaching license in any subject area
- (b) Teacher candidates who are enrolled in a teacher preparation program that leads to initial licensure in any subject area. This certificate provides eligibility to add an Algebra I endorsement to their initial license, certifying them to teach mathematics courses through Algebra I in grades 6-12.
