

ARE YOU INSURED?

Know the FACTS

*When you completed Financial Check-In, you reviewed & acknowledged the On-Campus Agreement that covers the **Institutional Liability Policy**, which states:*

The university will not be responsible for damage to or loss of personal belongings, which are a result of fire, wind, water, insects, rodents, vandalism, or theft. However, when damage or loss is reported, the university will take reasonable steps to attempt to resolve the problem.

Students residing in the residence halls are encouraged to make sure **personal belongings are covered by their parent's homeowner's policy or a renter's insurance policy.** The university also encourages students residing off-campus to obtain homeowner's or renter's insurance to protect themselves against unforeseen circumstances.

Needing insurance for your belongings? Start by talking to your insurance agent and considering some form of renter's insurance. The university does not recommend or endorse any individual insurance company, but National Student Services, Inc. is example of a nationwide student property insurance company. NSSI insurance, provided by a member of Hanover Insurance, offers coverage to enrolled students for breakage, fire, theft, vandalism, water damage, etc., whether students live on-campus, off-campus, or are studying abroad.
