

2026-2027 PRIVATE LOAN CHANGE REQUEST FORM

Please complete the following information detailing the loan adjustments you would like to make. You will receive a revised financial aid offer reflecting your updated loan amounts. If the loan change encompasses the entire 2026-2027 academic year, please be aware that all disbursements may be affected.

Before you complete this form, please read this carefully:

1. Loan Change Forms must be submitted no less than 30 days prior to the end of the term to allow for processing.
2. Any request to remove a semester(s) and adjust your loan amounts will affect a student's remaining loan eligibility. Please note that removing a semester(s) does not guarantee increased loan amounts, because we are required to lower the cost of attendance to reflect your shorter enrollment period.
3. If the private loan has an endorser, their signature is required.
4. Adjusted amounts do not take origination fees into account. Please take that into consideration when calculating your changes.
