2023-2024 Degree Completion Plan

Important:

This degree plan is effective for those starting this degree program in fall 2023 through summer 2024. This degree plan will remain in effect for students who do not break enrollment or who do not change degree programs, concentrations or cognates. After completion of the required program coursework (including student teaching) and the passing of licensure tests, the graduate of this program would be eligible for a VA state teaching license.

Graduation Requirements

PHYS 103

125 Total Hours

3.0 Overall grade point average

Elements of Physics Lab

 $\textbf{31.25} \ Hours \ must \ be \ upper-level \ courses \ (300\text{-}400 \ level)$

Grade of 'C' Minimum required for all upper-level courses in the major and all EDUC and EDSP courses

25% Of major taken through Liberty University

31.25 Hours must be completed through Liberty University

Grad App Submission of Degree Completion Application must be completed within the last semester of a student's anticipated graduation date

CSER All requirements must be satisfied before a degree will be awarded

Notes

All practicum courses should be completed before student teaching, and candidates should not plan to take these courses in summer terms.

All applicable prerequisites must be met

¹Refer to the list of approved general education electives at www.liberty.edu/gened before ²All students must pass the Computer Assessment OR complete applicable INFT course refer to www.liberty.edu/computerassessment for more information

³Students transferring in 45 or more UG credit hours will have the requirements of RLGN 105 and EVAN 101 waived; Students transferring in 60 or more UG credit hours will also have the requirements of THEO 201 and THEO 202 waived

⁴Liberty University School of Education Background check is required for all practicums and student teaching
