### Financial Support Information

Indicate here how much funding will be provided to support the program of the applicant named above. Attach evidence of the sponsor's ability to provide this support, such as a bank statement or letter from the bank. Please note the following:

- 1 Funding amounts must be listed in U.S. dollars on this form.
- 2 This form and financial documents must be dated within the past 6 months.
- 3 The sponsor's name must appear on the financial documents (and must match the name on this form).
- 4 If a student has multiple sponsors, each sponsor must submit this form along with proof of funds.
- 5 Estimated expenses for the applicant's program of study are located on the International Admissions website.
- 6 The student must have sufficient funds to successfully study in the United States without resorting to unauthorized U.S. employment for financial support. A prospective student must provide documentary evidence that sufficient funds are, or will be, available to defray all expenses during the entire period of anticipated study. This does not mean that the student must have all expenses immediately available to cover the entire period of intended study, which may last several years (with varying total expense amounts from year to year). The student, however, must establish that they have enough readily available funds to meet all expenses for the first year of study. Please indicate below the amount you intend to provide for one full academic year:
