Once you have located the room you'd like to select, **choose 'Add to Cart,'** then **select 'Save and Continue'** at the bottom of the page.

The screenshot displays three room cards, each with a 3D rendering of a room. The first card is for room 001-A206, the second for 001-A207, and the third for 001-A210. Each card lists '2 beds', '\$4770.00 per semester', 'Building: 001', 'Area: Commons', and 'Available Beds: 1'. A blue 'Save & Continue' button is highlighted with a red box. A 'Go Back' button is also visible in the bottom left corner.

**Step 9** — Next, you'll need to secure your space in the room by **choosing any of the available beds** from the drop-down menu. Once this is complete, **click 'Select Bed(s)'** at the bottom of the page. *Note: If you are in a roommate group, this is the page to assign roommates with the same classification as you.*

The screenshot shows the 'Bed Selection' page. On the left, there is a 'My Room' section with a bed icon. On the right, there is a form with 'Age: 20' and 'Gender: Male'. Below this is a note: 'Note: The bed selector below only serves to reserve your space in the room and does not signify the reservation of any particular bed. You may choose any of the open options below.' Underneath the note is a 'Select Bed' dropdown menu. The dropdown is open, showing a list of options: '001-A206 (2 total spaces, 1 available, 1 unavailable)' and '001-A206-1'. The '001-A206-1' option is highlighted in blue. At the bottom left, there is a 'Go Back' button and a 'Select Beds' button, which is highlighted with a red box.

**Step 10 — Review your selected details**, and when you're ready to proceed, **click 'Confirm'** at the bottom of the page.
