RESIDENTIAL TEACHING ANALYSIS POLLS (TAPS)

October 1-31

Why wait until your End-of-Course Surveys for student feedback? TAPs are a great way to take the pulse of your residential class mid-semester to determine what is helping student learning and what is hindering student learning. It also provides suggestions for strengthening your class.

To request your TAP during the month of October, complete the form at: <https://forms.office.com/r/zWvEhyj8dy>.

ONLINE TEACHING ANALYSIS POLLS (O-TAPS)

Would you like to gather feedback from your students about your online courses before the End-of-Course Surveys? CTE's Online Teaching Analysis Polls (O-TAPs) are designed to provide online faculty with valuable student feedback on written communications, discussion facilitation, assignment feedback, and support and engagement.

To request your O-TAP for an A-, B-, or D-Term course, complete the form at: <https://forms.office.com/r/j88CtskJiq>.
